Chapter

6931 –

Yikes!

At this moment, the moment Zheng Chunqiu's gaze fell on Zhu Xiansheng's body, his face suddenly changed, and he was furious: "It's you little doll."

At that time, Tian Buyou, in the name of Wen Ugly and ugly, invited all sects to gather in Donghai City to poison and secretly plan against the major leaders, and Zheng Chunqiu was also present at that time.

Therefore, later, Zhu Xiansheng mocked Yue Feng in public, and Zheng Chunqiu also saw it with his own eyes.

For Zheng Chunqiu, Yue Feng was not only a hero of Kyushu, but also his brother who had passed his life, and when he saw Zhu Xiansheng mocking him in public, he was very dissatisfied in his heart, but because of his identity, he did not come forward at that time.

It can be said that Zheng Chunqiu's impression of Zhu Xiansheng is very bad and very bad.

It's just that I didn't expect that this little doll was so arrogant that he came to Danzong to spread wild at this time.

Crash!

At this moment, the disciples of the Danzong who rushed in also surrounded the Zhu Xiansheng group.

Faced with this situation, Zhu Xiansheng did not panic at all, his young body stood there straight, his face full of pride, and shouted at Zheng Chunqiu: "Where did you hide people?" Hurry up and hand over the person, otherwise, Xiaoye, I will not be polite." The

sound is not loud, but there is no doubt.

At this time, Zhu Xiansheng had not yet recovered his senses, and subconsciously thought that these people in front of him were with Tian Buyou, because he had clearly seen just now that Tian Buyou fled in the direction of the Danzong General Altar.

Swish!

Hearing this, the disciples of the Dan Sect present all looked at each other.

What does this little doll say?

Zheng Chunqiu also frowned secretly, and said angrily: "Little doll, what do you mean?" What people? As he spoke, Zheng Chunqiu suppressed his anger.

If it weren't for the fact that the other party was a little doll, he would have let the surrounding disciples do it a long time ago.

"You pack less garlic."

Zhu Xiansheng's immature face was full of determination: "It's the scum of the rivers and lakes who poisoned the sects, I chased him all the way, you helped him beat me, just now he fled to your mountain gate." What

?

That Tian Buyou is now in Danzong?

At this moment, Zheng Chunqiu's face changed, and he immediately asked several disciples who fell to the ground: "What happened to the fall?"

"Sect Master!"

Hearing the question, a disciple responded: "We came out to collect medicine, and saw this little doll chasing a man, the man's face was full of dirt, he was very embarrassed, and it was not that Tian Buyou at all." The

words fell, and the others nodded one after another.

"We just stopped it, asked about the situation, and started with the little doll."

"Yes, it's this little doll who beats people indiscriminately."

When he said this, several disciples looked at Zhu Xiansheng's gaze and couldn't hide their anger.

Well!

Hearing this, Zhu Xiansheng nodded, and the anger in his heart rose, and at this time, he even more determined that Zhu Xiansheng was making something out of nothing and deliberately looking for trouble with Danzong.

Thinking about it, Zhu Xiansheng said coldly: "Little doll, you broke into my Danzong for no reason, and injured several of my disciples, how should this matter be solved?"

“, all!”

Zhu Xiansheng was very excited, and pointed at the disciples and scolded: "A few of you are blind, that person just now is the scum of Tian Buyou, you are all stupid and stupid, you don't see it."

Saying that, Zhu Xiansheng's gaze fell on Zheng Chunqiu: "You are the Sect Master of the Dan Sect, and you also seem to be a mediocre talent, no wonder your disciples are such a waste."

He has a defiant personality, coupled with insufficient experience in rivers and lakes, and he speaks aggressively and madly, and at this time, in the face of this situation, he is too lazy to explain.

Swish!

At this moment, whether it was Zheng Chunqiu or the disciples of the Danzong present, their faces changed and they were furious.

This little doll really doesn't have the slightest bit of courtesy, it's too arrogant.

Finally, Zheng Chunqiu reacted and said coldly to Zhu Xiansheng: "Good boy, I originally looked at your father's face and didn't want to embarrass you, but you don't understand the rules of the rivers and lakes at all, then I will discipline and discipline your father well." The

last word fell, and Zheng Chunqiu raised his hand: "Take it." At

this time, Zheng Chunqiu is very fiery, this little doll is Zhu Bajie, arrogant, no one puts it in his eyes, and now he is even more wild in Danzong, if he doesn't care, how can he walk the rivers and lakes in the future Danzong disciples?

Chapter 6932

—

Swish....

When the words fell, the surrounding disciples burst out of strength and rushed towards Zhu Xiansheng.

"Okay."

Looking at the rushing Dan Sect disciples, Zhu Xiansheng did not panic at all, but was extremely angry: "You Danzong and that scum are really a gang, so hurry to make a move, so that he can escape, right?"

"I don't want too many of you, little master, I'm afraid!"

When the last word fell, Zhu Xiansheng's figure burst out and fought fiercely with many Danzong disciples.

Zhu Xiansheng chased Tian Buyou all the way, just now in the waterhole, he was also secretly calculated by Tian Buyou using the anaconda, and he was already holding a stomach fire, and at this time he was surrounded by the disciples of the Danzong, and the anger in his heart was completely aroused.

In this case, Zhu Xiansheng made a move without mercy, his body was small, but his movements were as fast as lightning, shuttling back and forth in the crowd at this time, and every time he struck, a disciple of the Danzong would surely fall.

“Ugh!”

With a scream, in the blink of an eye, there were more than a dozen Dan Sect disciples, who could not afford to fall to the ground.

Damn it!

Seeing this scene, Zheng Chunqiu's face was extremely ugly, and the anger in his heart was a little unrestrained.

I thought that the other party was just a little doll less than two years old, so many disciples made a move, some over-emphasized, but I never expected that the other party's strength was so strong.

At the same time, Zheng Chunqiu also secretly admired.

It is worthy of being Zhu Bajie's son, gifted, he has such skills at a young age, but unfortunately, his personality is too arrogant, if he does not converge the edges, when he grows up, he is afraid that he will escape into the evil path.

Bang bang bang...

Just as Zheng Chunqiu was thinking about this, many disciples, under Zhu Xiansheng's stormy attack, fell to the ground one by one and lost their combat effectiveness.

And when Zhu Xiansheng knocked down these disciples, he did not forget to shout in the direction of the main altar of the Danzong: “Tian Buyou, you shameless villain, do you want to be a shrunken turtle?” Get out of here.

“Don't think that with Danzong protection, I can't help you, get out...”

When he scolded, Zhu Xiansheng's eyes were blood-red, and his face could not hide his anger.

What a little maniac.

Hearing this scolding, Zheng Chunqiu couldn't say what he was doing, and immediately shouted: "Stop shouting and shouting, we Danzong have nothing to do with that scum."

Saying that, Zheng Chunqiu said to the surrounding disciples, "You guys quickly retreat." This

doll is not old, its strength is far beyond imagination, and if it continues to fight, I am afraid that the disciples present will be injured.

Crash!

Hearing the order, the remaining disciples glared at Zhu Xiansheng unwillingly, and then quickly retreated.

At this time, Zheng Chunqiu was too lazy to talk nonsense: "Stinky boy, this is not a place for you to spread wilderness." When the words fell, the strength of his body exploded, and he raised his hand and struck towards Zhu Xiansheng.

"Did you personally make a move?"

Looking at Zheng Chunqiu's palm, the corner of Zhu Xiansheng's mouth hooked a trace of contempt: "I'm not afraid of you!" When

the words fell, Zhu Xiansheng raised his palm and greeted Zheng Chunqiu.

Bang!

In an instant, the palms of the two sides collided, and a roar erupted, and I saw that both of them trembled, and then they were shocked back a few steps at the same time.

Obviously, under this palm, neither side took advantage.

This.....

However, Zheng Chunqiu was shocked, staring at Zhu Xiansheng at that time, and his mind was blank.

How is this possible?

Over the years, his cultivation has made great progress, and he has already entered the late stage of the tribulation, and the palm just now contains eight successes, but as a result, it was easily blocked by this little doll.

It's just a little doll less than two years old.

Even if he cultivates in the womb, he can't have such a deep internal strength.

"Gee..."

Just when Zheng Chunqiu was secretly shocked, Zhu Xiansheng shook his head, his eyes full of pride and contempt: "This is the strength of the Sect Master of the Dan Sect?" That's all. "

Yikes!

Hearing this, Zheng Chunqiu's face suddenly couldn't hang up, a burst of blue and a burst of white, and suddenly said angrily: "Good, good, can't see, you little doll is very talented, today I want to see how capable you are." When

the words fell, Zheng Chunqiu pulled out his long sword, bursting out a sword flower, and quickly shrouded Zhu Xiansheng.

Chapter

Seriously, Zheng Chunqiu held his own identity and did not intend to use the long sword, but the strength of Zhu Xiansheng in front of him was far beyond imagination, and for the sake of Danzong's reputation, he couldn't care so much.

"Oops, the weapon is moved!"

Seeing Zheng Chunqiu casting his long sword, Zhu Xiansheng did not panic at all, but showed a playful expression: "It just so happens that last month Master taught me the 'Taiyi Split Lightsword', and today I will practice with you." "

Yikes!

When the words fell, Zhu Xiansheng casually picked up a sword on the ground, shook his arm, and pulled out a sword flower to meet Zheng Chunqiu.

Ring the bell...

The two long swords collided continuously, making a loud noise, at first, Zheng Chunqiu was still a little confident, after all, he has focused on swordsmanship in the past two years, and his achievements are good.

But gradually, something was wrong with Zheng Chunqiu.

This is the 'Taiyi Split Lightsaber', one of the stunts of the Town School of the Holy Sect?

Zheng Chunqiu asked himself that his attainment in swordsmanship had entered the top of Kyushu, but at this time, in the face of Zhu Xiansheng, he was unable to do so, and he saw that the sword technique performed by Zhu Xiansheng was false and real, mysterious, and he couldn't find the slightest flaw at all.

Sting...

In less than ten rounds, Zheng Chunqiu was hit by a sword in the shoulder, and suddenly blood sprayed, and the whole person stumbled back a few steps, and his face turned pale.

"Sect Master!"

"Sect Master..."

Seeing this scene, the surrounding disciples couldn't help but exclaim.

Under the exclamation, many disciples wanted to rush up.

Zheng Chunqiu stood up and waved his hand: "Don't come over." "This little doll's strength is too strong, even he is not an opponent, these disciples go up, they are also humiliated in vain.

"Isn't that going to work?"

At this moment, Zhu Xiansheng said sarcastically, put away his long sword, raised his hand and slapped it over.

This palm was so fast and fierce that Zheng Chunqiu couldn't dodge at all, he could only grit his teeth and use his internal force to meet it with a palm.

Bang!

In an instant, the palms of the two sides collided, emitting a vibration, and immediately, Zheng Chunqiu was heard snorting, and the whole person took several steps back, his face was extremely weak, and there was no half blood.

And Zhu Xiansheng shook his figure.

"Huh!"

At this moment, Zhu Xiansheng shook his head and said with a bored face: "You can't fight with your palm, you can't fight with a sword, and your strength as a Dan Sect Master can't do it."

"With such strength, you still want to shield that quack scum?"

The words were full of contempt and disdain.

“You....”

Hearing this mockery, Zheng Chunqiu stared at Zhu Xiansheng tightly, angry and hateful, and under the attack of anger, a mouthful of blood suddenly spurted out.

The Sect Master of the Dan Sect did not beat a little doll, and he was mocked in front of so many disciples, this kind of thing, in exchange for anyone, is unbearable.

Crash!

Seeing this scene, the surrounding disciples were taken aback, and quickly gathered around to check Zheng Chunqiu’s injuries.

Zhu Xiansheng was too lazy to talk nonsense, and said lightly: “You don’t admit it, young master, I will search it myself, if you let me know, that scum is really hidden by you, today you will be razed to the ground of your Danzong.” Whoosh

!

When the last word fell, Zhu Xiansheng’s figure burst out and went straight to the main altar of Danzong.

“Kid, stop!”

“Abominable.....”

Seeing this, the disciples present were extremely furious, and they were all angry at that time, and they were about to catch up, but they stopped it than Zheng Chunqiu.

“You are not opponents, don’t die in vain.”

Zheng Chunqiu shook his head, his face weak: “Quick, quickly go and send a message to Tianmen and ask for help.” “Although this little doll is terrifying, it is not invincible in the world, as long as Yue Feng comes, it will definitely be able to subdue easily.

However, at this time, Zheng Chunqiu did not know that Yue Feng had left the Kyushu Continent and went to the Divine Domain.

“Yes, Sect Master!”

After receiving the order, several disciples answered and quickly rushed towards the Earth Circle Continent.

.....

On the other side, God Domain.

In the teleportation array south of the Royal Heavenly Palace, a light flickered, and then a figure slowly emerged in the array.

It was Yue Feng.

I'll go, how much patrol is this?

At this moment, Yue Feng opened his eyes, looked around, and couldn't help but take a deep breath of cold air. I saw that around the portal, there were patrolling divine soldiers everywhere.
