

The ultimate husband in Chinese chapter 6586

When saying this, Xing Tiance looked serious and sincere.

Speaking of which, he had assassinated the princess before, which should have been punished by death, but not only did the princess not care, she even wrote a covenant in her own hand after becoming the queen, and all of this was due to Yue Feng.

Xing Tiance is a grateful person, so at this time, he specially handed over the token on his body to Yue Feng.

“You’re welcome, Commander.”

Seeing his sincere expression, Yue Feng couldn’t refuse, so he took the jade order and put it away.

With the Queen’s Covenant, Xing Tiance eagerly wanted to return to Dayan, so he said goodbye to Queen Yiyi and Yue Feng.

call!

Watching Xing Tiance leave, Yue Feng secretly exhaled, and then said to Queen Yiyi: “Queen, now that the situation of the Hu people has been settled, it is inconvenient for me to disturb.”

When he said this, Yue Feng glanced at Yan Luobing. .

Yes, the reason why Yue Feng didn’t leave with Xing Tiance was to guard against Yan Luobing, otherwise, with her personality, she would definitely not be able to resist on the road when she left with Xing Tiance.

“You’re leaving too?”

At this moment, Queen Yiyi heard Yue Feng’s words, her delicate face was stunned, and then she couldn’t help standing up from the throne: “Mr. Yue Feng, I don’t plan to stay here for a few more days. Is it?”

At this time, Queen Yiyi was very reluctant to part.

To be honest, if it weren’t for Yue Feng’s help and planning, with her ability, it would be impossible to completely eradicate the traitor Nuliha. Although she didn’t say it clearly, Queen Yiyi had already become dependent on Yue Feng in her heart.

At this time, when he suddenly heard that Yue Feng was leaving, he was naturally a little reluctant.

Uh...

Feeling Queen Yiyi's reluctance, Yue Feng turned his eyes and hurriedly pulled Yan Luobing next to him and said, "It's really inconvenient for the two of us to live in the bedroom all the time, and Madam is not used to

it ." For a moment, Yan Luobing was very unhappy.

This Yue Feng is really hateful, at a critical moment, just take advantage of me and use me as a shield.

But even if there is dissatisfaction in his heart, at this time in this golden palace, Yan Luobing is not easy to attack, and can only be pulled by Yue Feng.

"Okay!"

Hearing what Yue Feng said, Princess Yiyi didn't want to force her to stay any longer. She nodded immediately and said, "I will send someone to escort you away. Mr. Yue Feng, you must remember to come back when you are free in the future, Hu. The human race will always welcome you!"

Yue Feng nodded: "I will be back when I have time, so I don't need to send someone to escort me."

Yan Luobing's identity is not easy to reveal, so it is naturally inconvenient for people to follow.

A few minutes later, Princess Yiyi, surrounded by dozens of bodyguards, escorted Yue Feng and the two to the outside of the Golden Palace in person, until Yue Feng and the two walked away, and refused to return to the Golden Palace.

"Hey!"

Finally outside the Wang Ting, Yan Luobing couldn't help but say, "Why didn't you go with that Xing Tiance just now?"

Yan Luobing was very angry when he spoke. She thought of killing him after leaving Wang Ting, but Yue Feng didn't go with him, wasting this opportunity in vain.

Ha ha!

Feeling Yan Luobing's anger, Yue Feng smiled lightly and said, "What? Let's go with him so that you can kill him? Don't forget, I saved you, and I helped you hide your identity."

“You think you’re the leader of the killer organization, but in my eyes, you’re just a woman. What happened before, so far, if you really have resentment in your heart, feel free to come and seek revenge from me.”

When he said this, Yue Feng’s tone was relaxed, but it gave people an invisible pressure.

“You...”

At this moment, Yan Luobing was furious, but had nothing to refute.

At this time, Yue Feng was too lazy to say more, and said with a smile: “Okay, now it’s safe, we should part ways.”

Phew!

Yan Luobing took a deep breath and tried to calm herself down. She looked at Yue Feng and said, “Yue Feng, I remember you. If there is a chance in the future, I will definitely come back to you.”

Yan Luobing said the last word. Without looking back, he turned and left.

“Okay!”

Seeing her graceful back go away, Yue Feng shouted with a smile, “Wait for Madam anytime!”

Seeing that he was still not serious at this time, Yan Luobing was so angry that he stomped his feet and accelerated. pace.

The ultimate husband in Chinese chapter 6587

Haha...

Seeing this scene, Yue Feng couldn’t help laughing.

This Yan Luobing is really interesting, she can’t protect herself, and she still doesn’t forget to speak harshly to me...

Mumbling in her heart, Yue Feng stretched his body, and then hurried along the road towards Dayan.

Along the way, Yue Feng was in a good mood. When it was getting dark, he finally arrived at a small mountain village on the western edge of Dayan. He saw that the mountain village was barren under the dusk.

At this time, every household should have smoked from the kitchen, but Yue Feng saw that the entire mountain village was dead and there was no light at all.

Seeing this, Yue Feng frowned secretly, and when he entered the mountain village, he found that there was no one, and the whole mountain village was empty. Moreover, many courtyards can see traces of looting.

Apparently, the whole mountain village was looted, so people moved out.

A month ago, after Ji Beiye led his army to conquer the imperial capital, the entire Dayan dynasty was in chaos.

And this mountain village was ransacked by a band of bandits two days ago, and the survivors moved away.

Alas....

Seeing this, Yue Feng couldn't help sighing. As long as there is a war together, it is the common people who will be injured in the end.

Just when Yue Feng was secretly surprised, he saw a group of torches suddenly appear on the hillside behind him. The team went straight to the mountain village, and they could vaguely hear their conversation.

"Haha... Today's harvest is not bad."

"Yeah, that rich family fled and brought a lot of gold and silver jewelry..."

As the conversation got closer, Yue Feng could clearly see that this group of people were all dressed in rivers and lakes, holding long knives and looking fierce. At this time, they were talking excitedly about the looting just now.

Mad!

Hearing this, Yue Feng couldn't help but curse.

These mountain bandits are really bold. After looting this mountain village, they also occupied it and became a stronghold.

Seeing that these bandits were about to enter the mountain village, Yue Feng looked around and quickly jumped up on a big tree to hide.

Since you met me, even if you are unlucky.

Yue Feng clearly felt that the strength of this gang of bandits was not low. If their strength had not fully recovered, they would have appeared directly. In this case, they could only secretly wait for the opportunity to wipe out this band of bandits.

Whoa!

As soon as Yue Feng hid, a dozen bandits entered a large courtyard not far away.

I saw that the leader of the mountain bandit was burly, with another obvious scar on his face.

The strength of the seventh rank...

Feeling the strength of Scarface, Yue Feng couldn't help frowning secretly.

His strength has not recovered, and it is not easy to deal with these bandits.

"Boss Wu!"

Just when Yue Feng was thinking about countermeasures, another bandit appeared on the back mountain, and hurriedly ran into the yard, his body was covered in blood and his face was nervous.

The boss Wu he shouted was the scar face.

Seeing him like this, Boss Wu's face sank: "What's the matter? Didn't I let you guys patrol the neighborhood? How did it get like this? What about the other people?"

Boss Wu is not an ordinary mountain bandit. After occupying the mountain village a day ago, in order to prevent being raided, he specially arranged a few people to patrol the mountain village vigilantly.

And now, there is only one person left covered in blood, and something must have happened.

"Boss!"

The mountain bandit was terrified and said stammeringly: "Just now when we finished our patrol and were about to come back, we met a man and a woman on the path down the mountain."

"That woman is very beautiful . , and then the brothers were tempted and ready to grab it back, who knew that the opponent was very strong, and the little six were all killed by them. I pretended to be dead and escaped.

"

Hearing this, both the Boss Wu and the other bandits were terrified.

“What? People who dare to touch us are tired of living...”

“Where are people now?”

“This revenge must be avenged.”

For a time, all the bandits in the mountains were filled with righteous indignation.

Haha...

Seeing this scene, Yue Feng secretly laughed. This gang of bandits is unlucky enough, it seems that they have encountered a hard stubble.

Muttering in his heart, Yue Feng sat leisurely on the tree branch, intending to see what the bandits would do next.

The ultimate husband in Chinese chapter 6588

“Go, find them!”

“Never let them go...”

At this time, the bandits in the mountains rushed out of the yard to seek revenge for the man and the woman.

Boss Wu also had a gloomy expression on his face, and his eyes flashed with murderous intent.

“Boss, you can't...”

But at this moment, the bandit who came back to report the letter quickly grabbed everyone, and then looked at Boss Wu earnestly: “Those two people are people who are far from heaven, and their strength is very strong. If we confront it head-on, I'm afraid we won't be able to take advantage of it...”

When he said this, the mountain bandit's face was complicated.

What?

Hearing this, whether it was Boss Wu or the other bandits present, they were all stunned, and they couldn't hide the fear on their faces.

In the entire Tianxin Continent, who doesn't know about Li Tiandao? Sect Master Gu Qianqiu is strong and powerful, and his subordinates are not general. People from

major sects, as long as they meet people who are away from Heaven, they are all respectful.

And the gang of Boss Wu are just some mountain bandits, and naturally they have no strength to compete with Li Tiandao.

away from heaven?

At this moment, Yue Feng also frowned secretly, and at the same time secretly sympathized with the bandit in front of him.

This gang of bandits is really unlucky to meet someone from Heavenly Dao. No wonder the reporter was so flustered, he just didn't know who they met...

"Ma De!"

Just when Yue Feng was thinking about this, In the courtyard, Boss Wu reacted and scolded fiercely: "What about Li Tiandao? Do you want them to kill Laozi's people for nothing?"

When he said this, Boss Wu looked angry, but his heart was extremely complicated.

Speaking of which, Boss Wu is also afraid of leaving the heavens, but at this time in front of so many subordinates, he can't lose face no matter what.

The voice fell, and the surroundings echoed. "The boss is right. We have so many people, what

are we afraid of them doing?"

"Yes, no matter how powerful they are, they are only two people.

"

He quickly dissuaded him: "Boss, brothers, you must be calm, we must not fight hard, the man and the woman are expected to come after a while, I think we can use other methods..."

Saying, that The bandit came up and started talking in the ear of Boss Wu...

Because he was far away, Yue Feng couldn't hear it clearly, but he was not in a hurry at the time and continued to observe the situation secretly.

"Okay!" A

few minutes later, when he heard the bandit's plan, Boss Wu showed a wicked smile and nodded, "Haha.... just follow this method." With

that, Boss Wu picked a few bandits . : "You guys, hurry up and change your clothes, pretend to be mountain people, and the others, immediately hide."

Whoa!

Hearing the order, the surrounding mountain bandits dispersed immediately, and the few who were elected by Wu Lao returned to the room and came out in the clothes of mountain people.

Yue Feng saw that the few people who were elected in the general election of Wu Lao were relatively thin. After changing their clothes, they looked like local mountain people at first glance.

call!

At this moment, Yue Feng frowned secretly.

This boss Wu is insidious enough to let his subordinates pretend to be mountain people.

Just as Yue Feng was thinking about this, Boss Wu and the other bandits had already hid around the yard. At the same time, two people faintly walked over on the small road to the east of the mountain village.

It came so fast...

Seeing this scene, Yue Feng breathed a sigh of relief, squinted and looked carefully, and saw that it was a man and a woman who came. Although it was dark, she couldn't see her face clearly, but the woman had a slim figure. , sure looks pretty. "This mountain village is empty. It seems that

it has also been looted by mountain bandits

”

Is a glimpse.

“There are still people...”

“Let's go and have a look, maybe you can ask about the situation of the bandits.” The

two talked and went straight to the gate of the yard. At this time, with the help of the lights in the yard, Yue Feng also watched Knowing the woman's face, the whole person was instantly dumbfounded.

I go, how is she?

I saw that the woman's facial features were exquisite, like an orchid blooming in a secluded valley, with an air of loneliness and arrogance all over her body, it was Feixue.

The ultimate husband in Chinese chapter 6589

For a time, Yue Feng watched Feixue secretly, only to feel his brain buzzing.

The world is too small to meet her here.

At the beginning, Feixue wanted to kill Yue Feng in order to keep her innocence, but after several failures, she was so embarrassed that she wanted to commit suicide by jumping off a cliff. At the critical moment, Yue Feng rescued her, and she fell into the abyss.

Later, Yue Feng was caught by Nuliha and brought to the Hu people...

Yue Feng thought that it would be difficult to see Feixue again in the future, but he didn't expect that he had just left the Hu people and encountered it again.

I have to say, sometimes fate is really wonderful.

"Hey!"

Just when Yue Feng was secretly startled, the man walked to the door of the courtyard and shouted, "Is there anyone?" The man's name is Shao Lingfeng, and like Feixue, he is also Gu Qianqiu's capable subordinate.

At the same time, Feixue looked around.

At this time, Feixue and the two didn't know that the bandits, Boss Wu, hid around the yard, quietly watching them, waiting for an opportunity.

"Come, come..."

As soon as the voice fell, the bandits who were waiting in the room walked out quickly, all with simple and honest smiles on their faces.

The first one, tall and thin, was called Jia San. At this moment, Jia San arrived at the gate of the courtyard, and smiled at

Feixue and said, "What's the matter with the two of you?"

"

, said politely: "We passed by here, it's too late, I want to borrow your place to rest and ask about the situation at the same time."

Feixue also nodded politely.

Uh....

Seeing this scene, Yue Feng couldn't help frowning secretly.

Oops, Feixue and the others didn't see through the masks of these mountain people, and it seemed that they would be troublesome later.

"Of course, please come in!"

At this moment, Jia San showed a simple and honest smile and made a please gesture: "The yard is a bit shabby, I hope the two of you don't dislike it."

Then, Jia San directed at the two behind him. Humanity: "Quickly move the stool out and give the guests a rest." The

two responded and quickly moved the table and stool out of the house.

Shao Lingfeng and Feixue thought that the mountain people were warm and hospitable, but they were not polite at the time, thanked them, and sat in the courtyard to rest. After sitting down, Shao Lingfeng asked, "Brother, are there bandits in this generation, and where are the other mountain people?"

Feixue, who was beside him, couldn't help but look at Jia San.

call!

Hearing the question, Jia San and the people around him looked at the last words, and then took a deep breath and made a very hateful look: "Don't mention it, the mountain bandits have been infested recently, and the mountain villages are often looted. The villagers are miserable and all move away. It's gone."

"We went up the mountain to collect herbs before, and only escaped the last two lootings, but ah, we can't stay here anymore, we have to leave tomorrow."

When he said this, Jia San had a face Sad and angry, but his eyes flashed with cunning.

Um!

Hearing this, Shao Lingfeng nodded and said sympathetically: “The mountain bandits are infested, and you people are suffering. We met a few bandits at the foot of the mountain just now, but we killed a few and finally ran away. drop one.”

Before he finished speaking, Feixue said, “We want to find the old lair of this gang of bandits, so we came to the village to ask.”

“Oh!”

Jia San looked shocked: “It turned out to be the two justices. Chevalier, disrespectful, you killed mountain bandits, but you really avenged our village.” With

that, Jia San ordered the people around him to prepare wine and meat.

Shao Lingfeng and Feixue looked at each other and waved their hands: “Brother, you’re welcome.”

“Yeah, I’m so sorry to disturb you at night, how can I trouble you again?”

“No trouble, no trouble...” Jia San He waved his hands again and again, with a simple and honest look: “You kill mountain bandits, you are our benefactors, it’s nothing to treat with some wine and meat, could it be that the two of you dislike our wine here is not good, and the meat is not fragrant? “

Uh....

Seeing the other party say this, Shao Lingfeng and Feixue are not good at refusing.

At this time, Boss Wu, who was hiding outside the yard, saw this situation and showed a cold smile on his face. What kind of master from Heaven, isn’t it being played around by my subordinates?

The ultimate husband in Chinese chapter 6590

Terrible!

At the same time, Yue Feng also secretly shouted that it was not good, because he was hiding in a tree and the terrain was high, so Yue Feng could clearly see that several of Jia San’s accomplices quietly took out a bottle of wine and meat in the room when preparing wine and meat. Packed with powder, mixed into it...

Yue Feng is an old river and lake, and you don’t need to guess to know what those powders are.

“Oh!”

At this moment, Yue Feng couldn't bear it any longer, he quickly jumped down from the tree, strode toward the yard, and said to himself as he walked, "I'm really tired and hungry after rushing for a long time. Ah."

Having said that, Yue Feng arrived at the gate of the yard and pretended to smell it: "It's so fragrant, fellow, can you come in for a bite to eat?"

Shuh!

At this moment, whether it was Jia San and the others, Shao Lingfeng and Feixue, as well as Boss Wu and others hiding around the courtyard, they were all stunned.

Who is this person? Where did it come from?

Only Feixue's delicate body trembled, and her whole body was stunned, her eyes fixed on Yue Feng, her mind buzzing and blank.

He... didn't he fall off a cliff and die? Why....

Under the shock, Feixue's mood is extremely complicated, a little shocked, and a little happy. Speaking of which, she was very sad when she saw Yue Feng fall into the abyss. After all, she was going to commit suicide at that time, and Yue Feng wanted to save her.

It can be said that every time Feixue thinks of the scene at that time, she can't tell the guilt and self-blame in her heart. At this time, seeing Yue Feng safe and sound, he was naturally excited.

However, Feixue has a cold personality. Although she is very happy, her face still looks indifferent.

"You are..."

At this moment, Jia San reacted and stepped forward to look at Yue Feng: "Who are you?"

Haha, is this kid still pretending to be a mountaineer?

Yue Feng sneered in his heart and responded, "I passed by here, and when I saw the lights, I wanted to borrow a place to rest."

Passing by.

Hearing this, Jia San frowned and immediately waved his hand: "It's not convenient for us here, you can find another place to rest." Now that the plan is halfway through, the man and woman will be captured immediately, and there must be no mistakes. .

How could Yue Feng leave? At that time, his eyes fell on Feixue, and he pretended to have just seen it, and said in surprise, "Oh, wife, why are you here?"

As he said that, Yue Feng bypassed Jia San and sat next to Feixue with a smile.

What? wife?

Hearing this, both Jia San and Wu Boss and others, and Shao Lingfeng were all shocked.

Especially Shao Lingfeng, his eyes were like knives, he locked on Yue Feng coldly, and he couldn't hide the hostility on his face. Is this kid looking for death? How dare you call Feixue wife?

Shao Lingfeng has always been in love with Feixue, but Feixue has a cold personality. Shao Lingfeng has never had the opportunity to express himself, but in his heart, he had sworn that Feixue would never marry in this life. At this time, he suddenly heard another man call Feixue's wife. The anger in my heart can be imagined.

Swish!

At this moment, Feixue's delicate face also instantly flushed, embarrassed and angry. This Yue Feng is really not serious, calling my wife in front of so many people...

In shame, Feixue glared at Yue Feng angrily: "Shut up, who is your wife?"

Feeling Feixue's displeasure, Yue Feng still said with a smile: "Why do you have such a cold face as soon as you meet, you won't forget, we worshipped and got married before? Also, if I hadn't reacted at that time. Hurry up, you are the one who fell into the abyss."

Feixue was too lazy to talk nonsense with him, and said lightly, "Why are you all right?"

"I was lucky, I was hanging on a tree at the time, so I got my life back. ." Yue Feng responded with a smile, while admiring Feixue up close.

I have to say that Feixue is really a top beauty. She has not seen her for a few days and has become more charming than before.

"You..."

At this time, Shao Lingfeng came to his senses and looked at Yue Feng with a frown: "You are that Yue Feng?" At that time, Feixue was forced by her mother-in-law Honghua to marry a man. Shao Lingfeng had already heard about it, and when he heard the conversation between the two, he immediately remembered it.

"It's down!" Yue Feng nodded.
