Chapter 6711

At this moment, hearing Yue Feng's words, whether it was Gu Qianqiu or Feixue, they were all amazed and looked at Yue Feng closely.

Does he have a way?

Finally, Feixue was the first to react and looked at Yue Feng in surprise: "You... Can you help Master drive out fire poison?"

As soon as the

words fell, Gu Qianqiu also became interested, and couldn't help but say: "What can the righteous brother do?" "

Huh....

Seeing their impatient looks, Yue Feng smiled slightly: "Let me sell it first, wait for the eldest brother to know, it is not difficult to drive away the fire poison, but for the sake of the safety of the eldest brother, we also need to find a safe place." "

On Yunxi Mountain, there is a cold pool, which is of great benefit to the eldest brother's healing, without further ado, let's hurry up."

At this time, Yue Feng looked serious.

Well!

Hearing this, Gu Qianqiu nodded without thinking: "Okay, then my life will be handed over to the righteous brother." "At the beginning, in the woods on the north bank of the river, Yue Feng trapped the red flower mother-in-law and others with some stones, which shocked Gu Qianqiu at that time.

In his heart, the righteous brother in front of him is almost omnipotent.

At this time, Feixue was also indescribably excited, and hurriedly said: "I'll go and gather people." "

Like Gu Qianqiu, Feixue also has unconditional trust in Yue Feng, as long as he says that there is a way, there must be a way. However, Yunxi Mountain was too big and the terrain was complicated, so for the safety of Master, Feixue decided to gather some elite disciples.

However, before Feixue went out, Gu Qianqiu waved his hand and stopped: "No need, the current situation is special, so don't work to move the people." Just the three of us.
Gu

Qianqiu acted cautiously, he knew Xiao Je's personality too well, he felt that he would not give up, and sooner or later he would return, so he decided to leave his disciples on guard.

More importantly, he and Yue Feng went to Yunxi Mountain, and the more people they were, the easier it was to expose their whereabouts.

"All right! Hearing Gu Qianqiu's words, Feixue nodded, and a few minutes later, Yue Feng, Gu Qianqiu, and Feixue took advantage of the night to leave the altar and quickly rushed towards Yunxi Mountain.

Call!

When he arrived at the cold pool, Yue Feng looked around and made sure that no one was there, so he secretly breathed a sigh of relief.

You know, Yue Feng's strength has not completely recovered at this time, and under such a premise, it is very dangerous to help Gu Qianqiu drive away fire poison. Nature cannot be disturbed.

"Righteous brother!

At this time, Gu Qianqiu looked at the environment of the cold pool, and was also very satisfied, and said, "What to do next?" He couldn't drive away the fire poison with his own ability, so he could only pin all his hopes on Yue Feng.

Yue Feng smiled slightly: "It's very simple, you can just jump in directly, this cold pool is cold and piercing, and you practice the Yin Cold Technique, jumping in is only good for you, there is no harm." "

Hmm!

At this moment, Gu Qianqiu did not hesitate at all, and jumped directly into the cold pool for life.

Whoops....

The moment he just jumped into the cold pool, he saw that this cold pool was originally crystal clear, but under the stimulation of the fire poison in Gu Qianqiu's body, it made a boiling sound, and then the entire pool water turned turquoise.

Crouch

Seeing this scene, Yue Feng was still taken aback despite his psychological preparation.

This fire poison is really domineering, a good pool of water, in the blink of an eye, it was infected and became poisonous water....

Feixue was also secretly shocked to watch, and it took a few seconds before he slowed down and said, "I'll go and guard the surroundings." With that, Feixue walked to the side to be on guard.

While guarding the surroundings, Feixue's attention also looked at Yue Feng's side from time to time.

She was curious about what method Yue Feng would use to help Gu Qianqiu drive away the fire poison in the future.

At this time, Yue Feng saw that Gu Qianqiu was ready, and immediately smiled: "Big brother, I'm going to start."

"Good!

Gu Qianqiu nodded and immersed his entire body in the water, revealing only one head.

At this moment, Yue Feng stopped talking nonsense, raised his hand, and a purple-red flame jumped out, churning up and down in the palm of his hand.

Call....

The moment the flames jumped out, the air around the entire cold pool became extremely hot.

Fuchsia flame?

Seeing this scene, Feixue's body trembled, and her heart was shocked.

The ultimate husband in Chinese chapter 6712

Chapter 6712 At the

same time, Gu Qianqiu was also secretly shocked, looking at Yue Feng in surprise, secretly realizing that this righteous brother in front of him was far more unfathomable than he imagined.

Although both of them were curious, it was a critical moment, so neither of them opened their mouths to ask.

Yes, this purple-red flame is the red lotus karmic fire in Yue Feng's body.

Airplanes....

At this moment, Yue Feng raised his hand and waved, and the Red Lotus Industry Fire floated towards Gu Qianqiu.

Soon, the Red Lotus Industry Fire stopped above Gu Qianqiu's head.

Gu Qianqiu was originally very panicked in his heart, but he quickly calmed down, and he clearly felt that the purple-red flame above his head seemed terrifying, but above his head, there was no temperature at all.

"Big brother!

Just as Gu Qianqiu was secretly muttering in his heart, Yue Feng spoke: "Don't be nervous, try to relax, and I'll do the rest." "

Hmm!

Gu Qianqiu nodded.

Yue Feng stopped talking nonsense, silently urged the Red Lotus Karmic Fire, and burst out the power in it, and then, an amazing scene happened.

I saw that under the suppression of the red lotus industry fire, a green flame rose above Gu Qianqiu's head, and it was the fire poison that penetrated into his body.

Hooohoo...

In the next second, the green flame quickly rose and merged into the red lotus fire. Not only that, even the fire poison that was previously infected in the pool water was also swallowed by the red lotus industry fire...

This...

Seeing this scene, Feixue was shocked again, and her eyes looked at Yue Feng tightly, full of incredulity.

This purple-red flame can actually devour fire poison...

It's incredible.

At the same time, Gu Qianqiu was also indescribably amazed, it was really unexpected that his righteous brother still had this kind of ability.

Just when the two were surprised, the fire poison in Gu Qianqiu's body had been swallowed by the Red Lotus Industry Fire.

Call!

At this moment, Yue Feng raised his hand and waved, summoning the Red Lotus Karmic Fire, and at the same time, the whole person was extremely tired, and sat directly on the ground to rest.

Speaking of which, Yue Feng's strength has not been completely restored, and using the Red Lotus Karmic Fire just now to help Gu Qianqiu drive away the fire poison is not only troublesome, but also very draining of strength.

"Yue Feng! Seeing

Yue Feng's tired face, Feixue hurriedly walked over, and the concern that could not be concealed on her delicate face could not be concealed: "How are you?"

"Nothing!

Yue Feng waved his hand and said with a smile: "It's just a little tired, it's okay to take a break."

Speaking, Yue Feng tilted his head to look at Gu Qianqiu in the water: "Big brother, how are you now?" "

The righteous brother is really powerful!

Gu Qianqiu was very excited, and responded with a smile: "The fire poison in my body has been completely expelled, righteous brother, what kind of flame did you condense just now?" It turned out to be purple-red, so peculiar. Gu

Qianqiu was very curious at this time.

Speaking of which, Gu Qianqiu has been crisscrossing rivers and lakes for twenty years, and he can be regarded as well-informed, but the purple-red flame that Yue Feng cast just now is the first time he has seen it.

Swish!

When the words fell, Feixue also looked at Yue Feng tightly, unable to hide her urgency.

Like Gu Qianqiu, Feixue was also very curious in her heart.

Hehe....

Facing the curious eyes of the two, Yue Feng smiled slightly: "That is the Red Lotus Industry Fire, which I got by accident a few years ago, and the process at that time was not clear for a while.

As he said this, Yue Feng's face flashed with complexity. I also recalled in my mind that I was in the Divine Domain at that time....

Red Lotus Industry Fire?

Hearing this, Gu Qianqiu and Feixue were both stunned.

What a strange name.

However, the current situation is special, and Gu Qianqiu and Feixue did not ask.

At this time, Yue Feng said to Gu Qianqiu: "Big brother, this cold pool is good for you to heal, let's stay a little longer, and then go back before dawn."

At this time, Gu Qianqiu, after seeing Yue Feng's strength, admired him very much, and immediately nodded: "Good!"

Yue Feng didn't say more, sat cross-kneeled on the ground, and silently resumed his cultivation.

Flying snow continued to guard the sidelines, guarding the surroundings.

.....

On the other side, Qingyun City.

A hundred meters northwest of the Tiandao Branch Altar, there is a bamboo forest.

At this time, in the bamboo forest, the red flower mother-in-law and Lingluo sat on a stone, looking anxious.

Chapter

Soon, several figures quickly arrived, and it was the killers sent to investigate the situation before.

Seeing them return, Mother-in-law Honghua immediately stood up and couldn't wait to ask: "How is the situation?" Is Gu Qianqiu in the altar? The tone was calm, but his eyes were eager.

Call!

Several killers secretly exhaled, and then one of them responded: "Mother-in-law, we just inquired, that Gu Qianqiu is not in the altar." "

We caught a disciple and asked, saying that it was Gu Qianqiu and a man named Yue Feng who went to Yunxi Mountain together, supposedly to drive away the fire poison in the body. "

Great!

Hearing this news, the red flower mother-in-law was very excited, and said with a smile: "It seems that the old man I met before didn't lie to me, Gu Qianqiu was really injured."

Speaking, the red flower mother-in-law couldn't wait to say: "Go, go to Yunxi Mountain." The

last word fell, and the red flower mother-in-law took Lingluo, and when she walked out of the bamboo forest first, she quickly rushed towards Yunxi Mountain, and in the dark night, a pair of eyes flashed with gloom.

Gu Qianqiu, you can't escape death tonight.

Several killers did not slack off and hurried to follow.

.....

On the other side, on Yunxi Mountain.

At this time, it was late at night, and on the platform where the fire lingzhi was growing, there was silence. In the cave next to it, the flaming tiger lay in it, resting quietly.

Sou!

At this moment, a figure flew from the distant sky and quietly landed on the platform.

The person who came was burly, dressed in a black robe, and there was a strong aura around him, if Yue Feng saw it, he would definitely be surprised, it was Zhan Wuji who had fought once in the Sunflower Secret Realm of the Bright Moon Gate before.

Zhan Wuji, the right-hand man of the Haotian God King, was in the Sunflower Secret Realm, and after being injured by Yue Feng, he quickly escaped from the sphere of influence of the Bright Moon Gate.

After that, Zhan Wuji traveled around, came to the vicinity of Yunxi Mountain a day ago, learned that there was Fire Lingzhi on the mountain, and came to check it out.

Taken away?

At this moment, seeing that the fire lingzhi on the cliff was no longer there, Zhan Wuji frowned, and his mood instantly became bad.

It turned out to be a step late.....

“Roar! At

this moment, the Flame Tiger in the cave next to him was awakened, and suddenly let out a roar and rushed out directly. After rushing out, a pair of eyes directly locked on Zhan Wuji.

Well?

Zhan Wuji was taken aback, but quickly calmed down and looked at the Flame Tiger and said, “Interesting, there is a fierce tiger next to him?” I didn’t find the fire lingzhi, but it is not bad to get a spirit beast inner pill.

Speaking, Zhan Wuji’s eyes became cold: “If you touch me, count you unlucky.” “

Whoosh!

When the words fell, Zhan Wuji burst out and went straight to the Flame Tiger.

Seeing Zhan Wuji rushing towards him, the Flame Tiger let out a wild roar, and its huge body rushed forward to meet Zhan Wuji, and fought fiercely with Zhan Wuji.

Speaking of which, this Flame Tiger has been cultivating for hundreds of years, its strength is not weak, and it also has spiritual wisdom, it clearly feels that the strength of Zhan Wuji in front of it is terrifying, it originally planned to retreat, but it felt that Zhan Wuji had a killing intention on itself, so it had to fight hard.

Bang bang!

For a time, the figures of the two sides continued to fight fiercely on the platform, and a roar broke out.

At this moment, in the cold pool a few hundred meters away from the platform.

Hearing the movement, Gu Qianqiu opened his eyes, his expression became solemn, and at the same time, Feixue was also full of vigilance, and couldn’t help but say: “The platform above seems to be a fight.” “

Phew!

Yue Feng took a deep breath, and also frowned secretly, strange, who will fight here in the middle of the night?

Muttering in his heart, Yue Feng stood up and said to Feixue, "You take care of your master, I'll take a look."

"Good! Feixue nodded.

Speaking of which, she really wanted to go with Yue Feng, but now Gu Qianqiu has not completely recovered, and she needs someone to protect the Dharma around her.

Yue Feng didn't say much more, and set off to quickly rush towards the platform.

Call!

Soon arrived near the platform, seeing the scene in front of him, Yue Feng couldn't help but take a deep breath and froze where he was.

I went, it turned out to be him?

I saw that the battle between Zhan Wuji and the Flame Tiger was fierce at this time, but in the end, Zhan Wuji was a fierce general under Haotian, and the Flame Tiger had been suppressed at this time.

The ultimate husband in Chinese chapter 6714

Chapter 6714 Boom!

Then a dull sound was heard, and the Flame Tiger was slapped, and the huge body retreated one after another, breaking a large tree before stopping.

I saw that the Flame Tiger at this time was full of injuries, completely lacking its former mighty and domineering.

"Haha!

At this time, Zhan Wuji had the upper hand, and his mood was very happy, and he laughed at the Flame Tiger: "A little evil beast, dare to do something with me?" I'm afraid you don't know my means. The

tone was proud and arrogant.

"Roar..." In

the face of Zhan Wuji's strength, the Flame Tiger did not hesitate at all, and let out a roar.

It knows that the other party wants to, but in order to survive, it must resist desperately.

Call!

Seeing this scene, Yue Feng secretly exhaled, and his mood was also a little complicated.

Although this Flame Tiger is a spirit beast, it helped me scare away that Yan Bingyu before, and it can be regarded as a fate, but now it is in difficulty, if you don't help, you can't help it.

"Hehe..."

Just as Yue Feng was thinking about this, Zhan Wuji sneered, pulled out his long sword and said to the Flame Tiger, "Don't do the battle of trapped beasts anymore, honestly dedicate your inner guts." When

the last word fell, the power of the Zhan Wuji Yuan God broke out, and the long sword was instantly enveloped by a golden light, and then it was about to stab towards the Flame Tiger.

"Roar! Feeling

the power of this sword, the Flame Tiger was a little desperate, but he still roared unwillingly. The huge body arched violently, ready to burst out the final blow before death.

"Tsk.....,"

At this moment, Yue Feng couldn't help but sneer and opened his mouth to mock: "A generation of god generals of the Great God Domain actually bullied a spirit beast in the human world, if this matter is spread out, won't it be laughed out of its big teeth?"

"Zhan Wuji, are you left with this little skill now, can you only bully small animals?" "

Oh!

At this time, Zhan Wuji was proud, Leng Buding heard someone speak, and suddenly the whole person was shocked, and his eyes quickly looked towards Yue Feng.

"It's you? In the next second, seeing that it was Yue Feng, Zhan Wuji was even more shocked.

He suffered losses in front of Yue Feng several times, and when he suddenly saw it at this time, he was naturally a little flustered.

“How?”

At this moment, Yue Feng looked at Zhan Wuji with a smile: “Isn’t it unexpected to see me?” When he said this, Yue Feng also muttered secretly in his heart.

His strength has not recovered, he really wants to fight, I am afraid that he is not an opponent, he must think of a way to scare Zhan Wuji away.

Call!

Zhan Wuji took a deep breath and looked at Yue Feng coldly: “I’m looking for you, and you will send it to the door.”

Yue Feng smiled slightly: “Is it?” What are you looking for me to do if one of your subordinates is defeated?

Speaking, Yue Feng glanced at the Flame Tiger and comforted in beast language: “Don’t panic, with me here, he can’t kill you.” “

Roar! Hearing

Yue Feng’s words, the Flame Tiger was very moved, and let out a low roar in response.

What the?

Zhan Wuji was taken aback when he saw that Yue Feng was able to communicate with the Flame Tiger, he knew that Yue Feng had a lot of skills, but he did not expect that he could communicate with spirit beasts.

In the next second, Zhan Wuji slowed down and stared at Yue Feng, unable to hide his astonishment: “Can you talk to him?” “

Nonsense!

Yue Feng chuckled: “This is the Flame Tiger I raised, naturally I can communicate.” He could see that Zhan Wuji was also a little panicked in his heart, so he pretended to scare and scare him.

You raised?

Hearing this, Zhan Wuji’s eyes flickered, and his mood became a little apprehensive.

Now it’s trouble.

This fierce tiger is easy to deal with, but if you add Yue Feng, you won't be sure at all.

Seeing his face change, Yue Feng knew that it was time, so he was too lazy to talk nonsense at that time, and shouted: "Zhan Wuji, you can't run today." "

Whoosh!

When the words fell, Yue Feng's right hand was raised, and the Red Lotus Karmic Fire instantly jumped out. Gestures are hands-on.

At the same time, the Flame Tiger also roared wildly and pounced directly towards Zhan Wuji.

Mader!

Faced with this situation, Zhan Wuji cursed secretly, and without half a hesitation at that time, the figure burst out and quickly flew towards the distant sky.

"Yue Feng!

When

he rushed into the air, Zhan Wuji did not forget to put down his cruel words: "The next time I see you, I will take your life." "

The ultimate husband in Chinese chapter 6715

Chapter

6715 Speaking of which, Zhan Wuji was very conceited, and originally didn't want to be so instigated.

But in the Sunflower Secret Realm before, he was seriously injured by Yue Feng, and he already had a shadow in his heart, and at this time, seeing Yue Feng and the help of the Flame Tiger, he didn't dare to stay for a long time.

Ha ha...

Seeing Zhan Wuji fleeing, Yue Feng couldn't help but laugh, and he was secretly relieved in his heart.

Fortunately, he was scared away, otherwise it would be troublesome if he really fought.

"Roar!

Just as Yue Feng was muttering, the Flame Tiger slowly walked over and shouted at him a few times to express his gratitude.

Yue Feng nodded and smiled at the Flame Tiger: "You're welcome, last time you helped me deal with the enemy, this time I helped you scare away the strong enemy, and the two of us equalized."

Speaking, Yue Feng saw the wound on the Flame Tiger's body and continued: "Fate, let me help you get the wound." "

Roar! The

Flame Tiger roared, nodded, and then lay down on the ground very obediently.

Yue Feng looked around, there was a fire Lingzhi growing here, and the spiritual energy was abundant, so there were many herbs growing in the grass under the four sides. These herbs are all spiritual herbs that stop bleeding.

Soon, Yue Feng collected several herbs, mixed them together and crushed them, and then carefully applied them to the wounds on the Flame Tiger's body. At this time, the Flame Tiger already had full trust in Yue Feng, lying there motionless.

If someone else is there at this time, they will definitely be shocked when they see this scene.

The extremely fierce Flame Tiger was actually docile like a cat in front of Yue Feng.

.....

At this point the other side.

In the cold pool, Gu Qianqiu soaked in it, felt the cold pool water, stimulated the meridians through the skin, and looked very calm.

This pool of water is dangerous to others, but for Gu Qianqiu, it is very beneficial.

Call!

A few minutes later, Gu Qianqiu opened his eyes again and said to Feixue: "The righteous brother has been gone for so long, why hasn't he come back yet?"

Hearing this, Feixue stood up, listened carefully, and responded: "The fight on the platform above seems to have stopped." "

Hmm!

Gu Qianqiu nodded, but he was still a little uneasy in his heart, and ordered Feixue: "You go and take a look." Feixue

hesitated, biting her lip lightly and said, "But I'm leaving, what should you do, Master?" He knew that now Gu Qianqiu was the critical moment to recover his strength, and if he left, it would be troublesome if an enemy came.

However, in Gu Qianqiu's heart, Yue Feng's safety was even more important, and he immediately urged: "I'm fine, you go quickly!"

Seeing Gu Qianqiu's resolute attitude, Feixue had to nod: "Okay, Master."

With that, Feixue was ready to go to the platform to check the situation.

Whoosh....

However, at this moment, several figures came quickly from the bottom of the mountain, and Gu Qianqiu and Feixue hurriedly looked at it, and they were shocked at this look.

I saw a few people who came, led by a bright red dress, with red flowers on their heads, and their faces full of anger.

Who is not the red flower mother-in-law?

Ha ha....

In the blink of an eye, the red flower mother-in-law and the others arrived in front of the cold pool, and they were extremely excited to see the ancient Qianqiu inside.

"Gu Qianqiu!

At this time, the red flower mother-in-law could not hide her excitement, and smiled evilly at Gu Qianqiu: "You are really here, I said that your life will be mine sooner or later, today, you will inevitably die." Feeling

the hatred and resentment of the red flower mother-in-law, Gu Qianqiu had a complicated mood and sighed secretly.

Oops!

Faced with this situation, Feixue was furious, and quickly came over and blocked in front of the red flower mother-in-law: "With me here, none of you want to hurt Master."

At this time, Feixue looked resolute, but he couldn't express the panic in his heart.

In the Qizhou City Branch Altar before, Feixue had seen the strength of the red flower mother-in-law, and now facing her alone, it was undoubtedly a mantis arm. But the master was behind her, and she couldn't retreat no matter what.

“Stinky girl! Seeing

the flying snow blocking in front of her, the red flower mother-in-law snorted coldly, her eyes full of contempt: “I don’t know what is dead or alive, get out of the way.” The voice fell, and his right hand was raised like lightning.

Syllable!

The red flower mother-in-law was too fast, and Feixue didn’t have time to react, and was directly slapped in the face, and with a muffled snort, the coquettish body flew directly more than ten meters away and fell heavily to the ground.
