6716 "Flying Snow! Seeing

this scene, Gu Qianqiu was furious, shouted at that time, and wanted to rush out, but the whole person was still soaked in the pool, and it was the key moment for recovery. In the end, I held back.

Feixue's delicate face showed a slap print, and she slowly stood up at that time and responded, "Master, I'm fine." While speaking, Feixue looked at Granny Honghua coldly, very angry.

This red flower mother-in-law is really ruthless, hateful, completely uneasy to play cards, and say that you will do it.

Call!

Hearing Feixue's words, Gu Qianqiu took a deep breath and secretly calmed himself down.

In the next second, Gu Qianqiu looked at the red flower mother-in-law and said, "Mother-in-law, you are also a senior in the rivers and lakes, and if you do something to a junior, you will inevitably lose your identity...."

The red flower mother-in-law snorted coldly, her face full of arrogance: "Gu Qianqiu, if you talk less nonsense with me, if you kill my apprentice, you will pay for your life." The tone was cold and unquestionable.

Feeling the hatred of the red flower mother-in-law, Gu Qianqiu took a deep breath, and his mood was extremely complicated.

Without waiting for Gu Qianqiu to respond, Feixue bit her lip tightly, walked quickly, and blocked in front of the red flower mother-in-law again, her delicate face was full of mockery: "Red flower mother-in-law, you are too unreasonable, my master has ended before, and the matter at that time was not what he wanted, but you are aggressive."

Speaking, Feixue pulled out the long sword he carried, and his tone was resolute: "With me today, you don't want to hurt my master."

She knew in her heart that at this time, Gu Qianqiu was at the critical moment to recover her strength, and she could not leave the waterhole at all, and in this case, she had to block the red flower mother-in-law no matter what.

Silly girl!

Seeing this scene, Gu Qianqiu was moved and anxious, and couldn't help but say: "Feixue, you leave me alone, they just came to find me, you go first, go quickly..."

Although the

red flower mother-in-law is ruthless, but the main target is herself, Feixue wants to go, she will definitely not stop it.

When the words fell, the red flower mother-in-law also said coldly to Feixue: "Dead girl hurry up, old woman I'm in a good mood now, I don't want to kill the innocent." "

I'm not leaving!

Feixue shook her head, her delicate face full of determination: "I won't let you hurt my master." When the words fell, Feixue's strength exploded, and a sword stabbed towards the red flower mother-in-law!

Airplanes!

This sword contains the ten successful powers of flying snow! It can be clearly seen that where the long sword passes, the surrounding air seems to be distorted!

The red flower mother-in-law smiled coldly, and stood there with contempt and contempt in her eyes: "Little girl who doesn't know the height of the sky, just by you, you are also qualified to shoot at me?" When

the last word fell, the red flower mother-in-law's face turned gloomy and her eyes became cold, and the strength around her body burst out, flashing directly to Feixue's side with lightning speed.

So fast!

At this moment, Feixue was taken aback in her heart, and wanted to withdraw the long sword at that time, but it was too late, so she saw the red flower mother-in-law strike with lightning and directly knocked down Feixue's long sword!

Speaking of which, the red flower mother-in-law has been crisscrossing rivers and lakes for many years, and the background is not comparable to flying snow at all.

Snap...

Immediately afterwards, the red flower mother-in-law raised her hand, quickly touched her acupuncture passage, and made her unable to move.

Seeing this scene, Gu Qianqiu's face changed drastically, and he couldn't help but exclaim: "Mother-in-law, you.."

At this time, Gu Qianqiu was very anxious, Feixue's personality was too stubborn, let her go astray, and now she was pointed to the acupuncture path, which is troublesome.

"You... You old!

At this time, Feixue was also angry in his heart, and he was completely anxious at that time, biting his lip and couldn't help but shout: "Quickly untie the cave for me!" "

Oh!

Hearing Feixue's scolding, Mother-in-law Honghua's face suddenly became gloomy, and she said to Ling Luo on the side: "Ling Luo, give me a good lesson to this unruly dead girl." "Yes, Master!"

Ling Luo had long been eager to try, and at this time, when she heard the order of the red flower mother-in-law, she immediately answered, and then walked quickly to Feixue, slapped her fiercely, and threw it in her face!

While beating, Ling Luo cursed: "Cheap thing, dare to scold my master, see that I don't break your mouth!" "

Snap!

After this slap, I heard Feixuejiao's snort, and her white face suddenly swollen.

6717 Feixue seems to be weak, but her heart is very tough, and when she was slapped with this slap, the anger in her heart was also completely aroused, and she immediately cursed: "Your master is an old demon wife, there is no distinction between right and wrong, shit does not make sense, as her disciple, you are no better there."

"You're a little demon too!

Hearing this, Ling Luo was completely furious, and coldly scolded: "You are looking for death!" "Snap..."

When the words fell, Ling Luo slapped her face fiercely, and kept hitting Feixue's face, making a crisp sound.

Feixue was very resentful, and wanted to dodge at that time, but he was pointed at the cave and couldn't move at all.

"Stop! Seeing

this scene, Gu Qianqiu was extremely angry, and couldn't help but shout: "Mother-in-law Honghua, in the matter between us, you don't want to implicate others, if there is anything, you can come at me." "

In Gu Qianqiu's heart, although Feixue is his own disciple and subordinate, he is no different from his own daughter, and at this time, seeing her abused by Lingluo, her heart is dripping blood.

Crash...

In the midst of the roar, Gu Qianqiu could not continue to recover, and the whole person rushed out of the water, setting off a snowflake.

"Master, don't..." Seeing him rushing out of the water, Feixue couldn't help but shout, worried in his heart, Master's strength has not completely recovered, how is it the opponent of Granny Honghua?

"Good, good!

The

red flower mother-in-law showed a smile, and her eyes were full of teasing: "Gu Qianqiu, you haven't completely disappointed me, and you are still a man." Don't talk nonsense, you come on. When

the words fell, the red flower mother-in-law suddenly became cold and waved her hand.

Buzz....

After receiving the instruction, several killers around pulled out their long knives one after another, soared into the air and pounced towards Gu Qianqiu.

These killers are all carefully selected by the red flower mother-in-law on the rivers and lakes, and their strength is not low, they are all the strength of the seventh and eighth products.

At this moment, several top killers broke out in unison, and the air around the entire cold pool was extremely distorted, and the power was very amazing.

"Good to go! Seeing

several killers bursting out, Gu Qianqiu said coldly, and immediately ran the exercises to meet them, and fought fiercely with several killers.

It's just that Gu Qianqiu's strength has not been restored, and at the critical moment, he rushed out of the water and faced several killers, he was completely unable to deal with it calmly, and he was suppressed without much effort.

“Master...”

Seeing this scene, Feixue’s face was anxious, and she couldn’t help but shout: “Master, be careful.” At

this time, Feixue clearly saw that Gu Qianqiu was under the siege of several killers, and he was in danger, and he was almost cut by a long knife several times, which was too dangerous.

Hehe...

As soon as the words fell, Ling Luo next to him snorted coldly, and mocked with a mean face: “I can’t protect myself, and I still have the mind to care about other people’s lives and deaths?” Tell you, your master will die tonight.

“My master won’t die. Feixue’s face was full of firmness, and she sneered at Ling Luo: “On the contrary, you evil people, one by one, will not have a good end.” “

Originally, Feixue was still a little jealous, but now the situation is extremely critical, and under anger, I can’t care so much.

“Mean women still dare to scold...”

At this moment, Ling Luo was furious, and at that time she fiercely raised her jade hand and slapped Feixue a few times: “I let you scold...”

The crisp slap kept sounding, and Feixue was extremely embarrassed and indignant, wanting to scold again, but there was no chance to speak.

At this time in mid-air.

Gu Qianqiu was almost exhausted while dealing with the siege of several killers, and when he saw the situation on Feixue’s side, his heart was even more anxious.

It won’t work like this.

His strength has not fully recovered, and Feixue was pointed at the acupuncture path, and continued to fight, I am afraid that both of them will die.

No way.. We must find a way, at least to keep the flying snow.

Call!

A few seconds later, Gu Qianqiu took a deep breath and had an idea in his heart, and shouted angrily: “Get out of the way!” When

the words fell, Gu Qianqiu used his strength, and suddenly struck a palm, this palm he burst out with all his strength, almost exhausted all internal force, and saw the surrounding air twisted and torn, and the power was very terrifying.

Several killers did not dare to make a hard catch, and they all flashed back.

6718 Whoosh!

Taking this opportunity, Gu Qianqiu turned around and rushed down the mountain, and when several killers reacted, Gu Qianqiu had already arrived more than a hundred meters away.

Yes, Gu Qianqiu fled on purpose. The purpose is to lure away the red flower mother-in-law.

He knew very well in his heart that the goal of the red flower mother-in-law was herself, and Feixue's life and death did not matter to her, as long as she escaped, they would definitely catch up.

"Run? Seeing

this scene, Mother-in-law Honghua's face suddenly became gloomy, sneered, and shouted at Gu Qianqiu's back: "Did you run?"

Saying that, the red flower mother-in-law said to several killers: "Chase!" "

Whoosh....

Hearing the order, several killers reacted, and immediately burst out and chased after them.

Call!

Seeing this scene, Feixue couldn't help but take a deep breath, looking at the direction in which Gu Qianqiu left, her eyes were full of worry, and at the same time she was secretly praying in her heart.

Master, you must not be fine.

Feixue Bingxue was smart, and she was not chilled by Gu Qianqiu's departure, she knew that Master was only doing this to lure away Mother-in-law Honghua and others.

“Tsk…”

At this time, Ling Luo’s face was full of mockery, and she said to Feixue: “This is the love of your master and apprentice, tsk, your master doesn’t even care about you in order to save his life.” “

Ling Luo is young in the end, and she doesn’t know the worldliness of the rivers and lakes, so at this time, she only thinks that Gu Qianqiu is simply trying to escape, completely ignoring Feixue’s life and death.

Feixue glanced at him lightly and ignored it.

“! Feixue’s

attitude made Ling Luo very angry, and immediately scolded: “Dare to put on my face when death is on the verge of death.” “Say and fight.

However, at this moment, the red flower mother-in-law frowned and said, “Lingluo, leave her alone and pursue Gu Qianqiu with Master.” Gu Qianqiu guessed well, the main target of the red flower mother-in-law was him, and she didn’t pay attention to the flying snow at all.

Ling Luo was a little unsatisfied, and responded, “Master, this mean woman is too hateful, I have to teach her a good lesson.” “She is favored by the red flower mother-in-law and has developed an arrogant and domineering personality, and she is despised by Feixue at this time, how can she bear it?

“Okay!

However, the red flower mother-in-law was anxious to pursue Gu Qianqiu, and said with some impatience at that time: “It’s important to kill Gu Qianqiu, don’t worry about this dead girl first.” Come with me. When

the words fell, the figure of the red flower mother-in-law flashed, and she quickly chased down the mountain.

Seeing this situation, Ling Luo didn’t have time to think much, and hurriedly followed, but before leaving, he didn’t forget to say to Feixue: “Slut, this time you are lucky, but whether you live or die, it depends on your luck.” “

Oh!

When the words fell, Ling Luo felt a box from her body, opened it, poured out a poisonous insect, and threw it on Feixue.

Seeing the poisonous insect, Feixue’s heart trembled, and he suddenly panicked.

I saw that this was a colorful spider, covered with eye-like spots, half the size of a palm, obviously extremely poisonous, and looked very scary.

Finished!

Seeing such a large poisonous spider, Feixue was frightened again, and she was also a little desperate in her heart.

What kind of master there is, what kind of disciple there is, this Lingluo is really too vicious and vicious, and he refused to let me go before leaving.

For a while, Feixue wanted to get rid of the poisonous spider, but the acupuncture channel was pointed, and he couldn't move at all. I can only watch the poisonous spider climb up along the legs and feet....

.....

At this moment, Gu Qianqiu's side.

Gu Qianqiu increased his speed to the extreme, and kept an eye on his back while rushing in the direction of Qingyun City.

If it was at its peak, several killers would soon be thrown off, but Gu Qianqiu's strength did not recover, and after a while, the distance between the two sides became shorter and shorter.

Whoosh...

Soon, several killers caught up and surrounded Gu Qianqiu.

Faced with this situation, Gu Qianqiu did not panic at all, but breathed a sigh of relief, running so far, the flying snow should be safe.

Thinking of this, Gu Qianqiu had no worries in his heart, pulled out his long sword, and said coldly to the several killers in front of him: "Let's go together." "When I speak, my eyes are sharp and my aura is powerful.

Call!

Feeling Gu Qianqiu's momentum, several killers looked at each other, and they were a little jealous in each other's hearts.

It was at this time that Mother-in-law Honghua and Lingluo quickly saw it.

6719 “What are you guys doing stunned.” Seeing

that Gu Qianqiu was intercepted, and several killers did not dare to make a rash move, the red flower mother-in-law suddenly frowned: “He is now the end of the strong crossbow, the tiger has no minions, quickly go together.” “

Whoosh!

When the last word fell, the strength of the red flower mother-in-law exploded, like lightning, and slapped towards Gu Qianqiu with a palm.

Seeing that the red flower mother-in-law made a move, several killers no longer hesitated, and they broke out one after another, heading towards Gu Qianqiu to kill.

“If you want to kill me, come on. Seeing

this scene, Gu Qianqiu’s body was full of battle intent, and the long sword shook, and he directly fought fiercely with the red flower mother-in-law.

However, Gu Qianqiu’s strength has not been restored, and he has been restrained everywhere when dealing with several killers before, and now he has another red flower mother-in-law, and he is not an opponent.

“Hmm!

Soon, Gu Qianqiu was stabbed and let out a muffled snort, but did not flinch in the slightest, but gritted his teeth and continued to insist. It’s just that the pace is faltering, almost unsteady.

“Gu Qianqiu!

When the

red flower mother-in-law saw this scene, her expression was extremely proud: “Suffer death obediently, don’t resist with your life.” When

the words fell, Lingluo, who was not far away, also shouted: “Gu Qianqiu, next year today is your death day, you accept your fate, haha...”

Hearing this, Gu Qianqiu took a deep breath, endured the pain of the wound and did not respond, but held the long sword tightly and continued to resist.

However, the red flower mother-in-law and several killers did not give him a chance at all, and soon, a killer went around Gu Qianqiu's back, and the long sword in his hand suddenly pierced Gu Qianqiu's back.

Poof...

This sword directly penetrated Gu Qianqiu, and blood gushed out.

Gu Qianqiu only felt that all the strength of his body was drained, and the whole person was extremely weak, and he could no longer support it at this time, his legs were soft, and he directly half knelt on the ground.

"Kill! "

Kill him..."

At this time, several killers shouted at the same time, and the long knives in their hands slashed towards Gu Qianqiu.

Whoops, whoops...

In an instant, Gu Qianqiu's body had more than a dozen wounds, dripping with blood, covered in blood like a bloody person.

Call!

Faced with this situation, Gu Qianqiu took a deep breath, his eyes were blood-red, and he didn't know where the strength came from at that time, he suddenly stood up, and the long sword in his hand burst out with a sword light, forcing several killers back.

"If you want to kill me, come..."

At this time, Gu Qianqiu was like a murderer on the verge of danger, his eyes were blood-red, and he howled desperately, fearless, and arrogant.

Several killers looked at each other and were shocked for a while.

This is ancient... He is worthy of being the sect master of the Heavenly Dao.

It's all hurt like this, and I can still stand up.....

The red flower mother-in-law looked gloomy: "When death is on the verge of death, you still dare to run rampant?"

Saying that, the red flower mother-in-law shouted at Ling Luo: "Ling Luo, you come, kill him!" "

Yes, Master!

Ling Luo responded, walked over quickly, and said coldly to Gu Qianqiu: "What is the Heavenly Dao Sect Master, in the end, not going to die at our hands?" Remember my name is Lingluo, lest you not know who killed you. "

Whoosh!

When the last word fell, Ling Luo pulled out her long sword and stabbed it fiercely in Gu Qianqiu's heart.

At this time, Gu Qianqiu had exhausted his last trace of strength, and he couldn't dodge at all, and was directly penetrated by the long sword, and the blood gurgled out.

Gu Qianqiu's eyes were full of unwillingness, and he threw his head back and fell.

Call!

At this moment, the red flower mother-in-law showed a smile, and then murmured to the sky: "Good apprentice, the master has finally avenged you."

After that, Mother-in-law Honghua checked Gu Qianqiu's situation and made sure that he had no possibility of living, so she beckoned everyone to leave.

Where Gu Qianqiu was lying, quietly looking at the sky, only felt that his life was rapidly lost, and immediately said silently in his heart: Righteous brother, flying snow... Brothers from the Heavenly Dao... See you in the next life!

.....

The other side!

Next to the cold pool, Feixue stood motionless, staring at the poisonous spider that climbed up, and his heart was desperate.

If you are bitten to death by poisonous insects, it will be too resigned.

Poof...

Just when Feixue was panicking, a sound of breaking the air was heard not far away, and then, the poisonous spider was directly pierced and fell from Feixue.

Feixue was stunned, and then he saw that it was a stone that killed the poisonous spider.

The ultimate husband in Chinese chapter 6720

Chapter 6720 Whoosh!

In the next second, a figure hurried over, with knife-like facial features, cold and handsome.

It was Yue Feng.

After helping the Flame Tiger heal his injuries, Yue Feng did not delay for half a minute and rushed back as soon as possible. As soon as he arrived, he saw Feixue standing there motionless, with a poisonous spider lying on his body, Yue Feng did not hesitate for a moment, he picked up a stone and killed the poisonous spider.

Snap...

Soon arrived, Yue Feng raised his hand to untie Feixue's acupuncture path, frowned and asked, "What happened?" What about the eldest brother?

While asking, Yue Feng looked at the cold pool, Gu Qianqiu was not there, and there were obvious traces of fighting around, obviously something had happened.

"It's Granny Honghua! Recovering

his freedom, Feixue didn't have time to rejoice, but took Yue Feng's hand and said anxiously: "Master lured them away in order to protect me, let's go and help."

As she

spoke, Feixue was so worried that she almost cried.

In Feixue's heart, Gu Qianqiu is like a father and brother, if something happens, I really don't know what to do in the future.

Mader!

Hearing this, Yue Feng was furious, that old demon woman was really haunted. While scolding secretly, Yue Feng also felt a little inexplicably panicked in his heart.

Gu Qianqiu's strength has not fully recovered, and in the face of a ruthless opponent like the red flower mother-in-law, I am afraid that it will be fierce and lucky.

"Quick! Thinking

of this, Yue Feng took Feixue's hand: "Let's go chase." When the words fell, he rushed down the mountain with flying snow.

"Big brother! "

Master...”

Before they reached the bottom of the mountain, Yue Feng and Feixue couldn't help but shout. While shouting, observe the surrounding situation.

Soon, Feixue found something and pointed to the grass ahead: “Look, there is blood there.” “

Phew!

Yue Feng took a deep breath and looked in the direction she was pointing, and sure enough, he saw that the grass not far away was stained with blood, a large area of grass was completely dyed red, and the air was also filled with blood.

And on the grass, there is clearly a humanoid imprint.

Obviously, someone had fallen here injured before, only to leave later.

Seeing this situation, Yue Feng and Feixue looked at each other, and they both had a bad premonition in their hearts.

“Quick!

In the next second, Yue Feng was the first to react and hurriedly said, “Let's look for it separately, quickly.” With that, he quickly looked to the left.

Feixue replied and looked to the right.

Swish!

Soon, when Yue Feng arrived at a forest, he saw at a glance a person sitting in front of a tree, covered in blood, it was Gu Qianqiu.

It turned out that Gu Qianqiu was afraid that the red flower mother-in-law would go and return, and used herself to threaten to leave the Heavenly Dao, so she took her last breath and climbed to this wood.

“Big brother! Seeing

Gu Qianqiu's tragic situation, Yue Feng couldn't help but scream, walked over quickly, and the tears couldn't help it in an instant, and the uproar flowed.

At this time, Yue Feng clearly saw that Gu Qianqiu's body was full of wounds, almost no intact place, and what was even more deadly was the wound at the mouth of the heart, which directly penetrated the heart pulse.

“Big brother... I’m sorry, I’m late to come back...” Yue Feng’s voice choked, his eyes were bloody red, and his heart was as uncomfortable as a knife cut.

At the same time, there is also unspeakable self-blame in my heart.

I knew it would be like this, so I just didn’t leave at that time.

But it’s too late to say anything.

“Master!

At this time, Feixue heard the shouts and hurried over, and when she saw Gu Qianqiu’s situation, she also cried out in sorrow, pounced on Gu Qianqiu, and cried loudly:

“Master, Master, wake up... How so? “Speaking

of which, Feixue had a hunch just now that Gu Qianqiu was fierce and lucky, but when he really saw it, he was still a little unacceptable in his heart.

Call!

At this time, Gu Qianqiu was already dying, heard the shouts of the two, slowly opened his eyes, and said with a smile: “Righteous brother, Feixue, you are here...” The

voice was very small, and you couldn’t hear it if you didn’t listen carefully.

“Big brother, don’t be afraid, you will be fine. Yue Feng tried to calm himself, but his voice was trembling.

Gu Qianqiu shook his head, smiled bitterly, and said weakly: “Righteous brother, people always die, you don’t need to comfort me, my heart pulse has been pierced, there is no possibility of survival.” ”
