

The ultimate husband in Chinese chapter 231-235

Chapter 231

“Goddess, don’t panic, I’ll kill this fly.” Duan Yu said with a smile, and then waved his hand: “Give it to me.”

In an instant, dozens of people pulled out their knives and chopped them in an instant!

Sun Dasheng’s face was ashen. In desperation, he flicked his wrist, summoned an axe, and went up to him.

But how could he beat dozens of them alone? !

boom!

The entire box was instantly chaotic.

Liu Xuan’s beautiful face was full of panic, she had never seen such a bloody scene.

Duan Yu smiled and comforted: “Goddess, don’t be afraid, but after a fly, you’ll be fine soon.”

“Stab!”

With a loud noise, a machete fell on Sun Dasheng’s back, and his skin burst open and blood dripped. !

“Ah!” Sun Dasheng howled loudly, Rao is experienced in hundreds of battles, but he can’t stand such a siege!

Resisting the pain in his body, he swung out an axe, directly knocking down the two people.

But then four or five people came around, and they slashed at him.

“Stab! Stab!”

Sun Dasheng’s body was already dripping with blood. I don’t know how many times he was cut, his eyes were black, and he fell directly to the ground, not knowing whether he was alive or dead.

This chapter is provided by . Visit for daily update.

After a while, several men in black dragged Sun Dasheng, who was covered in blood, and threw him directly outside the bar.

...

On the other side, Li Nan was outside the bar, took out his mobile phone and kept dialing.

But I called more than a dozen people, but no one answered. Only then did I remember that Grandpa Sun is going to hold a family meeting today, and all of Sun Dasheng's subordinates should be having a meeting.

Li Nan was so anxious that when he thought of Yue Feng, he immediately called over.

Soon, the call was connected.

"Yue Feng, come quickly, something happened to the Great Sage." Before Yue Feng could speak, Li Nan shouted anxiously, his voice hoarse.

on the other side of the phone.

Yue Feng was resting on the sofa in the office. Hearing this, he sat up all of a sudden: "What's the matter, don't worry, speak slowly!"

"You come first, you come to the Dynasty Bar first, Great Sage I don't know if I'm alive or dead!" Li Nan cried out loudly.

What?

Yue Feng's face instantly darkened. Hang up the phone and leave the office quickly.

It was already past nine o'clock in the evening, and the employees of Ziyu Company had already left work. As soon as he walked out of the door of the company, he bumped into a man.

There was a bump, but the man didn't move. But Yue Feng was almost knocked down.

At that time, the situation was urgent, and Yue Feng said sorry and wanted to bypass him.

As a result, at this time, the man grabbed Yue Feng and said, "I bumped into someone, just say sorry?"

This sound felt strange, Yue Feng looked up and saw this man, wearing a black trench coat, Wearing a hat on his head, the brim of the hat is so low that he can't see his face at all.

"I'm sorry, I'm in a hurry. You're a company employee, right? I'll give you a promotion tomorrow." Yue Feng said, trying to avoid him again.

“Haha.” The man smiled lightly, with no intention of letting go.

Um?

Yue Feng frowned: “I have an urgent matter, please let me go.”

Until this time, Yue Feng could feel that this man was filled with a compelling aura! Although the other party has deliberately restrained a lot, it is still very strong.

At that time, I was in a hurry to support Sun Dasheng, so my tone was a little impatient: “Get out of the way, I’m in a hurry!”

The man smiled lightly: “Don’t be nervous, my master wants to see you.”

Master?

After muttering, Yue Feng didn’t even think about it, and directly refused: “I’m not interested, I have something urgent to do.”

After saying this, Yue Feng didn’t bother to talk nonsense, turned around and left.

It was at this moment that the man took out a pockmark and put it directly on Yue Feng’s body!

Nima, another sack!

At this moment, the man slapped him on the back of the head. The world turned around in front of him, and Yue Feng fainted directly.

He didn’t know how long he had been in a coma, but he only knew that when he opened his eyes, his head was dizzy.

Nima, who tied me with the special code? Yue Feng’s eyes were red, the great sage didn’t know whether to live or die, but he didn’t show up!

Chapter 232

Yue Feng frowned and looked around. Immediately stunned.

where is this?

A gust of sea breeze came. Looking around, this turned out to be a small island, surrounded by the sea, with pleasant scenery.

Not far away, there is a large stone pillar erected, more than fifty meters high, with a few large characters carved with dragons flying and phoenix dancing on it, which are particularly eye-catching: Tongtian Island!

Tongtian Island? !

Holy crap, this is Tongtian Island?

Yue Feng couldn't help being shocked.

Tongtian Island is an artificial island. It is not very far from Donghai City, only three or four hours by boat.

When this island was built, it was originally intended to develop marine resources. Later, for some reason, the project was stranded, and this island was directly occupied by Tongtian Sect and became the main altar of Tongtian Sect.

No one dares to come to Tongtian Island unless they don't want to live anymore. Nearby fishermen have to walk around. As for some cultivators, some of them are bold and want to come and see Tongtian Island, but they never come back.

But to be honest, it's so beautiful here, the sea breeze blows, it's just a paradise.

I was admiring the beautiful scenery, but I found that not far away, it was full of exotic flowers and plants!

Holy crap, Tianlingcao, Lingzhizhi, Sangyu and Sanyang leaves, two-color flowers...and Arhat's blood fruit...

Nima, these are the treasures of alchemy! Hahaha, huh, if you can harvest all these things, wouldn't that mean you can make any pills you want? !

At this moment, a man in a black trench coat came and dragged Yue Feng directly: "Awake? Come with me."

Yue Feng knew that he was the one who knocked him unconscious.

However, this person is very strong. He picked up Yue Feng with one hand and walked towards the square along the stone steps in front of him.

There is a square on the island, the square is the size of seven or eight football fields.

On the two stone steps leading to the square, there are Tongtian Sect disciples standing guard, almost every five steps and one post, ten steps and one post, and the security is heavily guarded.

There is no doubt that these people are all masters, just pick one, and their strength is not inferior to Yue Feng!

There are hundreds of thousands of disciples in Tongtian Sect, distributed all over the place, but there are only more than 3,000 people who stay in the main altar of Tongtian Island.

And these more than 3,000 people are all elite disciples, and it is said that their strength is at least 4th rank martial master!

Yue Feng let him carry himself, and his eyes kept looking around. On the hillside not far away, there was a magnificent building complex, like a fairy palace. I have to say that this general altar of Tongtian Sect is too imposing.

When he arrived at the square, Yue Feng was suddenly dumbfounded!

There are more than 1,000 people standing in the square, lined up neatly! In front of everyone, there is a dragon chair.

This dragon chair, probably some years old, was carved from a single piece of red sandalwood! This chair is priceless!

On the dragon chair, there is a woman sitting at this time, gentle and dignified, with the temperament of a mother in the world!

The woman is about thirty years old, with a delicate face, as beautiful as a fairy, and her body curves are even more exquisite. She is wearing a long light yellow dress, which is full of fairy and indescribably charming.

The wife of the leader of Tongtian Sect, Qin Rongyin.

Gudong.

Yue Feng's eyes were straight, and he couldn't help swallowing.

Unexpectedly, on Tongtian Island, there is such a sexy beauty.

"To look directly at the sect master's wife like this, be bold, and don't kneel down!" Just when Yue Feng was fascinated by it, a person came over behind him, kicked him fiercely in the crook of his leg, and scolded.

Yue Feng couldn't stand still, and immediately knelt down.

The woman on the dragon chair is actually the teacher's wife?

It is said that the sect leader of Tongtian spoils the leader's wife. Therefore, in Tongtian Sect, seeing the lady is like seeing the leader. She is in charge of hundreds of thousands of Tongtian Sect disciples!

It's bad, I just stared at the teacher's wife like this, won't I be beheaded?

Thinking about it, Yue Feng felt uneasy.

To be honest, he had never thought of being so nervous. In Donghai City, he still had some connections, and he was able to deal with anything he encountered.

And now, on Tongtian Island, I really can't help myself! It is really human beings for knives and me for fish and meat!

"Yue Feng, right?" At this moment, Qin Rongyin spoke slowly, her tone soft and pleasant, and at the same time with a sense of majesty.

Yue Feng nodded stiffly.

"Do you know why this seat invited you here?" Qin Rongyin looked at Yue Feng quietly and said again.

please come? Please? Yue Feng smiled bitterly and knocked me out, calling me please.

Yue Feng was also afraid at this time. Before, He Tianyou stole the secret manual of 'Kowloon Ascension' from the main altar, and then he stole it by himself.

Could it be that the teacher's wife knew the truth, so she sent someone to arrest her?

Chapter 233

Thinking of this, Yue Feng fell down in a cold sweat, stealing cheats, that is a taboo in all corners of the world. Because if this is the case, it is really difficult to fly.

At this time, there were more than a thousand people standing beside them, all of them were masters of the masters, and it was estimated that not even a fly could fly out.

"Don't be nervous, I'm not here to question you, but to prove something." At this moment, Qin Rongyin smiled and said, "I'm asking you, did you save a dozen girls three days ago? "

What?

Yue Feng's expression froze, and he was suddenly a little confused.

I remembered. At that time, Wen Chou Chou arrested more than a dozen women for his own enjoyment. But Yue Feng let them go.

“Do you know who those girls are?” Qin Rongyin continued to ask, with a much gentler tone.

Yue Feng scratched his head: “Madam Hui, I don’t know their true identities, I only know that they are people of our Tongtian Religion, so my first thought at the time was, I have to let them go anyway, to ensure their safety. Safe.”

“Okay, okay, that’s right.”

Qin Rongyin nodded in approval and looked at Yue Feng with a smile: “We Tongtianjiao have a loyal disciple like you, so why not carry it forward, so this time I I invite you to come to reward you.” What the

hell, you want to reward me for a long time? This way of rewarding is really strange, tie me a sack and reward me? !

Yue Feng didn’t know whether to laugh or cry.

At this time, Qin Rongyin raised his hand, and a soft inner force directly supported Yue Feng’s knee, making him stand up.

“Those dozen or so girls are my candidates from Tongtian Sect, saintess candidates.” Qin Rongyin said.

The saint is a special position of the Tongtian Sect, and there is only one. She is proficient in the belief concept of the Tongtian Sect, and her main responsibility is to teach the teaching affairs and recruit the congregation.

It can be said that the Holy Maiden is the spiritual symbol of Tongtian religion, and its status is second only to the leader and the leader’s wife.

However, the Holy Maiden has no real power. Even so, the Holy Maiden is highly respected by the church in Tongtian Religion.

After hearing this, Yue Feng was overjoyed. Unexpectedly, at that time, he made a great contribution by mistake. If those saintess candidates are really stained. Tongtian Island has lost all face.

After all, the Holy Maiden is the spiritual symbol of the disciples of Tongtian Sect.

It’s okay, I didn’t feel good about it at the time, otherwise I’d be dead today.

Yue Feng was rejoicing in his heart when he heard Qin Rongyin say with a smile: "You have done a great job this time. I heard that He Tianyou from Donghai City gave you his position as the head of the hall.

" I think your ability is just being a hall master, which is too subservient."

After saying this, Qin Rongyin slowly raised her jade hand.

A maid next to him immediately walked up to Yue Feng and respectfully handed over a jade plaque.

Qin Rongyin smiled lightly and said softly: "Now I announce that from today onwards, Yue Feng will be the Tongtian Venerable of my Tongtian Sect."

Wow.

Venerable Tongtian? !

As soon as the voice fell, everyone in the entire square was in an uproar. Thousands of pairs of eyes instantly converged on Yue Feng's body, full of envy and jealousy, and at the same time were extremely shocked.

And Yue Feng was also stunned. Venerable Tongtian?

The name sounds arrogant.

Is the position high?

Yue Feng was holding the purple token, full of doubts in his heart.

As we all know, the positions of Tongtian Sect are divided, and the highest status is naturally the master of Tongtian and the wife of the master. Then below are the two envoys of yin and yang, the four Dharma kings... and then the hall master.

However, Tongtianjiao still has a position.

That is Venerable Tongtian.

The status of Venerable Tongtian is second only to the leader and the leader's wife. And Venerable Tongtian really holds real power!

"Ma'am, the position of Venerable Tongtian has been vacant for so long because I have not been able to find a suitable candidate. Although this Yue Feng has both talents and virtues, his strength is not enough. He is only a fourth-level martial artist. How can he assume the role of Venerable Tongtian? This big responsibility? Please think again, Madam."

At this moment, a burly man next to him stood up and said in a panic.

This big man was none other than the Xuanwu Dharma King, Dong Wu, one of the Four Dharma Kings.

When he said this, Dong Wu glanced at Yue Feng with contempt on his face.

From a disciple of the Tongtian Sect in those days, relying on unremitting efforts and illustrious military exploits, he took the position of Xuanwu Dharma King step by step.

You, a small hall master, can suddenly be promoted to the position of Venerable Tongtian. It's a joke.

As soon as Dong Wu's voice fell, many people around him also spoke.

"Yeah, this Yue Feng's strength is average, it's hard to be a big responsibility!"

"Yes, and he is too young, and his work is not stable enough, and he needs to be sharpened!"

"The teacher's wife think twice!"

Thousands of people brushed together Kneel down, keep kowtow.

Chapter 234

Qin Rongyin sat on the dragon chair with a smile: "You guys, are you questioning me?"
The

voice was not loud, but the audience could hear it clearly! A powerful aura filled her body!

I have to say that the aura of the leader's wife is too strong.

"My subordinates don't dare, my subordinates don't dare!"

Dong Wu trembled in fright, his head slammed on the ground desperately, and then stepped aside.

Qin Rongyin said slowly: "Yue Feng saved the saintess candidate, just by virtue of this credit, he can be named Venerable Tongtian. This matter was discussed and decided by the sect master and me. Yue Feng has both ability and political integrity. , you can take on this great responsibility."

Everyone closed their mouths, not daring to say a word more.

At this time, Yue Feng was also extremely excited!

Haha, it seems that Venerable Tongtian has a very high position!

“Yue Feng, you don’t want to leave today.” Qin Rongyin said slowly: “The sect leader is in retreat, and it will take two days before you can leave. You have just been named Venerable Tongtian. Tonight, a banquet will be held for you. ‘The Banquet of Venerables’. You must not be absent.” The

Venerable Tongtian of all dynasties, after being appointed, will hold banquets of Venerables, which is also a form of identity.

This is the rule and cannot be changed.

Yue Feng didn’t understand this, so he smiled and said, “This...don’t be so troublesome.”

After coming to Tongtian Island for so long, he didn’t know what happened to Sun Dasheng.

Yue Feng was very anxious and just wanted to return to Donghai City as soon as possible.

What?

He doesn’t want to participate yet?

At this moment, the expressions of many people around them instantly became complicated. Looking at Yue Feng’s eyes, it seemed like he was looking at a fool.

Qin Rongyin also frowned: “Yue Feng, as Venerable Tongtian, you must attend this venerable banquet, there is no Venerable Tongtian dojo, what kind of venerable banquet is it called? This is the rule of our Tongtian Sect. Can you play?”

Looking at Qin Rongyin’s eyes, Yue Feng was startled.

It is estimated that it is impossible not to attend this banquet. Forget it, just stay one more night. There are so many exotic flowers and plants on the island, you can take the opportunity to pick some.

Thinking to himself, Yue Feng hurriedly said: “Madam misunderstood, I was just thinking that the first time I came to the general altar, I was treated like this, and the general altar held a banquet for me, my subordinates were a little flattered, and my subordinates just made an order. Determined, from now on, swear allegiance to Tongtian Sect, to the leader and his wife!”

Haha, he is really witty.

This answer is flawless.

Qin Rongyin's face softened a lot and nodded: "You have this loyalty, and the sect master and I are very pleased. All right, let's all step down."

After speaking, she slowly stood up and stood in front of several maids. Surrounded by him, he turned and walked towards the hall behind him.

"Respectfully send the sect master's wife."

At this moment, thousands of people in the square knelt down in a low voice, shouting in unison, and the momentum was shocking.

Yue Feng knelt there in a dignified manner, listening to everyone shouting, but his eyes were staring at Qin Rongyin's slender back in a trance.

I heard that the sect master of Tongtian is in his 60s, yet he has such a beautiful wife.

It's just a waste of money.

At eight o'clock in the evening, the whole Tongtian Island was brightly lit, and a grand banquet was held for Yue Feng.

Fireworks lit up the whole Babel. Hundreds of singers, dancing and dancing, are indescribably pleasing to the eye.

At the banquet, everyone toasted Yue Feng diligently. After all, he has become Venerable Tongtian, and they all want to curry favor with him.

Of course, Yue Feng did not forget to toast the leader's wife in the middle of the crowd!

Of course, while Yue Feng was toasting, he kept his measure and did not get drunk.

After all, after the banquet is over, we have to secretly collect medicine.

The banquet ended in the early morning. Walking out of the hall, Yue Feng took a chance and went to the seaside, a place full of spirit grass.

Haha, it's really fruitful. After picking up several pockets of spirit grass, Yue Feng returned with a full reward after half an hour.

So many herbs, enough to make a lot of medicinal herbs!

Yue Feng's room was not far from the sect master's wife, so when he approached the room, Yue Feng lightened his pace. For fear of disturbing Qin Rongyin. After all, secretly picking spirit grass is not authentic.

However, when passing by her door, Yue Feng suddenly stopped!

"Hmm..."

From Qin Rongyin's room, there was an intermittent low-pitched moan, revealing pain.

It was the voice of the leader's wife!

The sound came in bursts, as if with a fatal temptation, Yue Feng only felt that the bones in his body were going to be crisp.

Chapter 235

What the hell is the teacher's wife doing in the room?

The sound she made... could n't help being curious, Yue Feng walked slowly to the door.

Because Yue Feng had just finished picking the spirit grass, the big bag in his hand made a sound.

He heard Qin Rongyin say softly: "Who is outside, hurry up... hurry in."

Hearing this, Yue Feng didn't hesitate and pushed open the door directly.

hiss.

Seeing the scene in the room, Yue Feng couldn't help taking a breath, and the whole person was stunned.

In the fragrant room, Qin Rongyin wore a long purple dress and curled up on the bed. Her body was dripping with sweat, and her delicate body was trembling gently. That beautiful face looks extremely painful!

This is... what's the situation?

Madam Master, is this... Tongtian Dan has an attack? !

It was like this when He Tianyou was poisoned before.

As long as you join Tongtian Sect, you must take Tongtian Pill. The Bishop's wife is no exception.

Seeing Yue Feng's gaze, Qin Rongyin was a little angry. In the entire Tongtian Religion, no one has ever been so presumptuous, daring to stare at his body like that.

But at this time, she doesn't care about it anymore! Now that Tongtian Pill's toxicity is on, her life is hanging by a thread!

That's right, today is the day of her toxic attack. The antidote to Tongtian Pill, only the leader has it! But now that the sect leader is in retreat, no one can disturb him. After all, being disturbed during his practice can easily lead to confusion!

Qin Rongyin's red lips parted slightly, and she urged weakly, "Yue Feng, you...you...let's see, is there any antidote in the box beside the bed..."

Yue Feng walked over and saw a wooden box beside the bed. After opening it, it was empty inside.

"No, the teacher's wife." Yue Feng said.

Qin Rongyin was instantly desperate!

Could it be that he could not escape this disaster after all?

She felt like there were thousands of ants biting her body, and her delicate body was rolling over and over.

Yue Feng took a deep breath and said with a smile, "Don't panic, Madam, I have an antidote."

What?

Do you have an antidote?

Qin Rongyin's delicate body was shocked, and she looked at Yue Feng in disbelief. At this moment, due to the onset of the drug effect, she was already weak and speechless, but her bright eyes showed anxiety.

Shock!

For hundreds of years, in order to ensure the loyalty of the disciples, the refining method of Tongtian Pill and antidote has always been controlled by the Tongtian sect master alone.

Except for the leader, not even the leader's wife.

This Yue Feng has just joined Tongtian Island, how can there be an antidote?

Qin Rongyin looked at Yue Feng closely, did he deliberately deceive himself, in order to take advantage of himself? Thinking to himself, a blush appeared on the delicate face of the teacher's wife, and she was also a little embarrassed and angry.

However, in the next second, Yue Feng's action exceeded her expectations.

I saw him walking around the room and picking up a porcelain jar. Then light a fire.

The antidote of Tongtian Dan is mainly composed of bicolor flowers. He secretly picked a lot just now.

Qin Rongyin, who was lying there, was confused in pain. What is he doing?

Is the antidote of Tongtian Pill refined on the spot?

How is this possible!

But at this time, Qin Rongyin was dripping with sweat. The toxicity in the body continued, and a burst of pain came from her body. Qin Rongyin couldn't help it, and her body rolled to the ground.

The toxicity of this Tongtian Pill became more and more uncomfortable. It can be endured at first, but as time goes on, the pain will become heavier!

Yue Feng was concentrating on alchemy, but at this time Qin Rongyin was chaotic, which seriously interfered with his alchemy.

"Yue Feng, tie me up." Qin Rongyin said softly, she was still awake at this time, she knew that Yue Feng was her last hope and could not disturb him!

Yue Feng nodded. Indeed, alchemy must be fully concentrated. At that time, he tilted his head and saw a rope on the table, so he took it and walked over: "Ma'am, I'm sorry."

After speaking, Yue Feng tied her with a rope, and at the same time used a silk scarf to stop her. Qin Rongyin's red lips.

"Hmm!" Qin Rongyin still cried out in pain, but she was unable to make a sound.
