### Chapter 6781

Although this remark is a bit unbelievable, it makes sense.

This...

Seeing Yue Feng's seriousness, Lingluo's delicate body trembled, and her heart became even more angry.

This bastard, in order to take advantage, deliberately made up a story...

Thinking to himself, Lingluo couldn't help but glared at Yue Feng.

oops?

Seeing the anger in Lingluo's eyes, Yue Feng couldn't help but secretly smile, this girl, I kindly help you, but you are still not convinced.

Muttering in his heart, Yue Feng immediately waved at Lingluo: "Daughter, don't be afraid, these are all our own people. This uncle is called Wu Tianlin, and he has some friendship with your father and me."

"Before I haven't found you all this time, it's my father's fault, don't be angry with my father, call me father quickly, lest you make uncle Wu a joke."

When he said this, Yue Feng had a smile on his face, but his eyes were full of ridicule.

This little witch is arrogant and domineering on weekdays, with a high-ranking attitude, now take this opportunity to frustrate your spirit.....

Huh!

Hearing Yue Feng's arrangement, Lingluo took a deep breath and was extremely embarrassed.

This bastard still wants me to call him dad in public, it's really disgusting...

But seeing Wu Tianlin and the bandits around her, Lingluo bit her lips tightly, and quickly calmed down again, these people They are all with Yue Feng, if they don't compromise, they will be hard to protect themselves.

But...how can those two words be pronounced?

At this time, Lingluo felt ashamed and indignant, almost crying, and at the same time, she felt unspeakable regret. She knew that this situation would happen, and she should have fully recovered her strength in the ruins...

and this Yue Feng, he saw himself in the ruins before and took advantage of it, and now he wants me to call him dad...

“Oh!”

Seeing that she has been reluctant to call, Yue Feng urged with a leisurely look “Are you shy? Your Uncle Wu is not an outsider, so you don’t need to be nervous...”

Hearing this, Lingluo knew that she couldn’t hide, she immediately parted her red lips and yelled softly at Yue Feng : “Father!”

When she yelled these two words, Lingluo’s face turned red, and she was extremely ashamed in her heart.

To be honest, Lingluo was very reluctant to call Yue Feng’s father, but there was no way, the current situation was very unfavorable to her, the longer it dragged on, the easier it would be to reveal her secrets.

Haha...

Seeing that she finally yelled out, Yue Feng was in an indescribably happy mood. He nodded at that time and said with a smile: “The good girl finally agrees to recognize me, okay, okay.”

Saying so, Yue Feng His face was full of sarcasm.

This little witch, relying on the fact that her master is Honghua mother-in-law, is so powerful, won’t she bow her head in front of me in the end?

Muttering in his heart, Yue Feng couldn’t help but see the figure of Han Bing appearing in his mind. He has been in this world for so long, and he doesn’t know what happened to his daughter and brother Wen.

Wow...

Seeing this scene, Wu Tianlin and the bandits around him also nodded in approval.

Especially Wu Tianlin clasped his fists at Yue Feng, laughed and congratulated: “Congratulations, congratulations, Mr. Yue Feng, you got your wish and recognized your daughter.”

“Such a good thing, you must drink a few cups, haha...”

Yue Feng smiled and nodded: "It's natural."

After speaking, Yue Feng waved to Lingluo again, and said with a smile: "Come on, Show off to Uncle Wu, the first time you meet, you must be courteous."

Yes, Yue Feng did it on purpose, he could see that Lingluo was not convinced, so he intentionally teased her.

You bastard...

Sure enough, upon hearing Yue Feng's words, Lingluo cursed secretly, and the anger rose in her heart, and she almost couldn't hold it back. But thinking of his own situation, he still forcibly suppressed his anger.

The next second, Lingluo walked over slowly and shouted to Wu Tianlin: "Hello, Uncle." Although she forcibly restrained herself, Lingluo still couldn't hide her dissatisfaction on her delicate face.

The sound is also extremely small, if you don't listen carefully, you can't hear it at all.

Haha...

Lingluo's expression changed, Wu Tianlin saw it, but he didn't care at all, he laughed and nodded: "Okay. The niece is so well-behaved, I believe that under the guidance of Mr. The world, haha..."

After speaking, Wu Tianlin smiled at Yue Feng: "Sir, the place where we rest is not far away, why don't we go back and talk in detail?"

### **Chapter 6782**

"Good!" Yue Feng nodded without thinking.

Immediately, Yue Feng and Wu Tianlin and the others rushed through the woods towards the place where they settled down.

Lingluo really wanted to leave immediately, but there was no chance at all, so she reluctantly followed.

call!

Soon, Wu Tianlin came to a large cave, took a deep breath, and smiled at Yue Feng: "Sir, this is it."

Yue Feng nodded, then looked around, and couldn't help secretly approving.

It has to be said that this Wu Tianlin is worthy of being from the imperial guards, so he chose a very good place. The cave is on the mountainside, with a wide view, and the space is not small, enough to accommodate nearly a hundred people.

At this time, Wu Tianlin called Yue Feng and the two to come down from the cave, and then told his subordinates: "Go, fetch some wild game, and also bring out the good wine we have collected!"

"Today, I want Mr. He drank three hundred cups, haha.."

Hearing the order, several bandits responded and quickly went to prepare.

After a while, the people below came back after hunting a few hares, then lit a bonfire in the cave, and began to roast the hare meat. Afterwards, several bandits brought some jars of fine wine.

Chi Chi Chi....

Soon, the aroma of the roasted rabbit meat was overflowing, and the aroma wafted throughout the cave.

"Come!"

This is, Wu Tianlin poured a bowl of wine, and said politely to Yue Feng: "To be able to reunite with Mr. in the near future, a toast."

Yue Feng smiled, and he was not polite. Wu Tianlin touched it, and then the two drank it.

At this time, the people below brought rabbit meat, and Yue Feng immediately grabbed it and ate it. From last night to now, he was really tired and hungry.

Lingluo sat aside and watched coldly.

At this time, seeing Yue Feng drinking and eating meat carelessly, Lingluo felt even more irritable.

Gugugu....

Just smelling the scent of rabbit meat, Lingluo's stomach couldn't help screaming. Just like Yue Feng, she had escaped from last night until now, and she was tired and hungry.

Swish!

Seeing her stomach growling, Lingluo's delicate face suddenly flushed red, and she was very embarrassed.

At this moment, Yue Feng was also taken aback, and then looked at Lingluo with a smile: "My dear girl, eat when you're hungry, don't be shy." When he spoke, Yue Feng was secretly amused.

This little witch probably endured quite a bit.

"I..."

Feeling the ridicule in Yue Feng's tone, Lingluo bit her lips tightly: "I'm not hungry..." Being forced to call him dad before was already a great humiliation, and she must never eat him again thing.

oops? He has a lot of backbone...

Hearing this, Yue Feng couldn't help laughing secretly.

Thinking to himself, Yue Feng looked at Lingluo seriously and said, "Daughter, you have to eat when you're hungry, you can't bear it, besides, we have to spend a lot of energy to get out of this mountain "

Phew...

Hearing this, Lingluo breathed out secretly.

Yes, I have been hungry all the time, how can I protect myself? And how to reunite with Master?

Realizing this, Lingluo no longer cared about her dignity, picked up a piece of rabbit meat, and ate it.

Three rounds of wine.

At this time, Wu Tianlin was a little drunk, and couldn't help asking Yue Feng: "What happened to Mr.? Why are you in such a mess?"

Huh!

Yue Feng took a deep breath and smiled bitterly: "It's hard to say, although Qingyun City has been saved, there are still many troubles." After speaking, he explained the situation of Qingyun City.

Because Lingluo was present, Yue Feng did not mention Li Tiandao.

At the end of the talk, Yue Feng looked at Wu Tianlin and asked curiously: "After we parted last time, didn't you go to Qingyun City, why didn't I see you after that?"

"Oh!" Wu Tianlin Sighing, he said with a wry smile: "At that time, I took my brothers to Qingyun City, but at that time, Ji Beiye's army was stalking the north bank, and a big war was about to break out, so Qingyun City's defense was very strict, and I brought so many brothers, too It attracted people's attention, so I didn't enter directly, but sent two brothers to investigate the situation..."

When he said this, Wu Tianlin paused, with a look of grief and anger on his face: "As a result, I just I learned the news that the Grand Commander was assassinated."

Chapter 6783 Huh

!

Seeing that he mentioned Xing Tiance, Yue Feng took a deep breath and his heart became heavy.

At this time, Wu Tianlin poured another bowl of wine, drank it all, and continued: "When I learned that the commander-in-chief was dead, my first reaction was that there were spies in Qingyun City, so I didn't dare to act rashly. Arrange for the brothers to hide outside the city, and then I will personally bring a few people to investigate the truth."

"The commander-in-chief treats me well, and I can't let him die in vain."

Hearing this, Yue Feng couldn't help but nodded in approval: "That's right. , Commander Xing died too unjustly."

Wu Tianlin nodded, and continued: "I naturally believe that the Commander was killed by a traitor. At that time, I took a few brothers and disguised themselves to investigate secretly in Qingyun City for two days. , I finally know that the mastermind behind the scenes is the city lord."

When he said this, Wu Tianlin clenched his fists tightly, his eyes were bloodshot, and his face was full of resentment.

"The city lord looks good on the surface, but he murdered Zhongliang secretly. How can I spare him? It's just that Qingyun City will fight Ji Beiye the next day, and the city lord's mansion is heavily guarded. I have no chance at all. I had to hide in the dark and wait for the opportunity.

Huh... Hearing

this, Yue Feng couldn't help but take a deep breath, muttering inwardly.

It turned out that Wu Tianlin was in Qingyun City at that time, and even secretly investigated the city lord.

Thinking to himself, Yue Feng didn't interrupt, but continued to listen to Wu Tianlin's narration.

At this time, Wu Tianlin was very excited, took another sip of wine, and said slowly: "Later, the master showed his supernatural power and defeated Ji Beiye's hundreds of thousands of troops. The city owner was afraid that what he did before would be exposed. I took my subordinates and family members and escaped from Qingyun City, and after I received the news, I immediately chased after him."

"Did you catch up?" At this moment, Yue Feng couldn't bear it any longer, and asked.

Wu Tianlin had a complicated expression, smiled wryly, shook his head and said, "No, after the city lord escaped from Qingyun City, he chased in the direction where Ji Beiye's army retreated, and probably had nowhere to go, so he had to join Ji Beiye. "

At that time, I led people to follow behind. Before I had the chance to make a move, the city lord had already met Ji Beiye in a ruined temple. However, Ji Beiye didn't seem to accept him, but executed him on the spot.

" At the time, Wu Tianlin had a happy expression on his face: "As far as I know, that Ji Bei is wild and suspicious, and he probably attributed this disastrous defeat to the city lord."

Wu Tianlin couldn't help but sneer : "The city lord, a despicable villain, died at the hands of Ji Beiye. He really took advantage of him. Alas, it's a pity that I couldn't avenge the commander in person in the end."

This...

Hearing this, Yue Feng was stunned . Where, I didn't speak for a while.

To be honest, Yue Feng thought that after the city lord escaped from Qingyun City, he found a place to hide his name, but he never expected that he would die at the hands of Ji Beiye in the end.

However, this man was two-faced, and he also plotted to kill Xing Tiance, and he deserved it.

"Okay!" With

emotion, Yue Feng raised his wine bowl and smiled at Wu Tianlin: "Although you failed to take revenge with your own hands, Commander Xing will be very comforted by the Spirit of Heaven after knowing everything you have done."

Wu Tian Lin nodded, touched Yue Feng, and then chatted about other things.

Speaking of which, men's friendship is generally established at the wine table. This is absolutely true. Wu Tianlin has a bold personality, and Yue Feng has a generous personality. After a few bowls of wine, they already talk about everything.

call!

Seeing the two talking endlessly, Lingluo couldn't bear it anymore, and kicked Yue Feng secretly.

She was anxious to go back and join Grandma Honghua, how could she stay here all the time?

This stinky girl.

Being kicked suddenly, Yue Feng muttered something in his heart, he turned his head and saw Lingluo's impatient expression, and immediately understood what was going on.

Want to leave when you're full? How can there be such a good thing.

"Oh!"

Thinking to himself, Yue Feng stretched his legs and feet, leaned against the stone wall, and said to Lingluo with a smile: "I walked in the woods for most of the night before, and my whole body is sore, my dear daughter, come and give daddy a beat Beat your back."

After you leave, you probably won't have this chance to enjoy it, so you have to make good use of it.

### **Chapter 6784**

Seeing this situation, Wu Tianlin and the bandits around him all looked calm, without the slightest shock.

After all, it is only natural for a daughter to serve her father.

Swish!

However, Lingluo's delicate body trembled, her face flushed, but her heart was filled with embarrassment and anger.

This Yue Feng is really getting more and more presumptuous, it's fine to take advantage of his mouth, but now he still wants me to beat his back? What are you daydreaming about?

"Ah!"

Seeing her resistance, Yue Feng made a very helpless look: "It seems that this daughter still refuses to recognize me in her heart." After speaking, he deliberately put on a very melancholy look.

When the words fell, Wu Tianlin and the surrounding bandits looked at Lingluo in a complicated way. All the subconscious minds were guided by Yue Feng, thinking that this daughter still had a grudge against her father, it really shouldn't be.

This...

Sensing the eyes of everyone around her, Lingluo bit her lips tightly, feeling angry and depressed at the same time.

This Yue Feng is really hateful, he said this deliberately, as if I was wrong.

Thinking to herself, Lingluo really wanted to turn her face directly, but if she really wanted to do this, she was afraid that these bandits would be rude to her.

"Okay!"

Finally, Lingluo bit her lip tightly and nodded after a lot of entanglement.

In the next second, Lingluo silently walked to Yue Feng's side, put her hands on his shoulders, and gently kneaded him.

Haha...

At this moment, Yue Feng felt the gentle strength from his shoulders, and Yue Feng felt indescribably proud. Even if you are a little witch who is fearless, you are not afraid of me in the end?

With emotion in his heart, Yue Feng still did not forget to continue teasing: "Well, yes, I just can't do enough strength, so try harder."

Bastard...

Hearing this, Lingluo was very angry, but it was not easy to get angry, so she had to endure it. With anger, he silently increased his strength.

Oops....

Seeing this scene, Wu Tianlin next to him was very envious, and couldn't help but sigh: "Sir is really enviable, with such a good daughter, I can enjoy this kind of relationship between father and daughter anytime. It's fun."

Hearing this, Yue Feng couldn't help laughing: "Brother Wu, is also a great man, are you afraid that you won't be able to get a wife?"

Haha.... The

voice fell, and the two looked at each other greatly. laugh.

Immediately, Yue Feng thought of something, and asked Wu Tianlin: "Brother, since the city lord has been executed by Ji Beiye, Commander Xing's revenge is also considered revenge, why do you still take people around and not go to Qingyun? City, serve the little emperor?"

Seriously, Wu Tianlin's strength is not low, and his ability to command troops is not weak, as long as he is diligent and diligent, he will definitely be able to replace Xing Tiance and take the position of the great commander.

Huh... In

the face of the inquiry, Wu Tianlin took a deep breath and his expression became complicated: "How can I say this, I once made an oath to follow the great commander all my life, but now that the great commander is gone, my ambition is also It went out."

After speaking, Wu Tianlin looked like he was hesitating to say anything, and continued: "Besides, I have been a bandit among me. In order to avoid suspicion, I still don't want to cause trouble to Your Majesty. Speaking of which, I It's not bad, I have a group of brothers following me, sharing life and death."

Ah....

Hearing this, Yue Feng took a deep breath and thought silently. Unexpectedly, this Wu Tianlin's mind is quite meticulous, and he can consider so much.

However, what he considered was not unreasonable.

Although there is an urgent shortage of manpower around the little emperor, Wu Tianlin has been a bandit, which is very taboo to the royal family. Even if the little

emperor doesn't feel anything, there is no guarantee that other people will not secretly provoke

... Ruhai, it is also a wise decision for Wu Tianlin to withdraw in time.

"Sir!"

Seeing Yue Feng thoughtful, Wu Tianlin hurriedly said: "Don't worry, even though I, Wu Tianlin, have retreated into the rivers and lakes, I will never do anything that endangers the people.

" Seriously.

"Okay!"

Yue Feng nodded approvingly and said: "I believe in brother's character, come on, let's continue drinking." After the words

fell, the two drank again.

At this time, Lingluo quietly stopped while the two were talking. I thought Yue Feng wouldn't notice.

But she was wrong.

"Oops!"

At this moment, Yue Feng shook his arms, tilted his head and said to Lingluo: "My good daughter is really filial, Dad is very happy, and her legs are a little numb, so please give me a beating."

## **The ultimate husband in Chinese chapter 6785**

Chapter 6785

"You..."

Hearing this, Lingluo was so angry that she almost jumped up, and wanted to say the word 'make progress', but finally held back.

But he made up his mind secretly.

Good you Yue Feng, if you seize the opportunity, you will humiliate me and take advantage of me. Next time you fall into my hands, you will definitely be better off dead.

Thinking about it, Lingluo walked over without saying a word, squatted in front of Yue Feng, raised her jade hand, and gently beat Yue Feng's leg.

Huh...

At this moment, Yue Feng exhaled comfortably, and then continued to chat with Wu Tianlin.

After drinking for more than an hour, Yue Feng saw that the sky was slightly cold, so he got up and said goodbye to Wu Tianlin: "Brother, there is no such thing as a feast in the world. Since you decide to step into the rivers and lakes, then I will not force it."

"I have more . We need to return to Qingyun City, let's just say goodbye here."  
After

being out for so long, I don't know what happened to the little emperor and King Shaoyang, and more importantly, did Feixue and Hong Shao successfully bring Gu Qianqiu to the palace. .

Thinking of this, Yue Feng could not wait to fly back to Qingyun City immediately.

"Okay!"

Seeing that Yue Feng was about to leave, Wu Tianlin nodded, although he was a little reluctant.

At this moment, Lingluo was relieved and finally left. You don't have to play with him all the time. Thinking in my heart, I quickly followed Yue Feng.

The other bandits came over one after another and said goodbye to Yue Feng.

Under the watch of Wu Tianlin's crowd, Yue Feng and Lingluo walked out of the cave and stepped into the mountain trail.

"You... stop!"

After walking a few hundred meters, she was sure that Wu Tianlin and others behind her were no longer in sight, Lingluo couldn't help but yelled at Yue Feng. There was deep resentment in his eyes.

She will never forget the humiliation before.

First he saw me at the Zongmen ruins, then asked me to call him daddy, and even gave him a back rub and a shoulder rub... At this moment, Lingluo wanted to tear Yue Feng into pieces.

Swish!

Hearing this, Yue Feng immediately stopped in his tracks, turned around and looked at her with a smile: "What's the matter? Good girl." Seeing that he still dared to call her good girl at this time, Lingluo

was extremely resentful, and immediately said coldly: "Who are you?" If you humiliate me so much, if you don't kill you, I swear I won't be

a human being." After the words fell, Ling Luoyu shook her hand and held the dagger tightly.

oops?

Seeing this situation, Yue Feng couldn't help chuckling, and said seriously: "Girl, I haven't settled with you for what you did to me before, do you still have the face to trouble me?"

Lingluo said coldly Looking at Yue Feng, his exquisite face was full of killing intent.

"Go to hell!" After a coquettish shout, Lingluo rose up gracefully, and stabbed fiercely at Yue Feng's heart with the dagger.

laugh!

At this time, Lingluo exploded with almost all her strength, and the air around her was violently twisted as her figure passed by.

"Tsk tsk, it's treasonous for a daughter to kill her father."

Seeing Lingluo rushing towards him, Yue Feng didn't panic at all, but laughed and teased, then quickly avoided the dagger stabbed by Lingluo, and then covered himself with lightning speed. With the momentum of the ears, he cut her wrist with a palm and knocked down the dagger.

how is this possible?

The dagger was knocked out, Lingluo's delicate body trembled, her delicate face was full of astonishment.

This Yue Feng, who was abused so badly by me last night, has recovered so quickly...Even if it's a master, it's impossible to do it in such a short time, right?

At this time, Yue Feng did not take advantage of the momentum to pursue, but smiled and said: "How can a daughter beat her father? It's really unfilial. How about it, if you call me dad again, I won't care about it."

Shameless...

Listen Upon hearing this, Lingluo came to her senses, bit her lips and cursed, and then slapped Yue Feng again.

well!

Seeing her so persistent, Yue Feng sighed, shook his head, and then greeted her with a palm.

Boom!

The next second, the palms of the two sides collided, and there was a dull vibration. Lingluo felt an overwhelming force, her delicate body trembled, and she took a dozen steps back. Her delicate face was extremely pale and ugly.

Although Yue Feng hadn't fully recovered, but with the body protection of the red lotus of Dharma Karma, the background was beyond Lingluo's imagination. She couldn't be the opponent in the palm just now.

"You..."

Finally, Lingluo stabilized her figure and stared at Yue Feng closely, completely shocked in her heart.

Before she could finish speaking, Yue Feng lightly interrupted: "Girl, you see that you are young and don't have the same knowledge as you, but if you are obsessed with it, don't blame me for being rude."
