

The ultimate husband in Chinese chapter 76-80

Chapter 76

But if this is the case, Ma Ying and others will make jokes even more.

Thinking of this, Shen Man forcibly held back.

However, Shen Man has already made up his mind, and when he goes back, he will let Xuan'er divorce this waste no matter what.

Going to do the formalities tomorrow.

Liu Xuan also felt that Ma Ying was a bit too much, but looking at Yue Feng beside her, Liu Xuan was very helpless.

Someone's husband can give his mother a long face, so let's forget it.

At this moment, Ma Ying said with a smile: "Yue Feng, what do you think of this dress Zhang Tao gave me?"

Yue Feng didn't lift his head, and said lightly, "Is it alright?" Is it alright

?

It's hilarious.

Can you afford it?

At this moment, many people in the box secretly snickered, and their expressions were deeply contemptuous.

Nima, are these people interesting?

Is it fun to climb up and down?

The surrounding laughter made Yue Feng a little helpless.

This chapter is provided by . Visit for daily update.

He stood up quietly and walked straight out of the box.

Hahaha! how? Does this kid have no face to stay?

Without the object of mockery, it would be meaningless.

Ma Ying and Zhang Tao were both a little disappointed.

Shen Man was secretly relieved.

This waste has finally left, otherwise, I don't know how long I will be mocked by Ma Ying and the others.

Liu Xuan wanted to chase out and have a look, but she felt the atmosphere of the box and gave up her thoughts.

As a result, no one expected that in three minutes, Yue Feng was back!

When pushing open the private room, Shen Man stomped angrily.

"Why are you back here?" Shen Man said coldly, "You still think I'm not ashamed enough, right?"

Liu Xuan stood up, frowning, and whispered to Yue Feng, "Just wait for me in the car. Well, why did you come up again?"

Yue Feng smiled and said nothing. A gift box in hand.

This gift was originally given by Yue Tianlong at the end of Wang Yan's wedding banquet during the day.

Yue Tianlong meant that Yue Feng was expelled from the family back then and joined the Liu family. At that time, none of the Yue family attended Yue Feng's wedding. Because of this, Yue Tianlong has been feeling sorry for the whole time, so he specially made up a gift.

Yue Feng was not polite and accepted it.

Speaking of which, Yue Feng didn't even know what was in the box. But... Yue Tianlong sent it, wouldn't it be bad?

Putting the gift box in front of Shen Man, Yue Feng returned to his seat: "Mom, Xuan'er and I have been married for three years, and I haven't given you a decent gift. I specially compensated for this."

What?

Did this kid go out just now to get a gift?

Everyone in the box looked at the box curiously. Exquisite workmanship, lifelike carvings.

It's just that a box is so advanced, isn't the content inside it even more expensive?

For a time, many people thought so in their hearts.

However, some people hold a different view.

He is the only one who eats soft rice, how precious a gift can he give?

This is simply to come back and pretend to save face.

Thinking like this, everyone has decided that Shen Man would not dare to open it in public.

This useless son-in-law pretended, Shen Man just walked down the steps, not willing to dismantle the platform by himself.

"Brother Yue, in just a few minutes, then take out a gift, wouldn't it be bought from a stall in the night market?" At this time, Zhang Tao recovered and said with a big laugh.

Yue Feng smiled lightly and ignored it.

"Shen Man, let's see what gift your son-in-law gave you." At this moment, Ma Ying sneered secretly and said to Shen Man.

The others also spoke up.

"Yeah, let us see."

"I don't know if it will be better than Zhang Tao's."

Under the urging of everyone, Shen Man bit his lip tightly, hesitating.

Shen Man didn't believe what a gift Yue Feng could give. If there was a stall in it, wouldn't he be a laughing stock in the eyes of his classmates?

But... this box is really exquisite.

In the end, Shen Man couldn't resist everyone's urging and opened the box.

In an instant, seeing the contents of the box, everyone in the box opened their mouths wide.

Shen Man was stunned.

Liu Xuan's face was full of shock.

The smiles on Ma Ying and Zhang Tao's faces also froze instantly!

Chapter 77

Inside the box is a string of dazzling necklaces.

The few gems on the necklace are as big as dove eggs, and they glow dazzlingly under the light.

The long dress that Ma Ying received, with the broken diamonds on it, is like sand compared to this one!

None of the people present were fools. Just by the size of the jewelry, you could tell which of the two gifts was more important.

But..

"Such a big gem, a few million at least? Isn't this necklace worth tens of millions?"

"Just him? Can you give such an expensive gift? How is it possible?"

"No Wrong, I think it's fake."

Zhang Tao felt that his mind went blank amid the doubts of several people around him.

If others can't see it, how can Zhang Tao not see it? Qianye Group, where he belongs, also operates a jewelry business.

The gemstones on the necklace in front of me, whether it is the surface gloss or the clarity of the texture, do not seem to be fake, and even the quality seems to be much higher than the gems I have seen before!

Isn't he a door-to-door son-in-law?

How... how can you come up with such a precious gift?

At this moment, Shen Man gradually came back to his senses and looked at Yue Feng in a complicated way: "How much did you pay for this chain?"

Shen Man has a lot of jewelry, but none of them are as big as the gems on them, so Shen Man wasn't sure whether the thing in his hand was true or not.

"A friend gave it to me."

Yue Feng looked at Shen Man and replied.

Hearing this, Shen Man's expression became complicated.

From a friend?

Then it's definitely not true. What kind of friends can he have with a useless thing?

Thinking to himself, Shen Man was about to throw the necklace into the trash can next to him.

"Let me see!"

At this moment, the daughter of one of Shen Man's classmates came over.

The daughter of this classmate has learned the professional knowledge of firm gems for two years.

So when they saw her speak, everyone present held their breaths.

"This...it's true, and each one is of the highest quality." The girl held the necklace and looked at the light. She was suspicious at first, but she exclaimed.

"Also, looking at the design of this necklace, it is the style of the European royal family. I conservatively estimate that this necklace is worth about 30 million yuan. If it is really a European royal family, it will be incalculable."

After saying this, the girl looked at it deeply. Yue Feng glanced at her, full of curiosity.

What?

Is this necklace worth 30 million?

And still a conservative estimate?!

Shocked!

Zhang Tao had already seen that the necklace was real, but he deliberately didn't say it. Now that he heard the girl's identification results, his expression became more complicated.

Ma Ying opened his mouth wide, unable to speak.

"Yue Feng, you.... did you really give me this necklace?" Shen Man was surprised and happy, looking at Yue Feng, he couldn't say anything.

At this time, Shen Man didn't care where the necklace Yue Feng came from, he just wanted to know if Yue Feng really wanted to give it to him.

A necklace worth 30 million.

I can't even think about it myself.

Yue Feng smiled slightly: "This is originally for you, if you like it, Mom."

His uncle is really generous.

However, compared to the 3 billion he had to save the Yue family, this necklace worth 30 million was nothing.

"I like it, I like it!" Shen Man nodded again and again, and his excited body trembled.

Delighted, Shen Man put the necklace on his neck directly.

From the beginning to the end, Liu Xuan didn't speak, but looking at Yue Feng's eyes, it was full of question marks.

What friend would give him such an expensive gift?

First it was five million before, and now it is a necklace worth thirty million.

It seems that I have to find a chance to ask him.

At this class reunion, Shen Man completely became the focus. Everyone wants to talk to her, and everyone is realistic now.

On the way home, Liu Xuan finally couldn't help it and asked Yue Feng, "Who is that friend? What's his name?"

"Which friend?" Yue Feng asked in a confused manner.

Liu Xuan was anxious: "This is the necklace that gave you."

Yue Feng suddenly said: "Oh, he is the friend who lent me five million before."

Liu Xuan was speechless: "Don't talk to me, I asked who he is?"

At this time, when the car arrived at the door of the house, Yue Feng scratched his head, pretended to think of something suddenly, and said, "Oh, I haven't done anything that the boss explained to me, you go home first, I have to Go back quickly."

Liu Xuan was helpless and had to get out of the car.

Yue Feng didn't say much, just kicked the accelerator and the car drove away.

Chapter 78

Watching Yue Feng drive quickly and disappear at the intersection, Liu Xuan frowned, then turned back home.

....

Yuejia Sea View Villa.

In the master bedroom, Wang Yan had just woken up from drunkenness, opened his eyes in a daze, and felt a bit of a splitting headache.

Wang Yan had forgotten how much he drank at the wedding banquet in the afternoon.

But Wang Yan was happy.

Two years of long-distance love running with Zhang Jiajia finally came to fruition, and what made Wang Yan even more happy was that the second brother, who had not seen him for a long time, also came to congratulate him.

Thinking of this, Wang Yan showed a warm smile on his face, and then walked out of the bedroom.

“Jiajia?”

Wang Yan shouted in the outside hall, but he didn't get a response from Zhang Jiajia, and he had a bad premonition.

Then, seeing that the door of the guest room on the opposite side was open, Wang Yan hurried over.

Arriving at the door, Wang Yan trembled as if struck by lightning, seeing a scene that he will never forget in his life.

My newlywed wife, lying on the bed to sleep!

“Ah!”

Wang Yan roared in the sky, his eyes instantly bloodshot!

collapse! This is the most shattering moment for a man.

“No matter who you are, I, Wang Yan, swear, I will smash your body into tens of thousands of pieces.”

Wang Yan clenched his fists tightly, his nails digging into the flesh. Searching for evidence like crazy.

Because the villa was just bought and used as my own wedding room, the camera has not yet been installed.

Wang Yan searched around, but without any clues, he returned to the room.

While dressing Zhang Jiajia, Zhang Jiajia finally woke up.

“Husband.” Seeing Wang Yan, Zhang Jiajia let out a coquettish cry and fell into Wang Yan’s arms.

“You’re awake!” Wang Yan smiled and responded gently.

Zhang Jiajia hummed, then sensed something strange, and blamed, “You bastard...”

Zhang Jiajia was too shy to say the following words.

At this time, Zhang Jiajia thought that Wang Yan touched her.

When the two were in love, several times Wang Yan couldn’t restrain himself, and at a critical moment, he was stopped by Zhang Jiajia.

Zhang Jiajia insisted on keeping her best self on the wedding night, but Wang Yan couldn’t beat her, so she had to agree.

Therefore, after identifying Wang Yan, Zhang Jiajia was not angry, but rather sweet.

Wang Yan was full of bitterness, and felt guilty in his heart to death!

“Wang Yan, what’s wrong with you?” Zhang Jiajia asked with a frown.

Wang Yan showed a smile and shook his head: “It’s nothing, maybe he drank too much.”

While speaking, Wang Yan’s eyes were dodged.

Zhang Jiajia is thoughtful. The more Wang Yan is like this, the more suspicious she becomes. Suddenly, her eyes flashed and she saw the gossip mirror, and her body trembled.

Wang Yan was stunned for a moment, followed his wife’s gaze, and was immediately stunned.

On the edge of the bed, the gossip mirror is placed there. And the window next to it is also open...

“Just... Didn’t you touch me?” After a few seconds of silence, Zhang Jiajia spoke with difficulty. If my husband touches me, how can I open the window? I don’t wear anything myself, open the window and others will see it!

Besides, if my husband touches him, what would he do with that gossip mirror? Yue Feng has said that the gossip mirror cannot be hung in this villa!

call!

Wang Yan took a deep breath, enduring the pain of blood dripping from his heart.

Zhang Jiajia’s delicate body was shocked, then she bit her lip, stood up, and hit the wall in front of her.

“Jiajia, don’t...” Wang Yan was taken aback, grabbed Zhang Jiajia in time, and held Zhang Jiajia tightly in his arms, extremely heartbroken and firm at the same time: “Don’t worry, I will find out who it is and give it to me. You’re fair.”

Zhang Jiajia didn’t respond, but cried with a wow.

While Wang Yan asked for comfort, his eyes fell on the gossip mirror beside the bed again.

At this moment, a terrible guess suddenly appeared in Wang Yan’s mind.

Is it the second brother?

No...impossible, second brother is not that kind of person!

But... what happened to the gossip mirror that appeared in the guest room?

He clearly put the gossip mirror into the warehouse.

During the day, the second brother’s feng shui theory is straightforward, and only he will be interested in this gossip mirror.

If not him, who would it be? !

During the day, Yang Jing fainted because of the gossip mirror. Now that his wife faints, it must be because of this gossip mirror.

Second brother, why did he do this to me? !

“Jiajia, just now...you were defiled just now, do you really have no impression at all?” Wang Yan asked with clenched fists.

Asking his wife to recall a strange man made Wang Yan feel uncomfortable.

Zhang Jiajia bit her lip tightly and said softly, “I only remember that man... kissing me all the time. I felt a little pain at first. Later...”

Chapter 79

“It was painful at first, but then I thought it was you, so I started to obey.”

After saying this, Zhang Jiajia felt uncomfortable. At the same time, seeing the Bagua mirror, Zhang Jiajia also began to doubt Yue Feng.

Wang Yan didn't speak, he hugged her tightly, his fists clenched so hard that he could almost bleed. It is about the wife's name, and this matter will naturally not be publicized.

The best way is to investigate on your own.

However, Wang Yan never thought that his conversation with Zhang Jiajia would be heard clearly by the two maids outside the door. At this point they looked at each other!

During the daytime wedding banquet, Zhang Jiajia saw that the two maids were very tired, so she let them rest first.

So when Yue Chen was defiled, the two maids were sleeping in the hut outside without knowing it. It wasn't until Wang Yan roared in the sky just now that the two maids woke up.

At this time, the two maids quietly returned to the hut. After all, what should not be heard cannot be discovered.

In the morning of the next day, the story of Zhang Jiajia being defiled by others spread in the Yue family.

The eldest brother Yue Chen had a guilty conscience. As soon as he heard the news, he rushed over with Chen Yun.

On the surface, they were visiting and condoling Wang Yan, but in fact they were secretly seeking news.

“Third brother, I heard that something happened here last night, what's the matter?” As soon as he entered the living room, Yue Chen went straight to the topic.

Chen Yun went into the bedroom and pretended to comfort Zhang Jiajia.

Wang Yan didn't want to say anything, but seeing that he couldn't hide the matter, he said it with resentment on his face.

"This scumbag Yue Feng! To actually do such a thing." After listening to Wang Yan's words, Yue Chen was very angry and cursed bitterly.

Wang Yan exhaled: "Big brother, the second brother is just suspicious, not necessarily he did it."

"Third brother, do you still believe him?" Yue Chen said gloomily.

At this time, Chen Yun came out of the bedroom: "The evidence is conclusive now, who else would it be if it wasn't Yue Feng? He is the only one who understands the role of the gossip mirror. According to my speculation, he must have wanted to steal the gossip mirror. Seeing that my younger brother and sister drank too much, I had evil thoughts..."

At this time, Chen Yun's face was full of contempt and disgust, and continued: "And I heard that this waste has been in the Liu family for three years, but he doesn't even have the hand of his wife. Touch it. After holding it for so long, I suddenly saw an unsuspecting woman, it's not..."

"Third brother, don't worry, the eldest brother will definitely help you get justice in this matter." Yue Chen took the opportunity to speak. .

Chen Yun nodded heavily: "Yes, this bastard can't be cheap."

Wang Yan's face was ugly.

Originally, Wang Yan still had a glimmer of hope for Yue Feng in his heart. After all, he had the best relationship with his second brother. But. . But now the evidence is solid! Hearing the words of Yue Chen and his wife at this time, his heart was completely shaken.

Wang Yan did not speak, but nodded silently.

Seeing Wang Yan's reaction, Yue Chen and Chen Yun couldn't hide their smiles.

...

the next day. Ziyu Company, President's Office.

Yue Feng is holding the Spirit Building Grass in his hand.

Yang Long said that as long as you eat this grass, you can become a cultivator.

Unexpectedly, she saved that Yang Jing, and she actually repaid her kindness. This grass can also be sold for a lot of money in the market, right?

Yue Feng ate it while thinking about it.

Soon, Yue Feng felt a heat flow, which slowly gathered in the body, and then began to spread to the whole body. The feeling is really indescribable.

Half an hour later, Yue Feng breathed a sigh of relief and smiled.

He has really become a cultivator now, but what Yue Feng did not expect was that because he had taken the Qiankun Pill sent to the sun and the moon before, his physique was stronger than others, and now the spiritual energy of the building spirit grass has been absorbed by himself. . Not only did he become a cultivator, he also suddenly reached the realm of a second rank martial artist.

Ordinary people have just become cultivators, and they are all martial artists. I actually skipped a paragraph, and directly became a second paragraph, haha.

Yue Feng happily left the company and went to the Liu family villa.

I just attended my brother's wedding, and I feel that the newlyweds are really happy. Inexplicably, I miss Liu Xuan a bit.

But at this moment, a family meeting is being held in the Liu family villa.

In order to block the funding problem, the Liu family's shares were acquired by Peng Kai of Shenglong Technology.

Now that the funding problem has been resolved, the Liu family owns only 49% of the shares. With such a small number of shares, the dividends are very low.

At this time, in the Liu family villa, the grandmother called everyone together.

"During this period of time, more than half of our Liu family's income has fallen into the pocket of Shenglong Technology. This is not the way to go. Do you have a better way?"

Chapter 80

At this time, the grandmother was sitting there, looking around at everyone, and said in a deep voice.

Everyone in the Liu family below looked solemn and silent.

The Liu family enterprise, now the power is in the hands of Peng Kai, has become a fact.

That Peng Kai is not an ordinary person, the grandmother wants to regain the decision-making power from him, which is a fool's dream.

At this moment, Liu Zhiyuan rolled his eyes and stood up: "Grandma, I have an idea."

"Okay, what can Zhiyuan do? Tell me now!"

Last time, Liu Zhiyuan was punished because of Li Qin's show, and now he can't participate in family affairs, but now this matter is special, and it concerns the life and death of the Liu family, so the grandma doesn't care about it.

More importantly, it was because the grandmother loved Liu Zhiyuan too much.

The grandmother's attitude made Liu Zhiyuan exhale and raise his eyebrows, and said slowly: "Grandma, our Liu family's property, Peng Kai now owns 51% of the shares, so our Liu family depends on Peng Kai's face. We want to turn over. It's not easy. It's better to give up."

"Give up?" The

grandmother frowned, and the expressions of everyone around the Liu family also changed.

Liu Zhiyuan said again: "Don't we still have 49% of the shares in our hands? Let's sell another 20%, and with the money we get, we can open another company or invest in something else. The new company has grown bigger, hasn't our Liu family been brilliant again?"

Wow!

Hearing this, everyone around was in an uproar, and many people's eyes lit up.

The old grandmother was also full of smiles and nodded in approval: "It's still Zhiyuan's brain, this idea is not bad, not bad..."

And at this moment, I don't know who said, "The way is good, but who should I ask to sell these shares?" When these

words came out, many people in the Liu family sighed.

Liu Zhiyuan smiled slightly and said, "Actually, it's not difficult. I have a friend who has enough ability to buy 20% of our shares." The

old grandmother was refreshed and quickly asked, "Who is it?"

At the same time, the eyes of the people around him converged on Liu Zhiyuan again, each with a stunned expression.

Liu Zhiyuan enjoyed the feeling of being noticed, and was a little proud: "This friend of mine opened a martial arts gym, and his name is Huang Yanlang."

What?

Huang Yanlang?

Hearing these three words, the entire villa hall exploded!

Who is Huang Yanlang? In recent years, a famous Kung Fu master has won the championship for three consecutive times in authoritative Kung Fu competitions. The Shangwumen Boxing Gym he founded has dozens of branches across the country, even in Donghai City. Several.

Such a person does have enough strength to buy 20% of the shares of Liu Family Enterprise.

At this moment, everyone in the Liu family was shocked and couldn't help but praise Liu Zhiyuan.

"I didn't expect Zhiyuan to have such a friend."

"Look at Zhiyuan's contacts, it's just different."

"I have to say, Zhiyuan does have a set of friends to make friends, haha."

Under the praise of everyone, Liu Xuan sat there with a calm face. She felt that the Liu family was still doing their part and should not sell their shares. But now, depending on what everyone means, they all want to sell shares. She's not good at interjecting either.

"Zhiyuan, since that's the case, hurry up and call Mr. Huang Yanlang." At this time, the grandmother said with a smile.

Liu Zhiyuan nodded, and immediately took out his mobile phone and made a call.

The call was connected quickly.

In order to show off his connections, Liu Zhiyuan deliberately turned on the speakerphone.

"Brother Huang, I'm Zhiyuan. I want to talk to you about a business. Are you interested?" Liu Zhiyuan said to the phone with a smile.

Huang Yanlang's laughter came from the phone: "Haha, what's the relationship between us? Brother Liu wants to cooperate with me, of course there's no problem."

Listening to this, Liu Zhiyuan's face became even more smiling: "Okay, then you come. Let's meet and talk at the Liu family's villa."

"Okay, I happen to be in Donghai City, I'll go there right away." On the phone, Huang Yanlang was very happy.

After hanging up the phone, Liu Zhiyuan said to the old grandmother: "Grandma, it's okay, they will come over in a while." The

old grandmother was very happy, and the eldest grandson she loved most had the ability, so she nodded with a smile: "Okay, if you wait. Now, I have negotiated with Huang Yanlang, Zhiyuan, you are a great hero of our Liu family, and grandma will reward you at that time."

Liu Zhiyuan's heart was filled with joy: "Thank you grandma."
