Call! At this moment, Shao Lingfeng took a deep breath and said sternly: "Yue Feng, when you married Feixue, it was forced by the situation at the time. It was not

Feixue's inner wish. Please change your name in the future, understand?"

It's big, but it has a threatening meaning.

At the same time, Feixue next to him was also extremely red.

This fool!

Hearing this, Yue Feng frowned secretly, between Feixue and I, what's the matter with you?

Thinking to himself, Yue Feng was about to refute a few words, but seeing Feixue's expression, he held back. Speaking of which, it was really bad to call her wife in front of so many faces.

In the next second, Yue Feng smiled and said to Feixue: "Okay, alright, I'm just kidding you, don't take it seriously."

Shameless...

Feixue was very irritable at this time, but I don't know why, but he was mad at Yue Xue again. The wind can't hate it.

At this moment, Jia San finally reacted, came over and said with a smile: "So you know each other, so let's sit together. We have prepared wine and meat, and this friend also has a rest."

When saying this, Jia The three faces are full of politeness, and their attitude is completely different from before.

Speaking of which, it wasn't that Jia San was kind, but he planned to deal with Yue Feng together. Since the three people in front of him knew each other, none of them could let them run away.

"Thank you for your hospitality."

At this moment, Yue Feng showed a smile, and said unceremoniously to Jia San, "Then I'll be welcome." As he said that, he grabbed the barbecue on the table and took a bite.

So fragrant.

Yue Feng just saw clearly that Jia San and the others just put something in the wine, so there is no problem with this barbecue.

Yue Feng ate with relish, while secretly paying attention to Jia San's expression.

Haha....

Seeing that he was really eating, Jia San was secretly excited, and said on the surface: "Yes, friends, you don't need to be polite, there is a lot of wine and meat..." At this time in his heart, the Yue Feng in front of him was just a freshman. The stunned young man who entered the rivers and lakes has no threat at all.

"Hey..."

However, at this moment, Shao Lingfeng watched Yue Feng unceremoniously eating, feeling very unhappy, and said coldly: "Who is your friend? Hurry up, don't hinder us."

At this time, Shao Lingfeng was in a bad mood, this Yue Feng was thick-skinned enough to sit down and eat, thinking he was a character, but a clown.

Nima!

Feeling the contempt in Shao Lingfeng's tone, Yue Feng felt a little unhappy, and said lightly, "I didn't say that you were my friend. Feixue and I haven't seen

each other for a few days. It's up to you to talk about the old days." Then, Yue Feng was munching on the barbecued meat beautifully, looking like a fool.

This idiot, I came here to help you deal with the mountain bandits, but you are always against me, your brain is really sick.

"You..."

Shao Lingfeng was very angry, glaring at Yue Feng, but he was speechless for a moment.

"Yue Feng!"

At this moment, Feixue couldn't help but softly said: "Otherwise, you should leave first, we have something to do later." Seriously, she scolded Yue Feng lightly, but thinking that he fell into the abyss in order to save himself, he couldn't be ruthless.

"old...."

Seeing Feixue speak, Yue Feng subconsciously wanted to call his wife, but after shouting a word, he immediately changed his tune: "Feixue, I've walked a long way, and I'm tired and hungry.

" , is it a friend, you have the heart to drive me away?"

Seeing

Yue Feng's pitiful appearance, Feixue bit her lip tightly, how could she have the heart to drive him away?

"Go to Nima!"

At this moment, Shao Lingfeng couldn't bear it anymore, he slammed down the table, stood up and glared at Yue Feng: "What kind of thing are you, you are also worthy of being Feixue's friend?"

This person is really Push your nose on your face.

Yue Feng was also a little angry, and said coldly: "If you are not used to listening, you can go first."

Hearing this, Shao Lingfeng was completely furious, he suddenly drew his long sword, pointed at Yue Feng and said, "Boy, I am You really don't know how high the sky is, how dare you talk to me like that? Do you want to die?"

Hehe!

Feeling the coldness from the long sword, Yue Feng smiled lightly, not panicking at all.

The ultimate husband in Chinese chapter 6592

Seriously, Yue Feng's strength has not fully recovered, and if he really fights, he may not be Shao Lingfeng's opponent.

But Yue Feng knew that Feixue would definitely not let Shao Lingfeng do it.

"Shao Lingfeng!"

Sure enough, at this moment, Feixue quickly got up to stop Shao Lingfeng: "What are you doing with your sword? Don't be impulsive."

"Feixue, what are you protecting him for?" Shao Lingfeng was very angry and pointed at Yue Feng shouted: "Because of this person before, I almost ruined your innocence. I will help you kill him now."

In Shao Lingfeng's heart, Feixue is like a goddess. Can't calm down at all.

"You..."

At this moment, Feixue stomped her feet in a hurry: "The main responsibility for that incident is that grandma Honghua. After all, he is also a victim, can you calm down."

See Feixue Saying this, Shao Lingfeng felt even more upset, but it wasn't easy for him to attack.

Haha, infighting....

Seeing this scene, Jia San and the others standing beside him, as well as Wu Boss and others hiding around, were all inexplicably excited.

If these three people fight later, it will save themselves a lot of trouble.

"Okay!"

At this moment, Feixue persuaded again: "Don't say a word to both of you."

After saying that, Feixue looked at Yue Feng: "Yue Feng, we have something to do later, you You can leave when you're full, you can't make trouble for me, you know?"

The main purpose of taking a rest in this mountain village tonight is to eradicate the nearby mountain bandits, and naturally I don't want to see Yue Feng and Shao Lingfeng making too much trouble.

Um!

Yue Feng ate the meat, nodded vaguely and agreed: "Okay, do I look like a troublemaker? Of course, I left after I had eaten."

Seeing his agreement, Feixue nodded.

Although Shao Lingfeng was very upset, in front of Feixue, it was not easy for him to have a seizure. He could only give Yue Feng a stern look, and then sat down in his seat again.

There was no fight...

Seeing this situation, Jia San couldn't help being a little disappointed, then squeezed out a smile, and pretended to come over to smooth things out: "Oh, since we all know each other, why are you making trouble?"

“Come on... This is the wine we brewed locally, it is sweet and mellow, all three of them will taste it...” As he spoke, Jia San walked to the table and poured wine for the three Yue Feng.

I have to say that Jia San’s acting is very similar, neither Shao Lingfeng nor Feixue noticed the difference. At this time, Shao Lingfeng took the wine very politely: “Brother, you are very polite.”

Feixue also smiled lightly: “Trouble brother . Yes, but I don’t know how to drink.”

With that, Feixue gently pushed the wine away from him.

Don’t drink?

Hearing this, Jia San frowned secretly, if you don’t drink, will our plan fail soon?

Thinking to himself, Jia San smiled again and introduced enthusiastically: “This wine is brewed with mountain spring, it’s not very strong, the girl can taste it.” The

voice fell, and several companions beside him , and quickly nodded in agreement.

“Yes, even a child won’t get drunk with this drink.”

“How can a girl walk around the world without drinking?”

“That is, don’t worry about it, you are afraid that we will poison you?”

When the words of Jia San and the others came from you and me, Feixue bit her lip lightly and couldn’t delay for a while, then nodded and said, “Okay, I’ll take a sip.”

After speaking, Feixue picked up the wine and prepared drink.

“Oh!”

However, at this moment, Yue Feng held Feixue’s hand and said with a smile: “You are a girl, what kind of wine do you drink? Drinking is our men’s business.

” If you have been drinking, you must be drunk as soon as you touch it, forget it, let me drink it for you.”

Gudong Gudong!

When the words fell, Yue Feng took off Xue’s wine bowl and drank it in one breath.

Yue Feng knew in his heart that Feixue could not be allowed to drink it if something was in the wine, and he had a physique that was invulnerable to all poisons, so he was naturally not afraid.

This...

Seeing Yue Feng drinking for Feixue, Jia San looked at each other in dismay, feeling a little stunned for a while. They never thought that Yue Feng would help Feixue drink a lot.

Feixue was also stunned for a while, looking at Yue Feng with a dumbfounded expression, not knowing what to do for a while.

Mad!

However, Shao Lingfeng couldn't stand it any longer, and stared at Yue Feng fiercely: "Boy, who are you Feixue? What qualifications do you have to drink for her?"

At this time, Shao Lingfeng was very angry.

Speaking of which, when Jia San came out with the wine, Shao Lingfeng had made a plan. Later, he would let Feixue drink a little. You must know that Feixue had never drunk before, and once he got drunk, he would definitely get drunk. At that time, Shao Lingfeng will have the opportunity to take care of her.

In the past few years, how many times Shao Lingfeng has shown his sympathy to Feixue, but Feixue has always been unappreciative, and now such a good opportunity has been destroyed by Yue Feng, how can he not be angry?

Nima, this man is really interesting.

Seeing Shao Lingfeng jumping up again, Yue Feng cursed secretly and looked at Shao Lingfeng with a half-smiling smile: "What kind of person are you? I drink for Feixue, what's your business?"

At this time, Yue Feng was almost gone. patience.

This person, Shen Lingfeng, is mentally ill. He is surrounded by bandits, so forget it if he doesn't know it, and he is still targeting me everywhere.

"What did you say?"

Yue Feng's tone made Shao Lingfeng even more angry.

Faced with this situation, Yue Feng did not panic at all, and chuckled at that time: "What? You can't understand what I said, or are you deaf and can't hear it?"

"You..."

This sentence, almost Shao Lingfeng exploded with anger, and shouted angrily: "Boy, you really want to die..." Just before he finished speaking, Feixue interrupted him.

"Okay!" Fei Xue frowned, and said tenderly, "You two have nothing to do. Shao Lingfeng, he's just helping me drink, what are you doing so angry? Anyway, I don't drink, he likes it, just Give him a drink."

After speaking, Feixue said to Yue Feng, "Remember what you promised me, and when you're full, you can leave quickly." At this time, Feixue only thought about Yue Feng and hurry up Leave, otherwise, the conflict between the two will definitely deepen.

"Okay, okay..."

Yue Feng nodded with a smile: "I promise you, it's natural, I'll leave after I've eaten and drank enough." After speaking, he cleaned the wine in Feixue's bowl.

However, this was not enough. Yue Feng finished drinking the wine in front of Feixue, brought Shao Lingfeng's wine over, and drank it with his head up.

"Ah..."

After drinking, Yue Feng exclaimed with a happy face: "It's really good wine, enjoyable!"

Yes, Yue Feng drank Shao Lingfeng's wine and was helping him. Speaking of which, Shao Lingfeng is looking for trouble everywhere. Son, Yue Feng didn't want to help him in his heart, but wanted to watch him drink these drugs.

It was just that there were so many bandits hiding around. If Shao Lingfeng was poisoned, Feixue alone would definitely not be his opponent. So Yue Feng weighed the pros and cons and decided to drink Shao Lingfeng's wine.

Swish!

Seeing this scene, Jia San and the others changed their expressions, and they couldn't stand up anymore, staring at Yue Feng with complicated eyes.

He actually drank all three of them.... What should I do now?

Mad!

At this moment, Shao Lingfeng couldn't hold it anymore, he howled and punched Yue Feng in the face.

It's enough for this person to entangle Feixue, and he dares to drink my wine, he's just courting death.

"oops?"

Seeing his punch, Yue Feng pretended to be in a panic and stood up to avoid the punch: "What are you hitting me for?"

"Shao Lingfeng, almost burning with anger, pulled out his long sword and stabbed towards Yue Feng as he spoke.

"Shao Lingfeng!"

But at this moment, Feixue quickly stood up, raised the scabbard, and separated Shao Lingfeng's sword: "Why are you always having trouble with him, he will leave in a while.

"Yue Feng came out, and Shao Lingfeng's face was extremely gloomy.

Seeing this situation, Jia San turned his eyes and hurried over to smooth things out: "It's just a bowl of wine, don't be hurt, the three of you, there are still some in the room, I'll get them for you."

Soon, Jia San hugged He came out with a jar of wine filled with medicine. Then he politely poured a bowl to Shao Lingfeng.

Shao Lingfeng and Feixue didn't know what was going on, but Yue Feng was very clear in his heart.

Feixue was startled, and quickly asked: "Yue Feng, what's wrong with you?"

"Stomach...ache!"

Yue Feng frowned, looking very uncomfortable: "It looks like a fire in the stomach again, it's like being cut by a knife..."

After speaking, Yue Feng turned his head to look at Jia San and several others: "Several fellows, is there something wrong with your wine, is it poisoned?" Of course, Yue Feng The wind is not really poisonous, he is invulnerable to all poisons, and it is completely pretending at this time.

To be honest, Yue Feng didn't want to be so troublesome, he originally planned to tell Feixue the truth as soon as possible.

However, Shao Lingfeng next to him has been looking for trouble, completely disrupting Yue Feng's plan, so until now, Yue Feng has had the opportunity to debunk the conspiracy of Jia San and others.

What?

Hearing Yue Feng's words, Feixue's pretty face changed, and her eyes instantly locked on Jia San.

At the same time, Jia San and the others were secretly taken aback. They exchanged glances with each other. They were all puzzled.

Could it be that this man was drinking too much?

Muttering in his heart, Jia San squeezed out a smile and said embarrassedly: "This... how is this possible? We have no grievances and no grudges against the three of us, so how could we be poisoned in wine?"

"down.

There were only three people, only Yue Feng drank the wine, which was far from the plan for all three to drink, so Jia San could only be patient and try to stabilize Shao Lingfeng and Feixue.

call!

Hearing Jia San's words, Feixue was suspicious, secretly relieved, and looked at Yue Feng: "If the wine is not poisonous, what's the matter with him?"

Jia San smiled bitterly and wanted to explain, but at this time Shao Lingfeng said coldly: "What poisoning, I think he just pretended, ate the barbecue of the fellow, drank the wine of the fellow, and still wanted to extort money?"

"Shameless."

At the end, Shao Lingfeng looked contemptuous. In his heart, Yue Feng is a scoundrel, who can do all kinds of trivial things.

Hearing this, Fei Xue Xiumei frowned, couldn't help but looked at Yue Feng, and felt a little suspicious in her heart.

Could it be... Yue Feng is really pretending?

You must know that Feixue had failed to assassinate Yue Feng several times for his innocence. He knew that his strength was unfathomable.

What the hell!

Seeing that Shao Lingfeng was still against him at this time, Yue Feng couldn't help laughing and crying, and said to Shao Linfeng, "How do you know that the wine is not poisonous? Are you the roundworm in my stomach?"

"Poison, how can I not see it? Stop pretending." After speaking, he lifted the wine bowl in front of him, raised his head and drank it.

In Shao Lingfeng's opinion, Yue Feng pretended to be poisoned in order to let Feixue take care of him. He had always been in love with Feixue, and naturally he would not give Yue Feng a chance.

Nima, this idiot.

Seeing this scene, Yue Feng wanted to stop it, but it was too late, so he couldn't help shaking his head secretly for a while.

I've seen stupid people, and I've never seen such stupid people. They all said that this wine is poisonous, but you still drink it.

"How is it?"

At this time, Shao Lingfeng put down the wine bowl and looked at Yue Feng condescendingly, with a proud look on his face: "I drank the wine, why am I fine? Stop pretending. It looks ridiculous."

"Stupid!" Yue Feng shook his head and uttered two words speechlessly.

The voice was low, but Shao Lingfeng could still hear it clearly, and immediately locked on Yue Feng: "What did you just say? Say it again?"

Phew!

Yue Feng took a deep breath and said lightly, "Didn't you hear everything you said?"

Feixue felt helpless when she saw that the two of them were about to freeze again.

"Ma De, you are courting death!"

Shao Lingfeng shouted angrily and was about to rush up, but before he could draw his long sword, he suddenly trembled, his face was extremely pale, and the long sword in his hand fell to the ground.

This... this wine is poisonous.

At this moment, Shao Lingfeng's face was extremely ugly, and he slumped on the ground all of a sudden, looking at Jia San and the others angrily: "Are you poisoned by alcohol?"

At this time, Shao Lingfeng couldn't believe it, the few mountains in front of him. People, they will poison in wine, I always thought that Yue Feng was really acting.

The ultimate husband in Chinese chapter 6595

"Stupid!"

Seeing his expression, Yue Feng couldn't help but scolded: "I said just now that this wine is poisonous, but you are an idiot who doesn't believe it, who can you blame now?"

"You... "

When he heard the scolding, Shao Lingfeng got angry without a name and glared at Yue Feng, but he had nothing to refute.

At this moment, Feixue pulled out his long sword and looked at Jia San and the others coldly: "Who are you? Why are you poisoned by alcohol?"

Jia San sneered and ignored them.

well!

At this moment, Yue Feng sighed, stood up slowly and said, "Is there any need to ask? They are the bandits who are rampant in this area. The people in the mountain villages have run away, so they will occupy the place.

" Saying that, Yue Feng patted the dust on his body.

What?

Seeing him stand up like nothing else, whether it was Feixue and Shao Lingfeng, or Jia San and Wu Boss and others hiding around, they were all stunned.

He... isn't he poisoned? Nothing at all.

Finally, Feixue was the first to react and looked at Yue Feng up and down: "You... how are you all right? Isn't it poisoned?" When asked, Feixue's mind was buzzing and messy.

It was poisoned for a while, and it was fine for a while, which simply confused people.

Yue Feng opened his mouth to answer, but Shao Lingfeng couldn't help shouting: "Feixue, don't ask him, this guy is a bandit, kill him soon."

"He glared at Yue Feng fiercely. It's okay to drink poisonous wine. It must be an antidote beforehand, not a bandit?"

Nima!

Seeing that he was still slandering at this time, Yue Feng couldn't bear it anymore. Looking at Shao Lingfeng, he said coldly, "You are being poisoned because you are stupid. Don't think everyone else is as stupid as you." Feixue said: "The mountain people in front of you are all pretending to be bandits, and there are still a lot of ambush outside. These bandits, and the ones you killed before, are all in the same group."

No wonder....

Listen At this point, Feixue nodded suddenly, and at the same time was extremely angry in her heart. This gang of mountain bandits is really abominable, even if they looted the mountain village, they also drove away the mountain people and occupied the mountain village.

In anger, Feixue was about to ask how Yue Feng knew, but before he could speak, he heard a loud laugh coming from outside the yard.

"Hahaha..."

With the laughter, Boss Wu and dozens of subordinates rushed in like a swarm and surrounded Yue Feng and the three of them.

Although Yue Feng and Feixue were not poisoned, Boss Wu's patience was limited and he couldn't hide it.

At this moment, Jia San took off his disguise, and said to Boss Wu ashamed: "Boss, this subordinate did your best." If Yue Feng had not suddenly appeared, Feixue and Shao Lingfeng would have fallen into the trap long ago.

"It doesn't matter!"

Boss Wu waved his hand, and his face didn't matter: "I have also seen the situation, you guys have done a good job." As

he said, Boss Wu looked up and down Feixue, admiring it up close. Down, his eyes straightened, and he couldn't help but tut his mouth in admiration: "Sure enough, she is a superb beauty, haha..." The

voice fell, and the surrounding bandits also burst into laughter.

“Boss, keep it as your wife.”

“Yeah, she looks like a fairy and happens to be our sister-in-law.”

“The boss is blessed tonight, hahaha...”

The gangsters teased, and I heard your sentence, Feixue’s face flushed red, and she was so embarrassed that she immediately shouted: “You hateful gangsters, I will completely eradicate you tonight.”

The moment the words fell, Shao Lingfeng, who was sitting there, also said coldly: “You blind people really don’t know who we are, know who we are...”

Hehe!”

Before he finished speaking, Boss Wu sneered and interrupted: “Stop talking nonsense, of course I know who you are, aren’t you people from Heaven, hehe, otherwise, I wouldn’t do it either.” With such a big show, let your subordinates arrange wine and meat for you.”

Mad!

Seeing Boss Wu being so arrogant, Shao Lingfeng was furious and yelled on the spot: “Since you know, hand over the antidote quickly, otherwise, none of you will want to live.”
