

The ultimate husband in Chinese chapter 6- 10

Chapter 6

Yue Feng glanced at Han Yue. If you guessed correctly, she is the secretary in the mouth of the uncle.

“President, I’m sorry, I didn’t mean to be late. There was a traffic jam on the road...” Han Yue said in a low voice, not daring to look directly at Yue Feng, but bowed slightly.

“Han Yue, what nonsense are you talking about!” At this moment, Yang Xinran took a step forward, her beautiful face was a little angry: “This is our company’s new security guard, what are you calling me.”

“Security guard?” Han Yue rummaged through her bag, took out a photo, glanced at the photo, then glanced at Yue Feng, turned her head and said to Yang Xinran: “Mr. Yang, I read that right. This is the new president of our company, Mr. Yue. “

What?!” Everyone around opened their mouths wide and looked at Yue Feng in disbelief!

“This lady, you, did you recognize the wrong person?” Li Qin bit her lip and looked at Han Yue: “This person is Yue Feng, my classmate. Look at how poor he is, how could he possibly be? Is it the president?”

This is impossible! How can there be a president wearing a street stall and riding an electric car? And just after attending the class reunion, no one paid any attention to Yue Feng at the party!

“Recognize the wrong person?” Han Yue turned on the phone and put it in front of Li Qin: “Look carefully, the patriarch of our Yue family told me personally, saying that the name of the new president is Yue Feng! There is also a photo of the president in the chat log. , see for yourself!”

“Om!”

At this moment, Li Qin’s mind went blank! She felt that her legs were softening, and she didn’t dare to look at Yue Feng at all.

Yang Xinran, who was on the side, bit her lip tightly. Although she was the deputy manager, in Ziyu Company, one person was more than ten thousand people. But Ziyu Company, after all, is the Yue family’s business. Just now, he actually threatened to fire the president...

“Feng, Brother Feng...” Yang Xinran’s face was extremely bad, she walked to Yue Feng’s side, and called softly.

"It's a bad generation." Yue Feng sneered: "Li Qin is my classmate, and you are Li Qin's aunt. I can't bear your voice, brother."

"Brother Feng, I was wrong... I was wrong, I really know I'm wrong..." Yang Xinran lowered her head and said in a low voice.

Yue Feng waved his hand, interrupted her words, and turned to look at the security captain. At this time, the security captain was completely stupid. He stumbled a few steps and almost didn't sit on the ground.

This chapter is provided by . Visit for daily update.

"You were fired." Yue Feng said to him, turning around and walking into the company.

A group of people followed Yue Feng in a mighty manner, and the employees at the bottom were talking a lot. Li Qin and Yang Xinran also followed behind him, but at this time they were completely honest. Although it was inconvenient to step on high heels, they still trot all the way and followed him closely.

I have to say, this Ziyu company is really too imposing. The interior is decorated like a palace. The news of the new president's appointment has spread throughout the company, and employees bowed and said hello along the way.

The general manager's office is on the eleventh floor. When he came to the office, Yue Feng sat on a chair.

Really stylish. Yue Feng admired in his heart that since he was kicked out of the family three years ago, he has never been to such a grand place again.

"President... President..."

At this time, Li Qin and Yang Xinran also followed, standing in front of the desk, standing there in a proper manner.

To be honest, although Yang Xinran is Li Qin's aunt, she is well maintained and looks like a sister.

"Brother Feng.. I apologize to you.." Yang Xinran bit her lip, but still said: "Brother Feng, Li Qin, can she still sign with our company? Brother Feng, as long as I can sign a contract, what can I do? I'm willing to do everything."

"Anything you want?" Yue Feng laughed out loud and was about to speak, but at this moment, the secretary, Han Yue, knocked on the door and walked in.

"President Yue, Liu Zhiyuan from the Liu family, come to talk about business."

Liu Zhiyuan? It's irritating to mention him.

Yue Feng laughed: "Let him get out."

"Yes."

-Liu

Family Villa. The grandmother held an emergency meeting, and several hundred members of the family gathered together at this time.

"Grandma, this Ziyu company is too much!" Liu Zhiyuan's face flushed with anger: "I went to talk about cooperation, and they actually let me go, let me go! Ziyu company, this is obviously looking down on our Liu family!"

"Shaking his head. No way, this Ziyu company has this strength. The Liu family dared not speak out.

"Okay." The grandmother waved her hand: "I heard that the newly appointed president of Ziyu Company is only in his early twenties. He is young and promising, and people have crazy capital. Although they have a bad attitude, we Liu family, we have to continue to find them to cooperate, who among you is willing to go?"

What? !

Everyone looked at each other. Want to talk about cooperation? Everyone has let Liu Zhiyuan go away, and they have to come to the door to seek cooperation? Who would want to go? !

The grandmother sighed. She knew that no one wanted to be cheeky. But if they can cooperate with Ziyu Company, the benefit that the Liu family can get is not a little bit! Can't give up!

Liu Zhiyuan clenched his fists, suddenly showed a sneer, stood up and said, "Grandma. Why don't you let Liu Xuan try?"

"Liu Zhiyuan, you!" Liu Xuan bit her lip, he knew that Liu Zhiyuan always likes to have nothing to do, but he doesn't. Think of how disgusting he is.

"What?" Liu Zhiyuan asked back: "As the Liu family, the company you are in charge of is still short of five million funds, right? The company is not well managed, that's all. You still don't contribute to the family?"

Speaking of which, Liu Zhiyuan ran to the grandmother: "Grandma, I suggest to discuss the task of cooperation and let Liu Xuan go!" The

grandmother nodded. In the family, she dotes on Liu Zhiyuan the most. Now that she hears his words, she immediately looks at Liu Xuan: "Xuan'er, you can do this. I will go to Ziyu Company on time tomorrow to discuss cooperation."

"Grandma, I... "

Liu Xuan wanted to speak, but the grandmother waved her hand: "Okay, let's end the meeting." The

voice fell, and hundreds of people stood up and left, each one of them was lucky that they were not selected.

After returning home, Liu Xuan felt uncomfortable, this was simply an impossible task. What are you going to talk about tomorrow.

Liu Xuan only felt upset, so she didn't think about it anymore. She called her best friends Zhao Lu and Xu Jie over, and the three women talked at home.

Sure enough, after the girlfriend came, she was in a good mood.

"Sister Xuan, where's the trash in your family?" Zhao Lu sat on the sofa, picked up the red wine glass, and took a sip.

Liu Xuan naturally knew who the trash in her mouth was. She smiled and said, "I went out after making breakfast, and I haven't come back yet."

"Sister Xuan, you are very patient." Zhao Lu put down the glass: "I can't stand Yue Feng's useless appearance. You The company is short of money now, if you have a capable husband, even if you can't get 5 million, at least you can get 2 or 3 million. Yue Feng is better, he can't get 20,000 or 30,000."

As he was talking, he Hearing someone opening the door, Yue Feng walked in immediately, with a black sack in his hand, all dirty.

Nima, on the way back from the company, it suddenly rained, the electric car was hit by Li Qin in the morning, and Yue Feng came back with his feet, and it was poured into chicken soup.

"Yo, say the trash is here." Zhao Lu glanced at him.

Yue Feng was too lazy to pay attention to her. Put the black bag in your hand on the sofa.

"Yue Feng, do you still have the face to come back?" At this time, Shen Man walked out of the bedroom with a very bad expression.

If Yue Feng hadn't contradicted Liu Zhiyuan, why would Liu Zhiyuan recommend Liu Xuan to discuss cooperation?

Shen Man glared at Yue Feng: "You are becoming more and more unruly now, even if you contradict Zhiyuan at the annual meeting, you still have the face to come back? You won't take off your shoes when you enter the house, and stepped on a row of footprints. In addition, your broken bag is so dirty that it is placed on the sofa? Do you still want to stay here? Get out if you don't want to!"

Yue Feng breathed a sigh of relief, indeed, I did dirty the room. But isn't it my job to do all the housework for the past few years?

Yue Feng wasn't angry either. If he cared about Shen Man, he would have been so angry.

With an attitude of indifference, she walked to Liu Xuan and said with a smile, "Wife, does your company urgently need 5 million? Here I am..."

"Yo." Zhao Lu on the side interrupted Yue Feng with a sneer. If he said that, he gave him a mocking look: "This man, once he has thick skin, he can't be saved. It's fine if he's useless, and he can't open a pot without lifting it. Sister Xuan is short of 5 million, so you bastard are too busy. I can't help you, but I'm ashamed to mention this."

Chapter 7

Hearing Zhao Lu scolding Yue Feng, Liu Xuan said softly, "Xiao Lu, don't talk about it."

At the annual meeting yesterday, Liu Zhiyuan showed off his suit, but Yue Feng stood up and relieved himself of the embarrassment.

"Sister Xuan, you are too soft-hearted. If I were you, I would have divorced long ago." Zhao Lu said coldly: "You have been married to him for so long, and you haven't had a relationship between husband and wife. How can you endure this waste all day long? It's over."

"Zhao Lu." At this moment, Yue Feng finally couldn't help it, stepped forward and stared at her.

I have to say that Zhao Lu is really beautiful. At this time, Zhao Lu is wearing a short skirt with hips, and her white legs are exposed, not to mention how beautiful.

"My wife's company is short of five million, how do you know that I can't help?" Yue Feng looked at her with a smile: "I remember you said before that if I can spend five million, you call me Dad?"

“Yes, I said.” Zhao Lu stood up slowly: “Take it out, if you can’t take it out, do you recognize me as a mother?”

“I’m sorry.” Yue Feng sat on the chair carelessly, He carried the dirty bag upside down and threw the contents on the table.

That is, at this moment, the whole house is silent!

The stacks of red banknotes fell like a waterfall, and the sofa could not fit at all, and many were scattered on the ground.

“This...this is...”

Liu Xuan looked at it in disbelief, unable to say a word in shock!

“The money...is it really five million?!” At this time, Shen Man also came over, and the anger on his face finally dissipated.

And at this moment, girlfriends Zhao Lu and Xu Jie felt even more weak. With five million in cash in front of you, the visual impact is really hard to describe.

“Come on, I’ll listen.” Yue Feng said, stroking his hair.

At this time, Zhao Lu also recovered from the shock. She looked at Yue Feng and sneered: “Yue Feng, don’t think I don’t know, Sister Xuan gives

you 200 yuan every day. I’m afraid your money is not clean, right?”

Trembling. She took a few quick steps, grabbed Yue Feng’s arm, and led him to the bedroom.

After closing the door, Liu Xuan said in a low voice, “Yue Feng, where did you get that money from? Is it not clean?”

“It’s clean, don’t worry, I borrowed it from a friend.” Yue Feng sighed Said in a breath.

He is now the president of Ziyu Company, but he doesn’t want to reveal his identity so early. Because now that he has revealed his identity, Liu Xuan will only think that his life is good.

“Friend? Where did you come from?” Liu Xuan stomped her foot anxiously: “I’ve been married for so long, why didn’t I know you still have friends.”

Yue Feng felt a pain in his chest. Indeed, since being driven out by the family, the friends around him have been hiding far away.

Perhaps because of his self-esteem, Yue Feng turned around and left the room, walked to the door and said, "I used to have a classmate who is now rich in starting a business, so he lent it to me. You can use it first."

After a few steps out of the room, he could still hear Liu Xuan said softly, "I'll return the money to you as soon as possible." In the

living room, the two best friends, Zhao Lu and Xu Jie, had already left.

"Dad didn't call, I can't play it." Yue Feng muttered, sitting on the sofa and playing with his mobile phone.

In the past few days, Donghai City has not been quiet.

Everyone knows that the largest entertainment company in Donghai City has a new boss. Countless advertising companies have come to seek cooperation.

But this new boss is very strange. Even the partners who have worked with him before are turned away.

All companies don't want to give up, because Ziyu Company has no partners now, if they can cooperate with them, they can own this big cake!

Those who come to seek cooperation are all first-class families in Donghai City. But unexpectedly, the Liu family, a second-rate family, wanted to seek cooperation. Moreover, it is said that Liu Zhiyuan, who had been sent by the Liu family before, was kicked out by Ziyu Company. They didn't give up and sent Liu Xuan to seek cooperation. They were really thick-skinned.

Just when everyone was waiting to see Liu Xuan's joke, there was a shocking news!

Ziyu Company actually agreed to cooperate with the Liu family!

This news caused a sensation in the entire Donghai City! Are you crazy? Working with a second-rate family? !

And Liu Xuan was even more surprised and delighted. She hadn't even seen the president of Ziyu Company, but the president's secretary told her that she could come to sign the contract tomorrow.

Donghai City, Pearl of the Orient Hotel.

This is the most famous hotel in Donghai City, with a per capita consumption of more than 1,000! The grandmother of the Liu family was very happy today, she booked the entire hotel to celebrate Liu Xuan, and informed all Liu family members that they must

be present! Not only that, but many guests were also invited. You know, being able to sign a contract with Ziyu Company is a big happy event. I can't wait to let everyone!

Inside the hotel, Liu Xuan became the focus of everyone. Sit at the first table.

Yue Feng followed her, and just sat down, before her butt was hot, she heard a reprimand from behind.

"Get up, is this where you can sit? Hurry up and give up your seat to President Xiao!"

It was Liu Zhiyuan who said this. It's just that at this time, there was a young and beautiful woman standing beside him.

Seeing this woman, Shen Man stood up all of a sudden, and said to Yue Feng, "Hurry up and give up your seat! Something with no eyesight."

Shen Man knew that this woman couldn't be provoked. She was a guest invited by the grandmother, the eldest miss of the Xiao family, Xiao Yuruo.

The Xiao family has been in the antique business for generations. It is said that all the collections of the Xiao family can be sold for at least 2 billion!

This time, invited by the grandmother of the Liu family, Xiao Yuruo came here and noticed Liu Xuan at first sight. Because she saw that Liu Xuan was walking on a pair of extremely beautiful high heels. Isn't it Crystal Love?

It is well known that Xiao Yuruo likes Crystal Love. But she really doesn't have these shoes. It's not because she can't afford it, but because Crystal Love is a global limited edition, with only 99 pairs in the world! You must know that this pair of shoes cannot be bought with money. There must be enough connections to buy these shoes.

"Get out of the way, are you blind? Can't you see that Mr. Xiao is here?" Seeing that Yue Feng didn't respond, Liu Zhiyuan suddenly became angry and shouted.

Yue Feng didn't seem to hear it, just knocked the seeds.

Seeing him like this, Shen Man was angry: "Are you deaf? Can't you hear Zhiyuan's words?"

If Yue Feng offended Xiao Yuruo, it would not be worth the loss! Although Yue Feng borrowed five million yuan, in Shen Man's heart, he was still a waste. But luckily, I met a rich classmate.

"Why don't you give in first..." At this time, Liu Xuan also looked at Yue Feng.

"Okay."

Seeing Liu Xuan speak, Yue Feng smiled, stood up and walked to the table behind.

Liu Zhiyuan smiled and pulled the stool away to please: "Mr. Xiao, sit down. That person just now was our Liu family's son-in-law, who eats and drinks for free in our Liu family, and is just like the uncle every day. Don't have the same knowledge as him."

"Yes." Xiao Yuruo replied softly, sitting on the chair, her eyes fell on Crystal Love.

really beautiful. I am afraid that any woman wearing these shoes will improve her temperament by several grades.

"Miss Liu Xuan, may I ask..." Xiao Yuruo couldn't help but say, "Where did you buy these shoes, please?"

Liu Xuan smiled lightly, feeling overjoyed. As we all know, Xiao Yuruo is a famous beauty in Donghai City, but now, she looks at her with envy in her eyes. How could Liu Xuan not be happy?

"It was given by a friend." Liu Xuan said softly.

"Then... can you trouble your friend to buy a pair for me too?" Xiao Yuruo said, "Don't worry, I won't let your friend help you in vain. I'll pay double the price!"

"The people at the table couldn't help but look over.

Crystal Love, priced at 30 million! Buying at double the price, it can be seen that the Xiao family is really rich.

Moreover, Xiao Yuruo and Liu Xuan, these two superb women sitting together, are really eye-catching. At this time, Xiao Yuruo was wearing a short skirt, with slender and fair legs, looking at how many men were drunk. The two of them have their own strengths, and they are full of eyeballs.

"Daughter, what are you thinking, hurry up and call your friend." Shen Man couldn't help but speak. What a great opportunity to make friends with the eldest Miss Xiao.

Liu Xuan bit her lip, nodded, took out her phone, and called Xu Xiangdong.

Chapter 8

was three seconds before the call was picked up by Xu Xiangdong.

Liu Xuan pressed the loudspeaker button.

Shen Man, who was on the side, glanced at the screen of the mobile phone, and immediately smiled: "Daughter, it turns out that the one who gave you the crystal love was Xiang Dong. Xiang Dong is a good man, daughter, you should cherish it."

Shen Man deliberately Speaking loudly, he did not forget to glance at Yue Feng. Compared with Yue Feng and Xu Xiangdong, they are not even farts. Xu Xiangdong once said that if his daughter married him, he would be willing to pay 20 million as a dowry!

On the other side of the phone, Xu Xiangdong was squatting on the road. Not long ago, he received a call that the Yue family had withdrawn all the funding to him!

Xu Xiangdong collapsed at that time, without the support of the Yue family, he is not even a fart! Later, the Yue family told him that it was because he provoked someone he shouldn't have provoked.

Up to now, Xu Xiangdong has never imagined who he has offended!

"Xiangdong, I want to ask you, can you still buy that pair of crystal love?" Liu Xuan said into the phone.

Now Xu Xiangdong, although the whole person collapsed, but Liu Xuan called, he still tried to squeeze a smile: "Xuan'er, are you talking about those imitation shoes?"

"Imitation shoes?"

Liu Xuan and Xiao Yuruo asked. Take a look. This is impossible, can you tell the difference between real and fake shoes?

"Yes, didn't I give you a pair of imitation shoes worth 300,000 yuan?" Xu Xiangdong said, "But those shoes were not thrown away by your trash husband. Those shoes are still in my house, do you want them? If you want, I'll fetch it for you."

Hearing this, Liu Xuan's beautiful face was full of confusion!

Didn't Xu Xiangdong send the crystal love on his feet? Besides him, who else would give him a gift of 30 million? !

Hanging up the phone, Liu Xuan remembered that the day Yue Feng went to see her off and said she wanted to give her a pair of crystal love.

Thinking of this, Liu Xuan couldn't help but look at Yue Feng.

Yue Feng held chopsticks in his hand, and no one else touched them. He was about to eat two bowls of rice. The people at the table he was at looked at him with disgust and stayed far away from him.

Liu Xuan sighed, what was she thinking about, how could it be given by him? Totally impossible.

After half a minute, Yue Feng finally put down his chopsticks. While wiping his mouth, he looked at Xiao Yuruo.

This woman is interesting. Yue Feng could see that she was wearing a white bracelet on her wrist. Everyone knows that this bracelet is definitely worth a lot of money, but it is estimated that few people know that this bracelet is an antique, right?

The Yue family has many antique collections. When Yue Feng was six or seven years old, he could identify antiques.

Later, the first treasure appraiser, Teacher Kang Lianping, also came to the family as a guest. Yue Feng also studied treasure appraising for two months with him.

The bracelet Xiao Yuruo wears is warm and delicate, and it should be a handicraft of the Tang Dynasty. At the current price, at least 20 million can be sold.

“Everyone, be quiet.”

At this time, the grandmother finally took the stage, looking very happy.

“Quick, Xuan’er, tell me, how did you negotiate with Ziyu Company?” The old grandmother asked impatiently as soon as she sat down.

Liu Xuan stood up embarrassedly, and was silent for a while before she said, “I... After I arrived at Ziyu Company, I didn’t say anything, and even the president didn’t see it, and was informed that I could sign the contract.”

“Wow!

” Falling down, there is a lot of discussion in the audience!

“So Liu Xuan didn’t do anything, and the contract was signed successfully?”

“Yeah, I thought she was very capable, but it’s just luck.”

Listening to the chatter, Liu Zhiyuan also stood up, stepped forward and said, “Grandma, I was kicked out by Ziyu Company, today Liu Xuan Going again, Ziyu Company must have felt the sincerity of our Liu family, so they cooperated! Even if Liu Xuan is not negotiating today, if it is someone else, it will be successful!”

Liu Zhiyuan said this, meaning very clearly, just want to grab a credit.

But the grandmother had always loved him, and when she heard what he said, she nodded her head and said, "Xuan'er, that credit can't be attributed to you alone, but also to Zhiyuan."

Hearing this, Liu Zhiyuan was delighted. Yes, he bowed ninety degrees and said, "Grandma, as a child of the Liu family, Zhiyuan is willing to work hard! I heard that Ziyu Company has recently come to a newcomer named Li Qin. He looks beautiful. I guess, Ziyu The Jade Company will definitely package her. If this task is handed over to the Liu family, we can make a lot of money! Tomorrow, I am willing to replace the Liu family and go to the Ziyu Company to negotiate!"

"Okay!" The

grandmother nodded with admiration. : "Grandma didn't hurt you in vain."

Liu Xuan and Shen Man looked at each other, feeling a little uncomfortable. For no other reason, this gathering was obviously Liu Xuan's celebration party, but Liu Zhiyuan stole the limelight. Now that the Liu family has negotiated cooperation with Ziyu Company, and Liu Zhiyuan will negotiate tomorrow, it will definitely be successful. When the time comes, the credit will be all his.

Although she was unhappy, Liu Xuan didn't say anything. After all, grandma likes him.

"Haha, everyone eat well and drink well, I've invited this meal!" Liu Zhiyuan laughed, it was a joy.

"Waiter, come, serve the wine!" Liu Zhiyuan shouted.

After a while, two waiters in cheongsam came over with menus.

"Hello sir, this is the menu, what kind of wine do we need?"

With a big wave of Liu Zhiyuan's hand, people are in good spirits when it comes to happy events, and he was also extremely excited at the time: "Don't look at the menu! You are the most expensive wine, one bottle per table! Remember, the most expensive wine!"

After a while, a row of waiters came over with wine. Liu Zhiyuan raised his wine glass and said with a big laugh, "You won't go home if you are not drunk today, come here, I respect everyone!"

Now Liu Zhiyuan has a very high status in the Liu family. Everyone wanted to flatter him, and everyone raised their glasses.

Three rounds of wine, five flavors of food. Seeing that it was getting late, Liu Zhiyuan waved his hand drunkenly and called the waiter over.

“Fix it for me. Swipe

the card!” At this time, Liu Zhiyuan was sitting next to Xiao Yuruo. He thought that he took out his bank card in a dashing manner, deliberately turning up the volume, and while talking, he aimed at Xiao Yuruo. Who doesn’t want to be in the limelight in front of beautiful women?

Seeing Liu Zhiyuan pulling out his bank card, many people exclaimed.

Amethyst Bank Platinum Card!

Holders of Amethyst Bank Cards have a minimum worth of one million. And the gold card requires five million in the bank card! Platinum card, you need a bank card, no less than 10 million!

Liu Zhiyuan’s entire net worth is about 30 million. But for business people, the net worth is not equal to the balance in the card. Because business people invest when they have money, and rarely hold cash.

Liu Zhiyuan has saved 10 million in cash for several years. This card was only issued yesterday, so it is natural to show it off.

Sure enough, seeing Liu Zhiyuan’s bank card, even Xiao Yuruo couldn’t help but glance at it.

All the antiques of the Xiao family add up to more than two billion. But that was Xiao Yuruo’s father’s money after all. Although Xiao Yuruo is Bai Fumei, her card balance is less than ten million. She wants to buy crystal love, and she has to ask her father to sell two antiques for cash.

Liu Zhiyuan’s face was full of wonder, and when he saw Xiao Yuruo looking at him several times, he was excited.

Looking at the waiter, he said, “I will pay for all the tables today. Except for this table!”

Liu Zhiyuan pointed at Yue Feng’s table. The people sitting at this table are of very low status in the Liu family, and Liu Zhiyuan is not afraid of offending.

“Yue Feng, do you know why I didn’t pay you the bill?” Liu Zhiyuan stood up, looked at Yue Feng and said, “You didn’t give up your seat to President Xiao just now! It’s a stinking problem! If you don’t urinate and take care of yourself, you’re just as useless as you. How dare you sit at the front? You made President Xiao unhappy, and I must vent for President Xiao.”

Speaking of which, Liu Zhiyuan looked at Xiao Yuruo: "Don't worry, President Xiao, I will give you this breath! The table costs at least 10,000 yuan, this Yue Feng definitely can't afford it."

Xiao Yuruo did not speak. Just a small smile.

The waiter took his bank card, and Liu Zhiyuan said to Xiao Yuruo: "Mr. Xiao, don't worry, don't you like Crystal Love? I have many friends, I can ask them to inquire, who can buy it!

"Yes, Liu Zhiyuan did know a lot of people, but the group of friends who wanted to buy Crystal Love was a fool's errand.

"Thank you." Xiao Yuruo smiled politely and nodded lightly.

At this time, the two waiters walked quickly and bowed in front of Liu Zhiyuan.

"I'm sorry, sir, your card balance is not enough."

Liu Zhiyuan was furious: "Are you kidding me with your special code? I have 11 million in my card, you tell me the balance is not enough?"

"I'm sorry sir, this consumption is 3,820 Sixteen thousand."

Chapter 9

Haha! Hearing the consumption figures, Yue Feng almost didn't laugh out loud. This Liu Zhiyuan is really second to none! Before, there was a bottle of wine at each table. No one knew that bottle of wine, but Yue Feng knew it. That's 'Romane-Conti'. The retail price is more than one million. More than 30 bottles were distributed in the audience!

"Are you kidding me with your special code?" Liu Zhiyuan was completely panicked, stood up and said to the waiter, "Our Liu family has more than 300 people, and we have eaten more than 30 million? Is the per capita consumption 100,000? Come, come and find your manager. ." The

two waiters looked at each other and saw the helplessness in each other's eyes. But still called the manager.

The manager is a 30-year-old young man in a full suit.

"Your hotel doesn't plan to do it anymore?" Liu Zhiyuan stepped forward, pointed at the manager and shouted, "Consumption per capita is 100,000? Believe it or not, I will go to the Consumers Association to sue you?" The

manager was not in a hurry, just stood there: "I'm sorry, this gentleman. The wine you ordered is a limited edition 'Romane Conti'. The global annual output is only 800 bottles. The market price is 1,631,000 bottles. Sir, if you want more than 30 bottles, we will return them. You got a discount."

"Fuck you!" Liu Zhiyuan immediately became angry, grabbing the manager's collar: "You have more than 30 bottles of limited edition wine here?! Besides, who wants a special code? Is this drunk?!"

The manager didn't smile, he had been a manager for five or six years, and he had met a lot of respectable people in Donghai City. But it's the first time I've seen it without money.

The manager stabilized his emotions: "This gentleman. I want to tell you three things. First, you said it yourself, you want the best wine. We have monitoring to prove it. Second, the wine we provide is absolutely guaranteed. Really, I don't know why the boss has so many limited edition wines. Third, please show some respect."

"Shuh!"

After he finished speaking, he saw dozens of strong men rushing over from the door. They wore black half sleeves, revealing large tattoos.

These are the security guards of the Pearl of the Orient. As the most luxurious hotel in Donghai City, there are almost no people who dare to make trouble here! Everyone knows that the owner of the Pearl of the Orient was originally a mixed society. Which one who is not open to eyes will make trouble here.

The one headed by him was wearing a Chinese tunic suit. Still holding crutches. This person is the owner of the Pearl of the Orient, Wu Dedao.

With an old-fashioned look, those who didn't know thought he was in his sixties or seventies. In fact, he was only in his thirties.

Sure enough, when Wu Dedao led these strong men to appear, everyone in the Liu family panicked and walked over to apologize.

Sweat dripped down Liu Zhiyuan's face. That is Wu Dedao! The owner of the Pearl of the Orient, the first batch of mixed society in Donghai City!

Seeing the boss coming, the manager said stubbornly: "Your Liu family is also a second-rate family. You said it yourself, you want the best wine. Now you don't admit it?"

"No, no!" Liu Zhiyuan shouted, his body backed up one step further: "We give, we give money..." As he

spoke, he looked at the grandmother.

Where did he come from more than 30 million! But if you don't give money, I'm afraid you'll have to lie down and go out today!

"Mr. Wu." At this time, the grandmother couldn't sit still anymore, walked up with someone's help, and bowed to Wu Dedao.

In terms of age, the grandmother is much older than Wu Dedao, but in terms of status, she really can't afford to offend him.

"It's my Liu family that's wrong." The old grandmother bowed and said, "My grandson is young and ignorant. I apologize to you. We'll give you the money."

Seeing the old grandmother bowing, the Liu family's children felt uncomfortable. But what can be done? Who asked Liu Zhiyuan to pretend to drink the most expensive wine!

Just now, there were a few juniors of the Liu family who deliberately checked the bottle of wine online, and it was indeed more than one million bottles.

After the grandmother apologized, Liu Zhiyuan kept apologizing. The entire Liu family hurriedly stepped forward to say good things.

Only Yue Feng was alone, standing up and going out. For nothing else, Wu Dedao and himself are old friends!

When Wu Dedao had just started his business, he went to Yue's family to talk about business, but at that time, he had no money or power, and no one in Yue's family received him.

At that time, Yue Feng was young, only fourteen or fifteen years old. But he felt that Wu Dedao had an extraordinary conversation. Just make a private decision and invest 300,000 in him. At that time, Wu Dedao was grateful.

Sponsor rather than investment. Because Yue Feng didn't want any shares at all. After so many years, this matter has long been forgotten. Now that I see Wu Dedao again, I did not expect that he succeeded in starting a business and became the boss of the Pearl of the Orient.

I really didn't see the wrong person in the first place.

Yue Feng bent down, not wanting to be recognized, and wanted to sneak away from the door.

“This little friend, stop.” At this time, Wu Dedao called out, and then walked straight to Yue Feng.

Everyone in the Liu family had anger on their faces. Is there something wrong with this Yue Feng? Apologize well, give the money, and it's over. But he escaped? Shame?

“Liu Xuan, what did your husband think? Still want to run away?!” At this time, several women in the Liu family said.

“Yeah, the whole family advised you to divorce Yue Feng quickly, but you won't listen!”

“He wants to run away now, and President Wu must be angry. At that time, our Liu family won't be able to eat and walk around!” The woman pointed at Liu Xuan and shouted.

On the other side, Liu Xuan bit her lip tightly. Yue Feng wanted to take the opportunity to escape, but she couldn't hold back her face.

“Mr. Wu!” At this time, Liu Zhiyuan walked over quickly, pointed at Yue Feng and shouted: “Mr. Wu, don't be angry, this person is the son-in-law of my Liu family. , it's none of our Liu family's business! We'll give the money...”

“Go away!” Wu Dedao pointed at Liu Zhiyuan and yelled out.

With that angry voice, Liu Zhiyuan shivered in fright, he didn't even dare to fart, and stood there dumbfounded.

Wu Dedao couldn't believe it! I can't believe that in this lifetime, I can still see this young man!

Seven years ago, he had just started a business, but there was not enough funds. At that time, no one wanted to pay attention to him. After all, he was a little gangster at that time. It was the second young master of the Yue family, a fourteen-year-old boy, who sponsored him a sum of money! Give him 300,000 yuan for nothing! This is the gift of knowing, don't forget!

Without this money, Wu Dedao would have been reduced to the streets long ago!

In the past few years, he has succeeded in starting a business, and he has also sent people to inquire about the young man many times. However, he learned that the boy had been kicked out of the house by the Yue family, and his whereabouts were unknown.

Although now I only see Yue Feng's back, Wu Dedao has recognized it!

“Second Young Master, is that you...”

Wu Dedao's voice trembled a little, it was hard to imagine that a man who had seen the world was as prudent as a child at this time.

groove! There is no escape!

Yue Feng turned around and met Wu Dedao's eyes.

"Pfft!"

At this moment, Wu Dedao was dumbfounded and knelt on the ground at once!

"I finally saw you again. I've been looking for you for three years! Don't you dare to forget the grace you have met!" Wu Dedao was so excited that he said with tears.

At this moment, everyone in the entire Oriental Pearl Hotel opened their mouths wide!

Shock!

Totally shocked!

A multi-billion-dollar boss actually knelt on the ground at this time, excited like a child!

And Yue Feng stood there with a calm expression on his face! Can't see a trace of joy!

This, what's the situation? !

"Mr. Wu, what are you doing, why did you fall down?" Yue Feng quickly bent over to help him up, and kept blinking at him.

Who is Wu Dedao? Seeing Yue Feng like this, he immediately understood. He definitely didn't want to reveal his identity.

"I didn't stand firm..." Wu Dedao said casually, and heaved a sigh of relief: "I'm sorry, I recognized the wrong person..."

"Hu..."

Hearing this, the Liu family's children sighed in relief.

It turned out that he didn't stand firm..

That's right, how could that trash know President Wu.

"Listen to me." At this time, the grandmother finally spoke and looked around.

"This meal is more than 38 million yuan. I can't let Zhiyuan go out." The grandmother said.

Liu Zhiyuan's face showed joy. Still grandma is kind to herself!

"The average person for this meal is 100,000, so you can spend your own money," the grandmother said.

Everyone nodded. Although the Liu family is a second-rate family, but each one is 100,000 yuan, it is still painless.

But the faces of only two people in the audience are very ugly!

It was naturally Liu Xuan and Shen Man. The company has problems these days, and the shortfall of 5 million has just been blocked, and the family's savings are gone a few days ago.

"Liu Xuan, you look bad, haha, you don't even have any money made by AA, do you?" Liu Zhiyuan called out at once, of course he knew that Liu Xuan had no money, so he deliberately spoke loudly to let Liu Xuan Xuan makes a fool of himself.

"I..."

All eyes looked over, Liu Xuan only felt that her face was burning very badly. After a long time, he said, "I... I didn't bring a bank card."

Chapter 10

"Haha, I didn't bring a bank card, what a good reason!" Liu Zhiyuan laughed and looked at Shen Man: "Aunt Shen Man, you didn't bring it?"

"Hmm..."

"Hahaha!" The person in the room laughed out loud, and a young woman said, "Yue Feng definitely didn't bring it with him. This family of three is really here to eat the Overlord's meal!"

Liu Xuan bit her lip, a little overwhelmed. As a result, at this moment, Yue Feng took a step forward.

"I brought the card, but..."

Before he could finish speaking, Liu Zhiyuan grabbed Yue Feng's card and handed it to the waiter: "Come on, let's see if this card is enough for 300,000 yuan!"

Liu Xuan stomped her foot in a hurry. I gave him 200 yuan of pocket money every day, how could he have 300,000 in his card?

Isn't this to make a fool of yourself in public?

Liu Xuan could see that the people around were holding back their laughter, waiting to see the joke.

But at this time, no one noticed that Xiao Yuruo stood up slowly, her beautiful face was full of shock!

"I.. I read that right? Amethyst Bank, black card?!"

Swish! The hotel, which was full of ridicule, is now silent!

Xiao Yuruo's words made everyone stop!

This bank card is very beautiful, all black, with gold wire diamonds on it, and a diamond is engraved on it. In the lower right corner of the bank card, two words are written smoothly: Yue Feng.

Amethyst Bank Black Card!

What concept? ! Liu Zhiyuan's platinum card requires a deposit of 10 million.

On top of the platinum card, there is also a diamond card. A minimum deposit of 100 million is required.

On the top of the diamond card, there is the supreme card, and the balance in the card cannot be less than 500 million!

The highest level is the black card, which requires a deposit of one billion yuan!

In the entire Donghai City, I am afraid there are no more than three! It is impossible for anyone present, including Wu Dedao!

Liu Xuan and Shen Man were also stunned, unable to say a word!

"This...is this a sticker?" It wasn't just anyone in the crowd who suddenly said this.

At this moment, everyone breathed a sigh of relief. It must be a sticker! How could this poor bastard have a black card?

"Haha, Yue Feng, you are really disgusting." Liu Zhiyuan laughed out loud: "It's okay to be poor, you have to pretend to be rich."

Yue Feng didn't say anything, just smiled.

At this time, Liu Xuan also stepped forward, and she saw that the waiter had already taken the card and swiped it. He couldn't help but asked in a low voice: "Yue Feng, go back and tear off the card film quickly, will you lose face? Also... do you... have enough money in your card?"

"Enough, you give me every day I have saved all of my pocket money, as well as my previous savings, that's enough." Yue Feng said.

Ha ha ha ha!

Although the voice was small, everyone heard it, and there was another burst of laughter.

After the bill was settled, all the Liu family left, and Wu Dedao quietly took Yue Feng's arm and took him to the car.

"Second Young Master, I finally see you again..." Wu Dedao was so excited that he said to Yue Feng while driving the car.

"Where are you taking me?"

"I'll take you to meet a few people, and they all want to see you!" Wu Dedao's hands were shaking with excitement: "You must come with me..."

"Okay, okay, I'll go with you, drive well."

Nima, is this guy so excited? Can't hold the steering wheel.

The car sped away and came to the door of a bar.

The most luxurious bar in Donghai City, Spring River Flower Moon Night!

It can be said that two people come here to play, and the minimum cost is 10,000 yuan a night!

There are many luxury cars parked at the entrance of Chunjiang Huayueye. Those who come here to play have more or less financial resources.

"What are you doing here?" Yue Feng asked after getting off the bus.

This place is too noisy, I really don't like it.

"Surprise for you!" Wu Dedao said with a smile: "Second Young Master, the boss of Chunjiang Huayueye, is also your old acquaintance. Xiang Riyue."

Xiang Riyue?

Oh, remembered. At the beginning, he was just an ordinary employee of the Yue family. Later, Yue Feng felt that he was very smart and promoted him as manager. He did it for two years, saved up a sum of money, and then went out to start a business.

Unexpectedly, he opened the Spring River Flower Moon Night. This Xiang Riyue did not disappoint himself.

“Second Young Master, you go in first and wait for me in private room 888.” Wu Dedao bowed and said, “Xiang Riyue and I will go prepare a surprise for you. You must like this surprise!”

Before Yue Feng could speak Well, Wu Dedao has already left.

Yue Feng sighed and walked in.

No wonder Chunjiang Huayueye is so hot, even the greeter at the door is so beautiful.

Yue Feng walked in with a smile, and the deafening music came.

The bar was extremely lively, with many men and women swaying their bodies on the dance floor.

Shit, I'm really old, this kind of place is not suitable for me..

“Yo he? I read that right, isn't this trash Yue Feng?”

At this time, a voice came from behind him, and he looked back subconsciously. Go, suddenly stunned.

Behind him, there is a beautiful woman. Wearing a pair of skinny jeans is extra sexy. Isn't that Zhao Lu?

“How do you call me? Don't you call me Dad?” Yue Feng said with a smile.

“You!” Zhao Lu bit her lip, she was very happy today, and talked about a big client! If you can sign a contract with this customer, you will earn at least one million commission!

So today, she asked a client to come here, and after preparing for a few drinks, she signed the contract.

But I didn't expect to meet Yue Feng!

“You are so poor, you can come to this kind of place?” Zhao Lu looked at him up and down: “I saved two hundred yuan a day for pocket money, and then came here to play once, is it interesting?”

“It’s boring.” Yue Feng laughed: “I just want to know, when did you call that father?”

At this moment, a strong man suddenly stood up, walked over to Zhao Lu, and said, “Miss Zhao, who is this person? What are you talking about? Do you need me to teach him a lesson?”

Zhao Lu laughed and said, “Yue Feng, do you know who is next to me? He is the security captain of Chunjiang Huayueye. If I ask him to kick you out, will you cry?”

That’s right, this strong man is her client, Zhong Haoran!

The captain of the security is just a title. Anyone who understands it knows that he is just a watcher.

After all, there are a lot of troubles in this kind of place. Zhong Haoran was also quite famous in Donghai City, and he brought twenty or thirty brothers to watch the scene here.

“Little-armed brat, do you hear? Go away yourself.” Zhong Haoran took a step forward and spoke contemptuously.

Well, what happened to the greeter? Even this poor boy is included. This guy wears all his clothes and sells goods on the ground. It is estimated that his monthly salary does not exceed 2,000. How dare he come to such a place?

Yue Feng just smiled, ignored him, and walked straight to the 888 private room.

All the private rooms here are glass rooms. Private Room 888, located in the center, can be seen from the outside, and the inside is resplendent, like a palace.

“Stop for me with your special code!”

Zhong Haoran howled when he saw him walking into the private room 888. It has been concluded that this kid is here to find trouble!

In the private room 888, all the utensils in it are all gold-plated, and the consumption here is 801,000 hours!

At this time, Yue Feng was already sitting inside, and he picked up the teacup, ready to drink tea.

Hahaha! This time, Yue Feng is over!

Zhao Lu is very happy, is this Yue Feng stupid? Is this kind of private room suitable for his useless son-in-law?

When I was chatting with Zhong Haoran just now, I heard him say a few words about this private room. It is said that no one has sat in this private room for half a year!

Zhong Haoran already recognized the boss as his godfather, but he couldn't even enter this private room casually.

"You're wrong, are you deaf? Can't hear me?" Zhong Haoran roared, stepped forward quickly, and grabbed Yue Feng's collar.

Haha, the goddess Zhao Lu is here, if you beat this kid, it will look very mighty, right?

Zhong Haoran roared while thinking. I saw more than 20 strong men rushing into the house in an instant. It's all here to watch.

"Brother Haoran, what's the matter?" the group of strong men asked one after another.

Zhong Haoran looked at Zhao Lu, smiled and said, "Miss Zhao, what do you want to do with this kid?"

Zhao Lu looked at Yue Feng, but he still looked indifferent. Seeing him like this, Zhao Lu gets angry!

Stepping on high heels, he stomped his feet and said, "Let him call me Mom, and then throw him out."
