

## The ultimate husband in Chinese chapter 576-580

### Chapter 576

“You said, you let me go, what conspiracy is there?” Zhou Qin gritted his teeth and kicked Wen Wan again.

However, Wen Wan at this time had already fallen to the ground, her breath was weak, and the grass was stained red with blood. The sword just now pierced her, but Zhou Qin’s kick made her blood flow even more.

“You Palace of Longevity, there is no good thing! Find a good man to marry in your next life, don’t marry a scum again.” Zhou Qin said coldly.

Seeing that Wen Wan didn’t have the strength to speak anymore, Zhou Qin took back the long sword with a cold face, and ran down the mountain without looking back.

She killed Wen Wan and never regretted it! Originally, he was caught on Changsheng Island, and there was a resentment in his heart that had nowhere to vent. This Wen Wan is the wife of the palace master, and killing her is also considered to be an eradication for the world. Anyway, the Hall of Longevity is not a good person, and she deserves to die!

....

the main hall of the Hall of Longevity.

The three brothers drank a lot, and there were several empty jars under the table.

After three rounds of drinking, the three Yue Feng brothers were enjoying themselves. At this moment, Yue Feng’s cell phone suddenly rang.

When I took it out, it turned out to be Duan Feng.

At that time, Yue Feng was shocked. Duan Feng won’t call himself if he’s okay, won’t there be a problem with Tianmen? Thinking in his heart, he quickly pressed the answer button.

As soon as the call was connected, Duan Feng on the other side of the phone excitedly said: “Sect Master, there is good news!”

Hearing his excited voice, Yue Feng breathed a sigh of relief and smiled: “What good news, speak slowly.

Duan Feng nodded and said: “Sect Master, after these days of investigation, my subordinates have learned good news. It is said that there is a thing in the world called

the Phoenix Gallbladder. It is rumored that the Phoenix Gallbladder captures the essence of the world and has the ability to bring back the dead . Effective. It can save Miss Xiao!”

“What!” At this moment, Yue Feng was extremely excited: “What you said is true?!”

“It is absolutely true! Sect Master!” Duan Feng said respectfully: “Phoenix courage, you can save Miss Xiao! This subordinate can. Guarantee with your life!”

Since the last time Yue Feng called him and asked him to check the rivers and lakes, whether there was any way to save Xiao Yuruo.

In the past few days, Duan Feng and many disciples of Tianmen have been almost non-stop around the clock.

When Duan Feng said this, he sighed and felt a little embarrassed: “But...but the sect master...that phoenix courage, there is only one in the whole world, in the Kunlun School... it is the treasure of the Kunlun School. Can they give it to us? “Miss Xiao, wasn’t she injured by the head of Kunlun? I’m afraid that Hu Sanyang, head of Kunlun, won’t hand over the phoenix courage.”

Hearing this, Yue Feng’s face suddenly changed, and his fist Holding it tightly, he said solemnly, “He has to give it, and he has to give it if he doesn’t!”

After saying that, he hung up the phone.

At this moment, Yue Feng clenched his fist tightly. Unexpectedly, the only way to save Xiao Yuruo was the treasure of the Kunlun faction, Phoenix Gall. It really is a narrow road for enemies.

It seems that he and the Kunlun faction must have a deadly battle!

At this time, Sun Dasheng and Wen Chou Chou looked at each other, and when they saw Yue Feng’s expression was wrong, they couldn’t help asking: “Fengzi, what’s wrong? Who called?” Huh

.

Yue Feng took a deep breath and smiled bitterly: “To tell you the truth, I have a beloved woman. In order to save me, Hu Sanyang of the Kunlun faction absorbed the essence...” In the next few minutes, Yue Feng explained the situation.

Snapped.

As soon as he finished speaking, Wen Chou Chou slammed down the table and cursed with contempt: "Tema's, that old bastard Hu Sanyang, I have long disliked him, this old boy is so despicable, right? My brother's woman started."

Chapter 577 The

head of the dignified Kunlun, learning the evil martial arts of Netherworld Dafa, and even saying that he is a famous and decent!

Sun Dasheng was also full of anger, gritted his teeth and said, "Fengzi, don't think too much, I'll go find Hu Sanyang with you tomorrow!"

"Yes."

Wen Chouchou nodded in agreement: "I'll go too, tomorrow we three brothers will be together. ."

Hearing this, Yue Feng nodded, and was moved beyond words. It is enough to meet these two brothers in this life.

"Ah? Why hasn't Madam come yet?" At this moment, Wen Chou Chou frowned and asked the maid.

How long has it been, why hasn't it come yet?

The maid hurriedly said: "Palace Master, Madam said just now that you will come after you finish cooking that dish. It stands to reason that it should have been done long ago, why don't you...let me go over and shout again?"

Wen Chou Chou waved his hand: "Forget it, Don't rush, we are finished."

Madam must be tired after cooking so many dishes just now.

Yue Feng nodded and smiled and said, "Yes, don't let my sister-in-law come out. In order to entertain the two of us, my sister-in-law has also worked hard today."

While talking, the three brothers touched a few more glasses. Until ten o'clock in the evening, the three brothers had almost finished drinking, and Wen Chou Chou was too drunk to get under the table.

"No, I can't drink anymore.." Wen Chou Chou said in a daze. He usually doesn't drink much, but today the three brothers sworn together, of course they want to drink to their heart's content.

"Haha, Brother Wen, you can't drink enough." Sun Dasheng laughed, but his drinker and Wen Chou Chou were also half a pound, so he couldn't stand still.

“Fengzi, Great Sage, wait for you two, wait for me to practice drinking, and get down next time.” Wen Chou Chou laughed and put his hands on Yue Feng’s shoulders: “Come on, two brothers. , I’ll take you back to your room.” The

good brothers are together, and the topic can’t be finished, so when we return to the room, we must have a good chat for a while.

Sun Dasheng laughed and said with a smile: “Brother Wen, you are on the Longevity Island, anywhere is good, but there is no electricity, and there is no light at night. It seems that we will go back to the room in a while, and we can only talk by candlelight. Haha!” The

voice fell, and the three of them put their hands on their shoulders and went to the backyard talking and laughing.

It was already late at night, and the moon was in the sky.

Go through the hallway and come to a trail. The three of them were chatting happily, when Sun Dasheng suddenly stopped and pointed to the grass not far away: “Brother Wen, Fengzi, there seems to be a person lying there. Nima, I am dazzled.”

After saying this , Sun Dasheng couldn’t help rubbing his eyes.

That’s right, there really is one person!

At this time, Wen Chou Chou and Yue Feng also looked over, and in an instant, both of them were stupid!

On the downhill path not far away, there was a figure lying quietly, and I could vaguely see that she was still wearing an apron.

Wen Chou Chou frowned and walked over quickly, at this moment, the whole person was stunned.

It is gentle.

I saw Wen Wan was covered in blood, and the wound on her chest pierced her whole body. Her body was dyed red, and she had already lost her breath.

“lady...”

Chapter 578

“Mrs..Mrs..”

Wen Chou Chou collapsed in an instant, shouted, and hugged Wen Wan tightly in his arms, bursting with tears and grief!

Lu Changqing's death has made Wen Chouchou difficult to accept.

The three brothers had just sworn in, and they were excited and excited, and it was difficult to dilute the sadness. But at this moment, seeing his wife lying in a pool of blood, Wen Chou Chou only felt that his entire world had collapsed!

"Madam, don't scare me, okay, I beg you to open your eyes, I beg you..." Wen Chou Chou's voice was hoarse, and his whole body was shaking!

At this moment, Yue Feng and Sun Dasheng were also blank in their minds, and they were instantly sober from their drunkenness!

Brother Wen said that his sister-in-law lives on Changsheng Island all the year round. Moreover, the sister-in-law is now the wife of the palace master, and her status is respected. Who will kill him?

Yue Feng and Sun Dasheng looked at each other with anger on each other's faces!

When I was drinking just now, Brother Wen also said that it was not easy to get together with Wen Wan, and he said he was ashamed of Wen Wan. In a blink of an eye, Wen Wan fell into a pool of blood!

"Madam, I beg you, I beg you don't leave me, I beg you to open your eyes, okay.. I beg you..." Wen Chou Chou burst into tears, his hoarse voice cut through the sky, grief Extremely!

"Brother Wen, the stone next to it seems to have characters on it." At this time, Yue Feng suddenly called out.

That's right, next to Wen Wan, when there is a half-meter high piece, there are three lines of characters written with blood on it. Obviously, Wen Wan left it with her own blood before she died!

Wen Chou Chou with tears in his eyes, looked at the stone.

The blood-red three-row characters defeated Wen Chou Chou's last line of defense. All his strength, after seeing those three lines, completely collapsed!

'Marry you'

'I have no regrets'

'Xianggong, Xianggong, see you in the next life.'

“Wow!” At this moment, Wen Chou Chou was completely dumbfounded, lying on the stone and crying bitterly!

These blood words are written gently.

Wen Wan knew that she couldn't live, so she stained her own blood and left a last word to Wen Chou Chou!

These three rows of bloody words are heartbreaking!

“Ah!” Wen Chou Chou clenched his hands tightly, punched the stone one after another, and cried, “Madam, I want you to come back to life, I don't want you to die, I won't allow you to die! I haven't taken you to see the maple leaves, I haven't taken you to see the snow-capped mountains, I haven't taken you to many places, I don't allow you to die, I don't allow you to die... Did you hear that?”

Tears poured out Falling down, I don't know how long I cried, a drop of blood fell from Wen Chou Chou's eyes and dripped onto Wen Wan's body!

cry blood!

Heartbroken, tears have dried, he cried blood!

Yue Feng clenched his fist tightly, his heart was cut like a knife! Brother Wen in front of him, how sad must he be to cry blood!

Hearing Wen Chou Chou's mournful cry, many disciples and maids in the Hall of Longevity rushed over.

Seeing the gentleness in Wen Chou Chou's arms, everyone froze there, at a loss.

Wen Wan is usually very gentle, and she is very kind to servants and maids. Nowadays, these maids feel extremely uncomfortable when they see something wrong with their wife, like a big stone has been pressed down.

“Palace Master, look what this is!”

Just then, a maid stepped forward and found a jade pendant in the grass.

Wen Chou Chou picked up the jade pendant, and his eyes were red! This jade pendant has the word Emei written on it! It is a token of the Emei faction!

Chapter 579

Do you still need to think about it? It must be someone from the Emei faction who killed Wen Wan and accidentally dropped the jade pendant! In the entire Changsheng Island, there is only one woman from the Emei School tonight! That is Zhou Qin!

Yue Feng on the side also took a deep breath. He had seen this jade pendant. For the first time at Zhou Qin's house, when Zhou Qin revealed his identity as a disciple of Emei to himself, he had shown this jade pendant to himself.

"Go, go see that Zhou Qin, is he still in the room. Go!" Wen Chou Chou shouted desperately, tears streaming down his face!

"Yes, yes.." Several maids agreed hurriedly, and hurried to the backyard.

After a while, the maids came back, each with a terrified face, and whispered back: "Reporting to the hall master, that Emei female disciple, has broken off the rope and escaped."

Hearing the report, Wen Chou Chou was trembling all over , roaring like crazy: "Emei, I want all your disciples to be buried with you, and I want all of your disciples to be buried with my wife!"

Wow!

I don't know if it touched the sky, the voice fell, the dark clouds rolled in the sky, and the rain was majestic!

Wen Chou Chou hugged Wen Wan tightly, stood up slowly, her eyes were extremely blood red, and walked to the backyard step by step.

....

on the other side.

Zhou Qin escaped from Changsheng Island and sailed on a fishing boat on the vast sea.

At this moment, Zhou Qin sat quietly on the deck of the ship, looking at the island of Longevity that was drifting away, with a certain determination on her perfect face.

Just stabbed Wen Wan with a sword, Zhou Qin didn't regret it at all. There is no evil in the Hall of Longevity, and all those who are related to the Hall of Longevity should die.

At this moment, Zhou Qin took a deep breath, looked at Changsheng Island and muttered to himself: "Yue Feng, goodbye!"

Although I took and stole your scriptures and treasure armor, you are not a good person. Take these treasures and save you from harming the rivers and lakes.

Since ancient times, right and wrong have been at odds with each other. You are from the Hall of Longevity, and I am a disciple of Emei. From then on, the relationship between you and me will be completely separated.

After murmuring these words, Zhou Qin's expression was extremely firm, but there was some inexplicable sadness in his heart.

Finally, I don't know how long it was sailing at sea, the fishing boat slowly arrived at the port of Donghai City.

After getting off the boat, Zhou Qin couldn't care less about her exhaustion, so she stopped a taxi and went to find her master.

Yue Family Courtyard.

Master Miao Yuan was sitting in the pavilion, holding a letter written by the head of Emei in her hand.

Last time, Tianmen Yue Wudi used soft fragrance powder to capture the major sects alive. It caused public outrage in the rivers and lakes, and now the masters of the major sects have gathered in Donghai City to discuss how to encircle and suppress Tianmen.

However, the head of Emei was in a critical period because he had to retreat and practice, and he could not come.

So I ordered Master Miao Yuan to handle these matters on behalf of the head.

"Master..."

At this moment, Zhou Qin walked quickly and walked into the courtyard.

When he got to the front, Zhou Qin was both happy and emotional, and suddenly jumped into the arms of Master Miaoyuan, crying: "Master, I thought I would never see you again.

", The beautiful face is also indescribably tired, and Master Miao Yuan is very distressed. He stroked the top of Zhou Qin's head and said softly, "Qin'er, what's wrong? Tell Master, where have you been these past two days? Are you busy with work?"

"No, I quit my job a long time ago." Zhou Qin Biting his lip, he said.

When it came to being caught on Changsheng Island, Zhou Qin had mixed feelings, and couldn't help crying out loudly, and told the story of Changsheng Palace's arrest of her.

After narrating, Zhou Qin wiped away his tears, bit his lip and said, "Master, you are right, that Yue Feng really colluded with the Hall of Longevity! No wonder he released the Golden Lion Dharma King at the Lions Slaying Conference. Really scum!"

## Chapter 580

Hearing Zhou Qin scolding Yue Feng, a smile appeared on the face of Master Miao Yuan, and she said softly: "Qin'er, you finally figured it out, I'm very happy for the teacher, I said earlier, that Yue Wind is not a good thing, it's a complete beast."

After speaking, Master Miaoyuan's eyebrows were tightly knitted together: "A Yue Feng from the Hall of Longevity, and a Tianmen Yue Wudi, these two Yue people are really two worms in the rivers and lakes. "

Zhou Qin didn't speak, just nodded in agreement.

At this time, the master patted Zhou Qin's shoulder: "Qin'er, we have to get rid of the Hall of Longevity, but now, there is one more important thing. These days, the major sects should discuss together at the Shangwu Academy." Zhu Tian' plan, you will go with Master tomorrow."

Zhu Tian's plan?

Hearing this, Zhou Qin was stunned for a moment, with a confused look on his face.

Master Miaoyuan smiled softly and said, "The plan to kill the heavens is the plan to destroy the heavenly gate. The master of the heavenly gate, Yue Wudi, has acted daringly and humiliated the six major factions of me. If we do not destroy the heavenly gate, it will be hard to understand the hatred in everyone's heart!"

The most irritating thing was that, under the persecution of Yue Wudi, he and the Daoist Lingbao of the Wudang faction, in front of the martial arts comrades, were married.

Every time I think of this, Master Miao Yuan always feels ashamed!

You must kill Yue Wudi with your own hands! Must kill him!

Zhou Qin quickly stepped forward: "Master, then I will accompany Master tomorrow. Discuss with the major sects to destroy the Heavenly Gate.

"You are the senior sister of Emei, you must remember that good and evil are clearly defined, and in the future, you must punish evil and promote good. The future of the Emei School will depend on the younger generation of you."

Feeling the expectations in Master's eyes, Zhou Qin was both moved and excited, nodded and said, "Master, rest assured, this disciple will do everything in his power to carry forward the Emei School."

...

Longevity Island.

Yue Feng and Sun Dasheng hardly slept all night. Can't sleep at all.

Wen Chou Chou hugged Wen Wan, buried her in the back mountain, and spent the night with her at the grave.

Within a day, Hall Master Lu and Wen Wan left him one after another, and Wen Chou Chou had completely collapsed. Coincidentally, it was raining heavily last night. The next morning, several maids went to the back mountain and found that Wen Chou Chou had fainted and had a high fever.

Later, he invited two doctors and prescribed some medicine to Wen Chou Chou before he woke up.

Yue Feng and Sun Dasheng went to visit and saw Wen Chou Chou lying on the bed, looking haggard and ugly.

Seeing him like this, Yue Feng and Sun Dasheng felt uncomfortable. He could only say goodbye to Wen Chou Chou temporarily and left Changsheng Island. Originally, the three brothers went to Donghai City together and asked Hu Sanyang, the head of Kunlun, to ask for a phoenix gall.

As a result of this incident, Wen Chou Chou's mood fell to the bottom, and Yue Feng was not easy to invite.

Leaving the island and getting on a big boat, Yue Feng sat on the deck of the boat and called Duan Feng.

After connecting, Duan Feng respectfully said: "Sect Master."

Hu...

Yue Feng took a deep breath and asked, "Where is the head of the Kunlun faction now?"

Duan Feng hurriedly said: "Reporting to the sect master, these days, Kunlun's palm Menhu Sanyang seems to have been in the Martial Arts Academy."

"Okay. I understand." After Yue Feng finished speaking, he was about to hang up the phone.

In the end, before he could hang up, he heard Duan Feng say: "Sect Master, just yesterday, my subordinates led the disciples of Tianmen to destroy the Shenhuotang. This Shenhuotang was a local snake in Youzhou City. The subordinates heard that Shenhuo There is no evil in the hall. The hall master is lustful and gambling! In order to make money, he has done a lot of things that are inferior to livestock, and even ruined his life! His subordinates killed him on the spot! Last night, his subordinates have been cleaning up the battlefield, That's why I report to the sect master at this time, and ask the sect master to forgive me!"

"What's your sin?" Yue Feng smiled comfortably: "Remember, you don't have to tell me about punishing evil and promoting good things in the future. Just do it boldly. "Yes !

" Duan Feng replied respectfully.

Yue Feng chatted with him a few more words and hung up the phone.
