Chapter

6706 Later, Yan Bingyu thought of something, and his delicate face showed a bit of shame: "Master, it's all useless for me, if you can grab the Flame Lingzhi for you to take before, the power of your Mixed Yuan Fire Poison Palm can be increased a lot, then you can easily kill Gu Qianqiu just now..."

"It's all to blame me, disrupting your plan and dragging you back."

When he

said this, Yan Bingyu's mind appeared Yue Feng's appearance, and the indescribable shame in his heart was this hateful shameless scum, and before on Yunxi Mountain, if he hadn't snatched the Flame Lingzhi, Master's plan would not have been frustrated.

Thinking of the duel with Yue Feng just now and failing to kill him, Yan Bingyu was even more angry.

Hehe...

Seeing Yan Bingyu's face of self-blame, Xiao Ji looked indifferent, and persuaded with a slight smile at that time: "Okay, Master knows that you tried your best, so don't blame yourself."

When

he said this, Xiao Ji's eyes were full of pampering.

For so many years, if it weren't for the company of this apprentice, I really don't know how to spend it...

Call!

Hearing Master's comfort, Yan Bingyu did not relax in the slightest, but breathed a sigh of relief, and said a little paranoidly: "However, we originally planned to kill Gu Qianqiu tonight, but now because my plan failed..."

Hearing this, a confident smile appeared on Xiao Jian's face: "Silly apprentice, you may underestimate Master too much, although you didn't directly kill Gu Qianqiu just now.", However, he also hit my hybrid fire poison palm.

Speaking of this, Xiao Jian's eyes flashed with gloom, and he continued: "You have to know that Gu Qianqiu cultivated the 'Lingyun Technique', and this Lingyun Technique is the Ultimate Yin and Cold Technique. And my Mixed Yuan Fire Poison Palm happens to restrain each other with Ling Yunjiao. If Gu Qianqiu couldn't force the fire poison out, then he would definitely be burned to death by the fire poison.

“Even if he is forced out by fire poison, it will definitely consume a lot of strength, and it will be difficult to completely recover in a short time, as long as we come to the door to challenge again within three days, we will be able to kill him easily.”

When

the last word fell, Xiao Ji looked proud.

Xiao Ji swept the world decades ago, he had already come to the rivers and lakes, the city government was extremely deep, in fact, he came today, and he did not plan to kill Gu Qianqiu directly.

You know, Gu Qianqiu has been in charge of the Heavenly Dao for nearly twenty years, and in the hearts of the disciples below, he already has a very high prestige, if he directly kills him today, it is inevitable that he will not receive the siege of the disciples of the sub-altar, Xiao definitely wants the position of sect master, naturally he cannot cause public anger.

Therefore, Xiao Ji today is just to show an attitude: he has the jade sword of the previous masters in his hand, and his strength is only stronger than that of Gu Qianqiu.

First let the disciples of the altar have these two concepts in their hearts, and then start against Gu Qianqiu after three days, these disciples will not dare to act rashly.

Call!

At this moment, after hearing these words, Yan Bingyu suddenly felt less remorseful in his heart, and a smile appeared on his face, and he exclaimed: “Master, you are too powerful, I have not taken these situations into account.”

As he

spoke, Yan Bingyu’s delicate face was full of adoration.

Hehe...

Xiao Ji smiled, touched the top of her head fondly, and said slowly: “So you still have a lot to learn in the future, sometimes, to solve things, you don’t have to fight with the enemy to the death.” “

Hmm! Yan Bing nodded emphatically: “I know Master.”

Speaking, Yan Bingyu looked around: “Where are we going next?”

Xiao Ji thought for a while, and said lightly: “Find a place first, rest and recover your strength.” “Fighting with Gu Qianqiu just now, he seems to have the upper hand, but his strength has also consumed a lot.

After discussion, the master and apprentice prepared to leave the woods.

Buzz....

However, at this moment, there was a burst of breath vibration not far away, and then, several figures came quickly, led by an old woman, dressed in bright red clothes, with red flowers on her head.

It was the safflower mother-in-law.

And behind the red flower mother-in-law, there is also a petite and delicate figure, looking like a fifteen or sixteen little girl, dressed in a long green dress, indescribably youthful and beautiful, but the eyebrows give people a kind of fierceness and meanness.

The ultimate husband in Chinese chapter 6707

Chapter

6707 This little girl is called Ling Luo, and she is the youngest disciple of Mother-in-law Honghua.

And the others who followed around were the top killers hired by the red flower mother-in-law.

Two hours ago, Mother-in-law Honghua learned that Gu Qianqiu had come to Qingyun City, so she immediately gathered people to chase her.

Swish!

At this moment, the red flower mother-in-law and everyone came to Xiao Jie's master and apprentice, and immediately stopped.

In the next second, the red flower mother-in-law waved her hand, and several killers behind her immediately surrounded Xiao Ju and Yan Bingyu.

Faced with this situation, Xiao Ji frowned slightly, not panicking at all.

Swish!

Yan Bingyu's pretty face changed, slowly looked at the red flower mother-in-law, and said coldly: "Who are you?" What to stop us for?

When

he said these words, Yan Bing's tone was fierce, but his heart was inexplicably panicked.

At this time, Yan Bingyu clearly felt that the old woman in front of him was very strong, almost unfathomable.

Hehe!

The red flower mother-in-law chuckled, her face was full of cold arrogance, and did not respond.

Ling Luo behind him stepped forward and scolded Yan Bingyu: “My master is a famous red flower mother-in-law in the rivers and lakes, who are you two?” “

Because she is the youngest disciple, Lingluo is much favored, so she has developed an arrogant personality.

Red flower mother-in-law?

Hearing this, Xiao Ji and Yan Bingyu looked at each other, and they both frowned secretly.

When did such a character appear on the rivers and lakes?

Their master and apprentice have always lived in seclusion in the deep mountains before, rarely walking around the rivers and lakes, but now the first thing they do when they go down the mountain is to come to Qingyun City to find Gu Qianqiu. I almost didn't interact with people in the rivers and lakes, so naturally I didn't know the red flower mother-in-law.

Call!

At this time, Yan Bingyu muttered in his heart, so he chuckled at Ling Luo, and said angrily: “Who are we?” What do you care about?

When

speaking, Yan Bingyu was very unhappy in her heart, this little girl, not a big person, spoke so impulsively.

“Bold! Feeling

Yan Bingyu's contempt, Ling Luo suddenly became angry, and was about to rush forward to do it when she screamed. However, he was stopped by the red flower mother-in-law.

“Lingluo, retreat first! The red flower mother-in-law said lightly.

Ling Luo hurriedly stopped, but did not forget to glare at Yan Bingyu fiercely. Although she is arrogant and arrogant, she is most afraid in her heart, and the one she is most in awe is the red flower mother-in-law.

“Don't panic!

At this time, the red flower mother-in-law slowly took two steps forward, looked Xiao Jie up and down, and said lightly: "We have no grievances, my wife will not treat you well." The

tone was indifferent, but it revealed a powerful aura.

Call!

Feeling the strong breath of the red flower mother-in-law, Xiao never dared to underestimate the enemy, and sighed lightly at that time, "Then why stop us?" "

Huh...

The red flower mother-in-law smiled and said word by word: "Just now I listened to your conversation, mentioned Gu Qianqiu, who is far from the Heavenly Dao, my wife wanted to ask, what is the relationship between you and Gu Qianqiu?" When

the last word fell, the red flower mother-in-law stared at Xiao Je, her eyes unable to hide the fierceness.

The death of her beloved disciple almost changed the temperament of the red flower mother-in-law, and in her heart, as long as anyone related to Gu Qianqiu would not have a good end.

Well?

Seeing the red flower mother-in-law ask this, Xiao Ji was stunned, and then said lightly: "What do we have to do with Gu Qianqiu, there is no reason to tell you, right?" When he spoke, Xiao Ji was already a little impatient.

He urgently needed to find a place to recuperate, and he was suddenly stopped by someone, and his psychology was naturally very unhappy.

"You won't say.."

At this moment, the red flower mother-in-law's eyes became cold: "Could it be that you are also a person who is away from the Heavenly Dao?" When

the words fell, Ling Luo next to him couldn't help but speak: "Don't be ignorant, my master asks you anything, you will answer anything, why so much nonsense?"

Ling Luo spoke out again, and Granny Honghua did not stop it, because she was also a little impatient at this time.

Call!

Seeing this situation, Yan Bingyu frowned, and immediately responded coldly: "My master is the sect master of the Heavenly Dao, you better be polite, otherwise you will bear the consequences." In

her heart, it was only a matter of time before Xiao Ji killed Gu Qianqiu and regained the position of sect master.

What? Leaving the Heavenly Dao Sect Master?

At this moment, Granny Honghua and Ling Luo looked at each other, and they were both stunned.

The ultimate husband in Chinese chapter 6708

Chapter 6708

This old man on the other side is the sect master of the Heavenly Dao?

It's really interesting, the sect master of the Heavenly Dao is obviously Gu Qianqiu, when did he become an old man.

Hehe!

Thinking about it, Ling Luo couldn't help but chuckle, and opened his mouth to mock: "Is it really nonsense, thinking that we don't know Gu Qianqiu?" If this old man leaves the Heavenly Dao Sect Master, I will be the ancestor master. "

Oh!

When the words fell, Xiao Ji's face changed, glared at Ling Luo, and said coldly: "The girl is looking for death, I don't know that the sky is high and the earth is thick, your master has not taught you, is it easy to die if you are rude?"

Then, Xiao was too lazy to talk nonsense, and said coldly: "Get out of the way." When

the words fell, Xiao Ji pulled Yan Bingyu and was about to walk out of the encirclement. He knew that the strangely dressed old woman in front of him was strong and a person who was not easy to mess with, but he didn't panic at all.

According to Xiao Jian's personality, Ling Luo has always been outrageous, and has long wanted to kill him, but DNA is only in a hurry to recover his strength now, and he is too lazy to calculate.

However, several killers blocked the way of Xiao Ji and the two, and they had no intention of letting them go.

“I don’t know how to lift!

At this moment, the red flower mother-in-law also completely lost her patience, and ordered several killers: “Take these two, my wife and son will interrogate and interrogate well.” “

Mother-in-law Honghua also knows that the strength of this old man in front of her is not weak, but the number of people on her side is superior, so she is naturally not afraid.

Buzz....

When the words fell, several killers burst out in strength, and rushed towards Xiao Je in unison.

Seeing this scene, Yan Bingyu was furious, she never thought that the other party would be so unreasonable and even said to do it. Moreover, these people are not weak.

At this time, Yan Bingyu didn’t know that these people around Mother-in-law Honghua were all famous killers in the rivers and lakes, and they were all strong, and they broke out together at this time, and the surrounding night sky was distorted.

“Don’t panic!

Feeling Yan Bingyu’s panic, Xiao said lightly, and then pulled her behind him.

Immediately, Xiao Ji looked at the several killers rushing in front of him, his face showed a bit of disdain, pulled out the long sword on his body, burst out a sword light, and swept towards several killers.

The sharp sword light was like a bolt of lightning cutting through the night sky.

Such a strong sword....

Seeing the sword burst out, several killers’ faces changed, realizing that they had provoked a strong enemy, and there was no time to dodge at that time, so they had to quickly deploy a protective film in front of them.

Bang bang...

In the next second, the sword slammed into the protective film in front of several killers, and several vibrations were heard, and then, without exception, several killers were all shocked and flew out.

They flew more than ten meters away before they fell to the ground, their faces pale one by one.

What the?

Seeing this scene, both Mother-in-law Honghua and Lingluo were taken aback.

This person's strength is so strong?

Yan Bingyu cheered, clapping his hands and praising Xiao Ji, "Master is so powerful.

After

speaking, Yan Bingyu glanced at the killers coldly: "Dare to do something with my master, I really don't know whether to live or die." Several

killers, all ashamed, bowed their heads and did not respond.

Call!

At this moment, the red flower mother-in-law breathed a sigh of relief and looked at Xiao Je with a solemn expression: "It seems that my wife and son just looked away, who is Your Excellency?"

Xiao Ji was too lazy to pay attention, pulled Yan Bingyu and turned around and left.

Xiao Jian's attitude completely angered Mother-in-law Honghua.

"Can you go?"

At this moment, the red flower mother-in-law shouted angrily, her figure flashed, and she raised her hand and hit Xiao Ji's back with a palm.

Speaking of which, the red flower mother-in-law didn't want to make a move, she is also a figure with a head and a face in the rivers and lakes, no matter who sees it, she has to be polite three parts, but at this time, she was completely ignored by Xiao Jian, how could she bear it?

It's really annoying.

Feeling the red flower mother-in-law behind him, Xiao Ji locked his brows, and his anger was also aroused at this time.

Airplanes!

In the next second, Xiao Je suddenly stopped, looked back at the red flower mother-in-law, slowly raised his right hand, and saw a green flame, wrapping his palm, and in an instant, the air around him also became distorted.

What the? Green flame?

Seeing this situation, whether it was Granny Honghua or Lingluo, they were all shocked.

The ultimate husband in Chinese chapter 6709

Chapter

6709 In this world, there is actually a green flame....

Call!

Just when Mother-in-law Honghua and Ling Luo were surprised, Xiao Ji raised his hand and waved, and a green fire floated towards Mother-in-law Honghua.

This flame seemed to be slow, but the red flower mother-in-law trembled in her heart, and there was no time to think about it at that time, so she immediately urged the figure to retreat, and at the same time said to Ling Luo: "Ling Luo, flash away!"

Ling Luo replied and quickly dodged to the side.

Rumble!

At this time, the green flame hit a large tree, and a roar was heard, and the entire tree was enveloped in green flames, and almost in the blink of an eye, it was burned clean, leaving no ashes.

Strong... So strong!

Seeing this scene, whether it was Mother-in-law Honghua and Ling Luo, or several killers who were severely injured, they couldn't help but gasp and couldn't say a word.

However, the red flower mother-in-law was not an ordinary person after all, and quickly reacted, staring at Xiao Je and said, "Green flame, can it be ... This is the long-lost mixed yuan fire poisonous palm in the rivers and lakes? "

Mother-in-law of the red flower has walked the rivers and lakes for decades, and has seen a well-informed book, many years ago, she read an ancient book, which mentioned many lost peerless exercises, including the mixed yuan fire poison palm.

According to rumors, this hybrid fire poison palm is very domineering, as long as it is hit by that green flame, the fire poison will spread throughout the body, and if it is not dispelled in time, it will be burned alive.

At that time, when the red flower mother-in-law saw this, she thought it was exaggeration, but she did not expect that one day she would see it with her own eyes.

Call....

Hearing Mother-in-law Honghua's words, Xiao Ji's eyes flashed with surprise, and then said: "I can't see it, you know a lot, not bad, this is the Mixed Yuan Fire Poison Palm." While speaking, Xiao Ji's face was cold and arrogant, but his heart was also a little nervous.

Fighting with Gu Qianqiu before, he has already consumed a lot of strength, and just now he used the Mixed Yuan Fire Poison Palm again, which has reached the limit, if the red flower mother-in-law rushes up again, I am afraid that she will not be able to stop it.

Really....

At this moment, when the red flower mother-in-law heard the answer, she couldn't help but nodded, and then said, "You just said that you are the sect master of the Heavenly Dao?" But as far as my wife knows, the current sect master of the Heavenly Dao is Gu Qianqiu..."

When

she said this, the red flower mother-in-law also lost the arrogance just now, after all, this mixed yuan fire poison palm is really terrible.

However, at this time, the red flower mother-in-law did not know that the fierce battles in front of Xiao were already the end of the strong crossbow at this time.

Feeling the change in the attitude of the red flower mother-in-law, Xiao Ji said lightly: "I am the deputy sect master who left the Heavenly Dao twenty years ago, and Gu Qianqiu has occupied the position of the sect master for many years, and I will definitely take it back." When

the words fell, Yan Bingyu next to him couldn't help but say: "That Gu Qianqiu has already hit my master's mixed yuan fire poison palm, and he won't live for a few days, so the position of sect master will be my master's sooner or later." The

last word fell, and Yan Bingyu and Xiao Ji turned to leave.

What the?

Gu Qianqiu hit the mixed yuan fire poison palm?

Knowing this situation, whether it was Mother-in-law Honghua or Ling Luo, they were stunned and shocked.

After a few seconds, Ling Luo slowed down and couldn't help but say with joy in her heart: "Master, it seems that God has eyes, and before your old man personally makes a move, someone will deal with Gu Qianqiu." "

Gu Qianqiu has been hit by the Mixed Yuan Fire Poison Palm, and he will definitely live soon.

At this moment, the red flower mother-in-law was also full of smiles, looking at the direction in which Xiao Jie's master and apprentice left, and said slowly: "I thought it was Gu Qianqiu's person, but I didn't expect that he was also looking for trouble."

Speaking, the red flower mother-in-law thought about it, felt a jade bottle from her body, threw it to several killers behind her, and ordered: "You guys quickly take these healing medicines, and then let me probe the branch altar of the Heavenly Dao in Qingyun City, inquire about the situation of Gu Qianqiu, remember, you only need to inquire about the situation, and you can't act rashly." "

Although Gu Qianqiu hit the Mixed Yuan Fire Poison Palm, it is a great thing.

But Mother-in-law Honghua also knew that Gu Qianqiu was strong, and although this mixed yuan fire poisonous palm was very domineering, it might not be able to kill him. Therefore, what we need to do now is to find out the situation of Gu Qianqiu and make plans in advance.

"Understood! Hearing

the order, several killers nodded almost at the same time.

The ultimate husband in Chinese chapter 6710

Chapter

6710 At this moment, Qingyun City is here.

Away from the Heavenly Dao Branch Altar, in the backyard room.

Gu Qianqiu sat cross-kneeled, his eyes closed, and he was working his internal force, trying to force out the fire poison in his body.

Yue Feng stood aside and guarded quietly.

Hooohoo....

I saw that with Gu Qianqiu's continuous urging of strength, the surrounding body was gradually shrouded in a white fog, and his face was blue and red, which looked very scary.

Obviously, at this time, the removal of fire poison has reached the final critical moment.

"Poof..."

At this moment, Gu Qianqiu's body suddenly trembled, and a mouthful of blood spurted out of his mouth, and his whole person was also extremely depressed.

Seeing this, Yue Feng was startled, and quickly grabbed him: "Big brother, you... How are you? At this time, Yue Feng clearly felt that Gu Qianqiu's body was like a furnace, and it was too hot.

Call!

Gu Qianqiu exhaled deeply and said weakly: "This fire poison is really domineering, I exerted all my strength, but I couldn't force it out, but instead gave the fire poison the opportunity to penetrate into the meridians."

When

he said this, Gu Qianqiu's expression was indifferent, but his heart could not be calm for a long time.

I have been crisscrossing rivers and lakes for twenty years, I have seen a lot of winds and waves, and I have experienced countless life and death situations, but I have never encountered such a situation.....

Could it be that this is fate, and he is doomed to die at the hands of Xiao Jian?

What the?

Hearing this, Yue Feng was taken aback and quickly pulled his wrist to take the pulse.

A few seconds later, Yue Feng's expression also became solemn, because Gu Qianqiu was right, the fire poison in his body really began to penetrate into the meridians of his body.

Once these fire poisons all penetrate into the meridians, it will be difficult to drive them out, and at that time, Gu Qianqiu's end will be death....

Thinking of this, Yue Feng took a deep breath and was very annoyed.

Ma De, no wonder that Xiao Ji walked so simply just now, because he knew that Gu Qianqiu was poisoned by fire and it was difficult to drive it away....

"Righteous brother..."

At this time, Gu Qianqiu noticed Yue Feng's depression, smiled slightly, and comforted: "Maybe this is my destiny, I have been crisscrossing rivers and lakes for twenty years, and I have lived wonderfully in this life, and it is worth dying." "

Big brother, don't say that..." Yue Feng quickly persuaded.

Squeak!

Just as he was saying, Feixue pushed the door and walked in, her delicate face full of apprehension: "I can't help it outside, I want to come in to see the master's situation."

Saying that, Feixue couldn't wait to ask Gu Qianqiu, "Master, how is it?" "

Phew!

Gu Qianqiu smiled bitterly and told his own situation.

"How so? Knowing the situation, Feixue's body trembled, and she almost fell to the ground, and she was so anxious that she was about to cry: "Master, you will be fine, you will definitely be fine." In

Feixue's heart, in addition to being a master, Gu Qianqiu is also an existence like a father and brother, so she can't bear to see him have an accident.

Hearing Feixue's words, Gu Qianqiu did not respond, but just sighed.

Yue Feng frowned and thought.

For a time, the room was silent, and a needle could be heard clearly.

"There it is!

A few minutes later, Yue Feng's eyes lit up, and he had an idea in his heart, and smiled at Gu Qianqiu: "Big brother, you can't die, haha, I have thought of a way." "

Oh!

Hearing this, Gu Qianqiu and Feixue were both in high spirits, staring at Yue Feng in unison, and almost at the same time: "What way?"

Yue Feng took a deep breath and said with a smile: "I will drive out the fire poison for the eldest brother, but the process of expelling it is very dangerous, and the eldest brother is practicing the Yin and Cold exercises, so we need to be in an extremely cold place."

When

he said this, Yue Feng looked confident.

Yes, Yue Feng's method is very simple, use his own red lotus karmic fire to swallow and fuse the fire poison in Gu Qianqiu's body, although this fire poison is very peculiar, but in the face of the red lotus karmic fire, it is a small witch.

However, the Red Lotus Industry Fire is more domineering, and when the time comes, Gu Qianqiu will be burned to death, so it must be done in a specific environment.

Just now, Yue Feng thought that when he went to Yunxi Mountain before, he had seen a cold pool halfway up the mountain, and the water was cold and piercing, which was suitable for people like Gu Qianqiu who had practiced the Yin Cold Exercise.
