

The ultimate husband in Chinese chapter 291-295

Chapter 291

Yue Feng smiled and glanced at the fortune-teller: "I'm not interested in counting."

"Don't, this gentleman!" The fortune-teller called out at once. He had received secret advice from Hao Jian just now. You can't just let Yue Feng go! At that time, the fortune teller grabbed Yue Feng's arm and counted with his fingers: "Little brother, your fate is very rough."

"Yes, yes, Master is right, his fate is really rough! Hao Jian laughed and said loudly: "Everyone, come and see, this master is too accurate!"

"I'm not interested in fortune-telling, you let me go." Yue Feng said helplessly.

The fortune-teller master still insisted: "Don't say no, little brother, I have a fate with you, I really need to tell your fortune. Little brother, you can only spend your whole life under the protection of others. This old man calculates, you can only be a son-in-law in your life."

Hahaha!

Be a door-to-door son-in-law for a lifetime!

As soon as these words fell, many people around laughed out loud.

Hao Jian's face was full of pain, and he patted Yue Feng's shoulder: "Oh, did you hear it? The fortune teller said that you can only be a door-to-door son-in-law for the rest of your life. This is fate. I really feel sorry for you."

Zhou Qin bit his lip . , I can't laugh, I have some sympathy in my heart.

Is Yue Feng's fate so miserable? The master has said that he can only be a door-to-door son-in-law all his life...

Yue Feng smiled and looked at the fortune-teller in front of him. He could see that the fortune teller's beard looked very incongruous, like it was glued on, right?

At this moment , Zhou Qin said softly, "Yue Feng, don't feel bad..."

At this time, Zhou Qin still believed in the fortune teller's words. After all, he was right.

Before she could finish speaking, Yue Feng interrupted with a smile: "Zhou Qin, you don't really believe this, do you? It's just pretending to be a fool and deceiving people."

This chapter is provided by . Visit for daily update.

Are all liars so bold now?

Hearing Yue Feng's words, Zhou Qin became a little anxious, took his arm, and said seriously: "Yue Feng, this master's calculation is really accurate. He told me the fortune just now, and what he said was exactly right."

Hao Jian He couldn't help it anymore, and said with a sneer, "Yue Feng, you feel uncomfortable and don't want to accept your fate, so forget it, and dare to question the master? What qualifications do you have to say that the master lied?"

This stubborn Yue Feng.

It's a rare opportunity today, and I must make you lose face.

At this time, the fortune-teller also stroked his beard and said slowly: "This old man is an inner disciple of Tianjun Mountain, Lingbao Taoist Temple, and he never tells lies. It's ridiculous that you say I'm talking nonsense.

"What about outfit?

Yue Feng smiled secretly, and said to the fortune-teller, "Really? Then tell me, how did you get it for Zhou Qin?" In "

Yin-Yang Feng Shui Jue", in addition to Feng Shui metaphysics, it also involves some divination techniques, so Yue Feng knows a little bit about fortune-telling. But just get some fur.

The fortune-teller glanced at Zhou Qin and said slowly: "This lady, fate is gold, and it is against Mu fate..."

Having said this, the fortune-teller suddenly shouted: "Oh, this Yue Feng is the Mu Ming! Miss Zhou, you should stay away from this Yue Feng in the future."

Ah?

Are you in conflict with Yue Feng's fate?

Zhou Qin took a step back subconsciously.

Hao Jian took the opportunity to come over, grab Zhou Qin's hand, and said, "Qin'er, did you hear what the master said, stay away from this son-in-law who came to the door in the future."

Yue Feng laughed and looked at the fortune-teller: "You The first half of the calculation is correct, Zhou Qin is indeed a golden destiny, but you are completely wrong about the opposite of fate. Her destiny is Gen, and it is my wooden destiny. Speaking of

this, Yue Feng couldn't help but snorted, with a bit of contempt in his eyes: "Fing hexagram is the same as Gen, why did you make a fuss?"

What?

What is it, I don't understand? !

At this moment, the people who were watching the lively around were stunned.

The fortune teller also had a stiff expression, and a layer of cold sweat appeared on his forehead.

Hao Jian let himself out to pretend to be a fortune teller, the main purpose is to deceive Zhou Qin.

How can the son-in-law who comes to the door in front of me say that he is so professional?

Zhou Qin's face was full of surprise: "Yue Feng? You still know this?"

She knew that Yue Feng knew Feng Shui and antiques. But how do you still know fortune-telling?

The man in front of him can always surprise himself.

Yue Feng smiled lightly: "I understand a little bit."

Hao Jian on the side was completely anxious, Nima, he immediately asked for a successful marriage, and Yue Feng couldn't mess it up!

Thinking about it, I tried a wink at the fortune teller.

The fortune-teller answered immediately: "Mr. Yue, I deliberately calculated just now, you are still a broom star, whoever gets close to you will be unlucky. Even your wife, your friends, It's all unfortunate, maybe something will happen someday."

"What did you say?" At this moment, the smile on Yue Feng's face slowly disappeared, and his tone was extremely cold.

This fortune teller, speaking is too damaging.

“You...” The fortune teller was taken aback by the look, and his voice trembled: “I said you were a broom star...”

Yue Feng interrupted his words and said word by word: “I’ll give it to you too. Just a hexagram. Today, I am afraid there will be a disaster of blood light.” The

disaster of blood light?

The fortune-teller was stunned for a moment and looked at him blankly: “What bloody disaster?”

Chapter 292

Crack!

As soon as he finished speaking, Yue Feng slapped Zhang Zhao in the face without a single slap from Zhang Zhao.

“Fuck!” The

fortune-teller screamed, and turned around twice where he was drawn. The whole person was stunned. He squatted on the ground, and his nose bleed suddenly came out.

“You...” The

fortune teller calmed down and pointed at Yue Feng in shock and anger.

At this moment, Hao Jian suddenly shouted: “Yue Feng, what are you doing? Master, you fight too? Do you have any education?”

Zhou Qin was also in a hurry: “Yue Feng, how can you do it? Master? It’s a bit nasty to speak, but he is a Taoist after all, and you don’t respect people if you do anything casually.”

“Yeah!”

The people on the street also called out at this time, accusing Yue Feng.

“Young man, you are young Fang Gang, but you can’t do anything to Daoist disciples.”

“Yeah...”

Yue Feng ignored them, walked over with a sneer, grabbed the fortune teller’s collar, and lifted him up.

Swish.

In the next second, under the howl of the fortune-teller, Yue Feng suddenly yanked and pulled his goatee off.

“Look, everyone, this is a fortune-teller master, and the beard is glued on.” Leaving the beard on the ground, Yue Feng looked around and said with a sneer.

The fortune teller was completely panicked: “Sir, you are too much, what’s wrong with me sticking a beard?”

Who stipulated that masters can’t stick beards?

I really can’t die until I don’t get to the Yellow River.

Yue Feng smiled coldly, no nonsense, grabbed his clothes and tugged hard.

Chill.

The Taoist robe on the fortune teller was torn apart instantly! The clothes inside were exposed.

Seeing the clothes inside the master, the onlookers all laughed.

This master is so stylish, wearing a Nike tracksuit on the top and a pair of Adidas pants on the bottom.

Haha...

such a stylish fortune teller.

First time seeing you.

A burst of laughter erupted around.

At this time, as long as you are not a fool, you can see it. The so-called ‘fortune teller’ in front of him is a fake.

“You...” The

fortune teller’s face was flushed, his face was sweating profusely, his nose bleed, and he couldn’t say anything. He pointed at Yue Feng and couldn’t say a word.

Zhou Qin stomped his feet angrily, feeling both ashamed and angry.

It was a liar.

The funny thing is that he believed him just now.

“Dare to cheat on the street, do you know who I am?” Zhou Qin said angrily, and at the same time took out her phone, ready to call her colleagues over.

What Zhou Qin hates most is the liar.

I have been deceived myself, is this still worth it?

The man was frightened, and hurriedly asked Hao Jian: “Master Hao, please help me, I don’t want to be locked in.”

Nima! There’s something wrong with this kid, damn it! The special code is unreliable, so I will confess it to myself!

Hao Jian was so angry that he kicked him with one kick: “Fuck you, do I know you?”

This useless thing, things haven’t been done well, and you still want to pull yourself into the water?

Zhou Qin called twice, but no one answered.

Today is the Mid-Autumn Festival, and the colleagues in the bureau have basically come out to maintain law and order.

“I’ll give you a chance today, and next time you dare to come out and lie, I can’t spare you.” Zhou Qin was very angry when he couldn’t get through the phone, and shouted at the man, “Get out.

” Nodding, the stalls are gone, and he left in a daze.

At this time, seeing if it was lively, many people around also dispersed.

Zhou Qin walked up to Yue Feng, her eyes couldn’t hide the embarrassment, bit her lip, and said softly, “Good brother, I’m sorry, I didn’t think he was fake.”

At this time, Zhou Qin could not wait to find a place to sew Get in.

As the captain of the criminal investigation team, he actually believed the words of a liar.

So embarrassing.

Chapter 293

Yue Feng looked at Zhou Qin with a smile: "Next time, use your brains, fortune-telling, nine out of ten are deceptive."

Zhou Qin nodded, and then said softly: "That's right, good Brother, do you have an Immortal Pill on you?"

Don't forget this!

Yue Feng shook his head: "I don't have anything on my body now, let's go another day."

He just came out of the library, and he hasn't returned home yet.

The elixir is at home.

A trace of disappointment flashed on Zhou Qin's face, and she nodded: "Well, I'll contact you another day. Good brother, next time, can you take the elixir with you?"

Yue Feng nodded and said goodbye to her. Well, after all, I have to find Liu Xuan.

Zhou Qin also picked up the bag and walked to the other side.

"Qin'er, wait for me." Hao Jian shouted anxiously, and quickly chased after him.

Zhou Qin is very angry now.

She was going to arrest the fortune teller just now, and the fortune teller called out Hao Jian in a hurry.

At that time, Zhou Qin knew that this was another trick played by Hao Jian.

So disappointing.

I used to find someone to pretend to be a shark, but now I find someone to pretend to be a fortune-teller.

On the other side, Yue Feng walked for more than ten minutes without seeing Liu Xuan.

This Haiwang Street is so lively and crowded. And there are a lot of couples, all of them are very sweet.

Speaking of which, after three years of marriage with Liu Xuan, they have never been so sweet. Why don't you take advantage of today's .. also play romance and give Liu Xuan a surprise?

Thinking of this, Yue Feng smiled, took out his mobile phone, and sent a message to Peng Kai.

Yep?

Just after sending the text message, Yue Feng suddenly stopped.

He could see that the lanterns on both sides of the street were flickering at this time.

Above those lanterns, every few seconds, a 'Xuan' character will appear.

what's going on? Why are there words in this lantern? And it's Xuan character.

While muttering in my heart, I raised my head and saw that Liu Xuan, Zhao Lu, and Xu Jie were not far away!

It can be found! Yue Feng walked through the crowd and walked towards them. As a result, just after walking a few steps, she found that behind Liu Xuan, there were two men.

It turned out to be Qin Shousheng and Bai Zhan? !

Bai Zhan is the eldest grandson of the Bai family, and Yue Feng is not very familiar with him.

And this Qin Shousheng is an 'old acquaintance'.

During the outing, this kid approached Liu Xuan in front of everyone, and showed his affection to Liu Xuan.

He also laughed at his name, the beast. Ha ha. Just thinking of his name makes me want to laugh.

Qin Shousheng is very happy tonight. Originally, I came to Haiwang Street with Bai Zhan to stroll around the Mid-Autumn Festival lanterns and see beautiful women.

Unexpectedly, they met Liu Xuan and the others by accident. Liu Xuan has always been the goddess of his dreams! He cheekily followed behind the goddess.

Qin Shousheng's shameless face made Liu Xuan very helpless.

But she couldn't do anything about it. Everyone came out to visit the lantern show, so she couldn't drive them away.

"Wow, Sister Xuan, your name."

At this moment, Xu Jie next to her couldn't help but exclaimed: "It's on these lanterns."

Liu Xuan and Zhao Lu looked in the direction of her fingers, and they were all stunned. .

On the two rows of lanterns on the street, every two seconds, a word 'xuan' will appear, and the font on each lantern is different, obviously very careful.

Qin Shousheng stepped forward with a smile: "Miss Liu Xuan, do you like it?"

Qin Shousheng took great pains to surprise Liu Xuan. This Mid-Autumn Festival, the entire Haiwang Street was covered by Shenglong Technology. The Qin family where Qin Shousheng is located has always cooperated with Shenglong Technology.

Just now, Qin Shousheng, as a partner, asked the personnel of Shenglong Technology to arrange Liu Xuan's name on these lanterns. You must know that there are more than 200,000 lanterns in the entire Haiwang Street, all of which have Liu Xuan's name written on them, and the effect is particularly shocking!

No matter how beautiful a girl is, can't resist this trick?

Haha, you are so smart! Qin Shousheng was full of pride.

At this time, Liu Xuan looked at him in surprise, and couldn't help but feel a little strange in her heart: "Is it you?"

Chapter 294

Seriously, all the lanterns just now had her name written on them, and Liu Xuan thought it was a surprise given to her by Yue Feng.

But this speculation was quickly dismissed.

How can he have such great ability in such a big lantern exhibition.

"Look, the lanterns are full of 'Xuan' characters!"

Someone in the crowd shouted, and then the whole street became a sensation.

This is so happy! I don't know which girl it is, she is so happy, her name is written on the lantern!

"It would be great if my name was written on the lantern." Several girls were full of envy.

At this time, her best friend Xu Jie also stepped forward and took Liu Xuan's hand: "Sister Xuan, you are so happy!"

Liu Xuan smiled and nodded to Qin Shousheng.

Although he didn't like him, he was a little moved at this time.

It can be felt that this Qin Shousheng is a caring person.

Qin Shousheng was overjoyed and said with a smile, "As long as you are happy, I will do anything."

He could see that Liu Xuan was moved just now.

This is a good sign!

Maybe there will be a chance to ask her out alone in the future.

Liu Xuan smiled and wanted to take out her phone to take a picture. At this moment, I saw a familiar figure coming from not far away.

In an instant, Liu Xuan was surprised and delighted.

"Yue Feng!"

After shouting happily, Liu Xuan walked up to meet her.

At the same time, Zhao Lu was also stunned for a moment. In a hurry, she didn't know what to shout. She said nervously: "Feng... Brother Feng..." The

word "Dad" was already on her lips, and she was used to shouting. . But after all, there are so many people around.. This title is really embarrassing to say.

Feeling Zhao Lu's embarrassment, Yue Feng smiled and nodded at her.

Qin Shousheng clenched his fists tightly, Nima, his relationship with Liu Xuan could go a step further. At this most critical time, this door-to-door son-in-law actually appeared!

Isn't he in the college library?

how come out?

At this time, Liu Xuan looked at Yue Feng with a smile and asked, "Why are you here until now?"

It had been more than half an hour since the previous call.

Yue Feng smiled bitterly: "There are too many people."

After saying that, his eyes fell on Qin Shousheng, and he sneered: "Qin Shousheng, you have a very thick skin. You want to talk to other people's wives on the street. No?"

It turned out that the words on the surrounding lanterns were all planned by this kid.

Nima, molesting my wife, I'm quite willing to write a book.

During the outing before, this kid always approached Liu Xuan.

Qin Shousheng's expression changed, but before he could speak, his best friend Xu Jie couldn't help but shouted, "Yue Feng, what are you talking about? Young Master Qin, specially gave Sister Xuan a surprise, and nothing else, how could you? Do you think it's polite to say that?" The

only one who was eating soft rice was pulling up.

As soon as she finished speaking, Liu Xuan's expression changed, and she couldn't help but whisper, "Xu Jie, stop talking..."

At this moment, Qin Shousheng smiled coldly, looked at Yue Feng and said, "Yue Feng, did you hear what this beauty said? I just gave Miss Liu Xuan a surprise, why are you yelling? You and Liu Xuan They have the name of husband and wife, but not the reality of husband and wife? I admit that I like Liu Xuan, and I just want to pursue her. Is there a problem?"

Speaking of which, Qin Shousheng looked at the lanterns on both sides of the street and continued to sneer: "I know, you are unbalanced when you see me creating romance. But to be honest, Yue Feng, what did you do to Miss Liu Xuan after you joined the Liu family for three years? I gave her a surprise, and you were very angry, right?"

", Many people stopped and looked at Yue Feng.

Now people, if there is a little trouble, they have to come around, for fear of missing the excitement.

Yue Feng laughed and looked at Qin Shousheng closely: "Qin Shousheng, you are really as you name it, and the thickness of your face is really comparable to that of a beast. Pay attention to my wife and say it in such a grandiose manner.

"After a while, Yue Feng glanced at the lanterns on the left and right sides: "If you just come up with such a little trick, you will be superior in your heart?"

Hearing this, Qin Shousheng was stunned for a while, and then he burst into laughter: "Haha, you're really right, Yue Feng, I'm just showing off my superiority. What's wrong? The characters on the lanterns in this whole street are all made by me. What's wrong? Do you have

the ability?" , Many people around also laughed.

Everyone also understood that this kid's wife was played romantically by others. And it's super romantic, hundreds of thousands of lanterns, all with names written on them!

This kid is so miserable.

Chapter 295

Qin Shousheng said more and more vigorously, while taking out his mobile phone, he continued to sneer: "Yue Feng, you are here just in time, I will show you my strength, wait, on these lanterns, soon The full name of Miss Liu Xuan will be revealed."

Speaking of this, Qin Shousheng's expression became even more complacent: "Not only Miss Liu Xuan's full name, but mine as well."

Hearing this, the people watching the lively by exclaimed.

Is this too powerful? ! To make the lights in this street show their names, this person's strength is terrifying!

At this moment, Xu Jie couldn't help but whispered to Liu Xuan, "Sister Xuan, Young Master Qin is too romantic. He is a hundred times stronger than Yue Feng."

Until now, Xu Jie didn't understand that Liu Xuan would care so much about this waste.

How good is this Qin Shousheng in front of him.

Rich and romantic.

Liu Xuan ignored him, took Yue Feng's hand, and said in a low voice, "Yue Feng, let's go."

Since Qin Shousheng can make the lanterns in the whole street show the word Xuan, he has a way to make himself's name, along with his name, are displayed.

Rather than being here, waiting to embarrass Yue Feng.

It's better to leave quickly, out of sight and out of mind.

Yue Feng didn't move, with a smile on his face, he whispered to Liu Xuan, "Don't worry about my wife, let's see what surprises he can come up with."

Liu Xuan was a little anxious. He insisted on staying here, not waiting to be humiliated.

At this moment, there are more and more people around, and everyone is watching the excitement happily.

The rich second generation competes with a son-in-law who comes to his house for a woman.

Such a wonderful show is much more interesting than visiting the lanterns.

On the other side, Qin Shousheng wanted to change the words on the lantern, but he called twice, but no one answered.

Yue Feng looked at him with a smile and said, "What? I waited for so long, but the words on the lantern haven't changed?"

"Don't worry, didn't you see that I didn't get on the phone?" Qin Shousheng said jokingly

Yue Feng nodded: "Oh, oh, then I'll make a phone call and try." When the

voice fell, Yue Feng took out the phone and dialed Peng Kai. Within seconds, the call was picked up.

"Turn off all the lanterns in this street for me." Yue Feng said into the phone.

Whoa!

As soon as the voice fell, the lanterns in the entire Haiwang Street were instantly extinguished!

In just a short moment, the entire Haiwang Street was dark!

What?

This .. this ..

a phone call, the lights on Neptune Street, all turned off? !

Xu Jie, who was on the side, couldn't say a word at this time!

This, what's the situation? Who did Yue Feng call just now? !

"Qin Shousheng, where's your romance? Did it also die out?" Yue Feng said with a smile.

"You...you..." Qin Shousheng sweated down, Nima, what's the situation? He desperately called Shenglong Technology, but no one answered!

"Fuck, helicopter!"

At this moment, I don't know who exclaimed, and all of a sudden, everyone couldn't help looking up to the sky, and all of them opened their mouths!

I saw three helicopters flying slowly not far away! Hanging a behemoth!

As the helicopter slowly descended, the things hanging below also clearly appeared in front of everyone.

A piano!

hiss!

Everyone was stunned and couldn't say a word!

Using three helicopters, transported a piano here? !

This, who is this?

Such a big hand?

In shock, many people looked at Qin Shousheng and Yue Feng subconsciously.

These two people, one can control the words on the lantern. One that can directly turn off the lights in the entire street!

Such a big show must be done by one of them!

At this time, Qin Shousheng also stared at the piano blankly, his face stunned.

Could it be...

is this the door-to-door son-in-law?

The next second, someone couldn't help but look at Yue Feng with a face full of surprise.

At this moment, Yue Feng took Liu Xuan's hand, kissed it lightly, and then walked straight towards the piano.

That's right, I called Peng Kai before and wanted to play romance. Just let Peng Kai get a band. I want to sing a song for Liu Xuan herself.

At this time, Liu Xuan's heart thumped.

In front of the piano, a staff member has already placed the chairs.
