Chapter 6821:

Alas!

Faced with the inquiry, Nalan sighed gladly and said complexly: "It's a long story..."

Su Qianyan is a smart woman, seeing her expression at this time, she didn't ask more, but changed the topic: "How to get out of this place?"

"I'm also figuring out the way."

Nalan readily responded, and then noticed Su Qianyan's situation, and spoke: "You are too weak now, let's rest first, and then let's find a way out together."

At this time, Nalan was happy and clearly felt that Su Qianyan in front of him was pale, and his body was also sour and weak, and it was definitely impossible to probe in such a state.

Good!

Su Qianyan nodded, then sat cross-kneeled and began to regain his strength. With Nalan happy to be there, there is no need to worry about safety anymore.

Nalan Xinran quietly guarded the side.

.....

On the other side, the Tianxin Continent.

After more than two hours of hurrying, Yue Feng finally arrived at Qingyun City Palace.

"Sir!"

"Sir is back."

At this moment, seeing Yue Feng returning, the guards guarding the door were all excited, and then quickly prayed to King Shaoyang and Ying Kuang.

Ying Kuang and Shaoyang King were very happy when they got the news, and when they saw Yue Feng, the two sides exchanged pleasantries.

Yue Feng learned that Feixue and Red Peony, as well as Qianqiu, were safe in the palace, and immediately relieved.

King Shaoyang was a smart man, and did not ask too much about the relationship between Yue Feng and the Heavenly Dao, but called a guard and ordered: "You are responsible for this matter, what are your orders, you do your best."

"Yes, Wangye!" The guard answered.

This is, King Shaoyang smiled at Yue Feng: "His name is Bai Haijian, he is the captain of the guard that I just promoted, what is the matter with Sir, although he is ordered."

The relationship between Tiandao and the royal family is delicate, and it is inconvenient for King Shaoyang to appear in person, but when it comes to Yue Feng, he can't leave it alone, so he can only let his subordinates do it.

Phew!

Seeing Shaoyang King arrange this, Yue Feng was very satisfied and nodded, "Thank you Wang Ye." Immediately, after a few pleasantries with King Shaoyang and Ying Kuang, he got up and left the hall.

Once outside, Yue Feng went straight to the place where Gu Qianqiu cultivated.

Soon, when I arrived at the room, I saw where Gu Qianqiu was lying, still unconscious, and the red peony was quietly guarding the side, with a delicate face that could not hide his worry.

"You're back?"

Seeing Yue Feng at this time, Red Peony was very happy, and quickly got up to greet him, and then looked outside: "What about Feixue?" Why didn't I come back with you?

In Red Peony's heart, he thought that Yue Feng was recovered by Feixue, but he didn't see the shadow of Feixue, and he was suddenly a little puzzled.

Flying snow?

Hearing this, Yue Feng was stunned: "Isn't Feixue taking care of the sect master with you?"

"Pregnant!"

At this moment, the red peony reacted, and immediately stomped his foot in a hurry: "Feixue went out to find you a day ago, if I didn't touch you, I'm afraid something happened."

Knowing the situation, Yue Feng couldn't help but worry.

This flying snow, why is he disobedient, and went out to find me alone.

Just as Yue Feng was thinking, Hong Peony couldn't help but say, "Yue Feng, Feixue has a deep affection for you, you must find a way to find her, otherwise, I will not forgive you."

When he said this, Red Peony's delicate face was full of seriousness.

uh.....

At this moment, Yue Feng was very embarrassed, but still nodded: "Don't worry, I will definitely not let Feixue have trouble."

Saying that, Yue Feng called Bai Haijian outside the door and ordered: "White guard, please investigate the Qingyun City branch altar closely, and once there is a whereabouts of the Flying Snow girl, or special circumstances, report to me as soon as possible."

The Qingyun City branch altar has been completely controlled by Xiao Jue, and if something happens to Feixue, it must be related to Xiao Jue. However, at this time, Yue Feng did not know that the branch altar of Qingyun City was already Xiao Jue Handed over to Shao Lingfeng for management.

"Yes, sir, I'll do it right away."

Receiving the order, Bai Haijian answered, and then strode out.

.....

At this moment, Qingyun City left the Heavenly Dao Altar.

In the main hall of the courtyard, Shao Lingfeng sat there, his mood was very depressed.

These two days were really unlucky, first caught Feixue, but before enjoying the gentleness of beauty, the Yan Bingyu suddenly appeared, and then took the person away.

## The ultimate husband in Chinese chapter 6822

Chapter 6822:

What's even more infuriating is that in the past two days, people have been sent out to explore Yue Feng's whereabouts, but there is no clue at all.

Buzz!

Just when Shao Lingfeng was secretly annoyed, a strong aura came from the sky not far away, and immediately after, a figure fell in the courtyard.

Ma De, who dares to break into the altar of heaven's path?

Hearing the movement, Shao Lingfeng's face changed, and he hurriedly walked out, and at this time, many disciples of the branch altar also rushed over.

is him....

When he arrived outside, Shao Lingfeng was shocked when he saw the person coming, and the disciples present were also stunned.

Coming to the fairy wind Dao bone, the momentum is good.

It was Li Muchen, the Great Elder of the Heavenly Dao and known as the Medical Immortal.

At that time, Li Muchen learned that Gu Qianqiu was seriously injured and specially came to Qingyun City to visit, and after learning the situation from Yue Feng's mouth, he went to look for the heavenly material and earth treasure alone.

After searching for a few days, Li Muchen had some clues, but something happened in the middle, so he returned to the Qingyun City altar, intending to discuss with Yue Feng.

Because he has not been in Qingyun City, Li Muchen at this time does not know that this altar has been controlled by Xiao Jue.

Yikes!

At this time, Li Muchen looked at the situation in front of him and immediately frowned: "What are you doing so nervously?"

Saying that, Li Muchen's gaze fell on Shao Lingfeng: "Weren't you expelled from the Heavenly Dao?" Why is it still here?

uh.....

Faced with the questioning, Shao Lingfeng was very embarrassed, and when his eyes turned, he smiled and fawned: "Great Elder, you still don't know, I did something wrong at the beginning, I was expelled from the Heavenly Dao by the sect master, and later I changed my past mistakes and was forgiven by the sect master.

When he said this, Shao Lingfeng couldn't help but secretly speculate in his heart.

Looking at this, the Great Elder still didn't know anything about what happened in Qingyun City, if so, first stabilize him, and then find an opportunity to catch him.

As long as the Great Elder is captured alive, it is another great achievement.

so...

Hearing this, Li Muchen nodded thoughtfully, and at this time, he was thinking about the matter of heaven and earth, so he didn't think much about it. He asked again, "What about Brother Yue Feng and the Sect Master?" Take me to them.

Not right....

Seeing that Li Muchen repeatedly wanted to see Gu Qianqiu, Shao Lingfeng couldn't help but muttered in his heart.

Doesn't this old man know that Gu Qianqiu is dead?

or... Gu Qianqiu didn't die, it was just an illusion created by that Yue Feng at that time?

Thinking of this, Shao Lingfeng only felt that his brain was buzzing, and his heart was also inexplicably nervous and excited, if Gu Qianqiu really suspended animation, it would be troublesome.

This matter must be carefully investigated.

Thinking about it, Shao Lingfeng decided to start with Li Muchen in front of him.

Making up his mind, Shao Lingfeng fawned over Li Muchen and respectfully said, "Great Elder, Sect Master and Yue Feng are not here now.

Not there?

Hearing this, Li Muchen was stunned.

Seeing the change in his expression, Shao Lingfeng continued: "I don't know the specifics, it seems: It is to heal the Sect Master's wounds..." Shao Lingfeng was very cunning, he judged from Li Muchen's words that Gu Qianqiu might not be dead, and he planned to find out the truth at this time.

Therefore, when saying this, Shao Lingfeng has been paying attention to the change in Li Muchen's expression to judge whether his guess is accurate.

Hmm!

At this moment, Li Muchen did not know Shao Lingfeng's thoughts, and immediately nodded, unable to hide his exhaustion: "First prepare a room for me, the old man needs to rest first."

"Okay!" Shao Lingfeng quickly answered and ordered the disciples next to him to prepare.

At the same time, Shao Lingfeng's heart was also extremely excited.

haha... It seems that his guess is correct, Gu Qianqiu is very likely not dead, otherwise, this great elder would not have reacted like this.

A few minutes later, Li Muchen went to the room to rest.

Shao Lingfeng was thinking about countermeasures in the hall.

It is better to send someone to the main altar and tell Sect Master Xiao about the situation.....

No, this seems inappropriate, now the main altar does not know anything, in case it disrupts the plan of the sect master, it will not be good.

This matter, or come by yourself.

Thinking in his heart, Shao Lingfeng turned his head and saw the wine jug on the table, and immediately had an idea.

## The ultimate husband in Chinese chapter 6823

Chapter 6823:

Soon, two hours passed.

Shao Lingfeng felt that Li Muchen was almost rested, so he rushed to the door of the room, knocked lightly, and his tone was very respectful and polite: "Great Elder, are you resting?"

squeak!

As soon as the words fell, Li Muchen opened the door and said lightly to Shao Lingfeng: "What's wrong?" Is it that Yue Feng and the Sect Master have returned?

At this time, in Li Muchen's heart, Gu Qianqiu's injury was a top priority.

"not..."

Shao Lingfeng looked flattering, and said cautiously: "Yue Feng and the sect master have not returned yet, it is like this, I saw the Great Elder all the way to the dust servant, so I specially prepared a few altars of good wine, ready to honor you."

When he said this, Shao Lingfeng's face was urgent and sincere, but there was a hint of cunning in his eyes.

Li Muchen is not only a medical immortal, but also a very good wine, which is already an open secret in the Heavenly Dao.

Good wine?

Hearing this, Li Muchen's eyes lit up: "Don't lie to me."

Seeing Li Muchen's reaction, Shao Lingfeng was excited in his heart, and quickly said with a smile: "How dare I deceive the elder? Those altars of fine wine were treasured by the previous owner of the deer altar.

"Good, good, good."

Hearing this, Li Muchen showed a smile and waved his hand: "Let's go, the old man will taste it."

Shao Lingfeng answered and quickly invited Li Muchen to the front hall.

Well, not bad....

As soon as he entered the front hall, Li Muchen nodded his head in approval, and saw that several exquisite side dishes had been placed on the table, and the two altars of wine next to him exuded an intoxicating aroma.

"The wine is really full-bodied!" Li Muchen sighed, and then strode over and sat down.

Shao Lingfeng quickly opened an altar, filled it for Li Muchen, and said with a smile: "The elder is really an expert, and he smelled it all at once, this is a characteristic of Qingyun City, called Drunken Immortal, brewed from mountain fruit, mellow and strong."

Drunken fairy?

Hearing this, Li Muchen's eyes flashed, and he suddenly became interested, and said with a smile: "This name is interesting, drunken immortal drunken immortal, the old man is a medical immortal, I want to see if I can get the old man drunk, haha..."

Saying that, Li Muchen picked up the wine bowl and drank it down.

haha... This old man was really defenseless, so he drank like this.

Watching Li Muchen drink a bowl of wine, Shao Lingfeng was flattering on the surface, but his heart was extremely ecstatic and excited. Because he drugged in wine.

Shao Lingfeng's plan was simple, wait until Li Muchen fainted, and tie him up. Then interrogate the situation.

Shao Lingfeng himself, taking alcohol and medicine in advance, of course, did not panic.

"Elder."

At this time, Shao Lingfeng was excited in his heart, and couldn't help but ask Li Muchen: "How is this wine?"

"Good wine!"

Li Muchen drank a bowl of wine, his heart was very happy, and he immediately nodded and praised: "Mellow and strong, long aftertaste, this wine is very good, good."

Saying that, Li Muchen dried another bowl.

At this time, Li Muchen did not know that in the fine wine in front of him, Shao Lingfeng ordered something.

Seeing that he was so greedy, Shao Lingfeng said with a smiling face: "Since the elder likes it, drink more." When the words fell, he poured wine for Li Muchen very attentively.

"O elder!"

Then, seeing that the time was almost right, Shao Lingfeng asked curiously, "What is the situation of the sect master?" No one told me that I still don't know the situation..."

Li Muchen glanced at him and said lightly: "What else can there be?" The state of the sect master is very serious, unless there is a heavenly treasure, otherwise, he will never wake up.

"Before, Na Yue Feng used the Silver Needle Technique to help the Sect Master continue his life, so the Sect Master seemed to be dead, but in fact, there was still a breath. The old man has been looking for heavenly materials and earth treasures these days, but it's a pity..."

At the end, Li Muchen waved his hand: "That's it, don't talk about this."

this... Gu Qianqiu really didn't die.

Hearing this, Shao LingfengThe whole person was stunned, and his heart was excited and shocked.

That Yue Feng really has the ability, and he can actually give Gu Qianqiu a new life.

Thinking about it, Shao Lingfeng continued to pour the wine: "Okay, don't say it, let's drink, drink." After that, he continued to pour wine for Li Muchen.

Chapter 6824:

Li Muchen was also not polite, and the wine was dry.

At first, Li Muchen didn't feel anything, but gradually, he felt that something was wrong.

What is the situation? Is this so strong?

At this moment, Li Muchen only felt that his whole head was dizzy, all over his body, under the anesthesia of alcohol, soft, almost unable to sit steadily.

What surprised him even more was that the power in his body seemed to be suppressed.

Not true!

Soon, Li Muchen reacted, put down the bowl, and stared at Shao Lingfeng tightly: "Stinky boy, there is a problem with this wine, do you dare to secretly calculate the old man?" When he spoke, Li Muchen was very angry.

He originally thought that this Shao Lingfeng knew that his mistakes could be corrected, so he was allowed by Gu Qianqiu to return to the Heavenly Dao, but he never expected that this person would go into the ground and act boldly and dare to drug himself in wine.

"Haha..."

Seeing that he had been poisoned, Shao Lingfeng was not happy at all, and immediately laughed evilly: "Old thing, did you only find out now?" But unfortunately it was too late.

snap....

When the words fell, Shao Lingfeng put away his smile, quickly struck, and sealed several acupuncture points on Li Muchen's body.

In an instant, Li Muchen's body trembled, unable to move. At that time, he was furious: "Mess with things, quickly release the old man, otherwise, the old man will cramp and peel you."

When he spoke, Li Muchen's eyes were extremely blood-red, and he almost spewed fire.

However, these words did not pose the slightest threat to Shao Lingfeng, and he sneered at that time: "Don't shout, wait for who will cramp and peel whom, it may not be."

"Come man!"

Saying that, Shao Lingfeng shouted outside, and suddenly several disciples rushed in.

Shao Lingfeng's face was full of pride: "Tie up this old thing, put it in the dungeon first, and I will interrogate it personally at night."

"Yes!"

Hearing the order, several disciples tied Li Muchen up. And then put into the dungeon.

.....

On the other side, Qingyuncheng Palace.

In the room, Yue Feng gave Gu Qianqiu a pulse, and after making sure that there was nothing abnormal, he was relieved.

Immediately, Yue Feng said to the red peony: "Otherwise, you should rest first, Sect Master here I will watch." "This red peony, staying by the side for several days in a row, is also very hard.

"I'm not tired!" Red Peony's delicate face was full of complexity: "Sect Master looks like this, how can I be in the mood to rest?"

Uh...

Seeing her persistent, Yue Feng smiled bitterly and wanted to persuade.

However, at this moment, Bai Haijian walked in quickly and respectfully said to Yue Feng: "Sir, there is a situation away from the Heavenly Dao Altar!"

Hearing this, Yue Feng and Red Peony were excited, thinking that they had found the whereabouts of Feixue.

The next second, Yue Feng asked, "Is it related to the Flying Snow Girl?"

"No!"

Bai Haijian shook his head and responded: "Just now, our people found out that there was an old man who went to the altar to see that the dress should be Li Muchen, a medical immortal who left the Heavenly Dao.

Is it Elder Li?

Hearing this, Yue Feng was stunned.

This is Bai Haijian continued: "We found out the situation, leaving the branch altar of the Heavenly Dao in Qingyun City, it is now controlled by a person named Shao Lingfeng, and the Xiao Jue that Mr. said has never had Mr., I guess it should no longer be in Qingyun City."

this...

At this moment, Yue Feng and Red Peony looked at each other, both of them were very surprised.

Shao Lingfeng's person was despicable and shameless, Xiao Jue actually let him manage the Qingyun City altar?

Muttering in his heart, Yue Feng smiled at Bai Haijian: "Okay, I know, hard work Captain Bai."

"You're welcome, sir!" Bai Haijian replied, and then exited the room.

Phew!

As soon as the front foot left, Yue Feng thought about it, and then said to the red peony: "It seems that I am going to the altar, that Shao Lingfeng is treacherous and despicable, I am afraid that Senior Li will be deceived by him."

Red Peony nodded: "Okay, you be careful."

Yue Feng answered, said a few more words, returned to the room to rest for a while, and waited until nightfall before leaving the palace and rushing towards the altar.

.....

in the dungeon.

Shao Lingfeng sat on a chair with a smug look. Next to him, several disciples stood there quietly.

On the stone pillar opposite, Li Muchen was firmly tied there, shrugging his head at this time, his eyes closed, and he was in a coma.

## The ultimate husband in Chinese chapter 6825

Chapter 6825:

Splash him awake!”

At this time, Shao Lingfeng lightly spit out two words, and suddenly, the prepared disciple next to him immediately took up a basin of cold water and poured it on Li Muchen’s face.

boom...

Stimulated by cold water, Li Muchen immediately woke up. Opening his eyes and seeing his environment, Li Muchen was furious.

In the next second, Li Muchen’s eyes locked on Shao Lingfeng and said angrily: “Messing with things, you dare to abuse my private business against me?” Have you thought about the consequences?

consequences?

Hearing this, Shao Lingfeng’s mouth hooked a trace of gloomy coldness, and mocked: “Old thing, give me less shelves, in the eyes of others, you are a medical immortal, a great elder from the Heavenly Dao, but in my place, you are not a shit.”

“Gu Qianqiu expelled me from the heavenly path for favoritism, do you really think that I will come back and beg him with a dead face?”

When he said this, Shao Lingfeng’s face was full of cold arrogance.

Hearing the implication in these words, Li Muchen frowned: “What do you mean kid?”

“Huh!”

Shao Lingfeng sneered and sneered: “Old thing, it seems that you are really old, your brain is rotten, haven’t you seen it now?” This branch altar of Qingyun City has changed owners, and moreover, there is a new sect master in the entire Heavenly Dao.

What?

Hearing this, Li Muchen was like being struck by lightning, his real body suddenly trembled, and his brain was buzzing.

New suzerainty? How did I not know myself?

At this time, Shao Lingfeng continued: "Forget it, let me honestly tell you, Xiao Jue, who disappeared for more than twenty years a few days ago, came back to succeed the sect master..."

In the next few minutes, Shao Lingfeng gave a general description of the situation.

At the end, Shao Lingfeng looked at Li Muchen with a playful face: "How is it?" Didn't you expect it?

"you..."

At this moment, Li Muchen gradually reacted, and his heart was extremely angry: "You traitor, you dare to betray the ancient sect master, you must not die well."

At this time, Li Muchen, in addition to anger, was extremely remorseful in his heart.

It was really careless, he only thought about the things of heaven and earth, relaxed his vigilance, and actually fell into this kid's trap.

Yikes!

Hearing the scolding, Shao Lingfeng's face sank, and he immediately said coldly: "You still dare to scold me?" Do you really think I dare not touch you? Hit me, hit hard!

When the words fell, a disciple behind him immediately walked over, waved the whip in his hand, and slammed it on Li Muchen's body.

Snap!

The loud whip sounded, Li Muchen's body suddenly twitched, clenched his teeth, did not shout out, but on his forehead, a layer of cold sweat instantly appeared!

Shao Lingfeng spoke coldly: "Tell you, I am now the altar master of Qingyun City, dare to shout at me, it is simply looking for death!"

Snap! Syllable! Syllable!

The whip hit Li Muchen's body all at once, and after a while, he was covered in blood.

Although Li Muchen is old, his personality is extremely tough, and he has been gritting his teeth without shouting.

“All right!”

I don't know how many whips were hit, seeing that Li Muchen couldn't hold it, Shao Lingfeng waved his hand: “Okay, you all step down.”

As he spoke, Shao Lingfeng's eyes flashed with treachery and coldness.

Shao Lingfeng did not intend to kill Li Muchen, after all, he was known as a medical immortal, Shao Lingfeng planned to torture first, and wait until Li Muchen's momentum was not so strong, and then talk about conditions.

“Yes, Senior Brother Shao!”

Hearing the order, several disciples quickly left the dungeon.

For a while, inside the dungeon, there were only two left, Shao Lingfeng and Li Muchen.

“Huh!”

As soon as the front foot left, Shao Lingfeng got up from the chair, slowly walked to Li Muchen, and said with a smile: “Elder Li, you are so old, I don't want to be too cruel, so be it, as long as you promise me a condition, I will release you, how?” ”

“The kid has a fart to let go.” Li Muchen gritted his teeth and coldly spit out a few words.

This time, Shao Lingfeng was not angry, but smiled faintly: “You are known as a medical immortal and have a great reputation in the rivers and lakes, I heard that you have written a book in the past two years, called the ‘Holy Hand Medical Sutra’, which is what you have learned all your life, as long as you are willing to hand it over, I will immediately loosen your ties and send you away.” ”
