Chapter

6721 "No!"

Hearing this, Feixue cried out sadly, and at this time he had already cried into tears: "Master, you don't want to die, you won't die." At

this time, Yue Feng's heart was also extremely uncomfortable.

Gu Qianqiu took a deep breath, used all his strength, and tightly grasped Yue Feng's hand: "Righteous brother, I have a request for something, I hope you can agree."

When

he said this, Gu Qianqiu's eyes were full of urgency and expectation.

"Good! Yue Feng endured his grief, nodded without thinking, and said, "If the eldest brother has anything, don't say it's one, it's ten, and I promise to do a hundred." "

Phew....

Hearing Yue Feng's answer, Gu Qianqiu showed a smile, as if he had let go of a thousand pounds of burden, and said slowly: "I hope that after I die, you can succeed to the position of sect master of the Heavenly Dao."

Speaking, Gu Qianqiu felt a black key from his body and handed it to Yue Feng: "This is the key to the main altar of the Heavenly Dao and the treasure house of Xuantian martial arts, and I will hand it over to you now." "

The Xuantian Martial Arts Treasure Vault, which contains a lot of peerless cheats, is a forbidden place in the forbidden land of the Heavenly Dao, so only the sect master is qualified to enter such an important place.

It can be said that the key to the treasure house, like the jade sword of the sect master, symbolizes the supreme identity.

After these several contacts, Gu Qianqiu clearly realized that Yue Feng in front of him was a rare talent in a thousand years, and there were almost nothing he couldn't do, and he could rest assured by leaving the Heavenly Dao to him.

What the?

Faced with the situation, Yue Feng was suddenly stunned, and his mind was also blank.

He wants me to take over the position of Sect Master of the Heavenly Dao?

How does this work?

Thinking about it, Yue Feng quickly shook his head and said, “No, this will definitely not work.” “I don’t belong here at all, and sooner or later I have to return to the Kyushu Continent, how can I be the sect master of the Heavenly Dao?”

Feixue also trembled, and her mood was extremely complicated.

“Righteous brother! Seeing

Yue Feng’s refusal, Gu Qianqiu suddenly became anxious, and coughed a few times at that time: “You... If you don’t say yes, I... I can’t die. The last word fell, and a mouthful of blood spurted out.

Looking at the entire Tianxin Continent, those who are qualified to be the Sect Master of the Heavenly Dao, except for Yue Feng, cannot find a second candidate.

Moreover, Yue Feng is still his righteous brother, let him take the throne, and he can feel at ease.

“Good!

Yue Feng was taken aback, and quickly patted Gu Qianqiu’s back, temporarily agreeing: “I promise you, big brother, don’t get excited first.” “

Seriously, Yue Feng didn’t want to be the sect master of the Heavenly Dao, but Gu Qianqiu was so emotional that he could only pretend to agree for the time being to calm his emotions.

Call!

Seeing that he finally agreed, Gu Qianqiu showed a smile and said weakly: “Great, I will be relieved to have your righteous brother in charge of the overall situation.”

Speaking, Gu Qianqiu tilted his head to look at Feixue and seriously advised: “Feixue, if Master is not there, you must cultivate diligently, you know, and you must assist Yue Feng well and help him take care of the affairs of leaving the Heavenly Dao, and you must not slacken

...”

“Wow...”

Feixue nodded, and at the same time couldn’t help it completely, and suddenly burst into tears: “Master... I don’t want you to die... You’re going to be fine, you’re going to be fine. Hearing

this, Gu Qianqiu reached out and wiped Feixue's long hair, showing a loving smile, and then slowly closed his eyes.

"Master..."

Seeing this situation, Feixuejiao's body trembled, and her heart instantly collapsed, and she suddenly burst into tears.

Master will not die, he will not die...

Under the grief, Feixue hugged Gu Qianqiu's arm tightly, and the bits and pieces of how to worship the master and how to follow the master's cultivation also appeared in his mind....

"Master, don't you die.... If you leave, what should I do..."Feixue's tears flowed freely, and she knelt there, her voice already crying.

Alas!

At this moment, Yue Feng also sighed, and his heart was full of taste.

Speaking of which, Yue Feng has come to this Tianxin Continent for a long time, a full three months, and in these three months, he has seen many masters of the rivers and lakes, but the only one who can make Yue Feng admire is Gu Qianqiu.

It was precisely because of this that Yue Feng would happily bow down with Gu Qianqiu at that time.

Yue Feng originally thought that after settling a grudge with Haotian, he would take a good tour of the entire Tianxin Continent, and in his spare time, he would have a good time talking with Gu Qianqiu about wine.

## The ultimate husband in Chinese chapter 6722

Chapter 6722 just didn't expect that before this good wish was in advance, Gu Qianqiu was attacked.

"Master, you don't want to die..."

At this time, Feixue was still lying on Gu Qianqiu's body and crying bitterly, and her eyes were red from crying.

Call!

At this moment, Yue Feng took a deep breath to calm himself down, and then prepared to clean up for Gu Qianqiu. However, as soon as his hand touched Gu Qianqiu's body, he was immediately stunned.

The eldest brother did not die: He's alive.

At this time, Yue Feng clearly felt that although Gu Qianqiu's heart pulse was pierced, there was still a faint breath, because it was too weak, so Feixue had not noticed it.

And Yue Feng is a Xuan Sheng body, and there is a Yuan God, and his perception is far beyond that of flying snow, and he suddenly noticed it at this time.

That's great!

Sensing this, Yue Feng was very excited, and immediately said to Feixue: "Feixue, don't be sad, your master is not dead." Feixue's

body trembled, and she looked at Yue Feng with a pear blossom and rain: "What did you say?" Master is not dead? She

thought she had misheard.

Master's heart pulse has been pierced, and now he is motionless, there is no sign of life at all, but he said that he is not dead.

"Yes!

Seeing her look puzzled, Yue Feng said slowly: "He is now in a deep coma, seemingly without signs of life, but there is still a trace of breath. Hearing

this, Feixue hurriedly hugged Gu Qianqiu's arm and sensed it carefully.

However, her strength was too far away from Yue Feng, and she couldn't perceive it at all.

"Alright!

Seeing her look puzzled, Yue Feng took a deep breath and said slowly: "Let's hurry your master back to the main altar, his current situation cannot be delayed for a moment."

Feixue nodded repeatedly, and the excitement and excitement in her eyes could not be concealed: "You... Can you save Master? "

This Yue Feng, not only proficient in the art of strategy and war, but also able to refine pills, almost omnipotent, there must be a way to save the master.

Call!

Facing Feixue's expectant gaze, Yue Feng took a deep breath: "The eldest brother is seriously injured, the heart pulse has been pierced, and if it is someone else, I am afraid that he is already dead, but his strength is strong and his cultivation exercises are special, so he can still leave a breath."

"If you want to be cured, you can only use Heaven and Earth Treasure as a medicine to induce."

When

he said this, Yue Feng thought of the Panlong Spirit on the Kyushu Continent and the Phoenix Gall, but these two things were extremely difficult to find, so Yue Feng didn't have much hope.

Hearing Yue Feng's words at this time, Feixue was very excited: "What a heavenly treasure."

Yue Feng hesitated and slowly said, "Panlong Spirit, Phoenix Gall!" "

Pan Dragon Spirit, Phoenix Gall?

At this moment, Feixue was suddenly stunned there, and her delicate face was very confused.

What kind of treasure is this? I've never heard of it.

Alas!

Seeing her expression, Yue Feng sighed secretly, looking at this, this Tianxin Continent does not have these two treasures, and immediately said: "If I can't find the heavenly material and earth treasure, I can only find a way to continue my eldest brother's life, and what the final result will be, it depends on his own creation." When

the words fell, Yue Feng bent down to carry Gu Qianqiu on his back, and then quickly rushed towards the altar.

Feixue wiped the tears from the corners of her eyes and hurried to follow.

.....

The other side! Baigu Town.

Baigu Town is located thirty miles south of Qingyun City, where the scenery is beautiful and the environment is beautiful.

The town is not big, but because it is a necessary place for Qingyun City to go to the south, it is very lively, and many tourists settle here every day.

At this time, it was noon, and I saw that the streets of Baigu Town were full of traffic and pedestrians.

Zuixianlou is the largest and only restaurant in town.

At this time, in the hall of the restaurant, Shao Lingfeng ate a full meal, and then said to Xiaoer of the store: "Xiaoer, come to check out." "After being abolished by Gu Qianqiu before, Shao Lingfeng left Qingyun City in embarrassment, all the way south, passing by Baigu Town during the day, and temporarily rested here.

Hearing the call, the shop Xiaoer hurriedly came over and said with a smiling face: "Guest officer, a total of three dollars." "

In the eyes of the shop Xiaoer, the person in front of him is dressed exquisitely, and there is a sword hanging from his waist, he must be a figure with a head and a face.

## The ultimate husband in Chinese chapter 6723

Chapter6723 Snap!As soon as Xiaoer's voice fell, Shao Lingfeng untied the long sword at his waist and slapped it directly on the table: "This sword is worth the meal money." "

After being expelled from the Heavenly Dao by Gu Qianqiu, Shao Lingfeng was almost penniless, and now he can only use this method to settle the bill.

This.....

Seeing the long sword on the table, Dian Xiaoer was stunned, and then said with a bitter smile: "Guest officer... This... I'm afraid this is not appropriate.

Hearing this, Shao Lingfeng's eyes widened, and he slapped the table and said, "What's inappropriate?" Do you know how much this sword is worth? Made, it's cheap for you. Although

he lost his strength, Shao Lingfeng was used to being arrogant and arrogant, and he didn't put the shop Xiaoer in front of him in his eyes at all.

"I..."

Feeling Shao Lingfeng's momentum, Xiaoer suddenly panicked: "I... I'll talk to the boss..." With

that, the shopkeeper was about to go downstairs.

However, Shao Lingfeng was full of impatience, grabbed the shop Xiaoer and shouted, "What do you say?" Uncle has big things to do, how can there be so much time wasted on you? "

Whoosh!

Just as he was saying, several big men rushed up, led by a young man, dressed in a gorgeous robe, holding a folding fan, looking polite, but there was a bit of evil aura between his eyebrows.

The young man's name is Yuan Jincheng, and he is the young owner of this restaurant.

"What's the situation?"

When he arrived, Yuan Jincheng looked proud and asked, "There are so many guests today, what are you arguing about here?"

Dian Xiaoer hurriedly responded: "Young Master, this person wants to use this sword to pay for food, I... I can't do this Lord...."

Huh?

Hearing this, Yuan Jincheng frowned, glanced at the long sword on the table, and chuckled: "Use the sword to pay for food?" This is the first time I've heard about it.

Speaking, Yuan Jincheng picked up the long sword and looked at it, and then threw it aside with disdain: "How much is a broken sword worth?" The

words were full of disdain.

Yuan Jincheng has been running amok in Baigu Town with his family's wealth, and at this time, when he sees someone daring to eat overlord dinner in his own restaurant, he will naturally not have a good face.

Swish!

Feeling Yuan Jincheng's contempt, Shao Lingfeng's face changed, and he said coldly: "You are the young master of this restaurant?" "

In the past few years, Shao Lingfeng, as an elite disciple of the Heavenly Dao, can take the form as he pleases, when did he experience this kind of nest gas? Even if there is no strength at this time, the momentum cannot be lost.

"Good!

Yuan Jincheng's face was full of arrogance, and he looked Shao Lingfeng up and down: "Who are you?" Could it be that you are the city lord of Qingyun City? But seeing you like this, you can't even keep your own sword, as a guard of others, I'm afraid that people won't accept it, hahaha...."

When the words fell, several big men around them also burst into laughter.

Shao Lingfeng's face became gloomy: "Laugh at me? I tell you, I'm a departed from heaven, you know..... You should know what the end of provoking the Heavenly Dao is. When he

said this, Shao Lingfeng was unspeakably nervous in his heart, but he still pretended to be very strong, and he hoped that he could scare Yuan Jincheng and others with the three words 'Leaving the Heavenly Dao'.

Off the Heavenly Dao?

At this moment, Yuan Jincheng and several big men behind him were stunned, and their faces also revealed a bit of jealousy. After all, although the Heavenly Dao acts low-key, its disciples are all over the world, and it is the most mysterious organization in the entire Tianxin Continent, who doesn't know.

Call!

In the next second, Yuan Jincheng looked at Shao Lingfeng in a complicated way, and couldn't help muttering in his heart.

If this person is really a person who has departed from the path of heaven, it will not be easy.

Then he thought that the people who left the Heavenly Dao were all masters who came and gone without a trace, how could they not even pay for a meal?

"Huh! Thinking

of this, Yuan Jincheng's mind turned, and his eyes flashed with cunning: "You said that you are away from the Heavenly Dao, well, come and discuss with my subordinates, let me see your strength from the Heavenly Dao." When

the words fell, Yuan Jincheng gestured to a big man behind him.

The big man immediately realized, moved his muscles, and said to Shao Lingfeng: "My name is Wang Qiang, and I still want to teach." "

Phew!

When the words fell, Wang Qiang raised a punch and smashed it fiercely into Shao Lingfeng's face.

Faced with this situation, Shao Lingfeng was shocked, and hurriedly raised his arm to block.

## The ultimate husband in Chinese chapter 6724

Chapter6724 Boom!

In the next second, Wang Qiang smashed a punch on Shao Lingfeng's arm, and he heard a dull sound, Shao Lingfeng only felt a strong force coming, the whole person stood unsteadily, staggered back a few steps, and almost sat on the ground.

Speaking of which, if Shao Lingfeng is at his peak, this Wang Qiang doesn't even have a chance to get close, but after being wasted by Gu Qianqiu, he is already an ordinary person at this time, and with strength alone, he is naturally not Wang Qiang's opponent.

Ha ha....

Seeing this situation, Yuan Jincheng and the other big men couldn't help but laugh one after another.

"This is the master of the Heavenly Dao, it scares me to death! "

Hahaha, it turned out to be a waste..."

When laughing, Yuan Jincheng's face was also unable to hide the gloom and anger, Ma De, this person is not timid, dare to pretend to be a departing from the Heavenly Dao to scare Young Master Ben.

Mader!

In the next second, Yuan Jincheng couldn't help but scold, and looked at Shao Lingfeng coldly and said, "Boy, you are not timid, eat the overlord meal, and pretend to bluff people who are away from the Heavenly Dao?" I see you don't want to get out alive.

Speaking, Yuan Jincheng looked at the shop Xiaoer next to him: "How much did he eat?" "

Three dollars. Dian Xiaoer hurriedly replied, and at the same time did not forget to glance at Shao Lingfeng with disdain, Ma De, it turned out to be a liar, and he was almost intimidated by him just now.

Fortunately, the young master came in time.

Well!

Yuan Jincheng nodded, and then pointed at Shao Lingfeng's nose and said, "Dog thing, take out thirty yuan of money, and Young Master Ben will release you, otherwise don't blame Young Master Ben's men for being ruthless." "

Since the other party is a liar, there is nothing to worry about.

"I..."

Shao Lingfeng at this time, without his previous arrogance, said timidly: "I have no money."

"No money? Hearing this, Yuan Jincheng's face sank.

Crash!

At the same time, Wang Qiang and several big men also immediately surrounded him.

In the next second, Wang Qiang rolled up his sleeves, grabbed Shao Lingfeng's collar, and smashed it with a fierce punch. Hearing a bang, Shao Lingfeng was directly knocked to the ground, and his nose bled for a long time.

"Ma De, you don't have the money to dare to be so arrogant in front of our young master just now? "

Kill you dog thing."

Wang Qiang cursed and smashed a few more punches.

At the same time, several other big men also quickly surrounded and punched and kicked Shao Linfeng.

"Ah..."

Shao Lingfeng was stunned on the spot, his body was like a puddle of mud, he fell to the ground and howled miserably, he wanted to stand up, but he didn't have a chance.

In the end, Shao Lingfeng couldn't stand it, and couldn't help but beg for mercy: "A few, a few spare your lives, I dare not..."

Hearing

Shao Lingfeng's pleading, Yuan Jincheng looked fierce and sneered: "You don't give money for dinner, just say a few words begging for mercy?" If everyone were like you, we wouldn't have to open this restaurant.

Speaking, Shao Lingfeng instructed several big men: "Set him up." Hearing the order, several big men immediately erected Shao Lingfeng.

"Go to Nima's.

As soon as it was erected, Yuan Jincheng cursed: "Young Master Ben is in a good mood today, but he ran into you, the broom star, and kicked you to death."

The moment the words fell, Yuan Jincheng kicked Shao Lingfeng's heart.

Duh!

This foot down, Shao Lingfeng snorted, the whole person was directly kicked away, and finally rolled down the stairs.

At this time, two guests were going upstairs, an old man, a girl, Shao Lingfeng rolled downstairs, and accidentally bumped into the girl.

It was none other than Xiao Jie and Yan Bingyu.

Bumped by Shao Lingfeng, Yan Bingyu's eyebrows locked, and on his delicate face, he couldn't hide his disgust: "It's really ugly." He said and immediately dodged to the side.

And just as she was dodging, something fell out.

It was the Jade Sword, the sect master of the Heavenly Dao.

This is.....

Shao Lingfeng was originally terrified, but the moment he saw the sect master's jade sword, his heart suddenly trembled, and his mind was also buzzing, and it was blank.

This... Isn't this the Sect Master Jade Sword that has been lost from the Heavenly Dao for twenty years?

Shao Lingfeng was an elite disciple of the Heavenly Dao before, so he naturally knew about the loss of the sect master's jade sword back then, and he had also seen the drawing of the sect master's jade sword, so he recognized it at a glance.

## The ultimate husband in Chinese chapter 6725

6725 For a while, Shao Lingfeng was very curious, and couldn't help but secretly look at Xiao Jie and Yan Bingyu, his heart full of doubts.

Who are these two?

How could they have the jade sword of the sect master who had been lost for twenty years from the Heavenly Dao?

"Alas!

Just when Shao Lingfeng was secretly puzzled, Yan Bingyu quickly picked up the sect master's jade sword and said very unpleasantly: "What's going on in this hotel?" How is there still a fight? It's such a mess.

When the words fell, Yuan Jincheng rushed down with a few big men.

"Oops.

At this moment, Yuan Jincheng's face was full of smiles, and he apologized: "Two guest officials, I'm sorry, we are teaching a bastard who eats overlord meals, almost disturbing your interest, sorry and sorry."

While speaking, Yuan Jincheng couldn't help but look at Yan Bingyu, feeling her alluring face and the charming curves, and couldn't help but swallow secretly at that time.

Beauty...

It's beautiful.

Sensing Yuan Jincheng's gaze, Yan Bingyu was very unhappy in his heart, and immediately said angrily: "Quickly prepare a table of wine and dishes for us, and ask for a secluded location." "

Master likes to be quiet and doesn't like to be disturbed.

"Shhh!

Yuan Jincheng reacted, responded with a smile, and then said to Xiaoer behind him: "Quick, arrange a place for this beauty and this guest official." "

Yes, young master! The shop Xiaoer replied and hurried to make arrangements.

Yan Bingyu was too lazy to talk nonsense, and tilted his head towards Xiao Je and said, "Master, let's go up." "

Hmm!

Xiao Ji nodded, and was ready to go upstairs with Yan Bingyu.

Seeing this scene, Shao Lingfeng slowed down, hurriedly pounced, hugged Yan Bingyu's calf, and pleaded: "Girl, girl save me..."

While asking for help, he looked at Yuan Jincheng and several people jealously.

Shao Lingfeng is not a fool, this girl and the old man, have never seen it before, they are certainly not people who are away from the Heavenly Dao, but they have the Sect Master Jade Sword on their bodies, which shows that they have some relationship with the Heavenly Dao.

How can I say that I have also been away from the Heavenly Dao for a few years, and they will not see death and not save.

"You..."

Yan Bingyu was defenseless, and was suddenly hugged by Shao Lingfeng on the calf, suddenly shy and angry, and scolded: "What's going on with you?" Let go. "

Is this person sick, suddenly holding me for what?

Swish!

At the same time, Yuan Jincheng was also furious, Ma De, this dog thing, even if you eat the overlord meal, you dare to disturb my guests, and more importantly, such a charming beauty.

In the next second, Yuan Jincheng reacted, pointing at Shao Lingfeng and shouting, "Go, drag him to the back for me." "

Whoosh!

Hearing the order, Wang Qiang shouted several times and walked over quickly.

Faced with this situation, Shao Lingfeng was very panicked, and hurriedly said to Yan Bing: "The girl saved me, I... I am a person who has left the path of heaven. Please, help me..." When

he pleaded, Shao Lingfeng almost cried.

Since stepping into the rivers and lakes, I have never been so downcast.

What the?

At this moment, Yan Bingyu and Xiao Ji were both stunned, and their eyes looked at Shao Lingfeng in surprise.

What did he just say? Is he a man from the way of heaven?

But... How could someone who left the Heavenly Dao be so embarrassed?

Call!

Seeing that both of them were full of doubts, Shao Lingfeng took a deep breath, quickly felt out a small wooden card from his body, and handed it to Yan Bingyu: "I didn't lie to you, I am really a disciple of the Heavenly Dao." "

Yes, this wooden sign is a sign of the identity of a disciple of the Heavenly Dao.

Seeing the wooden sign, Yan Bingyu was stunned for a moment, and then took it and handed it to Xiao Jie: "Master!" He is really a man who has left the path of heaven.

Xiao Ji glanced at it and couldn't help but look Li Tian up and down: "What's your name?" How could it be like this? The tone was indifferent, but unquestionable.

Speaking of which, with Xiao Jian's cold and arrogant personality, he would not care about such idle things, especially if the other party was still a disciple of the Heavenly Dao, but he was now in a hurry to seize the position of the sect master, and it was the time to win over people, so he couldn't help but ask.

"I..."

Shao Lingfeng opened his mouth, very ashamed: "Alas, it's hard to say a word." "

This... What's the situation?

Seeing this scene, Yuan Jincheng and several big men frowned secretly.
