

The ultimate husband in Chinese chapter 186-190

Chapter 186

Yue Feng stepped forward.

In an instant, many employees held their breaths and prayed for that kid secretly in their hearts.

When the president found out that he was playing with his mobile phone, this kid was afraid that he would lose his job.

“What are you looking at?”

Yue Feng asked with a smile when he reached the boy.

President?

Hearing Yue Feng’s voice suddenly, the boy was so excited that his phone almost fell to the ground, he quickly stood up, and stammered, “Hello, President.”

Huh?

Yue Feng’s eyes were instantly attracted to his phone.

In the screen of the mobile phone, a woman is broadcasting live, with a perfect face and indescribably charming. Any man who sees this kind of beauty will be crazy about it.

In the live broadcast room, there were only a few dozen people watching, but the atmosphere in the live broadcast room was very good, and the barrage was constantly, all kneeling and licking.

“The goddess is so beautiful.”

“Singing is so good.”

“Does the goddess need an assistant?”

Looking at the phone screen, Yue Feng smiled bitterly. This goddess is her own wife, Liu Xuan.

This chapter is provided by . Visit for daily update.

Shouldn’t she be handling affairs at Yunchu Company at this time?

Why... suddenly started live streaming?

After three years of marriage with Liu Xuan, I know that she never plays the Internet. Why is it going live now?

Thinking to himself, Yue Feng looked at the male employee in front of him and asked knowingly, "Who are you looking at this female anchor?"

"President... President." The man was already confused. He originally thought that Yue Feng would reprimand him, but he didn't expect that he would actually ask the female anchor.

At this time, another employee next to him answered cautiously: "President, her name is Liu Xuan, she is a new anchor. It is said that she is from Donghai City. The live broadcast is only a few days away, and the people are beautiful and sweet."

Yue Feng nodded. He looked to the side: "Han Yue, help me check her situation, why did you start a live broadcast."

"Okay, I'll check it now." Han Yue took the phone and respectfully said.

In the afternoon, Han Yue knocked on the door and came in: "President, I've checked it out. The person who broadcast the live broadcast is called Liu Xuan. Two days ago, she was kicked out of the family, so..."

Huh?

Expel the family?

This Liu family grandmother is really confused.

Han Yue was startled and asked cautiously, "President, what's the matter with you?"

Yue Feng calmed down and shook his head: "It's alright. Do you know this live broadcast platform?"

"Yes." Han Yue bowed slightly: "This is The live broadcast platform is called Longya Live. The boss is our company's partner."

Yue Feng nodded: "Well, find a way to make her popular."

"Understood." Han Yue responded and walked out quickly.

Watching her back go away, Yue Feng took out his mobile phone, logged into Longya Live, registered an ID, and named it Shanqiu. This is also his first name. When the hills are combined, it is the character for Yue.

There are not many people in Liu Xuan's live broadcast room. She was originally beautiful, and with the addition of a mobile phone filter, Liu Xuan at this time was like a fairy.

As soon as I entered the live broadcast room, I saw a fan named 'Donghai Boss' brushing a set of airships for Liu Xuan, which was worth 20,000 yuan.

Liu Xuan was very excited, she quickly stood up and thanked: "Thank you, boss Donghai."

In the past few days, this is the first time someone has paid 20,000 yuan for a gift!

Liu Xuan's thanks made 'Donghai No. 1' very useful, and sent a barrage: "Goddess, let's dance."

Dancing?

"I'm sorry, I...I can't dance." Liu Xuan said apologetically.

The dance they talk about is not a normal dance. They want to see that kind of dance that is especially sexy.

'Boss Donghai' was unhappy, and quickly posted a barrage: Goddess, you still don't understand the rules of the live broadcast world, right now, in your live broadcast room, my reward is the highest, so, without breaking the law, You have to do what I tell you to do, understand? Do you still want to be in the live broadcast industry? I paid 20,000 yuan. How about playing with you here?

At this time, everyone else in the live broadcast room also followed suit.

Yes, the 20,000 yuan was not brought by the wind.

How pure do you think you are.

Jump, jump...

Liu Xuan bit her lip, and she slowly stood up in a short skirt.

Indeed, people brush more money. If you refuse the request, I am afraid that no one will give you gifts in the future.

The people in the live broadcast room are very excited at this time. The goddess finally stood up. Those white legs are simply too charming.

It's exciting to be able to enjoy the hot dance of the goddess!

Chapter 187

What to do?

Liu Xuan bit her lip and stood there at a loss.

And at this moment, a scene that shocked everyone appeared!

Seeing on the screen, a person frantically swiping gifts, a total of 2,000 groups of airships, directly smashed the live broadcast room!

Two thousand airships, two million, two million!

Whoa!

The whole live broadcast room is boiling!

It is so arrogant to give a gift of two million at a time, this is a god!

Liu Xuan's body trembled with excitement and locked the ID: Hill.

"You don't have to do anything. If you're happy, you can sing." After swiping the gift, the ID of the 'hill' sent a barrage.

The 'Boss of the East China Sea' simply stopped talking.

Seeing the barrage posted by 'The Hill', Liu Xuan was moved for a while, and was about to stand up to thank her, but she saw that 'The Hill' had already left the live broadcast room.

"Dangdangdang."

At this moment, there was a knock on the door, and Han Yue's voice came from outside the door: "President, can I go in?"

"Come in."

Han Yue held a stack of documents in his hand : "President, can I go in?" , I have already arranged the matter of anchor Liu Xuan, this is our company's financial statement for this month, you can take a look."

Yue Feng glanced at it and said with a smile: "Well, it's not bad." I

have to say, Han Yue is very capable. The company makes a lot of profit.

Hearing the praise, Han Yue smiled, and then took the opportunity to say, "President, there is a Rolls-Royce auction tonight, are you interested in participating? The auction just now sent an invitation to our company."

Rolls-Royce auction?

What a broken name?

While murmuring to himself, Yue Feng didn't even think about it: "No, it's boring."

Han Yue hurriedly said, "President, this auction is not easy, it was organized by the Luo family."

Yue Feng frowned, the Luo family knew something, also a big family. However, the main industry is not in Donghai City.

At this time, Han Yue continued: "It is said that this auction held by the Luo family not only has rare jewelry, but also many treasures that the world doesn't know about. In addition to these, there are also auctions of real estate, license plate numbers and so on. I think the president You can go and have a look."

After saying this, Han Yue had some anticipation in his eyes.

Han Yue knew about this auction half a month ago and has always wanted to go.

Because Han Yue got the news, at this auction, a pair of 'Crystal Love' will be auctioned.

Crystal love, there are only 99 pairs in the world. It is the dream of almost all women to have a pair of crystal love. Han Yue is no exception.

Although with her economic strength, she can't afford Crystal Love. But being able to take a look at the auction is also very satisfying!

Seeing the anticipation on Han Yue's face, Yue Feng thought for a while, then nodded and said, "Okay, then you can come see me."

"Okay, President."

Seeing Yue Feng's agreement, Han Yue was full of joy.

Han Yue only felt that she was lucky to meet such a good boss.

....

Xiao Yuruo was very depressed these days.

I don't know why, but I always think of Yue Feng for no reason.

I remembered how he identified antiques, how he fought sharks alone, and how he was covered in blood when he was injured by robbers in order to save everyone.

This scene, like a curse, was deeply etched in Xiao Yuruo's mind, and every time he thought of him, his heart pounded.

It has been almost half a month, and there is no news of Yue Feng.

I don't know what happened to him, whether his injury has healed or not, and what is he doing now.

Xiao Yuruo felt like she was ill, and she was not interested in doing anything.

"Yuruo."

At this moment, his father Xiao Qingshan quickly walked into the living room: "Why are you in a daze at home again, let's go, Dad will take you to an interesting place." The

daughter has been depressed recently, Xiao Qingshan saw it, anxious heart.

"Dad, I don't want to go out, I want to stay at home." Xiao Yuruo said softly.

Xiao Qingshan smiled: "This time you must be interested, the Luo Luo auction, have you heard of it? There are many antiques at the auction, maybe this time, we can meet treasures. Also, you don't like crystals the most. Is it love? It is said that there is really a pair of crystal love at the auction."

Chapter 188

"Really?! Okay, I'll change clothes."

Xiao Yuruo came to the spirit. She has been thinking about crystal love for a long time. When I saw Liu Xuan wearing a pair, I couldn't be envious.

I wanted to ask Liu Xuan to buy a pair for myself, but I was willing to pay double the price! But unfortunately, Liu Xuan didn't know who gave her those shoes.

Cheering up, Xiao Yuruo went to the bedroom and came out in a short while, jeans and a T-shirt, neat, elegant, yet not blindingly attractive. Xiao Yuanshan smiled and nodded, then the father and daughter walked out of the living room together.

When I got to the gate, I saw a BMW parked there.

Seeing the two of them come out, a clean and handsome man in a valuable suit came down from the BMW.

“Uncle Xiao. Yuruo.” The man greeted him very modestly and politely.

“Zhang Quan? Why are you here?”

Xiao Yuruo frowned slightly, her eyes showing resistance.

The man’s name is Zhang Quan. The family is in the jewelry business and has been pursuing himself.

“My dad asked me to come!” Zhang Quan smiled and pointed at Xiao Qingshan.

“What nonsense are you talking about?” Xiao Yuruo’s face was full of anger: “That’s my dad, not your dad. Please be careful when you speak.”

While talking, she looked at her father: “Dad, what’s the matter, why did you call him here? ?”

Xiao Qingshan scratched his head, recently, her daughter has been unhappy, it must be because of Yue Feng.

But that boy Yue Feng was the son-in-law who came to the house and had a wife. How can you be a baby girl? So today, I came to Zhang Quan and wanted to match him and his daughter.

Going to the auction together is mainly to let the two young people have more contact.

“My dad said that you are not happy recently, let me coax you and go to the auction together.” Zhang Quan smiled.

“That’s my dad, not your dad!” Xiao Yuruo was so angry that he called my dad one at a time, wouldn’t it be awkward? This guy is really thick-skinned.

Zhang Quan smiled, stepped forward, and the gentleman opened the car door: “Yuruo, Dad, let’s go, the auction will start soon, Uncle Xiao, please stop driving, and I will send you back when the auction is over. “

Xiao Yuruo sat up with a cold face.

Seeing his daughter get into the car, Xiao Qingshan pulled Zhang Quan aside and said in a low voice, “Xiao Quan, I have created an opportunity for you, whether you can grasp it well is up to you.”

“Dad, don’t worry, I like Yuruo from the bottom of my heart, and I won’t let you down.” Zhang Quan said quickly.

Xiao Qingshan nodded and got into the car. He didn’t forget to instruct him, “By the way, you called Dad a little early.”

“Then I won’t call it next time, Dad.”

...

Central Building! This auction will be held here.

Yue Feng took Han Yue and got out of the car. As soon as I got out of the car, I saw a familiar figure.

“Great Sage?”

Not far away, Sun Dasheng, who was dressed in a neat suit, and his wife, Li Nan, were joking with several company executives.

Hearing the call, Sun Dasheng laughed and walked over.

“Fengzi, you also came to participate in the auction, why are you alone? Where is my sister-in-law?” Sun Dasheng asked naturally.

The last time Yue Feng was injured, Liu Xuan was always beside her, and it was obvious that the two of them should have a very good relationship.

Yue Feng smiled bitterly and turned to look at Han Yue: “Go ahead and leave me alone. I’ll give you the news when the auction starts.”

“Okay.”

Han Yue replied respectfully. , and went in.

“Fengzi, who is this?” Sun Dasheng asked with a smile.

My brother can do it. Everywhere I go, I follow a beautiful woman.

Yue Feng smiled: “Secretary.”

“Secretary?” Sun Dasheng laughed: “There is a saying that is good. If you have something to do as a secretary, if you have nothing to do as a secretary.”

Just as he was talking and laughing, he heard a shock from the crowd. voice.

In a BMW car, Xiao Yuruo stepped off and immediately became the focus of the audience.

Yue Feng slapped his thigh! It's broken. During this time, Xiao Yuruo often sent messages to herself, but she didn't reply much.

"Yue Feng?"

Xiao Yuruo hurried over with a happy expression on her face.

It has to be said that Xiao Yuruo has a special temperament. She is wearing a T-shirt and jeans, which perfectly shows her exquisite figure. The eyes of the men around her are sizing her up and down.

Xiao Qingshan on the side, his face was ashen! Why is it so coincidental that this kid also came to participate in the auction? !

When he thought that the other day, this kid bound three women in his own house, including his own daughter, Xiao Qingshan couldn't help but get angry!

Chapter 189

Xiao Qingshan snorted coldly and gave Zhang Quan a look. The boy immediately understood and strode over: "Yo, isn't this the Liu family's son-in-law?!" As

Zhang Quan said, he walked over and put his arms around Xiao Yuruo's waist: "Yuruo, you and him What are you doing to say hello, this kid is the son-in-law at the door!"

Suddenly being hugged by the waist, Xiao Yuruo stomped her feet angrily: "What are you doing? Yue Feng, don't get me wrong..."

Zhang Quan smiled: "Yuruo, why are you afraid that he will misunderstand him?"

While talking, he looked at Yue Feng: "Boy, do you know me? Listen, my name is Zhang Quan, and my family is in the jewelry business. The five 'Zhang Dasheng Jewelry' in Donghai City are owned by my family! " I forgot to tell you that I like Yuruo, so stay away from me in the future."

Oh, it turns out that my family owns a jewelry store.

No wonder the tone is so arrogant.

Yue Feng laughed and didn't care.

At this time, the auction was about to start, and many people began to enter the venue.

Zhang Quan reacted and looked at Yue Feng with a smile: "It's so funny, you are a door-to-door son-in-law, can you still come out and play? Can you come to a venue like an auction? Do you have the money to bid?"

Yue Feng laughed He smiled: "You can't come to the auction without money? It seems that there is no such rule."

Yue Feng understood that this kid was Xiao Yuruo's suitor and wanted to show off his wealth in front of the goddess.

And he regards himself as a rival in love.

"Oh, yes, the poor can also go in." Zhang Quan said lightly, and then looked into Yue Feng's eyes: "I am you, you are the most generous to others. If you and Yu are friends, I can wait for you. Lend you some money and let you bid on what you like."

"Really? Then why am I so embarrassed." Yue Feng said with a smile.

Zhang Quan sneered: "Don't be embarrassed. A useless person like you, the most lacking is money. As for me, the most lacking is money. I have money, so let's call me Dad, Guan Yu If you call me Mom, how about I give you two million?"

Yue Feng smiled lightly, but didn't respond.

On the other side, Sun Dasheng finally couldn't bear it any longer: "Little arm brat, what's wrong with your special code?"

Sun Dasheng had a temper, but now that he sees someone looking down on Yue Feng, he can't bear it, and if he disagrees, he will act.

"Zizhuizuan, the son-in-law who came to the door still has helpers." Zhang Quan laughed. He didn't know Sun Dasheng, so he wasn't afraid. People who hang out with their son-in-law must also be trash.

Thinking of this, he put his head together: "Come on, hit me, hit me here, hit me on the head! You dare to touch me, and I will let you squat in prison for the rest of your life. ..you.."

"Bang!"

Sun Dasheng didn't care about that, and smashed it with one punch.

Nima, it hurts to look at.

Zhang Quan cried out, his head bulging, he wanted to cry without tears!

“Wait, wait for your special code!” Zhang Quan shouted loudly, “When the auction is over, I will let you both lie down!”

Oh, this kid is really ruthless, this punch Almost stunned him!

“Zhang Quan, have you had enough!” At this time, Xiao Yuruo was anxious, stepping on her high heels and walking straight into the auction.

“Yuruo, wait for me!” Zhang Quan cried out.

The auction venue is very large, about the size of three or four basketball courts, and there are already many people sitting there, each of whom has an extraordinary identity.

Han Yue, representing Ziyu Company, sat in the first row.

Yue Feng didn't go there, but with Sun Dasheng and his wife, they found a place casually.

“I, can I sit here?” Xiao Yuruo came over and asked in a low voice.

She wanted to sit here for two reasons.

First, when auctioning antiques, you can refer to Yue Feng's opinion.

Second, these days, she really misses Yue Feng..

“Yuruo, the position in front is good and the line of sight is good, let's go there.” At this time, Zhang Quan came over and said flatteringly.

As he said that, he gave Yue Feng a cold look.

Oh, what kind of charm does this door-to-door son-in-law have to make Xiao Yuruo put down her body and follow him like a little valet.

“No need, I'll sit here.” Xiao Yuruo said lightly.

Zhang Quan was helpless and had to sit on the other side.

There are more and more people on the seats, nearly a thousand people! This auction is really huge.

After a while, the auction will begin.

The first few auction items were all jewelry and small antiques.

The transaction price is only tens of thousands of yuan.

Xiao Yuruo, as the eldest lady of the Antique Family, has seen those antiques, so she is not very interested.

Chapter 190

When the fifth auction item was presented, all the women in the audience couldn't help but let out a low cry, their eyes glowing.

A pair of exquisite workmanship, crystal clear high heels, placed on the auction table.

It is 'Crystal Love'!

At this moment, Xiao Yuruo also clenched her jade hand tightly, her eyes flashing slightly.

She has long wanted to have a pair of crystal love. But if you don't have a strong enough network, you can't buy it at all. Now at the auction, a pair has appeared, and it must be photographed!

Looking at Crystal Love at this moment, Xiao Yuruo could hardly sit still.

But seeing the starting price of fifty million, Xiao Yuruo's delicate face suddenly became disappointed.

50 million, the starting price?

You know, when Crystal Love came out, there were only 30 million pairs.

But the starting price here is 50 million! 50 million can endure it. The problem is that many women present are eager to try. Obviously, the competition for a while will be particularly fierce.

My own cash, only 60 million.

"Yuruo, I know you've always wanted Crystal Love, don't worry, I'll take pictures for you later." Zhang Quan knew that his chance to express himself had come.

After speaking, Zhang Quan immediately raised his hand.

"Fifty million, Mr. Zhang bid 50 million!" The auctioneer was a beautiful woman, her red lips were slightly open, and she smiled lightly.

"Sixty million."

"Seventy million." "Seventy

-five million!”

“Eighty million!”

In just a few seconds, the price was instantly fired up to 80 million!

What?

Zhang Quan was a little confused. what’s going on? Why are these girls crazy? 80 million to buy a broken high heels?

But just now I boasted about Haikou, so I had to bite the bullet!

“Eight thousand.. eighty-one million!” Zhang Quan said through gritted teeth.

Hahaha!

The voice fell, and the audience burst into laughter.

Only one million more than the previous round? !

Zhang Quan’s heart is bitter. Yes, I have some money at home, but I can’t spend it like that!

“Ninety million!”

A short-haired woman stood up and raised the sign in her hand.

“90 million, this Miss Wang has sold 50 million!” the auctioneer shouted excitedly.

You must know that the auctioneer has a commission. Although the commission is relatively low, the price of 90 million also has a commission of 900,000!

At the same time, everyone in the audience was also in a heated discussion.

Speaking of which, Crystal Love is really good, but how many women can afford it? The world is limited to 99 pairs. If you have no strength, you will not dare to wear it!

All of them are businessmen, one is more shrewd than the other.

So after Miss Wang shouted 90 million, almost no one raised their hands.

Zhang Quan’s face flushed red. This price is far more than the reserve price. Oh, 90 million!

Xiao Yuruo, who was on the side, was also faintly moved: "Zhang Quan, I know you are good to me, forget it, don't buy it anymore, I suddenly don't like these shoes anymore."

Xiao Yu was duplicitous, she really liked Crystal Love, but she knew in her heart that Zhang Quan could not get this price.

"Yuruo, since you don't like it, then I won't shoot." Zhang Quan breathed a sigh of relief and went down the steps.

"Hahahaha!" Yue Feng, who was on the side, couldn't hold back, and suddenly burst out laughing.

This piece of Quan is too special. I thought this kid had so much strength, but I didn't expect that he was so capable.

"Do you have another special code to laugh at?" Zhang Quan suddenly became angry: "No matter what, I can still pay 90 million yuan, don't say 90 million yuan, can you take out 9000 yuan? Yue Feng, do A door-to-door son-in-law, isn't he very humble and has no status at home, so he came here to find a sense of existence?"

Zhang Quan didn't dare to say too much. After all, he was beaten by Sun Dasheng just now, and he still has lingering fears.

Xiao Yuruo was suddenly a little unhappy. Zhang Quan had offered 90 million to bid, and she was quite happy. But he began to laugh at Yue Feng again.

Although Yue Feng has no money, he is brave and manly.

Xiao Yuruo frowned, "Zhang Quan, I'll leave if you keep doing this."
