

## The ultimate husband in Chinese chapter 6431

Hearing Zhan Wuji's words, Huang Shihu immediately stopped and said inexplicably: "Boss, this kid is mad and cruel, and he is from Mingyuemen. If we don't kill him, our whereabouts will be exposed. "

When he said this, Huang Shihu glared at Yue Feng. Mad, this kid has never heard of my name, so I'm so embarrassed, if I don't teach him a lesson, where will I put my face in the future?

"Oh?"

At this time, Yue Feng couldn't help but shout: "You broke into our Mingyue access control area, and you still want to do it? Let me tell you, I'm not afraid of you."

Saying so, Yue Feng made a pair of The stance of turning around and running at any time shows a smooth disciple vividly.

mad.

Hearing Yue Feng's words, Huang Shihu was furious.

At this moment, Zhan Wuji breathed a sigh of relief, and said lightly: "Since this person is a disciple of Mingyue Sect and is responsible for taking care of this place, he must be familiar with the environment here. Don't hurt him first, and capture him alive to guide us."

In his eyes, killing A disciple of Mingyuemen is easier than crushing an ant.

It's just that the most important thing now is to explore this palace and find the teleportation formation.

Yup!

Hearing this, Huang Shihu suddenly realized, and immediately patted his forehead: "The boss is still thinking carefully, look at me, I almost missed the boss's big event."

After speaking, Huang Shihu turned his head and looked at Yue Feng fiercely: "Boy, today You are lucky, if it wasn't to help the boss find the teleportation formation, I would have to remove your bones one by one."

While speaking, Huang Shihu greeted a few companions and quickly surrounded Yue Feng.

"What are you going to do?"

Yue Feng made a look of shock and anger, and shouted: "I warn you all to be honest, otherwise, we will wait for someone at Mingyuemen, and you will not be able to eat and walk around."

Whoosh!

The voice fell, Yue Feng turned around, and quickly ran towards the side hall behind him.

At this time, Yue Feng, pretending to be an ordinary disciple of the Mingyue Sect, faced this situation, if he did not panic at all, and if he was alive and directly acted, it would definitely arouse suspicion.

Not only that, but Yue Feng had suspiciously restrained his primordial spirit, so Zhan Wuji didn't notice it.

"Stop!"

Seeing Yue Feng rushing into the side hall, several Huang Shihu shouted angrily, and then rushed in quickly.

Zhan Wuji stood there, his expression indifferent.

To deal with such ordinary people, a few Huang Shihus are enough, and there is no need to do it by himself.

In the side hall.

Several Huang Shihu rushed into the side hall and saw Yue Feng standing inside, flustered, and all of them couldn't help laughing all of a sudden.

"Boy, let's see where you're going!"

"Let's be honest and lead the way, or you'll fall to the ground."

As he spoke, Huang Shihu pulled out his long knives and quickly surrounded Yue Feng.

"Several!"

Yue Feng looked terrified and said, "Don't kill me, don't kill me... I won't run away." After speaking, he squatted down.

Bitchy bones!

Seeing that he was softened, Huang Shihu couldn't help but scolded: "I thought I had a lot of backbone, but it turned out to be a soft egg, Mad, quickly stand up and go with us."

After cursing, Huang Shihu kicked Yue Feng.

This kick was neither painful nor itchy to Yue Feng, but it made him angry. Ma De, the hero of the Kyushu continent and the teacher of the Emperor of Heaven, has now been taught a lesson by several Jiangyang thieves.

However, in order to successfully introduce Zhan Wuji into the trap, Yue Feng endured it. Immediately nodded: "I'm going, I'm going..."

With that, Yue Feng stood up and followed Huang Shihu out of the side hall.

"Boss!"

In front of Zhan Wuji, Huang Shihu looked smug: "It's done, this kid is strong on the outside, but he is very soft."

After speaking, Huang Shihu kicked Yue Feng from behind again, and said coldly: "Boy, wait until our boss asks you to do what you want, and if you dare to say nothing, I will screw your head off and use it as a chamber pot."

"Yes, yes..." Yue Feng replied tremblingly.

Um.

At this time, Zhan Wuji nodded, then looked up and down at Yue Feng, and said lightly: "Are you familiar with this palace group?"

## **The ultimate husband in Chinese chapter 6432**

While asking, Zhan Wuji was secretly curious.

Strange, since this kid is a disciple of Mingyuemen, why doesn't he have any strength?

At this time, Zhan Wuji didn't know that the person in front of him was Yue Feng, and he could hide and restrain his strength, so he couldn't notice it at all.

"Understood..."

Facing the inquiry, Yue Feng nodded, and said with sincerity: "I understand a little..."  
That's

great...

Hearing the response, Zhan Wuji was very excited, but he didn't show it on his face. He continued to ask: "You are a disciple of Mingyuemen, why do you have no strength at all?"

When he spoke, Zhan Wuji's eyes revealed a bit of suspicion.

call!

Feeling Zhan Wuji's doubts, Yue Feng couldn't help but take a deep breath and muttered.

This battle is boundless, worthy of being followed by God King Haotian all the time, and his vigilance is very high.

Muttering, Yue Feng thought for a while, and replied honestly: "I... I just joined Mingyuemen, and I haven't been taught the exercises, so...so I don't have the slightest strength."

Zhan Wuji's vigilance is too high, you need to make up reasons well, otherwise it will be difficult to fool around.

"Just joined?" As soon as

Yue Feng's voice fell, Huang Shihu couldn't help shouting: "You kid think we are all fools? You have no strength at all, and Mingyuemen will let you take care of you here?"

Shuh!

The voice fell, and several companions also looked at Yue Feng suspiciously, and became vigilant one by one.

This kid has a problem.

Could it be that he is not from Mingyuemen, but has another identity?

"I didn't lie to you!"

Facing the suspicions of Huang Shihu and the others, Yue Feng calmly said with a bitter face, "Speaking of which, I don't want to stay in such a deserted place, but our sect master gave an order. , I can't do anything about it."

"You don't know, when I first joined Mingyuemen, several elders were fighting for the position of master of the door. Several parties fought hard, causing Mingyuemen to suffer greatly, and it was precisely because of this. I haven't been taught the exercises yet."

That's how it turned out.

Hearing these words, Huang Shihu suddenly realized.

In the next second, Huang Shihu couldn't help but ask: "So, the bloodstain in the hall just now was left over from the fight between your Mingyuemen elders?"

"Yes!"

Yue Feng nodded and made a move. The deputy looked scared: "At that time, the elders fought very badly, and several elders died..."

Hearing this, Huang Shihu and a few did not ask.

At the same time, Zhan Wuji no longer doubted Yue Feng's identity, and completely relaxed his vigilance.

"Okay!"

At this time, Zhan Wuji looked at Yue Feng with a proud tone: "Let's not talk about these questions, let me ask you now, is there a teleportation formation in this place?"

When asked, Zhan Wuji was calm on the surface, but his eyes were not. With some anticipation.

Haha...

At this moment, Yue Feng couldn't help but secretly laughed.

It turned out that Zhan Wuji took these people to explore this palace group in order to find the teleportation formation.

It seems that he still doesn't know that God King Haotian and I are here, and he wants to use the teleportation array to return to God's Domain.

It just so happened that a Suo Xian fascination array was deployed in the garden before, which could lead them to the situation.

"Boy!" Seeing that Yue Feng didn't answer in time, Huang Shihu had a cold face and threatened viciously: "You better not play tricks. If you know it, say

it quickly, or you will die ugly."

Huang Shihu waved his long knife and made a gesture of beheading.

Gudong!

Yue Feng made a very scared look, pretended to swallow saliva, waved his hand and said, "I know for sure, let me think about it..." When the

voice fell, Yue Feng scratched his head and put on a bitter expression. Thinking look.

Yue Feng is very clear in his heart, Zhan Wuji is very vigilant, if he directly says that there is a formation, he will definitely be suspected.

....

on the other side.

In the side hall to the northwest of the garden, Qiangwei was standing there, unable to move, her delicate face was indescribably anxious.

Especially when he thought of being held by Yue Feng before, he was even more ashamed and angry.

That person is really hateful, he took advantage of me, and left me here regardless.

Thinking to herself, Qiangwei silently urged the exercises to try to open the acupoints.

## **The ultimate husband in Chinese chapter 6433**

Call!

Finally, after ten minutes passed, Qiangwei was swept away by the acupuncture point, and she breathed a long sigh of relief.

Speaking of which, Yue Feng's acupuncture technique was taught by Guiguzi back then. This acupuncture technique is very unique and difficult for ordinary people to solve.

But it is very coincidental that the exercises practiced by the mother-in-law Honghua have some origins with Guiguzi. Thousands of years ago, a practitioner from the continent of Kyushu accidentally entered the continent of Tianxin through the vortex of chaos.

When this cultivator was practicing in Kyushu, he inadvertently obtained a training formula written by Guiguzi himself, including this unique acupuncture technique.

After arriving at Tianxin Continent, the cultivator found a place to live in seclusion. Later, Grandma Safflower's ancestor entered the place of seclusion inadvertently and obtained this set of formulas, which has been passed down since then.

Although Qiangwei has been a teacher for half a year, she is very talented and liked by her mother-in-law Honghua. Two months ago, she passed this formula to her, so at this time, she opened the acupuncture point very easily.

“This bastard!”

After rushing through the acupoints, the appearance of Yue Feng appeared in Qiangwei’s mind. With her delicate face, she couldn’t hide the shame and anger: “When I find you, you must look good.” After speaking, Qiangwei clenched her hands tightly

. The long sword quickly walked out of the side hall and probed around.

.....

At this moment, Yue Feng is here.

“Hey!”

Another minute passed in the blink of an eye, and Huang Shihu became a little impatient, and shouted at Yue Feng, “Have you remembered? Is there a teleportation formation in this place?”

He was irritable and reckless. I kept thinking about it and couldn’t help it.

This fool!

Yue Feng scolded secretly, with a stunned look on the surface, and patted his forehead: “Ah, I thought of it, there seems to be a large formation in the back garden, but I don’t know if it is a teleportation formation.” As he

said, Yue Feng quietly observed Zhan Wuji’s reaction.

Zhan Wuji, Zhan Wuji, do you still want to go back to God’s Domain? Go dream.

Swish!

Hearing this, whether it was Zhan Wuji or Huang Shihu, they were all very excited.

In particular, Huang Shihu and the others were extremely excited.

“Haha, that’s great!”

“If it’s a teleportation formation, our trip will not be in vain.”

Zhan Wuji was also a little excited, but he didn’t show his identity, but raised his hand and said: “Go, take us. Go and have a look.”

When he spoke, Zhan Wuji couldn't wait.

okay!

Yue Feng responded and hurried to the front to lead the way.

Zhan Wuji and Huang Shihu followed closely, not forgetting to be vigilant around them. However, none of them noticed that a slender and charming figure was quietly following them a few dozen meters behind them.

It is rose.

"This bastard..."

At this moment, watching Yue Feng and Zhan Wuji mixed together, Qiangwei's delicate face suddenly showed uncontrollable anger: "What kind of disciple of Mingyuemen does this person call himself? The fake one is actually a Jiang Yang robber."

At this moment, in Qiangwei's heart, she thought that Yue Feng was Huang Shihu's accomplice. I had an opinion on him at first, but at this time I thought that I had been deceived, and I was even more angry.

"When you find an opportunity, you must get rid of all of you scum."

At this time, Qiangwei said to herself, clenching her sword, and quickly followed.

.....

In a blink of an eye, Yue Feng took the Yellow Stone Tigers to the entrance of the garden.

call!

At the entrance, Yue Feng took a deep breath and pretended to be very panicked: "Several, this is the garden, you go in, walk along the stone road, and you will soon see the formation."

When speaking, Yue Feng Looking into the garden, there was a bit of fear in his eyes.

Yue Feng thought about it, and later trapped the Huang Shihus in the formation, and then dealt with Zhan Wuji well. Without the help of Huang Shihu and the others, Yue Feng had absolute confidence in defeating Zhan Wuji.

Mad!

Seeing Yue Feng's expression of retreating, Huang Shihu couldn't help cursing: "Let you lead the way, what nonsense, you go first."

"I don't dare!"

Yue Feng said with a bitter face: "In this garden, There are poisonous insects everywhere, and several of my classmates were killed before, I have no strength at all, and I dare not take risks."

Poisonous

insects?

Hearing this, Huang Shihu's expressions suddenly changed.

The next second, Huang Shihu said viciously: "What are you afraid of? We are here, go in and lead the way."

At the same time, Zhan Wuji also said lightly: "Don't be afraid. Even if there are poisonous insects, you will be there with us. It's alright." At this time, Zhan Wuji couldn't wait to see the formation, but he was not familiar with the environment here, so he had to rely on Yue Feng for the time being.

Uh...

At this moment, Yue Feng pretended to be embarrassed and scratched his head.

Ma De, how do you think of a way to separate Zhan Wuji and Huang Shihu?

You must know that although the Suo Xian Fascinating Formation is powerful, Zhan Wuji has studied the formation method. If he and Huang Shihu are brought into the formation together, Zhan Wuji may be able to break the formation soon.

Mad!

Seeing that Yue Feng was still reluctant to take a step, Huang Shihu became impatient and scolded: "Are you really courting death? My boss said it, what are you afraid of?"

"

"A bunch of scum, die."

However, at this moment, a coquettish shout came from behind, and then, a slender and charming figure flew over, and the long sword in his hand drew a cold light, Quickly stab at Zhan Wuji.

It is rose.

Shit...

The moment he saw Qiangwei, Yue Feng was stunned, and his mind was a little dazed.

How did she come? No, shouldn't she still be in that side hall now?

My own acupuncture technique is unique in Kyushu. No one can solve it so quickly. How did this woman rush to open the acupuncture point?

For a time, Yue Feng was at a loss for words, and couldn't understand anything.

At this time, Yue Feng didn't know that Qiangwei's master, who had some connections with Guiguzi, could naturally rush through the acupoints.

Um?

Feeling the danger coming from behind, Zhan Wuji frowned and looked back at Qiangwei with disdain in his eyes.

A weak woman dares to raid me? court death!

At the same time, Huang Shihu and several others also looked at Qiangwei, only one glance, all of them were stunned, and their eyes were straight.

nice!

pretty.

I didn't expect to meet such a top-notch beauty in such a deserted place.

This look is simply perfect.

It was at this moment that Qiangwei rushed to the front, her eyes fixed on Zhan Wuji, and she said coldly: "You scum, kill innocent people indiscriminately, and do all kinds of evil. Today, I will kill the evil in the rivers and lakes." The

voice fell, and the long sword in his hand was fast. Like lightning, it stabs towards Zhan Wuji.

When Huang Shihu hurt the innocent before, Zhan Wuji never made a move, but Qiangwei could also see that he was the leader of Huang Shihu's gang.

Although she rarely set foot in the rivers and lakes, she also knows the truth of catching the thief and the king.

Holy crap, don't be impulsive.

Seeing this scene, Yue Feng was very speechless. At that time, it was like a stop, but it was too late.

Zhan Wuji is the number one general under Haotian God King, and his background is not comparable to a fledgling Jianghu person like Qiangwei.

"I can't help myself!"

Zhan Wuji's eyes were full of contempt when he saw Qiangwei stabbed with a sword. He spit out a few words coldly, and raised his hand lightly. Shock flew out.

Pfft!

After landing, Qiangwei groaned, her delicate face instantly pale and extremely weak.

This person is so strong...

For a time, Qiangwei looked at Zhan Wuji closely and was shocked. She thought that this person's strength was similar to that of Huang Shihu, but she never thought that this person's strength was unfathomable and completely unfathomable. beyond imagination.

well!

Seeing this, Yue Feng shook his head secretly.

This woman is really impulsive, and now she knows she regrets it.

Muttering in his heart, Yue Feng quickly turned his head, thinking about countermeasures.

At the same time, Huang Shihu also secretly regretted that it would be a pity if such a sexy beauty was beaten to death by the boss.

"Boss!"

Thinking to himself, Huang Shihu was the first to hold back, and he walked over to Zhan Wuji: "Leave this woman to me, don't worry, you can do it yourself."

” At that time, Huang Shihu looked at Qiangwei with burning eyes, and secretly swallowed his saliva.

It’s really sexy, if you can enjoy the tenderness of this beauty, it’s worth dying immediately.

## **The ultimate husband in Chinese chapter 6435**

“You bastards.”

Seeing that Huang Shihu was almost hooked, Zhan Wuji was very displeased and frowned as he was about to respond. As a result, at this moment, Yue Feng shouted: “Even if you beat women, I won’t play with you anymore.”

Whoosh!

The voice fell, and Yue Feng quickly rushed into the garden.

Yue Feng’s idea was very simple. He led Zhan Wuji and Huang Shihu into the formation in the garden to rescue Qiangwei. Otherwise, she would fall into the hands of this group of people, and the fate would be predictable.

Swish!

Seeing this situation, Zhan Wuji’s face instantly turned gloomy: “Grab this kid.”

At this time, Huang Shihu had only beautiful women in his eyes, and was unwilling to pursue Yue Feng, but he had to listen to the boss’s words, so he could only reluctantly replied, Then he greeted his companions and rushed into the garden.

At this moment, Zhan Wuji took a deep breath and walked slowly towards Rose.

“Who are you?” When he

got to the front, Zhan Wuji looked down at Qiangwei, his tone without any emotion: “Why are you following us? What is the purpose?” The

tone was indifferent, but Zhan Wuji was filled with a terrifying aura.

Huh....

Feeling Zhan Wuji’s powerful aura, Qiangwei felt nervous in her heart, but she still bit her lip and snorted coldly, ignoring it.

Zhan Wuji was too lazy to talk nonsense, and after thinking for a while, he quickly stepped forward and clicked on Qiangwei's acupuncture point, then turned around and probed around.

In Zhan Wuji's heart, this woman cannot be alone, there must be other accomplices.

.....

Right now, on the other side.

Yue Feng rushed into the garden, stopped at the entrance of the formation, turned to look at the way he came, and waited quietly.

"Ma De, stop boy!"

"Run again and chop off your head."

I heard that Huang Shihu and several people's coquettish shouts kept coming, and after a while, several people chased to the entrance of the formation.

Um?

Seeing only Huang Shihu and a few others, Yue Feng frowned.

Mad, that Zhan Wuji was really cautious, he didn't come after him.

"Good boy, are you still running?"

At this time, Huang Shihu and a few people rushed to the front, and when they saw Yue Feng, their faces were hideous, and their anger rushed up.

Especially Huang Shihu, at this time, he could not wait to kill Yue Feng immediately. If it weren't for this kid, I would still be admiring beautiful women.

Ha ha! At this moment, Yue Feng was no

longer nervous before, but smiled faintly, and said to Huang Shihu: "I can run if I want, can you manage it?"

.

Swish!

Seeing that he dared to talk back, Huang Shihu almost exploded with anger, and shouted: "Okay, very good, let's see how I will remove your bones one by one later."

“Go on, help me.”

Finally One word fell, and Huang Shihu took the lead in rushing towards Yue Feng.

Several companions followed.

“Oh, I want to bully the less with more.”

With a playful expression, Yue Feng shouted, turned around and rushed into the formation. Speaking of which, with Yue Feng’s strength now, it is very easy to deal with Huang Shihu. But thinking of Zhan Wuji, Yue Feng felt more cautious.

“Still running?”

At this time, several Huang Shihus were on the fire, and when they saw Yue Feng running into the formation, they did not hesitate and chased after them.

As a result, after entering the formation, Huang Shihu was dumbfounded.

They were stunned to find that the stones around them seemed to be alive, and they could catch the boy in front of them every time they saw it. At critical moments, they would always be blocked by these stones.

Soon, several Huang Shihu realized that something was wrong and wanted to go out, but they all lost their way and couldn’t find the way in.

Haha...

Looking at the few Huang Shihu, like headless flies, circling around in the Suo Xian fascination formation, Yue Feng showed a smile, then left the formation and rushed out of the garden.

Although the girl was impulsive, she couldn’t watch her being hurt by Zhan Wuji.

...

At this time, Rose is here.

Zhan Wuji searched around and made sure that there was no one else, so he returned quickly.

“I’ll ask you again!”

When he got to Qiangwei, Zhan Wuji asked word by word, “Who are you? Why are you following us, and what is your purpose? If you answer honestly, I will consider spare your life.”
