

The ultimate husband in Chinese chapter 581-585

Chapter 581

After a while, Sun Dasheng came out of the cabin with a smile on his face.

Yue Feng could feel that the aura of Sun Dasheng became a little stronger.

“Great Sage, the second rank of Martial Sage?!” Yue Feng was shocked!

Sun Dasheng nodded. That’s right, when he came out of Changsheng Island, Sun Dasheng felt that he was about to make a breakthrough. After practicing for a while, his strength had reached the second stage of Martial Saint!

When Lu Changqing passed his internal strength to him before, he told Sun Dasheng that within the next year, his cultivation speed would be many times faster than normal people. But Sun Dasheng did not expect that he would reach the second rank of Martial Saint so quickly!

“Fengzi, have you heard? Where is Hu Sanyang, the head of Kunlun?” Sun Dasheng laughed and asked.

Knowing what happened to Xiao Yuruo, he was also very angry. No matter what this time, I have to help Fengzi get the Phoenix Gallbladder.

Yue Feng smiled lightly: “At Shangwu Academy.”

“Let’s go now.” Sun Dasheng put his arms around Yue Feng’s shoulder, the two brothers looked at the sea and smiled at each other.

Shangwu Academy, Auditorium.

The opening ceremony and graduation ceremony of the students will be held here.

But at this time, although the auditorium was full, there was not a single student. Thousands of people present are all elite disciples of various sects! The major sects gathered here to discuss the plan to kill the heavens and how to destroy the heavenly gate!

What?

The Shenhuotang in Youzhou City has been subdued by Tianmen?

Hearing this, everyone around was in an uproar.

This chapter is provided by . Visit for daily update.

You must know that Shenhuotang is also a big force in the arena, especially in Youzhou City, and has a great influence.

At this moment, Xuan Jing, the younger sister of the Emei faction, walked up to the stage quietly, and whispered a few words in the ear of Master Miao Yuan.

Immediately, Master Miaoyuan had a smile on his face and said, "Don't worry, everyone, I just got the news that Tianmen disciples, after subduing Shenhuotang, all returned to the main altar! Their main altar is the previous paragraph. We can go to the main altar of Tianmen and bring a 'catch turtle in a urn' to Tianmen!"

"Okay!"

Hearing this, everyone cheered up with smiles on their faces.

Boom!

However, at this moment, the door of the auditorium was kicked open at once, making a loud noise!

I saw the entrance of the auditorium, and two figures walked in slowly.

It was Yue Feng and Sun Dasheng.

As a result, at this moment, Yue Feng and Sun Dasheng looked at each other, and both of them were stunned.

Nima, what's going on?

The two of them came to get the phoenix gall. They thought that only the Kunlun faction was here, but when they opened the door, they found that there were six sects gathered here, as well as the Beggar Gang, Peach Blossom Island, and more than a dozen small sects!

At the same time, everyone present was stunned.

How did these two boys get here? The last time Yue Feng made a big fuss about the wedding, he was beaten by Master Miao Yuan, and his heart was broken. Everyone knows this! But now, everyone can feel the breath of Yue Feng, not only has he not become a waste, but has become a Marquis!

These two boys, one is a scum in the rivers and lakes, and the other is a dandy young master, they are really a nest of snakes and rats.

Master Miao Yuan stood up, pointed at Yue Feng and shouted: "Yue Feng, you scum, you dare to come here?" After speaking, she looked around and said to the major sects:

“You don’t know anything. , this Yue Feng has joined the Hall of Longevity! If you don’t believe me, you can ask my disciple Zhou Qin!”

Chapter 582

“Wow!” The

voice fell, and everyone was talking about it!

This Yue Feng, joined the Hall of Longevity? Saying that he is a scum, he really deserves this name!

For a time, everyone’s eyes turned to Zhou Qin behind Mrs. Miao Yuan.

Zhou Qin nodded, gritted his teeth and took a step forward: “My master is right, Yue Feng has joined the Palace of Longevity. Just two days ago, I was arrested by the Palace of Longevity, and I saw Yue Feng on Longevity Island with my own eyes. Feng’s status is not low, he is the head of the Hall of Longevity.”

“Damn!”

At this moment, Ye Yun, the principal of Shangwu Academy, patted the table heavily, stood up, pointed at Yue Feng and shouted: “You What a bastard! How can we teach a bastard like you in the Martial Arts Academy!”

“This kind of scum, don’t talk nonsense with him, since he took the initiative to send him to the door, get rid of him!”

“Yes, evil demons, it is not a pity to die. !”

At this moment, everyone pointed at Yue Feng and scolded him with righteous indignation!

Yue Feng ignored the scolding of these people. Originally, he wanted to find Hu Sanyang and ask for the courage of the phoenix. I didn’t expect that there are so many people here. At that time, he didn’t care about Hu Sanyang anymore, his eyes fixed on Zhou Qin, his body trembled: “Zhou Qin, let me ask you, did you kill a woman on Changsheng Island, did you!”

Yue Feng’s emotions were already Extremely excited, recalling Wen Chou Chou’s heart-wrenching look, Yue Feng’s fist couldn’t help clenching tightly!

“That’s right, it’s me.” Zhou Qin said coldly: “That woman, who claims to be the wife of the new palace master, naturally I will kill her to save the world!”

Until now, Zhou Qin has no regrets.

The people in the Hall of Longevity are all evil sects, shouldn't they be killed?

Yue Feng only felt a pain in his heart, he gritted his teeth and shouted: "Why did you kill her, why did you!"

"Just because she is the wife of the palace master of the Longevity Palace, she should die!" Zhou Qin bit her lip tightly: "Ask the martial arts seniors present, did I do something wrong?!"

"Girl Zhou Qin, you did the right thing."

"Yeah, you are doing good things for the rivers and lakes!"

Sun Dasheng heard the loud discussion. They couldn't help it, and broke out completely: "You guys from a well-known and decent family are really amazing, hahaha! When you kill people, you are killing harm for the people. You really will find excuses, are you cheating on you, you sanctimonious people? , in fact, it's a bunch of scumbags!"

Wow!

One stone creates a thousand waves!

Many people stood up and pointed at Sun Dasheng and cursed.

"What did you say?"

"What do you have the right to say that our famous family is authentic? Are you courting death?"

Zhou Qin said with a cold face, "Yue Feng, I used to be blind and thought you were a good person. I just realized now that you are really a beast."

She added to the last two words.

Listening to her words, Yue Feng's eyes were red: "Zhou Qin, I will give you the same words. I was really blind in the past! You killed Wen Wan, and I will never forgive you for the rest of my life. Let's take it slow."

Speaking of this, Yue Feng's eyes fell on Hu Sanyang, and said coldly: "Hu Sanyang, I only have one purpose for coming here today, you hand over the phoenix courage. I can ignore the previous things. , otherwise, between you and me, we will never die!"

What?

Is he threatening the head of Kunlun?

At this moment, everyone present was stunned, thinking that they had heard it wrong.

Hu Sanyang was also stunned, and laughed angrily: "Boy, you are not very talented, but your tone is not small. Do you know what the phoenix gall is? It is my Kunlun School, the treasure of the town school that has been passed down for thousands of years. You escaped last time, I was going to arrest you again these days, and I was too angry with Master Miaoyuan. I didn't expect you to take the initiative to send it to the door, and you even said madly, wanting the courage of the phoenix, you are really courting death!"

Chapter 583

"Master Hu, don't talk nonsense with him, grab him!" Master Miaoyuan said too coldly, tapped the ground with his toes, and jumped up and down, at the same time, a long sword appeared in her hand: "If you can't catch it alive, then kill it on the spot!"
The

voice fell, and I saw that Master Miaoyuan's long sword was approaching Yue Feng's chest!

Yue Feng clenched his fists tightly, and his anger was also released, and the blood-drinking sword appeared instantly, laying across his chest, blocking the blow of Master Miaoyuan!

"Clang!" The

two swords collided violently, making a loud noise, Yue Feng was shaken back several steps, and a mouthful of blood spurted out!

Although Yue Feng's strength has reached a period of Marquis, it is still a bit inferior to face Master Miao Yuan head-on! You must know that it has been several years since Master Miaoyuan arrived at Wudan Wuhou! Her background is not comparable to Yue Feng!

"Om!"

At this moment, I saw Master Miaoyuan slowly raise his hand, and a strong fluctuation of internal force reverberated throughout the auditorium!

"Ten Li Qinglian."

Master Miaoyuan opened her lips slightly, and four cold words slowly came out of her mouth.

The next moment, the air suddenly split in front of her! Hundreds of green lotuses appeared around her! Those Qinglians were obviously transformed by internal force.

hum!

In a short blink of an eye, hundreds of green lotuses suddenly vibrated, and then the petals fell, floating in the air. Every petal turned into a sharp knife, and there were thousands of sharp knives, which flew to Yue Feng in an instant!

“Beast, you give me death!” Master Miaoyuan shouted too coldly.

Whoosh whoosh!

Those thousands of sharp knives cut through the air, and the speed was really too fast. In the blink of an eye, Yue Feng was already stabbed into a sieve!

Yue Feng was shocked. This was also the first time he had seen Master Miao Yuan release his skills. Never thought that her skills would be so terrifying!

Seriously, in the blink of an eye, the sweat on Yue Feng’s face fell down!

He can’t escape at all! These thousands of sharp knives came from all directions, and there was nowhere to escape!

“Fengzi!”

At this moment, Sun Dasheng finally couldn’t help it. He suddenly blocked in front of Yue Feng and waved his right hand in the air to form a protective film.

“Dangdang!” The

sharp knives hit the protective film, making a metal crash sound.

Sun Dasheng’s strength at this time is already the second rank of Martial Saint, but blocking the skill of Master Miaoyuan also made his face pale!

It can be seen how terrifying the strength of Master Miao Yuan is!

“Fengzi, stay away!” At this moment, Sun Dasheng shouted, and after completely blocking the skills of Master Miaoyuan, he reacted very quickly, holding a giant axe, and directly slashed at Master Miaoyuan!

At that time, Sun Dasheng’s idea was very simple, that is, to first injure Master Miaoyuan, and then use Master Miaoyuan as a hostage to ask for the courage of the phoenix.

Master Miao Yuan did not expect that Sun Dasheng was already the second rank of martial sage.

“Clang!”

But Sun Dasheng never dreamed that when the axe went down, Master Miaoyuan would have nothing to do! Not only that, but he was shaken back several steps!

This, what's the situation? ! Yue Feng's head was stunned. Immediately respond!

Heavenly Silkworm Treasure Armor, Master Miaoyuan, wearing his own Heavenly Silkworm Treasure Armor!

Chapter 584

“Zhou Qin!” Yue Feng shouted loudly, his eyes were already red: “You took away the Taixuan Zhenjing, and the Heavenly Silkworm Treasure Armor?!”

From beginning to end, Yue Feng always thought it was Yu Mo stolen. Because at the bar that day, Yu Mo's group of girlfriends took turns pouring themselves alcohol. But I never imagined that it was Zhou Qin!

“That's right, I took it.” Zhou Qin gritted his teeth and said, “It's ridiculous to think about it. That day, Master asked me to take your Taixuan Zhenjing. I secretly blamed myself and felt sorry for you! Now I think about it. , it's really ridiculous.”

“Zhou Qin!”

Yue Feng clenched his fists, burning with anger!

“Stop talking nonsense, die, scum!” A roar sounded, Hu Sanyang flicked his wrist, a crescent machete appeared in his hand, and then slashed at Sun Dasheng with a knife!

At the same time, more than twenty masters from various sects rushed over! For a while, Sun Dasheng and Yue Feng were surrounded by a group!

“Dang!”

Yue Feng's blood-drinking sword kept waving to resist, but there were too many people to stop him, and no one knew who had slashed him in the back.

“Thorn!”

Blood poured out in an instant! Yue Feng gritted his teeth, but he didn't say a word!

He regrets it! I thought that there were only people from the Kunlun faction in this auditorium. If there was only Hu Sanyang, I really wouldn't be afraid of him. Now that the Great Sage is already the second rank of Martial Sage, he can hold back Hu Sanyang and assist him next to him, so he should be able to beat Hu Sanyang!

But who would have thought that there are so many people in this auditorium!

In just half a minute, Yue Feng had already suffered more than a dozen knives, and the blood on his body was dripping down!

Sun Dasheng had gone completely mad. Holding a giant axe, he chopped down seven or eight people, but he was still slapped on the chest by Hu Sanyang! At that time, Sun Dasheng vomited several mouthfuls of blood and retreated to Yue Feng's side.

"Great Sage, this time, my brother has implicated you." Yue Feng smiled bitterly and said to Sun Dasheng.

"Fart. Your business is mine." Sun Dasheng clenched his teeth and swung out another axe: "Even if you die here today, you'll have to kill yourself!"

"Okay!" Yue Feng shouted. With a bang, the two brothers rushed out again!

"Dang! Dang!"

Yue Feng didn't remember how many swords he swung, nor how many he took. I only saw that his body was covered in scars, and the blood had already dyed his clothes red!

Yue Feng can clearly feel the pain coming from the limbs, back, chest, there is no pain!

"Pfft!"

Another sword stabbed, this sword directly pierced Yue Feng's shoulder!

Yue Feng only felt that his strength was quickly lost, and he couldn't help falling to the ground.

At the same time, Sun Dasheng and Hu Sanyang slapped each other hard. Immediately, Sun Dasheng staggered back, but he did not expect that Master Miaoyuan was behind him and stabbed Sun Dasheng's waist with a sword!

"Ah!"

Sun Dasheng roared loudly, only to feel that his eyes were darkened, and he fell to the ground with a thud, not knowing his life or death!

"Great Sage!"

Yue Feng roared loudly, wanting to help him up, but just as he was about to stand up, he saw countless people around him rushing up, swords in his hands flashing with cold light.

Are you going to die here with the Great Saint today?

At this time, Yue Feng was completely unwilling in his heart!

“Give me death!” Hu Sanyang shouted and slashed at Yue Feng!

“Great Sage, I’m sorry, I have troubled you...” Yue Feng clenched his fists, and finally closed his eyes slowly. At that moment, he was completely desperate.

Chapter 585

“Bang!”

At this critical moment, a dagger suddenly flew from a distance and hit Hu Sanyang’s machete directly!

With the loud noise, Hu Sanyang took a step back, his anger was unforgivable: “Who dares to meddle in his own business?” As

he spoke, he looked towards the door! I saw the entrance of the auditorium, a dozen figures came quickly! These people, all wearing black clothes, have a tyrannical breath! It is Ren Yingying’s subordinates, the twelve guards!

“It’s you?!” The martial arts masters present were all anxious. At the beginning, the masters of various sects were poisoned by the soft fragrance powder and were caught in the star picking building. Isn’t that what these twelve people did? ! The masters of the various sects now believe that these twelve divine guards are Yue Wudi’s subordinates.

At this moment, the rat god guard approached Yue Feng and said softly: “Yue Gongzi, our princess sent us to rescue you. I will take you away. Don’t worry, there are our twelve god guards today, and no one will hurt you. “

Yue Feng was also stunned, he didn’t understand why Ren Yingying sent someone to save him.

But I couldn’t think about it that much at the time, so I nodded at the Rat God Guard and helped Dasheng Sun up.

Then Yue Feng took a step forward: “Hu Sanyang, I’ll ask you again, Phoenix gall, do you want to pay it!”

“Phoenix gall?” Hu Sanyang’s eyes were gloomy: “Just a scum like you, dare to think about the phoenix gall?”

” You have sucked Yuruo’s essence, only the phoenix gall can save her, I will ask you one last time, whether to pay or not!” Yue Feng gritted his teeth and shouted angrily!

What? !

At this moment, the masters of the major sects were all stunned! Invariably look at Hu Sanyang!

There is only one skill in the world that can absorb people's essence, and that is the [Netherworld Dafa]! But this kind of evil art has been lost for many years. How could Hu Sanyang have such a skill? !

Hu Sanyang's expression changed. Oneself knows Nether Dafa, this kind of thing must not be said!

"You bastard, you are really nonsense!" Hu Sanyang looked at Yue Feng coldly: "That eldest Miss Xiao, who has been sucked in her essence, what does she have to do with me? Phoenix gall is the treasure of Kunlun, how could I give it to you? ?! You give me death!"

Speaking of this, Hu Sanyang raised his knife again, trying to bypass the Rat God Guard and slash at Yue Feng.

Mouse Shenwei's eyes and hands are quick, grabbing Yue Feng and Sun Dasheng with one hand, and quickly left the auditorium! When he got outside, he tapped the ground with his toes, took Sun Dasheng and Yue Feng, flew into the air, and left Shangwu Academy.

"Hu Sanyang! Phoenix won't give me the guts, I will kill you, I will kill you sooner or later!" In midair, Yue Feng howled desperately, his voice hoarse!

At this moment, his mind is full of Xiao Yuruo! Without the phoenix guts, Jade Ruo has no life but death!

"Scum, it's just you, you still want the phoenix gall?!" Hu Sanyang strode out of the auditorium, pointed at Yue Feng in mid-air, and shouted coldly.

"Good, good, good!" Yue Fengqi's eyes were flushed, his inner strength shielded his throat, and he roared loudly: "Hu Sanyang, within three days, I, Yue Feng, will destroy your Kunlun Mountains and smash your Kunlun Mountains!"

"Inside, I, Yue Feng, will definitely destroy your Kunlun Mountains and smash your Kunlun Mountains!"

This roar echoed over the entire Donghai City!

Listening to Yue Feng's voice, the entire auditorium was silent!

The group of sect masters looked at each other in dismay, trembling inexplicably by Yue Feng's words.

But after a few seconds of silence, all the sect masters present burst into laughter in unison!

"Haha, what nonsense is this kid talking about, he wants to destroy Kunlun? Hahaha!"

"Yeah, he is just a Marquis, haha!"

"Sect Master Hu, did you hear? That scum said, he wants to destroy your Kunlun, haha!"

When everyone laughed, Hu Sanyang couldn't help laughing and waved his hand: "This kid is probably crazy. Come on. Come on, let's ignore him, he's just a clown jumping off the beam. What we want most now is to discuss how to eradicate Tianmen."

No one cared about Yue Feng's words just now.

A kid who doesn't know how to live or die, but also speaks wildly, it's a big joke.
