

## The ultimate husband in Chinese chapter 316-320

### Chapter 316 I

didn't expect that when Yue Feng said to go to the toilet just now, he actually went to buy a gift for himself. Thinking of this, Liu Xuan felt sweet in her heart.

"Don't open it yet." Yue Feng laughed: "It's not an expensive gift, I'll look at it when I get home."

After all, Huang Dan also fell in love with this necklace in the jewelry store just now. If it is opened here, Huang Dan will ask for it again. jealous.

Liu Xuan nodded and whispered: "Husband, it's not expensive, I like it too, as long as it's from you, I like it."

At this moment, Huang Dan suddenly laughed.

"Liu Xuan, open it and take a look. Let me see what gift your husband gave you. I'm interested." Huang Dan said with a sneer.

Buy a gift for my wife, and let me open it when I get home!

Afraid that the gift is worthless and will be laughed at by outsiders? Hahaha, it must be so!

Liu Xuan, ah Liu Xuan, when you were in school, you were the most sought-after girl in the whole school.

Liu Xuan smiled lightly: "My husband said, it's not an expensive gift, so don't look at it."  
As

she spoke, she put the gift box in her bag.

As a result, Huang Dan was quick to grab the gift box and said with a smile, "Don't be so stingy, show it to me!" When the

voice fell, she couldn't wait to open the gift box.

"You!" Liu Xuan was a little anxious, why is this person like this? Open without permission?

They were about to get the gift box back, but at this moment, the two of them were stunned! Especially Huang Dan, his eyeballs almost fell off!

Inside the gift box, there is a necklace lying peacefully, the beauty is suffocating!

Eternal heart? !

Sixty-five million eternal hearts? !

Liu Xuan's delicate body trembled, both surprised and happy!

Husband... Husband actually bought it? !

This..

how is this possible!

At this moment, Huang Dan and Deng Lin looked at each other and saw each other's shock!

After a while, Huang Dan finally came to his senses, looked at Yue Feng a few times, and sneered: "Oh, I know, what to go to the toilet, it turned out to be to steal something."

Stealing, definitely stealing of!

How could he have so much money as a waste of soft food?

Not to mention his son-in-law, even the grandmother of the Liu family would not be able to take out 60 million and buy a necklace! It's definitely stolen!

No wonder he told Liu Xuan that he had to go home to open the gift box, because he was afraid of being discovered!

Deng Lin followed with a sneer, looked at Liu Xuan and said, "I can't tell, Liu Xuan, your husband is very powerful. In the blink of an eye, he stole an item worth tens of millions. It's amazing. Liu Xuan suddenly became anxious: "

Don't talk nonsense, my husband won't steal."

"Can't steal? Didn't he steal two mobile phones before and was caught in jail?" Huang Dan laughed, raised the gift box in his hand, and shouted loudly: "Come and see, someone has stolen something, and stole 65 million necklaces, come and see!"

Hula.

The voice fell, and a circle of people suddenly gathered around, pointing at Yue Feng.

How dare you steal something in broad daylight?

Is there any more royal law?

When the surrounding discussions came, Yue Feng couldn't help it, and stared at Huang Dan: "If you can't afford it, others can't afford it?"

Huang Dan suddenly laughed: "What? Did you steal it, you? Don't you know?"

There was a lot of discussion around, and more and more onlookers were onlookers. Several shopping mall staff members took out their mobile phones and wanted to call the police.

## Chapter 317

At this time, in the crowd, a woman walked quickly.

"He can't be a thief." The woman said softly.

Xiao Yuruo.

That's right, when she came to the mall today, she originally wanted to buy a lipstick, but unexpectedly, she met Yue Feng.

Seeing her, Yue Feng was also stunned. After two days of not seeing her, Xiao Yuruo was even more beautiful and moving.

Today she is very formal, a slim suit. The compact body is fully displayed, and she is also wearing a pair of crystal love on her feet. It was the pair that Yue Feng gave her last time at the Luo Luo auction.

wow.

As soon as Xiao Yuruo appeared, he immediately attracted the attention of many men.

It's just that at this time next to Xiao Yuruo, there was a man with a neat suit and black-rimmed glasses. He had a good temperament. Can be said to be a table of talents.

Xiao Yuruo stepped on Crystal Love, stepped forward, pointed to the man beside her, and introduced to Yue Feng: "Yue Feng, his name is Tan Ming."

Xiao Yuruo was very depressed today.

During this period of time, her father kept introducing her to people who were either rich sons or successful business people.

Because Yue Feng has always been in his heart, Xiao Yuruo is very annoyed.

In the past two days, my father introduced Tan Ming to himself. According to his father, this Tan Ming is the apprentice of Yuan Xingzhi, a famous treasure appraiser in China. Antique skills are very high!

This morning, Xiao Yuruo had to agree to come out to meet under his father's hard work.

To be honest, after talking with Tan Ming, Xiao Yuruo also felt that his conversation was extraordinary and polite.

Just passing by here, Xiao Yuruo walked over curiously when she saw so many people watching.

Unexpectedly, I ran into Yue Feng. And he was framed as a thief.

At this moment, Huang Dan couldn't help shouting: "My son-in-law, you have such a big heart, and you are still chatting when you meet an acquaintance. You have to spend the rest of your life in prison!"

Huang Dan sneered, just looking at it. When Xiao Yuruo also had a pair of crystal love on her feet, she felt even more unhappy.

Are there so many imitations of Crystal Love now?

Can any woman come out and wear it?

Xiao Yuruo looked at Huang Dan and said seriously, "You must be mistaken, Yue Feng won't steal anything."

The crystal love on her feet, but Yue Feng spent nearly 100 million bidding to get it and gave it to herself. When you do, don't blink your eyes.

How could he possibly steal something? This is the funniest joke in the world!

Huang Dan looked at Xiao Yuruo and sneered: "You said he is innocent, he is innocent? This necklace is worth 65 million, where did his son-in-law come to get so much money, what did he not steal?"

Xiao Yuruo smiled and said, "I believe he won't steal anything, and I use my personality guarantee." Hearing

this, Huang Dan burst out laughing and said loudly, "Personality guarantee? Who are you?" You are wearing a pair of fake crystal love, what kind of big man are you pretending to be here?"

At this time, many people around were whispering and discussing.

Xiao Yuruo exhaled softly and said slowly, "My name is Xiao Yuruo, and the ancient rhyme pavilion is opened by my family."

What?

Is she the eldest lady of the Xiao family?

When the voice fell, everyone around was taken aback!

The Xiao family is a big and famous family in Donghai City! After all, the Xiao family has been in the antique business for generations, and many rich people in the upper class have to give antiques as gifts. Therefore, the Xiao family has a wide network of contacts!

### Chapter 318

In shock, Huang Dan's face flushed, and suddenly her eyes flashed, and she saw not far away, the manager of a jewelry store, trotting anxiously on high heels. Huang Dan hurriedly shouted: "Come on, let's see if the necklace in your store is lost."

Huang Dan quickly walked up to meet him and handed the gift box to the store manager: "Come and see, is this your store? Necklace inside."

Said, pointed at Yue Feng: "He just stole it out."

Steal?

The store manager was a little stunned for a while, standing there at a loss.

At this moment, Huang Dan couldn't help laughing out loud. The shopkeepers all chased after them. People get stolen goods, see how you can sophistry.

Just wait and go to jail, more than 50 million illicit money, enough to sentence you to life imprisonment!

The eyes of everyone around were also focused on the store manager. At this moment, she went straight to Yue Feng.

"Sir." The

next second, the store manager looked respectful, handed the gift box to Yue Feng's hand, and then bowed ninety degrees: "Sir, you're right, I forgot to tell you just now that your consumption limit is so high, now you can directly Become a supreme member of our store, sir, can you please leave your mobile phone number? I will make you a supreme member. Besides, sir, you were in a hurry just now, and you haven't got your receipt yet."

What?

receipt?

This necklace...really he bought it?

In an instant, the surroundings were deadly quiet, and everyone opened their mouths wide, their eyes full of disbelief.

More than 60 million, this, this is too rich, right? !

Huang Dan stood there motionless, his face flushed.

impossible!

How can he afford it? ! A man who lived by stealing a mobile phone bought a necklace worth more than 60 million? !

Huang Dan was still unwilling, and ran over to take a look at the receipt. This time, she was completely dumbfounded.

The price of the necklace is clearly written on the receipt. This necklace was bought by Yue Feng!

At this time, there was a sigh of sighing around, and everyone glanced at Huang Dan, as if they saw a bad pen.

Is there something wrong with this woman? The necklaces that people bought themselves, you shouted that they were stealing them, not a bad pen.

"You don't need to be a supreme member." Yue Feng took Liu Xuan's hand indifferently and said, "Wife, let's go."

Now that the truth has come out, he doesn't want to stay here any longer.

But just two steps away, Yue Feng stopped again and glanced back at Huang Dan: "Oh, by the way, let me tell you something."

Speaking of this, the people around looked at Yue Feng, curious what he would say what.

Yue Feng laughed and continued to Huang Dan: "Crystal Love is limited to 99 pairs in the world. Each pair of shoes is engraved with a number on the heel. The three of you are all wearing Crystal Love. But my wife The crystal love with Miss Xiao is genuine. And the pair under your feet is an imitation. And the imitation is too fake, the workmanship is really poor, and the market price is no higher than 500." The

voice fell, Yue Feng Turn around and leave!

Whoa! There was an uproar in the audience, one by one pointing at Huang Dan's high heels, couldn't help laughing.

At this moment, Huang Dan's face was flushed, and he wanted to get into the cracks in the ground! This shoe was given to me by Deng Lin, but I didn't expect it to be fake!

When he gave it to himself, he swore that it was true!

Deng Lin also laughed awkwardly. At this time, everyone around was laughing at his wife. Deng Lin had to tell the truth: "Wife, I'm sorry, these shoes are indeed fake. But I swear, these shoes are really not five hundred. I spent tens of thousands of dollars, really..."

"Go away!"

## Chapter 319

Outside the mall, Xiao Yuruo, Tan Ming, Yue Feng, and Liu Xuan chatted while walking.

Liu Xuan suggested going to dinner, and of course everyone agreed.

While discussing where to eat, Xiao Yuruo's cell phone rang. It was my father who called.

When the phone was connected, Xiao Qingshan's voice came: "Daughter, how is it, this Tan Ming is not bad."

After failing to introduce a few objects to his daughter before, Xiao Qingshan analyzed it carefully.

The reason why her daughter is disrespectful is because she has Yue Feng in her heart.

What are the advantages of that boy? Don't you have some attainments in treasure appraising? !

After understanding this, Xiao Qingshan quickly contacted Tan Ming.

Tan Ming is young, but in terms of antiques, he is better than himself! You know, he is a national treasure appraiser, Yuan Xingzhi's apprentice!

How could Yue Feng's trick of appraising treasures compare to him? And Tan Ming is handsome and steady. There's no reason why my daughter doesn't like him!

“Daughter, you said, how is Tan Ming?” Xiao Qingshan asked anxiously.

Listening to his father’s enthusiastic question, Xiao Yuruo said softly: “Is it alright?”

“Is it alright?” Xiao Qingshan sighed: “Daughter, you really have a high vision...”

Speaking of which, Xiao Qingshan on the other side of the phone suddenly shouted!

“Boss, how much is this painting?!” Xiao Qingshan shouted. It can be heard that there is chaos on his side, as if there are many people discussing a painting. After nearly a minute, Xiao Qingshan said to the phone: “Daughter, I seem to have seen a peerless painting. You bring Tan Ming over and let him take a look for me! Hurry up!”

Snapped.

After saying this, he hung up the phone.

Xiao Yuruo was a little dumbfounded. When encountering antiques, the first thing that comes to mind is Tan Ming.

Father is not picking a son-in-law. It’s more like finding a successor for yourself.

However, but I finally saw Yue Feng, is this going to separate again?

At this time, Xiao Yuruo thought for a while and said softly, “Yue Feng, would you like to go and have a look together.”

This...

Yue Feng felt a little reluctant. It is better to accompany your wife to go shopping for treasures.

In the end, before he could speak, Liu Xuan took his hand and said, “Husband, since Yuruo has spoken, why don’t we go together!”

Xiao Yuruo also helped clarify when she was framed as a thief just now.

Now that people have invited them, it seems a little bad if they don’t go. Besides, I have always had a good relationship with Xiao Yuruo.

Yue Feng could only smile: “Alright then, let’s go have a look together.”

“Let’s go.”

Xiao Yuruo was very happy, and she smiled wide-eyed.

Tan Ming next to him, his face darkened.

Why does this kid want to join in the fun? Tan Ming is not a fool, he can faintly feel that Xiao Yuruo seems a little unusual to this kid. What's so good about this kid, Yuruo was so happy when he heard that he was going.

....

Maple Street.

It got its name because the whole street was planted with maple trees. At the same time, this is also the most famous antique street.

Every year in mid-September, when the temperature is the most comfortable, Fenglin Street holds an antiques festival.

At this time, Fenglin Street was overcrowded, and all the antique lovers from Donghai City gathered here. Not only that, but collectors from other places also came here, wanting to find some treasures to go back.

Chapter 320

When the four Yue Feng arrived, it was already crowded with people.

Xiao Yuruo and Liu Xuan instantly became the focus of the surroundings.

What a nice view! Two goddesses..

Some men have to look straight. These two women are really beautiful in their own way!

The two women didn't care about other people's eyes. Their eyes were attracted by the stalls on both sides of the street. The stalls were full of antiques and dazzling.

Calligraphy and painting, jade, ceramics, and various exquisite handicrafts are dizzying.

Yue Feng looked at him casually while walking.

Not to mention, the quality of this antique festival is not bad, and along the way, I really saw a few good antiques.

Not far away, in front of the largest stall, there were the most people around, with three floors inside and three floors outside. At this time, Xiao Qingshan was also in the crowd.

Seeing his father, Xiao Yuruo's face was delighted, and he quickly walked over: "Dad."

Xiao Qingshan looked back, nodded, and said anxiously: "Tan Ming, hurry up and see how much this painting is worth!"

When the voice fell, I saw an antique painting in the hands of the stall owner.

In this painting, there is a majestic yellow-spotted tiger with its claws stepping on rocks and screaming in the sky, with an ancient pine beside it, which is vigorous yet elegant.

? Tiger Roaring Mountain Dwelling Map "!

At the bottom of this painting, the word Tang Yin is written impressively, and more than a dozen seals are stamped!

Tang Bohu's painting?

Yue Feng's eyes moved and he frowned slightly.

At this time, the eyes of the people around were full of excitement.

This painting is absolutely real! The real tiger roaring in the mountains, this is really a good baby!

Several collectors from other places were anxious and wanted to bid on this painting. But there is a rule in the antique shop, when others want to buy this painting, outsiders are not allowed to interfere. At this time, Xiao Qingshan was negotiating the price with the boss, so these collectors could only be anxious.

At this moment, Xiao Qingshan handed the painting to Tan Ming, with a bit of pride in the smile on his face: "Tan Ming, come take a look, how is this painting?"

The painting has smooth lines, The yellow-spotted tiger above is very expressive, and the atmosphere of the king is full. The artistic conception of the whole painting is extraordinary, which is in line with Tang Bohu's style.

This painting, the boss bid 1 billion!

To be honest, this price is really not expensive! You know, in recent years, Tang Bohu's paintings have been very hot!

At the 4-year Hanhai auction, Tang Bohu's [Looking at Mei Tu] fan was sold for 4.07 million!

What is this concept? In 2004, more than four million! I am afraid it has already risen to hundreds of millions. And it's just a fan.

What was presented to everyone at this time was a complete painting, a picture of a tiger roaring in the mountains. I am afraid that it could be sold at an auction for at least three billion! At this time, the boss only needs 1 billion, which is really not high!

However, Xiao Qingshan was also a little scared. After all, his entire net worth is now only over one billion. If the painting is fake, he'll be bankrupt! So let Tan Ming take care of it!

Tan Ming took the painting, looked at it for a moment, and said slowly: "As we all know, Tang Bohu was a famous talent in the Ming Dynasty. He was not only a painter, but also a poet and calligrapher."

"That's why his paintings have both the strength and sturdiness of the Southern Song Dynasty style paintings, and the elegant atmosphere of the literati. This "Roaring Tiger Mountain Dwelling" perfectly shows this point. Look, the fierce tiger in the painting, The lines and bones are very vigorous, and the characteristics of the tiger are vividly depicted, and the ancient pine next to it gives people a feeling of ethereal and elegant."

"Overall, this painting is agile and vivid, full of books, and it really matches Tang Yin's personality. There is no doubt that the authenticity is true. ." Tan Ming said word by word.

The voice fell, and the surroundings were full of appreciation!

Master! This young man is definitely a master! The analysis is so thorough!

It's really a talented person from all generations. This young man's ability to appraise treasures is more powerful than everyone present!

In particular, several collectors silently nodded their approval.

Each of them has many years of accomplishments in antique calligraphy and painting. Of course, they can see that the skills of this young man in front of him, Jianbao, are really amazing!
