

The ultimate husband in Chinese chapter 6571

Yes, Yue Feng is disturbing Nuliha's state of mind by doing this.

Nuliha takes several pills in a row. Although the strength has increased several times, there are also huge hidden dangers. After all, it is difficult to completely integrate the power of several pills in such a short period of time. There is a danger of backlash.

It is precisely when Yue Feng sees this that he will decisively reveal his identity.

Swish!

Hearing Yue Feng's words, Nuliha's heart trembled, his eyes locked tightly on Yue Feng, his face that was originally hideous became more sinister, and he almost shouted: "It's you... Yue Feng!"

At this time Nuriha, his heart was burning with anger.

This Yue Feng, who escaped from the prison and killed so many soldiers, then rescued the queen in the general's mansion in front of his own face, and today, during the Moon Festival, he should have successfully succeeded to the throne, but he was destroyed again.

Speaking of which, Nuliha thought it was Princess Yiyi and the queen secretly united at first, but she didn't know until now that all this was planned by Yue Feng behind the scenes. It can be said that the situation at this time is all caused by Yue Feng.

Thinking of this, Nuliha's brain was completely filled with anger, his body was filled with suffocation, and he was completely mad.

"I! Want! You! Die!"

In a fit of anger, Nuliha clenched his sword tightly, and after knocking Nie Hongxue and Xing Tiance back, went straight to Yue Feng.

hum!

I saw that Nuliha's figure passed by, and the air was distorted, and the power was terrifying.

Yue Feng did not regain his strength, so naturally he would not confront Nuliha head-on. He immediately took advantage of the terrain of the Moon Worship Altar to quickly dodge aside, and shouted at the same time, "Nuliha, you are already gone, don't think about struggling."

"I am going to kill you!"

However, at this time, Nuliha was completely mad, and he couldn't hear Yue Feng's words at all. His eyes were blood red, and he kept shouting angrily: "I'm going to kill you..."

Roaring, Nuliha once again turned towards Yue Feng rushed in.

"Be careful, Yue Feng!"

Seeing this scene, Princess Yiyi's delicate body trembled, and she couldn't help exclaiming.

At the same time, Nie Hongxue and Xing Tiance reacted and rushed up to fight Nuliha again.

Bang Bang...

However, at this time, Nuliha was under the rage, and his strength was even more terrifying than before. He was like a mad ancient beast, but before the two converged, Nie Hongxue and Xing Tiance were shaken back again.

"Yue Feng!"

After the two of them were shaken back, Nuliha's eyes were extremely blood red, and he howled wildly: "No one can save you today, you are dead!" When he said this, Nuliha's face turned blue and white, very is scary.

Oops...

Seeing this situation, both Princess Yiyi, Nie Hongxue and the others are all anxious.

Nuliha hates Yue Feng so deeply, I am afraid that Yue Feng will be in trouble. After all, Nuliha at this time is like a tiger in the mountains, determined to kill Yue Feng, who can stop it?

Ha ha!

However, seeing Nuliha's face, Yue Feng did not panic at all. At that time, he smiled lightly: "I'm afraid I will disappoint you. It's not me who died today. It's you..."

Yue Feng clearly felt, Nuriha's body was in a state of turmoil, and he was about to retaliate soon.

Swish!

Hearing this, Nuliha was furious, and he was about to rush over with a howl, but he didn't rush out a few steps, his body suddenly trembled, the whole person began to tremble, and then a mouthful of blood spurted out.

Immediately afterwards, Nuriha's eyes and nostrils also ooze blood.

This...

seeing this situation, whether it was Nie Hongxue, or Princess Yiyi and others, all looked surprised.

what's going on?

Huhuhu...

At this moment, the strength in Nuliha began to disperse outwards, forming a strong aura storm. At this moment, the alpha wolf who had been waiting around for an opportunity suddenly rushed up, bloodbathed. He opened his mouth wide and bit Nuriha's head.

"Crack..." In the

next second, a crisp sound was heard, Nuliha's Tianling cover was directly shattered, and his body collapsed. Fragmented.

quiet!

Seeing this bloody scene, everyone in the audience held their breath and didn't dare to make a sound, but their eyes flashed with excitement, and no one sympathized with Nuliha.

The ultimate husband in Chinese chapter 6572

"Ouch, ooh..."

After tearing Nuliha into pieces, the head wolf howled in the sky, and then the surrounding wolves also roared, and the wolf's roar continued to echo on the Moon Worship Altar, resounding between heaven and earth.

Whoa!

Hearing this wolf howl, the people present were all shocked, and they couldn't help bowing to the wolves. In their hearts, the wolves destroyed the traitor Nuliha, worthy of the title of totem mythical beast.

Seeing this scene, Princess Yiyi was shocked, especially Nuliha was in front of her and was torn apart by the wolves. Although she was mentally tough, she couldn't help but panic.

call!

Sensing the princess' nervousness, Yue Feng smiled slightly, stepped forward and whispered to comfort: "The wolves are just looking for Nuliha for revenge, they won't mess with the innocent."

After saying that, Yue Feng turned to look at the alpha wolf, using the beast to take revenge. Said : "The big villain has been killed by you. The real planner of the whole plan is this Princess Yiyi in front of you."

When he said this, Yue Feng's eyes flashed with deep meaning.

As soon as Nuliha dies, it stands to reason that Princess Yiyi can successfully take over the throne, but she is a woman after all. In the history of the Hu people for nearly a thousand years, no woman has ever succeeded to the throne.

In this case, it is necessary to find a way to establish prestige for Princess Yiyi.

"Ouch!"

Hearing Yue Feng's words, the head wolf's eyes fell on Princess Yiyi and let out a howl, and then the two front paws knelt on the ground and bowed to Princess Yiyi.

This is the performance of Huomanlang expressing gratitude to the benefactor.

"Ouch, ooh..."

For a while, the other wolves knelt down to pay tribute to Princess Yiyi.

Whoa!

Seeing this scene, the people around the altar of worship of the moon suddenly exploded, and everyone was stunned.

More than a hundred fiery wolves kneeling to the princess, this scene is too shocking.

This...

Even Princess Yiyi herself was stunned, her mind was blank.

What are these wolves going to do?

Ha ha!

Seeing her like this, Yue Feng explained with a slight smile: "Princess, the wolves are thanking you."

Hmm!

Hearing this, Princess Yiyi nodded, feeling a little calmer in her heart.

At this moment, Yue Feng turned to look around the audience and said loudly: "Everyone has seen it, the traitor Nuliha got an incomplete corpse, and then the totem beasts, all worship the princess, what does this mean? The princess is the real successor. The person on the throne, this is the will of heaven." The

last word fell, and Yue Feng took the lead in salute to Princess Yiyi: "Yue Feng sees the Queen!" After the

voice fell, Nie Hongxue also hurriedly knelt down at Princess Yiyi: "See the Queen. While shouting, Nie Hongxue couldn't help turning her head to look at Yue Feng, her eyes full of approval.

Or Yue Feng has a way to use the fire temple wolf to create momentum, who would dare to object?

Wow....

Seeing this scene, the people around Baiyue Altar reacted one after another, and then they all knelt down towards Princess Yiyi and shouted.

"See the Queen!"

"Long live the Queen. Long live the Queen."

When they shouted, all the people were extremely excited, and even the fire temple wolf knelt down to Princess Yiyi, who would dare to question her status? Isn't this the will of God?

The shouts came from the mountains and the sea, where Princess Yiyi was stunned. It took a few seconds before she recovered, raised her jade hand, and said softly: "Everyone get up."

Hearing this, everyone in the audience got up one after another.

"Mr. Yue Feng!"

At this time, Princess Yiyi looked at Yue Feng and asked, "In your opinion, what should I do next?" Speaking of which, she was still very young, and she had grown up carefree before. At this time, she suddenly became a queen, and she didn't know how to take on this great responsibility.

Yue Feng breathed a sigh of relief, smiled and said, "Naturally, first to appease the people, remove the remnants of Nuliha, and take control of the military..."

Hmm!

Princess Yiyi nodded understandingly, and then ordered Nie Hongxue to appease the people, and at the same time gathered the soldiers present to clean up the battlefield.

Because there were not enough people to trust, Princess Yiyi asked Yue Feng to follow the guards of the Golden Palace to inspect the General's Mansion. Yue Feng was not good at delaying, so he could only nod his head in agreement.

For Yue Feng, the situation of the Hu people has been settled, and he can finally recover from practice.

The ultimate husband in Chinese chapter 6573

Half an hour later.

Yue Feng, along with dozens of Golden Palace guards, quickly controlled the General's Mansion. There were many Nuliha's guards in the general's mansion, but Nuliha was dead, so these guards did not resist and chose to surrender directly.

Later, Yue Feng found countless treasures and various elixir in the General's Mansion.

Haha....

Seeing these elixir, Yue Feng was very excited, although these medicines could not make him return to peak immediately, but they were also very beneficial.

Just when Yue Feng was excited, there was a commotion in the backyard.

"What happened?" Yue Feng asked with a frown.

A guard quickly responded: "Mr. Hui, I found a few detainees in the back cell just now, and are now questioning their identities."

Hmm!

Yue Feng nodded and walked towards the backyard.

When they got to the backyard, they saw that Nuliha's family had been completely controlled. At this time, they were concentrated in the corridor of the backyard, and in the open space of the garden, there was a man tied up with five flowers, who was being interrogated by the guards.

These bound people were exhausted and embarrassed, and obviously suffered a lot of torture here. However, one of the slender figures is particularly eye-catching.

A black robe can't hide the charming curves, the facial features are exquisite, and the tiredness between the brows can't be concealed.

It was Yan Luobing.

is her?

Seeing Yan Luobing's first glance, Yue Feng was stunned for a moment, and then he couldn't help laughing.

Haha... This woman was actually caught by Nuliha.

Thinking about it carefully, at the stronghold of Wuyinmen at that time, he hid her under the bed. It was not very secret, and it was common sense to be caught by Nuliha.

Muttering in his heart, Yue Feng walked over with a smile: "Boss Yan, stay safe."

At this time, Yan Luobing was depressed. He was detained here for two days, and finally got familiar with the environment and prepared to find an opportunity to escape. was censored.

Swish!

Hearing Yue Feng's voice at this moment, Yan Luobing's delicate body was shocked. When she saw that it was Yue Feng, her delicate face immediately showed endless resentment.

How is this bastard here?

If it wasn't for Yue Feng, he wouldn't be trapped here, and he was almost defiled by Nuliha.

For a while, Yan Luobing became angrier the more she thought about it, and scolded Yue Feng: "You shameless person, why are you here?" In her opinion, after Yue Feng escaped from the base, it must have been the first time. Just left, and now appearing in the General's Mansion is really surprising.

"Bold!"

Seeing her disrespectful words, the guard next to her couldn't help but scold: "How dare you be so rude to Mr. Yue Feng." After saying that, the guard pulled out the soft whip on his body and was about to teach Yan Luobing a lesson.

In the guard's heart, Yue Feng was the Queen's guest, and being rude to him was disrespecting the Queen.

Faced with this situation, Yan Luobing had a cold and arrogant face, not at all afraid.

"Wait!"

Yue Feng hurriedly stopped: "I know this woman, you should step back first." In the end, Yue Feng was directly responsible for Yan Luobing's fate, so he naturally couldn't bear to see her suffer.

"Yes, Mr. Yue Feng!" The guard responded and quickly stepped aside.

"Yue Feng!"

However, Yan Luobing showed no appreciation and said coldly to Yue Feng, "Don't be so pretentious in front of me. I tell you, one day you fall into my hands, and I will kill you without a place to be buried.

" At these times, Yan Luobing's delicate face was full of resentment.

well!

Feeling her hostility, Yue Feng was very helpless, and smiled bitterly at the time: "Boss Yan, anyway, I have helped you eradicate hidden diseases before, and you are your benefactor, why do you want to kill him as soon as you meet?

" , if I hadn't done that, I would have been sent to Nuliha by you, after all, I'm also thinking of my own safety."

Hearing this, Yan Luobing snorted coldly, and couldn't help but be curious. Said: "Why did you appear in the General's Mansion? Also, what's going on?"

At the end of the conversation, Yan Luobing looked around, her face full of doubts.

At this time, Yan Luobing didn't know that Nuliha was dead.

"Nuriha is dead!"

At this moment, Yue Feng did not hide anything, and said slowly, "Princess Yiyi inherited the throne and ordered the general's residence to be inspected."

The ultimate husband in Chinese chapter 6574

What?

Hearing this, Yan Luobing trembled, surprised and delighted.

Nuriha is dead?

This is really great news, but unfortunately, I didn't have the opportunity to kill this shameless person myself.

A few seconds later, Yan Luobing reacted and looked at Yue Feng up and down: "So you are the princess' person..."

"You are wrong!"

Yue Feng shook his head and said seriously: "I'm just helping the princess, no I have the heart to see the Hu people fall into the hands of someone like Nuliha, otherwise, there will be no peace in the entire continent in the future."

Hearing these words, Yan Luobing fell into deep thought.

I can't see that this Yue Feng is still chivalrous and benevolent... But, when he thinks that he has been so miserable by him, that so many subordinates in the main altar base have died because of him, Yan Luobing's heart is full of anger again. .

call!

Feeling the killing intent in Yan Luobing's eyes, Yue Feng did not panic at all, and said with a smile: "I know you hate me in your heart, but the matter is irreversible, and I don't think being the leader of the killer is your destination for life. , maybe, you can change your way of life."

"I'll arrange for someone to escort you away, and it's up to you how you go."

Hearing this, Yan Luobing was stunned, looking at Yue Feng's heart. very complicated.

He arranged for an assassin to assassinate the princess twice, which was a serious crime of beheading. What's more, now that the princess was already a queen, after knowing the truth, she would not easily detour herself.

And this Yue Feng, actually wanted to let him go?

"Come on!"

Just when Yan Luobing was stunned, Yue Feng called a guard and instructed, "Take this woman out of the general's mansion and escort her outside the city. Remember, don't make any mistakes."

"Yes, Mr. Yue Feng."

The guard responded and was about to take Yan Luobing away.

"Wait!"

However, at this moment, a loud shout came from not far away, and then, a general, accompanied by several guards, walked over quickly.

I saw that this general was burly, with thick eyebrows and big eyes, and a straight face. He was wearing golden armor, and he was majestic.

This time, Wei Dongxun and Yue Feng were in charge of the inspection of the General's Mansion. Wei Dongxun was dealing with Nuliha's family just now, and he didn't have time to come to the backyard until now.

"Commander."

Seeing Wei Dongxun coming, the guard quickly stopped and greeted respectfully.

Yue Feng was also stunned.

And Yan Luobing, who was standing behind the guard, was also inexplicably flustered.

"Mr. Yue Feng!"

Soon, Wei Dongxun came to the front and said politely to Yue Feng: "This woman can't be released, he is a member of the Wuyinmen Killer Organization, and if he is released, there will be endless troubles, and he must be killed immediately. Okay."

After saying that, Wei Dongxun waved his hand and said to the guards behind him, "Immediately execute this woman."

Wei Dongxun naturally didn't know Yan Luobing, but as the commander of the guards, Wei Dongxun still glanced at him. It was recognized that the black robe on Yan Luobing's body was the unique dress of Wuyinmen.

Wuyinmen has been entrenched in the royal court for many years, and the royal family has always wanted to eradicate it completely, but has been suffering from no chance, but the previous Wang Khan also ordered that once anyone encounters Wuyinmen, they will be shot.

Swish swish!

At this moment, after receiving Wei Dongxun's order, the guards behind him pulled out their long knives and walked over quickly, preparing to kill Yan Luobing on the spot.

Faced with this situation, Yan Luobing bit her lip tightly, her delicate face did not show the slightest panic, but she felt a little unwilling.

Is the leader of the dignified Wuyinmen going to die at the hands of these guards?

What the hell!

Seeing this scene, Yue Feng was also startled, and hurriedly said, "Hold on!" When he shouted, Yue Feng couldn't help but glance at Yan Luobing, his eyes flickering unbearably.

In Yue Feng's heart, Yan Luobing was in such a situation, he had a great responsibility, and naturally he couldn't bear to see her die.

Swish!

At this moment, whether it was Yan Luobing, Wei Dongxun and those guards, they all looked at Yue Feng with extremely complicated expressions.

"Mr. Yue Feng!" Wei Dongxun was the first to react, looking at Yue Feng and asked curiously, "Is there any problem?"

The ultimate husband in Chinese chapter 6575

Call!

Yan Luobing exhaled secretly, and couldn't help but muttered in his heart, what tricks is this Yue Feng trying to play?

Facing the attention of the public, Yue Feng scratched his head and said with a smile: "No problem, I just want to say, this woman is not a member of Wuyinmen. Is it cruel to kill her directly?"

"Turning: "Why don't you lock it up first and let me interrogate it well. If you ask for useful information, you can report it to the princess." The

situation is urgent, so I can only find a reason.

"No!" However, as soon as he finished speaking, Wei Dongxun shook his head decisively and said, "Wang Khan once ordered that as long as a member of

the Wuyinmen organization is discovered, no matter if they are right or wrong, they will kill them.” Yue Feng was very depressed. The previous Wang Khan even gave such an order. It can be seen that Wuyinmen has a lot of influence here and has been regarded as a thorn in the eyes of the royal family. Muttering in his heart, Yue Feng scratched his head and smiled, approached Wei Dongxun and said, “Commander Wei, Lao Wang Khan is no longer there, and now the queen rules the Hu people, so there is no need for us to follow the previous orders, right?” This woman is actually imprisoned in the General’s Mansion. Maybe it has something to do with Nuliha. If she kills it directly, maybe we will lose a lot of information, right?” At this time, Yue Feng was very anxious and just wanted to speak quickly. Tong Wei Dongxun. However... Wei Dongxun is notorious for being a stubborn one, and what he believes is difficult to change, he immediately shook his head and said, “Pharaoh Khan once said that as long as anyone encounters the Wuyinmen, he will be shot and killed without interrogation.” Uh ... Seeing his stubbornness, Yue Feng could not laugh or cry.

This Wei Dongxun is really a muscle. I don’t know how to work it out. I’ve made it so clear that he is still determined to kill Yan Luobing.

Fortunately, in his heart, he only believed that Yan Luobing was an ordinary member of the killer organization. If he knew that she was the leader, he would have done it himself.

call!

Depressed, Yue Feng took a deep breath and gave up at that time, lowered his voice and said, “Commander Wei, it’s actually like this, she is actually my woman, she was tricked into the killer organization before, and she was forced to be obedient. That’s what happened...”

“Can Commander Wei be able to see my face and let me take this woman away.”

When he said this, Yue Feng had a sincere expression on his face.

What?

Hearing this, Wei Dongxun was stunned, looked at Yue Feng in astonishment, and was speechless for a while.

This female assassin...is Mr. Yue Feng’s woman?

Swish!

At the same time, Yan Luobing’s face was also flushed, and she was shy and angry at the time, and shouted at Yue Fengjiao: “Shut your dog mouth, who is your woman?” Yue Feng said just now, his voice was very small. , but Yan Luobing could still hear it clearly, and was about to explode with anger.

This bastard, Yue Feng, has harmed himself so badly, and now he has to destroy his innocence. It's hard to let out the hatred in your heart if you don't get his cramps peeled off.

well!

Hearing the yelling, Yue Feng sighed and was speechless.

This woman is too stupid, can't she see that I am saving her by saying this on purpose?

Depressed in his heart, Yue Feng smiled bitterly at Wei Dongxun: "Commander Wei, you can see that, because she took special drugs in the killer organization, she doesn't know me at all, and she is still very bitter to me. Hatred."

"This..."

Wei Dongxun believed it to be true, and immediately hesitated: "Mr. Yue Feng said so, I naturally want to give face, but the order of Lao Wang Khan must not be violated, or..."

Said After that, Wei

Dongxun thought of a way and said, "How about this, Mr. Yue Feng will have a test with me. As long as Mr. wins, I will promise to let her go, how?" Both the royal family and the common people highly respect the strong. Therefore, an unwritten rule has also been derived from this. As long as there is a problem that cannot be decided, it will be solved by a test.

test?

Hearing this proposal, Yue Feng's eyes flashed, and he said without any hesitation: "Okay, let's try it out. But how to compare, it's up to me to decide."

"That's natural!" Wei Dongxun thought. No idea, nodded in agreement.
