

## The ultimate husband in Chinese chapter 841-850

### Chapter 841

Xiao Yuruo shook her head, with a bitter expression on her face: "I've been with the princess all day, and there is no news from Yue Feng."

Xiao Yuruo breathed a sigh of relief when she said this.

Because of the invasion of Apocalypse Continent, Yue Feng led Tianmen to desperately protect Donghai City, which led to the failure of the Apocalypse army to conquer. Since then, the name Yue Feng has been known to everyone in the Apocalypse Continent! Everyone knows that the failure of Tianqi Continent to send troops is because of that Yue Feng!

As a woman of Yue Feng, Xiao Yuruo's fate was to be placed under house arrest beside the princess, never to leave!

"In our lifetime, we don't know if we can see him again." Qin Rongyin's face was full of disappointment, and her tears kept rolling.

"Haha, Madam, I'm back!"

At this moment, a burst of laughter suddenly came, and King Guangping walked into the palace with a spring breeze on his face with wine in his hand.

At this moment, when he saw Xiao Yuruo, King Guangping was stunned. Isn't this woman another woman that Yue Chen dedicated to the emperor? How did she come?

With a murmur in his heart, King Guangping laughed and said to Qin Rongyin, "Madam, I have a great news for you! I have news about Yue Feng!"

"Really?"

Qin Rongyin and Xiao Yuruo heard this. I was so excited that I stood up and looked at King Guangping: "He... where is he?"

Alas...

King Guangping sighed softly, looked at Qin Rongyin and said, "Madam, you have to be prepared, this is not Good news." After

a pause, King Guangping said word by word: "I just got the news that Yue Feng was besieged by Emei and fell into the crater, and there are no bones left..."

After saying this, King Guangping looked calm, My heart is very excited!

This chapter is provided by . Visit for daily update.

Hahaha!

He is holding back a smile! Haha, this is really great news! As soon as Yue Feng died, Madam's hope was shattered, and she would stay in the palace with all her heart! Haha!

But after these words fell, Xiao Yuruo and Qin Rongyin, the two women trembled, as if struck by lightning!

"You... what did you say, you... you say it again..." Qin Rongyin asked softly with red eyes, trying to control her emotions.

Wang Guangping breathed a sigh of relief and said, "Madam, accept this fact. Yue Feng is dead, and the news cannot be wrong. Many people saw it at that time, and now in the imperial city, everyone is talking about this matter.. "The

voice fell, Qin Rongyin's figure flickered, and she almost fainted on the ground, tears welling up in her eyes!

"Madam!" King Guangping hurried over and hugged Qin Rongyin's waist: "Madam, you can't be reborn from the dead, don't be too sad, don't worry, I will take care of you for the rest of your life."

Qin Rongyin didn't say anything, just stared blankly. In the distance, my heart hurts immensely.

Yue Feng, do you know that you are the only man in my life. For you, I am willing to turn my back on the whole world, I am willing to set fire to Tongtian Island and escape from Tongtian Sect. But are we destined to have no fate?

"Wow!"

And Xiao Yuruo, who was beside him, was already bursting into tears, crying heart-breakingly!

The past events came one after another, and in Xiao Yuruo's mind, it was like a movie being shown!

Yuruo likes Crystal Love. At the Luo Luo auction, Yue Feng bought Crystal Love with 100 million and gave it to her.

At the lion slaughter conference, Yue Feng was seriously injured, and Yu Ruo promised to marry Yu Yang in order to save him.

At the wedding, Yue Feng became an enemy of the world and took her away!

Yu Ruo was sucked in by Hu Sanyang, and there was only one day left. Ouyang Mansion, they were married with tears in their eyes.

The past events in those scenes were like a sharp knife, deeply stabbed in Yu Ruo's heart. !

"Wow! Yue Feng, why did you leave me, I miss you so much, do you know that I have been waiting for you, why did you leave me..."

Tears fell wantonly, Xiao Yuruo shouted desperately, crying Heartbroken!

Chapter 842 The

other side.

Bottom of the crater.

The aura here is too strong. After more than a day of practice, Yue Feng has completely recovered his inner strength.

But at this time, he was lying on the white jade platform, his face full of despair. This volcanic cave is really too deep, and the surrounding temperature is very hot, which consumes a lot of internal force. Even if Yue Feng used the Tiangang sword technique, he probably wouldn't be able to climb up.

Trapped here, there is no need to eat or drink at all. Because the surrounding spiritual energy is too strong.

At this time, the two women were surrounding Yue Feng, Xiao Xi was pinching his legs, and Su Qingyan was rubbing his shoulders.

It has to be said that although Su Qingyan is respected as the Sect Master of Wenzong, after following Yue Feng, the whole person has become extremely gentle and considerate. With that jade hand on his shoulder, Yue Feng felt so comfortable that he was about to ascend to the sky.

"Master, as long as we can serve you every day, even if we can't get out and are trapped here for the rest of our lives, Xiao Xi is willing." Xiao Xi said softly.

"You girl." Yue Feng touched her head, a trace of doting appeared on his face. This girl is more and more attractive.

"Om!"

However, at this moment, only a vibration sounded. Under the white jade platform, the magma suddenly surged!

What the hell!

Could it be that the volcano is about to erupt?

Yue Feng was startled and turned his head to look at him. At that time, he was completely stunned!

I saw that in the depths of the magma, a white flame slowly emerged!

That's right, white flames! Very conspicuous!

That white flame, the size of a basketball! As if possessing spirituality, he kept jumping on the magma.

At this moment, Yue Feng could clearly feel that after the white flame appeared, the temperature of the surrounding magma was decreasing!

This white flame is actually... swallowing the temperature of the magma!

This... this...

"This, this flame, why is it white?" Yue Feng was shocked and asked subconsciously.

Su Qingyan on the side, her delicate body trembled again and again, and after watching for a long time, she said: "Yue Feng, this white flame seems to be... a different fire!"

At the same time as she spoke, Su Qingyan tightly Looking at the white flame, I was both excited and shocked!

Alien fire? ! Yue Feng was stunned.

At this moment, Xiao Xi on the side couldn't help but ask: "Sister Qingyan, what is Yihuo?"

Huh.

Su Qingyan let out a sigh of relief and explained seriously, "Yihuo is different from ordinary fire. The flame is different. It is dozens of times, or even hundreds of times hotter than ordinary flames! In this world, there are hundreds of different types of fire! For example, Sanwei Zhenhuo, Liuding Shenhua...etc."

Yue Feng took a deep breath. Tone, according to the legend of the Earth Round Continent, Sun Wukong was once thrown into the alchemy furnace of Taishang Laojun. Inside the alchemy furnace is the Six Ding Shenhuo!

According to legend, the red boy of the Flame Mountain will spray three flavors of real fire!

“Then what kind of strange fire is this white flame?” Yue Feng asked.

Su Qingyan bit her lip tightly and replied, “In this world, there is a list of different fires that contains hundreds of different fires! Among them, Sanwei Zhenhuo ranks fifth. Six Ding Shenhuo ranks eleventh! Speaking of

which, Su Qingyan glanced at Yue Feng and said softly: “If I guessed correctly. The white flame in front of me...is...the number one on the list of different fires... Bailian Lenghuo !”

“Hi!” Yue Feng’s head buzzed!

No. 1 on the Different Fire List, Bai Lian Leng Huo? !

“Bai Lian Leng Huo, the reason why it is called this name is because this kind of flame is originally cold and has no temperature. That’s why it is called Leng Huo!” Su Qingyan whispered: “But it can swallow the temperature of other flames! After absorbing the temperature, its temperature is extremely terrifying! It is the nemesis of all flames! By the way, some strange fires have spirituality and will take the initiative to attack people!”

Shocked in his heart, Yue Feng couldn’t help but look at Bailian Lenghuo .

Xiao Xi next to her was also full of surprise.

I saw the cold fire of the white lotus, jumping in the air for a while, then disappeared into the magma and disappeared.

The three Yue Feng didn’t care, no matter how powerful Bai Lian’s cold fire was, as long as he didn’t get close to Baiyutai, he wouldn’t be able to hurt himself.

After Chapter 843,

every two days, the white lotus cold fire will appear in the magma from time to time, just like a little elf, absorbing the energy of the magma on it, playing enough, and submerging into the magma.

It is worth mentioning that every time the white lotus is cold and hot, before it sinks into the magma, it will jump to the Baiyutai side, ten meters away from the Baiyutai, and stop there for a few seconds, as if watching Yue Feng and a few people.

On this day, the cold fire of Bailian appeared again.

Yue Feng, on the other hand, was sitting on the white jade platform, cross-legged and practising the [Pure Yang Zhenjing].

[Pure Yang Zhenjing] This secret book is the secret book that the martial arts college organized a donation, and Yue Feng made the most donations. Because of this secret book, Yue Feng's internal power has also become pure Yang internal power.

At this time, there was magma around. Yue Feng practiced the Pure Yang Sutra and gained a new understanding. His inner strength became more and more pure! In the blink of an eye, it was already about to break through to the fourth rank of Martial Saint!

hum!

At this moment, the group of white lotuses jumped a few times in the air. It seems to be attracted by Yue Feng, instead of submerging into the magma as usual, it turned into a white streamer and shot towards Yue Feng!

Bailian Lenghuo's target is Yue Feng's Dantian!

Wow...

Su Qingyan's protective film was instantly eroded by the cold fire of the white lotus, and a large hole was dissolved, and the next second, it flew to Yue Feng!

"Be careful, Yue Feng!"

"Young Master!"

This scene was too sudden, Su Qingyan and Xiao Xi saw it and exclaimed loudly.

Hearing the exclamation, Yue Feng immediately opened his eyes, and when he saw the cold fire of Bai Lian flying, he was taken aback and tried to avoid it.

But Bai Lian's cold fire speed is too fast, Yue Feng is still a step slower!

Whoosh!

Bai Lian suddenly plunged into Yue Feng's dantian, and in an instant, Yue Feng's body trembled, and the whole person became extremely red!

"Ah..."

Yue Feng yelled and couldn't help rolling on the ground!

At this time, Yue Feng only felt that his whole body was about to burn. The feeling was indescribable in words.

Seeing this scene, Su Qingyan and Xiao Xi were both dumbfounded.

I saw Yue Feng's whole body, like burning red charcoal, extremely scary!

At the same time, a terrifying heat burst out from Yue Feng's body. This heat is much stronger than the temperature of the magma.

A few seconds later, Xiao Xi reacted and couldn't help crying: "Master, how are you..." When the

voice fell, Xiao Xi was about to rush over, but Su Qingyan grabbed it.

"Xiao Xi, calm down." Su Qingyan hurriedly said: "Don't go over, Bai Lian's cold fire penetrated into his body, and if you touch him, he will be burned to death!"

Xiao Xi was nervous again, and again Worried, he cried and asked: "Then Bailian Lenghuo, why did you want to get into the young master's body?" At this

moment, as his body became more and more hot, Yue Feng was about to collapse, and he kept howling!

Su Qingyan frowned and shouted at Yue Feng, "Yue Feng, hurry up, hurry up and activate your Pure Yang Zhenjing."

Bailian Lenghuo is the number one strange fire in the world! Full of sunshine!

Yue Feng's Pure Yang Sutra also belongs to Yang.

It must be Yue Feng's practice of the Pure Yang Sutra, which attracted the Bailian Lenghuo.

This group of white lotus cold fire already has spirituality, it wants to devour Yue Feng's pure yang internal force!

Yes, definitely so!

The only way to do it now is to let Yue Feng turn against the guests and merge the cold fire of this group of white lotuses!

As for whether it can be successful, it depends on Yue Feng's willpower.

Thinking to herself, Su Qingyan was both excited and worried, and continued towards Yue Feng: "Yue Feng, the only way you can now is to use the inner strength of pure

Yang to fuse this group of white lotus with cold fire, you must succeed. I...I wait for you, you die, I will never live alone, I wait for you to devour it!"

## Chapter 844

"Yue Feng, you must hold on, you must swallow this strange fire..." Tears flashed in Su Qingyan's eyes, and a heart was pulled.

After all, this white lotus cold fire, but the world's first strange fire!

If you are not careful, your bones will be burnt!

At this time, Yue Feng is almost unable to hold it anymore, it is extremely uncomfortable!

hot!

It's so hot, it's hot all over!

Yue Feng only felt that his internal organs were burning, and he would never forget that feeling for the rest of his life!

"Young master, you must hold on..." Xiao Xi shouted with red eyes.

Yue Feng's face was covered in cold sweat, and he was so hot that he could hardly hold on anymore. But when he heard Xiao Xi and Su Qingyan's shouts, he didn't know where the strength came from. Sit up with your teeth clenched, use your inner strength to fight against this white lotus cold fire!

Yue Feng's mind is very clear, he knows that he can't die, he can't fall!

If he falls down, what will Xiao Xi and Su Qingyan do? !

Yue Feng could feel that this white lotus was cold and wanted to devour himself!

Alright, Bailian Lenghuo, let's see if you are stronger, or if my pure Yang internal strength is stronger!

At this moment, Yue Feng's eyes were blood red, and he resisted the burning pain all over his body.

call! call!

For a time, Chunyang internal force and Bailian Lenghuo, these two forces, must completely devour each other and fuse! But they can't succeed, they can't stand it!

Xiao Xi clenched her pink fist tightly and kept cheering for Yue Feng: “Young Master, you can do it, you can definitely do it...”

.....

On the other side, Apocalypse Continent. It is 800 miles away from the south of the Imperial City.

There is a mountain here, surrounded by clouds and mist, like a fairyland, the name is Lingyin Mountain.

Under the Lingyin Mountain, there is an antique building, here is the Lingyin Pavilion!

The three words “Lingyin Pavilion” are known to everyone in the Tianqi Continent! This is a terrifying killer organization!

This organization has existed for thousands of years! No one knows who built the Lingyin Pavilion! No one knows how many assassins there are in Lingyin Pavilion! This organization is extremely mysterious! On the Apocalypse Continent, I don't know how many masters were assassinated by Lingyin Pavilion!

There are rumors in the rivers and lakes that the person who Lingyin Pavilion wants to kill never misses, and he will surely die!

At this time, in the Lingyin Hall, a woman was sitting there, silently cultivating.

This woman is wearing a long black dress, which is close to the body! That graceful figure is very charming! She was in her twenties, with a black veil on her face, revealing only a pair of eyes like autumn water.

Look carefully. Half of this woman's face was as white as snow, as if it was hard to extricate oneself at a glance.

The other half of his face was as black as charcoal!

It is Liu Xuan!

At the beginning, Liu Xuan was thrown into the sea by the disciples of the Ming Sect.

At the beginning, the master of Lingyin Pavilion had just assassinated a master of the rivers and lakes, and was returning to Lingyin Pavilion by boat. She happened to meet Liu Xuan who was drowning and rescued her.

Since then, Liu Xuan has joined Lingyin Pavilion and worshipped the pavilion master as a teacher! Practicing hard!

Lu Jiechen of the Ming Sect had hurt herself so badly, Liu Xuan secretly vowed to make herself stronger.

Only by being strong can you take revenge!

Liu Xuan practiced day and night, and her strength improved by leaps and bounds! At this time, she was filled with a cold and glamorous aura.

“Tutor.”

At this moment, a slight footstep sounded, and then, a woman in a long purple dress walked slowly.

This woman is about thirty years old. The figure is graceful and compact, just like a peerless beauty, full of charm! However, her eyes were indifferent, and her whole body was filled with an icy cold that was thousands of miles away.

This woman is the master of Lingyin Pavilion, Liu Xuan’s master, Li Ruoning.

“Master...”

Liu Xuan quickly stood up and shouted respectfully.

Li Ruoning nodded and looked at Liu Xuan with a look of approval: “Xuan’er, you are progressing so fast, I am very pleased for the teacher, but you should not be too tired to improve your strength.

” My son, I spend most of my time cultivating, so hard work makes me feel distressed.

Liu Xuan smiled lightly and didn’t care. If you don’t practice hard, how will you seek revenge from Lu Jiechen in the future?

Liu Xuan stood up and asked Li Ruoning eagerly, “Master, do you have any news about Yue Feng?”

After joining Lingyin Pavilion, Liu Xuan begged Li Ruoning to inquire about Yue Feng’s whereabouts.

I am ugly now, and I have no face to see Yue Feng anymore, but I always miss him and want to know if Yue Feng is doing well.

“There is news of him.”

Chapter 845

Li Ruoning nodded and spoke lightly.

“He, is he okay!” Liu Xuan asked anxiously with red eyes.

Li Ruoning sat down slowly, picked up a cup of tea, took a sip, and said indifferently:  
“He is already dead.”

As the pavilion master of Lingyin Pavilion, Li Ruoning’s hands have been stained with many lives! She takes life and death very lightly, so when Li Ruoning said the news, her tone was extremely indifferent.

What? !

At this moment, Liu Xuan’s delicate body was shocked, as if her whole body had been casted on a body-setting spell!

“Yue Feng was besieged by the Emei faction and fell into a volcano and died.” Li Ruoning spoke again.

hum!

Liu Xuan felt a pain in her heart, her delicate body softened, and she slumped on the ground. She was so heartbroken that she burst into tears!

If someone told her that Yue Feng was dead, Liu Xuan would never believe it! But this news happened from Master’s mouth! The information of Lingyin Pavilion has never been missed!

Tears seemed to burst, and Liu Xuan couldn’t say a word! Scenes from the past come to my mind, heartache unceasingly!

Li Ruoning sighed and comforted softly, “Teacher, your condolences.”

After saying this, he turned and left.

In the entire hall, only Liu Xuan was left, sitting there dumbfounded, unable to control it any longer, she cried out with a wow!

Husband, do you know. Xuan’er has ruined her appearance and has no face to see you. But Xuan’er wants to see you from a distance one day... just a glance, you know!

Liu Xuan clenched her hands tightly, her fingernails had already sunk into the flesh, and the blood was blurred!

Mingjiao! Emei!

I let you pay your debts with blood!

...

On the other side, Xi Cang Continent.

This continent, like the Apocalypse Continent, is also an ancient society without any high-tech.

However, the Apocalypse Continent has been ruled by the Apocalypse Royal Family for thousands of years and is now prosperous and stable. On the other hand, the Xi Cang Continent has always been in a state of war.

In the past few hundred years, more than a dozen forces in Xicang Continent have attacked each other and fought constantly!

Until a month ago, the strongest 'Taisho Dynasty' in Xicang Continent finally completely unified this continent!

Dragon City! It is the largest city in Xicang Continent! The Royal Palace is located here!

At this time, on the bustling streets of Longcheng, a man in sportswear looked particularly eye-catching!

This man was very handsome and dressed strangely, and all passers-by saw him and avoided him.

It was Duan Yu!

At that time in the Tianji Mountains, after getting the opening axe, Duan Yu was attacked by Xing Yao and the national teacher together, and he almost died.

After that, he fled in a hurry, turning all the way, and came to the Xi Cang Continent.

While fleeing all the way, Duan Yu did not forget to practice. At this point, Duan Yu has reached the realm of a Martial Emperor!

Da Da Da...

At this moment, in the direction of the palace ahead, there was a sudden sound of horses' hooves.

In the next second, I saw tens of thousands of cavalry rushing in! These cavalymen are all black armor, and they can feel the chilling aura that pervades them from far away!

Duan Yu could clearly see that the armor of these cavalymen was embroidered with a black wolf's head. It is the elite of the Taisho Dynasty, the black wolf cavalry!

The Taisho Dynasty, it was with this black wolf cavalry that it was able to dominate the Xicang Continent!

Behind the black wolf cavalry formation is a guard of honor.

In the guard of honor, there is a huge king chariot drawn by sixteen horses.

Sitting inside is the supreme ruler of the Xi Cang Continent, the Xi Cang Emperor!

Hula la...

All of a sudden, the entire street people all fell to their knees, all of them looked respectful and terrified, and at the same time, they shouted in unison.

“Meet Your Majesty...”

“Long live my emperor! Long live!” The

shouts came one after another, and the momentum was overwhelming!

For a time, all the people on the entire street knelt down and looked very shocked.

However, there is a figure, still standing proudly there.

It was Duan Yu!

## **The ultimate husband in Chinese chapter 846-850**

Chapter 846

“Boldly harassing people, you still don’t kneel when you see the holy car?”

Seeing this scene, the commander of the Imperial Guard rushed over, staring at Duan Yu and yelling angrily!

The commander of the Imperial Guard is named Long Zhan. It is the strength of the second stage Martial Emperor!

kneel?

The corners of Duan Yu's mouth twitched, revealing a sneer.

The boy kneels down on his knees to his parents.

After the Duan family was exterminated, the world was so big that no one was worth kneeling down!

Thinking to himself, Duan Yu turned around and left without even looking at Long Zhan.

What a presumptuous boy!

Long Zhan suddenly became angry, and called out a long spear: "Dare to be disrespectful to Your Majesty, die!" The

voice fell, and Long Zhan rose into the air!

hum!

A powerful aura erupted from Long Zhan's body, and the spear in his hand drew a shock, stabbing straight to Duan Yu's heart, and he saw that the air was distorted, and the momentum was amazing.

Seeing Long Zhan attacking, Duan Yu looked disdainful.

"Kacha!"

This chapter is provided by . Visit for daily update.

Only a loud noise was heard, and the axe burst out, and was firmly held in Duan Yu's hand!

In an instant, the mountain-blazing axe burst into light, like a scorching sun, radiating in all directions.

Hiss...

what kind of weapon is this?

What a strong breath!

At this moment, many people on the street, those wild wolf cavalry, and even Emperor Xi Cang in the king's car were stunned, shocked beyond words.

"Roar!"

Duan Yu didn't talk nonsense, he waved hard! I heard a dragon roar that shocked the world, and it came from the opening axe, and then, a golden glow burst out!

Long Zhan had no time to react and was directly hit by Jin Mang.

"Ah..."

Long Zhan let out a scream, and the whole person sprinkled a rain of blood in the air, and flew out at once, flying more than 100 meters away, and finally smashed on the city wall, like a pool of mud Slipping down the same!

When he landed, Long Zhan was already bloody and fainted!

hiss...

a trick?

With just one move, he stunned the famous Dragon War!

Seeing this scene, the people of the whole city couldn't help gasping for air!

The young man in front of him is also... too terrifying, right? !

Especially the weapon in his hand, could it be... an artifact born from the Apocalypse Continent?

At this moment, Emperor Xi Cang stood up all of a sudden, and his heart was extremely shocked! The eyes are also very excited!

"I will die if I don't kneel? In this world, the person who can make me kneel has not yet been born!" Duan Yu said lightly, and turned around and strode away.

"Stay back!"

At this moment, Emperor Xi Cang suddenly spoke up!

I saw Emperor Xi Cang, wearing a golden dragon robe, exuding supreme majesty all over his body.

Emperor Xi Cang showed a smile and said slowly: "This little brother, I see you as brave and unparalleled, would you be willing to work with me to plan a great cause together?"

When he said this, Emperor Xi Cang's eyes were full of urgency! Emperor Xi Cang has always been thirsty for talents! Although he has unified the Xi Cang Continent, the Xi Cang Emperor has even more grand wishes! That is, expand the territory and annex the rest of the continent!

## Chapter 847

Duan Yu, who is in front of him, possesses a peerless artifact, and is the talent he desperately needs!

Conspiracy for grand cause?

Hearing this, Duan Yu frowned.

Before he could speak, Emperor Xi Cang continued with a sincere expression on his face: "As long as you are willing, I will immediately appoint you as prime minister, command the three armies, and one person is more than ten thousand people! How?"

What?

Prime Minister? !

In an instant, there was an uproar around.

The title of prime minister is a supreme honor!

For a time, countless pairs of eyes converged on Duan Yu's body, flickering with shock and complexity.

Duan Yu pondered for a few seconds, looked at Emperor Xi Cang, showed a smile, nodded and said, "Okay!"

At this moment, Duan Yu figured it out in just a few seconds. If you have an artifact, you will naturally become famous all over the world!

Such a good opportunity in front of you, of course, you must seize it!

"Haha!" Seeing his answer, Emperor Xi Cang was very excited, and laughed loudly: "Okay, that's great, from today onwards, you will be my right-hand man, and in the future, you will be able to run the world as you please!

" The people and soldiers knelt down one after another, and the momentum was overwhelming.

"Long live, long live, Emperor Wu! Long live the prime minister!"

Seeing the scene in front of him, the corners of Duan Yu's mouth twitched.

...

five days later.

Apocalypse Continent.

On the outskirts of Tianqi Imperial City, there is a majestic square. The entire square is paved with white marble, which is indescribably majestic!

In the middle of this square, there is a circular building. This is called the Temple of Heaven and Earth, and it is the place where Emperor Tianqi worshipped and worshipped heaven and earth.

In this Apocalypse Continent, imperial power is supreme, and the royal family is very superstitious. The emperor often came here to worship ancestors, worship heaven and earth, and pray for good weather.

The Temple of Heaven and Earth, only Emperor Tianqi can come! Sacred and inviolable! Even the soldiers in charge of guarding are not allowed to approach, and can only guard from a few miles away.

None of the people nearby dared to approach the Temple of Heaven and Earth! Because Emperor Tianqi once ordered that those who trespass on the altar of heaven and earth, die!

At this time, it was already night, and the moon was bright and the stars were thin in the night sky.

I saw two figures, taking advantage of the night, quietly entered the Temple of Heaven and Earth.

Under the moonlight, you can clearly see that this is a man and a woman. The men are handsome and stylish, and the women are slim.

It is Bai Xiaotian and Ouyang Jingwen!

Tonight, the two of them are secretly dating. Because very few people come to the Temple of Heaven and Earth, and there is no one within a few miles! This is a great place for a date!

At this time, Bai Xiaotian and Ouyang Jingwen hugged each other tightly.

“Xiaotian, my dad is going to kill me and give Yue Feng his life. I really don’t want to stay in the Ouyang family, you take me away.” At this moment, Jingwen spoke softly.

Bai Xiaotian looked bitter: “Jingwen, my master Ren Feifei also knew that we killed Yue Feng. I begged her for a long time before she forgave me. To be honest, I also want to take you away, but we can go. Where? With our current strength, it would be completely impossible to move without the master and the family.”

Having said that, Bai Xiaotian kissed her and continued: "Jingwen, Patriarch Ouyang was only angry for a while, so he wanted to kill you. You don't have to worry too much, he is your father, how could he kill you? I think, Now his anger should have subsided a lot."

Hearing this, Ouyang Jingwen bit her lip and said softly, "What do you mean, let me go back?"

She was afraid when she thought of her father drawing his sword.

Feeling her worry, Bai Xiaotian smiled and comforted: "That's right. Jingwen, you have to go back to the family. Yue Feng is already dead, even if your father gets angry again, it won't save anything. I'm here, find a chance to go again. Please, Master, let her propose marriage on my behalf."

After speaking, Bai Xiaotian took her hand and continued to comfort him: "Trust me, I will be able to marry you righteously."

"Well..."

Listen At this remark, Jing Wen was delighted, leaned on Bai Xiaotian's shoulder, and answered lightly.

## Chapter 848

Jing Wen and Bai Xiaotian hug each other tightly, you love me deeply.

It's winter, and a gust of wind blows, and the people who blow it get goosebumps.

Jingwen was inexplicably frightened: "Xiaotian, let's go. It's empty here, and there's no one around. I'm a little scared. Our next date, don't come here, it's cold here."

Bai Xiaotian laughed: "Do n't come here." I'm afraid, this is Emperor Tianqi, the place to worship heaven and earth, usually no one comes, of course it's empty."

When he said this, Bai Xiaotian's eyes fell on the altar not far away.

The altar is made of pure white jade with pure gold borders, which is full of atmosphere!

In the center of the altar, there was a jade bead the size of an egg. This bead is green throughout, exuding a charming light, brightening the surrounding area.

"What kind of beads are these?"

Bai Xiaotian couldn't help being curious and walked over.

When he got to the front, Bai Xiaotian picked up the bead and studied it carefully. He was pleasantly surprised to find that the bead was very beautiful, with a dragon carved on it, and the bead contained a spiritual energy.

Bai Xiaotian clearly felt that this spiritual energy was of great benefit to cultivation!

If you wear this bead with you, the training speed will be doubled!

Hahaha...

As expected of the place where the emperor is worshipped, there is such a good thing!

For a while, Bai Xiaotian didn't have time to think, put the beads directly into his pocket, then walked over and took Ouyang Jingwen's hand: "Jingwen, we are lucky, we can find treasures when we come to such a ghost place! This bead is for you."

"Yeah!" Jingwen nodded, not happy.

As a result, at this moment, only a loud shout was heard, from not far away!

"Bold! Who are you, dare to trespass on the Temple of Heaven and Earth! Trespassers die!"

Following the voice, I saw a team of Guards, rushing over!

Bai Xiaotian was shocked, it was too late to run! At that time, he called out a long sword, pulled Jing Wen with one hand, and directly killed the guards, killing a bloody path alive and escaping from the Temple of Heaven and Earth.

...

on the other side, at the bottom of the crater.

Yue Feng and Bai Lian Leng Huo have been deadlocked for five days and five nights!

During these five days and five nights, Yue Feng did not dare to be neglected in the slightest, and kept his pure Yang internal force in the strongest state.

Xiao Xi and Su Qingyan were also standing beside him.

Finally, on the morning of the sixth day, Yue Feng suddenly roared, and his pure Yang internal force finally suppressed Bai Lian's cold fire!

"Ah!"

Yue Feng screamed up to the sky. In the past five days, he was burned all over his body, and it was extremely painful!

But in the end, this white lotus cold fire was defeated! Completely subdued by Yue Feng!

At this moment, Yue Feng opened his eyes, and two bright beams shot out! He saw that in his eyes, there seemed to be two flames that were burning roaringly.

hum!

At the same time, an extremely terrifying aura erupted from Yue Feng's body and swept across the bottom of the volcano!

Fifth rank of Martial Saint!

After obtaining Bailian Lenghuo, Yue Feng arrived at the fifth stage of Martial Saint in a blink of an eye!

Hahaha...

I didn't expect that after the fusion of Bailian Cold Fire, it could bring such great benefits!

His five days and five nights of hard work were not in vain. At this moment, Yue Feng was indescribably excited!

"Wow...Young Master has succeeded..."

At this moment, Xiao Xi couldn't hide her excitement, she rushed over and hugged Yue Feng, rejoicing and admiring: "Young Master, you are awesome. !"

Su Qingyan also trembled with excitement, looking at Yue Feng's eyes, full of surprises!

He did it, he really did it, he really suppressed the strange fire! Got the white lotus cold fire!

I really didn't see the wrong person, this man is really omnipotent.

Thinking to herself, Su Qingyan walked over and smiled at Yue Feng: "Yue Feng, you...you are really amazing..."

Yue Feng laughed and hugged the two daughters tightly in his arms. After a while, he sighed and said, "Even if I get Bai Lian Leng Huo, what's the use? We will end up trapped here."

” Crater, impossible. At least to reach the realm of Emperor Wu, it is possible to rush out!

If you carry the magic pill with you, that’s fine. As long as there is an Immortal Pill, you will definitely be able to reach a Martial Emperor!

Thinking to himself, Yue Feng sighed, slowly sat down with his knees crossed, and started to practice. I just hope to be promoted to Emperor Wu soon.

Without the Immortal Pill, it is really difficult to break through from the fifth stage of Martial Saint to Martial Emperor! As little as a few years, as many as decades, or even a lifetime!

In order to leave here quickly, I can only endure it slowly, hoping that my strength will improve quickly.

In the next few days, Yue Feng practiced desperately. Anyway, under this volcano, there is nothing to do.

This afternoon, Yue Feng was tired from practicing, so he asked Xiao Xi to rub her shoulders and Su Qingyan to rub her legs.

Xiao Xi is naturally willing, and the jade hand gently rests on Yue Feng’s shoulder and kneads.

Su Qingyan smiled and said, “Yue Feng, although we are trapped under this volcano, Xiao Xi and I are waiting for you. If other men were treated like this, they would love to be trapped here.

” Point.” Yue Feng shrugged and sighed.

If you have nothing to do with yourself, you are willing to be trapped here. But his worries are too much. I don’t know what happened to Yuruo and Madam.

Yue Feng felt a headache when he thought of this. He sighed, closed his eyes, and enjoyed the massage from the two girls.

Su Qingyan and Xiao Xi also noticed that Yue Feng was upset and stopped talking.

I don’t know how long it took, but Xiao Xi cleared her throat and hummed softly while rubbing her shoulders for Yue Feng.

“This dream is so real, the tears in the corners of my eyes are still there after waking up~”

“Do you know, because your heart is broken, you escaped into the empty door~”

“This life is a journey, you are the sweetheart~” The

beautiful voice came, and Yue Feng was in a good mood. Xiao Xi has sung this song before, and Yue Feng never tires of listening to it.

Su Qingyan’s heart was touched when she heard it, and she couldn’t help but admire: “The rhythm is so beautiful, and the lyrics are so beautiful. I didn’t expect Xiao Xi to sing so well.”

Being praised, Xiao Xi felt a little embarrassed and said humbly: “Sister Qingyan, Don’t compliment me. Right, sister Qingyan, don’t you know, the son can sing, not only can he sing, but he can also write songs!”

Even Xu Lu, the top brand of the wealthy family, begged the son to give it to her Writing songs. The son taught her a sweet song, and she sang it at the new song conference, which was really amazing!

Xiao Xi hugged Yue Feng’s arm and shook it gently: “Young Master, you can sing one too.”

When she said this, Xiao Xi’s eyes were full of anticipation.

Yue Feng can also sing?

Su Qingyan was stunned for a moment, her eyes like autumn water also looked at Yue Feng closely.

Yue Feng smiled, looked at her fondly, and nodded: “Okay, then I’ll sing one.”

After speaking, Yue Feng thought for a while, then cleared his throat and sang softly.

“Just because I looked at you one more time in the crowd.”

“I can’t forget your face again.”

“I dream of seeing you again by chance.”

“From then on, I started to miss you alone.”

“When I miss you. You are on the horizon, you are in front of you when I miss you, you are in my mind when I miss you, and you are in my heart when I miss you.”

Yue Feng hummed in his heart, and couldn’t help recalling Liu Xuan in his mind.

Liu Xuan also likes to sing. I remember that she sang this song when I watched Liu Xuan live.

I don't know where is Liu Xuan now, and is she doing well? Is it already.. married to someone else..

Unconsciously, Yue Feng sings red eyes.

On the other side, Su Qingyan and Xiao Xi were also mesmerized.

Especially Su Qingyan, listening to Yue Feng's song, her heart melted, and she admired him even more. This man can make alchemy, write poetry, read feng shui, sing, and what else he doesn't know..

"Sir, this song is so good."

Little stars twinkled in Xiao Xi's eyes, begging to Yue Feng. Said: "I have time in the future, can you teach me to sing this song?" "Okay

..." Yue Feng nodded with a smile.

At this moment, Su Qingyan came back to her senses, put her arms around Yue Feng's shoulders, and said softly: "By the way, Yue Feng, since you have merged with the cold fire of Bailian, release the cold fire and let us see." The

voice fell . , Xiao Xi also had a look of anticipation, unable to hide her inner excitement.

You must know that the fusion of the son is the number one fire in the world!

"Haha, good, good." Yue Feng smiled slightly. Internal force turned, raised his hand and waved.

hum!

The surrounding air vibrated violently! I only saw a white light, which quickly condensed! Immediately afterwards, I saw a white flame churning in Yue Feng's hands!

It is Bailian Lenghuo!

After the complete integration, Yue Feng can easily summon Bai Lian Leng Huo with a single thought.

wow...

so beautiful.

I saw this white lotus cold fire, constantly jumping, and above the flame, a white lotus appeared.

“Let’s play.” At this moment, Yue Feng waved his hand, looked at Bai Lian Leng Huo with a smile, and said softly.

call!

When the voice fell, Bailian Lenghuo seemed to understand, like a little elf, ran to the nearby magma, and jumped up and down, like a child, playing and playing.

This group of white lotus cold fire has long possessed spirituality and can understand Yue Feng’s words.

Seeing this scene, Su Qingyan and Xiao Xi were even more inexplicably excited.

At this moment, Yue Feng smiled and looked at Bai Lian Leng Huo. I wanted to let it play for a while, so I recalled it into my body. However, gradually, Yue Feng saw Bai Lian’s cold fire, jumping up and down, he suddenly had a flash of inspiration, and he realized something!

Yue Feng became more and more fascinated! A heart trembled faintly!

This white lotus jumped up and down with cold fire, sometimes like a tiger descending a mountain, and sometimes like a flying dragon soaring into the sky!

With a buzzing sound in his head, Yue Feng seemed to be stupid, and slowly stood up, his hands and feet swaying involuntarily.

“Master, what are you doing?” Xiao Xi couldn’t help but ask.

But at this time, Yue Feng couldn’t hear Xiao Xi’s words at all! He just stood there, constantly doing all kinds of strange movements. Sometimes it takes a horse step, and sometimes both hands form a fist!

“Young Master, Young Master?” Xiao Xi asked several times, but Yue Feng didn’t respond to her at all.

This time, Xiao Xi became anxious and took Su Qingyan’s hand: “Sister Qingyan, what’s the matter with your son, why can’t he hear me talking!”

“He... he...” Su Qingyan trembled! Looking closely at Yue Feng, his delicate body trembled: “Yue Feng... just watched Bai Lian jump with cold fire, and he seems to have realized something. If I guess correctly, he is... creating a cultivation technique!”

“What? ?Young master, he is creating a technique?!” Xiao Xi bit her lip, her legs softened!

There are thousands of exercises in this world! Those who can create exercises are absolute powerhouses!

During the Three Kingdoms period, Zhao Yun, the god of war, created the ‘Wuji Good Fortune Palm’, which will last forever!

The founder of the Wudang School created Taijiquan and Taiji sword! Make Wudang stand in the rivers and lakes and become the martial arts Beidou!

All of these seniors are geniuses! All are peerless powerhouses!

But... Yue Feng is only a fifth-ranked Martial Saint, so he can create a practice method.. This... If you hadn’t seen this with your own eyes, who would dare to believe it!

Su Qingyan’s lips were about to bleed. He looked closely at Yue Feng.

He... what kind of magic can he create...

Chapter 850

Yue Feng kept his eyes closed, his hands and feet, and kept doing strange movements.

He created the exercises and has entered a state of obsession!

Xiao Xi and Su Qingyan next to them didn’t dare to disturb Yue Feng, they just waited quietly beside them.

But the two daughters never dreamed that this would be hundreds of days and nights!

Time flies.

one year later.

...

Apocalypse Continent!

Guangping Palace!

In the back garden of the palace, the flowers are still blooming.

In the gazebo, Qin Rongyin was wearing a long silk dress and sat there with a smile on her face.

In front of her, a little boy who had just turned one year old was babbling as a toddler, followed by a few maids, carefully serving him.

This child is the son of the leader's wife and Yue Feng.

Qin Rongyin named him Yue Wuya.

Endless boundless, no boundless thoughts.

I also hope that when he grows up, he will be as upright as his father is!

Although Ya'er is small, when you look closely, she has clear eyes and beautiful eyes, and she looks like Yue Feng.

After giving birth to a child, Qin Rongyin kept her figure perfectly, and her face was delicate and ruddy, which made her look even more charming.

A year ago, Qin Rongyin heard the news of Yue Feng's death. She was heartbroken, and had soft thoughts several times.

It was not until the child was born that Qin Rongyin's mood gradually adjusted. Seeing Ya'er growing up day by day, Qin Rongyin no longer wants anything, but only wishes him to grow up healthily.

Although Qin Rongyin gave birth to a child, she still loves King Guangping.

King Guangping told Qin Rongyin at the beginning that after the child was born, he would treat the child as his own son. And he did. Over the past year, King Guangping has taken good care of their mother and son.

So this year, Qin Rongyin also decided to spend the rest of his life in the Guangping Palace.

Besides here, where else could Qin Rongyin go? Yue Feng has passed away, the world is huge, and he has no relatives.

"Y'er, come here, mother." Qin Rongyin beckoned to the child with a doting face.

Ya'er is extremely smart, walking at a slow pace and running over quickly. He threw himself into Qin Rongyin's arms.

"Hahaha, Madam, I'm back!"

At this moment, a loud laugh was heard. As soon as he saw the door, King Guangping walked in with a bunch of candied haws.

In front of Ya'er, King Guangping's face was full of love: "My dear son, look at what your father brought you, sweet and sour candied haws."

As he spoke, King Guangping held Ya'er in his arms.

Although this child belonged to Yue Feng, the King of Guangping always called Ya'er his son.

Qin Rongyin stood up slowly and said angrily at Guangping Wang Jiao: "My lord, the child is still young, and his teeth are not even, how can he eat candied haws..."

"Haha..."

heard At this, King Guangping smiled and said, "You can't eat it, let him play with it..."

Qin Rongyin smiled lightly, feeling deeply moved. The lord really likes Ya'er...

At this moment, King Guangping looked at the child with a smile and teased: "My dear son, the father bought you a candied haws, what should you say?"

"When he said this, there was expectation in King Guangping's eyes.

Ya'er squeezed the candied haws excitedly, and opened her mouth: "Thank you...Father...King!"

"Hahaha..." Guangping Wang was overjoyed and couldn't help but slap his face. I kissed: "Son is so good..."
