

## The ultimate husband in Chinese chapter 191-195

### Chapter 191

“Okay, I won’t talk about it.” Zhang Quan hurriedly said, “Actually, I am also for his own good. This son-in-law doesn’t ask for progress, I will educate him.”

Yue Feng didn’t say anything, just sneered and gave Han Yue sent a text message.

At this time, the auctioneer on the stage had already raised his hammer and shouted excitedly: “Is there any more bids? Miss Wang is 90 million for the first time, 90 million for the second time...”

“90 million Third...”

“One hundred million.”

Just as the auctioneer made the final call, Han Yue, who was sitting in the first row, raised his hand and shouted lightly.

“Hi!”

You could hear it clearly, and the audience took a deep breath!

Nima, one hundred million, buy a pair of high heels? ! Crazy, now this woman is crazy!

Everyone looked at Han Yue. At this time, she was wearing a professional attire, sitting there elegantly. Many men’s eyes are straight. As the saying goes, a good horse is matched with a good saddle, and a beautiful woman is matched with a crystal love, which is also understandable!

At this time, Han Yue was very calm on the surface, but he was very excited.

Just now Yue Feng gave her a message and asked her to take a picture of Crystal Love.

Although I know the president, I definitely didn’t buy it for myself. But being able to make a bid for the president is also very exciting!

She doesn’t know who the president is going to give Crystal Love, but after the auction ends, she can wear Crystal Love and take a few photos. So satisfied! “100 million for the first time, 100 million for the second time, 100 million for the third time!” At this moment, the auctioneer on the stage was already excited and incoherent

: “Congratulations, Miss Han, for bidding on this pair of crystal love.”

applause!

Xiao Yuruo bit her lip tightly, feeling unspeakable in her heart.

It seems that in this life, I have missed the love of crystal.

At this moment, a new auction item was presented on the auction platform not far away.

It is a delicate little wooden box.

The moment the auctioneer opened the box, the entire auction hall fell silent.

hiss!

All eyes are on the box! Many people are full of curiosity!

Inside the box was a dark elixir.

In such a high-end auction, can this medicinal pill be ordinary? It is definitely Niubi's elixir!

"Everyone, you are all people with identities. Cultivators are not unfamiliar to you. There must be a lot of people here, so today's highlight is here." The

auctioneer couldn't be excited: "This pill The medicine is called the Immortal Pill. After taking it, it can help cultivators to break through the bottleneck! If your cultivation is stuck in the fifth rank martial artist, or the fifth rank general, then this immortal pill can help you break through! This is absolutely Rare treasures, panacea."

Following the auctioneer's explanation, everyone present couldn't contain their excitement!

The journey of cultivation is difficult.

How many people have been stuck in a realm all their lives, and have not improved one step further until they die.

Therefore, this Immortal Pill is more than a rare treasure, it is simply a priceless treasure.

Sun Dasheng is also full of excitement, not excited!

As early as two years ago, he reached the realm of the fifth rank martial artist, and he has been stuck there. In the past two years, there is no sign of breakthrough! I heard

from my grandfather that some people are stuck in the fifth stage of martial arts all their lives. Some people are lucky and can break through within three years. But most of them are stuck there!

The reason why Sun Dasheng came here today is that he heard that there is an auction of the Immortal Pill!

Therefore, seeing the appearance of the Immortal Pill at this time, Sun Dasheng, who has always been calm and calm, couldn't hold back his inner excitement.

Magic pill?

Yue Feng looked at the Immortal Pill without blinking, but frowned secretly.

This medicine pill, Yue Feng has been refining several times, and he is very familiar with it. At this time, he still has several pills on his body. But the one in front of me has the same shape and color as the Immortal Pill that I have refined, but it has a little less spiritual energy.

However, in such a big auction, it is impossible to auction fake goods. If you guessed correctly, this Immortal Pill should have been stored for too long, and it is estimated that the efficacy is gone.

Indeed, thinking about it carefully, the [Wu Ji Dan Technique] that I obtained was obtained near the ancient tomb. It is estimated that in today's era, few people can alchemy. This divine elixir for auction should have been refined in ancient times. It has been preserved for decades, or even hundreds of years, and its efficacy has long since disappeared.

Chapter 192

At this moment, the auctioneer raised his hand to signal everyone to be quiet, and then said loudly: "Shenxiandan, the starting price is one billion. Now the auction starts." As soon as

the voice fell, many people actively bid.

In just a few seconds, this Immortal Pill was raised from one billion to four billion!

What?

Nima!

Yue Feng was shocked!

It was sold to Yang Long for 2 billion. Later, Wang Zixi, who was introduced by Yang Long, bought another one for three billion.

At the time, I thought I was making a lot of money.

Who knows, this thing sells for a higher price at auction!

It has been four billion, and the price is still rising!

At this moment, Sun Dasheng couldn't hold back any longer. He stood up to make a bid, but was stopped by Yue Feng.

"Fengzi, why are you pulling me?"

Sun Dasheng looked puzzled. No matter what, he must take down this Immortal Pill today! He didn't want to be trapped in the fifth stage martial artist!

Immortal pills are rare in the world! And today, I finally came across it at this auction, and naturally I can't easily miss it. No matter how much it costs, I have to buy it.

Seeing the hot face of Sun Dasheng, Yue Feng shook his head: "Dasheng, don't join in the fun, this magic pill is real, but the spiritual energy in it is gone, it's completely useless, and..."

Said At this point, Yue Feng sighed and continued: "Also, the medicine is three-point poisonous, the spiritual energy is gone, but there is still toxicity left in the medicine pill. If you take it rashly, I am afraid that it will be harmful to the body." The

spiritual energy is gone?

Sun Dasheng was stunned for a while, then sat down, his face full of surprise: "Fengzi, how did you know that?"

This brother makes himself amazed every time.

How many times have I practiced this divine elixir, of course I know.

After muttering in his heart, Yue Feng smiled and said, "I can't tell you for a while, you just believe me."

Sun Dasheng nodded heavily. As for Yue Feng's words, I believe it unconditionally!

As a result, at this time, Zhang Quan, who was sitting beside him, suddenly burst out laughing.

"Haha.."

Zhang Quan clutched his stomach, almost laughing, pointed at Yue Feng and laughed loudly: "Yue Feng, I find you very interesting, hahaha! I mocked me for not buying the crystal before. Lian, now you are brazenly saying that the medicine pill is fake, hahaha, I am dying of laughter. Are you a son-in-law, you are abused at home every day, and you have a problem in your heart? Come to this auction, deliberately pretend to compare, or Are you here to make trouble on purpose?"

Zhang Quan laughed loudly, which immediately attracted the attention of many people around him.

Yue Feng was too lazy to talk nonsense with him, and said lightly: "You don't care what I say, in short, you can't afford it."

At this time, Zhang Quan was a ridiculous clown in Yue Feng's heart.

Zhang Quan was dumbfounded for a while, but when he saw many people around him looking this way, he sneered and retorted: "Yes, I really can't afford billions, but what about you? Can you afford it? At least I could bid for it before. Crystal love, and you, I guess you have two hundred dollars in your pocket? Hahahaha!"

After saying this, Zhang Quan was not satisfied, and shouted at the surrounding: "Oh, everyone, come and listen, this The son-in-law who came to the door said that the elixir that is being auctioned on the stage is fake." The

voice fell, and the surrounding was full of laughter.

"This kid is a door-to-door son-in-law? How can anyone come to the auction now ?

" The young man's name is Luo Jin, who is in charge of the scene order. "Sir, please don't make any noise here." When he arrived at Zhang Quan, Luo Jin's tone was polite, but his face was majestic. As the person in charge of the entire auction, Luo Jin did not allow any problems to occur during the auction. With a relaxed expression, Zhang Quan spread his hands and said, "You misunderstood, it wasn't me who was making a noise, but someone was making trouble at your auction." With that, Zhang Quan pointed at Yue Feng: "It's this kid, say you guys The immortal pills auctioned are fake, if you don't believe me, ask him." Hearing this, Xiao Yuruo was a little anxious and said apologetically to Luo Jin: "Mr. Luo, I'm sorry, we'll be quieter. The two of them are joking, you auctioned it. How can something be fake?"

## Chapter 193

Zhang Quan was in a hurry: "Yu Ruo, how can you help him? Yue Feng just said clearly that the magic pill is fake, so don't help him cover it up."

Luo Jin frowned. He is in charge of the order of today's auction. If ordinary people make trouble here, they will definitely be cleared away.

But Luo Jin knew Xiao Yuruo, the eldest miss of the Xiao family. So I chose to believe her, so I nodded and smiled: "Since it's a joke, please be quiet."

After saying this, Luo Jin was about to leave.

However, at this moment, Yue Feng said slowly: "Mr. Luo, your Immortal Pill has expired, you should stop the auction."

Wow!

The eyes of the whole audience came over in an instant!

This kid is mentally ill.

Holding such a big auction, can you sell expired medicinal pills?

Luo Jin was about to leave, but suddenly stopped and asked with a sullen face, "What did you say?"

Xiao Yuruo was also anxious, pulled him gently, and said in a low voice, "Yue Feng, don't talk nonsense. Ah..."

Identifying antiques, Xiao Yuruo believed him.

But how would he know about cultivation?

Just now, Yue Feng said that the medicinal pill was invalid, and he finally put it off for him. Why did he bring it up again? This time it's good, Luo Jin heard it, this matter is not easy to solve!

"You ask you to say it again!" Luo Jin clenched his fists and rushed over.

Nima, is this kid looking for trouble?

Even if he is Miss Xiao's friend, he can't make trouble here!

Yue Feng smiled slightly, stood up slowly, looked at Luo Jin seriously, and said again: "I said, that Immortal Pill is invalid. If people eat it, they may die."

Failure?

Luo Jin sneered, no unnecessary nonsense, and said coldly: "I don't care who you are, please leave here immediately. Get out!"

No one is allowed to make trouble at the auction!

Xiao Yuruo bit her lip and stomped her feet anxiously: “Mr. Luo, don’t be angry with him, he doesn’t know much about cultivation, so he just talked nonsense. I apologize for him, don’t let him go.”

“Miss Xiao, This...”

Luo Jin’s face was embarrassed, she was the eldest miss of the Xiao family. The Xiao family is an antique family after all.

The upper class gave gifts, and many people would send antiques, and it was inevitable to deal with the Xiao family in the future. Xiao Yuruo has already said such things. If you don’t give face, I’m afraid it’s a bit inappropriate.

And glanced at the side, Sun Dasheng sat there steadily. Is this kid and Sun Dasheng still friends?

In Donghai City, the Sun family really can’t afford to provoke them. Thinking of this, Luo Jin laughed and left with the security guard.

As soon as his forefoot left, Zhang Quan shouted out loudly, “Yuruo, why are you begging for him? This kid is full of nonsense, he should be kicked out!”

Xiao Yuruo bit her lip. Although I like Yue Feng, there are still some things to say. In such a high-end occasion, you must not talk nonsense. If he wasn’t here today, it would be easy for Yue Feng to be kicked out, or it would be normal to be beaten.

Thinking of this, she leaned over and said softly, “Yue, Yue Feng. Stop talking nonsense. There really won’t be any fakes here. The Rolls-Royce auction has been held for several times, and it is very reputable. Get out, who will help me look at antiques for a while?”

It has to be said that Xiao Yuruo has a very high emotional intelligence. Although she complained a little about Yue Feng, her words made people feel quite comfortable.

To be honest, she was really afraid that Yue Feng would be driven out just now. If so, I don’t know when I will see him next time.

Yue Feng didn’t speak. In the blink of an eye, the auction on the stage was already extremely fierce!

Although Yue Feng said just now that the Immortal Pill is invalid, who can believe his words?

“Five billion! This old gentleman sold five billion!” At this moment, the auctioneer on the stage shouted excitedly.

At the same time, the entire auction venue was in an uproar.

Five billion.

An Immortal Pill was auctioned for 5 billion. What is the concept?

Countless pairs of eyes converged on the first row, where an old man was sitting. He was wearing a Tang suit and was leaning on a dragon-headed cane.

The old man's hair was white, and he looked over sixty, but he was in high spirits, his eyes were full of brilliance, and his body was filled with a domineering domineering that was not angry and mighty.

What the hell, this Immortal Pill is so valuable?

It seems that there is time to refine some more.

Yue Feng murmured secretly with an indescribable shock in his heart.

"Five billion for the first time, five billion for the second time, five billion for the third time..."

"Congratulations to this old gentleman, bidding for this magic pill at a price of five billion!" The auctioneer was excited Excited!

The audience below was silent, and after a few seconds, thunderous applause broke out.

While applauding, many people were secretly wondering in their hearts.

However, to be able to spend 5 billion to buy an Immortal Pill, the status of this old man is absolutely awesome. But this old man looked very faceless, not like a well-known figure in the business world.

After the auctioneer finished shouting, he immediately sent the Immortal Pill to the old man's hands respectfully.

The old man in Tang suit took over the Immortal Pill, his face full of excitement: "Ten years, ten years, today I finally hope to break through the fifth rank of generals and be promoted to Marquis!"

Hiss!

Chapter 194

What?

Fifth rank generals?

Hearing this, many people in the whole length couldn't help but gasped.

The strength of this old man is actually the strength of a fifth-rank military general!

What is the concept of the strength of a general?

Zhou Qin, as the eldest sister of the Emei School, was in the realm of the fifth-grade martial artist at the beginning, but after taking Yue Feng's Immortal Pill, she broke through the first-grade military commander.

Practitioners in reality are mostly of the same rank as martial masters. Because cultivation is too difficult, some people, despite their aptitude and intelligence, are stuck in the fifth rank of martial arts all their lives.

And the old man in Tang suit in front of him turned out to be a fifth-rank military general! so amazing!

"Grandpa...Congratulations."

At this time, a young girl smiled at the old man.

wow.

In an instant, everyone's eyes were attracted, and they were all amazed!

What a beautiful girl!

The girl is eighteen or nineteen years old, and she is very beautiful. She's so cute in a dress.

This old man is very lucky to have such a beautiful granddaughter.

The old man nodded to his granddaughter, and then he shoved the Immortal Pill into the mouth!

Holy crap, so eager to eat?

All eyes were on the old man, and everyone's eyes were full of envy. After eating the Immortal Pill, the strength of the old man can break through to Marquis Wu! Marquis Wu, this rank is already extraordinary! In the world, it is hard to see.

At this moment, Yue Feng frowned secretly.

The old man ate it on the spot, afraid that something would happen.

As I was thinking in my heart, Zhang Quan's mockery came from the side: "Oh, Yue Feng, didn't you say that the elixir is invalid? Look at this old gentleman, he has nothing to eat. A person like you, that is, the grapes are sour if they can't eat them, and they are sour."

The boy's voice was deliberately raised a bit. Many people around laughed.

Pfft!

However, at this moment, I saw the old man's face as red as blood, and the next second, he fainted without warning!

"Grandpa!"

The girl panicked immediately, her eyes were red, and her delicate face was full of anxiety!

Whoa!

Everyone is stunned! The whole auction is a mess!

How could this be?

Shouldn't it be a breakthrough? How did it pass out so well?

Everyone stared blankly at this scene, in shock.

"He...he said just now that the Immortal Pill has failed..." The woman in the crowd didn't know who it was, pointing at Yue Feng and saying.

In the next moment, all eyes are looking at it!

Yes, just now this kid said that the elixir had failed. Is it true? !

Zhang Quan, who was sitting there, looked as ugly as a dog, and his face was unbelievable!

Nima! How is this possible? Will this kid Yue Feng know what to expect?

No, what can his son-in-law know.

Masked, yes, definitely masked.

Xiao Yuruo next to her also trembled at this moment. He couldn't help but stare at Yue Feng next to him, biting his lips tightly, a strange feeling rose in his heart.

How many secrets does this man have on his body..

“Come here, save people...”

At this time, the beautiful woman in black knelt in front of the old man in Tang suit, anxiously shouting at the hysterical people around her. .

Many people gathered around, but no one dared to help.

Seeing the old man in Tang suit, his face turned red and white, which was very scary.

Luo Jin hurried over with someone and looked at the situation of the old man in Tang suit. He was also a little panicked: “Miss, does your grandfather have some kind of illness?”

“What did you say?” The

girl looked at him coldly. He burst out with a palpitating chill: “My grandfather is in good health and has never been sick. It’s just that there is something wrong with the elixir you auctioned off. I tell you, don’t try to evade responsibility.”

This beautiful woman Such a strong aura.

Feeling the girl’s chill, everyone took a deep breath!

How old is this girl? Why is the aura so strong? There are not many people present who dare to look at her!

Chapter 195

Seeing the old man faint, a young man in a suit walked over quickly: “What’s wrong? What happened?”

This man’s name is Luo Zehao, the eldest young master of the Luo family. This auction was also managed by him.

Seeing the eldest young master coming, Luo Jin breathed a sigh of relief and stepped forward: “Master, this old man suddenly fainted, but his granddaughter said it was the magic pill we auctioned, something went wrong...”

Luo Zehao frowned. Then he smiled at the girl: “Miss, I can understand your mood, but the things we auctioned are genuine.” The

Rolls-Royce auction has been held for several times, and there has never been a problem.

This old man suddenly fainted, it was definitely a disease of his body. As the eldest young master of the Luo family, Luo Zehao is really not afraid of things.

“Don’t talk nonsense with me, hurry up and find someone to rescue my grandfather. If my grandfather has a problem, I will let the entire Luo family be buried with you!” The girl said word by word.

The sound was not very loud, but it spread throughout the auction house!

Many people shuddered!

This... how old is this girl? Under the cute appearance, when I say these words, my hair stands on end!

This girl...seems...really has this strength.

Luo Zehao laughed.

“Miss, it’s useless for you to speak harshly to me. As the organizer of this auction, I sympathize with your father, but what I can do is to send a car to take you to the hospital. You want to scare me. Really tender...what?”

Just halfway through, Luo Zehao suddenly stopped!

I saw a golden token in the girl’s hand!

Seeing the token, Luo Zehao’s whole person changed, his eyes were demented, his body trembled faintly.

“I’m sorry, I’m sorry... I have no eyes...” In the

next second, Luo Zehao calmed down and his voice trembled!

Compared with before, the attitude is completely one heaven and one underground!

The little girl looked at him coldly: “My grandfather is a fifth-rank military general, and his body is very tough. If my grandfather has an accident today, I will let your Luo family disappear.

”, anxiously shouting at the surrounding: “Doctor! Hurry... quickly save people...”

What?

How did the attitude change so quickly?

Everyone's eyes also converged on the token in the hands of the beauty. The token is made of pure gold, and it is engraved with human figures and birds and beasts, which is lifelike!

Who is this girl?

But to make the young master of the Luo family suddenly become so respectful, he is definitely not an ordinary person!

Yue Feng, who was standing on the side, frowned secretly when he saw this scene.

Unexpectedly, there are so many big names in such an auction.

"Let me see."

Just when Luo Zehao was extremely anxious, a beautiful figure stepped out of the crowd with high heels, with a sexy figure and beautiful face.

It was the director of the First Hospital, Xue Li!

Many people's eyes were focused on Xue Li.

She is known as a genius doctor in Donghai City. In this auction, the Luo family was afraid of an accident, so they arranged some doctors in advance to wait for rescue. As the dean, Xue Li came here today as she was fine.

But she has been in the background, sitting and playing with her phone, not paying attention to the auction. Now that I heard someone calling for a doctor, I walked over with a few nurses.

Is she here too?

Seeing Xue Li's figure, a smile appeared on Yue Feng's face.

"Great, Dean Xue is here, come and see what's going on with the old man." Luo Zehao was very excited and hurriedly greeted Xue Li.

With Divine Doctor Xue here, Luo Zehao was relieved. Otherwise, something has really happened to this old man, let alone himself, the entire Luo family can't take this responsibility!

Xue Li took the stethoscope and stepped forward. The whole place was silent.

"Depending on the situation, it should be that the drug was taken by mistake, which caused the dysfunction of the body and caused the blockage of the cerebral blood vessels." After checking, Xue Lixiu frowned and said slowly.

The beauty in black did not speak, but looked at Luo Zehao coldly! Is this still worth thinking about? It was caused by taking the magic pill!

The people around were also talking about it.

It really is a problem with that magic pill!

Luo Zehao wanted to cry without tears! He asked in a panic: "President Xue, I beg you to cure this old gentleman, please." If

something really happened to the old man, the Luo family would be over!

Xue Li shook her head: "The old man's situation is complicated, there is no medical equipment here, and I am helpless. The best way is to send him to the hospital as soon as possible. Don't worry, I will perform the operation on the old man in person, but... but I'm afraid it will be too late. The success rate is only ten percent."
