Chapter

6851 Thinking to herself, Rose Wei couldn't help but say, "You..." She

clearly saw that Junior Sister Ling Luohun's body was wet, and she couldn't help but think a little more...

Swish!

At this moment, Ling Luo's face instantly turned red, and she didn't know how to respond for a while, after all, she begged Yue Feng for help just now, she was too ashamed, how could she be embarrassed to say it?

At this time, Yue Feng hurriedly hit the circle: "It's nothing, she and I dealt with Yuwei just now, maybe she was too tired." He could see that Ling Luo was very embarrassed, so he couldn't help but help her solve the siege.

So...

Hearing this, Rose nodded, and did not ask more at that time.

In the next second, Rose Wei looked back in the direction of the cave: "That monster called 'Yongwei', the strength is really terrifying." When he spoke, he thought of the scene of fighting with Yuwei just now, and he still had some palpitations.

Saying that, Rose Wei couldn't help but be curious: "Strange, we didn't provoke this monster, why did it come up from under the water and attack us?" Ling

Luo was also a little puzzled.

Call!

Yue Feng breathed a sigh of relief and said with a smile: "As far as I know, Yongwei has not always lived underwater, and this cave should be its resting place.

"We've taken over its place, and it's going crazy." Hearing

this, Ling Luo and Rose Wei nodded abruptly.

But in the next second, Ling Luo thought of something: "Even if it is a place for it to rest, there is no need to fight with us, this is so big, can't it find another place?" Don't... Is there a secret in this cave? "

yes, why didn't I expect that.

At this moment, Yue Feng reacted, immediately slapped his forehead, and said to Ling Luo: "Well... Fortunately, you remind, let's go in and check it out later.

He wanted to say good daughter, but seeing Rose present, he quickly changed his words.

When the words fell, Yue Feng took the lead and walked towards the cave.

Ling Luo's face turned red and she quickly followed.

"Wait for me..." cried Rose, and hurried to catch up.

At this time, the ice in the cave has begun to melt, and the ice melting completely absorbs the heat of the cave, making people feel cold. When the three of Yue Feng came in, they all subconsciously shivered.

"Stinky thing! When

passing through the corpse, Ling Luo couldn't hide her resentment, couldn't help but scold, and then kicked it fiercely.

Belch....

Seeing that she made the child temperamental, Yue Feng and Rose Wei were crying and laughing.

However, at this moment, a click was heard, and a green thing fell out of the corpse.

"What is it? Ling Luo was surprised, quickly picked it up, and held it in her hand to look at.

At this moment, Yue Feng and Rose Wei also hurriedly surrounded them.

I saw that this was a fist-sized bead, with a halo flowing on the surface, which was somewhat different from the spirit beast Neidan, and it was very peculiar.

Ling Luo and Rose Wei couldn't recognize what it was, they were secretly surprised.

"This..."

Yue Feng frowned secretly, and while thinking, he said: "This should be the 'inner dan' of this dragon wei, but he is a strange beast, so it is very different from the inner dan of ordinary spirit beasts. Saying

that, Yue Feng took the bead and studied it, but when he looked at it, he couldn't see anything famous.

"Let's go inside and take a look.

At this moment, Rose suggested, "Maybe there is something in it."

Yue Feng nodded in agreement, and then the three of them continued to probe inside the cave. It's just that this cave is not big, and the three of them turned around and did not find anything suspicious.

"Strange!

Ling Luo was very bored, and couldn't help but say: "Is this just a resting place, we all think too much?"

Rose Wei also gave up, and said gently: "Forget it, it's almost dawn, let's quickly rest, tomorrow morning we have to go into the water to find Master." "When I think that Master is not alive or dead, my heart is uncomfortable.

Ling Luo nodded, and then the sisters found a dry place and began to rest.

Yue Feng couldn't rest at all, holding the beads thoughtfully.

That's not right!

Just now, Na Weiwei was so desperate, which shows that this cave is not as simple as a resting place, but why is there no clue?

Unable to figure it out, Yue Feng urged the power of the Red Lotus of the Law Master to inject it into the beads.

6852 Buzz!

At this time, Yue Feng was completely unintentional, but what he didn't expect was that as soon as the power was injected into it, the beads suddenly burst out with a dazzling green light.

The light reflected on the stone wall in front of him, and he saw runes looming on the stone wall.

Immediately afterwards, an enchantment emerged, and at the same time, the powerful power of the enchantment also swept the entire cave.

Ha ha....

Seeing this, Yue Feng showed a hint of a smile, surprised and delighted.

It turns out that the mystery is here.

It seems that the previous guess was good, just now that the enchantment was so desperate, because there is an enchantment in this cave, and this enchantment is hidden, and only the power of the enchantment can be opened.

And this bead was transformed by the power essence of Yue Wei, so after Yue Feng stimulated the power inside, the enchantment of this hidden layer naturally emerged.

“What’s moving?”

“What happened?” At

this moment, the two sisters Ling Luo and Rose Wei were instantly awakened, and they all got up to check the situation, and when they saw the enchantment that appeared in front of Yue Feng, they were immediately stunned.

A few seconds later, Rose was the first to react, quickly walked to Yue Feng’s side, and said in surprise: “This... This is the enchantment?”

At the same time, Ling Luo also walked over and stared at the enchantment in front of him, his delicate face full of incredulity: “There is an enchantment here, we didn’t find it before.” “

Whew!

Yue Feng took a deep breath and explained the situation.

After speaking, Yue Feng couldn’t hide his excitement: “It seems that our previous guess is correct, this cave really has a secret, I just don’t know what is behind this enchantment.”

“So what are you waiting for?”

As soon as

Yue Feng’s words fell, Ling Luo couldn’t wait to say, “Let’s go in and take a look.” When the words fell, he hurried over, wanting to pass through the enchantment.

“Don’t be impulsive! Seeing

this, Yue Feng cried and laughed, and immediately shouted. This girl is really reckless, this is an enchantment, how can she easily pass through?

At the moment of shouting, Yue Feng wanted to stop it, but it was too late.

Bang!

As soon as Ling Luo approached the enchantment, the enchantment erupted with a powerful force, directly shocking her back. At that time, Ling Luo's body trembled, and she took a few steps back, and her delicate face was also pale.

After stabilizing his figure, Ling Luo was shocked: "What a strong force." Seeing

this scene, Rose Wei was very worried, and quickly walked over, seeing that Ling Luo was not in any trouble, she couldn't help but smile: "Junior sister, you are too reckless, let's be careful, I think Yue Feng must have a way."

Saying that, Rose couldn't help but glance at Yue Feng.

Although she didn't have much contact with Yue Feng, Rose Wei didn't know what was going on, and she always felt that this man in front of her had nothing she couldn't do.

Well!

Ling Luo nodded, and became honest at this time.

Yue Feng groaned, observed the range of enchantment shrouded in front of him, and then groaned, silently urged the power of the Red Lotus of Fa Ye, and then raised his hand and waved a flame.

Whoops...

In an instant, the flames collided with the enchantment, and a large hole melted out in an instant.

This...

Seeing this, Rose Weijiao's body trembled, and her delicate face was full of shock, although she knew that Yue Feng had a way, but seeing him so easily break a big hole in the enchantment, her heart was still shocked.

Ling Luo was also inexplicably excited, looking at Yue Feng's gaze, he also showed a little admiration.

Although this Yue Feng is a little hateful, I have to say that the strength is too strong. Unexpectedly, the enchantment was broken so quickly, such a method, I am afraid that the master will not be able to do it.

“All right!

Yue Feng did not pay attention to the eyes of the sisters, smiled slightly at this time, said two words, and should have passed through the enchantment hole first.

Ling Luo and Rose reacted, they were both excited, and hurried to follow.

Call!

Passing through the enchantment and seeing the scene in front of him, whether it was Yue Feng, or Ling Luo and Rose, they couldn't help but take a deep breath and couldn't say what was excited.

I saw that in front of me was a dark passage, the dark passage was arched, obviously carved out by hand, smooth and flat, and the stone walls on both sides were not ordinary stones, but crystal clear crystal stones, and the light outside the cave penetrated in, dazzling and dazzling.

Chapter

6853 is like a crystal passage.

Wow....

After a few seconds, Ling Luo was the first to react, and couldn't help but praise: “Are these crystal stones?” It's so beautiful.

Rose Wei's eyes also flickered, and she couldn't hide the shock.

Yue Feng was also amazed, and at the same time muttered in his heart.

It turned out to be a secret passage of a crystal stone, crystal stone.... It seems that the rumors of a crystal palace under this verdant lake are not groundless, they really exist.

“Go!

Excited, Yue Feng said a word, and he approached the crystal passage first, probing inside.

Rose Wei and Ling Luo were both excited, and hurried to follow.

The crystal passage was very long, winding all the way down diagonally, and he didn't know where it led, but Yue Feng knew by feeling that it was the direction of the bottom of the lake.

Swish!

After walking for about a few minutes, Yue Feng suddenly stopped, pricked up his ears, and his face became solemn.

At this time, Yue Feng clearly felt that in the cave he entered, it seemed that someone had entered, and listening to the footsteps, there were quite a few people.

Seeing him stop, the sisters also quickly stopped.

In the next second, Rose Wei couldn't help but say, "Yue Feng, why didn't you leave?" Ling Luo next to him was also full of surprise in his eyes.

Yue Feng has the Red Lotus Protective Body of the Law Master, and also has the Yuan God, and his perception is very keen, and he can hear the situation in the cave behind, while the strength of the two Rose is still shallow, so he naturally can't perceive it.

Yue Feng breathed a sigh of relief and said lightly: "Someone has come in." "

Anyone?

Hearing this, the sisters looked at each other, and they were secretly shocked by each other.

Rustle....

Just as they were wondering, they heard a sound of footsteps coming from behind them, accompanied by the sound of people talking.

"Marde, scare me, what is the corpse in the cave just now?"

"Who knows? This emerald green beard is strange everywhere, and it is rumored that there are dragons haunted..." "

"I'll go, are there crystal stones on this stone wall?" Hahahaha... It seems that we are lucky, rumors in the rivers and lakes, there is a crystal palace at the bottom of this lake, and now it seems that the rumors are true, this passage is actually crystal stones..."

The

sound of dialogue continued to come, and the footsteps were getting closer and closer.

Hearing this movement, Yue Feng frowned.

Ling Luo and Rose Wei glanced at each other, and their delicate faces also flashed with complexity.

Crash!

Soon, I saw seven or eight people slowly walking towards this side, these people are not low in strength, the weakest is also the sixth grade, and the strongest is the eighth grade.

Moreover, these people are fierce and evil, and they are obviously not good.

Someone?

Soon, these people found Yue Feng and the three, and they were all stunned.

“Gee. In

the next second, a beard at the head looked Xia Yue Feng up and down, and finally his eyes fell on Ling Luo and Rose, and he was immediately deeply attracted.

At the same time, several accomplices behind him also looked straight.

I saw that Ling Luo and Rose, one petite and delicate, the other charming and moving, especially after a fierce battle with Yongwei before, the strength of the two women did not recover, and their delicate faces showed a bit of fatigue, which was a special style.

“Oops!

Finally, Luo Xihu reacted, looked at Ling Luo, and then looked at Rose, and couldn't help but smile evilly: “I really didn't expect that in this cave, I could still meet two peerless beauties.” When

the words fell, the companions behind him all laughed evilly.

“Boss, we are not shallow today. “

Hahaha... Not bad! “

Luo Xihu is called Yan Yitao, is a newly rising Jiangyang thief in the rivers and lakes, this person has a perverse personality, does all evil, but is very moral, so less than a year after his debut, he won over a few younger brothers.

Today, Yan Yitao took his little brother to pass by the emerald green lake, and learned that there were dragons here, and there was a crystal palace hidden at the bottom of

the lake, which contained countless treasures, at that time, Yan Yitao moved his heart and took people to investigate around, and finally happened to find the cave where Yue Feng's three people were.

Swish!

Being stared at by Yan Yitao like this, Rose Wei was uncomfortable, but it was not easy to get angry, his strength had not recovered, and this person in front of him, all of his strength was not weak, really fighting, not an opponent.

Luo was ashamed and indignant, and shouted on the spot: "Where did the madman come from? Looking for death?"

Oops?

In the face of the reprimand, Yan Yitao was not angry at all, but looked at Ling Luo with interest: "The little beauty is petite and delicate, but her temper is not small."

As he spoke, he beckoned his companion to approach slowly.

In Yan Yitao's heart, although the three people in front of him are also people in the rivers and lakes, there are many people on their side, so there is no need to be afraid at all.

Faced with this situation, Ling Luo was embarrassed, immediately pulled out his long sword, and said coldly: "A bunch of things that don't know the height of the sky and the earth, tell you, my master is a mother-in-law of the red flower, if you dare to come here, I will make you die here one by one."

As

he spoke, Ling Luo's angry face revealed some arrogance. After all, the name of the red flower mother-in-law, Mighty Jianghu, no one is not afraid of.

Red flower mother-in-law?

Sure enough, hearing this, Yan Yitao and several companions behind him all changed their faces.

If it was a disciple of Mother-in-law Honghua, it would be difficult to do.

Call!

Soon, Yan Yitao reacted, looking at Ling Luo and Rose Wei's tired appearance, and immediately laughed evilly: "It turns out to be a disciple of Honghua senior, hehe, I have always admired Honghua senior, but I have never had the opportunity to see it, and it is also a blessing for Sansheng to meet her disciple today."

"Hehe, speaking of which, we should be closer and closer."

Yan Yitao was very cunning, he could see that Ling Luo and Rose in front of him had just experienced a fight. If Mother-in-law Honghua were there, they wouldn't be so embarrassed.

So Yan Yitao concluded that Mother-in-law Honghua was not nearby.

Since Mother-in-law Honghua is not here, what else is there to be afraid of?

"What do you want? Ling Luo bit her lip and said coldly.

When he said this, Ling Luo's delicate face did not fluctuate in the slightest, but his heart was also a little panicked.

"Hey, hey!

Yan Yitao smiled and said slowly: "You guys came here to find the rumored Crystal Palace, since we are so close, let's go together." He

said politely, but his eyes couldn't stop swimming on Ling Luo, very presumptuous.

Swish!

Hearing this, Ling Luo refused without thinking: "We don't like to partner with others."

As soon as the words fell, Yan Yitao's face became gloomy.

Ma De, in recent years, I have never seen any scenes, but now I hit a wall in front of a little girl, where to put it behind?

At this time, several companions behind him couldn't help but scold Ling Luo.

"Girl, don't be ignorant!

"That is, it is your honor that our boss can explore with you." Hearing

these words, Ling Luo was so angry that she couldn't help but make a move, but at this critical moment, Yue Feng stepped forward and secretly patted her hand, signaling not to be impulsive.

In the next second, Yue Feng showed a hint of a smile and said to Yan Yitao: "Since this eldest brother wants to accompany him, we naturally can't ask for it." The tone was polite and a little flattering.

Speaking of which, Yue Feng didn't want to be so low, with his strength, if he wanted to leave, Yan Yitao and these people couldn't stop him at all. But if you really want to fight, Yue Feng has no problem caring for himself, but it is difficult to ensure the safety of Ling Luo and Rose, after all, they are all weak now.

Therefore, considering the safety of Ling Luo and Rose, Yue Feng decided to deal with these people.

Hearing this, whether it was Rose Wei or Ling Luo, they were a little anxious, what happened to this Yue Feng, these people in front of him were not good at first glance, and he also promised to join the other party....

Yue Feng secretly shook his head at the sisters, signaling them not to panic.

Seeing him like this, Ling Luo had to endure dissatisfaction, and Rose Wei secretly calmed down.

Swish!

At this moment, the gazes of Yan Yitao and the others suddenly converged on Yue Feng.

In the next second, Yan Yitao looked Yue Feng up and down: "Who are you?"

Yue Feng smiled slightly: "I am their senior brother and the disciple of Mother-in-law Honghua." "Mother-in-law Honghua almost killed Gu Qianqiu, Yue Feng didn't want to be involved with her from the bottom of his heart, but in order to win the trust of Yan Yitao and these people, he had to temporarily wronged himself.

Well!

Yan Yitao nodded, did not doubt at that time, smiled and nodded: "Well, I can see that you are a person who knows the time, very good." "

The ultimate husband in Chinese chapter 6855

Chapter

6855 said, Yan Yitao changed his tone: "However, what benefits can you bring us?"

When

saying this, Yan Yitao couldn't help but glance at Ling Luo and Rose, these two

beauties can be pleasing to the eye, as for this man, if it is worthless, there is no need to carry it all the way.

Call!

Faced with the questioning, Yue Feng's mind turned quickly and slowly said, "I know the layout of the Crystal Palace below, and I can guide you." "

Yue Feng is also a man, naturally knowing what this Yan Yitao is thinking in his heart, he deliberately made up a lie at this time.

Well?

At this moment, Yan Yitao suddenly became interested: "Do you know the layout of the Crystal Palace? There was amazement in his words.

At the same time, Ling Luo and Rose, as well as those companions, also looked at Yue Feng in surprise.

Especially Ling Luo and Rose, looking at Yue Feng at this time, they were a little elusive.

This...

What is this Yue Feng going to do? Knowing that the other party's mind is not correct, he still flattered them so much, moreover, he knew about the layout of the Crystal Palace, why didn't he say it before?

Seeing the puzzled faces of the two women, Yue Feng gave them a look of not to panic, and then replied to Yan Yitao: "It's not a secret, I got a treasure map before, and the treasure map is painted on the layout of the Crystal Palace."

When he said this, Yue Feng looked sincere.

"Haha!

Hearing this, Yan Yitao was very proud, and immediately showed a smile and said: "Good, good, then you will lead the way." At this time, Yan Yitao was very excited.

Today, luck ah, not only met two beautiful women, but also a person who knows the layout of the Crystal Palace, and when he successfully finds the Crystal Palace, he will be rich.

"Good!

Yue Feng replied, and then smiled at Ling Luo and the two, "Since this friend is so interested, let's partner with them." While saying, Yue Feng secretly winked at them.

Ling Luo was originally very reluctant, but when he saw Yue Feng's eyes, he didn't say more.

Rose Wei also calmed down at this time, and nodded at that time, she knew in her heart that Yue Feng would not please this gang for no reason, and there must be a reason for him to do so at this time.

Yue Feng didn't say much, took the two of Lingluo, and explored the way in front.

Yan Yitao and his companions followed closely behind.

Along the way, Yan Yitao and several people, while marveling at the crystal stones on both sides, admired the charming figures of the two sisters of Lingluo.

Ling Luo heard them pointing behind and commenting on herself wantonly, and she was very ashamed in her heart, and she had to have seizures several times, and finally she held back.

Call!

Unconsciously, after walking for half an hour, his eyes suddenly opened up, at this time, the scene in front of him, whether it was Yue Feng, Ling Luo and Rose, as well as Yan Yitao and those people, they all opened their mouths and marveled.

I saw that in front of me was a huge palace complex, and this palace complex, all made of crystal stone, looked crystal clear from afar, and it was not majestic, and it was full of brilliant light, which was intoxicating....

Crystal Palace!

At this moment, Yue Feng took a deep breath, and his heart was also impatiently excited.

There really is the Crystal Palace.

Ling Luo and Rose Wei both trembled and were stunned.

"Haha..." Yan Yitao

behind him was even more excited, and couldn't help laughing: "Get rich, the rumored crystal palace really exists, haha..."

Laughing

, Yan Yitao couldn't wait to ask Yue Feng: "Have you seen the treasure map, Do you know where the treasures of this crystal palace are? "

This palace group in front of me is really too big, and blind probing doesn't know how much time it takes, so Yan Yitao at this time completely puts his hope on Yue Feng.

However, he didn't know that Yue Feng hadn't seen any treasure maps at all, let alone the layout of the Crystal Palace.

Call!

Faced with the question, Yue Feng did not answer immediately, but silently perceived the lower surroundings, and then pointed to the direction on the right and smiled: "If I remember correctly, it is in this direction."

As

he spoke, Yue Feng's face was sincere, but his eyes flashed with cunning.

Yes, the direction that Yue Feng pointed to was not the place where the treasure was located at all, but he had just sensed that in the direction on the right, there was a faint burst of powerful aura fluctuations.
