

The ultimate husband in Chinese chapter 356-360

Chapter 356

“This is our family’s business, it has nothing to do with you..”

Are you kidding me!

Sun Dasheng was furious, and without saying a word, he stepped up suddenly and grabbed Yue Chen’s collar.

Snapped!

Without warning, a loud slap slapped his face fiercely.

This slap was very hard, and Yue Chen’s face instantly swelled up!

At this moment, the entire ward was silent, and even if a needle was dropped, one could hear it clearly.

All the Yue family disciples present were shocked and angry, but they did not dare to step forward!

Yue Chen was beaten on the spot and looked at Sun Dasheng in shock and anger:
“You...you...”

? After all, he was also the eldest young master of the Yue family, but was slapped in the face by Sun Dasheng in public.

There are still many people from the family watching outside, which is a big shame.

“Yue Chen, right?” Sun Dasheng’s voice was extremely cold: “I tell you, I don’t care about your Yue family’s affairs, and I don’t want to care about it! But you little brats, listen to me, About Yue Feng, I, Sun Dasheng, will take care of me! Whoever beeps again, I will chop him up!”

“Boom!” After the words

fell, Sun Dasheng flicked his wrist, an ax appeared in his hand, and he threw it hard. , the whole axe into the wall!

The wall of the ward trembled, and countless walls fell!

silence!

Huge hospital, silent!

Yue Chen blushed, and subconsciously took a few steps back, his body hit the door frame, he wanted to fight back, but he didn't have the courage.

After this period of training, Yue Chen has also reached the fifth stage of martial arts, and his strength is quite good.

But facing Sun Dasheng, he didn't even have the courage to fight back!

"You...you..." Sister-in-law Chen Yun's face was bloodless. She wanted to speak, but her throat seemed to be blocked, and she couldn't say a word.

Sun Dasheng looked around and said coldly: "I just want to ask, all of you Yue family are shameless, and they have all expelled Fengzi from the family, and the two sides have nothing to do with each other, now What? I need him, and I called him back?!"

Having said that, his eyes fell on Yue Chen again: "I heard from your old man just now that Yue Chen is going to inherit the family business, since this is the case, Then let him donate bone marrow. As the future patriarch, you should take the lead, and you don't even have the courage to be the heir?! What are you kidding me, what are you all forcing Fengzi to do? A bunch of scumbags!" The

voice fell . , The entire ward was deadly silent.

All the Yue family disciples looked at each other, speechless.

Yue Chen and Chen Yun, their faces flushed red!

"What's the point... What's the point..."

At this moment, Mr. Yue, who was lying on the hospital bed, stood up with difficulty, and stared at Sun Dasheng with incomparable anger: "Good you, Sun Dasheng, last time you brought it with you. People, making trouble with our Yue family, and making trouble today, do you really think our Yue family is easy to bully!"

At this time, the old man Yue was furious.

Yue Feng violated morals and morals and defiled his younger brothers and sisters. Heaven would not tolerate it, so he asked him to donate his bone marrow, which was considered to allow him to atone for his sins!

But this Sun Dasheng came to make trouble at a critical time.

This clearly did not take the Yue family into consideration!

What a shame!

Faced with Father Yue's anger, Sun Dasheng did not panic at all, but laughed instead: "Master Yue, I see you as an old man because of Yue Feng's face. I am here today, and Yue Feng can't donate."

"You "... The old man

Yue was so angry that he almost couldn't breathe, and he pointed at Sun Dasheng's hand and trembled.

The children of the Yue family were all furious, but none of them dared to speak, and none of them stepped forward to stop them.

"Master Yue, don't be angry. I'll help you get rid of this waste Yue Feng." However, at this moment, he saw an angry reprimand.

Immediately afterwards, a charming figure walked in quickly, her beautiful face was covered with frost, and she held a long sword tightly in her hand.

Miaoyuan teacher too!

Chapter 357

During this time, Master Miao Yuan and many Emei disciples have been living in the Yue family, and she has always been grateful.

Father Yue was seriously ill and was hospitalized, so Mrs. Miao Yuan rushed over immediately.

Seeing the scene in front of him, Master Miaoyuan was so angry that he said, "Mr. Yue, but he is not angry. Your condition is serious, so you should cultivate well. Let me help you eradicate this scum of your Yue family!" The

voice fell . , She stared at Yue Feng closely, showing a bit of coldness.

At this moment, Yue Feng only felt that he was enveloped by an invisible murderous aura, and his heart suddenly panicked.

Why is there such a wonderful teacher?

The main reason is that I want to do something for the Yue family.

Next to Sun Dasheng, also frowned secretly.

This teacher is so powerful!

Yue Feng tried hard to calm himself down, frowned and said, "Master Miaoyuan, I don't seem to have offended you? Why do you have to get along with me?" The

first time she met at the alchemy conference last time, she would kill without a word. self.

Now take your own life.

Seriously, I don't have any grudges with you.

Master Miaoyuan's beautiful face was full of disgust, and he said with awe, "Yue Feng, your grandfather is ill, and you are unwilling to donate bone marrow, so unfilial and unrighteous, no wonder you can do such a thing to insult your younger brother and sister. As a well-known and authentic, I will eradicate you, a scum, for the Yue family today."

Last time at the alchemy conference, I let you escape.

You are not so lucky today.

The voice fell, and a powerful breath permeated from Shitai Miaoyuan!

At this moment, feeling the aura of Master Miaoyuan, all the surrounding Yue family disciples couldn't help but smile. One by one was excited.

With the master here, this Yue Feng donation has to be donated, and if you don't donate, you have to donate!

Although Sun Dasheng's strength is strong, he is only in the realm of a military general. Master Miao Yuan is an elder of the Emei School, with strength above Marquis!

With her here, ten Sun Dasheng are no match!

At this moment, Sun Dasheng took a step forward, looked at Master Miaoyuan fearlessly, and said coldly: "You were wrong just now. First, Yue Feng has not defiled his younger siblings. Second, Yue Feng has left the family. The old man lying on the hospital bed is no longer his grandfather! Third, Yue Feng's father was almost killed by this group of white-eyed wolves! This hatred is so deep, why should he donate bone marrow!"

Speaking of which, Sun Dasheng sneered A loud voice: "Even if you are an elder of the Emei faction, you can't confuse right and wrong, and make excuses!"

What?

Dare you say I'm arrogant?

Master Miao Yuan's expression changed, and he shouted: "Boy, I know you are very powerful in Donghai City, but you are not qualified to speak to me. Who is Yue Feng, you ask the other people present! Ask him if he has I have never done that kind of beast thing!"

His dignified Emei Sect elder, whoever sees it, has to give in three points.

This Sun Dasheng actually said that he was unreasonable?

Yue Feng took a step forward and said: "Master, I said, I never did anything to defile my younger brother and sister. This is a hospital. If you don't believe me, you can do a blood test now! Use medical means to identify Zhang Jiajia's stomach. Whose child is it!"

Shua!

At this moment, the expressions of Yue Chen and Chen Yun on the side changed instantly.

Yes, this is a hospital. If Zhang Jiajia is tested for blood, wouldn't the truth be revealed?

Chen Yun gritted her teeth, stepped forward and said, "Yue Feng, don't think I don't know what you're thinking. You want to take advantage of Zhang Jiajia's blood test, and then find a way to escape? Or find a way to call for help, right? You? With this little thought, how can you hide it from your master? The child in Zhang Jiajia's belly is definitely yours, don't think about quibbling!"

At these words, everyone nodded in agreement.

Chen Yun smiled and said to the teacher: "Miaoyuan Shitai, this Yue Feng is full of bad water, can't let him delay time, he must want to escape!"

"Fuck you!" Sun Dasheng frowned, he This violent temper could no longer be tolerated, and he roared loudly: "Your Yue family is all scumbags, including this Miaoyuan Shitai, who is cheating on you, please get out of the way, I want to take Yue Feng away."

Hearing this, Miao Yuan Shi was too angry, and his anger rose up, and he shouted: "As a person in the rivers and lakes, I can't stand the unrighteous and unfilial people like Yue Feng. Today I have to kill him. Who said that? Love doesn't work!" The

voice fell, and the long sword in her hand fluttered, stabbing directly at Yue Feng!

This sword is fast and ruthless!

“Fengzi, hurry up!”

Sun Dasheng suddenly shouted. He didn't expect that this teacher, as a well-known and decent person, actually said that he would do it! In a hurry, he suddenly blocked in front of him!

Yue Feng was taken aback: “Great Sage, be careful.” The voice fell, and he rushed forward with his teeth clenched!

That Miao Yuan Shi Tai is stronger than Marquis Wu.

Even if the two of them join forces, they are not her opponents.

Chapter 358

But now there is no other way, only to fight!

Seeing that Yue Feng hadn't left, Sun Dasheng was very anxious: “Why don't you leave. Go!” The

voice fell, and Sun Dasheng held an axe to resist.

Master Miao Yuan smiled coldly: “Beyond your own power!”

Even a mere military general dared to be presumptuous in front of him.

Just looking for death.

Without warning, Master Miao Yuan's speed suddenly accelerated, and the long sword in his hand stabbed Sun Dasheng's heart fiercely.

“Pfft!” With

this sword down, Dasheng Sun's blood gushed out! It fell to the ground drop by drop along the blade.

This sword pierced Sun Dasheng's entire body!

“Pfft!” Sun Dasheng's body trembled, and he instantly froze there, and the aura around him suddenly weakened.

“Great Sage!”

Seeing this scene, Yue Feng was shocked, screamed like a madman, and rushed over to support him.

At this time, Sun Dasheng's face was pale and pale, blood was pouring out continuously, and half of his body was dyed red. He only felt that he might not be able to survive this hurdle.

But no regrets at all!

"Great Sage..." Yue Feng roared up to the sky, his eyes were extremely blood red, and his whole body collapsed completely.

At this time, the Yue family's children were all excited!

Haha, isn't this Dasheng Sun very arrogant?

When you meet Master Miaoyuan, don't you still have to die?

Haha, it seems that it was a wise decision to let Master Miao Yuan live in the Yue family before!

Yue Feng's eyes were red and blood red, and he hugged Sun Dasheng tightly, tears kept falling: "Dasheng, Dasheng, you must hold on." You

must hold on, brother, don't scare me, you must hold on!

There was no blood on Sun Dasheng's face. He used all his strength, squeezed out a smile, and said weakly: "You cry... cry... cry, I... haven't... died. Wind. Son..Remember..Can't..Can't donate.."

"Shut up." At this time, Master Miaoyuan came slowly, without the slightest emotional fluctuation on his delicate face: "Yue Feng, you give I'll die!"

After saying this, Master Miaoyuan clenched his sword too tightly and stabbed again!

She stabbed Sun Dasheng with a sword, and she had no regrets in her heart. Those who can mix with Yue Feng are definitely not good people!

"Come on, come on! I'll fight with you." Yue Feng raised his head and stared at Master Miaoyuan, his body filled with suffocation, and when the blood-drinking sword was summoned, he was about to rush up.

Forbearance over and over again is to respect you as an elder of the Emei School, but it does not mean that I am afraid of you!

At this time, Sun Dasheng held him weakly: "Fengzi, let's go... let's go, you are not her opponent, don't... die in vain."

"Ah!"

Yue Feng roared unwillingly, and took Sun Dasheng with one hand. He picked it up, ran to the window sill, and was about to jump off.

“Want to run?”

Before jumping down, he heard Master Miaoyuan shout, and the long sword rushed behind Yue Feng and rushed towards him.

Ding!

In the next second, the long sword stabbed fiercely on Yue Feng’s back, but there was no blood splashing, and a spark burst out from behind Yue Feng!

Silkworm Treasure Armor!

That’s right, this treasure armor, the treasure armor saved my life less than a day after I put it on!

However, Master Miaoyuan is too powerful. Although this sword did not penetrate, the tyrannical internal force also shocked Yue Feng and vomited blood! But fortunately, he jumped and jumped down from the upstairs. Fortunately, this is the second floor.

What?

At this moment, everyone present was dumbfounded.

Miao Yuan Shi Tai’s sword did not hurt him?

How could this be?

Master Miaoyuan also trembled. What’s going on here?

This sword of my own, even if it stabs Wuhou Wusheng on the body, can still cost half my life!

Master Miao Yuan was too stern, so he jumped down the window and chased after him. Yue Feng must die today! You have to do it for the sky!

Chapter 359 Jumping

from the second floor, Master Miao Yuan landed too steadily on the ground.

But looking around, where is the figure of Yue Feng?

Count how fast you run. Next time I see you, I will definitely kill him.

Master Miaoyuan held the long sword tightly and sighed. At this time, there was a pool of blood on the ground, which should have been shed by Sun Dasheng. I don't think he will survive.

Thinking in my heart, Master Miaoyuan slowly walked back to the ward. Along the way, she felt strange.

Why didn't he stab him with his sword just now?

Even if he has practiced defense techniques such as the 'Golden Bell Cover', it is only the strength of a general, and there is no reason to stop him.

At this time, the old man's ward was also silent.

Master Miao Yuan came in, looked around and said, "Mr. Yue, I scared you just now, and I'm really sorry for not being able to catch that rebel for you. You rest, I'll leave first.

" The Yue family caught the scum.

As a result, Yue Feng ran away.

It's so embarrassing.

Father Yue nodded and watched Master Miaoyuan leave.

At this time, the other people in the ward also recovered. All eyes were focused on Yue Chen.

Yue Feng is gone, it is up to him whether he can save Grandpa. Only his marrow matches.

Gudong!

Feeling everyone's eyes, Yue Chen almost wanted to cry but had no tears!

Nima's, the matter of Yue Feng donating bone marrow has already been done. But now he's gone!

After donating bone marrow, I can't be as dazzling as I used to be. Moreover, there will be many difficulties on the road of cultivation in the future!

How to do?

call!

At this moment, Mr. Yue let out a long sigh of relief, lay on the bed, and said indifferently: "You all go out first, I'll rest first, my body is a little uncomfortable."

The incident just now made him very angry. Sometimes dizzy.

Everyone looked at each other and walked out one after another. Don't dare to disturb the old man.

In the blink of an eye, Yue Chen, Chen Yun, Wang Yan, Zhang Jiajia, and the patriarch Yue Tianlong were left in the ward.

Mr. Yue lay there, the more he thought about it, the more angry he became.

It's unfortunate enough that he made mistakes in his own cultivation and became an ordinary person, suffering from a serious illness.

What's irritating is that the Sun Dasheng came to make trouble! I can't swallow this bad breath!

A few Yue Chen stood aside, and when they saw this situation, they didn't dare to let out the air.

At this moment, there was a knock on the door, Xue Li walked in, and said softly, "Have you discussed it? Who will donate the bone marrow?"

" experienced a fierce battle.

At this time, Yue Chen said very depressed: "Yue Feng has run away, I'll donate bone marrow to grandpa."

Now, he can't escape, he can only face the facts.

But hearing this, Xue Li frowned.

What?

Brother Feng ran away?

Isn't he that kind of person? Totally impossible!

Chapter 360

At this moment, Mr. Yue took a deep breath and said weakly, "President Xue, I'll have the surgery tomorrow. I want to rest."

At this time, Mr. Yue was angry when he thought of the situation just now. His eyes were dark, and now he just wanted to rest.

Xue Li smiled, nodded and said, "Yes, the operation is tomorrow. When the old man is resting, he must be quiet and don't disturb him." Let him rest well, so that he can go to the operation in the best condition.

After saying this, Xue Li walked out of the ward.

At this moment, sister-in-law Chen Yun stepped forward and said, "In this case, you all go back first, Yue Chen and I will stay here to take care of grandpa."

From last night until now, because of the old man's illness, the whole family has Didn't get a good rest.

Yue Tianlong was also sleepy, and said, "Can you two be okay?"

"Dad, we can." Chen Yun smiled: "Me and Yue Chen will take good care of grandpa. Dad...you Hurry home and rest."

"Okay..." Yue Tianlong was very pleased that his son was able to marry a wife like Chen Yun, which was a blessing from his previous life.

Since the son and daughter-in-law insisted on taking care of the old man, then it would be as they wished.

Thinking of this, Yue Tianlong took the others and left the hospital. The rest of the family also left at this time.

In the blink of an eye, only Yue Chen and Chen Yun were left in the entire ward.

"Come with me." At this time, Chen Yun took Yue Chen and walked to a corner on the second floor.

"Wife, why do you have to stay and take care of grandpa?" Yue Chen murmured, his voice full of dissatisfaction: "I have a bone marrow transplant tomorrow, I want to go home and rest."

"Xie Xie Xie, what are you taking a break for!" Chen Yun kicked him angrily and said coldly, "How could I marry you such a waste, not to mention tarnishing my younger brother and sister, and now I have to donate bone marrow! Did you know that, What's the fate of donating bone marrow? You don't want to become a master in the future, even if you wake up every day to cultivate, at most you will be a military commander!"

Yes, donating bone marrow is equivalent to donating the essence of inner strength. The road to cultivation in the future will be even more difficult!

“What can I do...” Yue Chen said depressedly: “That stubborn pen Yue Feng escaped, only I can match the whole family...”

“You are a waste, you are really a waste!” Chen Yun glared at him. With a glance, he said, “I have a way to prevent you from donating bone marrow.”

What?

Yue Chen almost jumped up excitedly: “What can I do?”

As long as he doesn't donate bone marrow, he can do whatever he wants!

Chen Yun took a deep breath and looked around. At this time, there was no one else in the corridor on the second floor. And there is no surveillance around here. At this moment, she said slowly: “If the old man dies, then you don't need to donate.”

“Ah?”

Yue Chen swallowed: “But grandpa is alive and well...”

Chen Yun glared at him, said angrily: “The old man is in his 70s, and he has enjoyed what he should enjoy. Now that he is seriously ill, you should send grandpa to the west as soon as possible.”

What? !

Just for a moment, Yue Chen's head was full of sweat: “Wife, do you mean... yes... let me kill... grandpa?”

“You give me a little quieter.” Chen Yun reprimanded: “Other than that. Besides, what else is there to do?”

“However, if you killed your grandfather, how can you explain it to the family... Now only the two of us are staying in the hospital to take care of grandpa. Grandpa died for no reason, so everyone must doubt us...” Yue Chen asked anxiously.

“Don't worry, I have a way to make everyone not doubt us.” Chen Yun said.

“But...”

When Yue Chen thought that he was going to kill his grandfather, his whole body resisted!

Seeing him like this, Chen Yun was very angry: “You unsatisfactory thing, do you want to stay as a general for the rest of your life? If you want, go donate bone marrow!” The

voice fell, she turned and walked back ward. Yue Chen followed closely.

In the ward, Yue Chen clenched his fist tightly. He thought about it along the way, and finally decided that this bone marrow cannot be donated!

My wife is right. Grandpa is in his 70s. He is rich and rich, and the world is full of flowers. He should enjoy it, and he has enjoyed it. Grandpa's life is worth it!
