

The ultimate husband in Chinese chapter 271-275

Chapter 271 As soon as he finished

speaking, Wang Naipao also sarcastically said: “A son-in-law who came to the door, why do you say that there is something wrong with the medicine Yin Zheng sent? I think you are jealous. You are a scumbag.”

Yue Feng smiled lightly and looked Zhu Yinzheng said: “You are indeed sending the quenching pill, but do you know that this kind of pill needs to be stored in a cool and humid place, and can’t see the sun.”

“The quenching pill was originally dark yellow. , when you see the sun, it will turn light yellow, you are light yellow, I think, when you bought it from the Jianghu warlock, this quenching pill has already been irradiated by the sun.”

Jian Yue Feng said in a straight-forward manner, and the box was silent.

Yin Zheng’s face changed and he sneered: “What if it’s exposed to the sun? Has it failed?”

This fool Yue Feng thought that he would believe it if he told nonsense?

Yue Feng shook his head: “It won’t fail, but the ingredients in it will change.”

Yin Zheng sneered and asked, “Then what? What happens when you take it?”

“I don’t know.” Yue Feng laughed.

I really don’t know this.

When I saw the Spirit Quenching Pill in “Wuji Pill”, I just glanced at it and didn’t study it carefully.

I really don’t know what will happen to the quenching pill after being irradiated by sunlight.

“Haha, can’t tell?”

Seeing Yue Feng’s dumb story, Yin Zheng sneered and said, “Can’t make it up? I thought you really understood.” The

others laughed.

You know, this kid is making a splash again.

What a bummer.

Even Ji Yun sighed, no longer believed what Yue Feng said, and took the medicine pill.

At this moment, Wang Naipao stood up and sneered: "Yue Feng, everyone knows your identity, if I beg you, don't you pretend to compare? Look at you, you can't make it up yourself. I'm in a hurry for you."

Hahahaha!

The whole box burst into laughter again.

Tang Yu's face was full of contempt, and he continued: "Don't let this door-to-door son-in-law affect your mood. He is just a clown who thinks he is smart, but he is actually retarded."

At this moment, Ji Yun looked at Yue Feng's eyes, also showed a trace of disappointment.

I thought he could tell why.

It was made up.

Not really progressing at all.

After a small disturbance passed, everyone ignored Yue Feng and continued to toast each other, talking and laughing.

Yue Feng sat aside and no one paid him any attention. He felt bored, so he walked out of the box and went to the bathroom.

When they came out, they saw Yin Zheng and Wang Naipao, standing secretly at the corner of the stairs, murmuring about something.

Yue Feng was curious, so he walked over quietly and listened carefully.

"Yeah, Tang Xin, that arrogant woman, it's not good to order some wine, but Romanee Conti." Yin Zheng lit a cigarette, his face full of depression: "I'm afraid this meal will cost at least more than 20 million.

Hearing this, Wang Naipao was taken aback: "So much?" His

pocket money is only tens of thousands per month. This meal cost more than 20 million.

Yin Zheng took a deep breath and rolled his eyes: "What do you think, special, before I came to apply for the martial arts college, I just asked my dad for 20 million pocket money, this Nima, a meal is included. I guess it's not enough!"

Yin Zheng was very depressed at this time.

I thought that coming to the best hotel in Donghai City, I would invite the whole class to have a meal, at most more than one million.

Who knows, the consumption of the Pearl of the Orient has completely exceeded his expectations.

Now that the banquet is almost over, it would be too embarrassing to be unable to pay the bill.

Wang Naipao thought for a while, his eyes suddenly lit up, and he said, "Brother Zheng, don't worry, there is a way, when we settle the bill, let's pretend to be drunk, anyway, many of the class are rich second-generation, There must be someone who can afford it."

After saying that, Wang Naipao thought of something, and pouted: "Of course, don't expect that Yue Feng, a son-in-law who comes to the door. A waste."

Nima.

Why did I recruit you? Just scold me if I have nothing to do. Yue Feng was very speechless and couldn't help but scold me.

Yin Zheng sneered and scolded: "Oh, this Yue Feng, I gave the teacher an elixir, and he actually forced it."

After speaking, Yin Zheng returned to the topic, shook his head and said, "Why pretend to be drunk? Okay? This meal is a lot of money, more than 20 million, who can afford it?"

Two days after the start of school, Yin Zheng knew about the situation of the students in the class.

Although they are all children of wealthy families, there are very few who can give out more than 20 million at once.

Wang Naipao scratched his head and became a little worried. He patted his thigh: "By the way, Brother Zheng, Nalan is happy to check out. She is the eldest lady of the Nalan family in Kyoto, and more than 20 million yuan is nothing to her. Then we will pretend to be drunk, really No one pays the bill, she will definitely stand up."

Yin Zheng frowned and became melancholy: "This is not good."

Nalan Xinran is the school flower of the entire Shangwu Academy, and also the goddess of the class.

It would be too embarrassing for her to pay for herself.

Wang Naipao guessed his thoughts, and said with a smile: "Brother Zheng, don't worry, when you arrive at school tomorrow, you should tell Nalan Xinran I'm sorry, I should have settled the bill last night, but I was drunk. Do you also like the goddess? Isn't this a good opportunity to get close to her. When the time comes, when brother Zheng finishes talking about these scenes, he will use the reason of paying back the money. Ganalan's WeChat..."

Hearing this, Yin Zheng's eyes widened. Liang, with a smile on his face, patted Wang Naipao on the shoulder and praised: "Okay, you can figure it out, just do it like this."

Hahahaha!

This solves the immediate urgency.

You can also get the contact information of the goddess.

Simply kill two birds with one stone.

Talking and laughing, the two happily returned to the box.

Listening to the conspiracy of the two, Yue Feng was instantly happy.

This kid, he doesn't have enough money, how dare he invite the whole class to eat at the Pearl of the Orient?

It's really swollen and fat.

I also plan to let Nalan gladly help you pay the bill.

I really want to be beautiful.

Thinking to himself, Yue Feng also returned to the box.

Chapter 272

As soon as he entered, Nalan walked out head-on, and it seemed that he was going to the bathroom too.

Yue Feng laughed, and when his eyes rolled, he suddenly became more playful. I stole Nalan Xinran's mobile phone and wallet, so she couldn't check out. Then see what Yin Zheng will do!

Thinking of this, Yue Feng bumped into Nalan Xinran.

Bump and steal!

At that moment, Yue Feng stole Nalan Xinran's mobile phone and wallet with a flick of his wrist!

Haha, success.

I watched [Ghost Hand] all night yesterday, and it was the first time I actually did it today, so I was a little nervous. But fortunately, it was successful.

Yue Feng couldn't express the excitement in his heart, and he showed a very embarrassed look on his face. He apologized to Nalan: "I'm sorry, I

was in a hurry to walk, I didn't pay attention." As he said, Yue Feng watched closely. she.

beautiful.

So beautiful.

At the dinner table just now, Nalan happily drank the least, but a flush of red appeared on his delicate face, and with that high-cold temperament, it gave people an indescribable charm and temptation.

Yue Feng shot quickly, Nalan Xinran didn't know what happened, and didn't realize that he had lost something.

"It's alright."

Nalan said happily and lightly, and went straight out without the slightest emotion on his face.

Whether Yue Feng was intentional or unintentional, her heart was as calm as ever. However, many boys in the box quit.

mad.

This waste, actually hit the goddess?

Under the emotions of envy and unhappiness, many people laughed and laughed.

“Yue Feng, are you blind? You don’t look at the road?”

“I think you did it on purpose, you are a scumbag.

The sneers came over and over again, Yue Feng just pretended he didn’t hear them, walked over and sat on his own. In the position.

Everyone mocked a few words. Seeing that Yue Feng didn’t respond, they felt bored, so they didn’t say anything. The

party was very happy, and everyone was ready to leave after drinking and eating.

He was lying on the table in a state of drunkenness, looking like he was unconscious.

At this

moment, many people were dumbfounded. This kid invited guests to dinner, why was he

drunk? I ca

n’t go.

At this moment, Wang Naipao walked over drunkenly, patted Yin Zheng’s arm, and shouted, “Brother Zheng? Brother Zheng? It’s time to go...”

Yin Zheng lay there motionless, in order to escape the bill, he pretended to be drunk and couldn’t hear the shouting.

Nima. These two are still acting.

Yue Feng quietly Looking at it, I just felt funny.

Others didn’t know the truth and thought that Yin Zheng was really drunk . Some people even went over to pull Wang Nai Pao: “Forget it, Yin Zheng is drunk, so don’t shout. “

Wang Naipao looked helpless and said, “What should I do?” The account is not settled yet. “

Speaking, he greeted the waiter outside: “Calculate how much. “

The waiter walked in with the bill and said respectfully, “Hello sir, your total consumption this time is 28.35 million.”

What?

This meal actually cost nearly 30 million?

Hearing the numbers reported by the waiter, many people in the box couldn't help but take a breath.

Although I am a child of a wealthy family, I have never spent so much money on food.

Wang Naipao also showed a look of shock, and said, "Damn, so much? My pocket money is only five million for half a year!" The

meaning is obvious, he wants to settle the bill for Yin Zheng, but the money is not enough.

Everyone looked at each other, but no one spoke.

Nearly 30 million, who can take it?

For a time, the classmates in the box looked at each other.

At this moment, I don't know who said: "By the way, isn't this box opened with the VIP card of Boss Yue Feng? Can you keep the account first, and let Yin Zheng return the money to Yue Feng tomorrow. "

As soon as the words fell, many people nodded.

Yue Feng sneered secretly.

Nima, these people are really interesting.

When it's okay, he makes fun of me.

When in trouble, think of me.

The waiter looked apologetic: "I'm sorry, even if it's a VIP card, it can't be billed."

At this moment, everyone in the box fell silent.

If you can't keep accounts, it's hard to do.

At this moment, Nalan walked out happily and said lightly, "I'll pay."

Everyone was overjoyed.

At the critical moment, it has to be a goddess.

She is the eldest lady of the Nalan family in Kyoto, and it is completely trivial to spend tens of millions.

Um?

Nalan was ready to pick up the phone, and her eyebrows suddenly wrinkled slightly.

Strange, why did you lose your phone and wallet? What's the matter, wallet and mobile phone, I have always kept it close to my body. Why not.

Chapter 273

If other girls lost their mobile phones and wallets, they would have already started screaming. But Nalan Xin was different. She lost something, and she didn't show too much panic, but she still had a calm expression on her face.

Yue Feng looked at it in admiration.

As expected of the school flower goddess recognized by the entire Shangwu Academy. With this calm temperament, it is not comparable to other beauties.

what happened?

Goddess lost her phone?

These students have complicated expressions one by one.

The goddess could not pay the bill. Do you want to make money together with these people?

At this time, Yin Zheng, who had been pretending to be drunk, couldn't sit still.

what happened?

Can Nalan be happy to pay the bill?

no. Continue to pretend to be drunk, and the people in the class will definitely have an opinion on him. Just bite the bullet and check out!

Thinking to himself, Yin Zheng was very helpless, so he yawned, stood up swayingly, and pretended to be surprised and said, "Oh, I'm so sorry, why did I fall asleep, everyone had a great time today. Right. I'll go to the checkout."

Nima, it seems that he can only manage the house and ask for money.

Yin Zheng scratched his head: "My classmates, this meal is more than 30 million yuan, and my money is caught in stocks. I asked my dad to transfer the money."

After sighing, Yin Zheng took the mobile phone and gave it to his father. Made a phone call.

Yin Zheng's father, named Yin Jianxun, was in the food processing business and was very famous locally.

After a while, the phone was connected.

Yin Zheng squeezed a smile on his face, and shouted nervously: "Dad, can you call me another 30 million yuan."

Even if he was scolded by his father, he had to get the money.

"What? Want money again?" On the

other side of the phone, Yin Jianxun's face sank and he said angrily, "You bastard, didn't I just call you 30 million before going to Shangwu Academy to sign up? It's only been a few days? Running out of flowers? You're a prodigal piece of shit."

Yin Jianxun suddenly panicked. I worked hard for half my life, but this son of a bitch spent tens of millions in a few days.

No matter how rich the family is, they can't bear to spend so much.

Yin Zheng was scolded with blood on his head and wanted to cry without tears. However, all the classmates in the class were watching. Yin Zheng could only pretend that nothing had happened, and said to the phone, "Yes, Dad, I have seven classes a day at school, so you don't have to worry.

"The students know that his father is scolding him!

Yin Jianxun was even more angry: "Little bastard, who asked you how many classes you took? I'll tell you, within half a year, don't bother me asking for money!"

Yin Zheng swallowed: "Ah, Dad Don't worry, I have a good time here, don't worry."

"Fuck you! Little bastard!" Yin Jianxun said angrily: "Are you going to piss me off? I warn you, these three I'll transfer it to you, and within half a year, don't ask me for money again."

After saying this, he hung up the phone with a snap.

Yin Zheng's face was full of embarrassment, but his acting skills were really good. He smiled and said to his classmates, "My dad is worried about me and asked me how many classes I have every day."

As he was talking, his phone dinged. Father transferred the money. Nima, I ate more than 20 million in one meal. He was also scolded by his father.

So uncomfortable!

When checking out, Yin Zheng's heart was bleeding.

While Yin Zheng was checking out, the other students walked slowly to the hall.

While walking, Tang Xin looked at Ji Yun and said, "Teacher, do you feel reborn after taking that quenching pill?"

Ji Yun shook her head: "I don't feel anything."

What?

Everyone was stunned.

Isn't it said that taking the quenching pill can have the effect of rebirth?

Could it be that Yue Feng is right, there is really something wrong with this medicine pill?

At this moment, many people looked at Yue Feng subconsciously.

Ji Yun shook her head and said, "Some medicinal pills don't take effect immediately, I think they will work tomorrow."

Yin Zheng was so solemn just now, in front of the whole class, he gave himself medicinal pills, How could it be fake.

"Yue Feng, don't talk nonsense in the future." Ji Yun couldn't help but said: "How could the medicinal pill Yin Zheng give be fake? Yin Zheng is generous, I didn't care about you, if you change someone, it won't be sure. "

Yue Feng laughed and said nothing.

At this time, Yin Zheng also settled the bill and walked slowly.

Chapter 274

Followed Wang Naipao behind him, looking very proud: "A meal is nearly 30 million, for Brother Zheng, it's trivial." The

flattery is just right.

Everyone nodded in agreement.

Yin Zheng enjoyed the feeling of being sought after, but his heart was bitter.

Nima, more than 20 million yuan is gone, and within half a year, I can't ask my father for money. But fortunately, the position of the squad leader tomorrow will definitely be his own.

After chatting for a while, the students drove away.

Just like when he came, no one wanted to bring Yue Feng.

In a blink of an eye, everyone was gone.

Ji Yun came over and said helplessly at Yue Feng: "Forget it, you can still take my car."

Yue Feng smiled and nodded.

After getting in the car, Ji Yun asked the address of Yue Feng's house, and she was shocked: "Your family lives in a mountaintop villa?" The

mountaintop villa is the most luxurious and top-level villa area in Donghai City.

This Yue Feng is just a door-to-door son-in-law, how can he live in such a good place?

Yue Feng nodded and said with a smile, "Yes, my wife bought the

house." But the money for the house was bought for her in the live broadcast room.

Ji Yun looked stunned and seemed to understand something: "Yue Feng, your wife is rich and belongs to your wife, so you can't stop thinking about making progress." Here again.

How can such a beautiful female teacher like to teach people so much?

Are not in school, but always do not forget to give yourself a thought class.

Yue Feng nodded with a wry smile: "I see, teacher."

Ji Yun nodded, frowning while driving. For some unknown reason, she suddenly felt a little uncomfortable, and she couldn't tell exactly what it was. At the same time, he also started to sweat.

Ji Yun was inexplicably panicked, what happened to herself?

Why would you be in a cold sweat without warning?

Seeing that something was wrong with Ji Yun, Yue Feng couldn't help but ask: "Teacher, what's the matter with you?"

Ji Yun shook her head: "I don't know, I don't drink often, maybe I'm slightly drunk."

Yue Feng secretly frown.

This situation is not like being drunk, but like poisoning, but it is not that serious.

Is it because of taking Spirit Quenching Pill?

The Spirit Quenching Pill was ineffective, and eating it would definitely have side effects.

As for the side effects, Yue Feng really can't remember. If you want to know, you can only go back and read Wuji Danshu.

That night, after Yue Feng got home, he couldn't wait to open "Wu Ji Dan Shu".

Soon, after finding the Spirit Quenching Pill, Yue Feng looked at it carefully, and the whole person was shocked.

? Wuji Danshu is written in great detail. Once the elixir of quenching spirit is exposed to sunlight, the ingredients in it will deteriorate.

Unlike the Immortal Pill, after the Immortal Pill fails, it becomes a poison, and taking it is life-threatening.

After the ingredients of the Quenching Pill have deteriorated, after taking it, the practitioner will experience night sweats and dizziness. After the second day, the cultivator's strength will drop by two ranks! And every day after that, he will drop two paragraphs until he becomes an ordinary person.

That is to say, Ji Yun is a 1st rank martial general, tomorrow will become a 4th rank general, the day after tomorrow he will become a 2nd rank general, and so on! In less than a week, she will be normal again.

shit.

The side effects are also terrible.

Seeing this, Yue Feng was shocked and couldn't help gasping for air.

Jingle Bell.

At this moment, the phone in his pocket vibrated.

shit. Yue Feng was so frightened that he remembered that he was still holding Nalan Xinran's mobile phone.

In the Pearl of the Orient, after stealing her mobile phone, she forgot to return it to her.

Who is calling her so late?

Driven by curiosity, Yue Feng quickly took out his mobile phone and glanced at it, and the whole person was stunned.

Chapter 275

is not a phone call, but a WeChat video call.

The person who sent the video was a girl named Yu Mo.

At that time, Yue Feng wanted to reject the video, but with a flick of his hand, he unexpectedly clicked to accept the video!

The moment the video was connected, Yue Feng's expression froze, and the whole person was dumbfounded.

Nima!

On the other side of the video, there is a beautiful girl. At this time, the girl seems to have just finished bathing and her hair is still wet.

What the hell! Seeing this scene, Yue Feng's eyes widened.

This, this, what's the situation? I really didn't mean to watch it! Yue Feng swallowed a mouthful of saliva, and had to say, this girl's figure is really good. But, why does she look so familiar?

Last time at the auction, an old man from the Hall of Longevity spent 5 billion to buy the elixir, but he was poisoned by eating the elixir. Isn't the girl in the video the granddaughter of the old man?

"Ah!"

An exclamation sounded. On the other side of the video, Yu Mo was smiling, but when he saw that it was a man, his delicate body trembled suddenly, and after he let out a low voice, he immediately turned off the video.

What's the matter, doesn't Sister Nalan have no boyfriend? Why is there a guy in the video?

And that man...is that Yue Feng who rescued grandpa at the last auction?

A trace of ruddy flashed across Yu Mo's face.

That's right, Yu Mo and Nalan Xinran have a good relationship. In fact, the Nalan family also joined the Hall of Longevity a year ago. Few people know about this.

The Hall of Longevity has secretly recruited many families. For example, Daoist Fuji recruited the Yue family.

At that time, it was Yu Mo who was in charge of recruiting the Nalan family. She and Nalan were happy and quickly became good friends.

Yu Mo just took a shower today, remembering that she hadn't spoken to Nalan Xinran for several days, so she sent her a video. Unexpectedly, Yue Feng was on the other side of the video, and he didn't hide his appearance, but he was actually seen by him!

Yu Mo was very angry, and sent a WeChat message: "Are you Yue Feng?" Yue Feng on

the other side was still stunned. The video just now kept replaying in my mind. I have to say, this Yu Mo's figure is really good. Last time at the auction, why didn't I see such a good figure of her.

Just as I was thinking, the phone rang again. Another message from Yu Mo: "Why are you holding Sister Nalan's cell phone?"

Yue Feng thought for a while and responded, "I picked it up."

"Give her the phone back tomorrow, and what did you just do? If you dare to talk nonsense, you will be at your own risk." A few seconds later, Yu Mo sent another message with a tone of threats and orders.

Are all the beauties so fierce now?

Yue Feng was so excited, he replied with a smile, "What if I don't do as you said?"

Little girl, still want to scare me?

As soon as it was sent, the other party replied with a word.

die!

Damn it, it's so violent.

Yue Feng turned off the phone, and couldn't help but recall the last time at the Luo Luo auction, the little girl took out the token of the Hall of Longevity, which scared everyone in the Luo family.

Now that he sees her undisguised appearance, this Yu Mo won't hold grudges, will he? While thinking wildly, Yue Feng also fell asleep.

the next day.

The weather is exceptionally good today, it is estimated to be around 30 degrees.

I slept very soundly last night, so I am full of energy today. He came to the class humming a little song, but the moment he entered the classroom, Yue Feng's eyes were attracted by a person. In today's class, a new student came, sitting in the first row, with a big bald head.

The iconic prison head shape, who is not Huang Yanlang?

Yesterday, Huang Yanlang was released after serving his sentence. Knowing that the six major factions had founded the Shangwu Academy in Donghai City, he quickly found someone to ask him for a relationship and also came in to study. Although he opened a martial arts hall, he also wanted to become stronger.

Seeing him, Yue Feng was instantly happy. This kid has also come to Shangwu Academy, and he is in the same class as himself.

It really answers that sentence, it's not that enemies don't get together.

At that time, Huang Yanlang was also stunned.

Nima, why is this kid here?

Back then in the Liu family villa, he molested Liu Xuan and was beaten by him, and later in the prison, he cut all over the floor looking for teeth.

How could I be so unlucky, I just came to Shangwu Academy and met him again! Huang Yanlang did not dare to look at Yue Feng.

There is no class yet, and the class is noisy. Yue Feng was about to return to his seat, and at this moment, he felt a burst of aroma hit, and then, he saw Nalan walking over happily.

Today's Nalan Xinran, wearing a pair of black tights, outlines her figure well, but she still looks cold.
