

## The ultimate husband in Chinese chapter 201-205

### Chapter 201

“Good sister, is your mouth so sweet today?” Yue Feng said with a smile: “Tell me, let me help you.”

Zhou Qin bit her lip and whispered: “You, listen to me. Have you been to the Hall of Longevity?”

Hall of Longevity?

At the auction just now, the grandfather and granddaughter came from the Hall of Longevity. One of the two major cults.

“I heard, what’s wrong?” Yue Feng asked.

“I want to ask you to help me investigate the Hall of Longevity...” Zhou Qin said softly.

Donghai City has been very unstable recently, and Tongtian Sect established a church entrance here a few days ago. Now the Hall of Longevity has also established a hall entrance in Donghai City.

The two major cults are here, isn’t Donghai City going to be a mess?

Fortunately, Tongtianjiao has not been doing anything recently. Hall Master He Tianyou has not appeared for many days.

But recently, this hall of longevity is a bit too much. After the establishment of the hall, he did all kinds of evil, and even used a living person to make alchemy, which is outrageous!

The superior leadership has issued an order. Within a month, if the Hall of Longevity is not removed, everyone must be laid off!

After the police station received the order, they have been investigating the Hall of Longevity. But they are very cunning, and they can’t find out the location of their hall.

Yue Feng smiled bitterly: “You police can’t do anything about them, how can I help?”

Zhou Qin was a little anxious, and quickly said: “Yesterday our police station arrested a man from the Hall of Longevity, called Wen Chou Chou, we guessed , He holds a very high position in the Hall of Longevity. It’s just that no matter how we interrogate him, he doesn’t reveal a word, and he is very cunning. In the end, we had no choice but to put him in prison.”

Having said that, Zhou Qin took a sip of coffee and said again: "I thought about it and decided to send someone to go to prison to approach Wen Chou Chou, and get some information out of his mouth. Then I thought of you. !"

What?

Go undercover in prison?

What Zhou Qin meant was to put herself in prison, have a good relationship with Wen Chou Chou, and gain his trust. In layman's terms, go undercover.

What a joke!

Yue Feng almost jumped up, shaking his head like a rattle: "Don't, you look down on me too much, go to prison to be an undercover agent, you might as well let me fight him directly. Besides, there are so many people in your criminal investigation team. , if you don't choose, why do you have to find me?"

At this moment, Yue Feng was resisting!

The days outside are happy and happy, who wants to go to jail? Go crazy!

Zhou Qin couldn't be in a hurry. He gritted his teeth and pleaded: "Good brother, even if I beg you, good sister is begging you. Good brother will help me this time, okay?"

Zhou Qin didn't understand, why did she decide Yue Feng.

In short, this plan just came to mind, and the first thing that came to mind was Yue Feng.

Back then, in Houshan, Donghai City, Yue Feng alone dealt with more than a dozen tomb robbers.

In the bank, he blocked bullets for a strange student, and single-handedly snatched the little girl hostage back from the robbers.

To catch sharks in the sea, three siblings robbers were caught on the bus. This one thing is vivid in my eyes! Whether it is courage, courage, or the ability to adapt to changes, who can match him?

"Okay, okay, I'll help you this time. Next time, don't look for me." Yue Feng said helplessly.

I thought it was a good thing that the police flower had an appointment, but I didn't expect this to be a bad thing!

"Yeah!" Zhou Qin couldn't hide his happiness and nodded heavily.

Feng said with a faint smile, "If I complete this task, what will be the benefit?"

You know, this task is not easy. The target I want to approach is the people from the Hall of Longevity!

At the auction before, the woman in black just flashed a golden token, which scared Luo Zehao enough, which shows how terrifying the power of the Hall of Longevity!

If you accidentally expose your identity, your life will be lost!

Zhou Qin smiled and said, "I have prepared a bonus of 10 million yuan. As long as you successfully complete the task, the 10 million yuan will be yours. How about it?"

In Zhou Qin's understanding, although Yue Feng is a good person, he is still from the Liu family. The door-to-door son-in-law should be relatively short of money.

Yue Feng shook his head, showing no signs of being moved: "It's only 10 million, so you want me to work for you."

Zhou Qin fell silent, lowered his head and bit his lip: "Good brother, this 10 million is still I won it with great difficulty, as long as you agree, when you complete the task, I will do whatever you want me to do..."

Seeing her shy look, Yue Feng couldn't help laughing: "What do you really do? Are you willing?"

Zhou Qin said nothing and nodded. As a result, seeing Yue Feng's rogue eyes, he immediately reacted: "Of course, except, except for very excessive things!"

"Okay." With a smile on his face, Yue Feng nodded: "But what should I do? Go to jail?"

Zhou Qin said with a smile: "Good brother, I have arranged everything for you. You are an undercover agent. Heaven knows it, you know it and I know it. No third person is allowed to know about it. Therefore, we are going to act. Like a little! When you go to the phone shop next door and steal two phones, my colleagues will come soon."

What?

Chapter 202

Nima, I never stole anything...

Yue Feng suddenly became depressed, and said angrily: "You really know how to arrange things, and stealing things is too bad."

Seriously, Yue Feng has grown up since he was a child. Big, the most despised is the thief.

With hands and feet, what do you do with other people's things.

Zhou Qin looked at him helplessly: "Then what good ideas do you have?"

Yue Feng smirked and looked Zhou Qin up and down: "Or, I'll show you a robbery, attack a policewoman or something, or robbery. It's alright..."

Hearing this, Zhou Qin's face turned red all of a sudden, and glared at Yue Feng: "It's serious business, don't you joke, okay?" But

it's really not serious!

"Okay, okay, no kidding. Then I want to go to prison in a different way. Let me go to prison with a little dignity. I heard that in prison, those prisoners look down on thieves." Yue Feng smiled, and then said seriously.

Zhou Qin nodded: "Then think about how to go to prison."

Yue Feng rolled his eyes and made a few suggestions. Fighting with people, or hitting and running.

As a result, all his suggestions were rejected by Zhou Qin.

In the end, Yue Feng could only reluctantly accept the original suggestion.

That is, go to the mobile phone store to steal the mobile phone.

After the agreement was reached, Yue Feng sent a text message to Han Yue, saying that he might not come back for a while, and let her manage the company well. Take a look at Liu Xuan's situation.

After arranging this, with the encouragement of Zhou Qin's eyes, Yue Feng walked out of the cafe with a look of helplessness, and then walked into the Apple mobile phone store next to him.

"Someone stole the phone."

"Quick... catch him."

After more than ten seconds, Yue Feng rushed out of the mobile phone store in a panic, clutching a two-step new phone, and several shop assistants chased after him and shouted. Yell.

The movement attracted many people on the street to watch. Many people pointed and pointed, but no one came up to help.

Before Yue Feng ran to the opposite side, two policemen rushed out from one side, pressed Yue Feng's uniform to the ground, and then a police car came over and took him away.

This scene, before and after, adds up to no more than five minutes.

Zhou Qin, who was sitting in the cafe, couldn't help laughing.

I really can't tell, Yue Feng's acting talent is quite strong, and it's too similar to grab a mobile phone and act!

I hope that after he is in prison, he can find out information from that Wen Chou Chou as soon as possible.

With a word of admiration, Zhou Qin walked out of the cafe full of joy.

On the other hand, after Yue Feng was taken to the police car, he was sent directly to the suburban prison.

As soon as I entered, everything on my body was taken away. He was wearing a prison uniform and was speechless for a while.

He can see that the prisoners in the prison at this time are free time. A group of men with big arms and round waists are playing basketball. Nine out of ten have tattoos, or are covered in scars.

....

City First Hospital.

In the advanced ward, after this period of treatment, Yue Tianheng's injury has been recovering well. Today, he can sit up and his spirit is good.

Xue Li came to visit the old couple again and peeled apples for them.

At this moment, there was a sound of footsteps outside the door, and then the door was pushed open, and several police officers in uniform walked in.

“Excuse me, are you Yue Feng’s parents?” The police officer headed, holding a file, asked with a professional smile.

A few police officers came suddenly, and Yue Feng’s parents were a little confused.

It was Xue Li who took a step forward: “Yes, they are. Is there anything wrong with you?” The

policeman nodded, then looked at the old couple and said, “Your son, Yue Feng just stole two apples from a mobile phone store. The mobile phone, worth 10,000 yuan, has now been detained by us, so we specially came to inform you.”

Huh?

Xue Li just thought it was funny. What’s the joke, brother Feng will steal mobile phones? This is just a big joke.

“Are you mistaken?” Xue Li asked, “Brother Feng would not do this.”

“You are Yue Feng’s sister?” a policeman asked.

“No, no...” Xue Li blushed.

## Chapter 203

“I’m not his sister, but I know him very well.” Xue Li said softly, “He really wouldn’t do such a thing!”

“Oh. But that’s the truth, he did steal.” The policeman said, looked at Yue Feng’s parents: “Your son, it is true that he stole the mobile phone.”

No third person knew about this undercover operation. Therefore, according to the procedure, the relatives must be notified.

Su Yue’s body froze, and the hot water in her hands fell to the ground, her face full of disbelief: “Xiaofeng stole the phone? Impossible, he is the boss of a company with a successful career, how could he do such a thing, you guys. It must be a mistake.”

Yue Tianheng, who was sitting on the bed, also had an excited expression on his face: “Yes, it must be a mistake. Xiaofeng has always hated thieves since he was a child. How could he be a thief?

” The police officer in the file handed over the document in his hand, and looked like he was doing business: “Then I don’t know. In short, people can’t make mistakes. You can take a look.”

Su Yue and Yue Tianheng were suspicious. Looking at the file, the old couple was completely stunned when they saw the photo of Yue Feng wearing prison uniforms.

At the same time, the Liu family.

In the living room, Liu Xuan was wearing a conservative long dress, sitting in front of the computer, singing in the live broadcast room, smiling, beautiful and charming.

Shen Man sat next to him and escorted him with a smile on his face.

After several days of live broadcasts, Liu Xuan gradually became famous on the platform.

Fans have also risen from a few hundred at the beginning to hundreds of thousands now! It's only been a few days since the live broadcast. The growth rate of fans like this is really unprecedented!

And just now, the mysterious big brother 'The Hill' appeared again last time. In the live broadcast room, hundreds of thousands of gifts were swiped at one time, which made the popularity of the live broadcast room soar and even went up. The homepage of the platform is recommended.

Liu Xuan was so excited that she wanted to thank this 'hill' elder brother.

But unfortunately, after brushing the gifts, 'The Hill' quickly exited the live broadcast room.

"Xuan'er, it seems that this hill is your true fan. Maybe it's the boss of that big company. You must have a good relationship with him." At this time, watching Liu Xuan's broadcast, Shen Man smiled. Hehe said.

Liu Xuan nodded, if there were no hills, she would not have made so much money.

"Daughter, there's one more thing. I found out that you've been livestreaming for a few days, but it's very popular." Shen Man said, "Longya's livestreaming now seems to be recommending you all the time. Why did they push you as a newcomer?"

Liu Xuan smiled lightly: "I'm supposed to be pretty? That's why I kept pushing me." As they

spoke, the mother and daughter smiled at each other.

"It must be so! My daughter is the prettiest."

Tinkerbell.

Just then, Liu Xuan's cell phone rang suddenly!

Seeing the caller number, the mother and daughter looked at each other.

Caller number 110?

"It's fake, it must be a liar, let's see how I scold him." With that, Shen Man answered the phone and pressed the loudspeaker key at the same time.

"Excuse me, is it Ms. Liu Xuan?" A man's voice came: "We are from the city police station."

He actually knew his name? It doesn't appear to be a liar.

"I am, what's the matter?" Liu Xuan asked.

"Your husband, Yue Feng, has been detained on suspicion of a crime." The policeman said word by word.

What? !

Liu Xuan's tender body trembled, and she became anxious: "What crime did he commit?"

"Stealing two iPhones." The police said: "After being arrested on the spot, Yue Feng admitted his mistake in a good manner, and has been forgiven by the mobile phone shop owner. Sentenced to two months in prison according to law. As his wife, we are obliged to inform you."

After saying this, the phone was hung up.

As soon as the phone hung up, Shen Man couldn't help laughing.

"Daughter, have you seen what this waste Yue Feng has done?" Shen Man smiled, leaning back and forth: "It's a shame to steal two iPhones. A big man with hands and feet, To steal something. I tell you, my daughter, leaving him is the most correct decision in your life."

"But..." Liu Xuan bit her lip, she really didn't want to believe that Yue Feng actually went to steal something, And it was a petty thief who stole two mobile phones.

But the police have called, so this can be fake.

Chapter 204

Suburban Prison.

There are three free activities every day, after three meals. At this time, several strong men were playing basketball on the court. The basketball was not very good, but they were all in high spirits.

It was not easy to move freely, and everyone was very happy. Those who don't play basketball are also cheering on the side.

There is only one exception, he is sitting on the edge of the basketball court, holding a book and reading it.

This person looked in his 30s or 40s, with a middle parted head, looking at Wen Wen weak and unusually calm.

As soon as Yue Feng came in, he was attracted by this person.

This person is a bit interesting. In his free time, he chose to read a book.

Muttering secretly, Yue Feng sneakily took out a photo from his body. Before entering, Zhou Qin gave him a picture of Wen Chou Chou.

Nima, this young man reading a book is exactly Wen Chou Chou!

That's not right.. Zhou Qin said before that this Wen Chou Chou is the high-level backbone of the Hall of Longevity, and he should be very strong. Only a martial artist?

Moreover, this text is ugly, weak and weak, wearing glasses, and has no power to restrain chickens! Look at the book in his hand again.. Nima, "Sun Tzu's Art of War"?

Nima, watching Sun Tzu's Art of War in prison?

Yue Feng just thought it was funny, so he thought about how to strike up a conversation.

As a result, at this moment, a basketball flew directly over and hit Wen Chou Chou's head!

"Bang!"

Wen Chou Chou almost fainted, the book in his hand and the glasses on his face flew out!

"Yo, I'm sorry, hahaha, my hand slipped and the basketball flew out." A strong man walked over and said with a smile on his face. Although the mouth apologized, but the ridicule on his face, how could there be any apology.

This brawny guy looks familiar... Huang Yanlang?

Yue Feng almost didn't laugh! Haha, the special code is really Huang Yanlang! This kid runs a martial arts gym. Last time, he wanted to take advantage of Liu Xuan, but he was beaten by Yue Feng, and was convicted of picking quarrels and provoking trouble, and was put in prison.

Hahaha, I haven't released it yet!

Although Huang Yanlang opened a martial arts hall, he likes to pretend and often hurts people. So he's a regular here.

Prison is a place where the strong eat the weak. But Huang Yanlang is different, he can fight! So after he came in, he had many followers around him, and he was extremely arrogant in prison.

At this time, Huang Yanlang had not found Yue Feng outside the basketball court. In his eyes now, only Wen Chou Chou.

This nerd, in jail for a few days, doesn't understand the rules at all! Seeing myself as a prison tyrant, I still don't know how to nod and bow. Every day looks like a lofty one, eh, come to prison, and pretend to be an uncle?

Today, this kid was reading on the side of the basketball court again, and Huang Yanlang became angry when he saw it.

Madd, think of your basketball court as a library? So I deliberately hit him with a basketball just now.

At this time, Wen Chou Chou's smashed eyes were staring at gold stars, and he was lying on the ground looking for glasses. Just found it, but Huang Yanlang picked up the basketball and smashed it again!

Snapped!

The basketball flew straight out, smashing Chinese Ugly's face evenly.

"Ow!"

Wen Chou Chou shouted, and the glasses flew again.

"What are you doing?" Wen Chou Chou stood up and asked coldly with a dissatisfied expression on his face.

At this time, Wen Chou Chou was burning with anger! He was in a high position in the Hall of Longevity and was accidentally caught here. I was thinking of getting through the month's sentence, but how could I know that Huluo Pingyang was bullied by dogs.

“What are you doing? You are so blind, you didn’t see Lao Tzu playing basketball here. You are sitting here with a broken book, don’t you know it will affect my performance?” Huang Yanlang said arrogantly and unreasonably.

Then he glanced at the book on the ground: “Oh, Sun Tzu’s art of war, he seems to be a very learned person, what? I want to lead troops to fight, now is the high-tech era, and this thing you are looking at is outdated. , Shabi.”

After saying this, Huang Yanlang pointed to the basketball not far away, and said coldly, “Bring the basketball back to me, then take your book and get away!”

Wen Chou Chou was already angry, but he dared to Angry to speak!

## Chapter 205

“Deaf? Didn’t hear what Brother Huang said? Picked up the basketball and heard it.”

“Dare to stare at Brother Huang? It’s itchy, right?”

” The text is ugly and ugly, and he is about to start.

At this moment, a sneer came from the side, especially harsh.

It is Yue Feng!

No, I can’t help it anymore, these scumbags are really deceiving. Wen Chou Chou reading books, offended them?

Huang Yanlang looked back and instantly met Yue Feng’s eyes!

I was stunned at that time, and then anger rushed out: “Did you blame you, is it you? It’s not that the enemies don’t get together!” When the

voice fell, Huang Yanlang raised his fist and rushed over!

The special code, when I was in the Liu family, I was beaten by this son-in-law who came to the house. If it weren’t for him, would I be able to go to prison?

This is good, I met him in prison, and I have to kill him today!

Huang Yanlang’s fist was about to fall, but at this time, there was a sudden stop!

Damn, what’s going on? Wasn’t this kid before, a second-tier martial artist?

It’s been a long time since I’ve seen each other, and I’ve been promoted to the fourth rank of martial artist? !

No, I can't beat him alone!

Huang Yanlang was a little cowardly, and waved his hand: "Come on, brothers, let's beat him together!" Hu La

!

As soon as the voice fell, a few strong men gathered around.

In this prison, they are Huang Yanlang's followers. They do whatever Huang Yanlang asks them to do, regardless of the reason or who the other party is!

Yue Feng's expression remained unchanged, without the slightest panic. Looking at Huang Yanlang, he said slowly, "I just came in, and I don't want to cause trouble. Don't force me to do something with you."

Until this time, Wen Chou Chou also put on glasses, silently Pick up the book from the ground.

However, he did not leave immediately, but could not help but stare at Yue Feng.

This young man, facing an enemy several times more than himself, is so disadvantaged, but he is not afraid of danger.

It's a man!

Aware of Wen Chou Chou's gaze, Yue Feng didn't react at all, just pretended he didn't see it.

Zhou Qin had specially explained it before, she said that Wen Chou Chou was very cunning and alert.

In order not to frighten the snake, Yue Feng did not want to be too conspicuous.

At this moment, a prison guard walked over quickly and shouted angrily: "What are you doing, you don't even want to get out of prison, right? There is no need to fight here!"

Seeing the prison guard, Yue Feng's eyes lit up.

Female prison guard? And it looks good. "Officer, hahaha, we did n't

fight." At this time, Huang Yanlang changed his face and said to the prison guard with a smile: "Actually, we all know each other, just kidding."

Presumptuous.

The female prison guard looked around, said nothing, turned around and left. Before leaving, she didn't forget to say, "Don't bully the newcomer."

She knew in her heart that the new kid was a thief.

Here, the most despised person is the thief. This Yue Feng, it is estimated that he will inevitably be bullied.

Especially with the same name as Huang Yanlang, he has a hard life. The female prison guard left with a sigh.

At noon, Huang Yanlang and a group of younger brothers conspired in the corner.

"Brother Huang, how do we fix that Yue Feng?" a younger brother asked.

Huang Yanlang said with a sullen face, "Don't worry, let's not rectify Yue Feng first, let's rectify the ugly first. Let's kill the chicken and show it to the monkey. When that time comes, that Yue Feng will be honest when he sees me again!"

"Brother Huang's move is beautiful."

"Brother Huang is still very good." The

voice fell, and several younger brothers gave thumbs up one after another. Even if he farts, it is fragrant.

After lunch, it's time for everyone to go to the toilet. Yue Feng and Wen Chou Chou were peeing. At this time, Huang Yanlang brought someone.

A group of people walked straight to Wen Chou Chou, and then deliberately urinated on Wen Chou Chou's pants.

Nima, it's so disgusting, I don't know who it is, it seems to be angry, and the urine is yellow like Mirinda.

At that time, Wen Chou Chou's face turned ashen in an instant, and even his teeth were shaking with anger! The neck is red! Wanted to get angry, but held back.

In the end, he endured it this time. He didn't expect it to be even more excessive.

At dinner time, everyone is eating. Huang Yanlang led a few people, and when he passed by Wen Chou Chou, he suddenly stopped, then turned his head and spat into the plate.

wow.

At that time, the eyes of all the prisoners looked over. You know, the food in the prison is very precious. If you don't eat, you will be hungry.
