

## The ultimate husband in Chinese chapter 821-830

Ten years ago...

Hearing Yue Feng's words, Zheng Chunqiu's face turned pale!

"Brother Yue Feng, the old friend you mentioned... but... Sword Demon, Nangong Jue..." Zheng Chunqiu swallowed and finally spoke.

"Exactly." Yue Feng nodded.

At this moment, the entire bedroom was silent!

Zheng Chunqiu clenched his fists tightly, let out a long sigh of relief, and said, "Brother Yue Feng. Ten years ago, our Danzong and Jianzong did join forces and attacked Senior Nangong Jue by surprise. But... the Danzong sect master ten years ago was me. My father. Now my father has already passed away. It was indeed my father's fault when he attacked Senior Sword Demon! I.. I can bring a watch to my father and apologize to Senior Nangong Jue! It's a pity, Senior Nangong Jue, I'm afraid I've already died under the cliff..."

"Huh..."

Yue Feng breathed a sigh of relief. It can be seen that Zheng Chunqiu is a good person. Even willing to apologize for his father!

Yue Feng wanted to tell Zheng Chunqiu that Nangong Jue was not dead. Instead, he stayed under the valley for ten years!

But after thinking about it, Master has already let go of this grievance and has lived in the valley for ten years. He should not want anyone to disturb him, right?

"Forget it, don't mention it." Yue Feng waved his hand, pulled Su Qingyan and Xiao Xi, and turned to leave: "Let's go first."

"Brother Yue Feng, wait a minute!"

Zheng Chunqiu shouted With a sound, quickly catch up. I took out something from my body and handed it to Yue Feng: "Brother Yue Feng, I will never forget your kindness. You saved my wife, and I owe you all my life! This is our Danzong's signal flare. I don't care in the future. Where are you, when you are in danger, as long as you release the signal bomb, I will lead the disciples of Dan Zong to come to support!"

Seeing his sincere expression, Yue Feng couldn't refuse, so he had to take it.

“Brother Yue Feng, Sect Leader Su.” Zheng Chunqiu said again: “Don’t leave first, you must stay, and go to the dinner together. Be sure to stay!”

This chapter is provided by . Visit for daily update.

“Yue Feng, or... let’s stay and leave after the dinner. Right.” Su Qingyan said softly.

After all, when he came to Danzong himself, he was looking for Juxing Elder Xingshi to ask his guilt, but it turned out that he had misunderstood Danzong. Now faced with a warm invitation, it is not easy to refuse.

“Okay.” Yue Feng nodded.

In the evening, the Danzong hall was filled with a lively atmosphere.

The banquet was filled with cherished delicacies.

Zheng Chunqiu was in a good mood and kept toasting Yue Feng and Su Qingyan.

Madam’s strange illness is cured, and her heart knot is untied. At this time, Zheng Chunqiu is indescribably comfortable!

Of course, most of them were Yue Feng and Zheng Chunqiu clinking glasses.

Although Su Qingyan was the sect master of Wenzong, he was not good at drinking. He was a little drunk after only two drinks. At this time, Su Qingyan was delicate and red, with infinite style and even more charming.

Three rounds of wine.

Zheng Chunqiu smiled at Su Qingyan and said, “Sect Leader Su, a day ago, there was a violent vibration in the direction of the Apocalypse Continent. You must have known about the birth of an artifact.”

After speaking, Zheng Chunqiu continued: ” I just learned that the barriers between the nine continents have all disappeared, and now the nine continents can communicate with each other. No one can tell the situation in the world in the future. Contact, and once you encounter a situation, you have to support each other.”

Su Qingyan smiled and nodded.

But at this moment, Yue Feng suddenly stood up!

What?

The enchantment of the nine continents is gone!

Yue Feng was shocked, and his heart was inexplicably excited! He couldn't hide his excitement: "Sect Master Su, Sect Master Zheng, I still have very important things to do, so I won't accompany the two of you." The

voice fell, Yue Feng pulled Xiao Xi and was about to leave.

Originally, Yue Feng was still struggling, how to get to the Tianqi Continent. Now I know that there are no more obstacles between the nine continents, which is a great good thing!

This...

what's the hurry?

Chapter 822

Zheng Chunqiu was also stunned, with a confused look on his face.

Su Qingyan was in a hurry, so she stood up quickly and grabbed Yue Feng's arm: "Where are you going?" In a hurry

, Su Qingyan had no scruples and held him tightly.

She only knew that if Yue Feng left like this, she would never be happy in her life!

call!

Yue Feng took a deep breath, looked at the night outside, and said seriously, "I'm going to the Apocalypse Continent to save people."

As he spoke, Yu Ruo and Qin Rongyin already appeared in his mind.

"I, I'll go with you." Su Qingyan bit her lip and spoke softly as if she had made a major decision.

Since you can't keep him, you can only follow him!

Follow you like a shadow, never regret.

On the other side, Apocalypse Continent. Imperial City.

Guangping Palace!

At this time, it was already night. In the palace of the Prince of Guangping, in a beautiful courtyard, Qin Rongyin stood there, indescribably lonely.

Qin Rongyin has been here for a long time since she was brought to the Guangping Palace.

But in her heart, she still thinks of Yue Feng.

Qin Rongyin's heart is full of bitterness when he thinks of Yue Feng.

It's really a twist of fate.

After finally leaving Tongtian Island and arriving in Donghai City, he didn't see Yue Feng for the first time. Was tricked into KTV by Chen Yun.

Later, I saw Yue Feng, and before I could get along more, the Tianqi army called.

And now, he is trapped in this palace alone. Although King Guangping was very kind to herself, she couldn't be happy no matter what.

At this time, Qin Rongyin looked up at the starry sky above his head, and found that the starry sky here is much more beautiful than that of the Earth Circle Continent.

It's just...

beloved people are not around, no matter how beautiful the scenery is, what's the use?

"Madam, I'm here to see you."

At this moment, a hearty laughter came from outside the hospital. Immediately afterwards, he saw King Guangping walk in, unable to hide his joy.

When he got to the front, King Guangping looked at Qin Rongyin with a smile, and said with concern: "Madam, the night is cold as water, why don't you wear more clothes?"

" He touched Qin Rongyin's shoulder, very caring.

And King Guangping's eyes were also full of tenderness. In his heart, Qin Rongyin was like a fairy in the sky, and those concubines who loved concubines were pale in comparison to her.

To be honest, when he first saw Qin Rongyin, he was deeply fascinated.

At that time, when His Majesty awarded Qin Rongyin to him, King Guangping was almost elated.

Not only because of Qin Rongyin's beauty, but also because of her unique temperament, which is not comparable to these women in the palace.

Even if Qin Rongyin was pregnant, he couldn't stop King Guangping's admiration for her!

During this time, when King Guangping had free time, he came to accompany Qin Rongyin.

"Madam, are you still cold?" King Guangping asked gently, wrapping his arms around Qin Rongyin's waist.

## Chapter 823

At this time, King Guangping's hand has fallen on the waist of the leader's wife.

"Your Majesty, take your own hands away."

Qin Rongyin took a step back, still very resistant to King Guangping's intimate actions.

In Qin Rongyin's heart, there is only one man, Yue Feng.

King Guangping was a little disappointed, and smiled awkwardly: "Madam, it's been so long, you still don't want to accept me."

Qin Rongyin has lived in the palace for some time. King Guangping really liked her from the bottom of his heart, so he never forced her.

I have to say, Qin Rongyin is so beautiful, even if she is pregnant, Prince Guangping likes it more and more. Just now I couldn't hold back, so I put my arms around her waist, but I didn't expect that the lady would resist so much.

King Guangping squeezed a smile and changed the subject: "Madam, you have been here for a while, what do you think of my palace?"

Qin Rongyin bit her lip and said softly, "This place is very good, lord, you are good to me, I know in my heart, but...my heart is not here, or you...let me go."

Saying that, Qin Rongyin's beautiful face showed a bit of expectation: "Moreover, I There is still pregnancy, the child in the womb will be born soon, if you stay here forever, it will affect the reputation of the prince."

King Guangping clenched his fists, a little anxious: "Madam, it doesn't matter if you are pregnant. , I, King Guangping, never care about the opinions of others!"

After speaking, King Guangping said with sincerity and gentle consolation: "Don't worry, Madam, I will not force you to do things you don't like. If you want, the child will be born. Afterwards, I will treat it as my own and treat it as my own child, and I will be named the prince or the princess, and I will be the child's biological father and raise it well!"

He liked Qin Rongyin so much.

As long as Qin Rongyin is willing to stay and let him not be the prince.

Hearing his words, Qin Rongyin's heart trembled, and she was faintly moved. She never thought that the King of Guangping would care so much about herself.

You know, how many men in the world can treat other people's children as their own?

Touched in his heart, Qin Rongyin said softly: "But..."

As soon as he said two words, King Guangping interrupted with a smile: "Madam, I know you want to leave here, but it's too chaotic outside. Ever since the artifact was born. After that, the nine continents have been able to communicate with each other. Apocalypse Continent has produced a peerless artifact. This matter has spread all over the nine continents. Now many forces from other continents have come to the vicinity of the Apocalypse Imperial City to investigate the situation. They just want to snatch the artifact."

Speaking of which, Guangping Wang Yu said earnestly and comfortably: "There are so many people mixed together, what if you encounter a bad guy? Even if you don't think about your own safety, you should think about the child in your belly. Ah."

"This..." For

a moment, Qin Rongyin was stunned, speechless.

Yes, I have to think about the child in my belly, I can't be willful...

Thinking to myself, Qin Rongyin exhaled softly and had to face the fact: "Then...then I'll stay for a while..."

"Haha..."

King Guangping laughed and nodded again and again: "Madam, it's getting late, get some rest early."

Keeping Qin Rongyin, King Guangping was elated. Quickly help her into the house to rest.

King Guangping is right, the current Apocalypse Continent is a mixed bag!

The artifact was born, causing a shock in Kyushu!

The artifact was born in the Tianji Mountains, and the news has long been known to everyone. For a time, the sects of the nine continents all came to hear the wind, and

they rushed to the vicinity of Tianqi Imperial City to investigate the situation. After all, the Tianji Mountains are just outside the imperial city.

## Chapter 824

With the influx of nine continents and various sects, the originally prosperous Tianqi Imperial City has become even more lively in these short days!

There are nine continents, and each continent has its own cultural background. At this time, gathering in the imperial city, a variety of cultures intertwined, forming a unique landscape.

At this time, dozens of people were walking on a road hundreds of miles away from the imperial city. These people are in a mess.

The leaders were Wen Chou Chou and Sun Dasheng.

Behind the two brothers are the disciples of Huaguo Mountain and the Hall of Longevity. The Four Dharma Kings of the Hall of Longevity are all present, as well as Nalan Xinran, Yu Mo and others.

Like other sects, because the artifact was born, Wen Chou Chou and Sun Dasheng discussed it and decided to come to Tianqi Continent to have a look. But the most important thing is to find the missing Yue Feng.

Not only Huaguoshan and Changsheng Palace, but also many sects in Diyuang Continent came to Tianqi Imperial City at this time. Shaolin, Wudang, Emei, Tianshan, Xiaoyao, Peach Blossom Island, the Beggar Gang... almost all powerful forces have come.

However, Sun Dasheng and Wen Chouchou were not pleasing to the eyes of those sects and did not want to go with them.

At this time, Sun Dasheng rode a tall horse, wiped the sweat from his forehead, and couldn't help but said, "Brother Wen, do you think we can find Fengzi? Also, what is the artifact that was born? Wen Chou Chou was speechless and smiled bitterly: "

I'm not interested in that artifact, as long as I find Feng Zi. This kid suddenly disappeared, and I don't know what to do." The

two brothers sighed.

After walking for a long time, I finally got to Tianqi Imperial City. In front of the imperial city, there is a tavern. At this time, there were many guests sitting in the tavern, all of whom came from all over the world.

“Brother Wen, there is a tavern in front.” Sun Dasheng called out, very excited. I was really tired and thirsty after a long journey.

“Brothers, let’s go, let’s go in for a cup of tea.” Wen Chou Chou turned around and instructed the disciples behind.

The voice fell, and many disciples behind him also cheered.

Entering the tavern, Sun Dasheng and Wen Chouchou found a seat by the window and sat down.

After asking the second shopkeeper for tea, Wen Chou Chou couldn’t help but look around, and saw the guests around him, with different styles of clothes, some in suits, some in ancient robes, and some in Tang suits, just like a hodgepodge of ancient and modern .

A few people were sitting in a position not far away. The head is a woman, wearing a pair of dark blue jeans, gentle and charming. It is the president of Jiangnan Alchemy Association, Ren Feifei. Sitting next to her were some of her apprentices.

Ren Feifei also saw Wen Chou Chou and others, but the two sides had no friendship and didn’t say hello.

“Brother Wen, look who that is.” At this moment, Sun Dasheng shouted.

Looking in the direction Sun Dasheng pointed, I saw two people sitting on the table by the door. It was Qin Shousheng and Lu Jiechen!

Today, Qin Shousheng went to the suburbs to practice and killed a few beasts. Now that I am tired and thirsty, let’s have a few cups of tea.

“Qin Shousheng?”

At this moment, Dasheng Sun was surprised and surprised again, and walked over at once: “Qin Shousheng, where is Liu Xuan?”

The story of Liu Xuan’s recovery of memory had spread throughout Donghai City.

Some people say that seeing Qin Shousheng and Liu Xuan go to sea together, they should have come to Tianqi Continent. I didn’t expect to meet Qin Shousheng here!

“You...” Qin Shousheng panicked: “What... what Liu Xuan...”

He was really afraid of Sun Dasheng. Not only him, but all the wealthy children in Donghai City were afraid when they saw Sun Dasheng. Because Sun Dasheng is a mixed society, who doesn’t know that he is cruel in Donghai City?

“Let me ask you, where is Liu Xuan?” Sun Dasheng asked angrily, “What’s wrong with pretending to be a special code?”

## Chapter 825

Hearing Sun Dasheng’s bad tone, Lu Jiechen frowned secretly and couldn’t help but look at Qin Shousheng: “Apprentice, do you know this person?”

Qin Shousheng quickly responded: “Master, these two people, one is called Sun Dasheng is the head of Huaguo Mountain. One is called Wen Chou Chou, and he is the head of the Hall of Longevity. These two sects are very powerful in the Earth Circle Continent...”

Very strong?

Lu Jiechen smiled disdainfully and looked at Sun Dasheng and Wen Chou Chou.

Martial Saint Realm, this is also called strong?

Sun Dasheng became impatient, and kicked him: “Qin Shousheng, leave Donghai City, do you think you are a good match? Can’t you hear me? Are you extremely deaf? I ask you where Liu Xuan is!”

Sun Dasheng Heart faintly angry. This Qin Shousheng, who used to be in Donghai City, nodded and bowed when he talked to him. I haven’t seen each other for a few months. This kid has hard wings and is pretending to be deaf.

Qin Shousheng’s eyes dodged, and he hesitated: “How do I... know where she is?”

Because he was ashamed, these words were obviously lacking in confidence.

As soon as the words fell, Lu Jiechen next to him glanced at Qin Shousheng: “Teacher, I am a member of the Ming Cult, I dare to act, and since I have done it, why don’t you dare to admit it? What are you afraid of? That ugly monster is dead, you will Tell them the truth.”

Hearing this, Sun Dasheng was stunned: “What’s so ugly, what’s dead? You said it clearly?!”

“Hahaha...” Lu Jiechen laughed: “Tell the truth. You guys, that Liu Xuan, have already been disfigured by me. She’s so ugly, and it’s useless to live, so I’ll throw her into the sea.” As

he spoke, Lu Jiechen took a sip of wine with a face full of indifference.

But these words were a bolt from the blue for Sun Dasheng!

He...he killed Liu Xuan? !

That is the wife Feng Ziming is marrying!

All of a sudden, the anger burns!

“Crack!”

Sun Dasheng’s eyes were instantly blood red, he slammed down the table, and a giant axe appeared in his hand!

“Am I cheating on you, you will die for me!” The

voice fell, Sun Dasheng’s mind went blank, and he slashed it with an axe!

He had a bad temper, how could he bear it when he learned that Fengzi’s woman was killed by someone else!

Seeing the axe fall, the corners of Lu Jiechen’s mouth evoked a trace of disdain: “I don’t know the heights of the sky, dare to run wild in front of me.”

The moment the voice fell, a powerful breath burst out from Lu Jiechen! He raised his hand slightly.

“Clang!”

Lu Jiechen’s palm seemed to be an understatement, but he slapped it on the back of the axe accurately, and when he heard a dull collision, Sun Dasheng only felt a powerful force coming, and the whole person was shaken back several steps. Blood spurted out!

At this time, the strength of Sun Dasheng has reached the fifth stage of Wusheng! It was just one step away from being promoted to Martial Emperor, but facing Lu Jiechen, he couldn’t resist even a single move!

“Om!”

At this moment, Lu Jiechen slowly raised his hand, and a purple flame jumped out from his palm, tumbling up and down, and the surrounding air was instantly distorted by the high temperature.

Feeling the incomparably hot temperature, the others in the tavern all whispered and avoided them in the distance.

With a proud face, Lu Jiechen looked at Sun Dasheng coldly: “With this little ability, do you still want to avenge that ugly monster?”

The moment the words fell, Lu Jiechen raised his hand and waved, and a purple flame was thrown directly at Sun Dasheng!

I saw that wherever the purple flames passed, the air was burning!

“Great Sage!”

Seeing this scene, Wen Chou Chou’s face changed greatly, and he couldn’t help crying out. He held a folding fan and waved it in the air, forming a protective barrier to block Sun Da Sheng!

Chapter 826

Boom!

The purple flame slammed into the barrier fiercely, and a loud noise erupted, terrifying heat swept away, and the entire tavern burned.

Click!

The protective barrier shattered in an instant, Wen Chou Chou and Sun Da Sheng were directly shaken and flew out more than ten meters away.

“Sect Master...”

“Palace Master!”

The disciples of Huaguo Mountain and Longevity Hall drew their knives and quickly surrounded them.

However, Lu Jiechen didn’t panic at all, just smiled, picked up the jug, and poured himself a glass of wine.

The eyes of everyone in the tavern were focused on Lu Jiechen. Silence!

powerful.

This guy is so strong!

At the same time, Ren Feifei, who was watching quietly, also stepped on high heels and wanted to stand up and stop it.

Although she and Sun Dasheng are not very familiar, they are from a continent after all. It would be inappropriate to watch them being suppressed by people from other continents and stand by.

As a result, just as Ren Feifei stood up, she was pulled by Bai Xiaotian next to her.

Bai Xiaotian is Ren Feifei's best apprentice. Basically, wherever Ren Feifei goes, he follows him.

This chapter is provided by . Visit for daily update.

On Ouyang Meihui's birthday last time, Bai Xiaotian pretended to be Yue Wudi and proposed to Ouyang Zhennan. The result was dismantled in public.

After this incident, Ouyang Zhennan's impression of Bai Xiaotian plummeted. He once said that his eldest daughter, Jingwen, could only marry Yue Feng, and could never marry Bai Xiaotian!

Therefore, Bai Xiaotian hates Yue Feng, and hates him to death!

This Sun Dasheng and Wen Chou Chou are Yue Feng's friends. If the two of them died here, it would be very happy!

"Master, these Sun Dasheng and Wen Chouhou are ignorant of the sky and the earth. If they want to provoke others, it is their own fault. Let's not get involved." Bai Xiaotian whispered, only he and Ren Feifei could hear it.

"Boom!"

At this moment, Lu Jiechen raised his hand again, and a powerful wave swept out instantly. I saw that the disciples of the Hall of Longevity and Huaguo Mountain were all forced to take a step back!

"A bunch of trash, still want to avenge that ugly monster." Lu Jiechen said coldly, took out a few coins from his clothes, and threw it to the boss: "This is the money to pay you." The

voice fell, Lu Jiechen said Jiechen got up and left.

“Ah!” However, at this moment, Sun Dasheng didn’t know where the strength came from, and he stood up all of a sudden, picked up the axe next to him, and chopped it again!

“You lose my sister-in-law’s life!” Sun Dasheng almost roared out with red eyes!

“Go away!” Lu Jiechen said coldly and slapped it with a palm!

“Boom!” The force of

this palm is not small, Sun Dasheng’s body, like a kite with a broken string, flew directly out for more than ten meters, and spit out four or five mouthfuls of blood in the air!

“Ah!” Sun Dasheng bounced up as soon as he landed, and rushed over again!

“You are really shameless.” Lu Jiechen’s eyes were gloomy, he suddenly raised his hand, grabbed a chopstick, and flew towards Sun Dasheng.

“Whoosh!” Wherever

the chopsticks passed, the air was cut open, and it went straight to the center of Sun Dasheng’s eyebrows!

If the chopsticks pass through, even the gods can’t save him! At that time, Dasheng Sun, as if he didn’t see the chopsticks, still raised the axe! Sun Dasheng knew that as long as he didn’t dodge, this axe would definitely hit Lu Jiechen!

Even if he were to die here, he would definitely slash him with an axe to avenge Liu Xuan! This is what Sun Dasheng is thinking!

## Chapter 827

“Great Sage!”

Wen Chouchou shouted, and hurried up to throw Sun Da Sage to the ground.

“Clang! Dang!”

Two loud noises came! There was a sound of chopsticks piercing the wall! Another sound was Sun Dasheng’s axe hitting the ground!

“Are you stupid! Great sage!” Wen Chouchou was sweating profusely and couldn’t help shouting.

When will this temper of the Great Sage be changed! I would rather die here than cut Lu Jiechen with an axe, how can this be done!

“Brother Wen, he killed Fengzi’s wife, he killed Liu Xuan!” Sun Dasheng didn’t know why, but tears flowed out all of a sudden, pointing at Lu Jiechen and roaring, heartbreaking.

Wen Chou Chou was also full of anger, but he was able to keep his temper. At that time, he just wanted to get out of here quickly, gather the troops, and go back to take revenge. He kept comforting Sun Dasheng.

“I killed that ugly monster, so what?” Lu Jiechen frowned, his body rushed over, and he tapped Wen Chou Chou and Sun Dasheng’s acupoints.

Not only that, in just two breaths, the disciples of Huaguo Mountain and the Hall of Longevity were also tapped at the acupoints. Lu Jiechen was so fast that no one could react!

Nalan Xinran and Yu Mo’s acupuncture points were also tapped. Lu Jiechen’s eyes couldn’t help falling on the two of them. Unexpectedly, there are many beautiful women in this round continent. Especially that Nalan Xinran is simply an iceberg goddess.

“Apprentice, come here.” Lu Jiechen waved his hand.

Qin Shousheng hurried over with his back straight. Haha, my master is so powerful, and I will really walk sideways in the future!

“This kid has always bullied you before, right?” Lu Jiechen pointed at Sun Dasheng and said coldly.

Qin Shousheng nodded, but it wasn’t actually bullying. In the entire Donghai City, all the children of rich families who saw Dasheng Sun must behave in a proper manner.

“Go, slap him twice.” Lu Jiechen said lightly.

“Ah?” Qin Shousheng broke down in a cold sweat, and subconsciously took a step back: “Master, I, I...”

He didn’t dare! Although Sun Dasheng was acupointed, he used to live in Donghai City, and he was really afraid of Sun Dasheng!

“Go!” Lu Jiechen increased his tone.

At this moment, Qin Shouchang breathed a sigh of relief, gathered up his courage, and ran over quickly, slap after slap, and slapped Sun Dasheng on the face!

“Crack! Slap! Slap!” The

sound was crisp and reverberated in the tavern!

Sun Dasheng's anger was really uncontrollable, but at this time he couldn't move!

After a dozen slaps, Qin Shousheng let out his anger. The two master and apprentice swaggered out of the tavern.

...

the other side.

Apocalypse Imperial City not far away.

At this time, it is almost dusk, but the streets are still very lively! Looking around, it is really crowded!

On the streets, there are stalls and snack sellers, shouting one after another.

Among the busy crowd, half are the people of the imperial city, and the other half are people from all corners of the world.

Not only that, but there are often some Guards patrolling.

After all, there are too many people gathered here. For the security of the imperial city, the Janissaries had to strengthen their manpower.

At this time, three figures appeared in the crowd at the south gate of the imperial city.

It was Yue Feng, Su Qingyan, and Xiao Xi.

## Chapter 828

At that time, Su Qingyan made up her mind to follow Yue Feng with a firm attitude. Yue Feng refused, but had no choice but to agree.

The three of them walked all the way without encountering any unexpected situation, and arrived at Tianqi Imperial City very smoothly.

At this time, Su Qingyan, wearing a lavender cheongsam, with her compact body and a charming appearance, attracted the attention of many passers-by as soon as she entered the city gate.

"Wow, it's so beautiful..."

"A fairy descended to earth?"

Exclamations came from time to time, especially seeing the eyes of many people looking at herself, Su Qingyan was a little shy.

Although she is the sovereign of Wenzong, her status is respected, but she has lived in the main altar for a long time and rarely goes out. She has seen such prosperous scenes there.

Xiao Xi next to her looked very relaxed.

“Sister Qingyan, look at these people, they are all praising you for being beautiful.” Xiao Xi smiled and took Su Qingyan’s hand and couldn’t help joking.

Although they have been together for a short time, Xiao Xi and Su Qingyan quickly became acquainted with each other through contact along the way.

Xiao Xi was impressed by Su Qingyan’s beauty and generosity.

And Su Qingyan really likes Xiao Xi’s smart and cute personality.

The two girls get along very well.

At this time, Yue Feng couldn’t help smiling at Xiao Xi: “Our Xiao Xi is also a beautiful embryo, and when she grows up, she may be even more beautiful than your sister Qingyan. If anyone marry you, it will really burn. Gao Xiang is over.”

Shuh!

Hearing this, Xiao Xi’s face instantly turned red, like a ripe apple, very cute and charming.

Afterwards, Xiao Xi pressed her lips and whispered, “I’m not married, I want to serve the son all my life.”

When she said this, Xiao Xi was still very shy and didn’t look at Yue Feng.

The three of them walked all the way talking and laughing. At this time, Yue Feng’s face was very relaxed, but his heart was secretly anxious. I can see the palace immediately, and I don’t know what happened to Yuruo and his wife.

It’s just that it’s getting dark now, and it’s too dangerous to visit the palace at night. After all, in the palace, there are many master guards, so it is better to find a place to live and think about the countermeasures.

The three of them traveled around the imperial city at night while looking for an inn. As a result, I found several inns, and the rooms were full.

It is no wonder that many people from all corners of the world have come to the imperial city, and every inn is full. It’s really hard to find a place to live.

I don't know which inn came out, Yue Feng couldn't tell the loss. Nima, don't even have a place to live?

"Master, otherwise don't sleep tonight, you can see that the street is getting more and more lively!" Xiao Xi said with no sleepiness, pulling Yue Feng's arm.

Indeed, at this time, there are more and more people on the street.

At this moment, Yue Feng could only see a large group of people approaching not far away, about thirty or forty. Yue Feng looked up and was stunned.

These people are all familiar faces! The real Lingbao from the Wudang School, Master Jueyuan from the Shaolin School, Gongsun E, the head of Xiaoyao, Han

Aoran from Emei... What makes Yue Feng even more happy is that his adoptive father Ouyang Zhennan is also there!

Beside him, followed by Jiang Shan, Jingwen and Meihui. The mother and daughter were walking hand in hand.

In their appearance, it is obvious that they are also hanging out, feeling the unique style of Tianqi Imperial City.

I haven't seen her for a while, and Jiang Shan is becoming more and more feminine. She looks charming and charming in a long black dress.

Ouyang Jingwen is also more beautiful, wearing a yellow suit, exuding a charming atmosphere.

And Ouyang Meihui, after her eighteenth birthday, has also become a little more mature, a little less immature, youthful and attractive.

Seeing this group of acquaintances, Yue Feng couldn't be more happy, and he stepped forward to say hello.

## Chapter 829

"Father, Aunt Jiang!"

Yue Feng shouted happily as he passed through the crowd.

When the voice fell, Ouyang Zhennan and the others were stunned for a moment. Following the voice, they just met Yue Feng's gaze.

"Xiao Feng!" Ouyang Zhennan thought that he was dazzled, rubbed his eyes, and found that it was Yue Feng who was in front of him. He was extremely excited!

Jiang Shan, who was on the side, also trembled. When she saw Yue Feng, she felt the altar of five flavors in her heart. Yue Feng's identity is now known to the world. As we all know, he is the Tianmen Sect Master Yue Wudi!

Jiang Shan's face was shy and red. Back then, I worshipped Yue Wudi as my teacher. This .. this is shy to think about!

At this moment, the master Jueyuan, Lingbao Zhenren, etc. on the side were also stunned. Looking at Yue Feng one by one, they were shocked!

Yue Feng disappeared before, and the entire Earth Circle Continent has different opinions!

Some people say that Yue Feng was caught by Tianqi Continent.

It is also said that Yue Feng went to Tianqi Continent to save his two women, who died at sea.

In short, there is nothing to say. I didn't expect to find it here!

"Brother Yue Feng, you're not dead, that's great." Ouyang Meihui ran over excitedly and hugged Yue Feng at once, her eyes turning red.

In Meihui's heart, Yue Feng is not a real brother, but he is better than a real brother.

Yue Feng laughed and hugged her tightly: "Your brother, I haven't lived enough, how can I die?"

Speaking of which, Yue Feng touched her head and said again: "Meihui, you have passed I'm eighteen years old, why are you still like a child, hugging my brother as soon as we meet? It's easy for others to misunderstand."

To be honest, Yue Feng was really happy to see his foster father's family. Especially Mei Hui, this girl is the most attractive. Seeing this at this time, Yue Feng couldn't help but want to tease her.

Swish!

Hearing this, Meihui immediately blushed, but she still hugged Yue Feng and said nonchalantly, "I see my brother happy, what do other people think, what do they think."

Haha. Yue Feng scratched her little nose, this girl became more and more clingy.

At this moment, the other experts in the rivers and lakes also came over. In the crowd, the head of Emei Han was proud, holding a cold sword in his hand, and walked to the

front, the sword in his hand pointed directly at Yue Feng's chest: "Yue Feng, where is my sister Miao

Yuan?"

Yue Feng, who disappeared together, everyone knows about it!

Seeing Yue Feng now, Han Ao Ran naturally wanted to inquire about the whereabouts of his junior sister.

Yue Feng was unhappy. Nima, this Han is arrogant. Although she looks beautiful, she is in a bad mood when she sees her! How can there be a meeting, just like interrogating a prisoner?

"Where is your Junior Sister Miaoyuan, how do I know? I'm not her husband." Yue Feng said coldly without saving her face.

Speaking of Master Miaoyuan, Yue Feng was angry in his heart. If it wasn't for Master Miao Yuan, how could the divine rune be activated, and how could it be teleported to Dongao Continent?

"Yue Feng, keep your mouth clean." Han Ao Ran frowned and said coldly, "I'll ask you again, where is my junior sister. Don't force me to do it."

When he said this, Han Ao Ran's eyes icy. For a time, the atmosphere was extremely depressing!

Yue Feng didn't panic at all, and was about to speak when he saw an Emei disciple hurried over.

"Sect Master, it's not good!" The disciple was sweating profusely and knelt on the ground at once: "Sect Master, Junior Sister Xuanjing, in the Tianji Mountains, there was a dispute with someone, and it seemed like a fight was about to happen."

These days, The sects of the nine continents all went to the Tianji Mountains to explore.

Shaolin, Emei faction, etc. in the Earth Circle Continent just finished their exploration during the day. However, each sect still left some disciples to stay in Tianji Mountain to inquire about the situation.

With so many sects, there will inevitably be some friction.

Han proudly frowned and glanced at Yue Feng coldly: "Yue Feng, I don't have time to talk nonsense with you now. When we meet next time, I hope you can tell me honestly about the whereabouts of Junior Sister Miaoyuan. Otherwise, I will I can't spare you."  
The

voice fell, and Han Ao Ran took the disciples of Emei and rushed towards the Tianji Mountains.

## Chapter 830

Han left proudly, and the atmosphere eased a lot.

Ouyang Zhennan laughed, walked quickly, put his hands on Yue Feng's shoulders, couldn't be excited: "Xiaofeng, where have you been during this time? The foster father is worried about you, you know!"

"Wait, at this time, they all came back to their senses and greeted Yue Feng with a smile.

"Sect Master Yue, stay safe." "Sect Master

Yue suddenly disappeared before, and various speculations circulated in the rivers and lakes. It's really a blessing to see you all right today."

At the time of the Battle of the Star Zhailou, Yue Feng's identity was already I can't hide it. Who doesn't know that Yue Feng is Yue Wudi!

Before the battle of Zhaixinglou, Tianmen defended Donghai City, heroic and righteous! All the sects have some admiration for Yue Feng.

Yue Feng smiled and greeted everyone.

After a few words of greetings, Ouyang Zhennan looked at Su Qingyan and couldn't help asking, "Feng'er, who are these two..."

Shah!

At this moment, everyone's eyes converged on Su Qingyan and Xiao Xi.

Especially Su Qingyan, with her beautiful face, perfect body, and her temperament that doesn't eat human fireworks, it's really unforgettable.

beautiful!

gorgeous!

Su Qingyan was generous and smiled at Ouyang Zhennan: "Su Qingyan, I have met my adoptive father."

In her heart, she decided that Fei Yuefeng would not marry. His adoptive father, of course, is also his adoptive father.

“Humph.”

At this moment, Ouyang Jingwen, who was standing beside her, couldn't help but snorted coldly.

This woman's name is Su Qingyan?

The person is beautiful and the name is beautiful, but why is it so cheap? Before marrying Yue Feng, he followed Yue Feng and called his adoptive father. Really shameless.

After everyone exchanged a few words, Ouyang Zhennan took Yue Feng and returned to the inn where he stayed.

A few minutes later.

In the lobby of the inn, Ouyang Zhennan ordered a large table of dishes to wash away the dust for Yue Feng.

Happy at the dinner table.

There was only one person with an unhappy face, and that was Ouyang Jingwen.

Even though she already knew that Yue Feng was Yue Wudi, in Jing Wen's heart, she still had a very bad impression of Yue Feng!

Ouyang Jingwen couldn't accept his father's insistence on betrothing himself to him!

In Jingwen's heart, in her whole life, she only knows Bai Xiaotian! So seeing Yue Feng today, Jing Wen felt a little bored in her heart.

Three rounds of wine.

Yue Feng couldn't help but ask: “Foster father, what's the situation in Tianqi Continent now? Everyone said that the artifact was born, but where is the artifact?”

Ouyang Zhennan smiled and said, “We are all late. It is said that there are A kid got the Heaven-Opening Axe in the Tianji Mountains. At that time, Emperor Tianqi brought tens of thousands of garrison troops, but he didn't snatch it down and let him run away. By the way, I heard that the kid is called Duan Yu.”

What?

Duan Yu? !

Yue Feng was shocked and froze there, unable to return to his senses for a long time.
