Chapter 6944

At that time,

Yue Feng originally planned to use this Yi Rong Dan again at a critical moment.

As a result, in the Tianxin Continent, I have never had the opportunity to use it.

At this time, seeing that the ghost Guzi was in deep crisis, Yue Feng planned to impersonate Haotian and deceive the Tiankui God to take them.

At this time, in the courtyard below.

Tiankui Shen will be embarrassed for a moment, quickly calm down, and say to Ghost Guzi: "Sir, we are also here on orders, don't make it difficult for us." Oniyako

said lightly, "That's your business."

With that, Oniyako turned around and was about to return to the courtyard.

Swish!

Seeing this scene, Tiankui God will be completely furious.

At the same time, the irascible Tianwei Divine General couldn't help it at this time, and shouted: "What an old man who doesn't know how to lift, don't talk nonsense with him, quickly take it down and go back to Niangniang." Buzz

!

When the words fell, the Tianwei God burst out of strength and rushed towards Ghost Guzi first.

The Tiankui God General and the Tianji God will look at each other, and they are not talking nonsense at that time, and they are closely following.

"Do it?"

Seeing the three god generals burst out in unison, Oniyako turned around, and there was no half fluctuation on his face. The right hand was slowly raised, and he was ready to meet the enemy.

"Stop!"

Seeing that the two sides were about to fight fiercely together, suddenly, there was a loud shout from the back mountain, and then Yue Feng jumped and landed steadily at the gate of the small courtyard.

Of course, Yue Feng's facial features at this time were completely Hao Tian's appearance.

Swish!

At this moment, whether it was Ghost Guzi or Tiankui God General, all their eyes focused on Yue Feng.

Seeing Yue Feng's face, the three Tiankui Divine Generals, as well as the surrounding divine weapons, were all surprised.

"His Royal Highness the God King?"

"It's really the God King ordered, haha!"

"Great, His Highness the God King is back."

For a time, the three Tiankui Divine Generals, and the Divine Soldiers present were all excited.

Oniyako, on the other hand, frowned secretly.

Others can't see it, but Ghost Guzi Tianzhun is a wizard and has insight into the heavenly machine, and at this time, he can see at a glance that the 'Hao Heavenly God King' in front of him is simply fake, but Yue Feng is fake.

This stinky boy, let him go, he just came back.

At this time, Ghost Guzi scolded secretly, a little helpless, and a little relieved. Because he knew that Yue Feng was worried about his safety, so he took such a risk.

Crash!

At this moment, the three divine generals, as well as the divine soldiers present, all reacted and knelt down and shouted in unison!

"Your Highness, your subordinates."

Ha ha... These stupid things!

At this time, Yue Feng was very excited in his heart, but his face did not show it, he made a deep look and raised his hand: "Well, let's all get up." The

Heavenly Kui God will stand up in response.

Immediately, the Tiankui God General couldn't help but say, "Your Highness, where have you been during this time?" Niang Niang and we were very worried. When

the words fell, the Tianji Divine General next to him, and the Tianwei Divine General, were also full of curiosity.

Call!

Yue Feng took a deep breath and said slowly: "When the Buddha-figure strayed into the Chaotic Void, he was lucky and destined, and after a lot of hardships, he finally returned. So

it is!

Hearing this, the Tiankui God General nodded abruptly, and then praised: "Being able to return from the Chaotic Void, His Highness is indeed invincible..."

Seeing him patting the horse, Yue Feng was too lazy to talk nonsense, and immediately interrupted: "Okay, let me ask you, suddenly bring so many people, what are you doing in Ghost Immortal Mountain?" The

voice is not loud, but it is full of aura.

The Heavenly Kui God General hurriedly said, "Back to Your Highness, Niangniang ordered that we take Mr. Ghost Valley to the Imperial Heavenly Palace to discuss matters."

As soon as the

words fell, the Tianwei Divine General next to him said: "Who knows that this old man is very ignorant of current affairs, and he doesn't give his mother face at all, we are about to start."

While saying, he couldn't help but glare at Oniyako.

"!"

Hearing this, Yue Feng made a very angry look: "Mr. Ghost Valley is a generation of strange people, but you are so rude? "

This....

Seeing Yue Feng's anger, the three Tiankui God Generals all trembled in their hearts and were terrified.

At the same time, I was also a little puzzled.

Ghost Guzi is Yue Feng's master, and Yue Feng has always been at odds with His Highness the God King, why, His Highness the God King is helping Ghost Guzi speak at this time?

A few seconds later, the Tiankui God would be the first to react, and said with a bitter face: "Your Highness is angry, we are just acting on orders." "

6945 When the words fell, the other two divine generals also nodded one after another.

Call!

Yue Feng took a deep breath and said slowly: "Okay, the matter of inviting Mr. Ghost Valley will be handled by King Ben personally, you don't have to worry about it, let's go back first."

At this time, Yue Feng was serious on the surface, but secretly funny in his heart.

These three fools, it is estimated that they don't know that the Haotian God King in front of them is fake.

Seeing him say this, the three Tiankui God Generals had no objection and immediately answered. Just didn't leave immediately.

Well?

Seeing that they didn't mean to leave, Yue Feng frowned: "You guys aren't going to leave yet?" The

Tiankui God glanced at the three of them, and then the Tiankui God took a step forward and said to Yue Feng: "Your Highness, during this period of your absence, Niangniang was worried day and night, and at that time, she specially issued a decree, and there was no way to find Your Highness."

"Once you find Your Highness, be sure to escort you back to the Royal Heavenly Palace, there must be no mistake."

Speaking of this, Tiankui God looked embarrassed: "Now that we have met His Highness, if we go back first, I am afraid that we will be punished by my mother."

"yes!"

When the words fell, the Tianji Divine General also followed and said, "Let's go back with His Highness." "

Nima!

Faced with this situation, Yue Feng was a little crying and laughing.

If this goes back with them, and he pretends to be Haotian's matter, won't he show his stuffing?

But if you don't go back, it's easy to make them suspicious.

After some entanglement, Yue Feng considered the safety of Ghost Guzi, and finally nodded: "Okay, I'll have a few words with Mr. Ghost Gu, and then let's go back together."

"Subordinates obey." Tiankui God was overjoyed, quickly nodded in agreement, and then waved his hand, allowing the divine soldiers who surrounded the small courtyard to retreat.

Call!

At this moment, Yue Feng was too lazy to talk nonsense, turned around and said to Ghost Guzi: "Sir, is it convenient to borrow a step to speak?"

As

he spoke, Yue Feng secretly winked at Ghost Guzi.

At this time, Ghost Guzi wanted to rebuke Yue Feng, but the Tiankui God General was outside, but he still held back at that time and nodded: "Yes!"

With that, Oniyako turned and entered the main hall.

Yue Feng quickly followed.

"You stinky boy!"

As soon as he arrived at the main hall, Oniyako couldn't help but scold: "I let you go, why did you come back?" He scolded, but looking at Yue Feng's gaze, he showed a bit of love.

Belch!

Yue Feng was stunned at that time: "Master, you can see it all?"

As

he spoke, Yue Feng secretly admired in his heart.

The master is the master, and he used Yi Rong Dan, but he couldn't hide it.

Saying that, Yue Feng showed a smile and said with a grin: "Master is angry, am I also worried about your safety, so I decided to impersonate Haotian." Alas

!

Hearing this, Oniyako sighed: "Although your method is good, but in this situation, you can't get out."

Yue Feng looked indifferent: "Master rest assured, when I return to the Yutian Palace with them, I will definitely be careful, and I will not show my horse's feet, but Master, this Ghost Immortal Mountain is no longer safe."

Ghost Guzi pondered and said slowly: "It's not safe here, the old man will return to the Kyushu mainland first, you don't have to worry." Seeing

him say this, Yue Feng relaxed his heart.

Later, the master and apprentice chatted a few more words, and Yue Feng walked out of the main hall, and left the Ghost Immortal Mountain with the Tiankui God General.

Well? That's not right!

At this moment, Yue Feng saw that the direction was wrong, and frowned at the Tiankui God General: "Isn't it going to the Imperial Heavenly Palace?" This is not going in the right direction, right? "

Huh!

The Tiankui Divine General smiled and said politely: "Niangniang is not in the Yutian Palace, she should be in the Yuyao Immortal Garden at this time." Hearing

this, Yue Feng frowned secretly and didn't ask more.

Soon, when I arrived at the Yuyao Immortal Garden, I saw the hall from a distance, sitting this beautiful and charming figure, wearing a light gauze skirt, which could not hide the charming curves, and the facial features were exquisite and beautiful, and the indescribable grace and luxury.

It was Hua Zhao Niangniang.

Call!

Seeing this scene, Yue Feng secretly took a deep breath and couldn't help but admire.

I haven't seen it for a while, and this Hua Zhao Niangniang is even more charming.

"Sissy!"

At this moment, the Tiankui God will walk to the door of the hall, and his tone is respectful: "Subordinate Tiankui, come to restore life." "

Hmm!

Hua Zhao Niangniang answered, her eyelids did not lift, and said lightly: "Has Ghost Guzi invited you?" The tone was gentle, but it gave people a powerful aura that did not dare to blaspheme.

Tiankui Shengji took a deep breath and said cautiously, "I encountered some unexpected circumstances, and Mr. Oniya was unable to invite him. "

Yikes!

Hearing this, Hua Zhao Niangniang frowned, and coldly reprimanded: "I didn't invite me, what are you doing back?" What a waste thing. "

Haotian God King has been missing for so long, Hua Zhao Niangniang is already irritable in her heart, and recently invited various immortals to discuss so that they can support her, but there are few supporters, which makes Hua Zhao Niangniang even more angry.

At this time, seeing that the Tiankui God General had not been able to invite Ghost Guzi, he immediately couldn't bear it.

Poof!

Feeling Hua Zhao's anger, Tiankui Shen quickly knelt down and said with trepidation: "Niangniang is angry, although his subordinates have not been able to invite Mr. Ghost Valley, there is good news."

"What good news?" Hua Zhaoniang said coldly.

The Tiankui God General hurriedly said, "We have found His Royal Highness the God King.

While speaking, Tiankui God subconsciously looked at Yue Feng behind him.

At this time, Yue Feng was thinking about how to get out for a while, and he didn't hear the words of the Tiankui God General and Hua Zhao Niangniang at all.

Got it?

At this moment, Hua Zhao Niangniang was excited, quickly stood up, and the anticipation that could not be concealed on her delicate face: "Have you found it?"

Where is it?

While

speaking, he also saw Yue Feng standing outside the door at this time, and his body immediately trembled, and he was overjoyed. However, she held her own identity, and so many people around her were present, and she tried her best to restrain herself and did not show it.

At this time, Hua Zhao Niangniang did not know that the person in front of him was not Haotian at all, but Yue Feng.

Call!

At this moment, Yue Feng reacted, and saw Hua Zhao Niangniang looking at him without blinking, and immediately saluted: "Haotian has seen Niangniang."

Hua Zhao Niangniang nodded, and then said to the Tiankui Divine General and the surrounding maids: "You all retreat, I will talk to His Highness the God King for a while."

"Yes, sissy."

Hearing the order, the Tiankui God General and those maids did not dare to slacken, and quickly retreated in response.

In the blink of an eye, in the huge hall, there were only two left, Hua Zhao Niangniang and Yue Feng.

"Haotian!"

At this moment, Hua Zhaoniang was embarrassed, and she couldn't help it anymore, when she walked over quickly with a snort, and suddenly threw herself into Yue Feng's arms, her voice was gentle, and she was a little resentful: "During this time, where did you go?" Did you know that I worry every day..."

At this time, there was no one around, and Hua Zhao Niangniang could no longer restrain herself.

Groove!

Feeling the bursts of fragrance coming from his arms, Yue Feng was immediately blinded, and his brain was blank and buzzing.

This... This Hua Zhao Niangniang is also too direct.

But soon, Yue Feng reacted and said with a smile: "I accidentally broke into the Chaos Vortex at that time, and I was trapped for a while, but fortunately I was blessed with a great life, and finally came out." When

he said this, Yue Feng muttered secretly in his heart.

It can't go on like this, you have to quickly find a way to leave, otherwise you will be troublesome when you show your horse's feet.

Thinking of this, Yue Feng gently pushed Hua Zhao Niangniang away and said with a smile: "I just returned from the Chaos Vortex, and I am covered in wind and dust, Niangniang don't get yourself dirty."

Saying that, Yue Feng thought for a while and continued, "I'll go back to bathe and change clothes first, and then come and talk to my mother in detail."

After saying this, Yue Feng turned around and left.

Yue Feng thought about it, and when he left the Jade Yao Immortal Garden, he returned to the Kyushu Continent as soon as possible to discuss countermeasures with Ghost Guzi.

However, how could Hua Zhao Niangniang let him leave?

Poof?

At this time, Hua Zhao Niangniang pursed her lips and smiled, and pulled Yue Feng: "Are you still polite with me here?"

Saying that, Hua Zhao Niangniang called a few maids and ordered: "Go, serve His Highness to bathe, and prepare a table of wine and dishes, I will take the wind and wash the dust for His Highness."

"Yes, sissy!"

Hearing the order, a maid answered and hurried to prepare the wine. By the way, he gave Yue Feng's prestige public account a concern, and his prestige public account was: Yu Beiyuan

The other maids came over, hugging Yue Feng, and their voices were gentle and sweet: "Your Highness, let's go to the bath and change clothes." "
