Chapter 6806:

Boom....

In the blink of an eye, the golden light burst out, fiercely bombarding the white shield, and a deafening roar was heard, and within a radius of thousands of meters, dust and smoke were everywhere.

Billowing dust and smoke will shroud everyone present, and in an instant, everyone is shocked at the same time, they also want to know the situation of the battle, but the dust and smoke are too big to see clearly.

woohoo... ..

Dozens of seconds later, the dust and smoke gradually dispersed, and I saw that Bai Mingqi was still standing in his original position, and the white shield in front of him had been dispersed, but his body was unscathed, and his expression was indifferent.

boom.....

Seeing this scene, everyone present was taken aback, staring at Bai Mingqi one by one, and his eyes were full of incredulity.

this... This person's strength is also too strong, and he actually blocked the blow of the Heaven-Opening Axe?

What?

At the same time, Sun Dasheng's face also changed, frowning and looking at Bai Mingqi, secretly shocked in his heart.

What exercises does this person practice? The defense turned out to be so strong

Standing below, Wen Ugly and ugly, his brows were locked, and he was secretly contemplative. This Bai Mingqi is a little interesting.

Others can't see it, but Wen Ugly just saw it very clearly, Bai Mingqi just exerted his internal force, triggering the surrounding heaven and earth aura, before blocking Sun Dasheng's blow.

In other words, this Bai Mingqi alone cannot block the Heaven-Opening Axe by relying on his own strength, but the cultivation technique is very unique, and he can use the Heaven and Earth Spiritual Qi....

“Brother Wen!”

At this time, Su Qianyan also found something, and his red lips said lightly: “This Bai Mingqi cultivation technique is a bit unique.” When he said this, Su Qianyan’s delicate face was a little complicated.

Recently, many sects have risen in the rivers and lakes, and the most remarkable thing is this Tianli Sect.

Hmm!

Wen Ugly nodded and said slowly: “This Bai Mingqi is not simple, I am afraid it will not be easy for the Great Sage to win him.

haha.....

Just when everyone was shocked, Bai Mingqi laughed up to the sky and mocked Sun Dashen: “This is the power of the peerless divine weapon? That’s all.

“Still... Your qualifications are mediocre, and you can’t play the true strength of the Sky Axe at all?

Under the mockery, Bai Mingqi couldn’t hide his smugness.

Speaking of which, Bai Mingqi was originally very jealous of Sun Dasheng, after all, Sun Dasheng has been famous for nearly ten years, and after getting the Heaven-Opening Axe, he is even more famous in the world, but after using the Nine Yang Technique to block the attack of the Heaven-Opening Axe just now, his confidence suddenly increased.

Whoops!

Hearing this, Sun Dasheng’s face instantly became extremely ugly, and he shouted angrily: “Okay, I’ll see how capable you really are.” At this time, Sun Dasheng was very angry. He has a violent personality, and at this time he was ridiculed by Bai Mingqi in public, how can he endure it?

buzz.....

The last word fell, and Sun Dasheng’s strength exploded, wielding the Heaven-Opening Axe, and quickly rushed towards Bai Mingqi.

“Good to go!” Bai Mingqi shouted, attacked up, and in the blink of an eye, he and Sun Dasheng fought fiercely in midair.

I saw that the figures of the two sides continued to shuttle back and forth in mid-air, and the terrifying power that erupted caused the entire sky to be distorted.

Although Sun Dasheng had the Heaven-Opening Axe in his hand, Bai Mingqi's Nine Yang Technique could trigger the spiritual power of heaven and earth, and in this case, no one could help anyone.

phew.....

For a while, everyone looked up at this scene, and their hearts were shocked.

At this moment, the weather completely cleared, and the toxic fog in the canyon quickly dispersed.

Boom!

Immediately afterwards, a violent roar was heard, and then the entire canyon shook violently, and then a dazzling green light rose up into the sky.

Seeing this, Sun Dasheng and Bai Mingqi immediately stopped and stared at the canyon tightly.

At the same time, everyone present was very excited.

"The tomb exit is about to appear."

"It's gone, it's about to appear!"

Excited, many people couldn't help but exclaim excitedly.

At this moment, Bai Mingqi was also inexplicably excited, feeling the powerful power of the canyon, and only felt that the blood all over his body was boiling.

"Get ready!"

Soon, Bai Mingqi reacted and shouted at Lu Donghui below: "When the entrance appears, rush in as soon as possible, don't be preempted first." "

"Yes, Master!"

Hearing the order, Lu Donghui hurriedly responded, then greeted his disciples, blocked the entrance of the canyon, waited for the ancient tomb to appear, and rushed in immediately.

Ha ha!

Seeing this situation, Sun Dasheng couldn't help but sneered: "It's really naive to want to occupy the ancient tomb by yourself just because of you people of Tianli Sect." As soon as the words

fell, all the masters of the various sects present also expressed their dissatisfaction.

"Your Tianli Sect is really disgusting."

"You don't follow the rules of the world?"

"You want to stop us? What a joke..."

Hum!

Before everyone could speak, suddenly, a powerful force surged in the canyon, and then, a black vortex condensed and slowly rotated.

Seeing this vortex, everyone was excited.

"Entrance!"

"Entrance of the ancient tomb!"

"Rush..."

Everyone shouted, urging their figures to rush towards the vortex.

Made!

Seeing this scene, Lu Donghui wanted to stop it, but in the end he was powerless. At that time, he didn't have time to think about it, and said to the dozens of Tianli Sect disciples nearby: "Quick, go in and look for the treasure."

Whoosh, whoosh... The

voice fell, Lu Donghui and dozens of disciples rushed into the vortex.

“This group of people are really looking for death!” Seeing the various sects scrambling to rush into Xuan Wo, Bai Mingqi’s face was extremely gloomy. He said coldly at that time, and with a flash of his body, he also rushed in.

Seeing this scene, Sun Dasheng hurriedly said to Wen Chouchou and the others: “Brother Wen, let’s go in quickly too.”

“Okay!”

Wen Chouchou responded, and rushed into the whirlpool with Su Qingyan and the others.

The moment they rushed into the vortex, everyone felt a powerful pressure enveloping them, and the surroundings were pitch black, as if they had entered a chaotic world. Not only that, they also fell rapidly.

Under such circumstances, everyone was inexplicably flustered.

It was the first time that Su Qingyan encountered this kind of situation, she couldn’t help feeling a little uneasy, and couldn’t help but shouted: “Brother Wen, can you hear me?” It was so dark that no one could see anyone, it was really uncomfortable.

“I heard it!”

As soon as the words fell, Wen Chouchou’s voice came: “Sisters and sisters, don’t panic, we will meet up quickly after we land on the ground.”

Hearing the response, Su Qingyan was a little relieved, and replied: “Okay!”

” After a few minutes, Su Qingyan finally landed on the ground.

boom!

The moment her foot stepped on the ground, Su Qingyan immediately used her body skills and moved sideways for a few meters to slow down the impact of the fall. Then she looked around and was stunned.

This...is this tomb?

I saw that there was a narrow stone road in front of me, the road was only half a meter wide, and it was covered with moss. On both sides of the road, there were dense trees and vines. rattan wall. Moreover, many vines bear some brown-yellow fruits.

Su Qingyan knew that these fruits could not be eaten at all, they must be poisonous.

I don't know how thick the rattan wall is. Su Qingyan looked at it and found that she couldn't go through it at all, so she could only walk along the stone road under her feet.

For a moment, Su Qingyan was a little confused.

The scene in front of me gave people the feeling that it didn't look like an ancient tomb at all, but a natural crypt.

"Brother Wen! Are you there?" A

few seconds later, Su Qingyan regained her composure and shouted to the surroundings: "Brother Wen?"

"

Oops! This ancient tomb is too big, Brother Wen and the others must have fallen somewhere else.

Unable to get a response, Su Qingyan secretly calmed herself down, then followed the path and slowly explored the front.

However, at this moment, Su Qingyan didn't know that a furtive figure was quietly following her more than ten meters behind her. The man was in his thirties, well-dressed, and his eyes were fixed on Su Qingyan, revealing a bit of wretchedness.

The man's name is Tian Buyou, and he is a disciple of Sanyuanmen.

Sanyuanmen is an unpopular sect in Dongao Continent, because it is not far from Wenzong, so in recent years, Sanyuanmen has been trying its best to curry favor with Wenzong, and Tian Buyou is very obsessed with Su Qingyan.

It's just that after Su Qingyan followed Yue Feng, she has been living in the Earth Circle Continent, which left Tian Buyou no chance at all.

Chapter 6808

This time there is a vision in Nanyun Continent, Tian Ayumi wanted to join in the fun, but he never thought that he would meet Su Qingyan.

What made him even more excited was that after entering the ancient tomb, he landed not far from Su Qingyan.

Such a great opportunity, Ayumi Tian will not miss it.

At this time, Su Qingyan only wanted to join Wen Chou Chou and the others in her mind, but she never expected that there was a person quietly following behind her.

Rustle...

After walking not far along the path, Su Qingyan quickly stopped. She clearly heard footsteps coming from ahead.

Then, the voice of the other party's conversation also came.

"Elder Lu, is this an ancient tomb? It doesn't look like it."

"Yeah, this place is too weird."

When the conversation sounded, the footsteps were getting closer.

It's them!

Hearing the conversation, Su Qingyan's heart trembled, and her delicate expression suddenly became complicated.

At this moment, Su Qingyan could tell right away that the people talking were exactly the disciples of Lu Donghui and Tianli Sect.

At the same time, Tian Buyou, who was following behind, also frowned secretly, and couldn't help cursing, Ma De, after finally having a chance to be alone with Su Qingyan, he was destroyed.

Cursing secretly, Ayumi Tian hurriedly hid behind the vine wall at the corner.

That is to say, several figures came out from the corner ahead, and the leading one was Lu Donghui.

Swish!

At this moment, when Lu Donghui and the others saw Su Qingyan, they were stunned for a moment, and then their eyes were deeply attracted.

Especially Lu Donghui, his eyes were staring straight.

This Su Qingyan is worthy of being the goddess level of Dongao Continent back then. This appearance and figure are really amazing. And the few disciples around him also stared intently, forgetting where they were for a moment.

Facing the gazes of Lu Donghui and the others, Su Qingyan was very displeased, but she ignored them.

“Oh!”

Finally, Lu Donghui came to his senses, walked over quickly, and said to Su Qingyan with a smile: “It turns out that she is Miss Su, haha, it seems that we are destined by fate, my name is Lu Donghui, and I am the elder of Tianli Sect “

As he said, Lu Donghui looked behind Su Qingyan, making sure she was the only one, and his smile grew wider: “Is Su Meimei alone? It doesn’t matter, since we are so destined, let’s investigate together.”

Said During these times, Lu Donghui’s eyes were still sizing up Su Qingyan, very presumptuous.

“I’m sorry!”

Facing Lu Donghui’s invitation, Su Qingyan’s exquisite face did not fluctuate at all, and said coldly: “I don’t like to form a team with others casually, please go ahead.” The tone was indifferent, showing a refusal Cold outside.

Ha ha!

Lu Donghui was not angry when the invitation was rejected, and said with a smile: “Miss Su, don’t feel embarrassed, we people from the world are going out, don’t we just want to help each other? Besides, this place is so big, it must be dangerous.”

Su Qingyan didn’t bother to talk nonsense: “No need.”

Saying that, Su Qingyan was about to turn around and leave.

However, how could Lu Donghui miss this opportunity? Hurry up and stop Su Qingyan’s way: “Su Meimei, don’t rush away.” When speaking, she has to pull Su Qingyan’s hand.

“Go away!”

This time, Su Qingyan couldn’t help it immediately, quickly dodged, and said coldly: “Do you want to die if you move your hands?”

Ma De!

Seeing this scene, Tian Buyou, who was hiding in the dark, was also very angry.

These villains of Tianli Sect are really shameless, they dare to touch my goddess.

Cursing secretly, Tian Buyou wanted to rush over, but considering his low strength, if he really wanted to show up, he might not be the opponent of Lu Donghui and others, so he held back.

Swish!

Feeling Su Qingyan's contempt, Lu Donghui's smile froze on his face. As an elder of the Tianli Sect, he was considered a person of status. At this moment, Su Qingyan scolded him in front of several disciples. Where should he put his face in the future?

Finally, Lu Donghui came to his senses, and smiled lightly at Su Qingyan: "Miss Su, I invite you with kind words, but you don't give me any face. Isn't that a bit inappropriate?"

"I don't know you well, why should I give you face?" Su Qingyan said coldly, the disgust on her delicate face could not be concealed.

Chapter 6809

"Okay!"

Hearing this, Lu Donghui nodded, and immediately showed his true face: "When we were outside before, our leader said that this ancient tomb belongs to our Tianli Sect. You rushed in rashly, you How should I explain it?"

Seeing him being unreasonable, Su Qingyan's pretty face changed: "It's a joke, you said that this ancient tomb belongs to your Tianli Sect, so it belongs to your Tianli Sect?"

"Nosy?" After the

last word, Su Qingyan turned around and left.

This person is really disgusting. He showed his true face without achieving his goal. What a villain.

"Want to leave?"

Lu Donghui laughed evilly, and then his figure exploded, raised his hand, and hit Su Qingyan on the back.

This woman, if you don't eat a toast and eat fine wine, then don't blame me for being rude.

Swish!

Feeling the danger coming from behind, Su Qingyan's pretty face turned cold, and said coldly: "Want to do it? I'm afraid you won't succeed!" After the words fell, her delicate body quickly dodged Lu Donghui's palm, then drew out her long sword, and stabbed at him quickly .

Chi Chi...

This sword contains Su Qingyan's eight-success power, and it can be clearly seen that the surrounding air is extremely distorted when the long sword passes.

Lu Donghui didn't dare to be careless, and shouted: "Good swordsmanship!"

The moment the voice fell, Lu Donghui quickly backed away, and at the same time took out a pill from his body and threw it into his mouth. And his gaze, intentionally or unintentionally, looked at the yellow-brown fruit on the vine walls on both sides.

The main altar of Tianli Sect is located deep in the mountains and dense forests. The environment there is complicated, surrounded by poisonous palms all the year round, and poisonous insects are everywhere, so most of the people of Tianli Sect are masters of poison use.

Others don't know what the fruits on these vines are, but as an elder of Tianli Sect, Lu Donghui is no stranger to them. This fruit is called Manduo Soul Miracle Fruit. As the name suggests, as long as you eat this fruit, you will lose yourself .

Even if you don't eat it, once the fruit bursts, a unique poisonous gas will be released from it, and the cultivator will faint after smelling it...

Lu Donghui knows his own strength, and if he really wants to fight, it won't be Su Qingyan's The opponent, after all, Su Qingyan has been famous for a long time, and is a well-known and extremely strong man in the world.

But in this ancient tomb, this mandala stun fruit is everywhere around him, so Lu Donghui decided to take a gamble.

call!

At this time, Lu Donghui dodged Su Qingyan's sword, and shouted at several disciples: "Quick, take the elixir first, and then use it together to capture this woman alive."

"Yes, elder!"

Hearing the order, several disciples The disciples of Tianli Sect responded in unison, took out the detoxification pill from their bodies, and took it, then drew out their long swords, and surrounded Su Qingyan.

Clank clang clang...

In the blink of an eye, the two sides fought fiercely.

At this time, Tian Buyou, who was hiding not far away, saw the scene in front of him, and his heart was shocked and anxious.

In Tian Buyou's heart, he thought he was already despicable, but he never thought that Lu Donghui was even more shameless than him, and he would attack the goddess if he couldn't please him.

Thinking to himself, Ayumi Tian wanted to show up, but in the end he held back and decided to see the situation.

At this time, Su Qingyan's side.

Lu Donghui didn't go up with a few disciples, but quickly hid aside, took off two Manduo Confusion Fruits, and secretly waited for the opportunity.

Although the strength of these disciples is not weak, they are not Su Qingyan's opponents.

Bang...

Soon, with a dull sound, a disciple was slapped on the body by Su Qingyan's palm. The disciple immediately turned pale, staggered back, and lost his fighting power.

Speaking of it, Su Qingyan was kind-hearted and did not kill the killer, otherwise, this disciple would have died.

Haha...

Seeing this scene, Tian Buyou immediately smiled, and secretly admired Su Qingyan in his heart.

As expected of the suzerain of Wen Zong back then, she is really powerful. These little bastards of Tianli Sect dare to act presumptuously in front of her, they are simply tired of life.

Um? wrong!

Tian Buyou was excited, when he suddenly saw Lu Donghui standing beside him, he immediately had a bad feeling, something was wrong, this person has been looking like he can't make a move, is there some kind of conspiracy?

The ultimate husband in Chinese chapter 6810

Chapter 6810

Whoosh!

Just when Tian Buyou was thinking about this, he saw Lu Donghui find an opportunity, and suddenly threw the Manduo Soul Miracle Fruit in his hand towards Su Qingyan.

Guozi drew an afterimage in mid-air, and came straight to Su Qingyan's door, the speed was so fast that it could not be suppressed by a first-class hidden weapon.

Seeing Lu Donghui throwing a fruit over, Su Qingyan's exquisite face was full of contempt, she didn't take it seriously at all, and immediately raised her hand with a sword, and quickly split the fruit in half.

Chi Chi Chi...

The moment the mandala ecstasy fruit was chopped, a transparent poisonous gas came out immediately. At that time, Su Qingyan smelled a strong fruity fragrance, so she didn't care, but said coldly to Lu Donghui: "Shameless villain, will you sneak attack secretly?"

When Su Qingyan said this, the eyes of Su Qingyan full of disdain.

At this time, Su Qingyan didn't know that she had been poisoned.

Haha...

Seeing that Su Qingyan had inhaled the poisonous gas, Lu Donghui smiled, feeling very proud.

Immediately, Lu Donghui shamelessly responded to Su Qingyan: "Su Meimei's swordsmanship is excellent, I am no match, I can only use these indecent methods."

Shameless...

Hearing this, Su Light smoke is even more contemptuous.

Speaking of which, since Su Qingyan set foot in the rivers and lakes, she has also met many despicable and shameless villains, but this is the first time she has seen such despicable and self-satisfied people.

Oops...the fruit has poison in it.

At this moment, Tian Buyou, who was not far away, changed his face.

Su Qingyan was nearby, sucking in the poisonous gas without realizing it, but Tian Buyou could see it clearly from a distance, the moment the fruit split open, a puff of mist was released.

“Go to hell!”

At this moment, Su Qingyan shouted coquettishly, and the long sword quickly stabbed towards Lu Donghui’s heart.

This time, Lu Donghui did not dodge, but stood there motionless, looking at Su Qingyan with a half-smile.

hum!

Seeing that the sword was about to hit her, Su Qingyan’s delicate body trembled suddenly, her brows were furrowed, her expression changed, and she felt inexplicably flustered.

Strange, I was fine just now, why is my body limp now, and I can’t exert any strength?

Not only that, but I can’t release the internal force all over my body, and my dantian seems to be suppressed by an invisible force!

This... This is a sign of poisoning.

Realizing this, Su Qingyan was terrified and puzzled. It was strange, when did she get poisoned?

Hehe...

Seeing the change in her expression, Lu Donghui asked with a smile: “Miss Su, what’s the matter? Are you reluctant to kill me?” While speaking, there was a trace of evil smile in his eyes.

Su Qingyan bit her lips tightly and did not respond.

At this time, Lu Donghui looked smug, and his tone was full of jokes: “Miss Su, do you feel that your whole body is sore and weak, and your internal strength has also been suppressed?”

Shua.

At this moment, Su Qingyan’s face changed suddenly, she looked at him in surprise: “How do you know?”

“Hey...”

Lu Donghui smiled evilly: “Of course I know, you are poisoned by the mandala soul ecstasy fruit.” Manduo soul ecstasy

fruit?

Hearing these words, Su Qingyan’s exquisite face was full of doubts, and her heart was extremely shocked. What is this? Never heard of it myself.

Seeing her puzzled face, Lu Donghui picked another fruit from the rattan wall next to her, and said proudly to Su Qingyan: “Miss Su, this is the mandala soul ecstasy fruit, whether you eat it or smell it When you get into the poisonous gas inside, you will lose yourself. How about it? Didn’t you expect it?”

What?

Hearing this, Su Qingyan’s delicate body trembled, both angry and regretful.

This person is really too insidious, this fruit is poisonous, it is really hard to guard against, if I knew it was like this, I shouldn’t have chopped it with a sword just now.

In the next second, Su Qingyan quickly activated her internal force, trying to drive out the poison, but what she didn’t expect was that the more she activated her internal force, the faster the poison would spread in her body.

Just in the blink of an eye, Su Qingyan felt light-headed, dizzy, almost unable to stand still.

Haha...

Seeing this scene, Lu Donghui was full of jokes: “Miss Su, I advise you not to use your internal energy to expel the poison. The poison of this fruit is very domineering. If you do this, it will only be counterproductive. You should obediently accept your fate.”
