Chapter
6910 –
Hooohoo!

At the moment Hao Tian entered the formation, the fire completely engulfed Yue Feng, and finally turned into a piece of flying ash.

Seeing this scene, the unspeakable sadness of the dragon was very unpleasant.

His Excellency Yue Feng said that this Haotian can't kill him!

But... People have been burned to ashes, is there still a possibility of resurrection?

At this time, Hao Tian arrived at the pillar that Yue Feng said, ran the power of the Yuan God, and then put his hand up, ready to open the teleportation.

Call!

Seeing this, Jiaolong reacted, thinking of Yue Feng's previous instructions, and quickly headed in the opposite direction. Turn right and keep rushing, then turn left and see the exit of the teleportation array ahead.

Outlet?

At this moment, Jiaolong was even more puzzled in his heart.

How did it turn out again? Mr. Yue Feng, what does this mean?

Well?

At this time, Haotian also sensed that something was wrong, and shouted at the dragon: "How?" Aren't you going to go? Jiaolong

was about to answer, but at this moment, he saw that where Yue Feng was burned to ashes, a strange power surged out, and immediately after, the heaven and earth spiritual energy of the entire crystal palace also frantically gathered.

Buzz

Under the surge of terrifying power, a huge red lotus flower was seen, slowly condensed, and in the center of the lotus, a figure was faintly visible, looming.

What the?

Seeing this scene, Hao Tian's heart was shocked, and he suddenly had a bad premonition.

This Yue Feng is going to be reborn?

Wrong.... He only has the power of the Red Lotus of the Law Master, and it is impossible to be reborn...

At the same time, Jiaolong was also stunned, looking at the scene in front of him in amazement, and his heart was shocked and complicated.

This.... This is Your Excellency Yue Feng, is it going to be resurrected?

This power is so strong and special.

Woohoo....

Just when Hao Tian and Jiaolong were shocked, they saw the blood-colored lotus rapidly spinning until it finally disappeared, and the illusory figure gradually became real.

It was Yue Feng.

That's great... It was really His Excellency Yue Feng who was resurrected.

Seeing this, Jiaolong was ecstatic, and couldn't help but laugh loudly: "Haha, Your Excellency Yue Feng's gentleman is amazing, I thought you were really dead just now." When

he said this, Jiaolong couldn't hide his excitement.

Seriously, just now Jiaolong really thought that Yue Feng was dead, and his heart was still sad, and at this time, seeing Yue Feng resurrected, he was almost overjoyed.

This...

Hao Tian stared at Yue Feng, completely stunned...

This is impossible, he is obviously dead, how can he be resurrected?

At this time, Haotian clearly felt that Yue Feng was not only resurrected, but also recovered his strength to the peak....

"Haotian!"

Just when Hao Tian was secretly shocked, Yue Feng showed a hint of a smile and slowly said, "Didn't you expect it?" Speaking of which, I also want to thank you, without the palm you just had, I would not have been reborn!

At this time, Yue Feng was full of smiles, and his mood was indescribably relaxed.

“You...”

Haotian reacted and looked at Yue Feng tightly: “It’s impossible, even if the algorithm industry red lotus has a rebirth, it is impossible to return to the peak state.”

At this time, Haotian became more puzzled the more he thought about it.

Hehe!

Yue Feng smiled lightly and nodded: “You are right, the Red Lotus of the Law Industry really can’t let me recover to the peak, but you overlooked one point, once I was in the Demon Race Seal Land of the God Domain, I once got the power of Suzaku’s bird ancestor, and the power of the bird ancestor has the characteristics of Pani. What

?

Hearing this, Hao Tian’s face changed, and he finally understood something, and then looked at Yue Feng angrily: “You play me!”

Yue Feng’s smile grew stronger: “It’s not that I play you, but you are too confident, the ants are still greedy, how can I send you to the door for nothing?” I am just using your hand to stimulate the power of the bird ancestor in my body to be reborn. Bastards

!

Hearing this, Hao Tian was furious, and the power of the Yuan God burst out, howling: “What if you are resurrected? The Buddha-figure kills you again. Buzz

!

The last word fell, and a terrifying force erupted from Hao Tian’s body, and then the figure burst out, and he was about to rush out of the teleportation array.

Seeing this scene, Jiaolong immediately became vigilant and prepared to help Yue Feng ward off the enemy.

However, Yue Feng stood there with a smile, not panicked at all, and said lightly: “Haotian, I’m afraid you don’t have a chance to fight me, I really repaired this teleportation array, but the opening method I just told you is not to the God Domain, but to the Chaotic Void

...”

“So, we will have an indefinite future!”

When he said this, Yue Feng smiled, and his eyes showed a bit of wisdom.

Swish!

Hearing this, Haotian’s face changed greatly.

Yue Feng, this bastard, is really sinister enough to actually teleport me to the Chaotic Void....

At the same time, Jiaolong was also stunned.

Fortunately, I just came out of the teleportation array according to His Excellency Yue Feng’s instructions, otherwise, I would have been teleported to the Chaotic Void together with this Hao Tian.

“Yue Feng!”

Finally, Haotian reacted and roared: “You villain, I will never spare you...”

However, it was already too late.

Buzz

At this moment, the teleportation array burst out one after another dazzling light, quickly shrouding Hao Tian, and within the entire large array, endless heaven and earth spiritual power surged with it.

In the next second, the light flashed, and Haotian was teleported away.

Call!

Seeing this scene, Yue Feng breathed a deep sigh of relief, Nima, it was finally over.

“Haha!”

At this moment, Jiaolong slowed down and laughed at Yue Feng and praised: “Your Excellency, this move is really wonderful, it solves a strong enemy without much effort, it’s powerful.”

Yue Feng smiled lightly: "To deal with an existence like Haotian, it is a tough strategy, and you must use some extraordinary means."

Jiaolong nodded: "Your Excellency Yue Feng, are we going to leave now?" Phew

!

Yue Feng breathed a sigh of relief, thought for a while and said, "I still have to deal with some things, come back soon, you just wait for me." "If you are arrested, Big Brother Gu and Little Emperor and others must be very worried."

After a few explanations, Yue Feng quickly left the Crystal Palace and rushed towards the main altar of the Heavenly Dao.

.....

At this moment, leave the main altar of the Heavenly Dao.

In the square in front of the main hall, the battlefield had been cleaned up, and at this time, nearly 10,000 elite disciples were gathering at the entrance of the Forbidden Land in the back mountain, one by one, with complicated expressions.

Half an hour ago, when the news came out that Li Muchen and Gu Qianqiu had entered the Xuanwu treasure house, many disciples rushed over, and in their hearts, they thought that Gu Qianqiu was fake.

At the entrance, Red Peony and Flying Snow stopped there, forbidding all disciples to break in.

At that time, Xiao Jue was defeated by Li Suqiu's palm, and Feixue was out of control, and at this time he had regained consciousness.

"You two get out of the way!"

At this time, one of the disciples came out and pointed at Red Peony and Feixue and shouted, "Elder Li trespassed into the forbidden place and violated the door rules, so he must have an explanation!" When

the words fell, the other disciples also shouted.

"Good..."

"Now that we are away from the Dao of Heaven, it is when the wind and rain are shaking, how can we allow him to mess around?"

"And the one who counterfeited the ancient sect master, it must be disposed of..."

The shouts of all the disciples came, and Red Peony and Feixue were very helpless. Just now, they had explained it several times, but these disciples in front of them still refused to believe it.

Click!

At this moment, the stone door of the Xuanwu treasure house in the forbidden land slowly opened, and immediately after, two figures burst out, and their bodies were filled with a strong aura.

It was Gu Qianqiu and Li Muchen.

At this time, Gu Qianqiu and Li Muchen had completely recovered their strength after taking the ultimate elixir in the treasure house.

Especially Gu Qianqiu, his eyes are like electricity, completely lost the previous decadent weakness.

Swish!

Feeling the powerful aura that permeated Gu Qianqiu's body, the disciples present quieted down one by one, and their hearts were extremely complicated.

With such a strong breath pervading, is it... This is the real ancient sect master? Misunderstood before?

At this moment, Gu Qianqiu looked around the audience, and then his power exploded, his right hand raised to dodge a hundred meters away, and he slapped a volley in the air.

Bang!

A roar was heard, and a huge palm print was suddenly punched out on the mountain wall.

Seeing this scene, the disciples present were shocked.

“This... This is the Magic Cloud Palm! “

Demon Cloud Palm...”

The Demon Cloud Palm is one of the several great town sects from the Heavenly Dao, and it has always been only cultivated by the sect master, and it is powerful, and at this time, Gu Qianqiu showed this hand, which is to prove his identity.

“Now!”

At this time, Gu Qianqiu spoke lightly: “Does anyone else doubt my identity?” “

Boom!

When the words fell, the nearly 10,000 disciples present did not hesitate for a moment, knelt down one after another, and shouted.

“Disciples See the Sect Master!”

“See Sect Master!”

When shouting this, all the disciples lowered their heads one by one, not daring to look at Gu Qianqiu, and their hearts were full of panic.

I was bewitched by Xiao Jiao before, and I always thought that the sect master was fake, so it was a big mistake, I only hoped that the sect master could get off lightly...

Well!

Seeing this scene, Gu Qianqiu nodded and said slowly: “You were all blinded before, so I don’t think about you, pass on my orders, go all out to track down Yue Feng’s whereabouts, and notify as soon as there is news.” The

situation away from the Heavenly Dao has been controlled, and the most important thing now is to find the whereabouts of the righteous brother.

“Yes, Sect Master!”

Seeing that the sect master did not pursue it, the disciples present were extremely excited, and immediately responded in unison, and the sound shook the sky.

“Master!”

At this moment, Feixue bit her lip tightly, and her delicate face was full of shame: “I’m sorry, I was before...”

Without waiting for him to finish, Gu Qianqiu smiled slightly, and said in a warm voice: “Don’t feel bad, you are controlled by Xiao Jue, you can’t help yourself, how can the master blame you?” Hearing

this, Feixue nodded, thinking of Yue Feng in his heart, and couldn’t help but worry.

Airplanes!

At this moment, a terrifying aura shook from the sky in the distance, and in an instant, whether it was Gu Qianqiu or all the disciples present, they all secretly frowned.

What people? Dare to break straight away from the Heavenly Dao Mountain Gate?

In the blink of an eye, I saw a figure flying rapidly, with a tall figure and cold and handsome facial features.

It was Yue Feng!

Wow!

Seeing that it was Yue Feng, the audience was in an uproar.

Gu Qianqiu was even more overjoyed, and laughed loudly at that time: "Righteous brother, hahaha, I know that you will definitely be fine."

At the same time, Li Muchen was also extremely excited: "Great, brother Yue Feng is fine, and the old man is relieved." Yue

Feng landed quickly, feeling that Gu Qianqiu had recovered his strength, and he was also excited.

"Yue Feng!"

At this time, Feixue couldn't hide the excitement in his heart, and quickly walked over and took Yue Feng's hand: "You.... Are you okay, are you hurt? "The concern is beyond words.

"I'm okay!" Yue Feng smiled.

Poof...

Seeing this scene, the red peony next to him couldn't help but purse his lips and smile: "Yue Feng, it's good that you came back safe and sound, otherwise, someone will stay up all night tonight."

Saying that, Red Peony looked at Feixue with a smile.

Swish!

Hearing the meaning of Red Peony's words, Feixue's delicate face instantly turned red, and then reacted and quickly let go of Yue Feng's hand. At that time, I couldn't wait to find a seam to drill into.

Seeing Feixue's shy appearance, Yue Feng was suddenly a little stunned.

But soon, Yue Feng calmed down, he doesn't belong here, or don't involve his children's private affairs.

Thinking about it, Yue Feng looked around and said to Gu Qianqiu: "Big Brother Gu, what is the situation now?" Did Ji Kitano's army retreat? "When I was caught, it was still a fierce battlefield.

Hehe!

Gu Qianqiu smiled slightly, and explained the situation at that time.

Knowing the situation, Yue Feng suddenly breathed a sigh of relief, Xiao Jue died, and the crisis of leaving the Heavenly Dao was completely lifted.

This is, Gu Qianqiu couldn't help but ask: "Brother, weren't you captured by that Haotian?" How did it escape? When

the words fell, everyone around also looked at Yue Feng curiously.

Yue Feng smiled and said, "I played a trick and sent Na Haotian away, and I will never come back here in the future." "The teleportation array, and the matter of the Chaotic Void, are too shocking, so let's not talk about it.

Seeing him say this, Gu Qianqiu didn't ask more, and immediately nodded: "That's good." Phew

!

At this time, Yue Feng took a deep breath, first looked at Feixue and Li Muchen, and then said, "Big Brother Gu, when I came back, I specially said goodbye to you." You know I don't belong here, and now that all the trouble is over, it's time for me to leave.

"Big Brother Gu has time, help me pass a letter to the little emperor, just say that I will not go back to the imperial capital, let him take good care and be a good emperor."

Ji Beiye did not have Haotian's help, plus this rout, it was difficult to form a climate, and King Shaoyang also learned a lot of formations, and he was soon able to calm the rebels.

What?

Hearing this, whether it was Gu Qianqiu or Feixue and the others, they were all stunned.

In the next second, Gu Qianqiu reacted, his face was full of reluctance, and he looked at Yue Feng and said, "Brother, you.." Are you leaving? Phew

!

Yue Feng took a deep breath and said with a smile: "Yes, there is no banquet in the world, I will return to my place after all." But Brother Gu don't feel bad, I may come back when I have the opportunity in the future. Okay

then.

Hearing this, Gu Qianqiu nodded: "Since my brother is leaving, I won't force it." Yue

Feng answered, exchanged pleasantries with everyone in Gu Qianqiu for a while, and finally rose into the sky and headed towards the emerald green lake.

"Yue Feng!"

At this moment, Feixue couldn't help himself, and couldn't help shouting at Yue Feng's back: "You... Will you really come back? Yue Feng suddenly wanted to leave, and Feixue was very reluctant in his heart.

Yue Feng stopped in mid-air, looked back at Feixue, and smiled: "Yes, we will see you again if there is a cause!"

Saying that, Yue Feng turned around and continued to fly, disappearing into the sky in a blink of an eye.

Feixue stood there, looking at the direction where Yue Feng left, and did not slow down for a long time...

.....

When Yue Feng returned to the Crystal Palace, he saw that the huge body of the dragon was hovering around the teleportation array, obviously he couldn't wait.

"Your Excellency Yue Feng!"

At this time, seeing Yue Feng returning, Jiaolong was very excited: "Are you leaving?"
Hmm

!

Yue Feng nodded, first looked around, and finally looked at this luxurious crystal palace, and then quickly approached the teleportation array, using the power of the Yuan God to activate the large array. The dragon was excited and followed in.

Buzz...

A few seconds later, the teleportation array lit up with a light that quickly enveloped Yue Feng and the dragon, and then, under the surge of powerful power, one person and one dragon were teleported away.

.....

On the other side, the Kyushu mainland.

In the ancient tomb, Wen Ugly and Sun Dasheng, as well as Zhu Xiansheng and others, probed around, but after probing several halls, they found nothing.

“Marde!”

At this time, Sun Dasheng couldn't help but complain: “How big is this ancient tomb?” There has been no clue for so long.

Wen Ugly smiled and said, “The more so, the more it proves that this ancient tomb is not simple, Great Sage, a little patient.” Hearing

this, Sun Dasheng scratched his head and said more!

Rustling!

At this moment, there were footsteps ahead, and suddenly, Wen Ugly and Sun Dasheng became vigilant.

Soon, around the corner ahead, two slim figures walked out, although a little tired, but the charming temperament was still fascinating.

It was Su Qianyan and Nalan Xinran.

At that time, Su Qianyan and Tian Buyou fell into the river, Tian Buyou tried to mistreat Su Qianyan, just when Nalan arrived gladly and knocked Tian Buyou into the river with a palm.

After that, Nalan gladly helped Su Qianyan recover some strength, looked for a way out together, and finally walked out of the underground river and came here unknowingly.

“It's light smoke!”

Seeing Su Qianyan and the two, everyone was stunned, and then they were excited.

This is, Zhu Xiansheng was also very excited, and shouted: "Senior sister! Saying that, he quickly ran over and threw himself into Nalan's happy arms.

"Great."

At this time, Sun Dasheng smiled and said, "We were looking for you, but I didn't expect you two to be together."

Su Qianyan smiled: "It's also thanks to Xinran, otherwise I would already be fierce." Then, Su Qianyan told the story of being deceived by Tian Buyou.

Swish!

Knowing the situation, whether it was Wen Ugly or Sun Dasheng and others, they were all furious.

"Marde, there is such a hateful villain."

"Yes, I dare to impersonate Tianmen."

Under the anger of everyone, Wen Ugly asked: "Light smoke, you say there is an underground river under this?" Can you take us to find out! "These halls above, there is no clue, maybe the underground river can harvest."

Su Qianyan nodded: "Okay, but there is a lot of space in the underground river, everyone should be careful!" Saying

that, Su Qianyan led the way in front and rushed towards the underground river with the ugly people.

.....

At this moment, in the river below.

Tian Buyou followed the flow, the whole person had ups and downs, and finally was washed ashore.
