Chapter

6841 “And this dragon guards a crystal palace deep in the bottom of the lake. In that crystal palace, there are countless heavenly materials and earth treasures...”

When

he said this, Li Muchen’s eyes flashed with a strange brilliance.

Dragon? Crystal Palace?

Hearing this, Yue Feng couldn’t help but muttered secretly, if there really was such a place, that big brother would be saved, just... This is just a rumor, I don’t know if it’s true or not.

Just as Yue Feng was secretly thinking, Li Muchen continued: “That day, I went to the Green Lake, so I went into the water to investigate, and when I reached a depth of 100 meters, I was stopped by an enchantment...”

Saying that, Li Muchen’s face was full of shame: “I think that my strength is not low, but I have never been able to cross the enchantment, so I had to return to you to discuss...”

Enchantment?

At this moment, Yue Feng’s eyes lit up, and he suddenly became interested.

In the depths of that lake, there was an enchantment that could keep Li Muchen out, it seemed... Under that emerald green lake, there is really some mystery.

“Senior.

Muttering

in his heart, Yue Feng took a deep breath and said seriously to Li Muchen: “You recuperate here well, and the matter of finding heavenly materials and earth treasures will be left to me.”

He thought about it, and he would go to the verdant lake to check the situation later.

Li Muchen’s face was full of surprise: “Brother Yue Feng... Are you going alone? When

the words fell, Red Peony was also secretly surprised, and couldn’t help but say: “Listen to the elder, that emerald green lake hides danger, can you do it alone?” How about I accompany you? “

Huh...

Yue Feng smiled lightly and waved his hand, "No need, you stay here to take good care of the elder and Big Brother Gu, I'll go back." "As a master of the Heavenly Emperor, I have never seen any scenes, and a verdant lake naturally does not panic.

Seeing that he had made up his mind, Hong Peony and Li Muchen looked at each other and no longer persuaded.

Yue Feng did not delay, called Baihai Jian to give advice, and then left for the Green Lake.

.....

The other side.

On the emerald green lake, a light boat is slowly moving forward.

I saw that above the light boat, there were three figures standing quietly, one was an old woman with a lean body, and the other two were slim.

It was Mother-in-law Honghua, and her two disciples, Red Peony and Rose.

A few days ago, the Qiu family found Mother-in-law Honghua's retreat, and the two sides fought a fight, when Mother-in-law Honghua let her leave first for the safety of Red Peony.

At that time, Red Peony complied with the mission and forced Yue Feng to flee with her on her back, during which a lot of jokes were made, and later, Red Peony and Yue Feng separated, and on the way back, they met World Rose.

Rose Wei knew the situation and was very anxious, so she and Red Peony returned to the seclusion to look for Master, and when they arrived, they saw that the enemy had retreated, but Mother-in-law Honghua was also injured.

Two days later, Mother-in-law Honghua's injury was better, but to heal completely, she still needed heavenly materials and earth treasures. Knowing that there were dragons in the emerald green lake, and that under the lake, there was a crystal palace with countless treasures, Mother-in-law Honghua brought two apprentices to investigate.

Call!

At this moment, Red Peony looked at the beautiful scenery in front of him, couldn't help but breathe a sigh of relief, and asked: "Master, is there really a dragon in this lake?" "Growing so big, I've always heard legends about dragons, and I've never seen them.

Mother-in-law Honghua always paid attention to the surroundings, and when she heard the inquiry, she responded lightly: "There are rumors that there are dragons hidden in

the emerald green lake, which have been circulating in the rivers and lakes for hundreds of years, but there are few people who have really seen it.

“Whether there is a dragon or not, I am not sure for the master, but since there are rumors, I don’t think it will be for nothing.”

As soon as the

words fell, Rose next to her smiled slightly: “Even if there is no dragon, such a beautiful place, let’s take a tour, it will also help the master to restore his strength.” “

Hmm!

Hearing this, Mother-in-law Honghua nodded approvingly.

Compared with red peony, rose acts steadily and is more likable.

Woohoo... .

As he spoke, suddenly on the calm lake, a strong wind suddenly blew, setting off a huge wave, and in an instant, the boat was violently bumped.

The originally clear sky was also dark clouds.

This... What a situation!

Seeing this scene, Red Peony and Rose were nervous, and quickly grabbed the edge of the boat.

Immediately, Red Peony couldn’t help but say, “What’s going on?” It was fine just now, why does the weather change? As he spoke, Red Peony looked at the huge waves around him, and his face couldn’t hide the nervousness.

Chapter 6842 Mother-in-law

Honghua did not respond, but looked around with a solemn expression. She clearly felt that under the surrounding lake, there was an extremely strong aura fluctuation...

“It’s going to rain heavily.”

At this moment, Hong Peony said indifferently: “Senior sister, you are really making a fuss.”

Woohoo... .

Red peony red lips lightly opened, and was about to respond, but at this time, a huge wave hit the boat, bursting out into a roar, directly drowning out the voices of the two.

Crash....

At this moment, a behemoth burst out of the water and hovered in mid-air.

Hiss...

Seeing this behemoth, whether it was the red flower mother-in-law, or the red peony and rose, their faces changed, and they couldn't help but secretly gasp for air.

I saw that this was a dragon, with a body tens of meters long, covered with dark cyan scales, a pair of eyes flashing with palpitating light, and the terrifying aura around it was almost suffocating.

Dragon... There really are dragons here.

Seeing this scene, Red Peony and Rose were pale, and their hearts were shocked.

Mother-in-law Honghua was also pleasantly surprised, staring up at the huge body of the dragon, and muttered: "It turns out that the rumors are true, there is really a dragon here."

When

she spoke, Mother-in-law Honghua's heart was inexplicably excited.

Since there is a dragon, it means that the crystal palace under the lake really exists, if you get the treasures inside, won't it be invincible in the world in the future?

"Roar! Just

as Mother-in-law Honghua roared excitedly, the dragon let out a loud roar, swooped down, and came straight to Mother-in-law Honghua.

Seeing this scene, Red Peony and Rose trembled and couldn't help but exclaim.

"Master be careful! "

Be careful, Master..." Hearing

the apprentice's exclamation, Mother-in-law Honghua did not panic at all, and at that time there was a battle around her, and she shouted: "My wife has recently learned the strength of this dragon of yours. "

Buzz!

When the words fell, Mother-in-law Honghua's strength broke out, and she went up to fight fiercely with the dragon.

However, the strength of the red flower mother-in-law did not fully recover, and after a while, she was suppressed by the dragon, seeing this situation, the red peony and rose were in a hurry, and wanted to rush up to help, but the boat was so bumpy that they could hardly stand steadily.

Boom!

After a while, the red flower mother-in-law was severely pumped by the long tail of the dragon, only listening to her muffled snort, quickly fell from mid-air, fell into the lake, and disappeared in the blink of an eye.

"Master! Seeing

this scene, Red Peony and Rose were both delicate, but before they could react, the huge body of the dragon rushed over, and the dragon's tail directly slapped the boat into sparseness.

The powerful power came, and Ling Luo and Rose Wei both passed out in front of their eyes as black as they could.

Crash...

The dragon did not pursue, its huge body submerged into the lake, and it disappeared in the blink of an eye. Soon, after the dragon left, the dark clouds in the sky dispersed, and the lake returned to calm.

.....

The other side!

After several hours of hurrying, Yue Feng finally arrived at the Green Lake.

Call!

At this moment, Yue Feng stood on the hillside, looking at the beautiful scenery in front of him, and couldn't help but take a deep breath, this place is really good, the aura is lush, and the scenery is beautiful.

Sighing, Yue Feng urged his figure and flew towards the largest island in the lake.

Well?

When he was about to arrive, Yue Feng frowned, and saw two figures on the shore of the island, motionless, and unconscious.

Seeing this, Yue Feng didn't have time to think about it and quickly landed.

After landing, Yue Feng saw that there were two women in a coma, one slightly older, the other petite, and both extremely charming.

After admiring for a moment, Yue Feng walked over quickly.

Are they?

When he arrived, Yue Feng was stunned when he saw the faces of the two women.

It was Lingluo and Rose.

For a while, Yue Feng couldn't help frowning secretly, this Lingluo naturally knew, the disciple of Mother-in-law Honghua, with a brutal personality and ruthless means.

As for Rose, Yue Feng looked at it for a while before suddenly remembering that it was the beautiful woman he met in the Sunflower Secret Realm before.

Odd...

A few seconds later, Yue Feng slowed down and couldn't help muttering secretly.

How did they get together?

6843 Is it.... This rose is also related to Mother-in-law Honghua?

Forget it, if you meet, there is a fate.

Muttering, Yue Feng carried the two women to the grass behind, and then pressed them among the people, and after making sure that the two women were not in danger of life, he lit a bonfire next to them and waited quietly.

"Hmm!

After a while, Rose let out a low groan and woke up slowly.

After opening her eyes, Rose Wei was immediately startled when she saw Yue Feng: “You... How are you? Halfway through, Rose recognized Yue Feng, and was even more surprised in her heart.

In the next second, Rose Wei slowed down and said in surprise: “Why are you here?” At this time, Rose Wei was very puzzled, isn't this person a disciple of the Bright Moon Gate? How did it end up here? You know, this is thousands of miles away from the Bright Moon Gate.

Belch....

In the face of the question, Yue Feng was a little embarrassed, scratching his head and was about to respond, but at this moment, Ling Luo next to him seemed to have a nightmare, and shouted in his mouth: “Master, Master...”

While

shouting, Ling Luo's hands and feet were also waving indiscriminately.

Seeing this, Rose Wei hurriedly went over and comforted softly: “Junior sister is not afraid, Junior sister is here...”

Sister?

Hearing this, although Yue Feng was prepared in his heart, he was still taken aback.

Looking at this, this rose is also a disciple of Mother-in-law Honghua.

“Senior sister.....,”

At this time, Ling Luo woke up and saw the rose in front of her, and she was happy and terrified: “Woo... Senior sister, I dreamed, Master she...” Before

he finished speaking, seeing Yue Feng next to him, Ling Luo's body trembled, and he was surprised and angry: “Why are you bastards here?”

Saying that, Ling Luo thought that he was blinded, and subconsciously rubbed his eyes.

It's really this bastard.

Before Ling Luo forced Yue Feng to leave the seclusion together, he had been teased by Yue Feng at that time, and finally forced him to call his father, this matter, for Ling Luo, is a great shame, and he will never forget it for the rest of his life.

Seeing Yue Feng again at this time, how not to be angry?

This....

Looking at Junior Sister's reaction, Rose Wei was stunned: "You... Know?"

"Why don't you know? Ling Luo bit her lip tightly and said fiercely, "I recognize him when he turns into ashes." Seeing

her breathless, Rose Wei was even more puzzled in her heart.

"Huh!"

Facing Ling Luo's attitude, Yue Feng was not angry at all, but smiled and said, "Good daughter, isn't it a little inappropriate to see such evil words for my father?" Although

Ling Luo was hateful, Yue Feng didn't bother to think about her.

"You..."

Hearing this, Ling Luo became even more angry and said angrily, "You shut up for me."

"

This Yue Feng is really hateful, which pot does not open which pot.

Seeing that the two were bickering as soon as they met, Rose Wei was curious and crying and laughing.

"Junior Sister!"

The next second, Rose asked, "What the hell is going on?" How did you meet? Ling

Luo snorted coldly and did not respond. I was teased by Yue Feng before, the details are too humiliating, how can I be embarrassed to say it?

Seeing that she didn't say anything, Rose Wei looked at Yue Feng again.

Yue Feng looked indifferent and smiled: "It's nothing, it's just a little misunderstanding." He could see that although this rose was also a disciple of Mother-in-law Honghua, she had justice in her heart and her virtues were much stronger than Lingluo.

In this case, the grudge between himself and Mother-in-law Honghua will not be mentioned.

Oh!

Seeing Yue Feng say this, Rose Wei nodded, and did not ask more, and then changed the topic: "Yue Feng, why are you here?" "

It's not because of your master, who almost killed Gu Qianqiu....

Hearing the inquiry, Yue Feng muttered in his heart, and then said lightly: "I heard that a dragon appeared here, so I specially came to check it out." "

Jiaolong...

At this moment, Rose and Ling Luo looked at each other, and each other's delicate faces became extremely complicated.

Yue Feng didn't wait for her to continue asking, and spoke, "What about you?" "

Whew!

Rose took a deep breath, and her eyes flashed with a little worry: "We are also here to explore the dragon, moreover, we also encountered..." Saying that, Rose Wei said what she encountered before.

At this time, Rose Wei still did not know the relationship between Yue Feng and Gu Qianqiu, so she did not hide it in the slightest.

6844 What? The red flower mother-in-law and the dragon fought fiercely, and then sank in the lake?

Hearing these situations, Yue Feng was stunned at first, and then felt an indescribable relief in his heart.

Retribution, what retribution.

That red flower mother-in-law was unreasonable, secretly calculated Gu Qianqiu's eldest brother several times, and finally harmed Gu Qianqiu lying half-dead, and now she finally got retribution.

Swish!

Rose Wei didn't notice the change in Yue Feng's face, but Ling Luo saw it at a glance, and immediately said coquettishly: "What are you laughing at?" "

Huh?

Yue Feng slowed down and made a very shocked look: "What am I laughing at?" Nope. Ling

Luo snorted coldly, and said unrelentingly: "Don't pretend, you just laughed, my master killed your sworn eldest brother, you are very unconvinced in your heart, now I heard that my master fell into the lake, you are very proud in your heart, right?" When

he said this, Ling Luo was very angry.

What the? Worship big brother?

Hearing this, Rose next to her was full of doubts, and couldn't help but say, "What sworn big brother?" Ling

Luo said without concealment: "Senior sister, don't you still know that this person is called Yue Feng, and his sworn eldest brother is Gu Qianqiu who has left the Heavenly Dao?" "

This....

At this moment, Rose Weijiao's body trembled, and she looked at Yue Feng blankly, her eyes full of incredulity: "You.... You and Gu Qianqiu paid homage..." When she spoke, Rose Wei was shocked, and her tone trembled.

You know, Gu Qianqiu is a famous figure in the rivers and lakes, and the divine dragon can not see the end. And this Yue Feng is just an ordinary disciple of the Bright Moon Gate, and the status of the two is very different.

It is really unexpected that they can worship.

Yue Feng looked at her with a smile and nodded.

For a while, Rose's brain buzzed, and she couldn't figure it out: "You... You are not a disciple of the Mingyue Sect, how can you worship with Gu Qianqiu?"

Without waiting for Yue Feng to answer, Ling Luo interjected, "Senior sister, you really don't know anything, where is he from the Bright Moon Gate?" He was originally a big one, and he had previously helped King Shaoyang resist the Ji Beiye rebels in Qi Zhou City, and he had made great achievements, and he was a guest of the royal family.

"Otherwise, how could Gu Qianqiu worship him?" "

What? Is he that Yue Feng?

Hearing this, Rose Wei was completely stunned, looking at Yue Feng blankly, unable to speak for a long time.

A few months ago, there was a mysterious master helping King Shaoyang resist the rebels, and Rose Wei also heard about it, but she didn't expect that Yue Feng in front of him was the same person as the rumored master.

"That..."

Yue Feng was a little embarrassed by her stare, and scratched his head: "That's sorry, I didn't mean to hide it from you all the time, I was hit hard at that time and was taken in by the people of Mingyue Gate..."

Hearing the explanation, Rose Wei slowed down and nodded, not blaming him in her heart. There was no hostility because he and Gu Qianqiu worshiped.

Speaking of which, Rose Wei was kind-hearted, and she was very sympathetic to the late senior sister, but she did not turn to hate Gu Qianqiu like Mother-in-law Honghua.

In Rose's heart, Gu Qianqiu, like the late senior sister, was a bitter person.

"Senior sister!"

At this moment, Ling Luo pulled Rose away: "Don't pay attention to him!" Saying that, he sat down by the campfire and baked his soaked clothes.

Faced with this situation, Rose was crying and laughing.

Yue Feng didn't bother to care, standing on the shore, looking at the endless lake in front of him, and muttered secretly in his heart, according to Rose's description just now, there was really a dragon under this lake.

It seems that this trip, I have come to the right place.

Thinking about it, Yue Feng looked up at the sky, forget it, it's almost dark, it's better to wait until tomorrow morning, and then go into the water to investigate.

Making up his mind, Yue Feng probed around and soon found a cave where he could rest.

Yue Feng found some hay to spread in the cave, and he was about to lie down and sleep.

"You're not allowed to sleep here."

However, at this moment, Ling Luo walked over quickly, with a brutal face: "Here I will rest with Senior Sister, you go to other places."

When

he said this, Ling Luo glared at Yue Feng, full of hostility.

Ling Luo originally planned to look for Master, but the sisters are both weak now, just now she discussed with Rose Wei and decided to rest first, and when she recovered some strength, she would go into the water to find Master.

6845 Seeing Yue Feng lying in the cave to rest at this time, Ling Luo hurriedly came over to drive away.

Well?

Seeing her unreasonable look, Yue Feng frowned, and then said with a smile: "Good daughter, if you want to rest, you don't need to rush people, it's very big here."

"You..." Hearing

this, Ling Luo was embarrassed: "Do you want to die?" When the words fell, he was about to rush over to teach Yue Feng a lesson, and at this time, Ling Luo, under shame, had forgotten that he was not an opponent at all.

Faced with this situation, Yue Feng smiled indifferently and did not panic at all.

"Junior Sister!

At this moment, Rose Wei walked quickly and stopped Ling Luo: "Don't be impulsive." This place was found by him first, and you come to grab it, there is always something inappropriate.

Hearing this, Ling Luo bit her lip tightly: "But we also need to rest, this place is only this cave, if we don't rest well, how can we go to Master?"

While saying, he didn't forget to glared at Yue Feng fiercely.

This....

Hearing this, Rose bit her lip lightly and groaned.

Yes, the rest is not good, how to go to the master?

Thinking about it, Rose Wei hesitated and whispered at Yue Feng: "Yue Feng, how about you give us this cave?" "The tone is soft, very embarrassing.

"Alright! Seeing

Rose Wei speak, Yue Feng did not refuse, nodded and said, "Then you guys rest, I'll find another place." When

the words fell, Yue Feng got up and walked out of the cave, found a flat grass outside, meditated cross-kneeled, and closed his eyes to recuperate.

Call!

Seeing this scene, Rose Wei gently sighed with relief, turned her head and said to Ling Luo: "Junior sister, people have already given the cave to us, so you don't want to target him everywhere." Hearing

this, Ling Luo was very dissatisfied: "Senior sister, you don't know how hateful this Yue Feng is, when he knew a group of mountain bandits, he forced me to call him father, I didn't kill him, it was already very benevolent." Thinking

of being teased by Yue Feng at that time, Ling Luo felt indescribable shame in her heart.

Seeing her like this, Rose couldn't laugh or cry, and it was not good to say anything more at that time, so she lay down on the hay and rested.

Ling Luo grumbled, and also sat cross-kneeled, recuperating his strength.

Outside the cave!

Yue Feng meditated for a while, then simply lay down and rested.

Time passes by minute by minute.

Rustle...

I don't know how long it took, Yue Feng was in a coma, and suddenly heard a slight noise by the lake not far away.

The dragon appeared?

Hearing the movement, Yue Feng was excited, quickly sat up and looked at it, this look, he was immediately stunned, and saw a huge black shadow, slowly coming towards this side.

I saw that this thing was full of light, this one seemed to be a person wearing a robe, but carefully identified, this thing only had a human-like face, but there was a pair of long horns on the head, arms hanging at the sides, and sharp claws.

By the light on other bodies, flickering on and off, as if there is some switch on the body.

Groove, what is this thing?

Seeing this scene, Yue Feng was surprised, and when the thing was closer, Yue Feng suddenly moved and thought of something.

This... Could it be the rumored Dragon Wai in ancient times?

Yue Feng clearly remembered that in the ancient texts of Kyushu, the Classic of Mountains and Seas, there was a record of an ancient exotic beast, called Yongwei, this exotic beast, like to lie dormant in the abyss waters, its image is like a human face, with sheep horns, tiger claws, and a mysterious light flashing on its body.

I thought that this kind of exotic beast was only available in the Kyushu Continent, but I didn't expect that it could also be seen in this Tianxin Continent.

It seems that in this emerald green lake, in addition to the dragon, there are other powerful existences.

"Whaa

Immediately, his body was like a sharp sword, and he quickly rushed towards Yue Feng.

I go, this speed.

Seeing the weiwei rushing towards him, Yue Feng was taken aback, and he didn't hesitate for a moment, and quickly dodged backwards.

The dragon pounced, did not continue the pursuit, but turned his head and rushed towards the cave.

What's the situation?

Yue Feng couldn't help but frown secretly, and then thought of something, could it be... That cave is the cave where this Yongwei rests?
