Chapter 6751:

At this moment, Yue Feng really wanted to fly high in the air to see the surrounding environment, but in this way, he might be discovered by Wang Youming and others, and more importantly, in the previous fierce battle, Yue Feng's strength consumed a lot, so he couldn't take risks.

Forget it, take a break first, and then slowly find your way.

Yue Feng made up his mind, so he found a big tree and sat down to rest.

.....

the other side.

Eighty miles northwest of Qingyun City, there is a high peak, standing between mountains and forests, the mountain bell is beautiful, and next to it is a deep valley more than ten miles long, the deep valley is full of green grass, and the mountain scenery is beautiful, like a paradise.

Every early autumn, northern geese will come to inhabit here, so this place has become the valley of falling geese.

On a platform deep in the Falling Goose Valley, stands a two-story wooden attic, the attic is built against the mountain, mixed with the surrounding scenery, and more than ten meters away from the pavilion in the deep valley, there is also a hot spring, the water mist is long, like a fairyland, giving people an elegant and quiet feeling.

In the open space in front of the attic, there is a bright red camellia, competing and beautiful. Next to this black camellia, there is a stone monument with three handsome red characters written on it 'Red Flower Building'.

Yes, this is the retreat of the red flower mother-in-law. He has lived here in seclusion all these years.

At this time, in the hall on the first floor of the wooden building, the red flower mother-in-law stood there with an indifferent face, and the Lingluo on her side was also full of solemnity, and there was a spiritual position on the offering table in front of them.

Phew!

The red flower mother-in-law breathed a sigh of relief and said to the spiritual position: "Good apprentice, Master has killed Gu Qianqiu and avenged you, and you can rest in peace in the spirit of heaven."

Saying that, the red flower mother-in-law signaled Lingluo to light incense to worship.

Ling Luo did not slacken, hurriedly lit three sticks of incense, inserted them in the incense burner, and said to the spirit position: "Sister Master, your vengeance has been avenged, you want to protect Master for a long life..."

When the words fell, Ling Luo bowed respectfully.

At this time, the master and apprentice did not know that Gu Qianqiu did not die at all, but was saved by Yue Feng with his acupuncture divine skill, and at this time he was only in a deep coma.

After the worship, Ling Luo thought of something, and said to the red flower mother-in-law: "Master, the second senior sister went out to practice, and she hasn't returned yet, will she encounter any trouble?"

Mother-in-law Honghua accepted a total of three disciples, in addition to the dead one and Lingluo, there was also a disciple named Rose.

A few months ago, Rose left the valley to practice on the rivers and lakes, and has not returned.

Phew!

Hearing this, the red flower mother-in-law took a deep breath and looked proud: "Who in the rivers and lakes does not know the name of my red flower mother-in-law?" If you dare to move my apprentice, you have to think about what the end is.

"Yes!" Ling Luo followed and said: "The master is the most powerful, invincible in the world.."

As she spoke, Ling Luo looked proud.

"Okay, okay!"

The red flower mother-in-law showed a smile, and her eyes were full of doting: "Don't shoot horses, go out to collect some medicine for the master, you stay honest, remember to practice, don't be lazy, Master will come back tomorrow at the latest."

The red flower mother-in-law chased and killed Gu Qianqiu before, consuming a lot of power, so continue to collect some herbs at this time to recover.

"Well, Master, don't worry."

Ling Luo quickly nodded and said with a flattering face: "I have always been very obedient, and I will definitely practice well." He said so, but in his heart he wished that

the master would leave quickly. Only when Master is not there, it is more comfortable to be here alone.

The red flower mother-in-law nodded, explained a few more words, and left the red flower building.

Go play!

As soon as the red flower mother-in-law left on her front foot, Lingluo cheered, ran out of the pavilion, went into the woods next to it, to pick up wild goose eggs, Lingluo has been growing up here since she was a child, and her favorite thing to do is to pick up wild goose eggs, and at this time, when the wild geese are moving south, there are many wild goose eggs in the grass in the woods....

For this kind of thing, Lingluo is familiar with the road, and after a short time of carrying the bamboo basket, she picked up a lot.

Before you know it, the sun is setting on the western mountains, and the sky is gradually darkening.

Phew!

At this moment, Ling Luo breathed a sigh of relief, wiped the fine sweat on her forehead, looked at the basket full of wild goose eggs, and felt very satisfied: "I gained a lot today, but I sweated, and I waited for the hot spring to bubble." "

Chapter 6752

Muttering, Lingluo returned to the attic, put the wild goose eggs away, and went to the hot spring behind.

Phew!

The moment she jumped into the hot spring, Lingluo breathed a long sigh of relief, and her body and mind were indescribably comfortable, so she closed her eyes and slowly enjoyed it.

At this moment, in the woods outside the valley, a figure was slowly moving forward, looking at the surrounding environment from time to time.

The figure is tall and well-proportioned, the facial features are angular, and the indescribable cold and handsome is just a tiredness that cannot be concealed.

It was Yue Feng.

After Yue Feng got lost in the forest, in order to avoid being discovered by the enemy, he did not dare to fly high in the air, so he could only explore the way by feeling, and unconsciously, he arrived at the Falling Goose Valley where the red flower mother-in-law lived in seclusion.

I go, there are still people in this place?

At this moment, Yue Feng was stunned when he saw the attic in the valley.

After a few seconds, Yue Feng slowed down, looked at the beautiful scenery in front of him, and couldn't help but marvel in his heart. This place is so beautiful, like a paradise.

I don't know who can live here.

Exactly, go ask for directions.

Thinking about it, Yue Feng walked straight towards the Honghualou, and when he arrived at the hall on the first floor, he saw that the deployment inside was very elegant and exquisite, but there was no human figure.

Strange, the room is lit, how come no one is there?

At this moment, Yue Feng walked around the hall, muttering in his heart, feeling that it was rude to break into someone else's house like this, so he had to walk out.

Huh? There is water mist in the back

As soon as he arrived outside, Yue Feng saw the water vaporizing not far from his left, muttered a word in his heart at that time, and slowly walked over, only to see a hot spring when he got closer.

Phew!

Seeing the hot spring, Yue Feng couldn't help but take a deep breath and secretly sighed, this place is really good, there is even a hot spring, it is simply the first choice for seclusion, the same as a paradise.

Sighing, Yue Feng glanced at Ling Luo sitting on the edge of the hot spring, and was suddenly stunned.

I go, anyone?

Stunned, Yue Feng's eyes suddenly couldn't move away.

Because Ling Luo had her back to Yue Feng, she couldn't see her face, but the looming curve, any man could not help himself when he saw it.

Speaking of which, Lingluo is in her prime at this time, petite and delicate, soaking in the hot spring at this time, the surrounding water mist is full, just like a water fairy.

knock...

Finally, Yue Feng slowed down, couldn't help but swallow his spit, and secretly said in his heart: This is embarrassing, even if he broke into someone's seclusion, he now encounters the owner soaking in the hot spring.

While she doesn't find it, hurry up and leave, otherwise it won't be clear.

muttering in his heart, Yue Feng turned around and was about to leave, but accidentally kicked a stone.

A soft sound came out, breaking the tranquility near the hot springs.

Lingluo was originally enjoying silently with her eyes closed, but suddenly heard movement, suddenly opened her eyes, did not think much at that time, and subconsciously shouted: "Second Senior Sister, you are back."

Master said that he would not return until tomorrow at the latest, so it was definitely not Master, the most likely one was the second senior sister Rose, after all, she had traveled the rivers and lakes for so long, and it was time to return.

shouting, Lingluo looked back.

Oops!

At this moment, Yue Feng was embarrassed and anxious, and wanted to dodge, but there was no hiding place near this hot spring.

"you..."

At this time, when Ling Luo saw Yue Feng, she was immediately taken aback and angry: "Who are you?" Dare to break into the Falling Goose Valley..." I thought it was the second senior sister who came back, but I didn't expect it to be a strange man.

In anger, Ling Luo wanted to rush out, but thinking that she had no cover, she forcibly resisted.

Because Lingluo had never seen Yue Feng, she didn't know that the man in front of her was Gu Qianqiu's sworn brother.

uh...

YueFeng had never seen Ling Luo, naturally did not know her identity, and waved his hand very embarrassingly at this time: "Don't misunderstand, girl, I... I didn't mean to, I got lost just now and inadvertently broke in.

While explaining, Yue Feng couldn't help but look at Ling Luo's face and secretly admired again.

This girl looks not old, but I have to say that she is really a superb beauty, if she is mature, she must be charming.

"You still look!"

Yue Feng's explanation, Ling Luo couldn't listen to it at all, at this time it was like an explosive barrel about to erupt, and angrily scolded: "If you immediately gouge your eyes now, I will spare your dog's life." "

Chapter 6753:

When she said this, Ling Luo's eyes were full of murderous aura.

Growing so big, it has always been ice and clean, but now it is looked at by this hateful man, it is simply unforgivable, let him gouge his own eyes, it is already considered merciful.

what? Gouging your own eyes?

Hearing this, Yue Feng was suddenly shocked, this little girl is not old, and her heart is ruthless. I just look at you, and I have to gouge my own eyes?

Thinking about it, Yue Feng couldn't help but smile bitterly: "Girl, we don't have any deep hatred, there is no need to be so ruthless, I didn't mean to, besides, you didn't drop a piece of meat."

At this time, Yue Feng didn't know that the girl in front of him was a disciple of Granny Honghua.

"Shut up!"

Seeing that he still dared to talk back, Ling Luo was so angry: "I only say it once, if you don't gouge your eyes, you will die." When the words fell, Ling Luo stretched out her jade hand, picked up a stone on the edge of the hot spring, used her power, and smashed it towards Yue Feng.

Lingluo was soaking in the hot spring at this time, and she couldn't get up at all, whoosh!

Although it was a stone, Ling Luo exerted eight successful powers, and saw that stone erupt with a sound of breaking the air, like a bullet, and quickly shot towards Yue Feng's face door.

Sleeping, this little girl has such a burst of temper, say do it.

Seeing this situation, Yue Feng was ridiculous and helpless, and reacted quickly at that time, dodged the stone, and shouted at the same time: "Girl, your sentence is a little unreasonable.

While speaking, Yue Feng was also secretly frightened.

I can't see that this girl's strength is not weak.

Huh?

Seeing that Yue Feng easily avoided the stone, Ling Luo was stunned, and her eyebrows locked.

This man is actually a master...

She thought that the stone she had just smashed out could easily kill Yue Feng, but she never expected to be dodged by Yue Feng so easily.

At this time, Yue Feng reacted and smiled at Ling Luo: "Girl, with such a big temper, aren't you afraid that you won't be able to marry in the future?" He expected that Lingluo would not dare to come out, so he deliberately teased a few words.

"you..."

Hearing Yue Feng's mockery, Ling Luo was so angry that she wanted to scold, but she couldn't scold one word. You know, she grows so big, with the prestige of the red flower mother-in-law, the people she meets are only promises, and the man in front of her dares to take the initiative to ridicule herself, she is simply tired of life.

haha...

Seeing Ling Luo's appearance, Yue Feng took it if he was better, and immediately said: "You go slowly, I'll go!" When the last word fell, Yue Feng was ready to turn around and leave.

"Trespass in the valley of the wild goose, die!"

However, at this moment, a roar came from the air behind him, and then a red figure came quickly, slapped Yue Feng's back heart.

A silver hair and a red dress looked very dazzling in the dark night, and his face was full of anger.

It is the safflower mother-in-law.

Honghua's mother-in-law thought that it would take one night to collect the herbs she needed, but she knew that it was extremely smooth, and it only took two hours to find the herbs, and as soon as she returned to Honghualou, she saw a man standing on the edge of the hot spring, arguing with her little apprentice.

The red flower mother-in-law was hot-tempered, and when she saw that someone took advantage of the apprentice, she immediately became angry and shot without thinking about it.

Nima!

Feeling the danger coming from behind, Yue Feng was secretly taken aback, and immediately looked back quickly.

When he saw that it was the red flower mother-in-law, Yue Feng's face suddenly changed: "Red flower mother-in-law?"

"It's you?"

At this moment, the red flower mother-in-law also saw Yue Feng's face clearly, first stunned, and then angry: "Good boy, you dare to sneak into my Falling Goose Valley, it's really boring."

At this time, Mother-in-law Honghua thought in her heart that Yue Feng had come to avenge Gu Qianqiu.

Thinking of this, the red flower mother-in-law did not hesitate for half a minute, and her palm power sped up a little.

"Master!"

At this time, Ling Luo also reacted and shouted at the red flower mother-in-law: "Master, you are about to kill him, kill him." As he spoke, his eyes stared at Yue Feng, unable to hide his anger.

Master is back, and this man will surely die.

Master?

Hearing Ling Luo's name, Yue Feng was stunned at that time. It turns out that the red flower mother-in-law has more than one apprentice.

At this time, Yue Feng didn't know that the rose he met in the Sunflower Secret Realm in the Bright Moon Gate was also a disciple of Granny Honghua.

Phew!

Almost in the blink of an eye, the palm of the red flower mother-in-law arrived.

Chapter 6754:

At this moment, Yue Feng didn't have time to think more, took a deep breath, and also greeted it with a palm.

boom....

In an instant, the two palms collided, emitting a roar, and were immediately shocked back at the same time.

Obviously, neither side took advantage of this palm.

good boy....

At this moment, the red flower mother-in-law stabilized her figure, frowned and looked at Yue Feng, her eyes full of incredulity. I thought that his strength was mediocre, but I didn't expect to be a hidden master.

At this time, the red flower mother-in-law did not know that the reason why Yue Feng could be restrained at the Heavenly Dao Branch Altar in Qizhou City was because Yue Feng was injured at that time.

At this time, although Yue Feng's strength was consumed a lot, it was still more than enough to deal with the red flower mother-in-law.

What?

Seeing this scene, Ling Luo, who was still in the hot spring, also trembled, looking at Yue Feng blankly, shocked.

He was able to block Master's palm....

"Good boy!"

At this moment, the red flower mother-in-law reacted and looked Yue Feng up and down: "It turns out that you hid your strength before, no wonder... Gu Qianqiu will worship you.

Yue Feng chuckled and ignored it.

At this time, Ling Luo's face was full of doubts, and she said to the red flower mother-in-law: "Master, do you know this person?"

Phew!

Mother-in-law Honghua took a deep breath and responded, "He is Gu Qianqiu's sworn brother, who helped King Shaoyang defend Yue Feng in Qizhou City before.

When she said this, the red flower mother-in-law's face was full of complexity.

Speaking of which, this Yue Feng helped King Shaoyang defend the city of Qizhou, deploy the formation, and become famous all over the world, and he was also a rare talent, but it's a pity that he finally became a brother with a hypocrite like Gu Qianqiu.

What? He is that Yue Feng?

Hearing Master's words, Ling Luo's heart was shocked, and she re-examined Yue Feng, and her mood became complicated.

It turns out that he is the world-shaking Yue Feng....

There is no girl who doesn't like heroes, and Ling Luo is the same, when she learned that a man named Yue Feng, with her own strength, defended Qizhou City several times and blocked Ji Beiye's army, Ling Luo was also inexplicably worshipped in her heart.

However, at this time, she couldn't connect the man in front of her with the hero in her heart. Thinking that he had just been seen by him, he was even more embarrassed.

"Good!"

Finally, the red flower mother-in-law slowed down and nodded at Yue Feng: "You can actually take my palm, and the old woman will come to receive the teaching."

Buzz!

When the words fell, the figure of the red flower mother-in-law burst out and rushed towards Yue Feng again.

Faced with this situation, Yue Feng was too lazy to talk nonsense, so he immediately took a deep breath and fought fiercely with the red flower mother-in-law.

bang...

For a while, I saw two figures constantly shuttling back and forth in the night sky, colliding with each other's palms, and erupting with a roar, which was very shocking.

The more Lingluo looked, the more frightened she became.

This Yue Feng is so strong? It is comparable to the master.

At this time, Ling Luo didn't know that Yue Feng's strength was seriously consumed, otherwise, it would be a matter of snapping his fingers to defeat the red flower mother-in-law.

In the blink of an eye, Yue Feng and Granny Honghua fought dozens of rounds, from the side of the hot spring to the woods outside the Falling Goose Valley.

boom!

At this moment, the two clashed hard again, and the red flower mother-in-law was directly shocked back by the volley, and Yue Feng also staggered back.

Before he could stand firmly, Yue Feng only felt tight under his feet, and was directly entangled in the upper lock buried in the fallen leaves, and then a large net catapulted up and hung him up.

It turns out that there is a trap hidden here.

"Huh!"

Seeing this scene, Granny Honghua showed a smile: "Yue Feng, your strength is not weak, it's a pity, against my wife, you are not an opponent yet."

When she spoke, the red flower mother-in-law was full of smugness. This big net was a trap specially set up by her to prevent outsiders from entering, and she had not had the opportunity to use it for many years, and she deliberately led him over just now when she couldn't fight with Yue Feng for a long time.

Yue Feng cursed secretly, he was about to break free of the big net at that time, but the red flower mother-in-law did not give him a chance at all, and his figure flew up in a flash, raising his hand to seal several acupuncture passages on Yue Feng's body.

In an instant, Yue Feng's body shook and he couldn't move.

Chapter 6755:

At this time, Ling Luo had already left the hot spring and got dressed.

Seeing Yue Feng being caught, Ling Luo was overjoyed, clapping her hands and cheering, "Master is awesome!"

While speaking, Ling Luo clenched a dagger, walked over quickly, and stared at Yue Feng viciously: "Master, this shameless person took advantage of me and let me kill him with my own hands."

Sleep....

Feeling Ling Luo's ferocity, a chill suddenly rose in Yue Feng's heart, and at the same time, he was a little annoyed.

This girl is worthy of being a disciple of the red flower mother-in-law, the same ruthless ah, I just look at you, let me gouge my eyes before, and now want my life.

What a ruthless little witch.

Just when Yue Feng was muttering secretly, Ling Luo had already arrived, and when he untied the rope on the tree and put Yue Feng down, the dagger in his hand stabbed fiercely.

Whoosh!

At this moment, Ling Luo's hand was like electricity, and the dagger cut a cold light, and went straight to Yue Feng's heart.

It's over!

Faced with this situation, Yue Feng's heart was bitter.

I didn't expect that my grand Heavenly Emperor Master would end up in the hands of a little girl....

Speaking of which, Yue Feng is the body of the Xuan Sage, and with the protection of the Dharma Red Lotus, even if he is pierced in the central vein, he will not die, but he will also receive a heavy blow, he has not completely recovered, if the heart pulse is severely damaged, it will take at least half a year to recover...

"Slow down!"

Seeing that the dagger was about to pierce Yue Feng's heart, at this moment, the red flower mother-in-law raised her hand to stop Ling Luo.

Ling Luo looked puzzled: "Master, why did you spare him?"

When she spoke, Lingluo pouted, very unhappy.

Phew!

Mother-in-law Honghua took a deep breath and said with a solemn face: "This Yue Feng is deeply appreciated by the royal family, and he also knows how to line up troops and kill him directly, which is somewhat inappropriate.

Hearing this, Ling Luo stomped her foot and coquettishly said, "That... Then he just took advantage of me, so forget it? Good Master, you have to call the shots for me.

Speaking, Ling Luo held the sleeve of the red flower mother-in-law and shook it gently.

uh....

At this time, Yue Feng smiled bitterly and couldn't help but speak: "This girl, I didn't mean it just now, you don't need to hold on, besides, I didn't do anything to you."

This little girl is really too domineering, and she really can't suffer a loss at all.

"You shut up!" Ling Luo snorted viciously, and then continued to coquettish at the red flower mother-in-law.

"All right, all right!"

The red flower mother-in-law was entangled, showing a doting smile: "Master is naturally in charge of you, as long as you don't kill him, you can be angry any way."

Saying that, the red flower mother-in-law used a rope to tie Yue Feng to a big tree outside the red flower building together with the big net.

After doing this, the red flower mother-in-law ordered Ling Luo: "Okay, go to boil the medicine for the teacher, and it will be handed over to you here, remember, do not take his life."

After speaking, the red flower mother-in-law turned and entered the pavilion.

For a while, there were two left, Lingluo and Yue Feng, outside.

Phew!

At this moment, Yue Feng took a deep breath, took the lead in breaking the silence, and smiled awkwardly: "I don't know what the girl's name is yet, speaking of which, it was really a misunderstanding before, I didn't mean to look at you."

People had to bow their heads under the eaves, and at this time, Yue Feng was pointed at the acupuncture passage, and he couldn't move at all, so he had to choose to temporarily bow to Ling Luo.

After all, this girl is only fifteen or sixteen years old, as long as you coax a few words, you should be fine.

However, Yue Feng underestimated Ling Luo's ruthlessness.

"Misunderstanding?"

Ling Luoqiao's face was full of coldness, and she said word by word: "When you teased me just now, why didn't you expect it to be a misunderstanding?" Hmph, what a big hero who saved Qizhou City, but a bastard with a slippery tongue.

"Master is right, kill you directly, it's too cheap for you, I want to torture you well."

Speaking of the end, Ling Luo paced back and forth, thinking of ways to torture Yue Feng.

Phew!

Seeing this situation, Yue Feng was very helpless, and at the same time he was a little uneasy in his heart.

Ma De, this little girl doesn't play cards according to the routine, it's really a little difficult to deal with.

While thinking, Yue Feng couldn't help but look at Ling Luo, and saw that she was not tall, but her figure was exquisite, just like a beautiful girl who came out of a fairy tale, but unfortunately, the surface was so beautiful, but her heart was extremely vicious.
