

The ultimate husband in Chinese chapter 6831

Chapter 6831 Nalan

is happy?

Hearing this, several disciples looked at each other, and they were secretly shocked in each other's hearts.

Isn't that the eldest lady of the Nalan family?

A few months ago, the Nalan family was exposed to collude with the demon clan, and the major sects attacked it, which finally led to the collapse of the Nalan family, and the generation of goddess of rivers and lakes, Nalan, was happy and disappeared.

Many people speculated that Nalan Xinran had died, but they did not expect to become the senior sister of this little doll.

For a while, several disciples had a doubt in their hearts, who is this little doll? Why is it called Senior Sister Nalan Xinran? What exactly is their relationship with this ancient tomb.

However, thinking of Zhu Xiansheng's terrifying strength, several disciples did not dare to ask more despite their doubts.

"Hey! Seeing

their complicated expressions, Zhu Xiansheng lost patience and said coldly: "I ask you, have you ever seen my senior sister?" "

How stupid these people are.

Belch....

At this moment, several disciples reacted, and then one of them smiled bitterly and said, "Little master, after we came in, we met people from the Heavenly Gate, and I haven't seen your senior sister." When

the words fell, everyone else nodded.

"yes!

Hearing

their answers, Zhu Xiansheng was a little disappointed, but when he learned that someone from Tianmen also came, his eyes immediately lit up: "Go, take me to find someone from Tianmen?" Fast! "

Although Zhu Xiansheng is young, he also knows that his father Zhu Bajie and Yue Feng, the founder of Tianmen, are good brothers who have tacit understanding, as long as they converge with Tianmen, they are not afraid of not finding Senior Sister.

After all, Senior Sister Nalan Xinran also has some relationship with Tianmen.

Yes? Go to the people of the Gate of Heaven?

At this moment, several disciples were shocked in their hearts, and one by one their faces became sad.

Before the sect leader and Sun Dasheng fought each other, the two sides had already torn their faces, and Sun Dasheng was Yue Feng's sworn brother, which was equivalent to indirectly offending the Gate of Heaven, and now the person who took this little doll to find the Gate of Heaven was not asking for trouble?

"How?"

Seeing their expressions, Zhu Xiansheng completely lost patience and said coldly, "Don't you want to?" When

the words fell, Zhu Xiansheng slowly raised his right hand.

Airplanes!

In an instant, a powerful aura erupted from around him and swept the audience.

Feeling Zhu Xiansheng's powerful strength, how many disciples dared to hesitate? They all nodded immediately.

"Willing, willing..."

"Little Master is angry, breathe anger..."

At the same time

as responding, several disciples quickly led the way in front, took Zhu Xiansheng, and walked in the direction where they had encountered Tian Buyou before.

However, the narrow passage outside stretched in all directions, like a huge labyrinth, and several disciples took Zhu Xiansheng for a while, and they began to get dizzy, and they couldn't find the way they came.

For a while, several disciples were sweating profusely, and their hearts were also anxious.

"Hey!"

At this time, Zhu Xiansheng was also impatient, and frowned: "Didn't you say that you saw the people of the Heavenly Gate?" What about people now? "

This...

Several disciples looked at each other, all crying and laughing.

Then, one of the disciples responded, "Little Master, this place is too big, we... We couldn't find the place we had before, but don't worry, we'll definitely take you to someone.

While speaking, this disciple couldn't help but wipe the cold sweat on his forehead.

Swish!

Zhu Xiansheng's face sank, and he said coldly: "You'd better not play tricks, otherwise, I will burn you to ashes one by one." Saying that, he shook his right hand.

Hearing this, several disciples were bitter.

Today is really unlucky, I ran into such a small fiery star.....

Thinking about it, several disciples were about to respond, but at this moment, they heard the movement of fierce battle faintly in the direction of the right passage.

"Haha! Hearing

that someone was fighting, Zhu Xiansheng suddenly became excited, his eyes lit up at that time, and he urged: "Quick, go and see over there." As he spoke, he ran towards the right passage first.

Several disciples glanced at each other and hurried to follow.

.....

At this time, in the square in the ancient tomb.

Sun Dasheng and Wen Ugly and Ugly, and the fierce battle with the Golden Ring Poison Worm continues.

Bang bang bang....

I saw the huge body of the brothers and the Golden Ring Poison Worm, constantly colliding back and forth in midair, erupting into a roar.

The ultimate husband in Chinese chapter 6832

Chapter 6832, especially the Heaven-Opening Axe in Sun Dashen's hand, burst out from time to time with dazzling golden rays,

and its power was amazing.

Speaking of which, Sun Dasheng has thoroughly comprehended the power of the Heaven-Opening Axe over the years, and if he breaks out with all his strength, he can easily kill the Golden Ring Poisonous Worm.

It's just that this is inside the ancient tomb, and this square is not very large, once Sun Dasheng breaks out with all his strength, the power of the heaven-opening axe will definitely cause the collapse of the ancient tomb, and at that time, Wen Ugly and the disciples of the Heavenly Gate present, as well as other sect masters, will be in danger.

Therefore, for the sake of safety, Sun Dasheng did not dare to use too much force.

Wen Ugly was agile, and with the cooperation of Sun Dasheng, he made several detours behind the sudden attack, but the carapace of this disease was too hard to penetrate....

In this case, the two brothers and the Golden Ring Poison Worm slowly formed a stalemate, and no one could help the other.

Call!

Seeing this scene, everyone watching around couldn't help but secretly take a deep breath, indescribable shock.

A battle of this magnitude is really a once-in-a-century event!

At the same time of shock, many people secretly rejoiced in their hearts, fortunately there was the Lord of the Wen Hall and Sun Dasheng today, otherwise, in the face of this golden ring poisonous worm that crossed the calamity realm, I am afraid that those present will not escape doom.

Not far away, Bai Mingqi, who was hit hard, also slowly stood up at this time.

Mardel!

The moment he got up, Bai Mingqi covered the wounds on his body and raised his eyes to look at the fierce battle in midair, his eyes flashing with cruelty.

Today, in this ancient tomb, the protagonist should be me, but now I am robbed of the limelight by Wen Ugly and Sun Dasheng.

In the next second, after Bai Mingqi observed carefully, a smile appeared at the corner of his mouth.

Although these two brothers are powerful, they have already consumed a lot of strength by this golden ring poisonous worm after several encounters, which is a good opportunity for themselves.

At this time, Bai Mingqi clearly felt that Sun Dasheng did not dare to burst out with all his strength, and his hands and feet were restrained, in this case, casting the Heavenly Axe would consume half of his internal strength more than usual.

As for the ugly and ugly figure, it seems that the figure is swift, but his face is pale, and he is also the end of the strong crossbow.

Hey....

Observing this, Bai Mingqi secretly sneered in his heart, you guys fight, when you fight until you lose both, I will go over and clean up the mess.

Making up his mind, Bai Mingqi felt a pill out of his body, threw it into his mouth and took it, then sat cross-kneeled and quickly recovered his strength.

In mid-air, the battle between the two sides became more and more anxious.

“Brother Wen!

At this moment, Sun Dasheng’s face was full of anxiety and shouted: “You attract its attention, I will go around!” “Although Brother Wen is agile, he can’t break through the hard armor of this evil beast after several rounds, and now he can only rely on the heaven-opening axe in his hand.

The two brothers have long had a tacit understanding for so many years.

At this time, hearing Sun Dasheng’s shout, Wen Ugly immediately said: “Good! “

Buzz!

When the words fell, Wen Ugly burst out with all his strength, flashed and levitated in front of the golden ring poisonous worm, and shouted: “Wicked beast, obediently ambushed, I can give you a pain.” The

loud voice echoed throughout the square.

“Cluck...” At

this moment, the golden ring poisonous worm's gaze immediately locked on Wen Ugly, and with a scream, its huge body was like a high-speed train, crashing straight in.

Wen Ugly had already prepared and immediately dodged and dodged.

Sou!

At this time, Sun Dasheng took this opportunity and roared: "Die the evil beast!" When the words fell, Sun Dasheng flew around, holding the Heaven-Opening Axe and slashing at the back of the Golden Ring Poison Worm.

Who knew that this golden ring poisonous worm was very alert, sensing that Sun Dasheng was attacking from behind, and his huge body suddenly arched, and then the long tail flung over fiercely.

The long tail set off a hurricane, fast as lightning, and arrived in front of Sun Dasheng in the blink of an eye.

Seeing this, Sun Dasheng was taken aback, and he didn't have time to think about it, and quickly put the Heaven-Opening Axe in front of him.

Bang!

In the next second, the long tail slammed on the Heaven-opening Axe, and Sun Dasheng only felt that a wave of overwhelming power was coming, and he immediately snorted and was directly pumped out.

After flying dozens of meters away, Sun Dasheng fell heavily to the ground, his face was pale at that time, and a mouthful of blood spurted out.

The ultimate husband in Chinese chapter 6833

Chapter

6833 "Great Sage! Seeing

this, Wen Ugly exclaimed, wanting to rush over to check Sun Dasheng's situation.

However, the Golden Ring Poison Worm didn't give him a chance at all, and his huge body twisted rapidly, and almost in the blink of an eye, he rushed to Wen Ugly Ugly.

The moment it rushed forward, the sharp legs of the Golden Ring Poisonous Worm, like a row of sharp blades, quickly wrestled towards Wen Ugly.

Whoops...

Wen Ugly clearly saw that the cold light of the row of legs, as long as it was touched, it would definitely spill blood on the spot, and there was no time to think about it, so he quickly dodged and retreated.

However, before he could stabilize his figure, the long tail of the golden-ringed poisonous worm had swept over.

Nima!

Faced with this situation, Wen Ugly was shocked and angry, this beast did not know how many years of cultivation in this underground, he had already given birth to spiritual intelligence, and he actually knew how to use false moves...

Cursing secretly, Wen Ugly quickly raised his hand and deployed a protective film in front of him.

Bang!

In the next second, the long tail slammed into the protective film, and Wen Ugly only felt that he was smashed by a thousand-pound boulder, and the mouth sprayed blood, and the whole person was shocked and flew out.

“Cluck! Before

Wen Ugly could get up, the Golden Ring Poisonous Worm let out a burst of hisses, and then rushed up quickly.

“Lord Wen! “

Hall Master..”

Seeing this scene, everyone around couldn't help but exclaim, wanting to rush up to help, but they were powerless.

At this time, Sun Dasheng had already climbed up, and when he saw this situation, he was also shocked, and quickly rushed up, pulled Wen Ugly to the side, and avoided the attack of the Golden Ring Poisonous Worm.

Call!

Dodging this blow, Wen Ugly took a deep breath and couldn't help but smile at Sun Dasheng: “Dashen, fortunately I have you, otherwise, my life would have been explained.”

Sun Dasheng looked proud: “Brother Wen, what do you call this?” We have not seen any scene for so many years, how can we let the evil beasts all the time be destroyed?

Saying that, Sun Dasheng carefully observed the movements of the Golden Ring Poisonous Worm and continued: "This evil beast has a lot of movements, I see that its strength is almost consumed, let's hold on for a while, we will succeed."

As he spoke, Sun Dasheng's face was full of confidence.

Well!

Wen Ugly nodded: "Okay, today we brothers, send it back to our hometown together."
At

this time, Wen Ugly also saw that the movement of this Golden Ring Poisonous Worm was obviously much slower than just now, otherwise, the Great Sage would not have had time to remedy it just now.

Saying that, the brothers rushed towards the Golden Ring Poison Worm again.

Ha ha....

At this time, Bai Mingqi, who was not far away, saw the situation in front of him, immediately laughed evilly, and slowly stood up.

The strength of these two brothers and the poisonous worm is almost consumed, and it is time to make their own moves.

At the same time, in the other direction of the square, several figures are rapidly coming. I saw that the one at the head was young and a two- or three-year-old little doll.

It was Zhu Xiansheng and several Tianli Sect disciples.

Just now in the passage, Zhu Xiansheng heard the movement of the fight, and he was excited at that time, so he hurried over.

At this time, the masters of the various sects around the square all paid attention to the Golden Ring Poison Worm and the two brothers, and did not pay attention to Zhu Xiansheng.

Oh, my God...

Soon, Zhu Xiansheng arrived at the edge of the square, saw the huge gold-ring poisonous worm in mid-air, and suddenly grew his mouth, indescribable shock.

What kind of monster is this? It turned out to be so big...

At the same time, the several disciples behind were also stunned, and one by one they couldn't help but gasp.

This... Such a big poisonous worm:

Moreover, the back is covered with gold rings How young is this to grow so big?

“Haha...” At

this moment, a loud laugh sounded: “Hall Master Wen, Head Sun, this evil beast’s strength is not bad, I will help you.” The groan fell, and a figure rushed into the air.

It was Bai Mingqi.

Seeing him rushing up to help, Wen Ugly and Sun Dasheng looked at each other, and they were both a little surprised.

This person had an arrogant attitude before, claiming that the entire ancient tomb was taught by their heavenly principles, but now why did he suddenly change his sex and come to help us?

But now the situation is urgent, so the brothers don’t think much about it.

6834 In the next second, Wen Ugly said politely at Bai Mingqi: “Labor.”

“Lord Wen is polite.

Bai Mingqi said with a fake smile: “There were many offenses before, I hope the two can ignore the previous suspicions, the strength of this evil beast is very terrifying, if we join forces, I am afraid that it will be difficult for everyone to leave.” Seeing

him say this, Wen Ugly nodded and said, “Not bad, wait for you and me to attract the attention of this evil beast and create an opportunity for the Great Sage to break the armor.” At

this time, Wen Ugly didn’t know that Bai Mingqi in front of him was not really here to help at all. His real purpose is to reap the benefits of the fisherman.

Bai Mingqi nodded: “Just according to the arrangement of the Lord of the Wen Hall!” “

Whoosh!

Wen Ugly didn’t talk nonsense, and immediately flew up and rushed towards the gold-ring poisonous worm.

At the same time, Sun Dasheng quickly circled the rear.

At this time, Wen is ugly and ugly, and his confidence is doubled, and with Bai Mingqi's help, he will be able to quickly kill this evil beast. However, he never expected that the corners of Bai Mingqi's mouth behind him at this time hooked a trace of coldness.

"Go and die! In

the next second, Bai Mingqi burst into a roar, and the figure burst out, and slapped out fiercely, but this palm was not to hit the golden ring poisonous worm, but to the ugly back of Wen Ugly.

What the?

Seeing this scene, the masters of the surrounding sects were all taken aback, and they did not expect that this Bai Mingqi would be so shameless.

At this moment, feeling the danger behind him, Wen Ugly was also shocked, and when he looked back and saw Bai Mingqi suddenly attacking, he immediately scolded angrily: "Are you crazy? What are you doing? Speaking

of which, Wen Ugly knew that Bai Mingqi was unacceptable, but he didn't expect that he would strike at allies when he was on the verge of the enemy.

"Hey, hey! Feeling

the ugly anger of Wen Qiu, Bai Mingqi did not panic at all, and the corners of his mouth hooked a trace of evil: "This sect leader said outside before, whoever dares to break into this ancient tomb is against our Tianli Sect, and the end is only death." The

last word fell, Bai Mingqi's internal force surged, and he struck out with a palm.

Wow!

At this moment, everyone around reacted and pointed at Bai Mingqi and cursed.

"What kind of hero is a raid from behind?"

"You Tianli Sect, can only act like this villain?"

At the same time, Zhu Xiansheng, who was standing at the edge of the square, also frowned and couldn't help but scold: "Who is this person?" It's really shameless, and it actually attacked behind it. "

Uh.....

For a while, several Tianli Sect disciples behind him were all complicated and embarrassed.

The sect leader does not talk about the rules of the rivers and lakes, and these disciples are also a little unable to raise their heads.

At this time, Sun Dasheng was also angry, his eyes were blood-red and blood-red, and he gritted his teeth and roared: "Dog thing, if you dare to hurt my brother Wen without a hair, I will make you die without a place to be buried."

As

he spoke, Sun Dasheng wanted to rush over to stop it, but it was too late.

Bang!

Bai Mingqi shot quickly, Wen Ugly didn't have time to dodge, and was directly slapped on the back, when a dull sound was heard, Wen Ugly spurted out a mouthful of blood, and the whole person was directly shocked out.

Poof...

After flying more than a hundred meters away, Wen Ugly fell heavily to the ground. At that time, a sharp pain came, and Wen Ugly's eyes turned black, and he almost passed out.

Marde!

At this time, Wen was ugly and ugly, very annoyed, he was cautious, but he was still careless, and he was secretly calculated by this villain. He clearly felt that his heart pulse was almost broken, the qi and blood in his body were churning, and the power of the dantian was completely disordered.

With such serious injuries, it is no longer capable of continuing to fight.

Seeing this, Sun Dasheng howled, holding the Heaven-opening Axe and rushing towards Bai Mingqi: "Hurt me Brother Wen, you give me death!"

"Hey, hey!

Looking at the heaven-opening axe in Sun Dasheng's hand, Bai Mingqi's eyes showed a bit of jealousy, but he quickly calmed down, and sneered at that time: "Sun Dasheng, don't worry, it'll be your turn later."

He could see that Sun Dasheng had concerns in his heart, and did not dare to completely burst out the power of the Heaven-Opening Axe.

More importantly, just now he and the Golden Ring Poison Worm fought fiercely for dozens of rounds, and his strength consumed a lot, and at this time it was already the end of the strong crossbow, so there was no need to be afraid of him at all.

The ultimate husband in Chinese chapter 6835

Chapter

6835 Bai Mingqi thought about it, wait to use this Golden Ring Poisonous Worm, continue to consume Sun Dashen's strength, and when he finds an opportunity, he will kill him, and then seize the Heaven-Opening Axe.

As long as you get the Heaven-Opening Axe, killing this poisonous cockle is completely easy.

After that, get rid of Wen Ugly and the masters of various sects present.

Anyway, this tomb is very hidden, and the people outside do not know the situation at all, as long as everything is done cleanly, they are not afraid that today's events will spread to the rivers and lakes.

Marde!

Seeing him so arrogant, Sun Dasheng was furious, and secretly cursed and immediately accelerated his speed.

However, the Golden Ring Poison Worm felt Sun Dasheng's pervasive killing intent, and instinctively threatened, immediately giggled, and the long tail flung over again.

"Wicked beast, get out of here!

Sun Dasheng was almost angry, but he didn't dare to be careless, and quickly urged the figure to quickly dodge.

Seeing this scene, Bai Mingqi couldn't help but laugh out loud: "Sun Dasheng, you can't even deal with a wicked beast, and you still want to kill me?" It's ridiculous..."

Whoosh!

The last word fell, and Bai Mingqi erupted all around and rushed up to join the battle.

In the blink of an eye, the two of them fought with one beast.

I saw that after Bai Mingqi took the pill, his injuries had healed at this time, his figure was as fast as electricity, and the strength of the Golden Ring Poisonous Worm was

consumed a lot, and he couldn't stop him at all, so he could only turn his head to deal with Sun Dasheng.

Yes, this is the most important part of Bai Mingqi's plan.

First seriously injure Wen Ugly, and then use the Golden Ring Poison Worm to deal with Sun Dasheng, and when both sides are exhausted, they will be completely eliminated in one fell swoop.

Wow!

Seeing this scene, the masters of the sects below were all furious.

"It's shameless.

"Yes, this Heavenly Theory Sect Leader, what a scumbag.

At the same time, Wen Ugly was also shocked and angry.

Ma De, this Bai Mingqi's method is too vicious, he actually wants to make both the Great Sage and the poisonous worm lose, and he sits on the profit of the fisherman.

Secretly cursing, Wen Ugly wanted to rush up to help, but he was slapped by Bai Mingqi just now, and he was extremely weak at this time, completely powerless.

"I'm coming!

Just when everyone was furious, a childish voice sounded, and immediately after, a small figure rushed into the air.

It was Zhu Xiansheng!

Shortly after Zhu Xiansheng was born, he was sent to the Holy Sect, and he had never seen Wen Ugly and Sun Dasheng, but he was thunderous about their brother's great name.

Hearing their conversation just now, Zhu Xiansheng quickly figured out the situation, and he couldn't wait to help at this time.

Swish!

In an instant, the eyes of the audience instantly converged on Zhu Xiansheng, and they were all stunned.

"How do you have a child?"

“Where did this little doll come from?” The

surrounding discussions kept coming, and Wen Ugly was also shocked, because he clearly felt that the strength of this two- or three-year-old doll was not weaker than himself.

“Marde!

Finally, Bai Mingqi was the first to react, and looked at Zhu Xiansheng with contempt: “Whose child, hurry up and go aside, don’t get in my way.” In

his eyes, although this doll is not weak in strength, it is always a child, and there is no need to put it in his eyes.

At the same time, Sun Dasheng was also stunned, and then frowned: “Little doll, retreat quickly, it’s dangerous here.” Although he has a hot personality, he is kind-hearted and very considerate of young children, and at this time, seeing that Zhu Xiansheng is just a two- or three-year-old doll, he can’t help but worry.

“It’s just a bug.

In the face of Sun Dasheng’s urging, Zhu Xiansheng looked relaxed and said lightly: “Look at me and cook him later.” “

The voice is not loud, but the face is old.

Belch...

Hearing this, Sun Dasheng cried and laughed, and at that time he had to persuade him to retreat, but before he spoke, he saw Zhu Xiansheng’s figure flashing, and he had already arrived in front of the Golden Ring Poison Worm.

“Cluck...” The

golden-ring poisonous worm saw a white and fat human baby, took the initiative to send it to the door, immediately did not hesitate, let out a hiss, and then opened the blood plate and swallowed it directly.

“Be careful!

“Doll beware! Seeing

this scene, whether it was Sun Dasheng or the masters of the various sects below, they couldn’t help but exclaim, and almost at the same time pinched the sweat for Zhu Xiansheng.
