Chapter 6686

Back then, in the land sealed by the Demon Clan, infighting broke out between the White Tiger Clan and the Suzaku Clan, and when the Suzaku Queen was about to die, she passed all her bird ancestor power to Yue Feng.

Although Yue Feng experienced rebirth later, the power of the bird ancestor has not disappeared, but is hidden in his bloodline. At this critical moment, Yue Feng knew that it was too late to use the beast language to communicate with this flame tiger, so he decisively burst out the power of the bird ancestor.

Well?

At this moment, the Flame Tiger felt the power that erupted from Yue Feng's body, and immediately stopped, looking at Yue Feng's gaze, he was also shocked.

Odd... How could this person have the power of a divine beast on his body?

Moreover, this power is so strong.

Call!

Seeing that the Flame Tiger stopped, Yue Feng secretly breathed a sigh of relief, and then cast a beast language: "I'm not afraid to tell you, what I have in my body is the power of the divine beast Suzaku, you just want to get the Fire Lingzhi, I don't want to hurt you, understand?"

"So, if you have to do it, it won't end well."

While saying this, Yue Feng sat on the rock next to him, looking relaxed and relaxed, waiting for the reaction of the Flame Tiger.

The power of the Suzaku Divine Beast....

Hearing these words, the Flame Tiger's heart was shocked, and he suddenly became panicked.

In the next second, the Flame Tiger directly crawled on the ground and let out a low roar towards Yue Feng, completely missing the ferocity just now, but indescribably meek.

This Flame Tiger has been cultivating for more than two hundred years, and with intelligence, he knows in his heart at this time that this person in front of him has the power of Suzaku, and he is not an opponent at all, so it is better to be soft in time.

Well!

Seeing this scene, Yue Feng nodded with satisfaction: "You can understand this truth, then it's best..."

Rustling....

As soon as he was halfway through speaking, he heard a slight sound of footsteps below, and then he saw Yan Bingyu quietly touch it with the help of the cover of the grass.

Speaking of which, Yan Bingyu's steps were very light, but Yue Feng and Flame Tiger could still hear it clearly.

This woman...

Seeing her come up, Yue Feng was secretly funny, she must have thought that I was about to be killed by the Flame Tiger now, so she wanted to come up and find an opportunity to take away the Fire Lingzhi. It's just a pity... People are not as good as days.

Yue Feng guessed well, just now Yan Bingyu hesitated below for a moment, and finally decided to come up and take a look.

What the?

At this moment, when Yan Bingyu saw the situation in front of him, he suddenly trembled, and his eyes were full of incredulity. I saw that the fierce Flame Tiger was crawling and kneeling in front of Yue Feng at this time.

Yue Feng, on the other hand, was sitting on the rock, with a leisurely appearance.

How so?

Seeing this scene, Yan Bingyu's brain buzzed, and it was blank.

This person collected Flame Lingzhi, it is reasonable to say that he should be killed by the Flame Tiger, how..... The Flame Tiger was so docile in front of him?

"You...."

After being stunned for more than ten seconds, Yan Bingyu finally reacted, forgetting that there was a flame tiger next to him at this time, and couldn't help but ask Yue Feng: "Why are you alright?" Why doesn't it hurt you?

Such a fierce flame tiger was docile like a cat in front of him.

It's incredible.

Hehe!

Hearing the inquiry, Yue Feng smiled slightly: "Didn't I tell you just now, I used to raise tigers for the emperor before, and any tiger that sees me will be more obedient than a cat."

When he said this, Yue Feng looked cynical.

Seeing him like this, Yan Bingyu was very disgusted in his heart, and seeing that he was still holding Flame Lingzhi in his hand, he immediately said, "Give me Flame Lingzhi quickly." This

woman is really interesting.

Hearing this, Yue Feng couldn't help but laugh, you raided me twice just now, and deliberately released the Flame Tiger, if I didn't have the power of the bird ancestor, understand some beast language, I am afraid of death and have already died, and now I still want Fire Lingzhi?

Thinking to himself, Yue Feng was about to speak.

"Roar!"

However, at this moment, the Flame Tiger crawling on the ground suddenly roared, and its huge body erupted and went straight to Yan Bingyu.

In the heart of this flame tiger, Yue Feng was already regarded as the master, and seeing Yan Bingyu's arrogant appearance at this time, pointing fingers at the master, he naturally couldn't help it.

Chapter 6687 –

Oops!

Seeing the flame tiger pounce, Yan Bingyu was shocked, there was no time to dodge at that time, as long as he used his strength to meet it.

In the next second, the two sides collided together and erupted with a roar, when Yan Bingyu only felt that a wave of overwhelming power came, and was directly shocked back more than ten meters away.

The Flame Tiger retreated a few meters and quickly stabilized itself.

“Roar!”

After stabilizing the figure, the Flame Tiger roared again, and its huge body approached Yan Bingyu step by step, and the strength of the eight products burst out, which made people palpitate.

Faced with this situation, Yan Bingyu suddenly panicked, and there was a cliff behind him, and there was no way back.

“Hey!”

Panicked, Yan Bingyu looked at Yue Feng and couldn't help but say, “Didn't you say that it listens to you, quickly tell it to stop.” Speaking of which, Yan Bing's heart was arrogant, and he would not let people help.

But at the moment, life and death are at stake, and there is no need to care so much.

But the tone is still arrogant and unquestionable.

Hehe...

Feeling the arrogance in Yan Bing's words, Yue Feng changed his sitting posture and said slowly: “You woman is really interesting, we have nothing to do with each other, why should I listen to you?”

Speaking, Yue Feng glanced at the Flame Tiger and continued to ridicule: “But you don't have to be afraid, in my experience, tigers generally like beautiful women, and they won't eat you, but you are so beautiful, it will definitely lick a few bites on your face.” Phew

!

Hearing this, Yan Bingyu panicked even more in his heart, subconsciously stretched out his hand to wipe his face, this flame tiger's tongue is full of barbs, licked, wouldn't it become ugly?

Thinking of this, Yan Bingyu felt a chill in his heart.

“Roar ..”

At this time, the Flame Tiger let out a roar, approaching closer and closer.

Seeing this situation, Yan Bingyu was completely panicked, and said to Yue Feng: “Hey, you can help quickly.” When she spoke, Yan Bingyu's legs were weak, and she could hardly stand steadily.

She saw that the Flame Tiger in front of her was getting closer and closer, and it was less than five meters away.

Yue Feng showed a smile: "If you want me to help, you can also, you lost the bet before, you always have to fulfill the bet, that good brother, I haven't heard it yet."

When

he said this, Yue Feng looked ridiculed.

"You..."

Hearing this, Yan Bingyu's delicate face instantly turned red, and he was ashamed and indignant.

This bastard is really shameless, and at this time he still wants to take advantage of me.

How could he say those three words to him?

Thinking about it, Yan Bingyu bit her lips tightly, and made up her mind in her heart to fight again with the Flame Tiger in front of her, but, feeling the terrifying power that permeated the Flame Tiger, Yan Bingyu's heart suddenly despaired...

"Oh..."

Seeing her hesitation, Yue Feng said with a smile: "Well, I can see that you are really a woman with a tough character, for your own dignity, you don't even care about your own face, it's a pity that you are so beautiful."

Speaking, Yue Feng slowly stood up from the stone and said with a relaxed face: "It's not early, I should also leave, I wish you good luck." When

the last word fell, Yue Feng was ready to go down the mountain.

"You... Don't you go! Seeing

this scene, Yan Bingyu was completely anxious, and quickly shouted: "My name is..."

Speaking, Yan Bingyu bit his lip tightly, almost bleeding, and said in a very light voice: "Good: Good brother. When he shouted these words, Yan Bingyu's face turned extremely red.

She didn't expect anything, and finally softened to this shameless person.

"Haha..."

Seeing that she finally shouted out, Yue Feng couldn't help but laugh and nodded approvingly: "Good sister, be good." Don't be afraid, with a good brother here, you will be fine. "

Phew!

Hearing this, Yan Bingyu's face turned even redder, and she was also embarrassed in her heart.

This inglorious bastard teases me, and I will definitely kill you if I have a chance.

Yue Feng accepted it when he saw it, and immediately used the beast language and said to the flame tiger: "Okay, this is my friend, don't hurt her, go back to the cave and rest."

Hearing this, the Flame Tiger shouted obediently, and then turned and left the top of the mountain.

Phew!

Watching the Flame Tiger leave, Yue Feng breathed a sigh of relief and smiled at Yan Bingyu: "Okay, it's okay good sister, I should also leave, we will have a period later." When

the words fell, Yue Feng put away the fire lingzhi, turned around and walked towards the bottom of the mountain.

At this moment, Yan Bingyu stared closely at Yue Feng's back, feeling extremely ashamed and indignant, tossing for so long tonight, Flame Lingzhi did not get his hand, and was teased by this shameless scum.

At this time, Yan Bingyu really wanted to catch up and kill Yue Feng and snatch the Flame Lingzhi, but just now he fought with the Flame Tiger, and his meridians were severely damaged, and he was now very weak. He could only watch Yue Feng leave.

At this moment, Yue Feng's side.

After successfully collecting the Fire Lingzhi, Yue Feng was in a very happy mood, humming a small song at this time, and rushed towards Qingyun City along the mountain road. With the Fire Lingzhi, you can refine the Fire Spirit Pill, and when the time comes, the power of the Red Lotus of Faye will be able to recover faster...

Ha ha...

It's just nice to think about it.

Well!

When he arrived at the bottom of the mountain, Yue Feng put away his smile and frowned secretly, he clearly sensed that there was a murderous aura hidden in the woods on both sides of the road in front of him.

It seems that there is an ambush.

Crash!

Just as Yue Feng was muttering in his heart, a group of people rushed out of the woods on both sides, dressed in uniform black clothes and holding long knives in their hands, rushing up to quickly surround Yue Feng.

Yes, it was the disciples of the Heavenly Dao who had been ambushed here long ago.

Faced with this situation, Yue Feng looked indifferent and looked around at the man in black in front of him: "Everyone, you have found the wrong person." Because the other party was dressed in black, Yue Feng had not recognized his identity yet.

Haha, look where you run this time.

At this moment, Shao Lingfeng hid in the woods, seeing Yue Feng appear, he was suddenly indescribably excited, he knew that Yue Feng's strength was not weak, so he endured not to appear.

Shao Lingfeng thought about it, first let these disciples consume Yue Feng's strength, and then suddenly attack at the critical moment.

"Yue Feng!"

At this moment, one of the disciples walked out and pointed at Yue Feng and shouted, "We will recognize you if you kill our Deer Altar Master and turn into ashes."

Saying that, this disciple shouted: "Brothers, kill him to avenge the Lord of the Deer Altar!" "Kill

!"

When the last word fell, dozens of disciples around shouted one after another, and the long knife slashed towards Yue Feng.

Sleeping, it turned out to be off the way of heaven.

Faced with this situation, Yue Feng immediately understood, and at that time he cast his figure, avoiding the long knife that was cut down, and shouted at the same time:

“Everyone, there is another hidden relationship between me and the Deer Altar Lord, don’t worry, I will personally explain to your ancient sect master at that time.”

“So, everyone don’t be impulsive and calm down.”

When he said this, Yue Feng looked sincere, and at this time, he didn’t know that these disciples in front of him had been brainwashed by Shao Lingfeng, and Shao Lingfeng was hiding in the woods not far away at this time.

“Don’t talk nonsense, suffer death.”

Yue Feng’s explanation, these disciples couldn’t listen to it at all, and they all drank at that time.

“You think we’ll believe your nonsense? Give us the altar lord to pay for your life.

“Get on together and kill him.”

All the disciples shouted, and the long knives slashed towards Yue Feng.

Alas!

Seeing that the explanation was useless, Yue Feng sighed, and did not say more at that time, and the explosive power and the disciples fought fiercely.

Bang bang...

In the blink of an eye, more than a dozen disciples were knocked to the ground by Yue Feng, and they lost their combat effectiveness one by one, and Yue Feng knew that these disciples did not know the truth, but they were just used, so they did not kill the killer.

It was precisely because of this that the remaining disciples rushed forward desperately, so that Yue Feng had no chance to break out of the siege.

Mader!

Faced with this situation, Yue Feng was very annoyed and helpless, his brain turned quickly, thinking of a way to get out.

“Go die! Yue Feng.

At this moment, there was a loud roar from the woods, and then a figure burst out like lightning, striking from the back and slapped towards Yue Feng.

It was Shao Lingfeng.

Seeing that Yue Feng was entangled by all the disciples, he naturally would not miss this great opportunity, and he really made a move.

Airplanes!

In the blink of an eye, Shao Lingfeng arrived behind Yue Feng, and all the power around his body burst out, causing the surrounding air to be really distorted, and the power was amazing.

—

“It’s You!”

At this moment, Yue Feng quickly looked back and saw that it was Shao Lingfeng, and he was immediately furious.

At the same time, Yue Feng also realized that the disciples who were ambushed here were all arranged by Shao Lingfeng, and they were obviously premeditated.

“Yue Feng!”

At this time, Shao Lingfeng’s face was full of excitement and pride, and he sneered: “I didn’t expect it, I told you, sooner or later, you will fall into my hands and die.” When

the last word fell, Shao Lingfeng’s power exploded, and a palm slapped Yue Feng’s back heart.

Rumble!

Shao Lingfeng was very fast, Yue Feng was surrounded by many disciples, he couldn’t dodge at all, he was directly hit in the back of the heart by this palm, he heard a dull sound, Yue Feng spewed out a mouthful of blood, and the whole person was directly shocked and flew out.

After flying tens of meters away, Yue Feng fell heavily to the ground, and when a sharp pain came, he almost fainted.

Mader!

At this moment, Yue Feng secretly cursed in his heart, fortunately, there is a Dharma Red Lotus Body, otherwise, the palm just now is afraid that it will really kill me.

At this time, Yue Feng only felt that the qi and blood in his body were surging, and the power of the Yuan God was suddenly disordered. Speaking of which, if Yue Feng was in his peak state, Shao Lingfeng would not be able to touch him at all, but he had not recovered his strength, and he was hit hard.

Hahaha....

The raid was successful, Shao Lingfeng was very excited, and immediately came over with a big laugh, looking at Yue Feng condescendingly: "Yue Feng, you killed the Lord of the Deer Altar, I didn't expect to be caught by us so soon, right?"

When

he spoke, Shao Lingfeng was very proud.

Ma De, who was humiliated by this Yue Feng in the mountain village before, can finally be ashamed of himself recently.

Call!

At this moment, Yue Feng endured the severe pain and exhaled: "Let me say it again, the death of the Lord of the Deer Altar has another hidden matter, he secretly colluded with the city lord and plotted to kill Xing Tiance, the commander of the forbidden army, and the crime should be killed." "

What? There is such a thing.

Hearing these words, the surrounding elite disciples were all stunned, they were not Lu Qingxuan's cronies, naturally they didn't know, and when they heard Yue Feng say it at this time, they were extremely shocked in their hearts.

At the same time, Shao Lingfeng also frowned secretly.

Lu Qingxuan colluded with the city lord? If that's the case, it's going to be difficult.

But soon, Shao Lingfeng had an idea in his heart, and sneered at Yue Feng: "Lu Qingxuan is dead, you don't have to argue, we will find out the truth."

With that, Shao Lingfeng drew his long sword and prepared to kill Yue Feng on the spot. However, it soon changed its attention. It was better to execute Yue Feng in front of Feixue, or let her know that Yue Feng killed the Deer Altar Master completely by himself.

Yes, that's it.

Making up his mind, Shao Lingfeng put away his long sword and smiled at Yue Feng: "It's really cheap to kill you now."

Saying that, Shao Lingfeng thought of something and came over to search for blood Lingzhi from Yue Feng.

Mader!

Seeing that the Fire Lingzhi was searched out, Yue Feng was furious.

I tossed most of the night, and it seems that it was in vain.

"Tsk!"

After getting the blood Lingzhi, Shao Lingfeng's eyes exuded a radiance, and he couldn't help but smile evilly: "I can't see it, you are quite capable, you can find the Flame Lingzhi, but you don't have this life to use." When

the last word fell, Shao Lingfeng waved his hand: "Bring him back to the altar, and then open the altar of incense, I will take his life in front of the spirit of the deer altar lord to comfort the deer altar lord's spirit in heaven."

"Yes, Senior Brother Shao!"

Hearing the order, several disciples answered, and then came over to tie Yue Feng Wuhua.

At this moment, Yue Feng was anxious, and fell on this Shao Lingfeng's hands, with unimaginable consequences, so he had to find a way to get out.

Ten minutes later.

Yue Feng was taken back to the Qingyun City Branch Altar and then tied to a tree in the courtyard. Shao Lingfeng ordered his disciples, set up a spiritual seat in the main hall, and placed sacrifices on the table.

After everything was prepared, Shao Lingfeng looked at Yue Feng with a smile: "Yue Feng, before killing you, I let you meet an old friend, so as not to say that I am not close to people, haha." Old

friends?

Hearing this, Yue Feng frowned secretly.

Shao Lingfeng was too lazy to talk nonsense, and said to the disciple next to him: "Go, bring the flying snow out." "

Flying Snow?

At this moment, Yue Feng's heart moved, and his mood became complicated.

How is she here too...

A disciple answered, and then quickly approached the back room and brought out the flying snow tied with five flowers, and saw that Feixue's face was full of shame and indignation at this time.

After being pointed out by Shao Lingfeng that day, Feixue quickly woke up, and wanted to get out at that time, who knew that Shao Lingfeng was very cunning and had been guarding outside the door, when the two sides fought, and finally Feixue was defeated and tied up again.

"Shao Lingfeng: You..."

As soon as she arrived in the courtyard, Feixue shouted at Shao Lingfeng: "You release me soon, otherwise, I will tell the sect master about the matter, you can't eat and go around..."

When she said this, Feixue couldn't hide the anger on her face.

Ha ha....

Hearing this, Shao Lingfeng couldn't help but laugh: "Feixue, I tie you up because I am afraid that you will disrupt my layout in Qingyun City, even if the sect master knows, he will not blame me."

Speaking, Shao Lingfeng turned his words: "Let's not mention this matter for the time being, I caught your friend, do you see who it is?" When the last word fell, Shao Lingfeng pointed to Yue Feng tied to the courtyard.

Feixue looked in the direction of his finger, and this time he suddenly trembled.

Yue Feng?

How is he?

At this time, Feixue clearly saw that Yue Feng was embarrassed, his face was pale, and he was tied to a tree.

A few seconds later, Feixue reacted and looked at Shao Lingfeng in a complicated way: "You're crazy, what are you doing to catch him?" Soon let him go. At this time, Feixue thought that Shao Lingfeng would retaliate because of the previous incident in the mountain village and had a grudge against Yue Feng.

Hehe!

Shao Lingfeng chuckled and said slowly: "Feixue, I know that you have a good impression of him, but I tell you that he was the one who killed the Lord of the Deer Altar."

"I didn't tell you before, because I was afraid that you would spoil my business, but now that people have caught it, it doesn't matter."

Speaking of this, Shao Lingfeng's eyes flashed with coldness, and he said word by word: "You are also a person who departed from the Heavenly Dao, he killed the deer altar master, now I want to sacrifice his life to the deer altar master's spirit in the sky, you also want to witness it." "

What? Yue Feng killed the Deer Altar Master?

Hearing these words, Feixue's body trembled, and she only felt that her brain was buzzing, Yue Feng killed the Deer Altar Master... This, how is this possible?

In shock, Feixue subconsciously looked at Yue Feng.

"Flying snow!"

Facing Feixue's gaze, Yue Feng took a deep breath and said slowly, "I did kill Lu Qingxuan, but this person assassinated Commander Xing first, and then killed me with poisonous wine, so I had to fight back." So

it is!

Hearing this, Feixue nodded slowly, and then looked at Shao Lingfeng: "Shao Lingfeng, you also heard it, don't you hurry up and release people?" Between Shao Lingfeng and Yue Feng, she instinctively believed in Yue Feng.

Because, this Shao Lingfeng's character is really bad.

Hehe....

Shao Lingfeng sat there, with a treacherous face: "Feixue, I see that you are really confused in your brain, do you believe his words?"

Speaking, Shao Lingfeng was too lazy to talk nonsense, and waved his hand: "Prepare for execution." "

Phew!

When the words fell, the disciple who was ready next to him pulled out his long knife and slowly walked to Yue Feng.

Seeing this situation, Feixue was anxious and angry, and couldn't help but drink coquettishly: "Shao Lingfeng, don't mess around, you abuse lynching like this, you have violated the door rules, stop quickly!" "Mad

!

Seeing that Feixue had been protecting Yue Feng, Shao Lingfeng's face turned gloomy, and his heart was angry, and he shouted: "Cut off his head." "You love Yue Feng so much, I want to destroy him.

"Yes, Senior Brother Shao!"

Hearing the order, the disciple quickly raised his long knife and slashed at Yue Feng's neck.

"Nope!"

Seeing this scene, Feixue's heart trembled, and she couldn't help but exclaim, and then closed her eyes and couldn't bear to look.

Nima!

Yue Feng also cursed secretly, anxious and desperate in his heart.

Don't... Are you really going to die here today?

Sou!

At this moment, a cold light shot out, hitting the long knife in the disciple's hand, and a vibration was heard, and the disciple's body trembled, and he was directly shocked back more than ten steps, and the long knife in his hand was also broken a few times.
