

The ultimate husband in Chinese chapter 6601

Nima!

Yue Feng was also on fire in an instant.

This Shao Lingfeng is too ruthless, just because Feixue has been protecting me, he wants to put me to death at this moment, Mad, it's a shame that I have been thinking about saving you before.

Thinking in his heart, Yue Feng smiled coldly and did not speak.

“Hey!”

Boss Wu didn't seem to have expected Shao Lingfeng to be so straightforward. He was stunned at the time, and then looked at Yue Feng with a half-smiling smile: “Boy, your companion wants you to die. It seems that he has a lot of opinions on you.”

When the voice fell, Boss Wu waited for Yue Feng's response.

However, before Yue Feng could speak, Shao Lingfeng, who was beside him, called out, “He is not my companion.” His words were full of contempt and hostility.

“Ma De!”

Boss Wu frowned and couldn't help scolding: “Did I talk to you?” When the last word fell, Boss Wu raised his hand and slapped Shao Lingfeng on the face.

Snapped!

Hearing a crisp sound, five finger prints appeared on Shao Lingfeng's face, and he almost fell to the ground.

At this time, several bandits next to him also scolded Shao Lingfeng.

“Boss speaking, do you have any reason to intervene?”

“Don't think that it's from the Heavenly Dao, so you're proud of yourself

“

The situation, or choose to swallow.

“Boy!”

At this time, Boss Wu moved his wrist and said to Yue Feng: "The boy has already made a choice, now it's up to you, the two of you, who will live? Who will die!"

Hehe...

Yue Feng's face Calmly, he said with a chuckle: "In your hands, do I still have the right to choose? It doesn't matter who lives or dies."

Huh?

Seeing his attitude of putting aside life and death, Boss Wu was stunned for a moment, then nodded in approval and said, "I can't tell, you are still a real man, not bad..."

After that, Boss Wu tilted his head and glanced at Shao Lingfeng. There was a bit of contempt in his eyes: "In my life, what I hate most is those who are greedy for life and fear of death, you look like a decent gentleman on the surface, but you are a despicable villain, this brother of others, desperately trying to help you, instead of being grateful at all, you still want to put him to death?"

Finally, Wu Boss pointed at Shao Lingfeng: "Pull him out and chop him."

Whoa!

Hearing the order, several bandits came over and were about to take Shao Lingfeng out.

Shao Lingfeng's expression changed even more. At that time, he was so frightened that he almost slumped on the ground

. His face was tense, and his words trembled, completely losing the cold and arrogant temperament he had before.

In the face of real death, anyone would be afraid, and so was Shao Lingfeng.

Interesting...

Seeing this scene, Yue Feng was stunned for a moment, and then showed a smile.

I can't see that this mountain bandit boss is quite principled in his actions. Instead of expressing his position, he did the right thing.

"stop!"

Seeing that Shao Lingfeng was about to be dragged out and beheaded, Feixue couldn't bear it anymore, and she shouted: "You...you can't kill people indiscriminately, let him go."

At this time, Feixue was panicked and angry at the same time. .

This gang of bandits really do all kinds of evil, they treat life like a mustard, and if they say murder, they will kill...

Swish!

Hearing Feixue's coquettish shout, several bandits subconsciously stopped their movements. Boss

Wu seemed to have guessed it, and looked at Feixue with a smile: "What? Does the beauty have something to say? If you choose, which of them will die?"

It is constantly swimming in the snow.

At the same time, Yue Feng and Shao Lingfeng also looked at Feixue almost at the same time. Yue Feng looked calm. He knew that Feixue looked cold, but he was actually kind-hearted and would definitely not choose it.

And Shao Lingfeng was completely panicked at this time, and he didn't have time to think, so he shouted at Feixue: "Feixue, save me... save me..." In his heart, he and Feixue were in the same family. She definitely won't die.

call!

Feixue took a deep breath, feeling so annoyed that Shao Lingfeng's actions just now made her feel very disgusted. Hearing his plea at this time, she became even more irritable, and said coldly, "Don't shout first."

The ultimate husband in Chinese chapter 6602

said, Feixue turned back to look at Boss Wu seriously: "The two of them, neither of them can die." The

voice was not loud, but there was no doubt.

"Hehe!"

Hearing this, Boss Wu was not angry at all, but said with a smile: "Beauty has spoken, I naturally can't disappoint you, but it is not difficult to want both of them to live, the beauty is only You need to promise me a condition."

At this time, Boss Wu had a serious face, but his eyes flashed wretched.

call!

Noticing the change in Boss Wu's face, Yue Feng secretly exhaled and vaguely guessed something.

"What conditions?" Feixue asked without thinking.

Boss Wu approached slowly, admiring Feixue's charming figure, and slowly said: "Be my woman, follow me all your life, and never betray."

After speaking, Boss Wu stared at Feixue, waiting her reaction.

Swish!

At this moment, Feixue's pretty face changed, and she felt ashamed and angry in her heart.

This abominable mountain bandit leader is really a toad who wants to eat swan meat, so he wants me to be his wife, he is just courting death.

At the same time, Shao Lingfeng was also shocked, shocked and angry, Feixue is the woman he likes, how can she be the wife of the boss of Wu? At that time, I wanted to scold, but thinking of my own situation, I still gritted my teeth and endured it.

Haha....

Yue Feng smiled secretly, this mountain bandit leader is really interesting, he actually wants to occupy Feixue, but think about it carefully, Feixue looks like a fairy, as long as a man sees it, he will not be moved of.

"you...."

Finally, Feixue reacted and shyly pointed at Wu Laodao: "Don't even think about it, I won't be your wife even if I die." The tone was firm and unquestionable.

Hearing this, Boss Wu pretended to be disappointed and sighed: "Oh, if that's the case, then we can't talk about it, and the two of them can only die."

After that, Boss Wu directed at the subordinate next to him. He gestured and asked them to pull Shao Lingfeng out.

In fact, Boss Wu didn't want to let the three of them go. He just made a condition with Feixue just to tease her.

Seeing this scene, Fei Xue was furious. Although Shao Lingfeng was selfish, he was someone who was far from heaven. If he really died and went back alone, how could he explain to the sect master?

Anxious, Fei Xuejiao shouted: "You stop..."

However...

a few bandits didn't listen to her at all, and quickly dragged Shao Lingfeng out the door.

"Don't kill me..." At this time, Shao Lingfeng was too panicked, and kept begging for mercy from Boss Wu: "Boss, please surround me, as long as you don't kill me, let me do anything."

The words are full of prayers, without the demeanor of a master of the heavenly way.

Boss Wu sneered again and again, ignoring it at all.

"This boss!"

At this moment, Shao Lingfeng was completely anxious, and shouted at Wu boss: "You shouldn't kill me, you should kill him." When he shouted the last word, Shao Lingfeng stared at Yue Feng.

Nima!

Yue Feng scolded secretly, what tricks is this guy trying to play?

Feixue also frowned secretly.

Um?

Boss Wu was stunned, and looked at Shao Lingfeng with great interest: "Interesting, why can't I kill you, I have to kill this brother?" The words were full of disdain.

"The boss doesn't know."

At this time, Shao Lingfeng secretly swallowed his saliva, concealed his nervousness, and said solemnly: "This Yue Feng has worshipped and married her before, and the boss left the two of them, not asking for it by himself. Trouble?"

When he said this, Shao Lingfeng couldn't hide the viciousness in his eyes.

Shao Lingfeng could see that Boss Wu was deeply fascinated by Feixue. If he knew that Yue Feng had worshipped with her, he would definitely not be indifferent.

“Shao Lingfeng, you...”

Seeing this situation, Feixue was so embarrassed that she couldn't help but scold.

She never imagined that Shao Lingfeng would be so shameless, in order to save his own life, he would do everything possible to harm Yue Feng, and even told the story of his marriage.

At that time, the marriage was due to the forced oppression of the mother-in-law Honghua. It was a last resort, and it was not true at all.

Nima...

At the same time, Yue Feng's expression also changed, this Shao Lingfeng is really a villain, in order to survive, he can do anything.

The ultimate husband in Chinese chapter 6603

Huh?

Boss Wu was also stunned, and looked at Shao Lingfeng with complicated eyes: “What did you just say? The two of them have worshipped and got married?”

“Yes!”

Shao Lingfeng nodded again and again, like pounding garlic: “How dare I lie to the boss. , This is what happened half a month ago, and this kid just called her wife.”

When he said this, Shao Lingfeng looked flattered.

Hearing these words, Boss Wu's face changed, he thought for a while, and smiled at Yue Feng: “Brother, I respect you as a man, I wanted to spare your life, but now, I have to kill you. .”

Shao Lingfeng guessed right, Boss Wu has been fascinated by Feixue, and has made up his mind to ask her to be his wife, knowing that Yue Feng and her have worshipped at this time, naturally he will not leave him in the world.

Hearing this, Yue Feng smiled bitterly and did not respond.

“No way!”

At this moment, Feixue was so embarrassed that she couldn't help drinking: "You can't kill him."

Boss Wu smiled and said, "Beauty, let me tell you the truth, I have already decided to let you As my wife, how could you leave your ex-husband in the world?" After

speaking, Boss Wu glanced at Yue Feng: "Although this man is a man, but one day he lives in the world, you will miss him in your heart. So, I'm going to break your thoughts, haha..."

"Don't worry, I will bury him well later, and I will treat you well for the rest of my life."

Shuh!

At this moment, Feixue's delicate face was blushing, and she stomped her feet in anger: "You... don't believe what he said, Yue Feng and I are not husband and wife at all..."

At this time, Feixue was filled with endless shyness in addition to anger.

At the beginning, she and Yue Feng worshipped were completely forced by the situation, but now she was taken seriously by Wu Boss...

"Hey..."

However, the more she was like this, the more convinced Wu Boss was in her guess, and he smiled at that time: "Come on, you don't need to explain, if he wasn't your husband, would he be so desperate to save you? Are you so nervous now?"

After speaking, Boss Wu glanced at Shao Lingfeng and said to his subordinate, "Lock him up first! "

After hearing the order, several bandits supported Shao Lingfeng and walked towards the hut on one side.

"Thank you boss, thank you boss!"

Shao Lingfeng was excited and excited, thanking boss Wu, like a pug who kept wagging his tail and begging for pity.

Phew...

Seeing this scene, Feixue almost fainted.

This Shao Lingfeng really lost Li Tiandao's face...

“Okay!” At this moment,

Wu Boss smiled at Yue Feng: “Brother, I’m sorry.” The other bandits waved their hands and motioned to pull Yue Feng out to be executed.

Holy crap....

In the face of this situation, Yue Feng was also a little flustered, and immediately said: “This boss, if you kill me, your subordinates will be trapped in it forever.”

When speaking, Yue Feng Look at the next room.

During the fierce battle just now, Yue Feng used tables, chairs and stools to deploy a simple five-element formation, trapping more than a dozen bandits in it. Until now, these bandits have not come out.

To be honest, Yue Feng wanted to break the rope at this time, but his skin was still stiff, completely helpless. In this case, the only option is to negotiate with the boss of Wu.

call!

Hearing this, Boss Wu frowned, then walked to the next room, and saw a dozen of his subordinates, trapped in the table and chairs, all crying and embarrassed.

Boss Wu had a fiery personality and wanted to go in at the time, but he finally resisted the urge.

“It’s interesting.” In the

next second, Boss Wu took a deep breath and nodded approvingly at Yue Feng: “It seems that you are really capable, tell me, how can you let them out?”

Yue Feng smiled slightly: ” I’ll take

my life, it

’s not too much for you guys Bloodletting all over the body and throwing it into the mountains and forests, there is nothing left that was eaten by wild dogs in half a day.”

The ultimate husband in Chinese chapter 6604

After more than ten seconds, Boss Wu thought of a way, and said to the bandits behind him: “Cut apart all these tables and chairs.”

Speaking, Boss Wu turned back and looked carefully at the situation in the room.

“Yes, boss!” After

hearing the order, several bandits responded. Immediately, he pulled out his long knife and, starting from the door, chopped the tables and chairs into pieces.

When the last chair was smashed into pieces, the Five Elements Formation was self-destructed, and the dozen or so bandits trapped inside immediately regained their freedom.

“Haha, the boss is amazing!”

“I knew that the boss must have a way to save us.”

The moment they came out, more than a dozen bandits scurried.

Nima...

Seeing this scene, Yue Feng was stunned. I never thought that the Wuxing General Assembly would use such a simple and rude method to break the Five Elements Formation.

But think about it carefully, the formation is dead, if someone attacked them in the formation at this time, these mountain bandits may not wait for the tables and chairs to be split, and they will die one by one.

After all, it was bad luck today.

At this moment, Boss Wu looked proud and looked at Yue Feng and said, “How is it? You can trap my people with tables and chairs, and I have a way to rescue them.”

Phew!

Hearing this, Yue Feng smiled bitterly: “Okay, Your Excellency is indeed amazing.”

With that said, Yue Feng’s mind quickly turned, thinking of a way to escape.

However, Boss Wu didn’t give him a chance at all. At this time, he ordered Yue Feng to be pressed on the wooden table in the yard, ready to execute him.

“Stop...”

At this moment, Feixue in the room, seeing this scene, couldn’t help shouting: “Stop everyone.” Although Yue Feng’s words were not serious, but he saved himself twice, how could he help himself watching him die?

“Stop...stop it!” Feixue kept shouting, her voice almost hoarse.

Boss Wu was very upset and waved at his subordinates: "Lock her up and let her have a quiet meeting."

"Yes, boss!"

A bandit responded, walked over quickly, and sealed Feixue's Dumb hole. Immediately, Feixue's coquettish drinking stopped abruptly, but her eyes were still fixed on Yue Feng, flickering with anxiety.

Seeing this situation, Boss Wu thought for a while, and said to Yue Feng, "I can't tell, this beauty still has feelings for you." After speaking, he moved Yue Feng to the back of the yard.

Although Boss Wu is ruthless, he also has principles.

Having already robbed someone else's wife, and letting Feixue watch Yue Feng die with his own eyes, there is no reason to say it.

"Brother!"

When everything was ready, Boss Wu pulled out his long knife and said seriously to Yue Feng: "Brother, I respect you as a man, so let me do it myself." The

last word fell, Boss Wu He raised his long knife and slashed towards Yue Feng's neck.

Shit...

Feeling the chill from the long knife, Yue Feng was completely panicked. At that time, he struggled instinctively, but the whole person was tightly held by the two mountain bandits, and he couldn't break free at all.

However, while struggling, a crystal clear object fell out of Yue Feng's arms.

It was during the time of the Hu people that Xing Tiance gave Yue Feng the jade order before he left.

Um?

Seeing Yuling, Boss Wu was stunned for a moment, and the long knife he was waving stopped abruptly. He quickly bent down and picked it up. After identifying it carefully, he said to Yue Feng, "Where did you get this thing?"

This....

at this moment, the surrounding bandits looked at each other in dismay.

Yue Feng also frowned secretly.

what's the situation? Could it be that this mountain bandit leader knows this jade order?

Just when Yue Feng was muttering in secret, Boss Wu dropped his long knife and held Yue Feng's shoulder tightly, with excitement and madness in his eyes: "Come on, where did you get this jade order?"

" At that time, the boss of Wu was extremely excited.

He thought that this jade decree was too familiar to him. It was a personal token of Xing Tiance, the commander of the Imperial Guard of the Dayan Palace, and it was also a symbol of identity.

Speaking of which, Boss Wu is not a real mountain bandit. His birth name is Wu Tianlin. After following Xing Tiance for nearly ten years, it can be said that Xing Tiance single-handedly picked it up.

The ultimate husband in Chinese chapter 6605

A month ago, Ji Beiye rebelled against the royal family and led an army to attack the imperial capital.

At that time, Wu Tianlin and Xing Tiance fought hard with their subordinates and eventually lost. In the end, Xing Tiance fell into the moat, and his life and death were unknown, and Wu Tianlin was also seriously injured at the time.

In order to avoid being captured, Wu Tianlin took off his armor, put on casual clothes, mixed with the fleeing people and left the imperial capital. I ended up recuperating in a cave for a few days.

After the injury was healed, Wu Tianlin wanted to find Xing Tiance's whereabouts, but he was ransacked by mountain bandits on the way. Those mountain bandits thought he was a fleeing commoner, but the leader was killed by Wu Tianlin on the spot.

After the leader's death, the other mountain bandits were shocked by Wu Tianlin's strength, so they all knelt down and worshipped him as their boss.

Speaking of which, Wu Tianlin didn't want to be a mountain bandit at that time, but after thinking about it, he was looking for the great commander by himself. I didn't know when to find it, so he took this group of mountain bandits and looted everywhere.

In Wu Tianlin's heart, he thought that Xing Tiance would be found soon, but he didn't expect that the person did not find it, but found the token.

call!

At this moment, feeling Wu Tianlin's excitement, Yue Feng took a deep breath and responded, "This is given to me by a friend." His tone was calm, neither humble nor arrogant.

friend?

Hearing this, Wu Tianlin's face suddenly turned gloomy, and he shouted angrily: "The special code is fooling me, how did you get it?" Yuling is Xing Tiance's personal token, it is of great significance, how could it be easily given to others.

Therefore, the boy in front of him must have lied.

Yue Feng's face was calm: "What am I lying to you for? It's a gift from a friend."

"Okay!"

Seeing that he didn't seem to be lying, Wu Tianlin calmed down and said coldly: "Okay, then tell me, what is your friend's name?"

This...

Yue Feng did not answer immediately, but hesitated. Said: "His name is Xing Tiance." While speaking, Yue Feng quietly observed Wu Tianlin's reaction.

To be honest, Yue Feng was very nervous at this time. The other party knew Yuling, and it must have something to do with Xing Tiance. If it is a friend, it is best, if it is an enemy, it will be troublesome.

"You..." At this moment, Wu

Tianlin's body was shocked when he heard Yue Feng's name, and his eyes became complicated: "You... How did you meet him?"

Humans know it." Yue Feng said lightly.

Hu people?

Hearing this, Wu Tianlin suddenly became excited: "What happened to the commander? Why is he in the Hu people?" When asking, Wu Tianlin looked at Yue Feng closely, his eyes full of urgency.

The reaction is so excited...

At this moment, Yue Feng frowned secretly, and did not answer immediately, but instead asked: "Do you know Commander Xing?"

"Naturally!"

Wu Tianlin raised his chest, and said with pride: "I am His subordinate general."

Hearing this, Yue Feng nodded suddenly, and immediately said: "He was injured at the time, and he was exiled to the Hu people, and later became a killer. Speaking of which, it is quite dramatic that we can know each other. ."

In the next few minutes, Yue Feng explained the situation.

call!

After learning about the situation, Wu Tianlin's expression changed, and then he quickly released Yue Feng, his attitude changed 180 degrees, very polite, but also very ashamed: "It turns out to be my own, ashamed, ashamed."

Speaking, what Wu Tianlin thought: "I dare to ask, are you the Mr. Yue Feng who helped King Shaoyang and guarded Qizhou City before?"

Uh....

Hearing the question, Yue Feng smiled: "Yes It's me, but Mr. don't dare to be."

"Oh!"

At this moment, Wu Tianlin hurriedly knelt down and said in a very self-blame: "I offended Mr. Lin was frightened for a while.

He also heard that at that time, Yue Feng helped King Shaoyang get Qizhou City, and even the little emperor praised him and gave him three points. Just now, he almost killed him.

Seeing his terrified look, Yue Feng smiled and waved his hand: "Get up quickly, those who don't know are innocent."

"Thank you, Mr. Generosity."

Wu Tianlin said gratefully, then stood up and asked curiously. Said: "Dare to ask sir, where is Commander Xing now?"
