Chapter 6776

In Lingluo's heart, the name of Master Safflower Granny is known to everyone in the arena, no one knows it, who does not retreat three points when she sees it? These mountain bandits in front of them will definitely flee after knowing their identity.

Uh...

However, Yue Feng was dumbfounded when he heard this.

This Lingluo thinks that everyone in the world is afraid of her master, but she doesn't know that there are differences between mountain bandits in different places. Scared?

"Haha..."

Sure enough, Yue Feng was thinking about it when he saw one of the bandits burst out laughing, looking at Lingluo up and down with a playful look on his face: "Listen, the little beauty has a lot of background, okay, Then tell me who your master is?" As he

spoke, the bandit had a reckless and leisurely look on his face.

The voice fell, and the other mountain bandits also burst into laughter, while waiting for Lingluo to answer.

Swish!

Seeing their attitude, Lingluo's face instantly flushed red, unable to hide her anger, she said word by word: "You heard clearly, my master is the red-flowered mother-in-law who traverses the rivers and lakes." The

last word fell, Lingluo was exquisite On his face, he couldn't hide the pride.

What? Safflower mother-in-law?

At this moment, when these mountain bandits heard Lingluo's words, their expressions changed, and they looked at each other, and they couldn't hide the fear in their eyes.

You must know that in the past two years, Granny Safflower has a very strong reputation in the arena, her character is both righteous and evil, and her actions are ruthless.

Half a year ago, an escort bureau offended Granny Safflower because of a trivial matter, and she killed the chief escort on the spot, and finally burned the escort bureau cleanly.

And a month ago, a knight in the rivers and lakes, just curious about the dress of the red flower mother-in-law, she cut off the right hand of the sword....

There are countless such examples...

these mountain bandits have also seen People in the world are very clear about the deeds of Grandma Safflower. At this time, the little girl in front of her actually claimed to be the person of Granny Safflower, and the bandits present were a little unexpected.

Hehe... Looking at the reaction of these bandits ,

Lingluo chuckled lightly, her face unable to hide the contempt, and said coldly: "Do you know who I am now? Why don't you hurry up?"

Doubt.

call!

Hearing this, the leading bandit couldn't help taking a deep breath, and then smiled lightly: "What if you are a disciple of Granny Safflower? Hey, others are afraid of the old witch, we are not." As

he said, the bandit said Carefully looked at Lingluo.

This beautiful little girl looked not weak, but she was wearing a large and tattered long gown, her face was pale, and she was a little weak, and she was obviously running away.

And... After such a long time, the terrifying old witch has not appeared... It seems that they are separated...

Realizing this, the mountain bandit suddenly felt confident and laughed: " Where is your master? Call out and let us experience her unique skills." The

words were full of provocation.

In the heart of this mountain bandit, there are so many people, and there is no need to be afraid of this little girl.

The last word fell, and the other mountain bandits behind him also booed.

“Yes, where’s your master? Call it out.”

“To be honest, Granny Safflower’s name is really loud, but I haven’t seen it before.”

These bandits are not stupid, and they can see at this time that Granny Safflower is not nearby at all, and the other party is just a little girl , don’t be afraid at all.

As for Yue Feng on the side, they didn’t even pay attention to it. This person is dirty, not as good as a beggar, and for them, there is no threat at all.

“You...”

Faced with the ridicule of these bandits, Lingluo was extremely embarrassed, and immediately shouted: “You are courting death!” These

people knew the identity of the master and dared to speak out.

Just don’t know how to live or die.

“Looking for death?”

Faced with the anger, the bandit who had spoken before gave a wicked smile: “The little girl is not young, but her temper is not small, as I see it, you are the bold one, and you keep saying that you are the disciple of Granny Safflower. , but I can’t ask your master to show up, hehe, you are deliberately bluffing us.”

Chapter 6777

Speaking of this, the mountain bandit looked at Lingluo up and down again, tsk tsk admiring: “This slim body is really good, our boss Wu still lacks a wife, if you know each other, just follow us obediently. , otherwise, don’t blame us for being rude.” The

words were full of frivolity.

“That’s right!”

“The girl looks pretty good, so she just happens to be the wife of our boss Wu...”

At this moment, the other bandits pointed at Lingluo, all agreeing with this proposal.

Boss Wu?

Hearing these words, Yue Feng couldn’t help frowning secretly.

Why does this surname sound a little familiar...

huh!

Just when Yue Feng was muttering in secret, Lingluo was very angry. At that time, Liu eyebrows stood upright, and she said tenderly: "A bunch of shameless people, all die." When the

voice fell, Lingluo took the stone in her hand, Smashed hard at the proposed bandit.

Although Lingluo had recovered from meditating for more than an hour before, her strength had not yet returned to its peak state. Moreover, chasing Yue Feng just now consumed a lot of energy, so the stone that she smashed seemed violent, but she lost her head.

The mountain bandit didn't seem to expect Lingluo to take the lead, and immediately dodged away from the stone, and shouted: "Oh? It's not small." When the

voice fell, the mountain bandit raised his hand and waved: "Brothers, give it to me. Take it!"

Alright!

The surrounding bandits were already eager to try, and upon hearing the orders of their companions, a few bandits immediately rolled up their sleeves and quickly surrounded Lingluo.

The other bandits stood on the sidelines with a smile.

In their hearts, just a little girl, a few people are more than enough to take action, there is no need to go all out.

However they were wrong.

"Shameless scum!"

Seeing the bandits surrounding her, Lingluo bit her lip tightly, and after scolding, her delicate body flashed up to meet them and fought fiercely with the bandits.

I saw Lingluo's movement was agile and elegant, like a butterfly, shuttled back and forth between several mountain bandits.

Several mountain bandits wanted to join forces to capture her alive, but they were always avoided by Lingluo at the critical moment.

Bang Bang Bang...

Within a few breaths, I heard a few dull sounds, and Lingluo slapped all the bandits to the ground.

Um?

Seeing this scene, the rest of the bandits looked at each other in dismay, and were shocked.

This girl is young, but her strength is not weak.

It seemed that I had misunderstood before...

"Come on, let's go together!" In the

next second, one of the bandits shouted and rushed towards Lingluo first.

Whoa!

At the same time, the other mountain bandits also reacted, pulling out their long knives and attacking Lingluo.

Lingluo hit a few mountain bandits just now, which consumed a lot of strength. At this time, facing the attack of dozens of mountain bandits, she was soon unable to withstand the attack. The suburbs trembled and kept retreating.

However, on the delicate face, there was no panic at all, but she bit her lip, showing strength and unyielding.

call!

Seeing this scene, Yue Feng took a deep breath and felt complicated.

The two sides started fighting. Would you like to go up and help?

However, this stinky girl is so arrogant and domineering, she tortured me half to death before and almost blinded my eyes. She deserves this experience, why should she help her?

boom!

Just when Yue Feng was muttering about this, a dull sound came, and he saw Lingluo was hit on the shoulder by a mountain bandit. At that time, her delicate body trembled, and she was directly shaken back a few steps.

Although Lingluo quickly stabilized her figure, her face was pale and pale, and it was obvious that she was about to lose it.

“Haha...”

At this moment, the leader of the mountain bandit couldn't help but say proudly: “The little girl is very good, but it's a pity that it's hard to support a single tree. Don't you understand that although tigers are fierce, they can't hold back wolves.

” Be obedient, surrender.”

When he said this, the bandit pointed at Lingluo and said proudly: “Girl, my name is Hu Jundong, I hit the palm just now, don't remember the wrong person.”

“But Well, when you marry our eldest brother, you will thank me for connecting with me, haha...”

Om!

The last word fell, Hu Jundong broke out with all his strength, cooperated with the surrounding bandits, and continued to besiege Lingluo.

“Shameless scum!” At this time, Lingluo was embarrassed and angry, and couldn't help scolding: “It's just a bunch of clowns, who rarely knows your name? Don't even want to leave alive.”

When the words fell, Lingluo clenched the dagger tightly and drew a streamer, stabbed towards Hu Jundong's heart.

“Want to kill someone?”

Hu Jundong didn't panic at all when he saw this. He laughed and drew out his long sword, laying it in front of him, blocking Lingluo's dagger.

Chi Chi... The

next second, Hu Jundong waved his long sword, pulled out a few sword flowers, and attacked Lingluo.

At the same time, other mountain bandits also continued to attack from other directions.

Dangdangdang....

The dagger and the long sword continued to collide, and Lingluo was forced back a dozen steps again. Before she could breathe a sigh of relief, a bandit attacked from behind and stabbed her in the waist.

In an instant, the blood donation was sprayed out, and Lingluo's body trembled, almost unsteady.

Damn

Seeing this scene, Hu Jundong was stunned for a moment, and then shouted: "Don't hurt her, if this girl dies, we will lose a sister-in-law."

Saying this, Hu Jundong's sword erupted . When he came out, each move was more severe than the next, vowing to completely suppress Lingluo.

It's over...

At this moment, Lingluo bit her lip and stepped back, feeling a little despair in her heart.

Did you have such bad luck? First, he was chased by a few experts in the rivers and lakes last night, and then he was almost burned to death in that unknown sect ruins.

At this time, it is about to fall into the hands of these mountain bandits.

If they are really caught and become the woman of their boss Wu, it might as well be dead. So as not to embarrass the master.

Master, the disciple has embarrassed you.

Thinking to herself, Lingluo bit her lip tightly, almost bleeding from the bite, and finally turned the dagger and stabbed her heart fiercely.

Yes, although she is young, she has a tough personality and would rather die than be humiliated.

Swish!

Seeing this scene, Hu Jundong and the surrounding bandits were shocked.

Yue Feng's expression changed.

This girl has such a strong personality. If she can't beat her, she will commit suicide?

The next second, Yue Feng reacted. He didn't have time to think about it. He bent down to pick up a stone on the ground, and threw it out...

sigh...

He heard a burst of air, and the stone was like a bullet, blazing. When she came out, she was in the middle of the dagger in Lingluo's hand. At that time, Lingluo only felt a strong force coming, her delicate body trembled, and the dagger flew out of her hand and stuck on a tree not far away.

Immediately, Lingluo recovered and turned her head to look at Yue Feng, her tone full of displeasure and complexity: "Who told you to save me? Mind your own business..."

She didn't like Yue Feng at all. Seeing him knock off his own dagger, he was immediately displeased.

However, she also knew that Yue Feng was doing this because of her. She wanted to scold him a few more times, but she finally held back.

Swish!

At this moment, Hu Jundong and others also reacted one after another, locking on Yue Feng one by one.

"Boy, do you dare to meddle in your own business and court death?" Hu Jundong said coldly.

In his heart, Yue Feng was all tattered and tattered, no different from beggars. Such waste, daring to intervene indiscriminately, is completely self-defeating.

The other bandits stared at Yue Feng, unable to hide their anger.

Hehe...

Facing the glares from Hu Jundong and the others, Yue Feng did not panic at all, but walked over slowly and said with a smile: "You people, it seems that you are all in the rivers and lakes, and now you are bullying a little boy together. Girl, some things can't make sense."

Speaking of which, Yue Feng didn't feel sympathy for Lingluo at all, and he didn't want to help her.

But think about it carefully, this girl is still young, it would be a pity if she was really insulted by this gang of bandits, and more importantly, in the face of such a thing, if Yue Feng stood by and ignored it, it would not be in line with him. The principle of life.

“Go to Nima!”

Hu Jundong frowned when he heard Yue Feng’s words, and then scolded: “Where’s the stinky beggar, it’s your turn to reason with me? Damn it!” The

voice fell, and Hu Jundong’s figure broke out. A fierce punch smashed towards Yue Feng.

Ha ha!

Looking at Hu Jundong rushing in, Yue Feng smiled and did not panic at all.

Although Yue Feng’s strength has not completely recovered, it is more than enough to deal with Hu Jundong.

“Stop it!”

However, at this critical moment, a loud shout suddenly came from the woods, and then, more bandits rushed over.

The one headed is tall and burly, with a strong breath and awe-inspiring presence.

It was Wu Tianlin who had a relationship with Yue Feng.

Haha, it’s really him.

Seeing Wu Tianlin, Yue Feng suddenly showed a smile. When he heard Hu Jundong talking about Wu Boss just now, Yue Feng secretly guessed in his heart whether this Wu Boss could be Wu Tianlin.

After all, there are very few people with the surname Wu, and Wu Tianlin is also a robber, and he has never been seen in Qingyun City before.

Now it seems that Yue Feng’s guess is correct.

Swish!

Seeing Wu Tianlin's appearance, Hu Jundong and the surrounding bandits suddenly became respectful and shouted in unison: "Boss Wu!"

"Boss Wu!"

Then, Hu Jundong pointed to Lingluo and said with great interest : "Boss, we found a peerless beauty, and we are going to capture it to be your wife. Look, this girl's appearance and body are all excellent, and she is worthy of the boss."

After speaking, Hu Jundong tilted his head . Staring at Yue Feng fiercely, he turned his words: "But this stinky beggar has been making trouble, Ma De, he doesn't know whether to live or die. When I take care of him, let's go back to the stockade to celebrate." The

last word fell, and Hu Jundong clenched his hands tightly. The sword rushed towards Yue Feng again.

Really beautiful.

At this moment, Wu Tianlin looked at Lingluo, his eyes suddenly lit up, and he couldn't help but secretly applaud.

In the next second, when he saw Yue Feng, Wu Tianlin's expression changed greatly.

"You bastard!"

At this time, Wu Tianlin was almost scared to death, Ma De, this Hu Jundong is really crazy, dare to say that Mr. Yue Feng is a stinky beggar, still dare to do it?

Under the anger, Wu Tianlin didn't have time to think about it, and immediately rushed over with his figure, knocking out Hu Jundong's long sword, and then slapped him in the face again.

Snapped!

With this slap, Wu Tianlin almost used all his strength, when he heard a crisp sound, Hu Jundong turned around in a circle, and half of his face was swollen.

This...

Seeing this scene, whether it was Hu Jundong, Lingluo, and other bandits around, were all dumbfounded.

What's the situation? How does Boss Wu beat his own people?

Hu Jundong was also beaten, covering his face and looking at Wu Tianlin in confusion: "Boss, you... What are you beating me for? This stinky beggar still wants to be a hero to save the beauty, I will kill him..."

Clap!

Before he could finish speaking, Wu Tianlin slapped him again and scolded: "Shut up for me with your special code, do you know that without Mr. Yue Feng, Qizhou City was betrayed by Ji Beiye long ago. The thief has broken through, the gentleman is a guest of the royal family, how can you be slandered by this bastard?"

What? gentlemen?

At this moment, when they heard Wu Tianlin's name, whether it was Hu Jundong or the bandits present, they were all stunned.

The whole forest was dead silent.

Hu Jundong was completely stupid, staring at Yue Feng blankly, his mind buzzing and blank. Although he has only been with Wu Tianlin for two days, he often hears his acquaintance with Mr. Yue Feng.

It's just that Hu Jundong never thought that the man in front of him, who was like a beggar, turned out to be the famous Mr. Yue Feng.

This bandit leader... know Yue Feng?

At this moment, when Lingluo saw the situation in front of her, her heart was extremely complicated, and at the same time, she felt a little uneasy.

Before, I almost blinded Yue Feng and abused him in every possible way, but this bandit leader respects him so much, will he vent his anger on Yue Feng and deal with me later?

"Sir!"

Just when everyone was shocked, Wu Tianlin walked over quickly and gave Yue Feng a deep salute: "Sir, don't be ill." After

speaking, Wu Tianlin looked at the confused face. Hu Jundong couldn't help but kicked: "Ma De, why don't you hurry up and apologize to Mr.?"

Putong!

This kick directly kicked Hu Jundong into the mud, and immediately got up and bowed to Yue Feng to apologize: "Sir, I have no eyes and I offended Mr. Sir, you don't remember villains, please forgive me."

The ultimate husband in Chinese chapter 6780

Chapter 6780

Hu Jundong at this time is almost crying.

Because he knew very well in his heart that Wu Tianlin admired Yue Feng very much. If Yue Feng did not forgive him, Wu Tianlin would definitely not let him go easily.

call!

Seeing his nervous expression, Yue Feng breathed a sigh of relief and smiled, "Those who don't know are innocent, get up!" Yue Feng did not know how many times this kind of thing had happened, and he didn't take it to heart at all.

Hearing these words, Hu Jundong nodded and bowed his head in thanks, "Mr. Xie, thank you very much!"

Yue Feng smiled, then looked at Wu Tianlin and said, "Brother Wu, I didn't expect to meet you here."

Ha ha!

Wu Tianlin nodded and smiled at Yue Feng: "It means that I have a relationship with your husband."

After saying that, Wu Tianlin looked up and down at Yue Feng, frowned, "Why do you look like this, sir? But you are in trouble?" As he spoke, he subconsciously looked at Lingluo behind him.

call!

At this moment, Hu Jundong said without missing a beat: "Boss, there is something wrong with this woman. When we came just now, she was chasing Mr. Yuefeng." After speaking

, he didn't forget to smile at Yue Feng, his face full of flattery. .

What?

Hearing this, Wu Tianlin's face sank, and he waved his hand: "Tie her to me." Dare to be disrespectful to Mr. Yue Feng and court death.

Whoa!

Hearing Wu Tianlin's order, the surrounding bandits immediately surrounded Lingluo.

Faced with this situation, Lingluo bit her lip tightly. She seemed calm on the surface, but she couldn't panic in her heart. It was okay to deal with a few mountain bandits, but now that dozens of mountain bandits were surrounded, there was no chance of winning.

"Misunderstanding, misunderstanding..."

At this moment, Yue Feng hurried over, stood in front of Lingluo, and smiled at Wu Tianlin: "Brother Wu, this is a misunderstanding." He knew in his heart that Wu Tian Lin is also a straightforward person. If he is made aware of the grudge between him and Lingluo, he will definitely kill her.

Speaking of which, this Lingluo is hateful, but Nian is still young, and Yue Feng can't bear to see her fragrance disappear.

Misunderstand?

Hearing this, Wu Tianlin and Hu Jundong, as well as the surrounding bandits, were stunned.

In the next second, Wu Tianlin reacted and asked curiously, "Sir, what is going on here? Who is this girl?"

This...

Yue Feng scratched his head, a flash of light in his mind. Shan, smiled and said: "To be honest, this girl is my daughter who has been separated for several years, and I just met today."

After speaking, Yue Feng clenched his fists at Wu Tianlin: "I made my brother laugh. "

Speaking of which, the situation in front of you is really difficult to explain, so Yue Feng had to make up random things.

daughter?

For a time, Wu Tianlin and the surrounding bandits were stunned again, and the dark color was even more puzzled.

Swish!

At the same time, Lingluo trembled even more delicately, her delicate face was full of shame and anger, she glared at Yue Feng fiercely at that time: "You stop talking nonsense, who is your daughter?"

This Yue Feng is really hateful, he actually said I am his daughter, taking advantage of me.

This silly girl!

In the face of the reprimand, Yue Feng sighed secretly, then leaned in her ear and whispered: "Girl, you also saw that the boss of this bandit is my friend, if you let him know what you did to me before, even if I don't kill you, I'll slap a few holes in your face."

"If you want to be good, just listen to my arrangement, understand? If you don't cooperate, I don't care about your life or death."

Said At these times, Yue Feng looked serious.

Phew...

Hearing these words, Lingluo bit her lip and fell silent.

"Sir!" At this moment, Hu Jundong reacted and couldn't help but ask: "She...she said just now that her master is Granny Safflower

, why is she your daughter again?"

Several mountain bandits in the group also nodded their heads. When Lingluo reported herself to her family just now, they all heard it clearly.

Faced with doubts, Yue Feng first sighed, and then explained: "This matter is a long story, after my daughter and I were separated more than ten years ago, she was adopted by Grandma Honghua. I have been looking for her all these years, but There is always no clue."

"In her heart, she thought that I had abandoned her, so she refused to recognize me just now, and she had to fight with me."

So...

Hearing this explanation, Hu Jundong and Wu Tianlin, as well as the surrounding The bandits all nodded suddenly.
