Chapter
6906

Seeing that she didn't hide, the corner of Xiao Jue's mouth hooked a sinister smile:
"Dare to go against me, the end is death!" Whoosh

!

Seeing that Li Suqiu was about to be pierced by more than a dozen sword shadows, at this moment, Li Suqiu's delicate body flashed and disappeared in place.

What the?

Xiao Jue was full of confidence, and when he saw this scene, he was suddenly shocked, and his face was full of incredulity.

A good person who disappeared out of thin air?

What is this exercise?

At the same time, King Shaoyang was also secretly shocked, this female head of the Bright Moon Gate, what kind of exercises she practiced, was so unfathomable.

Sou!

Just when Xiao Jue was secretly frightened, he saw Li Suqiu's figure suddenly appear behind him, with extraordinary confidence on his delicate face, like a goddess descending.

At this time, no one present knew that Li Suqiu was practicing the stunt 'Immortal Shadow Mystery' of the Immortal Feather Gate.

Before exploring the secret realm of the sunflower of the Moon Gate, Li Suqiu obtained the basic Immortal Feather Gate exercises, among which there was the 'Immortal Shadow Mystery', this technique was unpredictable and mysterious. Li Suqiu was brilliant and had achieved a small success in a month of retreat, and at this time, seeing Xiao Jue's stunts, he did not hesitate to show it.

At this moment, Li Suqiu's red lips lightly opened, and said coldly: "Joining the gang with traitors is not tolerated by the world, and everyone is punished." Whoosh

!

When the words fell, Li Suqiu clenched the long sword in his hand and suddenly stabbed Xiao Jue's heart.

“Master be careful!” Seeing this scene, Yan Bingyu, who was not far away, suddenly trembled, and couldn’t help but exclaim, and at the same time wanted to come over to help, but it was too late.

Li Suqiu’s speed was too fast, coupled with the ‘Immortal Shadow Mystery’ he had just cast, which shocked Xiao Jue’s soul, and there was no time to dodge at this time.

Poof!

The long sword penetrated through the back of the heart, Xiao Jue’s body trembled, and then a mouthful of blood spurted out, his eyes stared at Li Suqiu with incomparable resentment, he wanted to fight back, but the heart pulse was penetrated, and the power in the body was also crazy leaked, completely powerless.

Immediately, Xiao Jue quickly fell and landed in the square, his life and death unknown.

This...

Seeing this scene, the disciples of the Leaving Heavenly Dao present were all stunned.

“The Sect Master is dead...”

“How so?”

At the same time, Yan Bingyu also trembled, and at that time he only felt that the sky had fallen.

“Master!”

In the next second, Yan Bingyu reacted, shouted with great grief, rushed over to fight with Li Suqiu, but was stopped by King Shaoyang and several generals.

Bang bang!

In just a few seconds, Yan Bing was speechless and was stunned by King Shaoyang’s palm.

At this time, many disciples of the Heavenly Dao slowed down and quickly retreated towards the direction of the back mountain, Xiao Jue died, they had no backbone, and naturally they would not flow down desperately.

“What a waste!”

Seeing this, Ji Beiye snorted coldly: “It’s a shame that the Sect Master of the Heavenly Dao was defeated by a woman, and such an ally is not enough.”

At this time, Ji Beiye's face was full of confidence.

His own strength was more than three times that of King Shaoyang, and even without Xiao Jue's help, he still easily crushed the other party.

Yikes!

At this moment, King Shaoyang and several generals rushed to the execution platform and rescued Gu Qianqiu, Li Muchen, and Red Peony.

At this time, Gu Qianqiu was very anxious: "Wang Ye, Yue Feng has been arrested, you must find a way to deal with him." "Yue Feng saved himself several times, if something happened to him, he would not be at ease for the rest of his life.

Alas!

King Shaoyang sighed, and his face was extremely solemn: "The person who captured Mr. Yue Feng, the strength is unfathomable, the two fought in Qi Zhou City, and they both lost, this time.... I'm afraid that the gentleman is doomed. Hearing

this, Gu Qianqiu's face changed.

That person's strength is so terrifying, is it true that the righteous brother is not saved?

"All soldiers obey the order!"

At this moment, Ji Beiye's howl came: "Kill all the enemies, leave no one behind!"

"Kill!"

Hundreds of thousands of troops let out a howl, and the tide rushed in, and the generals under King Shaoyang were difficult to resist, and fell in a pool of blood one by one.

The disparity in numbers between the two sides is too great, and it is difficult for King Shaoyang to resist.

"Wang Ye!"

At this time, the generals protected Ying Kuang and retreated to the vicinity of the execution platform, and one of the generals was full of anxiety and said to King Shaoyang: "The enemy's momentum is too strong, we can't withstand it." "

“Ah!”

When the words fell, there were many disciples around, falling in pools of blood.

Faced with this situation, King Shaoyang looked solemn and anxious.

Originally, he came to rescue Yue Feng, but Yue Feng was captured, and he and Ying Kuang were besieged by the army, could this be the will of God?

Hahaha....

At this moment, Ji Beiye's face was full of pride, and he laughed at King Shaoyang:
“King Shaoyang, just because you want to regain the lost land, it is simply delusional.

“Today this is your burial place, kill you, I will ascend the throne and become emperor, I am the destiny of heaven, hahaha...”

In a word, rampant to the extreme.

Marde!

In the face of the mockery, King Shaoyang's face was extremely ugly, and his heart was also anxious. Immediately, his spirit moved, and he thought of something, and immediately rushed to the execution platform, shouting at the dispersed soldiers: “All soldiers obey the order, all fifty steps to the right!”

At this time, King Shaoyang's expression was very complicated.

Yue Feng had taught him the deployment of several formations before, and one of them was deployed in adversity, but King Shaoyang had never used it.

Now at a critical juncture, King Shaoyang decided to fight.

At this time, most of the subordinates were wounded, and when they came, they were an army of 100,000, and now they are almost half damaged, and those who are still alive are also demoralized, and they have almost no courage to resist.

However, hearing King Shaoyang's order, the remaining soldiers did not dare to slacken, and they all moved quickly according to King Shaoyang's order.

Call!

At this time, King Shaoyang took a deep breath and continued to shout: “The first 20,000 people, fifty steps forward, the last 20,000 people fifty steps back, the rest, fan

spread out, quick!”

When

he shouted the last word, King Shaoyang was sweating profusely, and his heart was extremely nervous.

The first time he used this formation, King Shaoyang didn't have the slightest confidence, but there was no way, he could only gamble.

Hearing the order, the soldiers moved again.

“Ahhh...”

However, during the movement, many soldiers fell in pools of blood.

Seeing this scene, Ji Beiye frowned, and then laughed loudly: “King Shaoyang, this is your last resort, let your subordinates take the initiative to send them to die?”
Hahaha....”

Just halfway through the laugh, Ji Beiye's face suddenly changed when he saw the next scene.

I saw that tens of thousands of soldiers, under the command of King Shaoyang, formed an offensive and defensive situation among themselves, but surrounded their own army of hundreds of thousands.

Yes, tens of thousands of people actually surrounded hundreds of thousands of people.

This....

Even Gu Qianqiu and several people were stunned, and their hearts were indescribably shocked.

Such a mysterious formation is simply unheard of.

King Shaoyang was also excited, and immediately said excitedly: “This formation is really mysterious, Mr. Yue Feng, it is really a god man.” As he spoke, he thought of Yue Feng's uncertain life and death, and his heart was extremely uncomfortable.

“Soldiers!”

At this moment, Ying Kuang on the side could not hide his excitement and shouted:
“Start fighting back!”

“Kill!”

Hearing the order, tens of thousands of soldiers did not hesitate for a moment, raised their long knives one after another, and began to counterattack.

At this time, Ji Beiye's army was besieged by regiments, and they were all lost one by one, and at this time, in the face of King Shaoyang's counterattack, there was almost no way to fight back.

"Ahhh..."

With a scream, many soldiers fell in pools of blood.

Seeing this scene, Ji Beiye was furious, his face was extremely gloomy, he never expected that this Shaoyang King could actually line up troops at a critical moment and turn the situation around.

"Rush out!"

Furious, Ji Beiye couldn't help but shout: "All the soldiers obeyed the order, rushed out of the encirclement, and counterattacked..."

However, the soldiers who were surrounded were all panicked and did not have the courage to resist at all.

"Rebel thief!"

At this moment, Li Suqiu levitated in the airspace and shouted at Ji Beiyejiao: "You stirred up troops and caused chaos for the world, and today I will take the place of Tianxingdao." The

last word fell, and Li Suqiu's figure suddenly rose, quickly coming, and hit Ji Beiye with a palm.

In the blink of an eye, Li Suqiu was in front of him.

Marde!

Ji Beiye didn't have time to dodge, so he immediately cursed secretly, raised his hand and slapped it up. Tried to block Li Suqiu's blow.

Speaking of which, Ji Beiye, as a great general, is very strong, if he fought Li Suqiu a month ago, there was still a few chances of victory, but at this time, Li Suqiu cultivated the exercises of the Immortal Feather Gate, and his strength is not what it used to be.

Bang!

In an instant, the two palms collided, and they heard a muffled snort from Ji Beiye, and the whole person was directly shocked and flew out, flying tens of meters away before landing heavily.

The moment he landed, Ji Beiye spurted out a mouthful of blood, his face was extremely pale, and his eyes were staring at Li Suqiu, shocked and angry.

Marde, this woman's strength turned out to be so strong....

“Great General....”

Seeing this scene, several generals quickly surrounded and exclaimed one by one.

Ji Beiye took a deep breath, endured the churning of qi and blood in his body, and said coldly: “What is the panic?” General Ben can't die. Phew !

Seeing him say this, several generals were relieved, and then one of them said: “General, we can't stand it anymore, what should we do?” Hearing

this, Ji Beiye looked around and saw hundreds of thousands of troops, dead and wounded, and at that time, a mouthful of blood spurted out.

“The whole army obeyed the order, quickly broke through the encirclement, broke through!”

In the next second, Ji Beiye howled loudly, his face was full of unwillingness, today's battle, could have completely defeated King Shaoyang, killed the little emperor, who knew that the world was impermanent, and killed a Li Suqiu halfway...

Crash....

Hearing the order, the remaining soldiers broke through one after another.

Ji Beiye and the surrounding soldiers also quickly fled towards the bottom of the mountain.

Seeing this, King Shaoyang shouted: “The whole army is chasing!” When the words fell, the figure burst out and took the lead in chasing down the mountain.

“Kill!”

The soldiers burst into a heaven-shattering roar and followed in pursuit of the enemy army.

Seeing this scene, Gu Qianqiu breathed a deep sigh of relief, fortunately, the situation finally turned around, and King Shaoyang turned defeat into victory, and he didn't have to worry.

Now I look forward to the righteous brother Yue Feng, who can be lucky and turn into luck.

“Sect Master!”

At this moment, Li Muchen couldn't help but say, “Let's go find Brother Yue Feng.” When he spoke, Li Muchen's eyes were full of eagerness.

Call!

Gu Qianqiu took a deep breath and shook his head: “That one called Hao Tian, the strength is unfathomable, even if we find it, it will be in vain.”

Saying that, Gu Qianqiu glanced in the direction of the back mountain: “Go, follow me to the Xuanwu treasure house, let's recover our strength as soon as possible, so that we have a chance to save Yue Feng.” “In the treasure house of Xuanwu, there are countless elixirs that help to recover quickly.

Li Muchen was stunned and hesitated: “Sect Master, I am just an elder, and I am not qualified to enter. “The Xuanwu treasure house, only the sect master can enter, this has been the rule for thousands of years.

Hearing this, Gu Qianqiu smiled indifferently: “Rules are dead, people are alive, we have experienced several times of life and death, no need to abide by the rules, come with me.”

Saying that, Gu Qianqiu strode towards the back mountain.

Li Muchen was stunned, but he didn't say more and quickly followed.

.....

The other side!

Haotian took Yue Feng and soon arrived at the Green Lake.

Then, under the guidance of Yue Feng, the two entered the crystal lake below through the cave.

Call!

At this moment, looking at the crystal complex in front of him, although Haotian was prepared, he was deeply shocked at this time.

I didn't expect that there was such a place under this lake.

That is, a powerful aura fluctuation came, and immediately after, the huge figure of the dragon quickly flew in.

"Your Excellency Yue Feng!"

When he arrived, Jiaolong saw Yue Feng's pale face and very weak appearance, and he was immediately taken aback: "You... What happened to you? As he spoke, Jiaolong looked at Haotian very vigilantly.

Jiaolong clearly felt that the man beside Yue Feng was very strong and almost unfathomable.

Feeling the vigilance of the dragon, Haotian did not panic at all.

"This is the dragon you are talking about?" Haotian asked lightly.

Yue Feng nodded.

In the next second, Yue Feng said to Jiaolong: "This is the Haotian God King, wait for me to repair the teleportation array, and he will take you out of here." "

This...

Jiaolong was a little confused for a while: "Why?"

Yue Feng smiled bitterly: "This is my personal grudge with him, so don't ask more."

Saying this, Yue Feng secretly cast a sound transmission secret technique, and said to Jiaolong: "He is the Haotian God King, and he has a feud with me, no matter what happens, you must not interfere." "

"Also, after the teleportation array is repaired, when you enter the large array, you want to go right, until there is no road, and then turn left, remember!"

This sound transmission secret technique could only be heard by Jiaolong, and Haotian was completely kept in the dark.

What the? Haotian God King?

At this moment, when Jiaolong learned Haotian's identity, his heart was shocked, but under Yue Feng's admonition, he did not show it, but just nodded.

At this time, Haotian was a little impatient: "Where is the teleportation array?"

"Front!" Yue Feng replied and walked towards the direction of the teleportation array.

Haotian followed closely.

Soon, when he arrived at the teleportation array, Yue Feng slowly said: "This large array has been abandoned for nearly a thousand years, and it will take some time to repair it, so you have to be a little patient."

When he said this, Yue Feng looked serious, but he had other attention in his heart.

Well!

Haotian nodded, his expression was cold and did not fluctuate for half a minute, but his heart was indescribably excited and excited.

There really is a teleportation array here, great, finally able to return to the God Domain.

Yue Feng didn't talk nonsense, walked to the wall north of the large array, opened the hidden mechanism, opened a secret door, and then took out all the spars inside.

After placing these spirit stones in various positions in the formation, Yue Feng began to repair them.

Haotian stood aside, looking at the surroundings and waiting quietly.

Jiaolong was in a complicated mood, but with Hao Tian there, he did not dare to act rashly.

"Your Excellency Yue Feng!"

Finally, Jiaolong couldn't help it, used the sound transmission secret technique, and asked Yue Feng, "What the hell is going on?"

Yue Feng did not hide it, and said his grudge with Hao Tian.

Knowing the situation, Jiaolong was shocked and anxious again: "In that case, why do you want to help him return to the God Domain?" As long as you wish, I am willing to cooperate with the raid.

In Jiaolong's heart, Yue Feng was the Dragon Venerable of the Shenlong Clan, and seeing him being coerced by Haotian at this time, he immediately couldn't bear it.

Call!

Yue Feng took a deep breath and responded using the Sound Transmission Secret Technique: "Hao Tian's strength is strong, with my current situation, even if we join forces, we are not opponents.

"But don't worry, I already have a way to deal with it."

Hearing this, Jiaolong was a little unwilling, and hesitated at that time: "But... When you repair the big array, he will start killing you...."

Hehe!

Without waiting for it to finish, Yue Feng smiled: "Don't worry, he can't kill me." You just need to remember what I told you before, when the time comes, you go into the big array and go to the right..."

Airplanes.....

As he spoke, he saw a light light in the center of the teleportation array, and then the light quickly spread towards the entire large array, and then a powerful force burst out from the formation.

Fixed:

Seeing this scene, Hao Tian's eyes flickered, and his face couldn't hide the excitement.

At this time, Yue Feng slowly walked out of the formation and said to Hao Tian: "Okay, wait for you to enter the teleportation array, turn left and take ten steps, and then inject the power of the Yuan God into the black pillar, you can open the teleportation and leave."

Haotian nodded and looked at Yue Feng in a complicated manner: "Yue Feng, you are indeed a generation of wizards, if it weren't for the different positions, the Buddha-figure really didn't want to kill you."

Yue Feng smiled slightly: "Let's do it." With that, he closed his eyes.

Airplanes!

Hao Tian was not talking nonsense, the power of the Yuan God burst out, and then slowly raised his right hand.

Seeing this, Jiaolong couldn't help but shout: "Your Excellency Yue Feng..." shouting, Jiaolong wanted to rush over to stop it.

"Don't come here!"

Yue Feng immediately stopped and shook his head: "Our grudge, you don't want to participate, wait and leave with the God King."

Hearing this, Jiaolong gritted his teeth, and finally resisted the urge to move.

"Goodbye, Yue Feng!"

At this moment, Hao Tian said coldly, his right palm contained terrifying power, and suddenly slapped on the top of Yue Feng's head.

Bang!

A dull sound was heard, Yue Feng fell in response, and the moment he fell to the ground, a flame rose up around his body and quickly burned.

"Your Excellency Yue Feng!"

Seeing this scene, Jiaolong couldn't help but shout, and the indescribable sadness in his heart. However, soon thinking of Yue Feng's instructions, he quickly entered the formation.

"It's finally over!"

At this moment, looking at being enveloped by Yue Feng in flames, Hao Tian's heart was relaxed, and then strode closer to the teleportation array.
