

The ultimate husband in Chinese chapter 46-50

Chapter 46

A few police officers hurried over, and sure enough, a mask was also torn off Zhang Liang's face.

A year ago, a wealthy businessman who came to Donghai City to invest was defrauded of an ancient painting worth tens of millions by a partnership of two people.

But the two were too cunning, Zhou Qin tracked them down for a year, but couldn't find out their whereabouts.

Unexpectedly, they were caught today? !

Zhou Qin's delicate body is trembling, this is definitely a great achievement!

And several antique shop owners who were still testifying to Chen Qi stood there dumbfounded.

They knew all too well about the antique fraud case a year ago, and they never thought that the two people just now were the masterminds, and they were so bold that they deceived the Xiao family again.

At the same time, several antique shop owners also looked at Yue Feng in surprise.

The masks they wore were so realistic that they didn't even notice it. How did this kid find out?

However, with Zhou Qin present, they did not dare to ask.

At this time, Zhou Qin instructed his subordinates to bring people into the car, and then walked to Yue Feng.

"Yue Feng, I'm sorry, I was too arbitrary just now and almost lost a chance to solve the case. I really want to thank you this time." Zhou Qin bit her lip and said embarrassedly.

Yue Feng waved his hand with a smile and said: "Where, I just don't want the bad guys to run away."

Zhou Qin nodded, and then asked curiously, "How did you know that Chen Qi was wearing a mask just now?"

Yue Feng thought for a while, Casually said: "This is nothing unusual. When he was struggling just now, the mask on his face was lifted a little, and I happened to see it."

In fact, Yue Feng himself was a little puzzled by this question.

Because Chen Qi's camouflage is perfect, there is only a small flaw where the mask and the neck are connected, and this small flaw, ordinary people can't see it at all, but I don't know why, but I can see it.

When did my eyesight get so good?

Yue Feng whispered in his heart.

Zhou Qin didn't have the slightest doubt and smiled slightly: "Anyway, I really want to thank you this time. I'll invite you to dinner when I have the opportunity in the future."

After saying this, Zhou Qin said goodbye and left.

Just when Zhou Qin pressed Chen Qi and Zhang Liang to the police station.

Chen Qi and Zhang Liang, who were sitting in the back compartment, were full of anger and unwillingness.

The two of them had planned this scam for a long time and thought they were perfect, but they never thought that it would be destroyed by Yue Feng at the last crucial moment.

"That kid's name is Yue Feng, right?" Chen Qi whispered to Zhang Liang in annoyance.

Zhang Liangliang nodded: "The owners of the antique shops just said that he is the son-in-law of the Liu family!"

"Mad, one day we will come out and kill him!" Chen Qi gritted his teeth and clenched his fists tightly. .

Ancient Rhyme Pavilion.

Watching the crowd disperse, Xiao Yuruo stepped on her high heels and walked over: "Yue Feng, how did you know that those two were liars?"

Yue Feng's mouth twitched and he said lightly, "It's nothing, I often watch detectives. The novel, and the performance of those two people just now, to be honest, is really clumsy."

Seeing him say it so easily, Xiao Yuruo pursed her lips and smiled, and continued to ask: "The knowledge you said about Weeping Blood Jade just now. , where did you learn it?"

Oops, this doesn't seem like a good answer.

Yue Feng thought for a while: "This, I learned about antiques from an old gentleman for a year, so..."

Having said this, Yue Feng shrugged lightly.

The meaning is obvious.

Identifying a weeping jade is a piece of cake.

Xiao Yuruo suddenly became excited and said in a hurried tone: "What's that old gentleman's name? Where does

he live?" She couldn't identify the real or fake Weeping Blood Jade, but Yue Feng saw it at a glance, and she was able to tell herself. A lot of unknown knowledge.

Wouldn't the old gentleman who taught him be even more powerful?

Such a person must meet no matter what!

However, Yue Feng's next answer made Xiao Yuruo very disappointed.

"I haven't seen him for several years, and I don't know where he lives now." Yue Feng said apologetically.

Hearing this, Xiao Yuruo sighed softly and stopped talking about this topic, but looked at Yue Feng in a complicated way, and asked softly, "Yue Feng, can you promise me something?"

"What?"

"I want to ask you to be our honorary appraiser of Gu Yun Pavilion, you don't need to come to work in the store every day, just show up when you need your help, and the monthly salary is 50,000, can you?" Xiao Yuruo said softly.

Chapter 47

Seriously, Xiao Yuruo is still afraid that 50,000 yuan a month will be low, but this is her greatest right.

At this moment, Wang Ping, the person in charge of the counter at the back, took a deep breath!

What?

An honorary treasure appraiser with a monthly salary of 50,000? I only have a monthly salary of more than 10,000!

But thinking of Yue Feng's theory of identifying Weeping Blood Jade just now, Wang Ping felt ashamed and suppressed his dissatisfaction, leaving only envy.

"Well... Since you don't need to go to work every day, then that's fine." At this time, Yue Feng thought about it and said reluctantly.

With such a generous treatment, are you still reluctant?

Is it stupid to be a door-to-door son-in-law?

At this moment, seeing Yue Feng's reaction, Wang Ping was even more speechless.

Xiao Yuruo's face was filled with joy: "That's great, then it's settled."

Yue Feng smiled, seeing that it was getting late, he bid farewell to Xiao Yuruo and left.

The next morning, as soon as Yue Feng arrived at the company, Han Yue hurried over to report the work.

"President, the latest episode of the superstar program starts today, and it's also Li Qin's first time on stage. Would you like to sit down at the scene?"

Han Yue asked respectfully.

Yue Feng shook his head: "I'm not going! I'll get a broadcast in my office later. I'll just watch it here."

Li Qin's packaging was handed over to the Liu family, and his daughter-in-law, Liu Xuan, was in charge. .

At that time, Liu Xuan would definitely be there, and if she went by herself, wouldn't she be exposed?

"Understood, President." Han Yue nodded and hurried to do it.

An hour later, live footage appeared on screens in the office.

I have to say that Li Qin still has the potential to be a star. Under the packaging of Liu Xuan, he is even more energetic and radiant. As soon as he played, he caused the audience to scream.

However, something happened when the program was halfway through.

At the request of fans in the audience, Li Qin was performing singing, and suddenly there was a problem with the headset he was wearing. Originally, Li Qin sang very well, but there was a problem with the headset, which caused the rhythm to not keep up.

Finally, in the midst of the discussion, Li Qin stomped his feet and returned to the backstage.

Soon, this incident was published by the media, saying anything, some said Li Qin was lip-synching, some said Li Qin did it on purpose, and the purpose was to increase the popularity.

In short, Li Qin's singing skills were questioned by the media.

Seeing these news, Yue Feng patted the table and called Han Yue in.

"Check it out for me, what's going on." Yue Feng said with a cold face.

Han Yue responded, made a few calls, and finally figured it out.

"President, there are three people in charge of Li Qin's headset equipment in the background, but they all shirk their responsibility for this problem," Han Yue said cautiously.

Yue Feng smiled lightly.

These three people will definitely not escape the relationship.

"Okay, you bring those three people here."

"Okay, President!" Seeing Yue Feng's confident face, Han Yue was a little curious, but didn't dare to ask more.

Watching Han Yue go out, Yue Feng made a call.

"Xiaohu, come to Ziyu Company, right now."

Ten minutes later.

When the three show backstage staff were brought into the office, they all looked very calm.

On the chair behind the desk, Li Heihu in a black suit sat there.

In fact, Yue Feng had many ways to get the three guys to tell the truth, but it was too much trouble.

Moreover, Yue Feng does not seem to let more people know his identity.

So I asked Li Heihu to come over.

“On the show, there was a problem with Li Qin’s headset, what happened?” Looking at the three of them, Li Heihu asked coldly.

Yue Feng, who was sitting on the side, looked indifferent, smoking a cigarette slowly.

The three seemed to have discussed it well, and shook their heads at the same time, indicating that they did not know. At the same time, he didn’t pay attention to Yue Feng, thinking that he was Li Heihu’s bodyguard.

Li Heihu smiled and said indifferently, “Do you know who I am? My name is Li Heihu.”

What?

Chapter 48

Li Heihu?

At what time, hearing these three words, the three staff members were all shocked, and even one of their legs began to tremble.

In the entire Donghai City, no one does not know about Li Heihu, he is black and white!

Why is he here? What’s his relationship with Ziyu Company?

“It doesn’t matter if the three of you don’t talk about it, but I’m the one who said the ugly first. If you let me find out what’s related to you, what the consequences will be, you think for yourself.”

Li Heihu’s voice just finished, the boy standing on the far left, Unable to hold on on the spot, he hurriedly said, “I said I said...”

The other two looked at each other and nodded hurriedly.

At that moment, Yue Feng, who was sitting on the sofa, suddenly smiled.

A few minutes later, Li Heihu let the three boys leave, stood up and said to Yue Feng: “Mr. Yue, things are clear.”

Yue Feng smiled, stood up and patted Li Heihu on the shoulder: “Okay, little tiger, these two years The business is getting bigger and bigger, and the name is getting louder.”

“Mr. Yue, don’t make fun of me. Without Mr. Yue, I wouldn’t be where I am today, Li Heihu.” Li Heihu smiled humbly.

After a few chats with Li Heihu, Yue Feng let him leave.

As soon as Li Heihu left, Li Man received a call.

“Where have you been, you bastard? There’s something wrong at home, and you’re still hanging around outside? Come back!”

Listening to Shen Man’s scolding, Yue Feng didn’t say anything, knowing that it must be because of Li Qin. However, Liu Xuan was in trouble. After all, Liu Xuan was responsible for packing Li Qin.

But even if Liu Xuan was in trouble, Shen Man didn’t want to call Yue Feng. After all, this waste is gone, and it is useless. The reason why I called him was because the grandmother was very angry and demanded that all Liu family members be present!

This time, it’s very, very serious!

After hanging up the phone, Yue Feng immediately rushed to the Liu family villa.

..

On the way, Yue Feng called Li Qin.

At this time, Li Qin was staying in his apartment, feeling unspeakably low.

“Brother Feng.” Li Qin shouted politely after receiving a call from Yue Feng, with a tense tone: “I’m sorry, I didn’t know it would turn out like this.” I

made a mistake on the show and my image declined, and all my previous efforts were all over the place. In vain, it also caused a lot of losses to the company. Li Qin thought that Yue Feng was here to ask himself guilty.

Yue Feng took a deep breath and said lightly, “It’s not your fault. I’ve checked the situation. It’s something wrong with the Liu family.”

Li Qin opened his mouth wide: “Why is this happening?”

Yue Feng smiled lightly: “Wait for you. Do as I say.”

After listening to Yue Feng’s instructions, Li Qin nodded quickly: “I understand, Brother Feng.”

Yue Feng hummed and hung up the phone.

Arriving at the Liu family villa, the grandmother was already holding an emergency meeting.

There was anger and dissatisfaction on everyone's face! You must know that Ziyu Company must blame the Liu family for Li Qin's mistake this time!

Liu Xuan is wearing a hip-packed skirt and stepping on high heels, not to mention how beautiful. But at this time, her face was very bad. Because everyone is staring at her. After all, she is responsible for packing Li Qin!

Seeing Yue Feng's arrival, everyone in the Liu family didn't look good.

A waste, what are you doing here to join in the fun?

At this moment, Liu Zhiyuan stood up and pointed at Liu Xuan with a sneer: "Liu Xuan, our Liu family has finally cooperated with Ziyu Company, but something happened to you. What do you say?"

Liu Xuan bit her tightly. He pursed his lips and looked at his grandma: "Grandma, let's deal with it."

Before the grandma could speak, Liu Zhiyuan sneered: "Liu Xuan? Are you trying to win sympathy from grandma? How can I punish you if such a big thing happened? It can't be saved."

Speaking of which, Liu Zhiyuan looked at the old grandmother and said, "Grandma, I think Liu Xuan will be dismissed directly. In the future, don't let her participate in the company's affairs! You can't offend Ziyu Company because of her!

"As soon as the words came out, everyone else nodded in agreement.

The old grandmother gave Liu Xuan a deep look and said, "That's it, Xuan'er, starting from tomorrow, you won't be working in the company."

Liu Xuan felt extremely uncomfortable and wanted to explain, but she didn't know what to say. what.

At this moment, Yue Feng, who was sitting next to Liu Xuan, slowly stood up and said with a smile, "I don't agree."

What?

Hahaha!

There were a few girls in the originally lifeless conference room, who couldn't hold back their mouths and laughed lightly.

This Yue Feng is really thick-skinned, does he have the right to speak on such occasions? Is he stupid?

Chapter 49

Does He Disagree? Ha ha! At this moment, everyone in the Liu family looked at Yue Feng as if they were looking at a pen.

“What did you say?” The grandmother said with a sullen face, very displeased.

Yue Feng smiled coldly and said word by word: “You haven’t thoroughly investigated the matter of Li Qin’s show, so you rashly put all the responsibility on my daughter-in-law, and dismissed her position without knowing it. Is it too childish?” The

grandmother’s face was extremely ugly, and she stared at Yue Feng: “Listen to what you mean, am I wronging Xuan’er?”

Yue Feng had a natural expression and was about to speak.

At this time, Liu Zhiyuan couldn’t bear it anymore, slapped the table and pointed at Yue Feng and scolded: “What do you think you are? When our Liu family has a meeting, when will it be your turn to point fingers here? What right do you have to question grandma’s decision? “

Yue Feng gave him a cold look: “I just let my grandma find out, and then come to a conclusion, what are you calling me?”

“Slot!”

Liu Zhiyuan was instantly angry, and he was about to do it, but he thought of the last time grandma’s birthday banquet. , If you can’t do it yourself, you can’t be abused, and suddenly feel a little palpitated, but your eyes are staring at Yue Feng hatefully.

Yue Feng looked around, and finally his eyes fell on Liu Zhiyuan: “Li Qin was on the show, and there was a problem with the headset. I believe that Xuan’er was framed. Who is behind the trouble, who knows.” The

meaning is obvious.

But almost no one believed it.

Liu Zhiyuan was furious: “What do you mean by looking at me when you say this? You say it clearly, Shaotema is spitting blood here.” The corner of

Yue Feng’s mouth twitched: “I didn’t say it was you, what are you excited about? ?”

At this moment, the grandmother couldn't bear it anymore, and said angrily, "Yue Feng, if you talk nonsense again, you will get out of here." When she said this, the grandmother didn't even look at Yue Feng.

In the matter of Li Qin, the grandmother would rather believe that there was a problem with Liu Xuan's work, rather than believe that it was Liu Zhiyuan's ghost.

At the previous banquet, the grandmother made it clear that if Liu Xuan admits Yue Feng as her husband, don't even think of calling her grandma.

When Yue Feng appeared at the meeting today, the grandmother was displeased, but she didn't say anything about her identity. But I didn't expect that this waste would slander his most beloved grandson in front of so many people.

At this moment, seeing the grandma getting angry, everyone in the Liu family looked at Yue Feng with schadenfreude.

At the same time, Liu Wensheng, who had been silent for a while, frowned and said in a low voice: "Yue Feng, don't be ridiculous, sit down!"

Liu Xuan was also a little anxious: "Don't talk nonsense."

Shen Man didn't speak, but full of disgust.

This waste is really useless, it will only help.

Aware of everyone's eyes, Yue Feng looked indifferent.

"Okay, this matter is settled. Xuan'er will not interfere in the company's affairs in the future, everyone should leave." The grandmother said with a sullen face.

Everyone got up and left.

"Wait!"

At this moment, a sexy voice came from the door of the conference room.

Followed by a beautiful figure walked in.

Li Qin.

A tight body shirt, black short skirt, and simple dress make Li Qin even more sexy and charming.

As soon as Li Qin appeared, the entire conference room fell silent. While everyone was shocked, they all guessed something.

It must be Xingshi to ask for guilt.

At the same time, the eyes of many men were also burning.

As expected of the person favored by Ziyu Company, this Li Qin is really too beautiful, with such a sexy body, it is simply perfect and flawless.

“Miss Li is here, sit down!” The old grandmother greeted warmly with a polite smile on her face.

Li Qin signed a contract with Ziyu Company, and the future will be infinite. Even the grandmother of the Liu family would not dare to neglect her.

Seeing Li Qin coming in person, Liu Xuan was also very nervous and wanted to open her mouth to apologize. After all, Li Qin’s show was something she couldn’t shirk. But when the words came to his mouth, he couldn’t say anything.

Li Qin did not sit, but went straight to the old grandmother.

Yue Feng is right next to her, where would she dare to sit?

“Miss Li is here for the show, right? I’m really sorry, our Liu family is responsible for this matter, and Miss Li is also at ease. I will definitely find out the situation.” At this moment, the grandmother said with a smile, and then pointed at Liu Xuan: “Furthermore, I have just removed Liu Xuan from my post. I promise that this will not happen again in the future.” The

voice fell, and Liu Xuan, who was standing beside her, trembled faintly.

It’s over, now I’m completely hopeless.

Li Qin’s expression was calm, and he said softly: “I have already checked it out.”

After a pause, Li Qin smiled at Liu Xuan and said politely: “Miss Liu Xuan, don’t be nervous, you have nothing to do with this matter. responsibility.”

What?

No responsibility with Liu Xuan?

Chapter 50

Could it be... Is there really someone secretly making a fool of yourself?

This time, everyone present was stunned.

“Miss Li, what the .. what’s going on here?” The old grandmother was stunned and asked quickly.

Li Qin didn’t answer, but smiled lightly and glanced at Liu Zhiyuan.

At that moment, Liu Zhiyuan’s body was shocked, and his expression was a little flustered.

Just now when Li Qin said that he had checked it out, Liu Zhiyuan still had a bit of luck in his heart.

However, after being glanced at by Li Qin, Liu Zhiyuan suddenly felt bad.

“You three come in!” In the next second, Li Qin whispered towards the door of the conference room.

The voice fell, and the three backstage staff walked in with their heads lowered.

As soon as he saw the three of them, Liu Zhiyuan’s head was buzzing. This person was blinded, but he still managed to calm down.

“Tell me about the situation.”

Li Qin looked at the three and said.

After being instructed by Li Qin, one of them raised his head, glanced around in the crowd, and immediately locked Liu Zhiyuan: “It was him, this Mr. Liu Zhiyuan, who ordered us to do this.”

“Yes, he gave us three A sum of money, let us play tricks on Miss Li Qin’s equipment, and say that after the success, there will be benefits!” The other swallowed and quickly pointed out.

The last one didn’t speak, but nodded practicedly, and looked closely at Liu Zhiyuan.

What?

Did Liu Zhiyuan really do it?

Hearing the three people’s words, everyone was stunned, and looking at Liu Zhiyuan’s eyes, it became complicated.

“Are you...” Liu Zhiyuan blushed, and just scolded a word, seeing Li Qin’s expressionless face, he swallowed the swear words behind him.

Liu Zhiyuan was used to being arrogant and domineering, but in front of Li Qin, he did not dare to be too presumptuous. After all, the backstage of others was Ziyu Company.

“You three bastards, stop slandering me, do you know who I am? Have you thought about the consequences?” Resisting the urge to curse, Liu Zhiyuan stared at the three of them with a threatening tone.

At this time, Liu Zhiyuan’s expression was ferocious, very scary.

At this time, the grandmother of the Liu family also came over and said solemnly: “This matter is no trivial matter, the three of you must think clearly, is he really the one who asked you to do this?”

Although Li Qin has come forward, the grandmother still I don’t want to believe that Liu Zhiyuan did this.

Seeing the fierceness on Liu Zhiyuan’s face and the sense of oppression coming from the grandmother of the Liu family, the three backstage staff looked at each other with palpitations on their faces.

To tell the truth by himself means to offend the young master of the Liu family.

I’m just afraid that I won’t mix well in the future.

But offending him is better than offending Li Heihu! Who can provoke Li Heihu?

“I have evidence!”

One of them said, and the other two took out their phones at the same time.

“I have a record of Mr. Liu Zhiyuan transferring money to me on my mobile phone!”

“I have it too. I haven’t moved the money yet.”

Wow!

The evidence was in front of him, and people couldn’t help but believe it. At any time, everyone present was in an uproar.

The old grandmother’s face was blue and white, her whole body was trembling with anger, she pointed at Liu Zhiyuan: “Zhiyuan...you...you...why did you do this?”

Liu Zhiyuan opened his mouth and was completely speechless.

At this time, Liu Zhiyuan completely lost his fierce aura, like a deflated ball, and slumped directly on the ground.

Liu Xuan, who had been on the side with a complicated mood, finally breathed a sigh of relief at this moment.

“Miss Li, it’s me who is incapable of discipline. Look at this...” The old grandmother, who was about to faint from anger, looked at Li Qin very embarrassedly.

At this time, the grandmother still wanted to intercede for Liu Zhiyuan.

Although Liu Zhiyuan made a big mistake, it was always in his heart.

Li Qin’s expression was indifferent, and there was no room for negotiation: “The matter is clear, it is your Liu family’s business anyway, you can deal with it, in short, don’t let me down too much.” The

grandmother nodded, her expression embarrassed.

Then he turned his head and glared at Liu Zhiyuan: “You have disappointed me too much, and I have always held you so highly in vain. From today, you are not allowed to intervene in the company’s affairs, and within half a year, you are not allowed to go out, and be honest with me at home. I’m going .”

“Grandma... No, I was wrong.” Liu Zhiyuan begged for mercy with a sad face.

The grandmother ignored him, smiled and said to Li Qin: “Miss Li, are you satisfied with this treatment?”

Li Qin didn’t speak, and looked at Yue Feng.
