

The ultimate husband in Chinese chapter 536-540

Chapter 536

“What’s the secret?” Yue Feng suddenly became interested and asked while sitting beside the bed, brushing the hair of the leader’s wife.

Qin Rongyin smiled lightly, and said like a coquettish: “You go to the bed first, let’s turn off the light and then talk about it.”

“Uh...” Yue Feng swallowed, but took off his clothes, turned off the light and got into the bed.

“What secret?” Yue Feng asked softly in the dark. Curiosity was completely piqued.

Qin Rongyin was in the quilt, holding Yue Feng’s hand lightly, and said, “I heard that the Kunlun faction has privately joined the Apocalypse Continent.”

What?

Kunlun faction? ! Have you taken refuge in the Apocalypse Continent? !

Yue Feng sighed, if this secret were to spread out, I am afraid that there would be an uproar in the martial arts.

The Kunlun faction is one of the six major factions. From the first generation to the present, it has been passed down for dozens of generations for more than a thousand years! It was a well-deserved and upright sect at that time, and was highly respected by people in all corners of the world.

Unexpectedly... the Kunlun faction also secretly defected to the Apocalypse Continent.

Qin Rongyin laughed and continued: “The reason why the head of Kunlun surrendered is because Emperor Tianqi gave him a secret book called “Netherworld Dafa”.”

Netherworld Dafa?

Hearing the name, Yue Feng couldn’t help but muttered, the name sounded very powerful.

Qin Rongyin said, “This ‘Netherworld Dafa’ was an evil practice that was forbidden to practice in the arena long ago. It is said that if you want to practice this practice, you must absorb the essence of a woman every day! A woman who is absorbed in essence will not survive for a day. One night. This evil art has been lost for many years. Unexpectedly, it has reappeared in the arena now. I’m afraid I don’t know how many women will be absorbed by the essence and die.”

Ah? This practice is too sinister, isn't it? To absorb the essence of a woman every day, doesn't that mean that every day a woman must die at the hands of the Kunlun Sect Master?

This chapter is provided by . Visit for daily update.

"Ah." Yue Feng sighed.

The head of the dignified Kunlun, he practiced the secrets of evil arts, and he also became a traitor in the Earth Circle. This is really ironic.

"Yue Feng, you need to know about the rebellion of the Kunlun faction, so don't tell it." At this moment, Qin Rongyin exhorted: "The Kunlun faction's betrayal, this whole continent, is only me and the leader. I know. If this news spreads, Emperor Tianqi will definitely suspect me immediately."

Speaking of which, Qin Rongyin showed a trace of worry: "The most important thing for us now is how to let me leave Tongtian Island safely, and we can't make extra troubles."

Yue Feng nodded: "Madam, don't worry, I will never say anything about this.."

Before he finished speaking, he only felt that Madam's delicate body suddenly threw himself into his arms, and then the red Lips pressed up.

....

Kunlun faction.

One of the six sects, located on the top of Kunlun Mountain.

At this time, in the main hall of the Kunlun School, the head Hu Sanyang was sitting cross-legged, concentrating on his cultivation. What he practiced was the "Netherworld Dafa"!

Ever since he got this secret book, Hu Sanyang has learned and studied it every day, if he is a treasure!

This secret book is really powerful. After training, the strength will be improved! But this secret recipe has only one disadvantage, that is, it must absorb the essence of others every day, and it must be the essence of a woman! If you don't absorb it, you will be poisoned and die!

"Om!"

Hu Sanyang suddenly opened his eyes, his face turned pale! It seems uncomfortable. It's time to absorb the essence of women again!

"Master, Master, hold on, I'm here!"

Chapter 537

At this moment, a disciple walked in quickly. Behind this disciple, there is a young woman tied with five flowers.

"What are you doing, why are you arresting me..." The girl was frightened and trembling all over. She was originally a senior, and she was suddenly arrested while visiting Kunlun Mountains during the weekend.

Hu Sanyang walked over with a smile, and saw that his right hand was slowly raised and landed on the girl's head!

hum!

In an instant, the girl just felt that her mind was blank! I can feel the power in myself, constantly being sucked away!

Chi Chi!

In just one second, the girl fell to the ground at once, as if she had been hollowed out, and her face was bloodless!

And Hu Sanyang's pale face, after absorbing the girl's essence, slowly became normal.

The disciple stood on the side, shocked and excited. He smiled and said, "Congratulations to the master, the magic has gone further!"

He could feel that the master's strength at this time was stronger than before.

Hu Sanyang exhaled softly, a wicked smile appeared on his face. This "Netherworld Dafa" is really powerful. In just one month, he has allowed himself to be directly promoted from the first stage of martial arts to the third stage of martial arts!

At this time, the disciple cautiously said, "Master, do you want to kill this woman?"

Hu Sanyang glanced at the woman, shook his head, and said lightly, "No, just tie her to the back mountain and let her live on her own. Kill yourself. Our Kunlun faction will not kill innocent people indiscriminately."

A woman who has been sucked in by herself will not survive for a day. Even if she doesn't kill her, she can't escape death tomorrow.

The disciple nodded and said again: "By the way, Master, there is one more thing. Just now, the Master Miaoyuan sent a message that just yesterday, all the masters of the major sects of the Tianmen General were caught in the Star Picking Tower, and then ruthlessly He was humiliated. Master Miaoyuan was too angry. He wanted to organize all the sects to eradicate the Heavenly Gate! Master, do we want to go?"

"Go, of course." Hu Sanyang nodded: "Our Kunlun faction has already After defecting to the Apocalypse Continent, of course I want to help the Apocalypse Continent and unify the martial arts! That Tianmen is developing too fast, so it's better to get rid of them! Immediately summon the disciples and follow me to Donghai City."

"Yes!" The disciple responded and left quickly .

As soon as his forefoot left, a happy voice came from the door of the hall: "Dad, are you going to Donghai City? I'm going too!" The

voice fell, and a slender figure ran over, 17 or 18 years old. age, looks youthful.

It was Hu Sanyang's daughter, Hu Linger.

Seeing his daughter, Hu Sanyang's face showed a hint of love: "Linger, father went to Donghai City to do business, not to play."

Hu Sanyang regarded this daughter as the jewel in his palm, and was very doting.

Hearing this, Hu Linger quit, came over and hugged his arm, shaking and saying, "Dad, I'm going. I heard that Donghai City is very interesting, with sea and beach..."

" Good, good, good, take you, take you..." Hu Sanyang's face was helpless, and when his daughter acted like a spoiled child, he had to compromise.

An hour later, Hu Sanyang and Kunlun sent 2,000 elite disciples to Shenglong Lake in Donghai City. Just now, there was news from Master Miaoyuan, who was waiting for him at Shenglong Lake.

—Donghai

City, Xiao family.

Xiao Yuruo was sitting on the sofa in the living room, watching TV, which was playing a popular variety show. But she was absent-minded.

Since the last wedding incident, Xiao Yuruo has lost the news of Yue Feng, and the whole person has lost his soul.

Chapter 538

At this time, Xiao Qingshan walked in. Seeing his daughter's gloomy appearance, he sighed and comforted: "Yu Ruo, do you still think about Yue Feng? He is now a rat crossing the street, and everyone is shouting and beating. The six major factions and each family are thinking about how to get rid of them. Abandon him, such a person will never have a chance to turn over, what is there to worry about? Besides, he colluded with the Palace of Longevity, this is a heinous!"

Xiao Yuruo smiled lightly, but did not speak. In her heart, Yue Feng is the best man, the best man in the world! No matter who said bad things about him, Xiao Yuruo would not believe it.

Seeing her daughter's silence, Xiao Qingshan said anxiously, "Yuruo, don't think about Yue Feng anymore. The weather is nice today. Dad will take you to relax."

Xiao Yuruo still didn't speak, just shook his head.

Xiao Qingshan was a little anxious: "My daughter, is it alright even if my father begs you?!"

"

"I'm begging you, the weather is fine outside today. Dad will take you to the beach..."
Xiao Qingshan said expectantly.

Ugh.

Xiao Yuruo was very helpless, and said lightly: "Okay Dad, don't talk about it, I'll go to change clothes." "Okay

!" Seeing her daughter's agreement, Xiao Qingshan couldn't be more happy. After so many days, my daughter is finally willing to come out to relax.

Three hours later, Donghai City, Shenglong Lake.

Xiao Qingshan and Xiao Yuruo, father and daughter, were walking on the beach of Shenglong Lake at this time.

Xiao Yuruo is no stranger to the place of Shenglong Lake. A few months ago, the outing organized by the major families in Donghai City was held here. At that time, Hao Jian asked someone to play a fake shark, but he did not expect to attract a real shark.

At this time, it has entered the late autumn, but the scenery here is still pleasant. Twenty Mile Gallery, every place is still unforgettable.

"Daughter..."

Seeing the beautiful scenery in front of him, Xiao Qingshan felt incomparably at ease, he said with a smile, "You look at how beautiful the scenery is, if you go out more, your mood will be different. Don't always be bored at home. ."

Xiao Yuruo forced a smile and did not speak.

Xiao Qingshan had to say a few more words, but at this moment, the mobile phone on his body suddenly rang. I took out my phone and saw that it was an antique dealer calling.

After answering the call, I don't know what the other party said. Anyway, Xiao Qingshan seemed very excited and said to the phone: "What, okay, I'll go back!"

After he finished speaking, he hung up the phone and turned to look at Xiao Yuruo: " Daughter, father has to go to Nanyang City. I heard that there are a batch of antiques, jade articles from the Han Dynasty court! I must go and see. If this business is done, our Xiao family can make a lot of money!

Speaking of this, Xiao Qingshan laughed: "Daughter, you stay here, relax and play for a while." After

saying this, Xiao Qingshan hurried away.

Seeing his father walking away, Xiao Yuruo was also expressionless. As she walked slowly along the beach, she couldn't help but think of Yue Feng.

I still remember the last outing, I was chased by a shark in the sea. At that time, the situation was critical, and Yue Feng stood in front of him recklessly, fighting the shark with his bare hands.

The situation at that time was really thrilling. If it weren't for him, he would have been buried in the sea.

The scene where Yue Feng killed the shark and was covered in blood is still vivid in my eyes now! Thinking back on this, Xiao Yuruo felt warm in her heart. But there was a gloomy look on his face. Yue Feng, I'm coming to Shenglong Lake again, but where are you..

"Hahaha!"

However, at this moment, a burst of laughter suddenly came from behind her!

Xiao Yuruo followed the voice and saw that not far away, a man and a woman were walking slowly, talking and laughing.

This man and a woman are Shitai Miaoyuan and Hu Sanyang, the head of Kunlun! The two of them are here, discussing how to destroy Tianmen.

Seeing the two of them, Xiao Yuruo's face showed a trace of boredom.

Chapter 539

This wonderful teacher is always targeting Yue Feng!

At the wedding banquet that day, it was her palm that shattered Yue Feng's heart. So seeing her, Xiao Yuruo was particularly disgusted, and she didn't even want to greet her! So at this time, Xiao Yu was hiding behind a big rock, so that Master Miao Yuan could not see her too much.

"Sect Master Hu, this Heavenly Sect is really hateful!" Master Miao Yuan didn't see Xiao Yuruo, she said to Hu Sanyang.

"Teacher, don't worry, our Kunlun faction will definitely help you get rid of the Tianmen!" Hu Sanyang said with a smile: "By the way, the teacher, Yue Wudi, captured the masters of the major sects alive. Then how did he humiliate you?"

Miao Yuan Shi Taiyu clenched her hands tightly, unable to help but think of the scene from that day. Yue Wudi actually forced himself to marry the real person Lingbao!

This is a shame, a great shame!

Her wonderful predestined teacher is too far and wide, when has she suffered such a humiliation? So she must destroy Tianmen!

Master Miao Yuan was too embarrassed to say it, but he sighed: "Don't mention it."

"Okay, let's not talk about it, let's not talk about it..." Hu Sanyang said again and again.

"I can't spare these two surnamed Yue!" Master Miaoyuan seemed to be talking to himself.

"Two people surnamed Yue?" Hu Sanyang was stunned: "Besides Yue Wudi, who else has the surname Yue, making the teacher too unhappy?" Huh.. Master Miaoyuan breathed a long

sigh

of relief and said: "Sect Master Hu doesn't know anything, besides this Yue Wudi, there is another named Yue Feng, who colluded with the Hall of Longevity. Not only that, but he also defiled his younger brothers and sisters and angered his grandfather to death. This is simply the indignation of human beings and gods, and the sin is unforgivable!

” wind?”

Hu Sanyang frowned and said, “I’ve heard of this person. It is said that at the Lion Slaughtering Conference, Yue Feng’s skills overwhelmed the audience. He’s a talent.”

“He’s a talent, so what can he do? “Master Miaoyuan said too coldly.

Hu Sanyang laughed: “Master, just kill this Yue Feng, isn’t that enough? It’s just to kill the evil in the rivers and lakes.”

Listening to his words, Master Miaoyuan bit his lower lip, a little helpless: “Hu Zhang I don’t know anything about this Yue Feng. I killed him several times without success.”

“Master, since you hate Yue Feng so much, then I will arrest him and let you deal with it!” Hu Sanyang volunteered. Say it. He has now joined the Apocalypse Continent and is guilty of being a thief. So now, he wants to have a good relationship with the major sects, so that the major sects don’t doubt himself.

“Good! Good, good!” Master Miaoyuan was so overjoyed that he couldn’t help but say, “Then I’ll wait for the good news from Hu Sect!

” ! If Yue Feng dies, Father Yue can also die and rest in peace.

Hu Sanyang smiled slightly: “Master, please wait here, I’ll go catch Yue Feng.”

—

At this moment, Xiao Yuruo, who was behind the rock, listened to the conversation between the two, and was so anxious!

That Hu Sanyang is going to catch Yue Feng! I can’t let Yue Feng have another accident, absolutely not!

Thinking to herself, Xiao Yuruo quickly took out her mobile phone and called Yue Feng.

As a result, I called it several times, and they all prompted that the other party had shut down.

Why can’t the phone get through! Xiao Yuruo was about to cry! Since the last time Yue Feng made a big fuss about the wedding, his phone has been unable to get through!

Xiao Yuruo didn’t know that Yue Feng couldn’t get through at that time because Yue Feng was trapped in the peach blossom forest.

And now the phone can’t get through, because Yue Feng spent the night in Tongtian Island last night, and the phone was turned off without charging.

Chapter 540

East China Sea coast.

A ship slowly docked, and Yue Feng walked out of the cabin. He just returned to Donghai City from Tongtian Island.

People are happy when they are happy.

Hearing that Qin Rongyin was pregnant, Yue Feng couldn't be more excited. Last night, I slept with my wife Meimei in my arms, and I felt refreshed today.

At this moment, Yue Feng was standing on the boat, holding a large bag full of herbs. These herbs were picked on Tongtian Island just now.

Walking down from the boat, Yue Feng only felt a sense of hunger. I haven't eaten at all since last night.

Looking around, he saw a small noodle restaurant not far away, Yue Feng walked over directly, thinking about eating a bowl of noodles.

"Boss, please have a bowl of noodle soup."

When he arrived at the noodle restaurant, Yue Feng sat down and said casually.

"Okay, wait a moment." The boss stepped forward and replied with a smile.

Yue Feng took out his mobile phone and thought to scan the code to check out first. As a result, I looked down and saw that the phone had no power at all.

At that time, I could only manage the boss to borrow a charger and charge it while eating noodles.

As a result, Yue Feng was eating the fragrant food. Not far away, there were four guests at one of the dining tables. They were all dressed in uniform and had swords hanging from their waists. They were obviously disciples of the Kunlun School.

The four Kunlun Sect disciples, all holding mobile phones, were taking pictures of Yue Feng.

Nima, is there something wrong?

Yue Feng looked directly at them, and said angrily, "What are you filming? I'm not a star."

The four of them didn't speak, they put down their phones and buried themselves in their meals.

Yue Feng didn't take it seriously and continued to eat noodles.

Fifteen minutes later, Yue Feng was full. He put down his chopsticks, unplugged the phone charger, and prepared to turn on the checkout.

As a result, the phone hadn't been turned on, and only heard a loud shout from the door!

"Yue Feng!"

Hearing this voice, Yue Feng looked back, only to see more than 30 people coming quickly outside the door of the restaurant, the one headed by him had a gloomy expression and a good aura! It was Hu Sanyang, the head of Kunlun!

That's right, Hu Sanyang promised Mrs. Miaoyuan to take Yue Feng back and let her handle it. Therefore, the disciples of the Kunlun School searched for Yue Feng throughout the city. At the dinner table next door just now, the disciples of the Kunlun School immediately informed the head after seeing Yue Feng.

"Go back with me, Master Miao Yuan wants to see you!" Hu Sanyang snorted coldly, and suddenly shot, grabbing Yue Feng directly!

What the hell, the third stage Martial Saint? !

Yue Feng's head hummed, and out of instinct, he grabbed the door and ran away!

"Run?"

Hu Sanyang grinned, his speed suddenly accelerated! He caught up with Yue Feng in an instant, and then, a palm hit Yue Feng's back.

boom!

A muffled sound spread, Yue Feng only felt that the whole person was about to fall apart, spurted a mouthful of blood, and flew more than ten meters away. After breaking a telephone pole, he landed heavily.

Yue Feng fell to the ground, gritted his teeth and wanted to stand up, but Hu Sanyang's palm was so cruel that he almost dissipated his inner strength! It takes at least half an hour to recover!

Hu Sanyang laughed, knocked Yue Feng unconscious with a palm, and then said to the disciples behind him, "Take it away." After the

voice fell, several Kunlun disciples quickly came up, tied Yue Feng with five flowers, and quickly followed Hu Sanyang away.
