

The ultimate husband in Chinese chapter 721-725

Chapter 721

This water-soaked Taixuan scripture immediately became the focus of the three brothers.

I saw a broken map on the cover of this book.

There are mountains and rivers on it...

Not only that, but on this map, there are also some ancient characters that have emerged.

Seeing this scene, Yue Feng was very excited, and quickly took the tea and splashed the other six scriptures.

Sure enough, as soon as these scriptures touched the tea, the map on the cover surfaced.

The three brothers were in a hurry, putting together the seven scriptures. Suddenly, a complete ancient map appeared in front of us.

hiss.

In an instant, the three brothers couldn't help gasping for air!

On this map, there are several lines of ancient characters, and Yue Feng read it out word by word: "The vast world is divided into nine continents, and the nine continents are named Tianqi, Di Yuan, Nanyun..." "

Hearing this, the three brothers looked at each other, shocked!

Are there nine continents in the world? !

Isn't there only the Earth Continent and the Apocalypse Continent?

At the same time, Yue Feng's heart is also difficult to calm down. Resisting curiosity, he continued to read: "In these nine continents, there is a peerless treasure hidden. On the map, the location of the red circle is the location of this treasure."

Speaking of this, the three brothers gathered around, sure enough, on this map, marked with a red circle.

This chapter is provided by . Visit for daily update.

“Peerless treasure?” Sun Dasheng was extremely excited: “Then we will take the map and go find this treasure!”

Yue Feng nodded, took out his mobile phone from his pocket, took a picture of the map, and said to Li Nan, “Brother and sister, take these seven scriptures, find a place to dry them, and put them away.”

Women are always more attentive, and Yue Feng is also more at ease by letting Li Nan collect the seven scriptures.

“Okay.”

Li Nan replied, and walked to the Yue’s yard, took out the scriptures, put them in the sun, and began to dry them.

As a result, at this moment, I saw two women, walking from not far away.

One of them, dressed in a long dress, is very glamorous and beautiful, and it is Master Miao Yuan.

And the other one is very sexy, black tights, the figure is too good, it is Chen Yun!

Seeing these two women, Yue Feng instantly put away his smile. I just feel suffocated.

Yue Feng really didn’t have a good impression of this wonderful teacher.

And Chen Yun. Although she is Yue Feng’s sister-in-law, Yue Feng is annoyed when she sees her! Three years ago, he used 8 million to invest in an oil company, and it was Chen Yun who provoked it, and he was expelled from the family.

At this time, Chen Yun and Master Miao Yuan had already entered the hall.

When she got to the front, Chen Yun had a smile on her face, and said to Yue Feng embarrassedly: “Second brother, sister-in-law came here for no other purpose, and I apologized to you on purpose. Jijia was defiled before, and sister-in-law blamed you. I’m so sorry...”

After speaking, Chen Yun’s face showed a bit of disgust and hatred: “You big brother, you are really not human, to do such a beast thing, I’m really blind, married This kind of bastard.”

“Okay, I don’t want to talk to you.” Yue Feng frowned and said coldly.

Yue Feng didn’t have a good impression of this sister-in-law, and really didn’t want to say a word to her! The sister-in-law is very beautiful, but her heart is too cruel.

“Yue Feng, your sister-in-law came to apologize to you, what’s your attitude?” As a result, at this moment, Master Miao Yuan suddenly spoke up.

Master Miao Yuan also came to attend Zhang Jiajia’s funeral. After the funeral, she wanted to come to Yue Feng and apologize to him. After all, I had misunderstood him for so long.

However, hearing that Yue Feng did not accept Chen Yun’s apology, Mrs. Miao Yuan couldn’t help educating her.

“She is your sister-in-law after all. You still don’t accept her apology? Isn’t it a bit too much?” Master Miao Yuan said coldly.

Nima, this sentence, Yue Feng almost died of anger.

At that time, she didn’t give her a good face, and said: “Miaoyuan Shitai, come and tell me, what is the rule in this world that I must accept an apology when someone apologizes to me?”

Yue Feng was full of anger. , Speaking of this, he took a step forward, looked at Master Miaoyuan and said, “My Heavenly Silkworm Treasure Armor, is it still on you? Did I pick you up, or did you take the initiative to take it off?”

“You!” Master Miaoyuan Too angry and flushed, this Yue Feng’s words are too much, right?

Originally, Master Miao Yuan wanted to apologize to Yue Feng, but now when he heard what he said, he suddenly said coldly: “You’re so disgusting, you’re really a jerk, I’ll send Bao Jia to you in a while. Speaking of

this, she looked at Chen Yun: “Let’s go, you don’t need to apologize to this kind of person.”

After that, Master Miao Yuan took Chen Yun and left.

Walking to the door, Chen Yun’s eyes happened to see Li Nan. And the seven scriptures that are drying under the sun.

—

Evening. Yue Feng, Sun Dasheng, and Wen Chou Chou came to the Pearl of the Orient Hotel.

In the entire Pearl of the Orient, there are only their three brothers. Wu Dedao ordered that the Pearl of the Orient would not receive guests tonight.

The three brothers sat at the dinner table and enjoyed their drinks. Get drunk tonight and leave for the Apocalypse Continent tomorrow.

On the other side, the Yue family room.

Li Nan was sitting on the bed, holding a cloth, carefully wrapping the seven classics.

The three brothers were drinking together, and she didn't want to go, so she stayed at Yue's house and waited for the three brothers to come back.

In the afternoon, all seven books of scriptures were dried, and Li Nan put them away. Something so important must be taken care of.

squeak—

Chapter 722

As a result, at this moment, the door of the room was suddenly opened, and a beautiful figure walked in.

It was Chen Yun.

“Sister-in-law...”

Li Nan was taken aback. Although she didn't have a good impression of Chen Yun, Chen Yun was Yue Feng's sister-in-law after all. Li Nan greeted with a smile: “Is there something wrong with my sister-in-law?”

“I must have something to do with my visit. What am I doing here in your room?” Chen Yun sneered. Compared with the gentleness and virtuousness of the day, her attitude was completely heavenly. , an underground.

While talking, Chen Yun's eyes fell on the scriptures in Li Nan's hands.

At this moment, Chen Yun walked over with a cold face, reached out to Li Nan, and shouted tenderly, “Bring it!”

Of course, Chen Yun had heard of these seven scriptures! This is good stuff! Collect all seven, and you can command the world! This kind of thing, no matter how much you pay, you have to get it!

Li Nan was shocked, shook his head, with a firm expression: “I can't give it to you.”

When he said this, Li Nan slowly stepped back, and his delicate face also showed a bit of anger.

This sister-in-law, Yue Feng, is really cunning.

It turned out that she apologized to Yue Feng before, but it was all fake!

This kind of woman is really both hateful and terrible.

“No?”

Chen Yun sneered, walked over quickly, and slapped Li Nan’s face without warning!

Snapped.

With this slap, Chen Yun tried her best to hear Li Nan grunt, staggered back a few steps, and hit the wall all of a sudden, a bright red slap print appeared on her face.

“You...don’t go too far.”

At this time, Li Nan covered his face, his delicate body trembled faintly, and he was indescribably angry.

As Sun Dasheng’s wife, Li Nan is also a mixed society, and he has seen all kinds of battles.

But today, it was the first time I was beaten by a woman.

Li Nan wanted to resist, but was powerless.

Because Chen Yun is a cultivator and her realm is not low, she is not an opponent at all.

“Haha, I’m too much? My husband was supposed to be the heir of the Yue family, but you forced me to escape from Donghai City, leaving me alone as a woman, here alone? You’re not too much?” Chen Yun said coldly, hating Gotta grit my teeth!

Speaking, Chen Yun’s expression was indescribable resentment: “There are also these seven scriptures, how can Yue Feng have such precious treasures?”

Hearing this, Li Nan couldn’t help sneering: “Your What do you mean, your husband was wronged? It’s ridiculous, he defiled his younger siblings and killed him, he admitted it himself, a person like him wouldn’t be sorry to die a hundred times.

“

As soon as the words fell, Chen Yun slapped her again.

“I’m too lazy to talk nonsense with you, just give me the scriptures.” Chen Yun said coldly, and rushed forward to snatch the scriptures.

“If you want the scriptures, dream.”

Li Nan tightly guarded the scriptures in his arms, gritted his teeth, and said firmly: “Even if I die, I won’t give it to you.” “Okay

, okay...”

Come, Chen Yun was completely angry: “I see how long you can survive.” The

three Yue Feng are drinking and discussing matters, and they will not come over in a short time.

When the voice fell, Chen Yun rushed up, raised her jade hand, and slapped it slap after slap.

Snapped! Snapped! Snapped!

Every slap was crisp and heavier.

While beating, Chen Yun drank tenderly: “Will you give it? You bitch, Yue Feng’s stuff, you are such a baby, do you two have a leg? Give me...”

Li Nan gritted his teeth and died. He held the scriptures in his arms, and when he heard this, his body trembled: “No matter what you say, I will not give you the scriptures...”
After a

stalemate, both of them were dripping with sweat. .

Chen Yun was completely impatient, and her eyes flashed with murderous intent: “You forced me.” She never thought that Li Nan, who seemed to be fragile, had a lot of strength. She slapped her so many times, and even died. Hold on and don’t let go.

When the voice fell, Chen Yun had a sword in her hand and stabbed it directly.

puff.

This sword pierced Li Nan’s heart directly.

Blood poured out all of a sudden.

At this moment, Li Nan only felt a chill in his heart, and all of his strength was suddenly taken away, and his delicate body shuddered and fell to the ground, and the scriptures in his hands fell.

Chen Yun hurriedly picked up the scriptures, looked at Li Nan coldly, and said with contempt, “Bitch, I have to force me to kill you.”

After saying this, Chen Yun put away her long sword and quickly left the room.

Speaking of which, this was Chen Yun's first murder, but she didn't panic at all, and she didn't regret it at all.

Now she just wants to get the scriptures and hurriedly go to Tianqi Continent to meet with Yue Chen.

At this time, in the room.

Li Nan felt that his body was getting colder and colder, looking at the direction of the door, he muttered weakly: "Great Sage, Great Sage..."

Chapter 723 The Pearl of the

Orient.

After three rounds of wine, the three Yue Feng brothers had almost finished drinking.

Especially Wen Chou Chou, who was not able to drink enough to drink, his face turned red when he was drinking, and he couldn't sit still.

"Haha, eldest brother, you always say you need to practice your drinking. There are only a few bottles. You can't do it anymore." Sun Dasheng laughed and joked at Wen Chou Chou.

"Who said I can't drink anymore? Come and come..." Wen Chou Chou said, and asked the waiter to continue to take the wine.

Seeing him like this, Yue Feng laughed: "Okay, Dasheng, don't quarrel with Brother Wen, you can't drink much, you've drunk a lot today, it's time to rest.

"I have to compete with Brother Wen." Sun Dasheng said with a wave of his hand.

During the daytime, my three brothers gathered all the seven scriptures, which is a good thing.

It's worth celebrating.

Jingle Bell.

At this moment, Sun Dasheng's cell phone suddenly rang.

"Oh, I'm drinking happily, who is it?" After muttering, Sun Dasheng took out his mobile phone and saw that Li Nan was calling, and answered directly: "Wife, what's the matter?"

Before he finished speaking, he heard the call. On the side, Li Nan's weak voice came: "Husband...I...I don't seem to be able to..."

Dong.

In an instant, Sun Dasheng's body was shocked, and his whole head was buzzing!

Seeing that his face was wrong, Yue Feng and Wen Chou Chou also panicked.

"What's the matter?"

"What's the matter, Great Sage."

Sun Dasheng reacted and said, "Something happened to my daughter-in-law." After speaking, he rushed out of the box.

Yue Feng and Wen Chou Chou looked at each other, Jiu Jin woke up a lot, and quickly followed.

guest room.

boom!

The moment he opened the door, Sun Dasheng was stunned when he saw the scene inside.

Seeing Li Nan covered in blood, with her eyes closed against the wall, there was a shocking wound on her chest, which almost pierced her whole body.

The room was also a mess.

Obviously, Li Nan and people had a fight before.

"Wife..Wife.."

In an instant, Sun Dasheng's eyes were blood red, and he almost collapsed. He couldn't help but shout, rushed over and hugged Li Nan tightly in his arms, bursting with tears and grief!

Sun Dasheng and Li Nan have been married for several years, and their relationship is not good. Sun Dasheng loves Li Nan very much. In terms of love, no one can replace Li Nan!

And at this moment, seeing Li Nan lying in a pool of blood, Sun Dasheng almost went crazy!

“Wife, wife, don’t scare me, open your eyes and look at me, I’m the Great Sage...” At this moment, Sun Dashen hugged Li Nan and kept begging, his voice was almost hoarse, and his whole body was shaking.

Seeing this scene, Yue Feng and Wen Chou Chou, in addition to grief, were also indescribably angry.

Especially Wen Chou Chou, instantly thought of the scene of his wife’s tragic death, and the scene in front of him was so similar to the situation in Changsheng Island at that time.

At this moment, everyone in the Yue family rushed over when they heard the movement. They were all stunned when they saw this scene.

Yue Feng’s face was gloomy, and his heart was unspeakably uncomfortable. He walked over quickly, checked Li Nan’s breath, and suddenly his face became happy: “Da Sheng, don’t cry, she still has breath, hurry, hurry to the hospital.” The

voice fell, Yue Feng stretched out his hand and touched Li Nan’s The lower abdomen, the rolling internal force, was instantly instilled.

As long as there is a breath, it means that there is a chance to live! Although Li Nan’s breath is very weak.

Chapter 724

Sun Dasheng also reacted, and hurriedly took Li Nanchu out of the door.

“Wife, you’ll be fine, you will be fine.”

Out of the door, in the distance, you can still hear Dasheng Sun’s mourning.

With red eyes, Wen Chou Chou looked at Yue Feng and said, “Fengzi. This must have been done by someone from the Yue family. Did you find out just now that Li Nan was holding a piece of cloth in his hand, and that piece of cloth was during the day. She used it to wrap the Taixuan Zhenjing.” At this time, Wen Chou Chou calmed down, looked around the scene, and said coldly.

That’s right, the Taixuan scriptures are gone...

Yue Feng’s body was shocked, and a person instantly appeared in his mind!

Chen Yun!

That's right, in the entire Yue family, Chen Yun is the most likely to attack!

Thinking of this, Yue Feng rushed out.

Boom!

When they got to Chen Yun's room, Yue Feng kicked the door open, and saw that it was empty, and there was no Chen Yun at all.

Also, the room was messy. Many of Chen Yun's clothes and pants were scattered all over the place. There are even gold and silver jewelry, all sprinkled on the ground.

Obviously, Chen Yun ran away and walked in a hurry.

"Shit you! Chen Yun!"

Yue Feng clenched his fists and slammed his fist on the wall, the anger in his heart rose!

Do you still need to think about it, it's Chen Yun, it's her!

"Chen Yun, even if you go to the ends of the earth, I will find you." Yue Feng roared and left with blood red eyes!

As a result, as soon as he walked outside the villa, he saw a charming figure walking towards him.

It was Zhou Qin!

I saw Zhou Qin's hand holding a piece of clothing. Under the moonlight, the clothes shone with gold. It is Yue Feng's Heavenly Silkworm Treasure Armor.

Just now, Master Miao Yuan gave the treasure armor to Zhou Qin and asked her to bring it to Yue Feng.

I misunderstood Yue Feng before, and Master Miao Yuan didn't want to take advantage of Yue Feng, but she was proud of her character and refused to put down her face to give it in person.

"Yue Feng!" Zhou Qin

shouted happily, walked over quickly, bit his lip and said softly: "Good brother... My master asked me to return the treasure armor to you."

Baojia handed it over.

Yue Feng took it as soon as he was too lazy to talk nonsense, turned around and left.

“Good brother...” Zhou Qin was in a hurry all of a sudden, hurried to catch up, and said very guiltily: “Good brother, are you still angry with me? I know I’m wrong, please forgive me.”

Yue Feng didn’t even look at her, and said coldly, “Go, I don’t want to talk to you.”

Got it wrong?

What’s the use of knowing what’s wrong now?

Will Brother Wen’s wife survive? ! Yue Feng felt a pain in his heart when he thought that Zhou Qin killed Brother Wen’s wife on Changsheng Island at that time.

This matter can never be undone, and I will never forgive her for the rest of my life!

Feeling Yue Feng’s indifference, Zhou Qin’s tender body trembled and said anxiously: “Good brother, I was really too much before and had a bad attitude towards you. It’s so disrespectful to your parents that they were taken to Zhaixinglou... I really know I’m wrong, otherwise, I will apologize to my uncle and aunt in a few days, okay?”

Zhou Qin’s eyes were full of anticipation when he said this.

After the battle of Zhaixinglou, after Tianqi’s army retreated, Tianmen disciples sent Yue Feng’s parents to the Ouyang family.

At that time, all the sects were present, and Zhou Qin also knew it. At this time, Zhou Qin felt unspeakable guilt and just wanted to ask Yue Feng’s forgiveness. As long as he is willing to forgive himself, he will immediately go to the Ouyang family and apologize to his parents.

“Good brother, please forgive me.” Zhou Qin didn’t know what to think, but suddenly stepped forward and hugged Yue Feng. .

She hugged her tightly, her red lips pressed against Yue Feng’s ear, and she begged softly: “Good brother, I beg you not to be angry, okay?”

Chapter 725

“Release.” Yue Feng said coldly.

Being hugged tightly by her, Yue Feng only felt a scent coming. But the anger in his heart was not extinguished at all.

“Let go.” Yue Feng said more, pushing Zhou Qin away: “You don’t need to say, we can’t go back to the past.”

After saying this, Yue Feng turned around and left.

“Okay...Brother...” Zhou Qin couldn’t tell the loss: “Good brother, can I kneel down and apologize to you...” “I can’t bear it

.” The

cold three words came from Yuefengkou. It was rumored that he left without looking back.

....

on the other side, the East China Sea coast.

In the darkness of the night, a woman was walking briskly by the sea. She had a charming figure, and her delicate face showed a trace of panic.

It was Chen Yun.

Originally, Chen Yun thought that she would stay in the Yue family for a while, until Yue Chen became famous in Tianqi Continent, and then went to join her.

But seeing Taixuan Zhenjing today, Chen Yun couldn’t help it. Now she has nowhere to go, so she can only take the risk of going to the Apocalypse Continent alone.

“Yue Chen, you are lucky enough to marry me.” As she walked, Chen Yun said to herself, “When I go to Tianqi Continent to find you, you will die of excitement when you see seven scriptures.” Chen

Yun Yun hugged the seven scriptures tightly, feeling extremely happy. There are rumors in the rivers and lakes that if you collect scriptures, you can command the world!

But while she was excited, she was also in trouble. I want to go to the Apocalypse Continent, but I heard that there is a sea of death between the Earth Circle Continent and the Apocalypse Continent. That sea water has no buoyancy, and even a leaf can’t float, what can I do?

Chen Yun was thinking about it in her heart, and suddenly her face brightened, and she immediately quickened her pace.

She saw some sailboats docked on the coast not far away. These sailboats were left by the withdrawal of the Apocalypse army.

At that time, when the Tianqi army came, it was an army of 200,000 people. When they left, there were only tens of thousands of people left. So many sailboats could not be used, so they could only be abandoned here.

These sailboats were built by Emperor Apocalypse. I don't know what materials were used, but they could pass through the sea of death anyway.

Chen Yun held the scriptures tightly, picked the largest boat, and jumped on it.

As a result, she just went up, only to hear a man's voice behind her.

"Are you going to Apocalypse Continent?"

The voice sounded, and Chen Yun's body trembled with fright.

I saw a man standing quietly behind her. He looks like he is in his twenties, dressed in black, and looks really handsome.

"You... Who are you?" Chen Yun turned pale with fright, and said tremblingly.

The man smiled: "beauty, don't be afraid. When you board this ship, are you going to the Apocalypse Continent? I'm going too, let's go together?"

If Yue Feng was there at this time and saw this man, Absolutely will be amazed!

Because this man was when the Duan family was destroyed, the young master of the Duan family who escaped from birth, Duan Yu!

That's right, he gave Liu Xuan a lot of money for gifts, and cut Duan Yu thirty-six knives to Sun Dasheng!

After the Duan family was destroyed by Yue Feng, Duan Yu wandered around and his strength improved a lot. I originally wanted to come to Donghai City to seek revenge on Yue Feng. But he did not expect that Yue Feng's current strength is really too high.

After tangled for a long time, Duan Yu decided not to take revenge for the time being, but to go to Tianqi Continent first, have a good experience, and then come back to take revenge.

As a result, he was about to go to Tianqi Continent when he saw Chen Yun. So I approached to strike up a conversation, and wanted to go together.

But now Chen Yun is guilty of being a thief. She held the seven scriptures in her hand, and instinctively thought that Duan Yu was a thief who wanted to do something wrong, but she didn't give a good face: "I don't want to go with you, so get out of here. I warn

you, I'm from the Yue family in Donghai City, you'd better don't think about it, or I'll find someone to kill you."

In Chen Yun's heart, the Yue family is the first family in Jiangnan, and the other party will definitely have scruples when they hear it.

But after these words fell, Duan Yu's face instantly became extremely gloomy!

Yue family? !
