

The ultimate husband in Chinese chapter 616-620

Chapter 616

The remaining few people are all covered in blood, and they are still killing each other, and they have no intention of stopping!

Only one woman didn't do it.

It is Huang Ling!

At this moment, Huang Ling was leaning on a wooden stake, looking excited, talking to himself. Obviously, she also had hallucinations, but her hallucinations were different from those of the Jianghu masters, so she didn't fight.

Yue Feng approached and heard what Huang Ling said.

"Although I am a small school, I will never be someone else's lackey. You all... get out, get out of your Apocalypse Continent..."

Hearing this, Yue Feng was stunned. , Indescribable admiration!

Looking at the situation, Tianqi Continent also sent people to Peach Blossom Island to recruit.

The result is obvious, Peach Blossom Island is unyielding.

Although this Huang Ling is a woman, her spirit is really admirable! Without any hesitation, Yue Feng stepped forward and clicked on Huang Ling's acupuncture point.

Huang Lingjiao's body trembled, and she suddenly woke up.

Seeing Yue Feng in front of him, Huang Ling's delicate body trembled: "Yue Feng? You...why are you here?"

Then, seeing the people fighting each other in front of him, Huang Ling was startled: "They...they What's the matter?"

Yue Feng looked at her with a smile: "You, and them, have hallucinations. It's very dangerous here, you should go out quickly."

After saying this, Yue Feng said no more, turned and walked towards Ren Yingying go.

Huang Ling stood there blankly, staring blankly at Yue Feng's back. Was he the one who helped him get out of the hallucination just now...

It is said in all corners of the world that Yue Feng killed his grandfather, tarnished his younger brothers and sisters, and even joined the Hall of Longevity. But at this time, Huang Ling felt that this Yue Feng didn't seem to be that bad.

On the other hand, Ren Yingying couldn't help but teased when she saw Yue Feng coming back: "Tsk tsk, Sect Master Yue is kind of pity and cherish jade, there are so many people. If you don't help, you go to help the eldest lady of Peach Blossom Island."

Saying that, Ren Yingying's smile revealed a bit of playfulness: "But then again, this Huang Ling is so young and beautiful, although she has white hair, she is really beautiful. , are you a little moved?"

Yue Feng was very speechless, smiled and didn't explain.

If Huang Ling doesn't go to the Apocalypse Continent, it's time to save her! It's just this, how could it be possible to tell Ren Yingying.

However, Yue Feng couldn't help but tease him and said, "What? Princess Yueying's tone was sour, so she wouldn't be jealous."

Jealous?

Ren Yingying blushed and couldn't help but spit: "Bah, you're less narcissistic."

This Yue Feng is really getting bolder and dare to make such a joke with himself.

"Okay, the father is not narcissistic anymore. Good daughter." Yue Feng waved his hand and said.

"You, you are courting death!" Ren Yingying was so angry that she reached out to hit Yue Feng.

This Yue Feng, dare to mention what happened just now! Just now I called him father emperor, I feel ashamed to think about it!

Yue Feng laughed and ran away, Ren Yingying followed behind.

At that time, Niu Shenwei and Mouse Shenwei didn't react, and they saw Yue Feng and Ren Yingying, and they had disappeared.

"Where's the princess?!" Niu Shenwei yelled.

"Looks like I'm going after Yue Feng..." Rat God Guard muttered.

“Then what are you still doing, hurry up and find the princess! It’s not enough to fail!” Niu Shenwei yelled angrily.

“Bah! You lost the princess, aren’t you responsible?” Rat God Wei shouted, and the two quarreled and searched for Ren Yingying all the way.

Chapter 617 On the

other side, Yue Feng ran all the way, Ren Yingying chased all the way. While fighting, the two ran out of the illusion and entered a long corridor.

At the end of the corridor is a small secret room, only a few square meters.

Running to the secret room, Yue Feng stopped and smiled at Ren Yingying, who was chasing after him: “Okay, my dear daughter, stop chasing, the father is tired and can’t run anymore.” As

he spoke, Yue Feng looked at it. this secret room.

Is this the end of the tomb? Is this tomb too small?

They say there are treasures here, but where are the treasures?

Ren Yingying was also gasping for breath, and when she heard this, she suddenly became angry: “Yue Feng, how dare you mention what happened just now!” The voice fell, and Ren Yingying kicked towards Yue Feng.

Where could Yue Feng get her kicked, he laughed, and dodged away.

Ren Yingying didn’t kick Yue Feng, but she was impartial, kicked a bump on the wall, and directly kicked the bump down.

Click!

That is, at this moment, a shock came, and the ground under the two of them suddenly collapsed! It’s a big hole!

“Ah!”

Yue Feng and Ren Yingying didn’t have time to react, and their bodies fell straight down!

Nima! It seems that Ren Yingying’s kick just now hit the mechanism on the wall!

This Nima is too coincidental.

“Ah...” The

two kept falling, and the feeling of weightlessness made Ren Yingying exclaim, and out of instinct, she hugged Yue Feng tightly.

Pfft!

This big hole is more than 20 meters deep. Yue Feng fell to the ground first, and then Ren Yingying fell to Yue Feng.

This time, Yue Feng was smashed to pieces, and his eyes were pierced with gold stars.

Nima, fortunately, he is already Marquis Wu, if his strength is lower, I am afraid he will die directly.

“Yue Feng, it’s your fault, otherwise why would you fall?” Ren Yingying complained, “If you mention my hallucinations again, I can’t forgive you!” As

she spoke, she did not forget to reach out and touch own face.

Women love beauty, and so does Ren Yingying. The first thing to do is to see if her face is hurt.

Yue Feng was amused by her appearance, unable to laugh or cry: “I fell to the ground first, you treated me as a meat pad, how could you be injured?”

After speaking, Yue Feng cleared his throat and continued: “Can you start from the Get off me?”

Seriously, Ren Yingying’s figure is so good, the feeling of being on her body is really indescribable. But right now, Yue Feng was still sore. How can you enjoy it.

“Right.. I’m sorry..” Ren Yingying only reacted when she heard this, a red glow appeared on her face, and she got up from Yue Feng in a hurry.

Immediately afterwards, Ren Yingying looked at Yue Feng worriedly: “Are you alright?”

Yue Feng stood up, patted the soil on his body, and said indifferently: “Father Huang is alright...”

“Yue Feng!” Ren Yingying Shouting out these two words through gritted teeth, the two of them were about to fight again. As a result, at this moment, a strange voice suddenly came!

swish...

swish...

This sound is very strange, I can't describe what it is. It just sounds intriguing.

Yue Feng followed the voice and looked at it, and the whole person was stupid! I saw a black shadow more than two meters long, slowly moving over!

hiss!

Yue Feng only felt his scalp tighten, and he couldn't help taking a breath of cold air!

Chapter 618

Oncoming, is a huge scorpion.

This scorpion is more than two meters long! That's right, a scorpion that is more than two meters long! Its black carapace is like steel armor! Looks indestructible!

On this scorpion's head, there is also a red eye that exudes a blood-colored light. At first glance, it looks like a ruby.

"This... is this the Sky-Eyed Scorpion King?"

Ren Yingying's delicate body trembled, and she couldn't help but let out a coquettish cry.

Yue Feng was stunned for a moment: "Do you know this thing?" As

soon as he finished speaking, he saw the Sky-Eyed Scorpion King suddenly speeding up and rushing forward!

Ren Yingying was the closest and couldn't dodge at all, and was swept away by the long scorpion tail.

Bang!

This time, Ren Yingying slammed into the stone wall directly, and couldn't help spitting out a mouthful of blood, her face pale.

"Are you okay?" Yue Feng asked with concern. He never thought that he would encounter such a big scorpion here.

The blow just now, I'm afraid it has a thousand powers, right? !

Ren Yingying coughed a few times. It was obvious that she was seriously injured just now. She said anxiously: "Yue Feng, this is the Sky-eyed Scorpion King. This kind of

scorpion only appears in ancient tombs, and it is very poisonous! It absorbs the yin in the tomb for a long time, so it will attack anyone when it sees it! You have to be careful!”

As soon as he finished speaking, he saw the Sky-Eyed Scorpion King screaming and rushing towards Yue Feng! The speed is called a fast!

Yue Feng held the blood-drinking sword, and he was not afraid at all, and stabbed it with a sword!

In this ancient tomb, Yue Feng could not use his skills. Because of the release of skills, the fluctuations are too large, I am afraid that this ancient tomb will collapse. So we can only rely on weapons. No matter how hard the scorpion king's carapace is, is it not as sharp as the blood-drinking sword?

“Pfft!”

The scorpion king let out a howl as he stabbed it, and was completely angry. With a sweep of his tail, Yue Feng was swept away!

“Huh!”

Yue Feng flew out more than ten meters, and felt that the river was turned upside down in his stomach, and a mouthful of blood spurted out.

At this moment, the tail of the Sky-Eyed Scorpion King was raised high, and the scorpion tail needle pierced directly at Yue Feng!

“Yue Feng, be careful...”

Seeing this scene, Ren Yingying's pretty face changed, and she couldn't help shouting out!

Yue Feng was sweating profusely. You must know that the tail needle of a scorpion is highly poisonous! This Sky-Eyed Scorpion King is the king of scorpions, the poison of poison! If he gets stung, he still won't die here?

Yue Feng felt the danger and wanted to dodge, but the speed of the Scorpion King was too fast, and he was still a step too late.

Pfft... The

scorpion tail stabbed into Yue Feng's back fiercely, and at the same time, the venom was injected into it!

“Ah!” Yue Feng howled in pain, and at the same time he was stung, he stabbed with a sword. This sword finally cost the Scorpion King his life. After struggling a few times on the ground, he stopped moving.

It's over...

Yue Feng clenched his fists tightly and was stabbed by the scorpion tail poison needle just now. At this time, he only felt numbness in his back, he was unconscious, his face was blue, and it was indescribably scary.

Pfft!

The next second, Yue Feng fell to the ground, hunched over, trembling uncontrollably.

“Yue Feng, how are you?” Ren Yingying then reacted, ran over quickly, and asked anxiously.

Yue Feng's lips were trembling, and he couldn't speak at all.

He felt powerless!

Are you going to die?

Yue Feng thought in his heart, his face was full of unwillingness! I thought that I could find treasures when I came to this ancient tomb, but the treasures were not found, but I encountered a Sky-eyed Scorpion King and was stabbed by a poisonous needle.

Chapter 619

Seeing Yue Feng's pale face, Ren Yingying was so anxious: “Yue Feng, hold on...”

Yue Feng showed a wry smile, I'm afraid this time, he really can't hold it anymore. The scorpion venom had already penetrated into the body.

“Yes, I remembered! There is a way to save you!” Ren Yingying seemed to suddenly remember something, stood up quickly, walked to the side of the Scorpion King, picked up the blood-drinking sword, and put the 'red eye' on the Scorpion King's head 'Dig it down.

what is she doing

Seeing this scene, Yue Feng was at a loss.

I saw Ren Yingying walking over with red eyes, with a bit of excitement on her face: “Yue Feng, open your mouth. This thing can detoxify.”

Ren Yingying said softly: "I am in the library of Tianqi Continent, I once saw an ancient book. It is recorded in the ancient book that the 'red eyes' on the forehead of this Sky-eyed Scorpion King are not eyes, but its essence."

Speaking of which, Ren Yingying continued: "It is said that as long as Eating its soul can detoxify hundreds of poisons, and it will not invade in the future. But for thousands of years, no one has tried it, because this kind of sky-eyed scorpion king is hard to come across." As

she said, Ren Yingying Directly put the soul essence into Yue Feng's mouth.

The moment he swallowed the soul essence, Yue Feng only felt warm all over his body.

"Eat this thing, can it really detoxify, won't the poisoning be more serious..." Yue Feng muttered.

"You're talking too much nonsense." Ren Yingying snorted, too lazy to pay attention to him.

After nearly ten minutes, Yue Feng's complexion gradually improved, and he only felt the numbness in his body gradually disappeared!

I have to say that this scorpion king's celestial eyes really work. Yue Feng stood up and moved a bit, and found that the poison in his body had disappeared.

"I saved your life, thank me quickly." Ren Yingying said with a smile.

Yue Feng didn't speak, he took out his mobile phone, turned on the flashlight, and took a look at the front. He was afraid now, afraid that two monsters would suddenly jump out.

However, when the flashlight flickered, Yue Feng and Ren Yingying trembled at the same time!

Shock!

My heart is full of shock!

In front of the two of them, nearly ten meters away, a huge crystal coffin hung there.

Inside the coffin, a person lay quietly.

The man had snow-white beard and was wearing silver armor. A dragon is engraved on the armor, lifelike! The man lay motionless in the crystal coffin, and he did not know how long he had been dead. But it still feels powerful!

Lying in this crystal coffin is the owner of the tomb!

Yue Feng and Ren Yingying walked over quickly, their hearts were extremely shocked!

“With such a large crystal coffin and silver dragon armor, this tomb owner must have been a big man before his death.” Ren Yingying couldn’t help but exclaimed.

Yue Feng nodded in agreement and looked around.

Next to the crystal coffin, a stone tablet was erected. This stone tablet is more than five meters high, and there are many words written on it densely!

Ren Yingying walked over quickly, looked at the stone tablet, and read word by word: “My name is Zhao Yun, the word is Zilong. General of Shuhan Zhennan...”

What?

Zhao Yun? Is this Zhao Yun’s tomb? !

The god of war Zhao Zilong? !

Yue Feng’s mind went blank, he walked over quickly, and was completely stunned when he saw the words on the stone tablet.

In the whole world, who does not know Zhao Zilong? !

Zhao Yun fought in the world all his life, no one can match! Changbanpo has seven in and seven outs, and became famous in the first battle! Known as the God of War by later generations!

This tomb is Zhao Zilong’s tomb... I wouldn’t be dreaming.

Seeing Yue Feng’s shocked face, Ren Yingying was very surprised: “What’s wrong with you? Are you stupid?”

She is the princess of the Tianqi Continent. She is not familiar with the history of the Earth Circle, so she naturally doesn’t know Zhao Zilong’s reputation.

At this time, Yue Feng was still immersed in shock, unable to recover for a long time.

Ren Yingying looked bewildered, and continued to read the words on the stone tablet: “I, Zhao Yun, have been in the army all my life, but I have never accepted any disciples. After I die, I hope that someone who is destined can inherit my unique skills.” After

reading this, Ren Yingying took a breath and continued. I read: “My tomb has an illusion formation. There are not many people in the world who can pass through the illusion

formation. If you can see the words on the stone tablet, it means that you have passed the illusion formation. It proves that you have fate with me. That being the case, I, Zhao Zilong, will pass on a set of exercises for you. This exercise will be engraved on the back of the stone tablet. In addition, I will give you two 'Wuji Jindan'."

Passing down a set of exercises, and... Promise Golden Elixir?

Hearing this, Yue Feng trembled all over, and his heart couldn't contain the excitement! Quickly walk behind the stone tablet.

Sure enough, on the back of the stone tablet, there is a set of key points of the exercise. On the stone platform below, there is an exquisite brocade box, which has been exquisite for thousands of years.

Chapter 620

Yue Feng picked up the brocade box first, and opened it without hesitation.

The moment the brocade box was opened, a golden halo was projected. Inside, two golden medicinal pills were placed quietly, but they were golden and full of charm.

It is the Promise Golden Elixir!

"Wuji Jindan, it's really Wuji Jindan!" Yue Feng was so excited that his voice trembled.

According to legend, Qin Shihuang summoned many alchemists to refine the elixir of immortality for the sake of immortality. As a result, the elixir of immortality was not perfected, but by mistake, the infinite golden elixir was refined.

You can only take one of the Promise Golden Elixir in a lifetime. After taking it at any rank, you can improve the strength of the third rank!

That's right, if a martial artist eats it, it will become a fourth martial artist. After eating one stage of martial arts, it will become a fourth stage of martial arts!

This Promise Golden Elixir is definitely a rare elixir in the world! However, after the demise of the Qin Dynasty, the recipe of Wuji Jindan was lost.

"Wuji Pill Technique", just a brief introduction to the Wuji Golden Pill, there is no record of how to refine it!

Yue Feng never thought that in Zhao Yun's tomb, there would be two infinite golden elixir.

At this time, Yue Feng and Ren Yingying looked at each other, each one put the medicine pill into their mouths on the spot.

hum.

At this moment, a powerful aura exploded in the bodies of the two of them!

The two of them sat cross-legged on the ground, only to feel their strength grow!

In about three hours, the Promise Golden Elixir was completely absorbed. Yue Feng opened his eyes, his face full of joy!

Sure enough, after being promoted to the third rank in a row, he is now the fourth rank of Marquis!

Ha ha! Yue Feng was overjoyed and threw two punches at will, feeling that his power was much stronger than before!

Excited, he couldn't help looking at the stone tablet. On the stone tablet, there is also a record of a practice.

"The Promise Good Fortune Palm!"

Such a domineering name!

Yue Feng took a deep breath and sat on the ground impatiently, looking at the formulas engraved on the stone tablet, and began to practice.

Ren Yingying also sat beside him happily, and followed him to learn this exercise.

This Promise Good Fortune Palm is a very powerful skill, and it is not so easy to understand.

The two carefully studied the exercises, and they have completely entered the state, and they can't feel the passage of time at all.

In the blink of an eye, a few days passed quietly. However, Yue Feng and Ren Yingying are still studying hard.

.....

Babel Island.

Inside the hall, there is a lot of excitement!

Dozens of maids are busy arranging the banquet.

Today is a big day, the messenger of Apocalypse Continent came to Tongtian Island. The bishop specially hosted a banquet.

All the disciples of Tongtian Island had smiles on their faces. Because tonight, there is no need to patrol or work, the leader has ordered, everyone can drink and eat meat tonight, and all the disciples can relax!

But some are happy and some are sad.

At this time, the leader's wife, Qin Rongyin, was walking to and fro at the door of the room. That very delicate face, full of anxiety and anxiety. Tonight, she is going to set a fire and leave Tongtian Island.

At this moment, an elite disciple walked over quickly.

This elite disciple is Qin Rongyin's confidant, and Qin Rongyin trusts him very much.

When they got to the front, without waiting for the disciple to speak, Qin Rongyin couldn't wait to ask, "Have you heard about Yue Feng?"

When they separated last time, Yue Feng promised himself that he would come to pick him up and leave Tongtian Island this evening.

But in the blink of an eye, many days have passed, and Yue Feng has not contacted him. Today is the day to act. As a last resort, Qin Rongyin had to send someone to find him.

The disciple said respectfully, "Reporting Madam, my subordinates searched the entire Donghai City, but couldn't find Venerable Tongtian."

Hearing this, Qin Rongyin became even more anxious and waved his hand: "Okay, you go down. Let's go."

What's the matter, Yue Feng...why didn't he come to pick me up... Qin Rongyin suddenly panicked. He, did he forget me...

In another two hours, when the banquet started, he would start setting fires, creating the illusion that he was buried in the fire, and then escaped.

Without the protection of Yue Feng, how can I leave Tongtian Island by myself. Even if you successfully leave Tongtian Island, where can you go...
