Chapter
6917 In the
blink of an eye, Yue Feng and Jiaolong landed.

When he was about to reach the ground, Yue Feng rolled over and jumped down, and said to the wolf who kissed the sky in amazement: "Excuse me, is this the Earth Circle Continent?" "Only from the Valley of the Wicked was changed to a scenic area, completely lost its previous appearance, Yue Feng couldn't see it at all.

Hearing the inquiry, the wolf who kissed the sky reacted and responded: "This is the Earth Circle Continent, the North Mountain of Zhongzhou City. Phew

!

Hearing this, Yue Feng suddenly breathed a sigh of relief, and his mood was very comfortable.

Finally safely teleported back.

Thinking about it, Yue Feng smiled at the wolf who kissed the sky: "Thank you!" When the words fell, he beckoned Jiaolong to leave.

At this time, the wolf who kissed the sky also gradually reacted, and couldn't help but ask: "May I ask you..."

Without waiting for him to finish asking, Yue Feng smiled: "Tianmen Yue Feng!" Saying that, Yue Feng jumped on the back of the dragon, soared into the sky, and disappeared from sight in the blink of an eye.

What?

At this moment, the wolf who kissed the sky opened his mouth and looked blankly at the direction where Yue Feng left, his mind was blank.

Yue Feng? He is the famous Yue Feng?

After a few seconds, the wolf who kissed the sky reacted and wanted to take a picture with his mobile phone, but the sky was high and cloudy, and there were still Yue Feng and Jiaolong figures?

.....

On the other side, Donghai City, the main altar of Tianmen.

In the main altar hall, the heads of various sects gathered together, greeting each other, so it was not lively. Many familiar figures can be seen in the crowd.

Danzong Zheng Chunqiu, Zhu Bajie and Gonggong, and even Lu Dongbin of the Holy Sect came, which can be said to be a gathering of sages.

“I was suddenly invited this time, I don’t know what it was for.”

“The Lord of the Wen Hall has always acted cautiously, and now that he has invited everyone here at once, something big must have happened.”

Just as everyone was talking, a figure slowly approached the hall with a smile on his face, but there was a trace of cruelty hidden in his eyes.

It was Buyou Tian.

“Everyone!”

At this time, Tian Buyou looked around with a smile on his face: “The Lord of the Wen Hall and the head of Sun have some things for the time being, and they may arrive later, so let me entertain everyone first.”

“Everyone have a cup of tea, wait a while, there is a place where the reception is not thoughtful, and I hope to take care of it.”

Saying that, Tian Buyou waved his hand and asked his subordinates to prepare tea.

Soon, the tea was served, and everyone present did not doubt it, and they tasted it one after another.

After everyone finished their tea, they didn’t see Wen Ugly and Sun Dasheng appear, and they couldn’t help but be a little puzzled, and then, Zhu Bajie stood up and asked Tian Buyou: “Brother Wen and Brother Dasheng, why haven’t you come yet?”

Tian Buyou smiled faintly: “You will see it soon, what is the hurry?” The tone was no longer polite before, and it was a little cold. These people present all drank poisoned tea, and there was no need to be afraid at all.

Swish!

Feeling the gloomy tone of Tian Buyou’s tone, Zhu Bajie frowned: “Boy, what do you mean?”

“It’s not interesting!” Tian Buyou walked slowly to the middle chair behind his hands and sat down, sneering: “I was thinking, you all drank poisoned tea, and you should have a seizure at this time.” What

?

When the words fell, Zhu Bajie's face changed, and he was about to urge the internal force at that time, but as a result, his body was soft, the internal force was suppressed, and he couldn't use any strength in his body.

Feeling this, Zhu Bajie was furious, staring at Tian Buyou and scolding: "Ma De, it is really poisonous." Who are you?!

At the same time, the heads of various sects present also looked at Tian Buyou angrily.

"Damn, tea is poisonous .."

"This poison is very domineering, my internal strength has been suppressed!"

"Me too..."

In the face of everyone's angry eyes, Tian Buyou was unhurried, and said slowly: "I advise you not to try to detoxify, this is specially concocted, really Kyushu only I have an antidote, rashly detoxification, will only sink deeper and deeper."

Hearing this, the crowd was even more angry.

This is, Tian Buyou looked at Lu Dongbin, his face was full of pride: "Lu Tianshi also give up, among the scene, you are the strongest, so in your tea, I put twice as much medicine."

Lu Dongbin's face changed, and finally he took a deep breath and slowly said, "The Lord of the Wen Hall and the head of Sun were also arrested by you?"

Tian Buyou nodded and said approvingly: "It's still Lu Tianshi who is powerful, and I guessed it at once." When the words fell, Tian Buyou clapped his hands.

Chapter
6918 –
Boom!

The applause did not fall, Wen Ugly and Sun Dasheng were brought out from behind, tied up one by one, very embarrassed.

Seeing this scene, all the leaders present were secretly frightened.

Even the Lord of the Wen Hall and the head of Sun have been arrested, what is the origin of this person?

“Everyone!”

At this time, Tian Buyou sat back in the chair with a proud face: “My name is Tian Buyou, the poison god inheritors, and I have no grievances or hatred with you, and I don’t want your lives.”

“I have invited you here for a simple purpose, honor me as the lord of the alliance, obey me, live, disobey, die!”

Wow!

Hearing this, all the leaders present were furious.

This person’s means are extremely despicable, and he still wants to be the owner of the alliance? What do you dream about?

“Shameless villain!”

At this moment, Sun Dasheng couldn’t help but scold: “Just you also vainly try to be the master of the martial arts alliance, in the next life, you will be poisoned, what kind of hero are you?” Have the ability to come one-on-one with me. When

the words fell, everyone else cursed.

Swish!

Tian Buyou’s face turned gloomy, and he stared at Sun Dasheng closely: “Sun Dasheng, you like to come out, it’s good, today I will take you the first to start.” When

the words fell, Tian Buyou quickly got up and slapped a palm towards Sun Dasheng’s heart.

This palm was extremely fast, Sun Dasheng was tied by five flowers, and he couldn’t dodge at all, but his face did not have the slightest nervousness and trepidation, but looked at Tian Buyou fearlessly: “Dog thing, if you want my life, come here, if your grandfather Sun frowns, it will be your grandson.”

Tian Buyou was furious: “Then you go to die!”

Under the roar, Tian Buyou ran the poison skill and accelerated his speed.

Seeing this scene, Wen Ugly and the leaders present were furious, but they were all poisoned and completely powerless.

Airplanes!

Seeing that Sun Dasheng was about to be hit by a palm, suddenly, in the high air outside the hall, there was a strong power fluctuation, and then a cold voice came: "Who dares to move my brother?" The

sound was not loud, but it spread throughout the entire Heavenly Gate Altar.

Hearing this voice, all the leaders present were shocked and shocked.

And Wen Ugly and a few are overjoyed, and this voice is familiar to them.

"What people?"

At the same time, Tian Buyou was also shocked, looked angrily outside the hall, and roared: "Sneaky, don't you dare to show up?" Whoosh

!

As soon as the words fell, I saw a figure like a ghost, appearing in the hall, with a powerful aura, a handsome and cold face, and a tall figure.

It was Yue Feng.

"You..."

Seeing that it was Yue Feng, Tian Buyou's face changed greatly, and his heart was also inexplicably panicked, Yue Feng's name shook Kyushu, who didn't know, but Tian Buyou thought that he had been missing for so long, something must have happened, but he didn't expect to appear at this critical moment.

At this time, Wen Ugly reacted and said to Yue Feng: "Fengzi, you came back at the right time." Get rid of him, but you have to be careful, his poison skills are very powerful. When

the words fell, Sun Dasheng also shouted: "Don't talk about the old first, Fengzi, kill this villain quickly." Su

Qianyan, who was narrator, suddenly saw Yue Feng come back, and his heart trembled, almost unable to speak with excitement.

Well!

Hearing the words of Wen Ugly and the ugly, Yue Feng nodded, there was not the slightest nonsense at that time, the power of the Yuan God burst out, raised his hand and struck towards Tian Buyou with a palm.

This palm thundered, the palm wind passed, the air in the entire hall suddenly distorted, and the power was amazing.

What a strong force...

Feeling the power of this palm, Tian Buyou did not dare to be careless, and hurriedly urged the poison gong to meet it with one palm.

Boom!

In the next second, the palms of the two sides collided, and a roar was heard, Tian Buyou's face was pale, and he was directly shocked and flew out, flying tens of meters away before landing heavily outside the hall.

Marde!

The moment he landed, Tian Buyou's face was extremely ugly, this Yue Feng was worthy of being the first person in Kyushu, his strength was too strong, his prestige public number was: Yu Beiyuan

At the same time, everyone in the hall was also excited.

"Well played!"

"Kill this scum..."

In the excitement of everyone, Nalan gladly stared at Yue Feng, and her delicate face was also full of excitement and approval.

Great, Yue Feng appeared, everyone was saved.

Noticing that Senior Sister's expression was different, Zhu Xiansheng next to him couldn't help but say, "Senior Sister, who is this?" "

Chapter 6919

Zhu Xiansheng had only heard of Yue Feng, but he had never seen a real person, so naturally he didn't know him.

Nalan happily sighed lightly and said gently, "He is Tianmen Yue Feng." As he spoke, Nalan Xinran's eyes showed a bit of appreciation.

Speaking of which, Nalan Xinran used to have some admiration for Yue Feng, but later after experiencing a life and death farewell with the Demon Lord Gone, his heart was completely occupied by Gone, and Nalan's admiration for Yue Feng also turned to appreciation.

Yue Feng? He is Yue Feng?

Zhu Xiansheng muttered in his heart, and then looked at Yue Feng carefully: "I have been looking up to the prestige for a long time, and today I finally saw a real person." Saying that, sensing Nalan looking at Yue Feng's eyes gladly, Zhu Xiansheng suddenly felt a little resistant in his heart.

Senior Sister won't like this Yue Feng.

Although this Yue Feng is strong and famous all over the world, he is not worthy of Senior Sister...

Well!

Just as Zhu Xiansheng was thinking about this, Nalan nodded happily and said subconsciously: "Junior brother, you have excellent talent, and you will definitely become a hero like him in the future." Zhu

Xiansheng was already in a bad mood, and when he heard this, his face was full of displeasure, and he pouted: "Why should I become a person like him?" What is a Kyushu hero? Sooner or later, I will surpass him.

When

the last word fell, Zhu Xiansheng's immature face was full of cold pride and confidence.

Poof!

Hearing this, Nalan couldn't help but laugh gladly: "At a young age, you know how to brag." In her heart, she thought that Zhu Xiansheng was just childish, and she didn't pay attention to it at all.

Zhu Xiansheng took a deep breath: "You wait and see."

Saying that, Zhu Xiansheng stared at Yue Feng closely, with a bit of hostility in his eyes.

In Zhu Xiansheng's heart, in addition to his parents, he is the closest to his senior sister, and in his subconscious, he wants to marry his senior sister when he grows up and accompany him for the rest of his life, at this time, Yue Feng suddenly appeared, which gave him a sense of crisis.

In this case, Zhu Xiansheng had already regarded Yue Feng as a competitor.

Nalan Xinran naturally did not know what this little junior brother thought, and continued to look at the situation outside the hall.

“Awesome!”

At this time, outside the hall, Tian Buyou turned over and stood up, stared at Yue Feng closely, and then smiled and praised: “It is worthy of being the top figure in Jiuzhou, and his strength is rare in the world, and I admit defeat.”

While speaking, Tian Buyou’s eyes dripped around, thinking about how to get out.

Tian Buyou is very cunning, he knows that Yue Feng is such an existence, and he acts very principledly, as long as he admits defeat, he will definitely not hurt the killer.

However, what he didn’t know was that this time, he used despicable means to catch Wen Ugly and the others, which completely violated Yue Feng’s anti-scale.

“Throw in the towel?”

At this moment, Yue Feng looked at Tian Buyou coldly, and said word by word: “Do you think that if you admit defeat, I will let you go?” Whoever touches my family will die.

“But killing you will dirty my hands, you... Cut yourself. The last sentence is loud and unquestionable.

What the? Want me to kill myself?

Tian Buyou’s face was cold, he was furious, and he was a little panicked in his heart, and he gritted his teeth at that time: “You have to spare people and spare people, I am afraid that it is a little inappropriate for you to do this.”

“Although I can’t beat you, if you want to kill me, I’m afraid it’s not that easy.”

Sou!

When the last word fell, Tian Buyou’s figure burst out, ready to rush into the air and flee.

At this moment, the dragon, which had been suspended in mid-air, burst out with a dragon groan, and the huge figure swooped in, and the dragon claw swung a bolt of lightning and went straight to Tian Buyou.

Worst!

Feeling the power of that lightning, Tian Buyou’s face changed, and he immediately retreated to the ground to dodge.

Rumble!

As soon as Tian Buyou dodged, thunder and lightning slammed into the position he had just had, erupting into a roar.

And before he could stand firmly, Yue Feng's figure flashed, and another palm came over, this palm seemed slow, but it arrived in the blink of an eye. Fast as thunder, I don't know how many times stronger than the palm just now.

Marde!

Faced with this situation, Tian Buyou panicked, immediately thought of something, and quickly recited a mantra in his mouth.

Rumble!

Seeing that this palm was about to kill Tian Buyou, suddenly, he saw that Tian Buyou's entire face turned dark green, and his body quickly swelled, and finally exploded.

The moment his body exploded, a green poisonous mist spread out and quickly spread around.

The ultimate husband in Chinese chapter 6920

Chapter
6920

Tian Buyou is not really suicidal, what he is performing at this time is a life escape technique in the "Poisonous Divine Code", called 'Blood Mist Shadow', this body method uses the smoke of poisonous mist to escape his life, which is very strange and unpredictable.

"Be careful!"

"Beware of poisonous mist..."

Seeing this scene, the ugly people in the hall couldn't help but exclaim, they were suffering from poisoning at that time, and they knew how powerful it was.

In the midst of everyone's exclamation, Jiaolong's eyes flashed with jealousy, and its huge body soared into the air to avoid the poisonous mist.

Yue Feng stood there motionless, allowing the poisonous mist to cover him, and a pair of eyes were even more vigilant in searching around the poisonous mist. I was also secretly surprised.

This kid is not dead, but hidden in this poisonous mist.

What kind of exercise is this, it turns out to be so evil....

Others couldn't see it, but Yue Feng clearly felt that in this poisonous mist, there was Tian Buyou's breath hidden, Swoosh

!

Soon, a phantom quickly rushed out of the poisonous mist and fled towards the distance.

It was Buyou Tian.

"Run?"

Yue Feng shouted angrily, he was about to catch up at that time, but his vision was blocked by the poisonous mist, and when he rushed out, Tian Buyou had already fled to the distance and disappeared.

Marde, actually let him run!

At this moment, Yue Feng frowned secretly, very annoyed.

Seeing this, the ugly people in the hall also secretly shouted pity.

Yue Feng did not pursue, but quickly returned to the hall, untied the ropes for Wen Ugly and several people, and at the same time couldn't help but ask: "Brother Wen, what's going on?" "

Uh...

Wen Ugly and Sun Dasheng looked at each other, and they were both embarrassed by each other.

"I'm ashamed to say that we were negligent for a moment and were secretly calculated by this villain."

Subsequently, Wen Ugly explained the situation again.

At the end, Wen Ugly looked at the poisoned heads of the hall, and said with a bitter smile: "Natian Buyou is very cunning, in our name, we brought the heads here, fortunately you came back in time, otherwise the consequences were unimaginable." So

it is!

Knowing the situation, Yue Feng turned around and hugged his fists at the various leaders: "I'm really sorry that I almost hurt you."

The leaders looked at each other, all smiling and shaking their heads.

“Sect Master Yue is polite.”

“Yes, you can come back in time, it is a blessing for our Kyushu rivers and lakes.”

Although the current Sect Master of the Heavenly Gate is Yue Wuya, the leaders present are still used to calling Yue Feng Sect Master.

“Cut, what a Kyushu hero!”

However, at this moment, an untimely voice sounded, with a childish tone, but with a bit of disdain: “It’s really useless to even catch a little thief.” It

was Zhu Xiansheng.

Because of Nalan Xinran’s happiness, the more Zhu Xiansheng looked at Yue Feng, the more unhappy he became, and he couldn’t help but mock at this time.

Swish!

When the words fell, the eyes of everyone present converged on Zhu Xiansheng.

Nalan was very embarrassed, biting her lips at that time and whispering: “Junior brother, don’t talk nonsense.” “If it weren’t for Yue Feng, everyone would still be a prisoner, and Junior Brother would have mocked in public.

“I wasn’t wrong.” Zhu Xiansheng looked unimpressed and continued, “He really let the family run away!” Seeing

him like this, Nalan cried and laughed gladly, although the little junior brother is young, he has a stubborn personality, and the things he recognizes, ten cows can’t pull back.

Wow....

At this moment, everyone around couldn’t help but talk.

“What an arrogant little doll.”

“yes, whose kid is this... Dare to mock Sect Master Yue?”

During

everyone’s discussion, Yue Feng was also full of doubts, looked Zhu Xiansheng up and down, and asked with a smile: “Little doll, who are your parents?”

At this time, Yue Feng was also a little depressed, he had been traversing the rivers and lakes for so many years, and he was prestigious, but now he was mocked by a little doll. If this is to be passed on, won't it be laughed off with big teeth?

Zhu Xiansheng looked haughty and was about to answer.

“Stinky boy!”

As a result, at this moment, Zhu Bajie, who was not far away, couldn't help but scold Zhu Xiansheng: “It's not big or small, there are no rules at all, quickly apologize to Uncle Yue Feng.”

At this time, Zhu Bajie was very angry, this stinky boy, originally thought that sending him to the Holy Sect would allow him to converge his personality, but he didn't expect that it was becoming more and more unspeakable.

Then, Zhu Bajie smiled at Yue Feng with an embarrassed face: “Brother Yue Feng, this is my son, people are small and insensible, don't care about it.” ”
