Chapter 6796:

Boom....

Then, the two snake bodies fell with a bang, blood sprayed, and the entire canyon was bloody.

Seeing this scene, Nalan was stunned there gladly, and he couldn't come to his senses for a long time. It seems that the worry just now is superfluous, and I almost forgot that although Zhu Xiansheng is young, he contains great power in his body.

phew....

At the same time, Xiaohu was also stunned, staring at Zhu Xiansheng tightly, his eyes full of shock.

It's so powerful, such a big snake was killed by him so easily.

"Haha...."

Just when the two were shocked, Zhu Xiansheng laughed and cheered: "Roast snake meat and eat." Saying that, he pulled out his long sword, cut off a snake's tail, and then set fire to barbecue.

In Zhu Xiansheng's eyes, it was as if he had just hit a wild game.

shh

After a while, grease came out, and the smell of snake meat also permeated the entire canyon.

Zhu Xiansheng took a bite of it, and then tore off two pieces of snake meat and handed it to Nalan Xinran and Xiaohu: "This snake meat is so fragrant, senior sister, you can also eat it."

Nalan nodded gladly, took the snake meat, and ate it reservedly.

I have been on the road before, and I am indeed a little hungry now.

Little Tiger was a little shocked, looking at the snake meat in front of him dumbfounded, it seemed that he never thought that such a fierce beast, in the blink of an eye, became a delicacy.

"Eat!"

Seeing that Xiaohu was stunned, Zhu Xiansheng put the snake meat into his hand: "It's very fragrant."

Hearing this, Xiaohu slowed down, took the snake meat and ate it.

After eating the snake meat, Nalan happily checked the situation of the little tiger again to make sure that he was okay, and then said: "Your mother is in the woods outside the canyon, you go and join her."

"Thank you!"

Xiaohu nodded, thanked Nalan Xinran and the two, and turned around and walked out of the canyon.

Watching the little tiger walk away, Nalan happily looked back at the cave infested by the big snake on the mountain wall, and said thoughtfully: "Generally, where there are fierce beasts, there must be spiritual grass or treasures.

"Yes?"

Hearing this, Zhu Xiansheng suddenly became interested, clapped his hands and smiled: "Great, eat snake meat and baby take." Senior sister, I'll take a look first.

Whoosh!

Saying that, Zhu Xiansheng couldn't wait to rush into the cave.

"You slow down!"

Seeing this, Nalan cried and laughed gladly, this little junior disciple's temperament was too anxious, and after shouting at that time, he quickly followed.

The cave is deep, the light is dim, and the fishy smell of a large snake is permeated.

"Senior sister! There is a stone door here.

Finally, after walking for more than ten minutes, Zhu Xiansheng found something and shouted excitedly: "There are still strange patterns on it, and it looks like it's a long time ago."

When he shouted, Zhu Xiansheng couldn't hide his excitement.

Nalan hurriedly walked over, and sure enough, he saw a stone door blocking the way, the stone door is four or five meters high and two or three meters wide, with cumbersome patterns carved on it, and in the middle, a pattern similar to gossip is

depicted, and in the eight corners of the pattern, there is a button each, which is very mysterious.

Sure enough, there is a secret.

Seeing this scene, Nalan bit her lips happily, and her heart was inexplicably excited.

At this moment, Zhu Xiansheng discovered something again: “Senior sister, there are words on the stone wall here.... What is written, I can’t understand it at all.

Phew!

Hearing this, Nalan took a deep breath gladly, quickly took a step closer, and saw that the mountain wall on the left was densely written with handwriting, but this handwriting was crooked and very peculiar.

“This... It seems to be the word of the Wu Clan of the Nanyun Continent...” After carefully distinguishing for a moment, Nalan couldn’t help but speak.

The Wu clan is a tribe deep in the mountains at the southern tip of the Nanyun Continent, and for some reasons, the clan is not under the jurisdiction of the Nanyun royal family, but has its own lineage, Retreat deep in the mountains.

The people of the Wu clan, good at poisoning, witchcraft, in the heyday, even the Nanyun royal family did not dare to provoke easily, but after hundreds of years of scenery, it began to decline, and finally completely disappeared in the long river of history.

Nalan Xinran had read an ancient book that recorded the affairs of the Wu tribe and the text of the Wu clan, so at this time, it was clear at a glance that the words of the Wu clan were engraved on this stone wall.

Chapter 6797:

Wu Clan?

Hearing this, Zhu Xiansheng was very curious and asked, “What is the Wu Clan?” “He was only two years old, shallow and curious about everything.

Nalan happily sighed lightly, and said the matter of the witch clan.

After listening to the narrative, Zhu Xiansheng said with admiration: “Senior sister is so powerful, she actually understands so much.

“All right!”

Faced with praise, Nalan smiled happily: “Don’t, let me see what is written on this.”

Saying that, Nalan gladly walked slowly to the stone wall, and read it word by word according to the above words: “Wugu Tianjiu, the first generation of witch kings of the Wu clan, because of the voyeurism of the heavenly machine, there is not much life... The treasures of the Wu clan are specially buried here.

“In the future, the people of my clan will find it, get the treasure, and re-develop the witch clan.”

“If it were not for my people, there would be no place to die.”

After reading the words on the stone wall, Nalan’s delicate face was full of complexity: “It turns out that this is the tomb of the first generation of witch kings of the Wu clan, Gu Tianjiu.

When he said this, Nalan Xinran was a little excited in his heart, and at the same time a little jealous.

Because the stone wall clearly says that this tomb can only be entered by descendants of the Wu clan, and if outsiders break in, they will die without a place to be buried.

“Huh!”

Zhu Xiansheng’s newborn calf was not afraid of tigers, and sneered at this time: “There is no place to die? I don’t believe in this evil, besides, this Gu Tianjiu doesn’t know how long he has been dead, even if there are organs deployed inside, I’m afraid it will be invalid.

When the words fell, Zhu Xiansheng walked over, exerting his strength to eat, intending to push the stone door open. However, this stone gate weighed 10,000 catties, and although Zhu Xiansheng was born with divine power, it could not shake the slightest.

“Let me come!”

Seeing this scene, Nalan said gently: “There is a mechanism inside this stone door, and you can’t push it open with brute force like this.”

Seeing her speak, Zhu Xiansheng quickly retreated to the side.

Phew!

At this moment, Nalan walked to the stone gate gladly, first sighed lightly, and after evolving the rules of gossip in his mind, he began to press several buttons on the stone gate in an orderly manner.

click and wipe....

The moment the last button was pressed, a vibration was heard from the stone door, and then slowly opened.

haha....

Seeing this scene, Zhu Xiansheng was indescribably excited, and clapped his hands: "Senior sister is really powerful, she opened the stone door so easily." At the moment of admiration, his eyes were also a little urgent.

Nalan Xinran was not happy at all, thinking of the words on the stone wall, his heart was a little inexplicably nervous.

Whoosh!

When the stone door was completely opened, Zhu Xiansheng couldn't bear it and quickly walked in.

Nalan gladly followed, and at the same time did not forget to advise: "Junior brother, be careful."

this.....

In the next second, the two entered behind the stone gate and were stunned when they saw the scene in front of them.

I saw that inside the stone door, there was a secret room, the secret room was boxy, and in the corners around it, there were four stone figurines, and the stone figurines faced the middle, making a humble gesture.

In the center of the secret room, there is a round stone platform, the stone platform is carved with dense grooves, carefully identified, it should be a spell symbol, and in the center of the stone platform, there is a blood-red ball.

Obviously, this scene is very much like sacrificing something.

In the innermost part of the secret room, there is also a stone door, but the stone door is smooth and you can't see what mechanism is around.

"Abominable!"

Seeing this scene, Zhu Xiansheng frowned: "This one called Gu Tianjiu is really abominable, and he actually deployed a second stone gate here.

Phew!

Nalan took a deep breath gladly, calmed down and said: "It seems that what is said on the stone wall outside is correct, this place can only be entered by descendants of the Wu clan.

Saying that, Nalan readily pointed to the blood-colored ball on the stone platform: "The descendants of the Wu clan, drop their own blood on this ball, and the second stone door can naturally be opened." It's just a pity that we both are. "

Hearing this, Zhu Xiansheng was stunned, and said unwillingly: "If you say so, our efforts just now have been in vain?"

Hmm!

Nalan nodded gladly, and then said, "Let's go, it's already good that we can get to this secret room." In her heart, this tomb was left by Gu Tianjiu to the descendants of the Wu clan, and it was better to leave in order to respect the deceased.

The ultimate husband in Chinese chapter 6798

Chapter 6798:

Why are you leaving?"

However, Zhu Xiansheng did not mean to leave at all, and spoke: "We can find this place, prove that it is related to this tomb, besides, the Wu clan is afraid that it has long been extinct."

Finally, Zhu Xiansheng looked at the blood-colored ball on the round platform: "I don't believe it, a small round ball can still hold me."

Buzz!

The last word fell, Zhu Xiansheng's strength exploded, and he raised his hand and slapped a palm on the blood-colored ball.

"Junior Brother, don't..."

Seeing this scene, Nalan was taken aback with pleasure, and exclaimed at that time that he was about to stop it. However, it was too late.

bang!

This palm contained Zhu Xiansheng's ten successful powers, and he heard a roar, and the blood-colored ball suddenly exploded.

Seeing this, Zhu Xiansheng's face was full of pride: "It's mysterious, this ball is not strong..." Saying that, Zhu Xiansheng turned back to look at the stone door in the secret room, thinking that the stone door would open automatically.

However, to his disappointment, the stone door did not move at all, and showed no signs of opening at all.

Alas!

At this time, Nalan said helplessly: "Junior brother, you are too impulsive, you ruined this..." Before he finished speaking, there was a violent shaking under his feet.

At the same time, the mountain where the entire tomb was located also shook.

Oops!

Feeling the shaking under his feet, Nalan's delicate face could not hide his nervousness, and said to Zhu Xiansheng: "Quick, this place is going to collapse, let's hurry out."

The moment the words fell, Nalan gladly grabbed Zhu Xiansheng and was about to retreat to the cave behind him.

Boom!

However, at this moment, many stones fell, completely blocking the cave.

Faced with this situation, Zhu Xiansheng also regretted a little, and bowed his head to Nalan gladly: "Senior sister, I was wrong..... I shouldn't have been too reckless just now.

Saying this, Zhu Xiansheng's heart was inexplicably angry.

That person named Gu Tianjiu is really abominable, die and die, and still make so many organs in this tomb

"Okay, now it's useless to say that."

Nalan bit her lip happily and quickly looked around: "Let's find a way to get out, otherwise, we will be trapped here alive."

boom...

As soon as the words fell, the vibration became stronger and stronger, and then Nalan Xinran cracked a gap under his feet, and he didn't react at all, and fell down with Zhu Xiansheng.

It's over!

At this moment, Nalan happily listened to the wind whistling in her ears, and her heart was desperate, knowing that in this way, she should not have brought her junior brother in to investigate.

Thinking about it, Nalan happily hugged Zhu Xiansheng tightly and slowly closed her eyes.

boom.....

The shaking became stronger and stronger, and at the same time, a dark cloud quickly gathered in the sky outside, and then, one after another thunder and lightning tore through the sky, looking from a distance, as if it was about to end the world.

click...

In the next second, a lightning bolt struck the canyon, and suddenly from the tomb, a ray of light spewed out, straight into the sky.

The violent tremor spread throughout Kyushu, and for a time, the masters of the major sects were shocked, and they organized manpower to rush towards the Nanyun Continent.

.....

On the other side, the Tianxin Continent.

Qingyun City, away from the Heavenly Dao Altar.

In the dungeon of the altar, Feixue sat in the corner, her delicate face showing a bit of weakness.

Previously in the woods, after Feixue was caught by Shao Lingfeng, he was taken back to the altar and locked up in the dungeon.

It was late at night, and there was deathly silence outside the dungeon. But Feixue's heart has never been calm.

Shao Lingfeng, this bastard, after catching me, did not send it to Xiao Jue at the first time, Instead, lock me up here, what is the conspiracy?

rustle...

Just as Feixue was thinking about this, there was a sudden sound of footsteps outside the dungeon.

Immediately afterwards, the disciples guarding the door began to shout respectfully:
“Senior Brother Shao!

“Hello Senior Brother Shao.”

“Well, you guys have worked hard, go back and rest, I’ll be alone here!”

“Yes, Senior Brother Shao!”

Soon, the two disciples left.

Shao Lingfeng pushed open the cell door and walked in with a smile on his face.

Chapter 6799:

Hey, hey!”

The moment he came in, Shao Lingfeng’s gaze fell on Feixue, and he said with a smile:
“Feixue, you have been wronged.”

Seeing him like this, Feixue’s delicate face couldn’t hide his disgust, and immediately said coldly: “Don’t come to this set, what are you going to do?”

This man is despicable and shameless, and he is annoyed when he sees it.

Huh...

Shao Lingfeng smiled, walked over slowly, and said: “Feixue, don’t be so repulsive thousands of miles away, you should understand my thoughts about you.”

“Before, in the woods, there were other disciples, you can’t express your position, but now there are only the two of us here. I think it’s time for us to talk honestly.

When he said this, Shao Lingfeng’s face was full of cunning.

Phew!

Feixue took a deep breath and said angrily: “What to talk about?”

Shao Lingfeng smiled and said with a serious face: "Marry me, be my woman, and then we will work for Sect Master Xiao together." Gu Qianqiu is dead, even if he has a will, he wants Yue Feng to inherit the position of sect master, but if you think about it, how many people can support him in the entire Heavenly Dao?

"And Sect Master Xiao is different, he was originally the deputy sect master twenty years ago, and now he succeeds to the position of sect master, which is a matter of course. It's also the trend of the times, so don't be obsessed.

Huh....

Hearing this, Feixue chuckled and ignored it.

Seeing her like this, Shao Lingfeng continued: "Now Sect Master Xiao trusts me very much, if you join again, he will be even happier, as long as we unite as one, we will definitely be able to rise to the top of the Heavenly Dao in the future."

"And Sect Master Xiao is old, although his apprentice is powerful, but after all, he is a female streamer. Maybe in a few years, the entire Heavenly Dao will fall into our hands..."

The words, sincerely, are all Shao Lingfeng's heartfelt words.

However, Feixue was unmoved, and said coldly: "Shao Lingfeng, you don't need to waste your mind, I won't betray the ancient sect master, nor will I betray Yue Feng.

Saying that, Feixue glanced at him coldly: "Moreover, I will not marry you, you die this heart."

The tone is resolute and unquestionable.

Phew!

Seeing that Feixue refused so crisply, Shao Lingfeng was very angry, but he did not have a seizure at that time, but took a deep breath and said: "Feixue, what point am I not worse than Yue Feng?" Why can't you just give me a chance?

As he spoke, Shao Lingfeng stared closely at Feixue, very excited.

Feixue smiled faintly and responded: "Yue Feng is a great hero who stands above the heavens and the earth, he helped King Shaoyang resist the enemy army several times, and later, he defeated Ji Beiye's army in Qingyun City.

"He is astronomical and geographic, omniscient, deeply admired by everyone, and has become a brother with his master, and compared with him, you are a narrow-minded shameless villain."

“You.... It is not worth lifting shoes for him.

you.... It is not worth lifting shoes for him.

Feixue’s words were like a needle stabbing into Shao Lingfeng’s heart, and his face changed at that time, and it was extremely ugly.

“Good, good!”

Finally, Shao Lingfeng reacted, and laughed evilly at that time: “Feixue, I respect you so much, but in your heart, I am so unbearable, very good, since this is the case, then I have no worries.”

When the words fell, Shao Lingfeng quickly walked over, pinched Feixue’s mouth, and stuffed a pill into it.

Boom!

Shao Lingfeng moved quickly, and Feixue didn’t react at all, and immediately swallowed the pill.

“you....”

At this time, Feixue was shocked and angry, and at the same time a little inexplicably flustered: “What are you giving me to eat?”

Shao Lingfeng laughed evilly: “What are you panicking?” I like you so much, how can I poison you? I’m giving you the Joyful Pill that took me hours to get.

“Hehe, as long as you take this pill, no matter how determined a woman is, you will also see a debauchery.”

In the end, Shao Lingfeng couldn’t help but laugh out loud, looking at Feixue’s gaze, also full of madness.

The more you hate me, the more I want you.

“you....”

Hearing this, Feixuejiao’s body trembled, and she was extremely angry: “Shameless... Bastard...”

The ultimate husband in Chinese chapter 6800

Chapter 6800:

Shao Lingfeng did not answer, but leaned aside, quietly waiting for the elixir in her body to attack.

“Bastard!”

At this time, Feixue was still scolding: “You’d better let me go, otherwise, I will tell you not to die well...”

While scolding, Feixue tried to urge the internal force to force the elixir out, but she was instantly pointed, and her power could not be exerted at all.

Gradually, the medicinal effect in Feixue’s body began to attack, his face gradually turned red, and his delicate body trembled faintly.

“Shao Lingfeng, you bastard, give me the antidote...”

At this time, Feixue only felt that there was a heat current in his body, rushing back and forth, biting his lips at that time, and shouted at Shao Lingfeng again.

Hehe...

Shao Lingfeng had been observing the change in her face, and at this time said with an evil smile: “Feixue, do you feel very hot?” Hehe, it seems that this medicine has a good effect.

“Don’t worry, when we have a husband and wife, I will hurt you well.”

While speaking, Shao Lingfeng admired her charming curves, and his eyes were already a little impatient.

“shameless... Scum!”

Hearing this, Feixue almost fainted in anger, and at the same time panicked even more. She clearly felt that under the onset of the medicinal effect, her body was soft, and she couldn’t use any strength at all.

Moreover, the body is hot and itchy, and the taste is simply worse than death...

haha.....

Seeing this scene, Shao Lingfeng knew that the time was ripe, and immediately laughed evilly: “Feixue, isn’t it very uncomfortable?” Let me help you, haha..” When the words fell, he raised his hand to untie Feixue’s acupuncture tunnel.

At this time, Feixue's consciousness was still clear, and the acupoint was solved, and he immediately took a step back and shouted at Shao Lingfeng: "Go away, stay away from me...."

"Hey, hey..."

Shao Lingfeng smiled: "I'm gone, who will give you the antidote?"

When the words fell, Shao Lingfeng raised his right hand, grabbed Feixue's arm, and then got a little closer, sniffed deeply, and said very intoxicated: "It's so fragrant."

"You... Fuck off and let go!

At this moment, Feixue was extremely embarrassed, while scolding, while struggling, but she was soft, there was no strength at all, and she couldn't break free at all.

The more she struggled, the more excited Shao Lingfeng became, and immediately laughed: "Feixue, today you can't escape my palm, you are destined to be my woman, I advise you to accept your life."

Saying that, Shao Lingfeng directly pulled Feixue into his arms and hugged her tightly.

"Feixue, don't worry, I will hurt you well." At this time, Shao Lingfeng smiled and slowly brought his mouth up.

Faced with this situation, Feixue was completely desperate and slowly closed her eyes.

Tears couldn't stop flowing.

Master, Yue Feng.... I'm going to be bullied, and I won't see you guys in the future...

At this time, Feixue's tears fell, and she clearly felt that Shao Lingfeng's mouth was about to touch herself, and in the face of this situation, she couldn't wait to die immediately.

"Stop!"

However, at this moment, there was a shout from the door of the dungeon, and then a slim figure quickly rushed in.

His facial features are delicate and beautiful, and his eyes are shining with anger.

It was Xiao Jue's disciple, Yan Bingyu.

"Mad...."

Good things were disturbed, Shao Lingfeng was very angry, and immediately couldn't help scolding, but scolded until he generally saw that it was Yan Bingyu, and immediately changed his face, and said with a fawning smile: "It turned out to be Yan girl." Didn't Miss Yan go to the main altar with the sect master? Why did you suddenly come back?

When he said this, Shao Lingfeng scratched his head to hide his embarrassment.

Speaking of which, he didn't want to be so low, but there was no way, this Yan Bingyu in front of him was Xiao Jue's only disciple, and the two were like father and daughter, and they didn't dare to offend at all.

Phew!

Hearing the inquiry, Yan Bingyu said coldly: "What do I do, do I still need to report to you?" As he spoke, Yan Bingyu looked at Shao Lingfeng's eyes, full of disdain and contempt.

Yan Bingyu hated womanizers the most, and just now saw that Shao Lingfeng wanted to exert a demon hand on Feixue, and he was very contemptuous in his heart.

Feeling the coldness in Yan Bing's words, Shao Lingfeng did not dare to talk nonsense, and nodded again and again at that time: "Don't dare, don't dare!" "
