

The ultimate husband in Chinese chapter 71-75

Chapter 71

“Since you don’t believe in my magic pill, then go ahead and say goodbye.” Yue Feng didn’t care, he turned around and left.

“Wait!”

Just as Yue Feng took a few steps, Yang Long stopped him.

“You can really make me break through to a general?” Yang Long asked suspiciously.

“Of course.”

Yue Feng was too lazy to say more, and simply responded with two words.

Yang Long breathed a sigh of relief: “Okay, I want this Immortal Pill, how much do you want?”

Yue Feng laughed.

This Yang Long has a lot of money and thinks that anything can be solved with money.

Well, you have money, right, then I’ll let you break through your fortune today.

Thinking in his heart, Yue Feng stretched out two fingers.

Yue Feng’s original intention was to ask for 200 million.

However, Yang Long was obviously wrong about what he meant.

“Two billion?” Yang Long’s eyes flickered, then he gritted his teeth and nodded: “Okay, I want two billion!”

Ga?

This chapter is provided by . Visit for daily update.

Two billion....

Yue Feng was taken aback for a moment, two billion bought me a fairy pill, without blinking, this kid is a bit too arrogant.

Yue Feng was not a cultivator at this time, so he couldn’t understand the pain of being stuck in a bottleneck, so he couldn’t understand Yang Long’s mood.

While stunned, Yue Feng couldn't tell the excitement and excitement in his heart. This magical elixir that he refined was actually so valuable.

After that, what kind of company do you work hard for?

Just practice some more magic pills and you're done.

As I was looking forward to it in my heart, I heard Yang Long's tone cool down: "But I'm going to say that before, if this Immortal Pill doesn't work, I'll let you know the end of cheating me."

At this time, Yang Long's tone was cold . . . There was also a terrible murderous aura all over him.

Yue Feng smiled lightly: "Don't worry about this."

Yang Long clapped his hands and called his private finances, ready to transfer funds to Yue Feng.

At this moment, Yue Feng smiled slightly and said, "Mr. Yang, don't worry, I will sell it to you before I promise 2 billion."

"What do you mean?"

Yang Long's face sank.

Is this kid tired of living, dare to go back on his word?

Yue Feng's expression remained unchanged, and he pointed to the jade finger on the offering table next to him: "In addition to paying me two billion, I also want this thing."

Looking in the direction of his finger, Yang Long took a deep breath.

This ring finger was stolen from the Tianshan faction. It is said that there is a big secret in the ring. As a result, after researching it for more than a year, I have not found the so-called big secret.

Anyway, it's useless to stay by your side, maybe it will cause trouble in the future, it is better to give this Yue Feng the opportunity.

Thinking to himself, Yang Long nodded: "Okay, it's just an antique, you can take it."

Huh?

actually agreed.

Yue Feng was stunned. He thought he would refuse, but he didn't expect it to be so straightforward.

However, Yue Feng didn't think much about it, walked straight over, picked up the jade finger and put it on his hand.

It's not too big, not too small, it fits well, haha.

Yue Feng was very satisfied, but he didn't notice that the moment he put the jade wrench on, a faint smile appeared on the corner of Yang Long's mouth.

This ring was originally stolen by myself. But from this moment on, it was this Yue Feng who stole it!

Soon, Yang Long turned 2 billion over.

An Immortal Pill, exchanged for 2 billion, plus an antique, made a lot of money, Yue Feng left the manor satisfied.

....

at this moment.

Yue Family Villa.

Chapter 72

After a noisy day, the guests in the villa are almost gone, and some of the elders of the Yue family have also left, leaving only the younger generation, who are still drinking in the hall and shouting that they want to make a bridal chamber.

The groom, Wang Yan, drank too much in the afternoon, and was still sleeping soundly in the room, so the bride Zhang Jijia needed to serve instead of Wang Yan.

Brother Yue Chen and sister-in-law Chen Yun are of course there.

"Okay, I've almost finished drinking today, let's go home." At this time, seeing that it was getting late, Chen Yun urged.

Yue Chen obviously wasn't quite happy yet, he waved his hand: "Today is taking advantage of Wang Yan's marriage, it's rare for us to get together, you go first, I'm chatting with them for a while.

"Yes."

Chen Yun looked unhappy, but in front of several clansmen, it was not easy to embarrass Yue Chen, so she left first.

As soon as Chen Yun left, Yue Chen's eyes fell on the bride Zhang Jiajia.

The younger generation is sitting there drinking, Zhang Jiajia has been pouring tea and water, a perfect wife.

My younger brother and sister, although they are okay in length, but their figure is just right. I was already a little drunk, but looking at Zhang Jiajia at this time, the more I looked, the more beautiful I became.

Gudong!

Yue Chen couldn't help but secretly swallowed.

At this time, everyone had almost finished drinking, Yue Chen stood up and said with a smile: "Okay, everyone is having a good time today, Wang Yan hasn't woken up yet, Jiajia has to clean up the house, so don't make any bridal chambers, everyone. Go back."

Seeing Yue Chen say this, everyone nodded. No one dared to go against it. After all, he will inherit the family in the future.

"Jiajia, it's really hard for you today." Seeing the last person leaving, Yue Chen said to Zhang Jiajia.

Zhang Jiajia smiled reservedly: "Brother, you're welcome, this is what I should do. Wang Yan has drunk too much and can't entertain you, so I'll be doing it for him."

Yue Chen nodded: "Wang Yan can marry a good daughter-in-law like you. , what a blessing."

As he spoke, he walked to the table and poured a cup of tea.

At this moment, Yue Chen took out a small bottle from his body and poured some powder into the tea.

After doing this, Yue Chen turned around and handed over the tea: "Jiajia, I drank a lot of bars today, and had a cup of tea to wake up. I'll have to work hard for you to take care of Wang Yan in a while."

"Thank you, brother." Zhang Jiajia didn't think much about it. , took the tea and took a sip.

"Okay, then you're busy, I'll go back too." Yue Chen smiled.

Zhang Jiajia hummed, sent him outside the hall, and then returned to clear the table.

In just a few minutes, Zhang Jiajia felt a sense of dizziness, and then fell unconscious on the sofa.

At this moment, a figure flashed past the hall door. Yue Chen walked in with a wicked smile.

“It smells so good!” When he walked to the sofa and hugged Zhang Jiajia, Yue Chen took a sigh of relief. Kiss past!

At this time, Zhang Jiajia was unconscious, and let Yue Chen play with it.

ten minutes later.

A red coupe came quickly and stopped at the door of the villa, followed by sister-in-law Chen Yun, who walked down with a blank expression.

As soon as I entered the hall, I heard a blushing voice.

Without the slightest hesitation, Chen Yun walked over quickly and opened the door.

Yue Chen, who was in Wenrou Township, was almost paralyzed without having a heart attack. It was Zhang Jiajia who was lying with him. She was still in a coma at this time, but she was already stained.

Seeing the situation in the room, Chen Yun’s face was full of anger, she walked over and slapped Yue Chen fiercely, pointing to his nose and cursing.

“Yue Chen, are you worthy of me? I knew that you definitely didn’t feel good about staying here.”

“She is your younger brother and sister! How could you do such a depraved thing? You are a beast! You are worthy of me. What!”

His wife’s anger caused Yue Chen to panic completely, knelt on the ground and kept slapping himself: “Wife, wife, I’m wrong, I’m a beast, I’m fascinated, I’m sorry, I’m sorry.”

This Yue Chen used to be a strict wife, but now he does this kind of thing and is caught by his wife on the spot, can you not be afraid?

Chen Yun’s delicate body trembled, her husband did such a shameless scandal, and if it was exposed, how would he inherit the family in the future? As the saying goes, the wife of a brother should not be deceived. This is a big taboo!

Chen Yun bit her lip tightly: “Get up, put your clothes on.” How

dare Yue Chen say anything, he was a little afraid of his wife at first, so he quickly put on his clothes, and then said carefully, "Wife, what should I do next? Ah?"

"What should I do?" Chen Yun glared at him, she could see that Zhang Jiajia was still a perfect body, and now she was sullied by Yue Chen, it was impossible not to find out when she woke up.

Chen Yun stomped her foot angrily: "Yue Chen, I'll settle this account with you when I get home. Now you hurry up... go find that gossip mirror and put it next to her."

Gossip mirror?

What are you looking for that thing for?

Yue Chen looked puzzled.

Chen Yun said angrily; "Why are you standing still? Go look for it. Only this thing can help you clear your suspicions. Now there is no other way. You can only blame your useless brother, Yue Feng."

Chapter 73

Yue Chen suddenly realized, understood what his wife meant, and quickly brought over the gossip mirror.

"Wife, you are so smart." After handing the gossip mirror to Chen Yun, Yue Feng licked his face and praised.

Chen Yun ignored him, put the gossip mirror next to the bed, then walked over again, opened the window, and created the illusion of stepping through the window.

It is already obvious to do so. It is to put the blame on Yue Feng.

During the daytime, Yue Feng talked about Feng Shui theories, surrounded the clouds and mountains that everyone said, and said that Yang Jing fainted because of this gossip mirror.

Although Chen Yun didn't believe it, she knew that many people believed it at that time, including this Zhang Jiajia.

Since Yue Feng understands Feng Shui metaphysics so well, he naturally has a way to use the Bagua mirror to make Zhang Jiajia faint.

When Zhang Jiajia wakes up and finds herself defiled, and sees the gossip mirror on the bedside, she will naturally suspect Yue Feng.

After arranging everything, she found that Yue Chen was still staring at Zhang Jiajia. Chen Yun said angrily, "I haven't seen enough yet? Haven't left yet?"

After speaking, Chen Yun turned and walked out of the room.

Yue Chen hurriedly chased after him, thinking about it, and said, "Will this method work, in case Zhang Jiajia goes to the hospital tomorrow..." Before

he could finish speaking, Chen Yun became even more angry: "You think everyone is the same You are just as shameless, and people don't want your reputation?"

Hearing this, Yue Chen felt that there was some truth, his expression relaxed, he didn't say anything, and left quickly.

...

At this moment, Yue Feng is here.

The marriage of his younger brother Wang Yan made Yue Feng feel a little bit. During the banquet, he thought of his wife Liu Xuan from time to time.

So Yue Feng did not go to the company, but went home.

Although everyone in the Liu family looked down on him for three years, including Liu Xuan, Yue Feng knew that Liu Xuan still had feelings for her in her heart.

When I got home, I found that my father-in-law and mother-in-law were not there.

Liu Xuan was sitting on the sofa in the living room, her left leg resting on her right leg, she looked sexy, but her face was a little anxious.

Seeing Yue Feng's return, Liu Xuan's face flashed with joy, then returned to normal and said, "You're back?"

Yue Feng hummed.

"Exactly, my car was borrowed by a friend, you accompany me to a place." Liu Xuan stood up, looking very anxious.

Yue Feng didn't ask much, and left the house with Liu Xuan.

On the way, Yue Feng learned that Shen Man was having dinner with several classmates, and seeing that those classmates were all bringing their children, Shen Man called and asked Liu Xuan to go to sit too.

“Then why should I follow along?” Yue Feng asked in confusion after knowing the situation.

Liu Xuan rolled her eyes at him: “It’s fine if you don’t want to go, just send me to the place and you can go home, I won’t force you.”

Seeing her coquettish look, Yue Feng smiled and said nothing more.

Soon, the two arrived at the hotel where Shen Man ate.

When entering the box, I saw Shen Man and a few classmates chatting happily. These Shen Man’s classmates are well maintained, but compared with Shen Man, they are far worse. The children of her classmates were also present.

As soon as Liu Xuan came in, Shen Man smiled, but when he saw Yue Feng, Shen Man’s expression suddenly changed.

I asked my daughter to come over because I wanted to give myself a face, but why did this waste come along?

Shen Man was very unhappy, but with so many people around, it was not easy to chase Yue Feng away.

“Oh, this is your daughter Liu Xuan, she’s so beautiful!”

“It is said that your daughter, on behalf of the Liu family, has negotiated a partnership with Ziyu Company. The recently popular star, Li Qin, is your daughter who is in charge of packaging? It’s really beautiful. , you can do it.”

At this moment, after hearing Shen Man’s introduction, many people in the box praised one after another, with envy in their eyes.

Shen Man was overjoyed.

With such an excellent daughter, can she not have a face?

Yue Feng sat on the side with a calm expression.

Later, other classmates of Shen Man also began to introduce their children and son-in-law.

Some are corporate executives, some open companies, and even worse are the attending doctors of hospitals.

After everyone got acquainted with each other, a beautiful woman pointed at Yue Feng and asked with a smile, “This is...”

This beautiful woman is called Ma Ying. When she was in school, she liked to compare herself with Shen Man and saw Shen Man's daughter. So excellent, naturally unwilling to lag behind.

In fact, Ma Ying had already guessed Yue Feng's identity. Door-to-door son-in-law, who doesn't know.

At this moment, I deliberately asked, just to embarrass Shen Man.

Sure enough, as soon as Ma Ying's voice fell, the eyes of everyone around him converged on Yue Feng.

Chapter 74

Shen Man's smile also froze, a little embarrassed and gloomy.

Liu Xuan, on the other hand, stood up and introduced with a smile: "This is Yue Feng. I am married to him."

"Oh..." Ma Ying asked in a long tone, "It turned out to be Shen Man's son-in-law, looking at a talented person, don't know where to get a high-ranking job?"

"Working in a company." Yue Feng said lightly.

Yue Feng had already seen Ma Ying's thoughts, but he just didn't want to worry about it.

"What company, what does it do?" Ma Ying asked reluctantly with a smile on her face.

Yue Feng's expression remained unchanged: "A small staff member."

Haha!

It was just a small employee.

Hearing this, the faces of the other people around were faintly disdainful.

Seeing the reactions of the people around, Ma Ying was very satisfied and smiled: "The little staff is not bad, even if she doesn't go to work, it's no big deal. Xuan'er is so good, it's no problem to raise you at home.

" A bit of mockery.

Shen Man's face became more and more embarrassed.

It's all this Yue Feng, don't you know who you are? He actually licked his face and followed him, making himself so embarrassed.

Liu Xuan's eyes flickered, her expression a little unnatural, and at the same time she felt a little regretful in her heart.

If I had known this earlier, I would not have brought Yue Feng here.

At this time, Ma Ying stood up with a glass of wine and said with a smile, "It's rare for our classmates to get together today. I announce the good news. My daughter is about to get married. This is my prospective son-in-law, Zhang Tao."

The voice fell, and a young man sitting next to Yue Feng stood up and said very politely: "Hello everyone, my name is Zhang Tao, and I am currently the general manager of the Qianye Group branch."

Wow!

In an instant, everyone in the box couldn't help but be amazed.

"Qianye Group? Is it the Qianye Group that specializes in foreign trade? It's a big company!

"It's not easy to be the manager of a branch company of Qianye Group!"

"When Ma Ying introduced it, Zhang Tao came back from studying abroad, right?"

"Sister Ying, you are so lucky to find such a good person. My son-in-law."

For a time, while everyone in the box was admiring, their gazes towards Zhang Tao were also full of admiration.

At this moment, Ma Ying's sense of superiority has received a lot of satisfaction!

At the same time, he also looked at Shen Man.

What if your daughter is excellent? Although my daughter can't compare to Liu Xuan, she has found a good husband.

Hearing everyone's praise, Zhang Tao's face was full of humility, and he waved his hand and smiled: "Actually, being the general manager is not easy at all. It is said that the greater the ability, the greater the responsibility. Alas, with more than a thousand people under his control, a little freedom There is no time. Fortunately, the salary is high, and it is only a few hundred thousand a month."

Speaking of which, Zhang Tao smiled at Ma Ying: "Mom, the wedding will be held in a week, and I just booked one. A Mercedes-Benz S-Class as the wedding car of the day."

Mercedes-Benz S-Class?

Hearing this, many people in the box were once again amazed.

Such a good son-in-law, where can I find it?

Ma Ying couldn't stop laughing, and nodded again and again: "Okay, your wedding, you can handle it yourself."

Zhang Tao nodded, and then said with emotion: "Actually, for me, the car is just a means of transportation. There is no need to buy a good tool, but I have to admit that the more high-end the car is, the more comfortable it is to drive."

When he said the last sentence, Zhang Tao tilted his head and looked at Yue Feng with a smile: "Right, Yue Wind."

Before coming here, Ma Ying specially explained to Zhang Tao that in today's class reunion, while giving himself a face, he should also give a good blow to Shen Man.

Therefore, in order to please his mother-in-law, Zhang Tao would not miss the opportunity to belittle him.

This Yue Feng is just a son-in-law, and he can completely abuse him by revealing some of his family background.

Yue Feng did not speak, but nodded with a smile.

However, Zhang Tao obviously didn't intend to let Yue Feng go like this, with a gentle smile on his face, he said again: "I don't know what car Yue brother is driving?"

At this moment, everyone's eyes were focused on Yue Feng, with a contemptuous smile on his face.

Shen Man, who was sitting beside him, instantly turned black.

This bastard came here, just to shame himself.

As for his broken electric car, how can you say it?

Chapter 75

"My car? Hmm.. I also thought that the car was just a means of transportation, so I bought a normal car, the Audi R8."

Under the gazes of everyone, Yue Feng said lightly.

Yue Feng was right. That Audi R8, among the world's top sports cars, is completely entry-level, isn't it ordinary?

Whoa!

However, everyone in the box was in an uproar, looking at Yue Feng in disbelief, thinking that they had heard it wrong.

At the same time, Shen Man and Liu Xuan almost choked on the tea.

He was really embarrassed to say that the Audi R8 was lent to him by his boss, but now he said it was his own.

Really thick skinned.

Zhang Tao was stunned.

Audi R8? That's a nearly two million sports car.

What is this kid doing here? !

"Shen Man, your family's Xuan'er is so kind to Yue Feng. Buy him such a good car." At this moment, Ma Ying recovered and smiled at Shen Man. It was unabashedly mocking.

She didn't believe that Yue Feng would be able to drive an Audi R8. Liu Xuan must have bought it for Yue Feng to support the scene.

In the end, it's a piece of junk that eats soft rice.

Shen Man stern face, did not respond.

At this moment, Yue Feng opened his mouth and said lightly, "Xuan'er didn't buy the car for me, but my boss."

Hahaha! As soon as these words came out, everyone in the box was laughing, and almost didn't suffer from internal injuries. A few girls couldn't help it anymore and laughed.

Ha ha ha ha! This Yue Feng is so interesting.

After a long time, the car is not his own. Ha ha!

Is this kid acting as a skit?

Too special code is funny haha.

Shen Man's face was full of black lines, and at this time, he could not wait to find a crack to burrow into.

But Yue Feng wasn't finished yet, Yu Feng turned around and said, "But it's mine now. The boss saw that I did a good job, so he gave me the car."

What?

What kind of boss is so generous, and casually sends an Audi R8 to his employees?

Everyone was stunned for a moment, and then Zhang Tao asked with great interest: "I don't know which company Brother Yue works for? The treatment is so good?"

Yue Feng glanced at him and said lightly, "It's just a small company."

Zhang Tao simply I didn't believe it, but I didn't plan to continue talking. This Yue Feng is too bragging. Zhang Tao smiled slightly, took out an exquisite gift box from behind, and handed it to Ma Ying: "Mom, I have been busy before and rarely visited you. Thank you for your trust in handing over your daughter to me. This is my little thought. , I hope you will like it, Mom!"

Ma Ying took the gift box: "Look at you, you are a family from now on, and you still see things like this."

He said this, but his face burst into a smile.

"Sister Ying, what is it?"

"Yeah, show us!"

At this moment, a few people next to him asked curiously, with envy in their eyes.

Ma Ying happily opened the gift box, and what caught his eye was a dazzling brilliance. When he unfolded it, it was a long Chinese dress studded with jewels.

Whoa!

Immediately, the entire box suddenly rang out with exclamations.

"What a beautiful dress! Are all the gems on it real?"

"Oh my God, that's one of the most famous brands abroad. I saw it on TV two days ago. During the International Fashion Week, that world This is what the supermodel wears."

"This...this is a lot of money, right?"

Ma Ying asked Zhang Tao with a smile amid the surrounding exclamations.

Zhang Tao shook his head and smiled: "It's not much money, maybe hundreds of thousands!"

Hundreds of thousands?

How much is this still?

For a time, the eyes of many women in the box were straight.

Foreign famous brand, supermodel with the same paragraph.

What if I could have one myself?

At this moment, even Liu Xuan couldn't help but be moved.

Shen Man's expression is also hard to see the extreme.

Feeling the envious eyes of everyone around, Ma Ying was overjoyed, but at the same time she said to Zhang Tao embarrassedly: "Xiao Tao, I can't ask for this gift, it's too expensive, and the clothes are too revealing."

Zhang Tao smiled. He said, "Mom, a gift of only a hundred thousand yuan is so precious? Besides, this dress suits your temperament best."

"Okay." Ma Ying rubbed her long skirt with her hands, her face unable to hide the excitement in her heart. , reluctantly said: "Then I'll accept it!"

Immediately, Ma Ying was very emotional: "It's still the old saying, a son-in-law is half a son. According to me, it's better than a son. My son-in-law is a person. Ah, it's reliable. I've never been like some people who only know how to blow."

When he said this, Ma Ying's eyes turned to Shen Man, intentionally or unintentionally.

Shen Man was already aggrieved in his heart, but now he was even more annoyed when he heard the mockery in Ma Ying's words!

Seeing that Yue Feng was nothing to do, sitting there drinking tea slowly, Shen Man was shaking with anger.

This waste, is still in the mood to drink tea?

Shen Man wanted to stand up and leave.
