

The ultimate husband in Chinese chapter 6426

Depending on the

situation, this woman and Zhan Wuji were not together, but followed.

call!

Seeing this, Yue Feng couldn't help frowning secretly. The woman looked at her face, and she didn't seem to be a disciple of Mingyuemen. Strange, why so many people come to this secret realm today.

At this time, Yue Feng didn't know that the woman hiding outside the hall was called Qiangwei, a disciple whom Granny Safflower only accepted half a year ago.

Two months ago, Qiangwei stepped into the rivers and lakes to practice, acting as a chivalrous person, hoeing the strong and helping the weak. One day before passing by the Mingyuemen, she encountered Huang Shihu and a group of people who robbed innocent people. Just considering that there are too many people in Huang Shihu's group, out of safety considerations, they have been following secretly.

Half an hour ago, seeing Huang Shihu sneaking into the secret realm of the Mingyuemen main altar, Qiangwei also followed.

These scum...

At this moment, Qiangwei was hiding outside the main hall, quietly watching the movements of everyone in Huangshihu. With her delicate face, she couldn't hide the anger, especially when she thought of the innocent people who died tragically at their hands before, Qiangwei couldn't wait. Immediately rushed in and killed them all.

But considering that Huang Shihu and others are not low in strength, Qiangwei still held back for the time being.

Let's take a look at what these people are doing next, and act accordingly.

This woman...

Seeing this situation, Yue Feng, who was hiding on the top of the hall, couldn't help but muttered.

She won't be preparing to raid Zhan Wuji and these people, her courage is commendable.

Yue Feng clearly sensed that this Rose's strength was only of the seventh rank, and Huang Shihu and several others were also of the seventh rank and above, plus Zhan Wuji, if she really wanted to do it, she had no chance of winning.

"All right!"

Just when Yue Feng was thinking about it, he heard Zhan Wuji's voice in the hall: "After rushing for a long time, everyone should take a rest first, wait for your energy, and then explore this place."

"Okay, boss! "

I can finally take a rest."

"This place is really good. The main hall is built like a palace..." After the

voice fell, Huang Shihu and a few quickly responded, while talking, they were surrounded by a pillar Meditate and rest.

For a while, the entire hall regained its tranquility.

Here comes the opportunity.

At this moment, Qiangwei, who was watching the situation outside, cheered up on her delicate face, and immediately clenched her long sword, ready to rush in.

She saw that Huang Shihu and others closed their eyes and entered the meditation rest. At this time, they would be able to kill them easily. In her heart, Huang Shihu and her strength were equal to her. No problem.

However, what she didn't know was that Zhan Wuji, the leader, didn't belong here at all. His strength was unfathomable, and he was an existence beyond imagination.

What the hell!

Seeing that Qiangwei was about to start, Yue Feng was stunned for a moment, not knowing whether to laugh or cry.

This woman is so impulsive, she really wants to deal with Zhan Wuji by herself... as expected, the ignorant is fearless.

Whoosh!

Thinking to myself, Yue Feng did not hesitate at that time, urging his figure to fly down quickly, and silently arrived behind Qiangwei.

Because Yue Feng was so fast, Qiangwei didn't notice it.

popping....

In the next second, Yue Feng shot like lightning and tapped Qiangwei's acupuncture point from behind.

In an instant, Qiangwei's body trembled, unable to move at all, and at the same time she was startled. She didn't expect that there would be a surprise attack behind her. At that time, I wanted to shout, but I was afraid to wake up Huang Shihu and others in the hall, so I held back.

Yue Feng didn't talk nonsense, picked up Qiangwei by the waist, quickly bypassed the main hall, and went to the side hall at the back.

"You..."

At this time, Qiangwei was ashamed and angry when she saw Yue Feng's face: "Who are you? Put me down...let me down." This person tapped my acupuncture point and took me back. It's definitely not safe to go to a place like this.

Moreover, he is so clean and pure, but he is holding him like this...

At this moment, in Qiangwei's heart, he subconsciously thinks that Yue Feng, Huang Shihu and others are a group.

call!

Yue Feng took a deep breath, put her down, and said lightly: "Don't call, you will be in trouble when they hear the movement and come over."

When he said this, Yue Feng was very helpless. At first glance, this woman is inexperienced in the world and inexperienced in the arena.

The ultimate husband in Chinese chapter 6427

Hearing this, Qiangwei frowned and looked at Yue Feng up and down: "They? You and them are not a group?"

Haha!

Yue Feng couldn't help laughing: "You followed them just now, can't you see it?"

Qiangwei tilted her head and thought for a while, and she suddenly realized, yes, among those Jiangyang robbers, there seems to be no such person in front of her, she thought to herself, Qiangwei She couldn't help but ask, "Then who are you?"

When she said this, Qiangwei lost her previous nervousness, but she was still very angry.

This person and Huang Shihu are not in the same group, so I don't have to worry about it anymore, but thinking about being held by him just now, I can't tell the fire.

"I..."

Yue Feng scratched his head and replied with a smile: "I am a disciple of Mingyuemen, and I am responsible for taking care of the secret realm." Of course, I can't say my true identity. Only the identity of 'Mingyuemen disciple' is more reasonable.

It turned out to be a disciple of Mingyuemen.

At this moment, Qiangwei suddenly nodded, but looking at Yue Feng's eyes, there was still a bit of displeasure, and said: "Those people are the famous Jiangyang robbers in the rivers and lakes, killing innocent people indiscriminately and doing all kinds of evil.

"Jie acupoints, I want to kill these scumbags and eliminate the harm for the rivers and lakes."

At this time, Qiangwei's delicate face was righteous and dignified, and her tone was unquestionable.

Haha....

Yue Feng couldn't help laughing secretly, but his face was serious: "These robbers from Jiangyang, when they arrive at our Mingyuemen, let me deal with them, and you don't care."

This woman is really interesting, and a person actually vowed to deal with Zhan Wuji and them. Not to mention that Zhan Wuji can't take action, even the few Jiang Yang robbers around him, I'm afraid you can't deal with them.

Thinking to himself, Yue Feng continued: "You stay here first, and I will come back to let you go after I finish."

After that, Yue Feng turned around and walked out of the side hall.

At this time, Yue Feng was in a very depressed mood. He originally wanted to cultivate and recover in this sunflower secret realm, but he never thought that Zhan Wuji would break in with a few thieves from Jiangyang.

Not only that, but there is also a woman who does not know the heights of the sky...

But Yue Feng is not worried, there are many organs in this palace group, as long as they are used properly, it is easy to deal with people like Zhan Wuji.

Speaking of which, if Yue Feng's strength is restored to the peak, he will not take Zhan Wuji in his eyes at all, but his strength has not fully recovered yet. Facing the peak state of Zhan Wuji, coupled with Huang Shihu and others, there is no chance of winning, only can proceed with caution.

"Hey..."

Seeing Yue Feng turn around and go out, Qiangwei was in a hurry. At that time, she wanted to go out, but found that the acupuncture point was taped, and she couldn't move at all, so she could only shout anxiously: "Come back quickly, give me a solution. Point..."

When she shouted, Qiangwei was indescribably angry.

This person is not only rude, but also a little conceited. He is just a disciple of Mingyuemen. Would that be the opponent of Huang Shihu's gang?

However, where is Yue Feng's figure outside the door?

.....

on the other side, in front of the main hall.

call!

After everyone rested for a while, Zhan Wuji opened his eyes and slowly stood up and said, "Okay, that's almost it, let's start investigating."

While speaking, Zhan Wuji looked around the entire hall, thoughtfully.

Everyone in Huang Shihu also stood up and began to investigate around the hall.

Yue Feng, Li Suqiu, and the Great Elder had fought here before. At that time, the corpse was only taken out, and the blood was not cleaned up, so it was quickly discovered by several Huang Shihu.

"There is blood here..."

"There is also here, it seems that someone fought here before..."

"It should be an internal dispute

at Mingyuemen...” After discussing, Huang Shihu went to check the walls around the hall again. , and soon found a secret door in the wall.

Haha...

At this moment, Huang Shihu was very excited, and said to Zhan Wuji: “Boss, there is a secret door here, it seems that there is a mystery inside.”

Hearing this, Zhan Wuji immediately came over and saw The dark door was dark, and he frowned immediately and said, “Go in and investigate.” Saying so, Zhan Wuji did not rush in, but let Huang Shihu take the lead.

For Zhan Wuji, Huang Shihu and these people are just free subordinates, and they don't worry about their lives at all.

The ultimate husband in Chinese chapter 6428

At this moment, looking at the dark secret door in front of them, Huang Shihu and the others were also a little nervous, but when they heard Zhan Wuji's words, they bravely walked in.

Zhan Wuji followed closely.

At this time, Zhan Wuji was all focused on the space inside the secret door. He didn't notice that a figure was quietly approaching at the door of the main hall.

It was Yue Feng.

call!

At this moment, when Yue Feng saw Zhan Wuji and the others entering the secret door, he breathed a sigh of relief and showed a smile.

I didn't expect them to be very fast. They have already found the secret doors on both sides of the wall of the main hall. Well, let's enjoy the deadly organs inside.

When Yue Feng and Lin Ping entered the secret door before, they roughly explored it at that time. Yue Feng knew almost exactly how many organs there were and how many fork in the road.

Moreover, Yue Feng also knew that Zhan Wuji, as the number one general under Haotian Divine King, also knew some formation techniques. Therefore, the formation in the secret passage could not trap him at all.

However, the only way out, there are several hidden institutions, enough to fight Wuji for a few drinks.

Thinking to himself, Yue Feng quietly bypassed the hall and waited quietly near the exit of the secret passage behind.

...

At this moment, Zhan Wuji is here.

This....

After entering the secret door, Huang Shihu and the others looked at the scene in front of them, all dumbfounded, and they couldn't help gasping for air.

Is this a maze?

I saw that the secret road in front of me was winding and there were forks everywhere, and I didn't know how big it was, just like a huge maze.

After being stunned for a few seconds, Huang Shihu was the first to react and asked Zhan Wuji carefully: "Boss, which direction should we go?"

Huh!

Zhan Wuji took a deep breath, looked at the fork in front of him, thought about it, and said lightly: "Turn right ahead, everyone be careful, there may be secret doors on both sides of this secret passage."

Alright!

After receiving the order, Huang Shihu responded, and then he greeted his companions and explored the road together.

For the next half hour, Huang Shihu would cautiously inquire about Zhan Wuji at every fork in the road, and continue to move forward after getting Zhan Wuji's instructions.

Haha...

Finally, a few people walked out of the secret passage and saw the corridor outside the exit, all of them were secretly relieved and excited.

It's time to get out of this maze.

Huang Shihu couldn't help but curry favor: "Sure enough, the boss is still very good. If it was me, I'm afraid I would have lost my way." The

voice fell, and several others also spoke.

“Yeah, the boss is so powerful, how can we compare?”

“By the way, what does this labyrinth-like secret passage do? I don’t think it’s used for escape.”

“Of course it’s trapped. Otherwise, why are there so many agencies?”

Hearing the compliments from several people, Zhan Wuji showed a smile, which was very useful, and then said seriously: “Okay, don’t talk nonsense, there are agencies on both sides of the corridor in front of you, everyone. Be careful.”

I saw that there were some small holes hidden under the stone pillars on both sides of the corridor, which were obviously used for arrows. Not only that, but the smell of kerosene permeated the air.

As the general of the God Realm, Zhan Wuji followed the Haotian God King to fight around, and he was also well-informed. At a glance, he could see that the corridor in front of him was more dangerous than the maze behind him.

Huh

Hearing this, Huang Shihu quickly closed his mouth, each with a look of fear on his face.

The next second, Huang Shihu asked cautiously, “Boss, how do I get to this corridor?”
Huh

!

Zhan Wuji took a deep breath, observed it carefully, and said slowly, “Take the row of slates on the left, and after fifty steps, go to the right, repeating this, remember, don’t make any mistakes.

” Zhan Wuji looked relaxed.

The corridor in front of him was deployed according to the ‘Yin-Yang Spirit Snake Array’. Zhan Wuji had studied this formation quite a bit, and he could see it at a glance.

“Understood!” Huang Shihu nodded in succession.

Haha...

Seeing this scene, Yue Feng, who was already waiting nearby, couldn’t help showing a smile.

This Zhan Wuji is quite capable, and you can see the mystery hidden in this corridor at a glance, but unfortunately, you met me today.

The ultimate husband in Chinese chapter 6429

Mumbling

in his heart, Yue Feng took advantage of Zhan Wuji's inattention, quickly moved his figure, rushed to the rockery next to the corridor, and then twisted one of the stones.

Yes, this stone is the key to controlling the corridor formation.

When Yue Feng explored the palace group before, he had already understood this corridor formation clearly.

After secretly changing the formation, Yue Feng hid behind the rockery and observed it quietly.

At this time, Zhan Wuji didn't know that the formation in the corridor had changed. After explaining a few words, he let Huang Shihu continue to lead the formation to explore the way.

Whoa!

For a time, Huang Shihu didn't have time to think about it, he walked into the corridor first, each with a very calm expression. During this period of contact, Zhan Wuji gave them the impression that he was almost omnipotent, and there was nothing he couldn't do.

Even if there is a lot of danger, and there is no limit to the war, it will be saved, so even if they know that the corridor in front of them is dangerous, Huang Shihu and a few are not worried.

Huhu....

However, I didn't take a few steps. I don't know who touched the mechanism hidden under the stone slab. From the dark holes of the stone pillars on both sides, tongues of fire suddenly spewed out.

Huang Shihu's two companions had no time to react, and were instantly enveloped in flames.

"Ah..." The

two let out a scream, rolled to the ground, and tried to put out the fire on their bodies. As a result, two other organs were triggered, and more flames erupted, covering them completely.

Hiss....

Seeing this scene, Huang Shihu and the other companions were shocked, and then they reacted and went forward to help put out the fire, but it was too late. In the end, two charred corpses were burned...

Mad...

At this moment, Zhan Wuji also frowned and muttered inwardly.

No, the 'Yin-Yang Spirit Snake Array' deployed in this corridor is obviously the correct order. Moreover, Huang Shihu didn't go wrong, how could it still trigger the mechanism?

"Old... Boss..."

At this moment, Huang Shihu reacted, his face was pale at that time, and he said tremblingly: "This... how do I go next..." When he spoke, his voice was soaring. trembling.

Two good companions, if they say they die, they will die. Who is not afraid when they see it?

The voice fell, and the other two companions also looked at Zhan Wuji closely, flustered.

Zhan Wuji didn't seem to hear it, he quietly looked at the corridor in front of him, and the charred corpses of the two men, thoughtfully.

Could it be... this formation will change automatically...

huh....

After more than ten seconds, Zhan Wuji calmed down and said slowly: "The route just now, in reverse, left to change. Right, right to left..."

However, this time, Huang Shihu looked at each other in dismay, not daring to try.

Zhan Wuji was not angry at all, and walked over first.

Although Huang Shihu and the others were just free pawns in his heart, he couldn't let them all die. Otherwise, it would be too troublesome to investigate such a large palace group alone.

“Follow up!”

Seeing Zhan Wuji exploring the way, Huang Shihu regained his senses and hurriedly greeted his companions to follow. At the same time, he couldn't express his admiration: “The boss is really brave, the younger brother is really admired!”

Several companions, They also opened their mouths to flatter.

“Yes, yes...”

“Why don't you be our boss.”

Hearing these words, Zhan Wuji's face did not fluctuate at all, and he said lightly: “Okay, stop flattering, see clearly, and follow my footsteps. , don't make a mistake.”

“Yes, yes...” Huang Shihu nodded several times.

Soon, Zhan Wuji took Huang Shihu and a few people and successfully walked through the corridor.

call!

For a time, Huang Shihu and a few were relieved, great, this fate was saved.

Interesting...

Seeing this, Yue Feng, who was hiding behind the rockery, frowned.

Unexpectedly, in this battle, Wuji's formation and research, I have changed the formation, and he can come out safely.

But...the fun has just begun.

Thinking to himself, Yue Feng quietly left the rockery and deployed a 'Suo Xian Enchanted Soul Array' in the garden where he and Li Suqiu rested before. After doing this, Yue Feng grabbed some black soil, wiped it on his face, and then quickly rushed in the direction of Zhan Wuji and the others.

The ultimate husband in Chinese chapter 6430

Because you can't fight Zhan Wuji head-on, you need to disguise.

At this time, Zhan Wuji is here.

call!

Zhan Wuji stood there, looking around the surrounding palaces, feeling a little irritable.

This place is not small, and I damaged two people just now. If I want to explore all of them, I am afraid it will take a lot of time.

If there is no teleportation array here, it will be a waste of time.

“Boss!”

At this moment, Huang Shihu asked, “Are we going to investigate separately?” When asked, Huang Shihu was in a very complicated mood.

Just now, Huang Shihu saw with his own eyes that two of his companions were burned alive, and he already had a shadow on this place in his heart, so he didn't dare to investigate alone at this time.

Zhan Wuji sighed and was about to respond.

“Hey, hey...”

At this moment, a loud cry came from not far away: “Who are you? You are so bold, how dare you break into the forbidden area of the Sunflower Secret Realm!”

Huh? anyone here?

Suddenly hearing the sound, whether it was Zhan Wuji or Huang Shihu, they were all taken aback, and then they heard the sound and saw a man with a dirty face walking over quickly.

It was Yue Feng.

Seeing Yue Feng, Zhan Wuji and Huang Shihu both frowned.

Who is this?

Because Yue Feng deliberately stained his face, Zhan Wuji couldn't recognize him at all.

At this time, Yue Feng had already arrived in front of him, looking cold and arrogant, looking at Zhan Wuji up and down: “Come on, who are you? Why do you want to break into the forbidden area of our Mingyuemen?”

At this time, Yue Feng deliberately Pretending to be a disciple of Mingyue Sect to confuse Zhan Wuji.

It turned out to be a disciple of Mingyuemen.

Knowing Yue Feng's identity at this time, whether it was Zhan Wuji or Huang Shihu, they all showed disdain.

It's just a disciple who dares to run over to provoke him, he's just courting death.

hey-hey!

In the next second, Huang Shihu took the lead in reacting and sneered at Yue Feng: "What about the forbidden area of your Mingyuemen? Boy, do you know who I am?"

As a famous Jiangyang thief in Jianghu, when he just walked through the corridor, I almost lost my face, and now I have to say anything in front of the boss and show it well.

"Who are you?" Yue Feng frowned, pretending to be cautious.

Huang Shihu laughed evilly, stretched out his thumb, and pointed to the tip of his nose: "My name is Huang Shihu, and Jianghu is known to kill people without blinking. Have you heard of it?"

At this time, Huang Shihu was very proud, and he was famous in Jianghu. Not small, this kid must have heard of it, and he will definitely be frightened later.

Haha...

Seeing his appearance, Yue Feng sneered secretly, this kid is quite confident and gave me the registration number.

Thinking to himself, Yue Feng shook his head: "I haven't heard of it!"

Yue Feng didn't deliberately tease Huang Shihu. He just came to this continent and was not very familiar with everything here, so naturally he had never heard of Huang Shihu's name.

As for the colleague who responded, Yue Feng secretly paid attention to Zhan Wuji's reaction, and when he saw him standing there, he looked indifferent and didn't even look at Yue Feng.

At this time, in Zhan Wuji's heart, Yue Feng was just an ordinary Mingyuemen disciple, and he was not qualified to receive his attention at all. This is also the purpose of Yue Feng, which is to let Zhan Wuji relax his vigilance.

Mad!

Hearing Yue Feng's answer, Huang Shihu was very annoyed and couldn't tell the embarrassment in his heart. I wanted to show my prestige in the arena, but I didn't expect that the other party hadn't heard of me, which was really shameful.

For a while, Huang Shihu became more and more angry, and he was too lazy to talk nonsense at that time, and shouted at Yue Feng: "Idiot, ignorant waste, even I have never heard of it, go to hell."

Om!

The last word fell, Huang Shihu burst into strength, rushed over quickly, and hit Yue Feng with a palm.

Just a disciple of Mingyuemen, there is no use value, just kill him.

Ha ha!

Looking at Huang Shihu's palm, Yue Feng did not panic at all, and a faint smile appeared on the corner of his mouth. He could guess that Zhan Wuji would not let Huang Shihu do it. After all, they knew nothing about this place and needed to Find someone familiar with the environment to lead the way.

"Stop!"

Sure enough, before Huang Shihu slapped Yue Feng, Zhan Wuji frowned and stopped: "Don't mess around."
