

## The ultimate husband in Chinese chapter 36-40

### Chapter 36

Lu Chen quickly stopped: "No need, no need, I can handle it."

At the same time, Lu Chen secretly broke out in a cold sweat.

He is the boss of Ziyun Company, and you are Liu Xuan's best friend, but you don't know, and you speak so meanly.

"Alright then, I won't interfere. If you and Liu Xuan make up your mind, you must treat yourself to dinner." Xu Jie put away her phone, said goodbye to Lu Chen with a smile, and turned to leave.

At that moment, Xu Jie didn't realize how far-fetched the smile on Lu Chen's face was.

"Mr. Yue, look at the contract..."

Back in the office, Lu Chen smiled shyly.

"Sign it!"

Yue Feng said lightly, and then changed his voice: "But before signing, there is one thing you need to understand. I don't care how you and Xuan'er know each other. You should know what to do in the future. "

Clearly, I promise, in the future, I will keep a distance from Xuan'er... oh no, it's Miss Liu Xuan." Lu Chen said quickly.

Yue Feng snorted and continued: "That's nothing else, but I would like to advise you, don't put your posture too high in the future, or you will be very slapped."

"Yes!" Lu Chen hurriedly conform to.

Thinking of what he had just done, Lu Chen said sincerely: "Mr. Yue said just now that he wants to buy a car. In order to show my sincerity and apology, I will give Mr. Yue a car from the store, how about it?"

"Yes ?" Is it? Then I'm welcome."

Someone sent the car, so don't give it up.

Lu Chen's face was full of ingratitude: "Mr. Yue, you're welcome, we've all cooperated, so what's the point of sending a car. When the contract is signed, Mr. Yue will pick it up and see which one you like."

Yue Feng smiled and nodded.

The contract was soon signed. Accompanied by Lu Chen, Yue Feng walked out of the office and pointed to a white R8 in the middle of the exhibition hall: "This one looks pretty good, so let's just leave it.

" To be regretful.

Audi R8, more than one million!

"What? You won't regret it, right?" Seeing Lu Chen's expression, Yue Feng said with a smile, as if he was constipated.

Lu Chen hurriedly shook his head: "No no... I was thinking that Mr. Yue has a good vision. This R8 fits Mr. Yue's temperament very well." After

speaking, Lu Chen called the staff to go through the formalities for Yue Feng. There was a smile on his face, but his heart kept bleeding.

Half an hour later, Yue Feng drove his R8 and left the Audi head office with ease.

At that moment, seeing Lu Chen delivered an R8 with a respectful attitude at the same time, the staff in the store were shocked and puzzled.

Especially Zhao Ying. Even more shocked speechless!

Is Mr. Lu crazy?

But looking at Lu Chen's complicated expression, she didn't dare to ask.

Yue Feng is here.

The cooperation with Audi was finalized, Yue Feng was not so busy for the time being, so he called Liu Xuan the next morning.

Knowing that Yue Feng was coming back, Liu Xuan was inexplicably in a good mood, so she deliberately didn't go to the company and waited at home.

In the living room, Shen Man's hair was wet. He had just taken a shower and was sitting on the sofa in his pajamas.

To be honest, she was even more gentle and sexy when she just came out of the bath.

“That waste, why did you let him come back? When I came back yesterday, I asked you how you met with that Lu Chen, but you didn’t say, what did you think?” Shen Man said.

Liu Xuan said softly, “Mom, I don’t want to divorce him for the time being.”

“What’s so good about that waste? You were moved by the change of hostages two days ago?” Shen Man suddenly got angry and patted the table: “I Tell you Xuan’er, don’t be moved because of a trivial matter. Think about it carefully, have you lived happily after three years of marriage? Anyway, I don’t like that Yue Feng! The son-in-law of someone else’s family is worth hundreds of dollars Wan, look at that trash again!”

Halfway through speaking, he heard a voice outside, Shen Man looked subconsciously, and his whole body trembled!

A brand new white Audi sports car slowly drove downstairs.

What shocked Shen Man was the person who got out of the car.

This figure, I will definitely not forget it. This person is selling goods all over the place, and it turns out to be that waste, Yue Feng?

## Chapter 37

“I’m back!”

Entering the living room, Yue Feng smiled and said to Liu Xuan.

Liu Xuan nodded and glanced at the Audi R8 parked outside. Aware of Liu Xuan’s doubts, Yue Feng smiled: “This is the car I looked

at for the boss yesterday. Today I rest, and the boss borrowed it from me.”

Would the boss be so generous and lend his new car to his employees?

At this moment, Shen Man regained his senses and couldn’t help laughing: “I’ve been driving someone else’s car for a long time. I thought you rubbish salted fish turned over.”

Yue Feng smiled lightly and ignored it.

The more Shen Man spoke, the angrier he turned, and turned to look at Liu Xuan: “Xuan’er, I really don’t understand why you are hesitating, the Lu Chen I introduced to you is so good, you hurry up and divorce this waste, now the more I look at him, the more I’m upset.”

“Mom!”

Liu Xuan pursed her lips tightly, shook her head and said, "Don't worry about my business, anyway, he has found a job now, I...I want to give him a chance. He has found a job. Now, he must have changed his mind..."

Shen Man was so angry that he was speechless, trying to understand what happened to his daughter.

Glancing at Yue Feng fiercely, Shen Man returned to the room.

There was a smile on the corner of Yue Feng's mouth, looking at Liu Xuan: "You really won't divorce me?"

"Don't be too happy, I'm watching your performance." Liu Xuan said lightly.

Yue Feng nodded and said nothing more.

He respects Liu Xuan's wishes. After all, since he joined their family for three years, Liu Xuan has also taken on a lot of pressure because of herself.

"I'm a little tired, I'll go into the room to rest for a while." Feeling that the atmosphere was a little subtle, Yue Feng said something and went upstairs to the bedroom.

Liu Xuan didn't follow, she sat on the sofa, thinking about her thoughts.

At this moment, Liu Xuan's heart was actually quite tangled.

Was the decision just made right or wrong?

He gave him a chance, can he give him a better future?

At this time, Shen Man is here.

Her daughter's obsession made Shen Man anxious and angry, and she was very speechless.

"No, we can't let this trash continue to stay in our house." Muttering, Shen Man took out his mobile phone and dialed a number.

The name of the phone dialed was Lu Chen.

"Aunt Shen, is there something wrong?" The phone was connected, Lu Chen's tone was polite and a little complicated.

Shen Man asked directly: "Lu Chen, how was your meeting with Xuan'er yesterday?"

Her tone was soft, as if the person on the phone was her son-in-law.

On the phone, Lu Chen looked embarrassed and said with a sly smile: "Aunt Shen, I don't think...Xuan'er and I are not suitable."

"Huh?"

"Also, I think Xuan'er is... He Yue. The wind is pretty good, the two are a good match, I...I won't step in." Lu Chen said cautiously with a smile that was uglier than crying.

Shen Man's body was shocked, and her face was full of surprise: "Lu Chen, are you okay?"

"I'm okay, Aunt Shen, by the way, if you see Yue...cough, that Yue Feng, please tell him, I wish him and Xuan'er a hundred years of friendship, a hundred years of friendship..." Lu Chen said politely, maybe a little nervous, and almost called out President Yue.

At that moment, Lu Chen almost broke out in a cold sweat.

Fortunately, I corrected it in time, otherwise Mr. Yue would not be happy, and I am afraid that he would not be able to cooperate with Audi next time.

"You..."

Hearing this, Shen Man was a little messy for a while.

What's the situation? Didn't Lu Chen regard his daughter as a goddess?

Lu Chen seemed to be in a hurry: "Aunt Shen, I have something to do, so I won't tell you more." After that, he hung up the phone.

"Dudu..."

Hearing the blind tone on the phone, Shen Man couldn't calm down for a long time.

What's going on today?

First, his daughter was uncharacteristically, and then this Lu Chen, who had sworn to himself before that he would catch up with Xuan'er, had changed his personality in just one day.

Confused, Shen Man walked out of the room gloomily.

It was at this moment that there was a knock on the door. Opening the door, it was Liu Xuan's best friend, Zhao Lu.

"Hello Auntie!" Zhao Lu greeted with a smile when she saw Shen Man coming out.

Shen Man smiled and nodded: "Zhao Lu is here, sit down."

Shen Man frowned and shouted: "Yue Feng, get off me, can't you hear the guests coming? I don't know how to get down. Say hello, I really don't understand the rules at all."

## Chapter 38

Hearing Shen Man's cry in the room, Yue Feng came out. At this moment

, Zhao Lu, who was originally smiling, seemed to be taken aback. She looked at Liu Xuan and asked, "Sister Xuan... Yue... Yue Feng is at home?"

, From Xiang Riyue's mouth, after learning that Yue Feng is the second young master of Yueji, Zhao Lu rarely comes to Liu's house to find Liu Xuan.

Because I dare not!

That is, yesterday, Zhao Lu came to play with Liu Xuan after learning that Yue Feng was not at home for a few days.

But she never thought that she happened to catch up with Yue Feng and come back.

Liu Xuan said lightly, "I came back today."

Just as Zhao Lu was about to say something, she swallowed her words when she saw Yue Feng coming downstairs, lowered her head, and did not dare to look at Yue Feng at all.

Seeing that Zhao Lu was coming, Yue Feng smiled, and his eyes showed a bit of a smile.

"Why are you standing there stupidly? Why don't you go get some tea?" At this moment, Shen Man glanced at Yue Feng with contempt, and instructed him angrily.

Yue Feng didn't move, as if he didn't hear it.

"No, no, I'm not thirsty, I'm not thirsty, brother-in-law, don't... don't bother..."

As soon as Shen Man finished speaking, Zhao Lu quickly stood up and waved her hands restrainedly.

As he spoke, he carefully paid attention to Yue Feng's reaction.

Just kidding, if I let this second young master of the Yue family pour tea for me, then I won't have a better life in the future.

“Zhao Lu, what’s wrong with you today?” At this moment, Liu Xuan finally realized that Zhao Lu was a little abnormal, and asked in a low voice with a frown.

Zhao Lu shook her head again and again: “It’s nothing, maybe I didn’t rest well last night.”

Shen Man was also stunned.

What’s the situation, how do you feel that everyone seems to be afraid of this waste?

Confused, Shen Man quickly reacted when he saw Yue Feng dressed in poor clothes.

That’s right, Zhao Lu loves cleanliness so much, and she must think this waste is dirty, so she doesn’t want to let him pour tea.

Thinking in his heart, Shen Man glared at Yue Feng.

Although Yue Feng never spoke, Zhao Lu always felt like she was sitting on pins and needles.

After waiting for a while, Zhao Lu finally couldn’t stand the invisible pressure on Yue Feng, stood up and said, “Sister Xuan, I think I have something to do, so I won’t chat with you, I’ll go first.”

“Let’s go so soon?” Liu Xuan stood up and asked, “I didn’t see you driving here just now, how did you get here?”

Zhao Lu smiled: “My car is being maintained today, and I took a taxi. Just take a taxi and go back later.”

Shen Man smiled: “What kind of taxi, let him take you.” He

raised his hand and pointed at Yue Feng.

Ah? Zhao Lu trembled in her heart, and quickly shook her head politely: “No need, I’ll just take a taxi.”

Shen Man said, “Xiaolu, you don’t need to be troublesome, anyway, this waste is idle at home, so let him send you. What are you being polite to this trash?”

Zhao Lu couldn’t help but hesitate when she heard Shen Man’s words, and was secretly shocked.

This Aunt Shen, who actually opened her mouth and shut her mouth to call trash, doesn’t she know Yue Feng’s identity?

At this moment, Yue Feng stood up and said lightly, "Let's go!"

As soon as Yue Feng spoke, Zhao Lu did not dare to refuse, and nodded silently.

A few minutes later, Yue Feng drove Zhao Lu out of the community. When he entered the street, Zhao Lu looked apprehensive and cautiously said, "Brother Feng, you can send me here. I'll take a taxi and go back by myself."

Yue Feng smiled. Looking at her, "What did you call me? Did you forget what you promised me before?"

Zhao Lu's tender body trembled.

How could she have forgotten what happened that day in Chunjiang Huayueye?

Immediately biting his lower lip, he whispered, "Dad..."

Yue Feng smiled and nodded: "That's right, you don't have to be nervous, I'm out anyway, so I'll take you to the place."

"Thank you Feng... Thank you Dad..." Zhao Lu said quickly, her lips almost bleeding.

Soon, Yue Feng drove into a busy street.

I have to say that the R8 model is so cool, and Zhao Lu in the front passenger seat has a beautiful face, a hot body, and a proper car beauty.

For a time, many passersby turned back frequently, each with a more envious expression.

Yue Feng was holding the steering wheel with a calm expression, but he also somewhat enjoyed the feeling of being noticed.

"Yo? Isn't this Yue Feng, the waste of our family?" At this moment, an incoherent voice suddenly sounded from the side.

When Yue Feng heard the sound and looked at it, his face suddenly sank.

Chapter 39

Liu Zhiyuan!

This kid should have come to go shopping, wearing a customized version of casual clothes, followed by a beautiful female secretary.

The female secretary is carrying several shopping bags in her hands.

This kid is really good. Liu Xuan, on behalf of the Liu family, cooperated with Ziyu Company and worked desperately. He was better. He spent the company's money and came out with a secretary.

Yue Feng smiled coldly in his heart. He didn't bother to pay attention to him, so he had to leave quickly.

But at this time, there were too many pedestrians in front of me, so I couldn't walk fast at all.

Seeing that Yue Feng didn't take care of himself, Liu Zhiyuan smiled coldly and said abusively, "Yue Feng is fine, he's already driving an Audi R8." After speaking

, he glanced at Zhao Lu who was sitting in the driver's seat.

Seemingly attracted by Zhao Lu's face, Liu Zhiyuan froze for a moment, then smiled: "This young lady looks very good-looking. What's her name?"

Although Zhao Lu is Liu Xuan's best friend, Liu Zhiyuan has never seen him. Yes, so I don't know.

Naturally, Zhao Lu didn't know Liu Zhiyuan either. At this time, he didn't know the situation, so he didn't dare to open his mouth, so he had to pretend he didn't hear it.

Yue Feng looked at Li Zhiyuan expressionlessly: "What's their name, does it have anything to do with you?"

Liu Zhiyuan's face sank, and his tone increased a bit: "Yue Feng, you are a son-in-law who comes to the house, what are you pretending to be with me? R8 feels amazing? This car is not yours, right?"

As he spoke, Liu Zhiyuan glanced at Zhao Lu again.

At this time, Liu Zhiyuan had already determined that the car belonged to Zhao Lu.

As for the relationship between Yue Feng and Zhao Lu, there is no need to think about it at all.

Seeing Yue Feng's sneer and not speaking, Liu Zhiyuan continued to mock: "You can really do it, Yue Feng, in our Liu family for three years, I was willing to be a soft-boiled eater, and now I have a rich woman by my side. ? Hehe, you really gave us Patriarch Liu a face..."

At this time, there were a lot of people watching the fun.

Hearing Liu Zhiyuan's words, the people around him instantly became fried.

“Haha, this kid turned out to be the son-in-law of the Liu family. I thought it was the second-generation rich of which family just now

”

“It’s interesting. It’s a skill to eat soft food at home and be around a rich woman outside.”

“Back then, this bastard married the goddess Liu Xuan, and that wedding was a joke in the entire Donghai City, haha, I actually encountered this here today. It’s a waste.”

The voice of the discussion came one after another, and Yue Feng suddenly became a little angry.

Nima, this Liu Zhiyuan, every time he meets him, he feels uncomfortable without embarrassing himself.

At this moment, Zhao Lu was also very angry, and there was a trace of frost on her beautiful face.

It was the first time that he had been slandered in public when he grew up so much.

Even if I needed a man, I wouldn’t look for Yue Feng. .

Just as Liu Zhiyuan continued to speak, Zhao Lu opened the car door and walked out.

At that moment, the eyes of everyone around were focused on Zhao Lu.

Many people were attracted by Zhao Lu’s sexy and hot body, and at the same time, they were a little puzzled by Zhao Lu’s actions.

What is she going to do?

At this time, many people thought so in their hearts.

Under everyone’s attention, Zhao Lu stepped on her high heels and walked straight to Liu Zhiyuan.

“Beauty, did you just know that this kid is actually a son-in-law? It doesn’t matter, you don’t need to thank me...” Liu Zhiyuan smiled and said with a nonchalant attitude, looking at Zhao Lu who came to him.

Snapped!

As soon as the words fell, Zhao Lu slapped Liu Zhiyuan in the face without warning.

Whoa!

The crisp slap sounded, it seemed that half the street was quiet, and the people around were stunned.

“You...you bitch, you dare to hit me?” Liu Zhiyuan seemed to be beaten, staring at Zhao Lu blankly, only to recover after a few seconds, and shouted angrily.

The female secretary next to her was also startled, she quickly supported Liu Zhiyuan’s arm, and asked softly, “Brother Yuan, are you alright?”

Then she stared at Zhao Lu, “Why are you hitting someone?”

Zhao Lu looked at him too. Without looking at the female secretary, she glared at Liu Zhiyuan and said coldly, “What’s wrong with my mother beating you? Shouldn’t someone like you be full of foul language be beaten?”

At this time, Zhao Lu returned to her former pungent demeanor. All of a sudden, Liu Zhiyuan was stunned.

Everyone around Chapter 40 was also stunned.

“Hey, this beauty has a bad temper.”

“It’s so hot.”

Many people started talking again, but they didn’t dare to speak loudly, for fear of being overheard by Zhao Lu and offending this pungent beauty.

However, everyone didn’t notice that when Zhao Lu was scolding Liu Zhiyuan, he paid attention to Yue Feng’s reaction.

Seeing that the corners of Yue Feng’s mouth twitched slightly, revealing an approving smile, Zhao Lu let go of her courage.

“Dogs see things that are inferior to others. Brother Feng needs to be near a rich woman? It’s really blinding your dog’s eyes.”

Brother Feng?

Hearing Zhao Lu’s address to Yue Feng, everyone around was stunned again, and Liu Zhiyuan was even more stunned.

After scolding a few words, Zhao Lu turned back to the car with a sweet smile, stood there respectfully and asked for instructions: “Brother Feng, did I do something wrong just now?”

“You did a good job! “Yue Feng smiled lightly.

Zhao Lu was very happy to be recognized by Yue Feng, and then said, "My car is being maintained at the repair shop in front of me, or... Brother Feng, don't give it away?"

"Okay, let's go!" Yue Feng nodded.

Zhao Lu responded quickly, and after saying goodbye to Yue Feng, she turned around and walked towards the intersection in the distance under the surprised gaze of everyone.

As soon as the beauty left, many onlookers felt bored and left one after another.

At this time, Liu Zhiyuan came back to his senses, feeling the burning pain on his face, his eyes almost bursting with fire, stared at Yue Feng and said bitterly: "Well, you Yue Feng, it turned out that you were not beside a rich woman, but raised a mistress. right."

"To be honest, what's going on with this car? Did Liu Xuan use her position to embezzle the company's money?"

Hearing that Liu Zhiyuan started to make outrageous remarks again, Yue Feng just thought it was ridiculous and said lightly, "Don't worry about my car. How come, anyway, it has nothing to do with your Liu family company."

After saying this, seeing that the road ahead was clear, Yue Feng stepped on the accelerator and left gracefully.

"Slot! Yue Feng, wait for me, we're not done."

Liu Zhiyuan watched Yue Feng leave gloomily, with nowhere to vent the evil fire in his heart, said a grudge, and walked out of the downtown street with his secretary.

Ziyu Entertainment Company.

After leaving the busy street, Yue Feng returned to his office, and then sent a message to Liu Xuan, telling her that she was busy and would not go back at night.

Liu Xuan didn't ask any further questions, and simply replied with three words: Got it.

The encounter with Liu Zhiyuan just now did not affect Yue Feng's mood at all.

Although Liu Zhiyuan has some status in the Liu family and is deeply loved by the grandmother, in Yue Feng's eyes, he is just a clown jumping on the beam, a fool.

After inquiring about Han Yue, Yue Feng slept in the lounge for a while when he learned that the company had nothing to deal with for the time being.

When I woke up, I saw the wooden box behind the door and thought of the birthday present I gave to myself on that day. Yue Feng took it and opened it directly.

The moment the wooden box was opened, a faint fragrance escaped from it, and the next second, Yue Feng was stunned.

It turned out to be a black pill.

Tonic for the kidneys? Asan Shendan? Power pill?

For a time, Yue Feng's head flashed a lot of product names related to men's health care. Of course, they were all watched on TV.

At the same time, he was both angry and funny.

What is this kid doing to the sun and the moon? Amuse yourself? But he didn't have the guts.

Confused, Yue Feng called Xiang Riyue.

"Mr. Yue, what are your orders?" After connecting, Xiang Riyue was the first to speak respectfully.

Yue Feng took a deep breath: "What's the use of the pill you gave me?"

"Hey, Mr. Yue, don't get excited. I got it from a master two years ago. It is said that it can strengthen my body. Body, you don't know the reputation of that master, this thing can't be obtained by ordinary people, and I was..." Hearing that Yue Feng was asking about the pill, Xiang Riyue explained it endlessly.

Yue Feng's head was a little big, and he interrupted quickly: "It's alright, it's alright, you're busy."

After hanging up the phone, Yue Feng stared at the pill and hesitated.

To eat, or not to eat?

Then, thinking that Xiang Riyue would definitely not harm him, Yue Feng picked it up and swallowed it directly.

As soon as he swallowed the pill, Yue Feng regretted it, because he felt a heat flow in his lower abdomen, and then the heat flowed all over his body.

Yue Feng couldn't help rolling on the ground, and finally passed out as soon as his eyes darkened.
