Chapter 546 As

he spoke, Yue Feng kept kowtowing, and in a blink of an eye, his forehead was already bleeding. But he felt no pain at all.

Ouyang Zhennan's face was distressed, and he quickly helped him up. Turning around and seeing Xiao Yuruo's face, she couldn't help but be taken aback.

Ouyang Zhennan looked at Xiao Yuruo in surprise, very shocked: "This girl, the essence of her body has been absorbed by others?"

"Father, is she saved..." Yue Feng said anxiously, looking forward to it!

Ouyang Zhennan's face changed and his tone was solemn: "It is rumored that hundreds of years ago, there was a yin and evil exercise in the rivers and lakes called "Netherworld Magic". Injured by Gong?"

Speaking of which, Ouyang Zhennan couldn't help but sighed: "This practice is very sinister, the essence is sucked, like the oil is exhausted, and no one can solve it."

What? !

Yue Feng's body trembled, his eyes instantly turned red, and he fell to his knees crying: "Foster father, you must find a way, I beg you, I beg you..."

Ouyang Zhennan helped him up, With a face full of helplessness: "Xiaofeng, foster father really can't do anything. He has absorbed the essence and can't live. Looking at the state of this girl, at most she can last until tonight. I think...you should prepare for her. Let's do it."

"Boom!"

At this moment, Yue Feng seemed to have lost all his strength, slumped to the ground, and was instantly desperate.

If the adoptive father can't be saved, then there is really no way.

"Yue Feng..." At this moment, Xiao Yuruo opened her lips slightly and squeezed out a smile: "I'm a little tired, I want to rest for a while."

Yue Feng's nose was sore, and he nodded: "Okay, okay, I'll do it right now. I'll take you to rest." After

speaking, she hugged Xiao Yuruo.

As soon as he walked to the entrance of the hall, Ouyang Zhennan suddenly stopped him: "Xiaofeng, please accompany this girl and ask her if she has any unfulfilled wishes... ah."

At the end, Ouyang Zhennan didn't feel good in his heart either. He didn't say the last sentence and let out a long sigh.

Yue Feng nodded silently, hugged Xiao Yuruo, and returned to his room.

After entering the door, Yue Feng gently placed Xiao Yuruo on the bed and covered her with the quilt carefully.

With a smile on Xiao Yuruo's pale face, she grabbed Yue Feng's hand.

"Yue Feng, do you remember that outing?" Xiao Yuruo said softly, the whole person was weak, but there was a gentle smile on his face.

"In that outing, you caught the shark alone, don't mention how majestic." Xiao Yuruo said softly.

She knew that she was going to live soon, and she didn't want to see Yue Feng feel uncomfortable, so she wanted to talk about some light topics.

Yue Feng didn't speak, just looked at her so affectionately, his face full of affection.

Xiao Yuruo was immersed in good memories and continued softly: "During that outing, Sun Dasheng's wife was poisoned, and everyone panicked. You saved people by refining alchemy on the spot. Those people laughed at you at that time, but you took it out. When the pills were taken, those people were dumbfounded."

At this time, Xiao Yuruo looked at Yue Feng, her pale face revealed her love: "You know, from then on, you are in my heart. You are a hero, a man who stands above the ground, no rich young master can compare to you."

At this moment, Xiao Yuruo said a little excited, and her breathing became a little short.

Yue Feng was startled, and quickly said: "Yu Ruo, don't talk about it for now, you have a good rest."

When he was talking, Yue Feng felt that his heart was being held tightly.

Yuruo only has the last ten hours of life left, and even she can't save her. What kind of hero is she, what kind of man is she?

Xiao Yuruo shook her head, her eyes flashing with brilliance: "I still have a lot of things I want to tell you. I can't finish them all in my life. If I don't say them now, I'm afraid I won't have a chance in the future."

Chapter 547

"Okay."

With tears flashing in Yue Feng's eyes, he nodded with a smile: "Tell me, I'll listen."  
After speaking,

he gently held Xiao Yuruo's jade hand.

At this moment, the atmosphere in the room was extremely warm, but in the warmth, there was a faint sense of desolation.

Xiao Yuruo smiled, looked closely at Yue Feng, and said softly, "Yue Feng, before Liu Xuan had a bad relationship with you and had a bad attitude towards you. I was very anxious, and at the same time I envy her, I often think It would be great if you were my husband, no matter what the public opinion on the outside said, no matter how others looked down on you, I would stand by your side." After speaking

, Xiao Yuruo let out a light sigh of relief: "But now I know that you and Liu Xuan The relationship is getting better and better. At that time, you were stabbed by Master Miaoyuan, and Liu Xuan hadn't slept for two days and two nights. I knew that she cared about you very much, really cared about you, with such a good wife, in Take care of you by my side, accompany you..I'm relieved...you know..My biggest regret in my life is not being able to marry you. I'm really sorry, really sorry."

Xiao Yuruo at this time , I feel very tired, very tired, I really want to sleep well.

But she didn't dare to close her eyes, she was afraid that she would fall asleep and never see Yue Feng again.

Hearing these words, Yue Feng's heart was up and down, and his tears could no longer be controlled. He slid down his face, held Xiao Yuruo's hand tightly, and said astringently, "Yuruo, I'm sorry... It's all my fault..."

thump.

At this moment, Yue Feng knelt on one knee on the ground all of a sudden, with tears in his eyes full of true love: "Yuruo, marry me."

"Yue Feng..."

Xiao Yuruo's delicate body trembled faintly, her eyes were full of tears. It was shock and joy again: "You..."

"Yuruo, are you willing to marry me?" Yue Feng repeated it again, his face full of determination!

At this moment, Xiao Yuruo's pale face was filled with a happy smile, almost without hesitation, she nodded firmly and said, "I do."

In this life, she has made a big wish to be Yue Feng's wife and be with him forever. Together. How could you not want to!

"You agreed? That's great." Yue Feng was extremely excited, smiling happily, and stood up, wiping away his tears: "You promised me, don't regret it."

Xiao Yuruo smiled shyly, but did not speak.

At this time, Xiao Yuruo was lethargic and pale, but because of her joyous mood, she gave people a different kind of beauty, and the beauty was dizzying. Yue Feng stared blankly for a few seconds, and after regaining his senses, he scratched his head and said, "Then we will marry at the church tonight." "Yeah!" Xiao

Yuruo replied softly, her face showing infinite shyness. Although I only have one day left, but on this day, it is worth dying to be able to marry him. But Xiao Yuruo looked around and said softly, "But if you want to get married, you need a lot of things, you have to have red flowers, you have to have red window paper... We don't have anything..." "Yes, look at my brain. Yue Feng couldn't help but patted his forehead, smiled embarrassingly, and quickly said: "How can I wrong my wife, I'll go out to buy it." After he finished speaking, he turned around and prepared to go out. However, before reaching the door, Yue Feng suddenly stopped and turned his head to look at Xiao Yuruo with a worried expression: "Yuruo, you are alone..." She is too weak now, in case she is not there, she suddenly leaves situation, what should I do...

Feeling Yue Feng's deep concern, Xiao Yuruo smiled softly and said softly: "Don't worry, I'm fine, you can go, I will wait for you to come back, and I want to marry you..." The

one who said this At that time, Xiao Yuruo couldn't help but feel joy.

Yue Feng's nose was sour, he nodded, said nothing, and went out quickly.

Chapter 548

Evening.

Yue Feng returned to Ouyang's mansion, sweating profusely, carrying several large bags.

He bought a lot of wedding supplies, red candles, phoenix crowns, red lanterns...

Yue Feng took these things and trotted all the way into the mansion. There is not much time left for yourself, you must cherish every minute and second with Xiao Yuruo.

When he was about to get to the room, he saw Ouyang Meihui walking towards her from not far away.

"Brother!" Ouyang Meihui called out and asked with a smile, "Brother, why did you buy so many things? What are they all? Is it a gift for me?"

Just heard from the housekeeper that Yue Feng is back, Ouyang Meihui was very happy and came over to find it.

Yue Feng smiled and said, "Brother is getting married today, these are all things for marriage."

"Wow, get married!"

Ouyang Meihui was stunned for a moment, then she said excitedly: "Brother is getting married, there will be many guests. It will be very lively!"

Yue Feng gritted his teeth and shook his head: "My brother doesn't like liveliness. No one will tell anyone about this marriage. Only you know."

Hearing this, Ouyang Meihui jumped excitedly. Get up: "Brother, is it really only me who knows! Then can I attend your wedding?"

After saying this, his eyes were full of urgency.

Yue Feng sighed and smiled bitterly: "Come on." After speaking, he returned to the room.

It also takes some time to deploy the wedding room.

It happened that I asked my little sister to help me, so I could make time for myself to accompany Xiao Yuruo.

Ouyang Meihui was overjoyed, and happily followed. She didn't know that Xiao Yuruo was seriously injured and would not survive tonight.

Xiao Yuruo was looking forward to it in the room, and when she saw Yue Feng coming back, a smile appeared on her pale face. But the next second, seeing Ouyang Meihui behind him, he was stunned for a moment: "This child is..."

Yue Feng smiled: "This is my sister-in-law, knowing that we are getting married, she came here to help."

Xiao Yuruo nodded, feeling Ouyang Meihui's youthful vitality, she couldn't help smiling and admiring: "You sister-in-law, you are very likable." After the

voice fell, Ouyang Meihui said sweetly: "Sister-in-law, you are also very beautiful, my brother. What a blessing to marry such a beautiful bride!"

Yue Feng and Xiao Yuruo looked at each other and smiled, neither of them said a word. After a long time, Yue Feng handed the big red happy words and decals to Ouyang Meihui: "Little sister, leave it to you, help me decorate it more beautifully."

"Okay!" Ouyang Meihui took it with a smile and began to post the happy words, hanging colorful flowers, busy up.

Xiao Yuruo bit her lip and said softly to Yue Feng: "Yue Feng, you, can you promise me one thing..."

"Yes! Don't say one thing, even if it is 10,000, I will agree!" Yue Feng said decisively.

Xiao Yuruo squeezed out a smile: "Tonight we get married, can we... can we not cry... I want to marry you beautifully in the last few hours of my life... marry you happily... me I don't want to cry."

"Okay.." Yue Feng's nose was sour, and he carefully helped Xiao Yuruo out of the bed: "Yuruo, we are getting married today, I'm so happy, how can I cry.. Look, I'll give it to you. You have bought a lot of wedding dresses, which one do you like."

After speaking, he opened the bag on one side and took out the wedding dresses, more than 20 sets, each of which was very valuable.

"Yue Feng..."

Xiao Yuruo was stunned for a moment, unable to hide the joy in her heart, and said softly, "Why did you buy so many?"

With so many wedding dresses, which one do you want to wear?

Yue Feng smiled, his eyes full of affection: "Today is the big day of our wedding. Of course, my bride must be beautiful! She's even more beautiful than the last time."

The last time Yue Feng said it was naturally Xiao Yuruohe Yu Yang's wedding.

Chapter 549

Hearing these words, Xiao Yuruo snorted: "Don't mention this spoiler."

In her heart, Yue Feng was the one who she had to entrust her whole life to. The last wedding with Yu Yang didn't count at all.

Snapped.

Yue Feng came to his senses, and quickly slapped himself in the face: "Look at my mouth, it's time to hit."

It really is a pot that can't be opened and raised!

Xiao Yuruo was very distressed, and quickly pulled his arm: "Fool, why are you hitting yourself?"

Speaking of which, she held Yue Feng's face in her jade hand, and was so anxious: "Does it hurt..."

Yue Fengyao Shaking his head, he said with a smile, "It doesn't hurt at all. With my handsome face, I don't want to hit hard."

Pu Chi...

Hearing this, Xiao Yuruo was suddenly amused.

At this time, Yue Feng pointed at the wedding dresses: "Let's see which one you like."

Xiao Yuruo smiled and nodded, and chose the one she was most satisfied with. Yue Feng quickly brought it over and carefully replaced it for her.

When Xiao Yuruo changed into her wedding dress, Yue Feng looked dumbfounded.

Putting on the wedding dress, Xiao Yuruo's entire temperament has changed. The tailoring of the wedding dress perfectly sets off her graceful curves. Although her face is pale, her frown and smile are suffocating. beautiful.

Seeing Yue Feng in a daze, Xiao Yuruo couldn't help laughing and said, "How is it?"

As she spoke, she turned around in the same place, but she was too weak, and when she turned halfway, she was about to fall over.

Yue Feng hurried over and held her up, feeling extremely painful in his heart.

“Yuruo...you...”

“I’m fine.” Xiao Yuruo stabilized her body and looked at the make-up mirror with a smile: “I, I haven’t made up yet, I want to marry you beautifully...”

“I’ll help you ..” Yue Feng clenched his fists, and he was about to stop crying. The voices were a little choked. He helped her to the dressing table.

“You are not allowed to cry, you promised me just now.” Xiao Yuruo looked at his red eyes and said softly. Immediately after picking up the paintbrush, she began to look in the mirror and put on makeup seriously.

Yue Feng quietly stood behind and watched.

In the blink of an eye, after applying Fendai, Xiao Yuruo’s pale complexion suddenly looked extremely charming.

Xiao Yuruo’s heart was filled with joy, she looked back at Yue Feng and asked with a smile, “How do I look now?”

Yue Feng’s eyes were red, tears blurred his vision, and he didn’t dare to look up at Xiao Yuruo, just said softly. : “It’s so beautiful, all the brides in the world can’t compare to you.”

If Xiao Yu saw him like this, she gritted her teeth, pretending she didn’t see it, forced a smile and said, “Tell me, what will our children be called in the future? “

Yue Feng burst into tears, but didn’t want to spoil the atmosphere, he just deliberately teased: “Our sons and daughters, the names must be novel. The son’s name is Yue Lai, and the daughter’s name is Yue Hao. Their combination is getting better and better. .”

Hearing Yue Feng talking nonsense, Xiao Yuruo had a smile on his face. But at this time, he couldn’t hold it any longer and burst into tears.

“Wow..”

Yu Ruo cried heartbreakingly, her heart broken.

Whether he can survive tomorrow is unknown.

What else to talk about, what to talk about children.

“If Yuruo doesn’t cry, if Yuruo doesn’t cry...” Yue Feng hugged her and muttered, “You won’t die, you won’t die, we will all be fine...we There will be many more children.”

Chapter 550

“Well, I don’t cry, I don’t cry...” Xiao Yuruo wiped away her tears and said with a smile:  
“Okay, let’s start worshipping.”

“Okay!” Yue Feng took her hand and stood up slowly up.

At this time, Ouyang Meihui arranged the room, and the room was full of red and beaming.

Seeing the two kneeling down, Ouyang Meihui said happily: “Do you want to worship? Great, I’ll be your witness!”

After speaking, Meihui jumped over and shouted with a smile: ” Today, my brother and sister Yuruo become husband and wife, and it is a joy to congratulate, and the heaven and the earth are the evidence...to worship the heaven and the earth.”

Yue Feng and Xiao Yuruo smiled at each other, held hands and clasped their fingers together, and bowed down.

At this time, Ouyang Meihui shouted again: “Two worship to the high hall.”

Hearing this, Yue Feng and the two went to worship in the direction of Donghai City.

At this moment, Yue Feng clearly felt that Xiao Yuruo’s delicate body was trembling faintly, obviously restraining her inner emotions.

There is only one daughter in the Xiao family, and Xiao Yuruo naturally hopes that she will marry Yue Feng today and be blessed by her father, but now in this situation... I don’t know how long I can live, so I can only regret it.

After the couple bowed, Yue Feng pulled Xiao Yuruo to stand up. Unspeakable sour complex.

At this moment, Ouyang Meihui said with a smile: “Brother, you and this sister are really a match made by nature, so enviable. The little sister is here, I wish you a good relationship for a hundred years and grow old hand in hand.”

“Okay. , well, join hands to grow old...” Xiao Yuruo’s tears couldn’t stop falling.

Ouyang Meihui was stunned for a moment, a little panicked, and couldn’t help but ask, “sister-in-law, what’s the matter with you?”

This...what’s the matter?

Did you say it wrong.

Huh..

Yue Feng took a deep breath, endured the pain in his heart, and squeezed out a smile: "It's okay, I'm so happy today."

Ouyang Meihui nodded suddenly, but she was still a little surprised.

Shouldn't you be smiling when you are happy? Why is Sister Yuruo crying?

It's really strange..

While thinking about it, Mei Hui smiled and said, "Okay, brother and sister-in-law, you can enter the bridal chamber, I won't disturb you." After speaking, she turned around and went out the door.

At this time, Yue Feng felt that Xiao Yuruo's spirit was getting worse and worse, and he was very distressed. He said softly, "Yuruo, go to bed for a while."

Xiao Yuruo nodded, her jade arm was around Yue Feng's neck, and he let him Hold yourself on the bed.

After lying down, Xiao Yuruo said in a low voice, "You also come up and have a rest. Last night you carried me and ran all night, and you were tired."

Yue Feng smiled and nodded: "Okay."

At this time, both of them were the same. Thoughts, no matter what happens in the future, at this moment, we must cherish every second we have together.

Having said that, Yue Feng is about to lie down.

However, at this moment, the door was suddenly pushed open!

Squeak –

only saw a slender and charming figure, slowly walked in.

It was Jiang Shan.

"Aunt Jiang?" Seeing her, Yue Feng was stunned for a moment. He quickly stood up and asked, "Aunt Jiang came over suddenly, is there something wrong?"

Xiao Yuruo's delicate face changed, and she was a little embarrassed. After all, this is someone's home.

Jiang Shan looked around, looking at the big red happy words posted on the surrounding walls, a look of surprise on her face: "Did you get married just now?"

Although she was a little surprised, Jiang Shan didn't mean to blame.

"Yes." At this moment, Yue Feng nodded and smiled bitterly: "She has been sucked in, and time is running out. We both love each other and don't want to leave any regrets."

Hearing this, Jiang Shan nodded silently and said: "Xiaofeng, I can see that you are a kind and righteous person, but you don't need to be too sad, this girl may still have a chance."

What?

Yuruo is still alive?

At this moment, Yue Feng trembled and shouted anxiously: "Aunt Jiang, tell me quickly, how can I save Yuruo?"

Jiang Shan smiled slightly, shook her head and said, "I can tell you, how can I save you? She. But I want to explain in advance that you don't have too much hope for the method I said. "
