

## The ultimate husband in Chinese chapter 6536

Hearing these words, Yan Luobing was very impatient, and said lightly: "The conditions will be discussed later, and you will pull the needle for me first."

At this time, Yan Luobing's tone was calm, but he was very annoyed. .

This Yue Feng really doesn't know what to do, I have already said that I will save his life, but he is messing around and trying to get ahead. It's just that the silver needle on his back has not been pulled out yet, so he is very passive, so he can only find a way to stabilize Yue Feng first.

More importantly, I am pure and clean, and I can't always show my back.

Needle removal?

Hearing this, Yue Feng smiled secretly: "Did the leader dismiss me as a fool? The conditions have not been negotiated. How can I pull the needle for you? You should bear it first."

"You..."

Yan Luo Bing was instantly embarrassed and angry, and his tone was cold: "You dare to threaten me?"

This person is really getting more and more presumptuous.

Yue Feng shook his head and said innocently: "Whatever the leader says, I did this to survive." After speaking, he looked at Yan Luobing's reaction with a smile that was not a smile.

call!

At this moment, Yan Luobing's pretty face flushed red, and she wanted to refute, but she just took a deep breath and couldn't say a word.

For a while, neither side spoke, and the hall fell into silence.

The atmosphere was indescribably depressing.

"Okay!"

Finally, after more than ten seconds, Yan Luobing bit her lip tightly and said, "I promise you, I will let you go later. You quickly pull the needle for me." Yan Luobing said in a tone of voice. Certainly, murderous intent flashed in his eyes.

This Yue Feng repeatedly challenged Yan Luobing's bottom line, which made her very angry.

Yan Luobing thought about it, waited for the needle in his back to be pulled out, and immediately started, first gouging out Yue Feng's eyes, and then cutting his tongue, as long as he made sure he wouldn't die, and finally handed it over to Nuliha.

"That's right!"

Seeing that she had finally compromised, Yue Feng showed a smile and nodded, "We will all get what we need, and we will all be happy!" After the

voice fell, Yue Feng quickly took action and pulled out Yan Luobing one by one. Silver needle on the back.

call!

At the moment when all the silver needles were pulled out, Yan Luobing couldn't help but let out a long sigh of relief. He felt that his whole body was indescribably refreshing and carefree, and his heart was shocked again.

It seems that this Yue Feng is really capable.

But after the shock, Yan Luobing's eyes suddenly turned cold. Although this person is a talented person, he just looked at my back and threatened me again and again. It's really hateful.

Thinking of this, Yan Luobing's face flushed red, she quickly put on her robe, then turned around and looked at Yue Feng coldly.

call!

Feeling Yan Luobing's gaze, Yue Feng seemed to be stared at by a beast, and couldn't help taking a deep breath.

Immediately, Yue Feng said with a smile: "Leader, let me go now."

"Go?"

Yan Luobing's tone was cold: "You can't leave today." With that, Yan Luobing stretched out her hand, ready to go. She pulled out the long knife next to her, but she had just received acupuncture therapy, so the speed was very slow.

Yue Feng had long expected that she was not sincere to compromise, and when he saw this scene, he immediately called out, "Aiya, the leader does not believe what he said." With that, Yue Feng quickly tapped Yan Luobing's acupoint.

Speaking of which, Yue Feng was also very weak at this time, but it was not a problem to seal Yan Luobing's acupoints.

Papa...

I heard a few soft sounds, Yan Luobing's body trembled, and she couldn't move.

"You're courting death!"

At this moment, Yan Luobing was furious, staring at Yue Feng and scolded: "Quickly solve the acupuncture point for me." She never thought that Yue Feng was so daring that he would actually do something to himself.

Hehe...

Feeling Yan Luobing's anger, Yue Feng did not panic at all, but shook his head in disappointment at her: "I thought the leader was a man of words, but I didn't expect to be so unbelievable, I just helped you eradicate the hidden disease, you turned your face in a blink of an eye, and now you want me to let you go? Do you think it's possible?"

"You..."

Yan Luobing was so angry when she heard this, but she had nothing to refute. .

A few seconds later, Yan Luobing took a deep breath and held back his anger and said, "You clicked on my acupuncture point, and you think you can get out? Let me tell you, this is the main altar of our Wuyinmen, outside the hall, everywhere. It's the cold-blooded killer of our organization, you can't escape at all."

## **The ultimate husband in Chinese chapter 6537**

The

voice fell, and Yan Luobing's eyes were cold and arrogant.

call!

Yue Feng took a deep breath and said with a nonchalant smile: "This leader doesn't need to worry." As

he said that, Yue Feng was secretly anxious.

What Yan Luobing said is right. This is the stronghold of Wuyinmen, and there are powerful killers everywhere. If I restrained her, I am afraid it will be difficult to get out safely.

By the way...

anxiously, Yue Feng's eyes flashed and he suddenly thought of something.

Since this is the stronghold of the killer organization, there must be other exits than the road that came from here.

Thinking of this, Yue Feng was no longer in a hurry, and slowly searched around the hall.

Does he want to find other exits?

Yan Luobing is a smart woman. When she saw this scene, she immediately understood Yue Feng's purpose. Before she could think about it, she opened her mouth and shouted out of the hall: "Quick..." What the

hell, do you want to call someone in?

Yue Feng responded quickly, and when she heard the first word, he rushed over and raised his hand to seal her dumb hole.

Afterwards, Yue Feng said with a smile: "Boss, don't think about calling someone in to save you, just stay honest." The

dumb hole was tapped, Yan Luobing couldn't say a word, she was very embarrassed and angry, Hearing Yue Feng's mocking words, he was even more angry, and his eyes were fixed on Yue Feng at that time.

If eyes could kill, Yue Feng would have died thousands of times.

Ha ha...

However, feeling Yan Luobing's murderous gaze, Yue Feng didn't care at all, smiled at that time, and continued to look for other ways around the hall.

Um?

Soon, Yue Feng discovered an unusual place. On the right side of the chair Yan Luobing was sitting, there was a vase standing alone, which looked very incongruous. At that time, Yue Feng didn't have time to think about it, so he walked over and reached out to try. Take it, sure enough, the bottle is embedded in the ground.

Discovering this, Yue Feng was overjoyed and quickly turned the vase slowly.

Card wipe...

I heard a slight vibration, and the wall next to the vase slowly opened to reveal a passage.

The passage is not deep, only a dozen meters long, and at the end is a warm and elegant inner room.

What?

Seeing this scene, Yan Luobing's delicate body trembled, and she was anxious and shocked.

This inner room is so hidden, but he found it so quickly...

Haha...

Yue Feng was extremely excited. At the time, he didn't even think about going in. After entering the inner room, he saw that there was not much space. It is only a few square meters. The floor is covered with woolen blankets, and there is a wooden frame next to it, on which are more than a dozen ancient books.

Obviously, this inner room was where Yan Luobing usually practiced and meditated.

There are two secret doors on the left and right of the inner room. Behind the one is the real resting place. The space is similar to that of the inner room, but there is an exquisite wooden bed, surrounded by gauze curtains. In the wooden cabinet next to it, all the It's an all-black robe.

The room was lit with incense, filled with an elegant fragrance.

call!

Yue Feng couldn't help taking a deep breath, and secretly sighed in his heart that this leader is a good woman, but wearing a black robe all the year round to cover up his most beautiful youth is really incomprehensible.

Muttering, Yue Feng walked out in a circle and entered another secret door.

Behind the other secret door, there is a passageway. The passage is very long. Yue Feng walked for nearly ten minutes before finally going out. When he got outside, he saw that this was the north side of the hillside.

call!

Finally free, Yue Feng took a deep breath, feeling indescribably comfortable. At that time, I was going to find a way to return to the royal court, but every two steps I took, I felt it was not right.

The leader of this killer organization, since he has contacts with Nuliha, why not take advantage of this opportunity to get rid of Nuliha with the help of this killer organization?

Thinking of this, Yue Feng resolutely returned to the passage.

At this moment, inside the hall.

Yan Luobing's acupoints were sealed, and she couldn't speak. She was anxious and angry at the same time. He is the leader of the dignified Wuyinmen, and his reputation spreads far and wide in the rivers and lakes. Whoever hears the name is not afraid of three points, but today, he was planted in the hands of this Yue Feng.

Simply a shame.

What made her even more angry was that not only did Yue Feng look at her back, but she also let him find a way to escape...

## **The ultimate husband in Chinese chapter 6538**

Forget it! First rush to open the acupuncture point...

In anger, Yan Luobing tried hard to calm himself, and then tried to stimulate the acupuncture point.

Shasha...

But at this moment, there was a sound of footsteps in the secret passage, and then I saw Yue Feng walking out with a smile that was not a smile.

Seeing Yue Feng leaving and returning, Yan Luobing trembled, shocked and angry.

Why is he back again?

"Leader!"

Just when Yan Luobing was surprised, Yue Feng walked up to her quickly and said with a smile at her, "I'm offended for the time being." When the words fell, Yue Feng picked her up and turned to face the inside. room to go.

Swish!

At this moment, Yan Luobing's delicate body trembled, her whole body tense up instinctively, her heart was extremely ashamed and angry, her eyes stared at Yue Feng coldly, with murderous intent.

Does this Yue Feng dare to be rude to me and seek death?

At the same time, Yan Luobing was also inexplicably flustered, what did he want to do?

Feeling the killing intent in Yan Luobing's eyes, Yue Feng didn't seem to see it. When he got to the inner room, he put her on the wool blanket and said with a smile, "Don't panic, chief, I didn't come back to kill you. But I want to use your name to do something else."

After saying this, Yue Feng took a deep look at Yan Luobing and went to the next room. He took out a black robe from the wooden cabinet and put it on directly. These black robes are relatively wide and Yue Feng is not too tight to put on.

Yes, Yue Feng is going to pretend to be Yan Luobing, and then use the power of Wuyinmen to deal with Nuliha.

call!

Putting on the black robe, Yue Feng exhaled and walked out.

At this moment, when he saw Yue Feng dressed as himself, he was shocked, and then he guessed Yue Feng's intention, and his anger rose at that time.

This Yue Feng, who offended me at first, and now pretends to be me, is really hateful.

Hehe...

Feeling Yan Luobing's gaze, Yue Feng smiled slightly: "The leader doesn't need to look at me like this, and I don't want to do it, but speaking of it, we have no grievances, you insist on arresting me, and I just Helping you to treat the hidden disease, but you want to kill me, I have no choice but to do it now."

Hearing these words, Yan Luobing wanted to refute, but couldn't speak, and felt even more angry in her heart.

"Right!"

At this moment, Yue Feng thought of something, and looked closely at the bronze mask on Yan Luobing's face: "Just wearing a black robe is not enough, others can see it at a glance, and I still need yours. Use the mask." With

that, Yue Feng approached slowly, raised his hand and took off the mask on Yan Luobing's face.

What?

At this moment, Yan Luobing wanted to dodge, but the acupoints on her body were tapped, and she couldn't move at all, and the mask was easily removed.

This bastard...

At this time, Yan Luobing is almost fainting. This bastard is getting more and more presumptuous. I want to kill him, I must kill him...

You know, the reason why Yan Luobing has been carrying Wearing a mask, in addition to not wanting people to know her identity as a woman, more importantly, it is also related to her tribal habits. Their Moyou tribe has a custom for thousands of years. Before a woman gets married, in addition to her father and brother, It is absolutely impossible to let other men see her face.

If a man sees his face, he must marry him.

But now, Yue Feng forcibly took off her mask. According to custom, Yan Luobing was going to marry him as his wife, but Yan Luobing wanted to slash him with thousands of pieces. How could he be his wife?

hiss!

Yue Feng took off his mask and saw Yan Luobing's face.

I'll go, it's too beautiful.

I can see that Yan Luobing in front of him has exquisite facial features, well-crafted, beautiful and tall nose, and attractive red lips, just like a natural work of art. Moreover, it is different from the beauties that Yue Feng has seen before. The long dark blue hair gives people a different kind of interracial style.

Speaking of which, Yue Feng had also seen many beauties, but seeing Yan Luobing's face at this time, his heart was still deeply shocked.

So beautiful, but wearing a robe and a mask all day, it's a pity.

You bastard...

Seeing Yue Feng staring at him unblinkingly, Yan Luobing seemed to have been humiliated, her heart was filled with hatred, her eyes turned black, and she almost fainted.

## **The ultimate husband in Chinese chapter 6539**

Uh...

Seeing this situation, Yue Feng calmed down and was speechless.

Although this woman is amazingly beautiful, she is also too angry. I just took off your mask and looked at you, so I was so angry?

Thinking to himself, Yue Feng scratched his head and said, "I know that you hate me very much now, but don't worry, I won't do anything to you, you just stay here honestly, after three hours, your acupuncture point will meet. I solved it myself."

With that, Yue Feng was about to turn around and go to the hall, but then he thought, if someone saw her here later, wouldn't my plan be in vain?

Yue Feng thought about it, then picked up Yan Luobing and hid her under the bed in the inner room.

After hiding Yan Luobing, Yue Feng tidied up his robes, put on the bronze mask, and returned to the hall. After returning to the hall, Yue Feng turned the vase mechanism and closed the secret passage.

call!

After doing this, Yue Feng took a deep breath, used ventriloquism to imitate Yan Luobing's voice, and shouted to the outside: "come here!"

At this moment, he heard Yue Feng imitating his own voice and shouting in the hall, hiding in the Yan Luobing, who was under the bed, suddenly trembled, and she was shocked.

This Yue Feng.... He can imitate my voice, and the imitation is vivid, it is incredible.

At the same time of shock, Yan Luobing felt extremely anxious.

Yue Feng is dressed exactly like himself, and now his voice is exactly the same as the imitation, I am afraid that the people below can't tell the difference, so, wouldn't the entire Wuyinmen fall into his hands?

For a while, Yan Luobing thought more and more anxiously. He wanted to shout loudly, but the dumb acupoint was tapped, and he couldn't make a sound at all. In a hurry, he forced the acupoint again.

However, Yan Luobing forgot that her meridians had reversed, and Yue Feng had just used acupuncture therapy, so her body was very weak. Forcing acupoints in this situation would only be counterproductive.

Pfft...

Soon, Yan Luobing received a backlash, and immediately passed out in darkness.

At this moment, this side of the hall.

Wow....

As soon as Yue Feng's voice fell, two henchmen walked in quickly and spoke respectfully.

"Leader!"

"What's the leader's order?"

Because Yue Feng's imitated voice was exactly the same as Yan Luobing's, neither of the two cronies could see it, thinking that the person sitting in front of him was the real Yan Luobing.

In the next second, the two of them didn't see Yue Feng, they were both stunned, and then one of them couldn't help but asked: "Boss, where is that Yue Feng?"

"Let's go!" Yue Feng said lightly.

What?

let go?

Hearing this, the two cronies were stunned, and they couldn't hide the doubts on each other's faces.

That Yue Feng, but the person Nuliha wanted, the leader just let it go?

"Leader!"

After being stunned for more than ten seconds, one of them couldn't help but said: "This Yue Feng has let go, how do we explain to Nuliha?" The

voice fell, and the other couldn't help saying: "Yeah, let's He promised to assassinate the princess, but he failed twice in a row. If we fail to hand over Yue Feng this time, the reputation of our Wuyinmen will be completely ruined."

"Shut up!"

Hearing the words of the two, Yue Feng looked very unhappy and said coldly: "Do I need your consent to do anything I want to do? We Wuyinmen are not Nuliha's subordinates. Why do you need to explain it to him?"

Seeing

Yue Feng say this, the two cronies looked at each other and were stunned again.

At this time, Yue Feng's mind quickly turned and continued: "You must be thinking, that Nuliha paid gold, why should I keep my word, because I just got a news that Nuliha is going to deal with us Wuyin The door..."

"Nuriha wants to be the king of the Hu people, and if he wants to establish his prestige, he must be the first to use the Wuyinmen... So, we have to prepare in advance."

When saying this, Yue Feng's tone was very serious. But he secretly laughed in his heart.

In order to convince the two of them, they can only temporarily make up a lie and talk nonsense.

What?

At this moment, after hearing Yue Feng's words, the expressions of the two cronies changed, and then they were both angry.

"This Nuliha is so despicable?"

"That is, we have done a lot of things for him secretly over the years, and he actually wants to cross the river and demolish the bridge? It's so hateful."

## **The ultimate husband in Chinese chapter 6540**

Seeing their reaction so big, Yue Feng was stunned.

It turns out... Wuyinmen has always been in contact with Nuliha...

Thinking about it, Yue Feng slowly raised his hand, motioned the two to stop, and said slowly: "Since Nuliha is so unjust, then let us and His cooperation also ended. That's why I released Yue Feng."

Speaking of which, Yue Feng's tone became colder: "Also, we can't just sit back and wait."

Phew!

Hearing this, the two cronies nodded again and again.

"The leader is right, we can't sit still."

"Nuriha, this white-eyed wolf, actually wants to destroy our Wuyinmen, and he must not succeed."

For a time, the two were filled with righteous indignation, and the more they talked, the more excited they became.

Afterwards, one of them stepped forward and said respectfully, "Leader, what shall we do?"

"I just thought of a plan!"

Yue Feng thought about it and responded, "Nuriha has now controlled the entire royal court, and his subordinates There are more than 100,000 troops, we are definitely not opponents, so we must find a way to lead him out."

"The leader is right!"

"Yes!" The

two nodded in agreement.

Yue Feng breathed a sigh of relief, looked at the two of them and continued, "Wait a minute when you send someone to the General's Mansion, and say that we captured Yue Feng, who should have been escorted there, but this Yue Feng is seriously injured and it is not suitable for Move, so I can only ask him to come over in person."

"When the time comes, let's ambush here in advance, only after Nuliha arrives, kill him on the spot, so as to avoid future troubles."

Shuh!

Hearing this plan, the eyes of the two cronies lit up and were excited.

"Good strategy!"

"The leader is really resourceful, this is a good way, haha..."

Under the admiration, one of them thought of something and couldn't help but say: "But, that Yue Feng has already been released, in case he is enslaved Ha's subordinates caught it, didn't our plan fall through?" The

other also frowned secretly.

At this time, the two guards didn't know that the 'leader' in front of him was pretending to be Yue Feng.

"Haha!"

Seeing the two of them worrying, Yue Feng smiled secretly and said, "No need to worry about this, Yue Feng has already left the royal court, and Nuliha's subordinates can't catch him."

Hearing this, the two A little more at ease.

At this time, Yue Feng was too lazy to talk nonsense, and waved his hand: "Okay, it's not too late, you go to prepare, send someone to Nuliha as soon as possible, this matter is very important, you must not go wrong. Do you know? "

Yes, chief!" The

two guards responded in unison, and hurried out of the hall.

Watching the two leave, Yue Feng called the others again, and after some deployment, he sat on the chair and closed his eyes to rest.

Time passed by minute by minute.

"Mother, do you want me to come in person for this trivial matter?" I

don't know how long it took, there was a scolding voice from the secret passage outside the hall, and then, Nuliha, accompanied by a few guards, swaggered. walked in.

call!

Hearing the movement, Yue Feng exhaled softly and opened his eyes.

At this time, Nuliha sat carelessly on the chair in the hall, and said to Yue Feng: "Boss Yan, you are becoming more and more unreliable in your work at Wuyinmen. After that kid Yue Feng, do you still need me to come in person?"

Nuliha's face was arrogant when he said this.

This idiot...

Yue Feng scolded secretly and said lightly: "General, don't be impatient, the assassination of the princess is indeed our fault, but this Yue Feng is indeed in a special situation."

"When we arrested him at that time. , This man fought hard and was seriously injured. Because the injury was too serious, with our ability of Wuyinmen, we can only temporarily let him not die, but if we were to send him to the General's Mansion, I am afraid that he would lose too much blood and die on the way, so we had to Let the general come in person."

Phew!

Hearing this, Nuliha frowned, and then said impatiently: "Okay, as long as people don't die."

After speaking, Nuliha looked around: "Where are people?"

"General wait! Yue Feng responded ,

and ordered to the two people at the door: "Bring people in." The

two responded and walked out quickly. After a while, they walked in with a man covered in blood.
