

## The ultimate husband in Chinese chapter 126-130

Chapter 126

Hide!

Or don't hide!

With only 0.01 seconds of consideration, Yue Feng decisively chose the latter.

At this time, while Zhou Qin exclaimed, she also saw the female student, and her heart suddenly trembled.

He... was willing to block a bullet for an unrelated person.

For a time, Zhou Qin looked at Yue Feng with a strange brilliance.

Just as Zhou Qin's thoughts flashed in his heart, the camouflage man twitched his fingers.

boom!

With a loud noise, he saw Yue Feng's body suddenly slammed back, and a strand of blood spurted out from his left shoulder.

When the pain came, Yue Feng couldn't help but gasped! But he gritted his teeth and didn't shout. After taking a few steps back, he stared at the camouflage man with a smile: "Your marksmanship is not very good."

As he spoke, Yue Feng tore a piece from his body. The strip of cloth came out and quickly wrapped the wound.

At this moment, the entire bank hall was deadly silent.

Those people lying on the ground opened their mouths wide, their eyes full of incredible.

Several robbers who were knocked down by Yue Feng were also speechless.

was hit by a bullet, and are you still talking and laughing here?

"You!" Zhou Qin stomped his feet in a hurry, what time is it, he is still angering criminals here!

In fact, Yue Feng was in so much pain, he just forcibly held back.

However, he had taken Qiankun Pill before and later became a cultivator, so Yue Feng's physical endurance was much stronger than that of ordinary people. The reason why he used words at this time was to anger the camouflage man, but Yue Feng also grabbed a gold bar in his hand.

There are gold bars and silver bars in front of the bank counter. Many customers buy it back and make financial products.

With a wave of his hand, the gold bar directly hit the camouflage man's hand, and the gun fell directly to the ground!

"You...you..." The

camouflage man also widened his eyes, obviously panicking. The next second, his eyes were quick and his hands were quick, he grabbed a little girl and blocked him, then pulled out a dagger and put it on the girl's neck.

"Fuck you, back me up!" The

camouflage man roared loudly, his eyes were red, and he was emotional!

The little girl cried out loudly, and the tears fell down.

She is only four or five years old, so immature! Where have you experienced this? ! At this point, I was about to freak out.

groove!

Seeing this, Yue Feng was furious and was about to rush over.

frenzied! A girl with a special slot, such a big girl, they have to be used as hostages! Even if the little girl is safe, this incident will become her shadow!

"Don't come here, or I'll kill her! Back off, back off!" The camouflage man howled loudly, while the dagger in his hand pressed tightly against the little girl's neck.

In an instant, the air seemed to be stagnant, except for those robbers, everyone's hearts were in their throats.

They never thought that this robber leader would be so vicious, taking a little girl as a hostage.

Yue Feng stopped and clenched his fists tightly!

“Haha, boy, aren’t you very good? Are you good at fighting? Why are you cowardly now?” The camouflage man said coldly, glancing at Zhou Qin: “And you! Come on, you guys can try one step further. !”

Seeing that everyone was stunned, the camouflage man laughed out loud.

“Quick, put the money in the car, let’s go.” The

strong men took the money and walked out quickly. The camouflage man was holding the little girl in his hands, and his eyes were always on Yue Feng.

Once outside, the group got into a van and drove fast in the direction of the suburbs.

As soon as the robbers left, everyone in the hall breathed a sigh of relief.

Without any hesitation, Zhou Qin stepped on high heels and followed out.

In the end, before reaching the door, Zhou Qin came back again and said anxiously in front of Yue Feng, “Yue Feng, can you...can you drive me and catch up with them.”

Ah?

Yue Feng couldn’t help laughing, his shoulder was still bleeding!

“You can call the police station. As far as the two of us are concerned, it’s not safe.” Yue Feng couldn’t help saying.

He also wanted to save the little girl. But things are not so simple! At this time, you need to be rational, and you can’t take your own life into it.

“No, we have to keep up with them.” Zhou Qin stomped his feet anxiously: “Otherwise we won’t be able to find them, their hiding place is very hidden. Then that little girl will definitely be fierce! People are taking their lives as a joke! Yue Feng, you can drive with me, will you?”

Chapter 127 The

robber’s van sped away toward the suburbs. At this time, the robbers in the car also took off the black cloth on their heads one by one.

Looking at the large bags of money in the trunk of the car, everyone’s faces flashed with excitement.

“Brother Wang, that kid and the policewoman were driving after us just now.”

At this moment, a robber glanced back inadvertently, and suddenly shouted at the camouflage man in a panic.

The other robbers quickly looked back, and their expressions changed drastically. In the bank just now, I had so many people together, but I didn't subdue that kid, but was easily counter-abused by him. Moreover, it's okay to be shot by Brother Wang!

"What are you panicking about? A kid will scare you like this? Drive up the mountain. The signal on the mountain is poor. Even if they call the police, it will not be easy to intercept us." Seeing Yue Feng and Zhou Qin following closely, they were called Brother Wang. The camouflage man, with a gloomy and terrifying face, scolded loudly.

Despite what he said, there was some anxiety and anger in his eyes.

The camouflage man's name is Wang Lang. He was originally a desperado. He did all kinds of robbery and blockade. He came to Donghai City in the past few days.

But fortunately, despite the twists and turns, the money was finally grabbed.

Moreover, there is a little girl in his hand as a hostage, and the other party does not dare to act rashly. As long as you are careful, you will definitely be able to get rid of them. Maybe you can taste the beauty for a while.

Ha ha ha ha! At this moment, thinking in my heart, a smile appeared on Wang Lang's mouth.

And at this moment, behind the Audi R8 car.

"Yue Feng, drive faster and find an opportunity to stop them." Seeing Yue Feng following behind the van in a hurry, Zhou Qin was so anxious that she couldn't help urging.

Yue Feng smiled lightly: "Don't worry, they will stop when they reach the mountainside."

The direction in which the robbers fled was the barren mountain north of Donghai City, where Yue Feng encountered the tomb robbers last time.

Yue Feng remembered very clearly that this barren mountain had not been developed, so the road was only repaired halfway up the mountain, and when the road came to an end, the car could not get on.

On the other hand, I was driving a sports car, and there was only a broken bread on the opposite side. If I forcibly stopped and a vehicle collided, the sports car would suffer. Although he and Zhou Qin are both cultivators, in the event of a car crash, they won't die here. But there is still a little girl in the van. If it is forcibly intercepted, the little girl will be injured.

Even if they didn't intercept them, they wouldn't dare to hurt the little girl. After all, the little girl was their talisman before they escaped successfully.

Where is Zhou Qin sure? At this moment, I just want to rescue the hostages quickly, and then subdue the robbers.

After all, it is the responsibility.

But when she was about to urge again, she tilted her head to see Yue Feng's blood-stained shoulders, she immediately calmed down, bit her lip and said, "Is your wound okay?"

While asking, Zhou Qin felt in her heart. Also a little embarrassed.

Why did he forget that he was injured when he only cared about chasing the robber?

And...

he was injured because of a female college student he didn't know.

"It's alright." Yue Feng smiled lightly, and Feng Qingyun replied calmly.

The two cars went up the mountain one after the other, and the road on the mountain had come to an end.

A group of robbers got out of the car and took the little girl hostage.

Zhou Qin also hurriedly opened the car door and stepped on high heels.

Yue Feng glanced at the back seat and hid the Blood Drinking Sword in his clothes. Although the level of this sword is a bit low, it is still a weapon.

"You two, you are really persistent. You won't die until the Yellow River, right? If you dare to take a step forward, I will kill her." Wang Lang said coldly with anger flashing in his eyes. He blocked the little girl in front of him again and raised the dagger at the same time.

The little girl seemed to be overly frightened. She didn't cry this time, but her face turned pale.

After speaking, Wang Lang shouted and looked around. At this time, behind him was a vast forest of deep mountains.

Yes, it's all because of this man and woman who made him escape here. Otherwise, now that I and my companions have successfully left Donghai City, maybe they are sharing the money.

“Hurry up and put down your weapons, let go of the child, you still have a chance to reform, don’t dig your own grave.” At this time, Zhou Qin snorted loudly with a cold face.

Wang Lang smiled coldly: “Stop talking nonsense, since I dare to do this, I am not afraid of you policemen!”

Hearing this, Zhou Qin’s tender body trembled.

There are always worms like this in society! disturb social order.

Yue Feng’s face was also not good. He took a step forward and stared at Wang Lang: “I use a child as a shield, and I keep saying that I am not afraid of the police. As a man, do you still need face?”

“You What did the special code say?”

Wang Lang was angry, and his body was filled with murderous aura.

With my brothers, I have done more than a dozen votes, big and small, in the past year. Under my own planning and command, everything went smoothly every time.

In the eyes of his subordinates, he is a perfect planner and eldest brother, enjoying respect and admiration.

## Chapter 128

And the boy in front of him humiliated himself so much.

“What? Did I say it wrong? If you still have some humanity and conscience, let the child go.” Yue Feng continued to approach without changing his expression.

“You’re wrong! Stop, you give me a special code to stop!” Wang Lang shouted angrily with hatred flashing in his eyes.

What is this Yue Feng doing?

At this moment, Zhou Qin couldn’t be anxious, his face was full of tension, and he felt that Yue Feng was a little rash. What if the robber is in a hurry and hurts the child.

Yue Feng showed a smile: “To be honest, I admire your courage, just a few people dare to rob a bank, just taking a little girl as a hostage, it’s too shameful, your purpose is not to successfully escape So, you kidnapped me and let the child go.”

Wang Lang didn’t respond, his eyes full of anger did not flicker.

Yue Feng smiled indifferently and continued: "Don't you hate me a lot, this little girl is innocent and has no enmity or enmity with you

.

"The wind hates to the bone!

Since he wants to take the hostage's place, then fulfill him, fulfill him!

Wang Lang clenched his fists tightly, and almost squeezed a few words out of his teeth: "Sorry, you want to be a hero, right? You can be, right? I'll make you cry today! Come over slowly, don't play tricks."

Yue Feng smiled, opened his arms, indicating that he was not armed, and walked over slowly.

"Yue Feng!"

At this moment, Zhou Qin couldn't help shouting with a complicated face.

Just blocked a bullet for an irrelevant schoolgirl.

And now, at the risk of himself, to rescue the little girl who was kidnapped.

Is he really not afraid at all?

At this moment, looking at Yue Feng's back, Zhou Qin bit her lip.

Everyone said that he was the son-in-law who came to the door, and everyone said that he was useless. However, he is really a good man...

Yue Feng walked forward step by step.

ten meters.

Five meters...

three meters...

getting closer and closer, Zhou Qin's heart slowly swayed.

When it was one meter, Wang Lang let go of his hand and let go of the little girl.

The little girl was frightened and ran to Zhou Qin quickly.

At the same time, Wang Lang grabbed Yue Feng and wanted to hold him hostage. The dagger in his hand is directly on Yue Feng's neck!

But Yue Feng smiled coldly and drew out the Blood Drinking Sword in an instant!

hum!

The light released by the blood-drinking sword almost dyed half of the mountain red!

“Ah...”

Wang Lang couldn't open his eyes due to the flash of light, and before he could react, he felt a pain in his wrist, and at the same time he couldn't help shouting, the dagger fell to the ground!

The next second, blood gushed out from the wrist! Blood dripped on the sword!

“Ah! Ah!”

Wang Lang let out a pig-slaughtering howl, and ran to the forest quickly!

“I remember you, you wait for me, you wait for me!” Wang Lang pointed at Yue Feng and shouted while soaking. In the blink of an eye, more than a dozen robbers had disappeared into the forest.

Yue Feng didn't plan to go after him. When I drew out the blood drinking sword just now, the movement was too great. The bullet hole in the arm is bleeding at this time!

Nima!

Yue Feng covered the bullet hole, but at this moment, a mysterious voice suddenly came from his mind!

“The Blood Drinking Sword has been upgraded successfully, the current level is the second stage of the red stage!”

What? Upgraded?

I go, this weapon can be upgraded?

Chapter 129

“You.... your injury...”

At this moment, Zhou Qin walked over quickly. asked down.

“It’s okay.”

Yue Feng shook his head with a relaxed look on his face.

In fact, Yue Feng just endured it.

The moment I used the Blood Drinking Sword just now, the wound was affected, and it really hurt.

Zhou Qin nodded and said no more, but there was still some worry in his eyes, and he took the little girl into the car.

The moment he got into the car, he felt a pain in his shoulder, and Yue Feng couldn’t help but curse. The bullet is stuck in it for too long, and if you don’t get it out in time, I’m afraid you will lose more blood.

Thinking to himself, Yue Feng didn’t start the car, but untied the strip of cloth that had been wrapped around his shoulders, and then silently urged his inner strength to force the bullet out.

The moment the bullet came out, Yue Feng trembled and his head was covered in sweat! Nima, fortunately I became a cultivator, otherwise this bullet would not be dealt with in a timely manner, and I might end up disabled.

Zhou Qin was worried about not being able to, and wanted to help, but he didn’t dare, because it was already dark at the moment, and he couldn’t see the wound clearly. For fear of hurting Yue Feng, he had to let him do it by himself.

After doing this, Yue Feng started the car.

But looking through the rearview mirror, I found that the little girl was holding her car key, and she was holding a delicate little rag doll in her left hand, tying it to the key.

Yue Feng looked curious and asked with a smile: “Little sister, what are you doing?”  
The

little girl said seriously: “Thank you, big brother for saving me, this is my favorite toy, I take it with me wherever I go, and now Give it to big brother, it can protect you.”

Hearing these innocent words, Zhou Qin, who was on the side, also showed a gentle smile, and reached out and touched the little girl’s head.

At this moment, the atmosphere in the car was warm, and it didn’t look like it had just experienced danger.

However, Yue Feng was also a little curious.

Such an old child should be terrified at this moment after going through this kind of thing.

But this little girl, apart from being a little panicked at first, is surprisingly calm at the moment.

Is the mental quality of children so strong now?

When the little girl tied the doll, Yue Feng took the key and started the car.

Turning her head and driving down the mountain, Zhou Qin asked softly, "Little sister, where is your home? Do you know the way? Will we take you home later?" The

little girl tilted her head slightly and thought about it. Xia said, "You guys can take me to the bank gate. I'll go home by myself."

"Why?"

Yue Feng was stunned and asked in surprise.

Zhou Qin also looked puzzled.

The little girl stretched out her little hand and pointed to the wound on Yue Feng's shoulder: "Big brother is seriously injured, he has to go to the hospital, I... I don't want to waste the time of big brother."

As soon as these words came out, Yue Feng and Zhou Qin They looked at each other and couldn't help but smile.

So young and so sensible, who is so lucky to have such a daughter.

Feeling the warm currents rising in his heart, Yue Feng smiled slightly, holding the steering wheel with one hand and touching the little girl's head with the other: "Big brother is fine, I'll take you home first." The

little girl was very Insistence: "No, it's important for big brother to take care of his injuries."

With that said, the little girl explained, "My home is near the bank. If you put me in the bank, my family will be able to find me."

"Just listen to her. I will explain to the bank staff when I get there." thought.

Yue Feng nodded, and at this moment, his mobile phone buzzed and vibrated. Seeing that it was a text message from Xiao Yuruo, Yue Feng didn't care. I didn't make a phone call, proving that there was no urgency.

Xiao family.

Xiao Yuruo sat on the sofa, holding the phone in both hands.

He...why doesn't he text back.

Xiao Yuruo bit her lip. For some reason, I just wanted to talk to him.

But after waiting for so long, no reply was received. Xiao Yuruo wanted to call him, but felt embarrassed...

at the door of the bank.

After sending the little girl away, Zhou Qin anxiously got into the car: "Go to the hospital and bandage the wound."

Yue Feng smiled slightly: "It's alright, what hospital should I go to? I've taken out the bullets."

Zhou Qin frowned . Suo: "No! What should I do if I get infected?"

As a police officer, she knows too well that if this kind of wound is not treated in time, it will definitely become infected.

Yue Feng said with a relaxed expression, "This injury is fine."

" No, this kind of thing can't be sloppy." Zhou Qin was a little anxious: "Why don't you care about your body at all?"

## Chapter 130

When talking about this, Zhou Qin bit her lip and stopped talking when she saw Yue Feng was looking at him with a smile.

Did you care too much about him?

"I really don't need it. It's already so late. The doctor has already left work."

"Then...then you have to take care of your wound." Zhou Qin frowned and was silent for a while, then said softly: " Why don't you go to my house, I'll help you look at the wound and put some medicine on it."

Yue Feng laughed and deliberately teased: "Why do you care so much about me? Are you afraid of my death?"

"I... .." Zhou Qin panicked for no reason: "After all, you were injured because of me.." It

was already late at night, and Zhou Qin also knew that it was really inappropriate to let this man go to his house.

However, he was injured like this, how could he not be bandaged! And it was for himself that he was injured.

Yue Feng nodded: "Well, you can go to your house, but you have to promise me a condition."

"What condition?" Zhou Qin said quickly.

Yue Feng smiled slightly: "Call me a good brother."

Zhou Qin froze for a moment, her face flushed, and she stomped her feet angrily: "You..."

What time is it, this Yue Feng still has the mind to make trouble with himself!

But now, Zhou Qin had no choice but to compromise and shouted, "Good brother."

Yue Feng answered happily, and then started the car.

Zhou Qin was both angry and funny.

You are so old, how can you still be like this? I hurt myself like this, and I still have the mood to say this!

When they got home, Yue Feng was sitting on the sofa. Zhou Qin didn't even have time to take off her high heels, so she quickly brought the medical kit.

After preparing gauze, disinfectant and other things, Zhou Qin leaned over to check the wound for him.

I have to say, Zhou Qin is too beautiful.

At such a close distance, and smelling the fragrance of Zhou Qin's body, Yue Feng was suddenly intoxicated.

She usually wears a police uniform and still can't tell, this woman is quite predictable.

Aware of Yue Feng's gaze, Zhou Qin's face was hot, and she slammed into it.

hiss.

When the pain came, Yue Feng couldn't help taking a deep breath, and he said, dumbfounded, "What are you doing, you want to kill?"

This woman is too cruel!

“Look around again and gouge out your eyeballs.” Zhou Qin blushed and glared fiercely.

Yue Feng looked helpless: “I’m bandaging my wound, of course I want to see you, otherwise where do I look?”

“Where are you looking.” Zhou Qin said angrily.

After all, Yue Feng is a cultivator. After the wound is treated, it should be fine. Zhou Qin squatted on the ground, wrapped the gauze around his arm, looked at Yue Feng seriously and said, “What did you think at the time? Why didn’t you hide when the bandits opened fire in the bank lobby?”

Yue Feng thought for a while, then smiled faintly. Said: “If I want to hide, I will hurt innocent people.”

In fact, Zhou Qin also saw the female college student at that time. Now that I ask, I just want to know what he thought at that time.

Hearing Yue Feng’s answer, Zhou Qin’s heart trembled slightly.

Don’t be afraid of danger, sacrifice yourself for others! Block a bullet for a strange girl! How much courage does this take?

But the Yue Feng in front of him has been mocked and ridiculed all the time. Yue Feng’s name is a joke in Donghai City.

“Why are you looking at me like this?” Noticing Zhou Qin’s gaze and the change in his expression, Yue Feng smiled without taking it seriously: “Actually, I’m just an ordinary person, nothing special. If it is special, it is nothing more than becoming a cultivator.”

Zhou Qin shook his head and said seriously: “No, in my heart, you are...really...really...really a special man...”

“Really? Then Don’t worship me too much, I already have a family.” Yue Feng laughed.

Zhou Qin blushed and couldn’t help but glared at him.

This Yue Feng really has no form!

“It’s very late. I’m going to bed. I’ll take a bath first. Why don’t you rest here tonight.” Zhou Qin stood up and said softly.

Originally, he was polite and polite to him, which was equivalent to an expulsion order.

Unexpectedly, Yue Feng nodded: "Alright, I'll sleep on the sofa."

Ah?

Zhou Qin stomped his feet angrily!

Are you really sleeping here? This night, a strange man was sleeping here. If Hao Jian knew about it, how would he explain it.
