

## The ultimate husband in Chinese chapter 861-865

Chapter 861

Yue Feng....he's back?

At the same time, Ouyang Zhennan and Jiang Shan looked at each other in shock!

Is it... is it the wind? Feng Er he.. he is not dead!

?

At this moment, the tens of thousands of the Imperial Forest Army also trembled!  
Especially the eldest prince, his eyes were gloomy and cold.

This person is Yue Feng, who desperately defended the Diyuan Continent and made the Apocalypse Continent fail to send troops with his own strength?

A year ago, various sects were spreading rumors that the boy Yue Feng had died.

Unexpectedly, he is still alive!

Thinking to himself, the pupils of the first prince shrank, and a strong fighting spirit permeated his body.

"Father!" Yue Feng's figure trembled, his eyes blood red!

He could see that the entire Ouyang family was in a miserable state, especially the appearance of his adoptive father and Aunt Jiang covered in blood. Yue Feng's inner anger was rising!

"Father, I'm sorry, I'm late..." Yue Feng's eyes were red, tears were falling down, and he picked up Ouyang Zhennan, his voice choked up.

Knowing that the Tianqi royal family was going to destroy the Ouyang family, Yue Feng flew back all the way, without the slightest pause!

Unexpectedly, it was still a step behind!

Feeling Ouyang Zhennan's weakness at this time, Yue Feng's heart was cut like a knife!

This chapter is provided by . Visit for daily update.

Ouyang Zhennan couldn't hold it anymore, but when he heard Yue Feng's voice, he couldn't tell how excited he was, he held Yue Feng's hand tightly, and smiled weakly:  
"Feng'er, it's you, it's really you. , it's really you..."

Over the past year, Ouyang Zhennan has been fantasizing all the time, fantasizing that Feng'er is not dead! Now, that dream scene has really happened. Ouyang Zhennan burst into tears, at this moment, even if he died, he would have no regrets!

"Father, stop talking, you must hold on, you must hold on..." Yue Feng wiped the tears from the corners of his eyes, stood up slowly, and looked behind him.

Behind Yue Feng, Su Qingyan and Xiao Xi stood there.

"Light smoke." Yue Feng whispered.

Su Qingyan stepped forward and met Yue Feng's eyes.

"I want these people to die." A few cold words came out of Yue Feng's mouth.

Su Qingyan nodded without answering a word! She just flipped her jade hand, and a long sword appeared in her hand!

"Roar!"

Just seeing Su Qingyan's side, the air suddenly distorted! A golden fire phoenix slowly appeared behind Su Qingyan!

This phoenix was obviously transformed from internal force!

But when the phoenix appeared, everyone present clearly felt suffocated!

This phoenix is more than fifty meters long! The whole body is golden, without the slightest variegation! Phoenix's whole body was burning with flaming flames!

"Om—"

Accompanied by a loud phoenix groan, I saw that fire phoenix, instantly rushed into the camp of the Royal Forest Army! Wherever you pass, it all turns into coke! Even the earth is burning up!

"Ah!"

Countless screams sounded!

Holding a long sword, Su Qingyan kept walking in the Apocalypse camp, as if she was dancing a frightful dance! But every time she raises her sword, several people must fall!

Su Qingyan, Sect Master of Wenzong, 3rd Duan Martial Emperor!

As the head of a sect, even when she has all her cards, she even dares to fight when she encounters a fourth-ranking Martial Emperor!

Today, there are tens of thousands of Imperial Forest Army, although the number is large, but who can stop her? !

“Ah...”

Those imperial guards didn't react at all, and they all howled out under Su Qingyan's raging rage!

On the other hand, Yue Feng did not help Su Qingyan. Because he knew that to deal with these Imperial Forest Army, Su Qingyan alone was enough!

At this time, Yue Feng only felt that his heart was cut by a knife!

Seeing the adoptive father covered in blood, his tears fell down!

“Foster father, hold on, hold on...” Yue Feng's voice was hoarse, and the rolling internal force was transmitted to Ouyang Zhennan's body!

However, the adopted father was seriously injured, and even though he was infused with pure Yang internal power, he was still extremely weak.

“Xiaofeng, foster father... I am sorry for you... foster father is sorry for you...” Tears and blood were mixed on Ouyang Zhennan's face, but he still squeezed out a smile and clenched Yue Feng's hand: “I... I gave birth to a beast daughter. I'm sorry for you, foster father is sorry for you, Xiaofeng... foster father is sorry for you... foster father should be damned, foster father should be damned...”

Ouyang Zhennan didn't cry like he was. It looks like a man with a stern body, at this time, he was in tears! The voices are choking!

“Foster father, please stop talking, okay? I beg you to stop talking first...” Yue Feng shouted loudly, placing one hand on Ouyang Zhennan's dantian, constantly instilling internal strength.

Ouyang Zhennan's lips were already white at this time, he slowly raised his hand, pointed at Jingwen on the side, and said coldly, “Beast, come here.”

“I...” Jingwen trembled, not knowing her father. Why did he suddenly call himself, he was stunned instinctively.

“I'll let you come here, beast, I'll let you come here!” Ouyang Zhennan's emotions were extremely excited. Originally, he was seriously injured, but now he was in a hurry, and a mouthful of blood spurted out and spread all over the ground!

“Father...” Jingwen walked over quickly and called softly.

“Don’t call me, I’m not your father!” Ouyang Zhennan roared loudly, pointed at Jingwen, and said coldly: “Kneel down.”

“I...” Ouyang Jingwen bit her lip tightly.

“I want you to kneel down, kneel down and apologize to your righteous brother!” Ouyang Zhennan’s voice was hoarse, his whole body was shaking with anger!

Chapter 862

What?

Kneel down to Yue Feng!

Jingwen’s delicate body trembled, her whole body was full of resistance, and she shouted: “I...I won’t kneel!”

“What did you say?”

Ouyang Zhennan’s eyes flashed with anger, and his whole body trembled with anger.

Phew..

Jingwen took a deep breath, her delicate face was full of stubbornness: “I admit that it was me who led Yue Feng to the crater, but I have no regrets! If you give me another chance, I will still do this. Do. He is lucky that he didn’t die, I will never apologize to him in my life, it is even more impossible to kneel!”

“You...you bastard...” Ouyang Zhennan was angry, pointing at Jingwen, I almost fainted!

At this moment, Jiang Shan on the side stood up slowly, endured the pain of the wound on her body, and slapped Jing Wen on the face!

With this slap, Jiang Shan tried her best, only to see Jingwen groaning, and she fell to the ground at once, with bright red five-fingerprints on her face.

“You have to make your father pissed off, don’t you? Hurry up and apologize to your righteous brother.” Jiang Shan scolded sharply! At Jingwen, she gave a wink.

My eldest daughter is so capricious! When is this all, still not convinced!

“Mom...”

Jing Wen reacted and looked at Jiang Shan blankly. She never thought that her mother would suddenly become so angry.

Before she could finish speaking, Jiang Shan interrupted coldly, no doubt: "Don't say more, hurry up and apologize to your righteous brother!"

Seriously, Jiang Shan is still helping her eldest daughter by doing this.

She knew in her heart that if Jingwen didn't kneel down and admit her mistake today, her husband would really cut off the father-daughter relationship with her!

This time, Jing Wen was completely stupid.

All Ouyang's disciples present lowered their heads, and no one dared to come out to persuade them.

In the hearts of the disciples of the Ouyang family, it was her fault that the eldest young lady almost killed Young Master Yue Feng.

"You kneel or not!" Ouyang Zhennan roared, his eyes blood red!

"Pfft!"

Jing Wen bit her lip tightly. At this moment, she was in tears, and finally bent her legs and knelt in front of Yue Feng.

"Yue Feng... I'm sorry, it was me before... I was wrong..." Jing Wen lowered her head and spoke in a very low voice, which only a few people nearby could hear.

When she said this, Jing Wen felt unspeakable grievances in her heart!

Why.

Why should I apologize to him!

Is it wrong for my father to force him to marry him, and for the sake of his life's happiness, he wants him to die? !

Why are everyone forcing themselves to apologize to Yue Feng!

Huh...

Looking at Jingwen kneeling on the ground, Yue Feng's expression was indifferent, without the slightest fluctuation!

Seriously, this Ouyang Jingwen wanted to kill herself over and over again, but Yue Feng really wanted to kill her!

But she is the daughter of her adoptive father after all, so she still doesn't care about her. But I will never forgive her!

Seeing that Yue Feng didn't speak, Jing Wen's delicate body trembled faintly, and her inner anger rushed up!

What does he mean?

Do you want to keep yourself kneeling here? !

Is this Yue Feng sincerely humiliating himself!

"Boom!"

However, on the other side, Su Qingyan was holding a long sword. In front of her, all the tens of thousands of the Imperial Forest Army fell to the ground! The entire Ouyang family is filled with blood!

Chapter 863

Only the First Prince is left at this time! He was shocked and angry! 10,000 garrison troops, all died at the hands of this woman!

The eldest prince's face was twitching. Holding a long knife, he rushed up and fought with Su Qingyan!

However, the strength of the eldest prince was one rank lower than Su Qingyan's. He couldn't even hold on for two rounds, and his body was covered with scars from Su Qingyan's beating!

"Pfft!"

Finally, Su Qingyan found a flaw, and with a turn of her jade hand, the long sword drew a dazzling light, stabbing the eldest prince's heart at once.

The first prince trembled and was directly pierced by this sword!

Pfft!

The eldest prince's head was buzzing, and he fell to the ground instantly, dying of breathlessness!

hiss!

Seeing this scene, the entire Ouyang family was extremely silent!

This woman..

strong!

Really too strong!

Su Qingyan was expressionless and returned to Yue Feng's side, but said softly, "It's all settled."

Yue Feng nodded without the slightest joy.

The Ouyang family is his second home. In the fierce battle just now, Ouyang's children died and were injured.

Now even if those imperial guards were all dead, it would be difficult to vent their hatred!

"Son... son!"

At this moment, a joyful voice came. Immediately afterwards, I saw Yue Tianheng and his wife, squeezed through the crowd, came over in surprise and joy, and looked at Yue Feng blankly!

During the fierce battle just now, Yue Feng's parents were reading books in the library. Later, when they heard the screams of killing outside, the old couple quickly came out to check the situation.

As soon as the result came out, he saw the figure of Yue Feng.

The son is not dead, the son is not dead!

"Dad! Mom!" Yue Feng couldn't hold back his emotions. He rushed over and hugged his parents tightly: "My son is not filial, I have always made you miss me..."

When he said this, Yue Feng couldn't control it. , Tears are flowing!

I haven't seen you for so long, my parents have lost a lot of weight.

"Son, you're not dead, you're not dead..." Yue Tianheng's hands trembled, he touched Yue Feng's cheek, he just felt like he was dreaming.

When they heard the news that their son had fallen into the crater, Yue Tianheng and his wife were almost heartbroken and desperate for life!

This year, the old couple has not slept well every day! Although my emotions have been adjusted now, every time I think of my son, I still feel very sad!

At this time, seeing Yue Feng safe and sound, the joy of the old couple cannot be described in words at all!

The family of three hugged each other tightly, and it took a long time to separate.

At this time, Yue Tianheng saw Jingwen kneeling there, and Yue Tianheng breathed a sigh of relief, but did not speak.

To be honest, when Yue Tianheng heard that Jingwen killed his son, Yue Tianheng had an indescribable resentment in his heart!

And now, although the son came back safe and sound, in the hearts of Yue Tianheng and his wife, they still have no good feelings for Jingwen in front of them!

Ouyang Zhennan, who was on the side, stood up slowly. At this time, he was covered in blood. He endured the pain. You, tomorrow your wedding with Bai Xiaotian is canceled, from now on, you will serve Yue Feng all your life and make up for your sins, did you hear that?"

What? !

Hearing this, Jingwen's delicate body trembled, and she stared at her father blankly, her whole body stunned.

Tomorrow, the wedding of myself and Bai Xiaotian has been announced to the world! If you cancel the wedding and marry Yue Feng instead, how will you meet anyone?

Thinking to herself, Jingwen wanted to refuse, but she felt her father's anger, so she didn't speak, just nodded: "Well..."

Even though she was married to Yue Feng, Jingwen was unwilling! But at this time, my father's life is at stake, so I can only promise my father...

## Chapter 864

Yue Feng stood there with embarrassment all over his face.

He was distressed. He doesn't want to marry this Ouyang Jingwen! The so-called "twisted melon is not sweet", even if he promised his adoptive father, the two would not be happy together.

Thinking to himself, Yue Feng smiled wryly and was about to refuse.

At this moment, Yue Feng's mother, Su Yue, couldn't help but say, "Brother Zhennan, I think this marriage should be forgotten. Xiaofeng and Jingwen's personalities are not compatible, and they were forcibly matched. Together, there will be no good results."

"What do you mean?!"

At this moment, Ouyang Jingwen stood up abruptly, her delicate body trembled, and she pointed at Yue Feng's mother and shouted: "You are so old. Now, talking is so disgusting! Do you think I am willing to marry your son?! Do you think it is rare for me to marry your son?!"

At this time, Jingwen was indescribably excited! He wanted to marry Yue Feng, but Yue Feng's mother refused? What is she! Ouyang Jingwen only felt that her dignity had been greatly humiliated!

While talking, Jingwen looked at Yue Feng's parents and said fiercely: "You two have lived in my house for more than a year. Eat my family's, use my family's, you are shameless! I want to marry your son. , You still don't want to?! Your family is not a good thing!" The

voice fell, Jing Wen cried and ran out.

In an instant, everyone around was dumbfounded.

"You... beast, stop for me!"

Ouyang Zhennan was so angry, he pointed at Jingwen's back, and shouted with trembling.

However, Jingwen has run away!

the other side.

Apocalypse Continent, Peerless City!

Peerless City, located in the westernmost part of the Apocalypse Continent! It's the most fringe city!

At this time, at the gate of Wushuang City, there was an endless stream of businessmen coming and going. The streets of Wushuang City are also bustling and bustling.

Where the few guards on the city tower were leaning, Lai Yangyang was basking in the sun and fell asleep.

"Look, what is that?!"

At this moment, one of the guards seemed to have found something, pointed to the distance, and exclaimed loudly!

Several other guards all looked in the direction he pointed, and all of a sudden, their bodies trembled, and they were all stupid.

Just a few miles away, the vast land was filled with dust and smoke! Tens of thousands of cavalry attacked! These cavalry, all black armor! And behind these cavalry, there is a dark crowd of infantry, there are hundreds of thousands!

These hundreds of thousands of soldiers are the elites of Xi Cang Continent!

“Xicang Continent

is calling!” “It’s the cavalry from Xicang Continent...”

Seeing this scene, several guards panicked, and a fear rose from the bottom of their hearts!

After Duan Yu took away the Sky Axe, the enchantment of the nine continents disappeared. Xi Cang Continent is very ambitious, and has long wanted to invade the Apocalypse Continent.

Duan Yu took the Sky-Opening Axe and joined the Xi Cang Continent to become the Prime Minister of the Xi Cang Continent!

Now Xi Cang Continent, to invade Tianqi Continent, the commander is Duan Yu!

“Let’s gather, gather, Xicang Continent is calling!” The defenders of Wushuang City were already panicking and shouted loudly.

The city lord of Peerless City, whose name is Wang Zhen.

This person is already fifty years old, and he is a veteran of the Apocalypse Continent! Responsible for guarding Wushuang City for decades!

The strength of Wudan Wusheng!

At this time, Wang Zhen climbed up the tower and watched the hundreds of thousands of Xicang army, falling down in cold sweat!

“Hurry up, hurry up, ask the imperial city for help!” Wang Zhen shouted loudly.

“Yes!” The two guards left in a hurry with solemn expressions.

hum!

At this moment, the Xi Cang army outside the city filled with a powerful aura, and a figure rose into the air!

I saw him wearing black and gold armor, majestic and extraordinary!

It was Duan Yu!

Chapter 865

“People from Peerless City, listen, within half an hour, open the door and surrender, otherwise, die!” A cold voice came from Duan Yu’s mouth!

The voice was not loud, but there was a suffocating sense of oppression, and people in the entire Peerless City could hear it clearly!

Wang Zhenfei flew to the sky and said coldly at Duan Yu: “You Xicang Continent, you dare to attack my Tianqi Continent? With my Wang Zhen here today, you can’t break my Peerless City!”

“Hahaha...”

Hearing this Then, Duan Yu looked up to the sky and laughed: “Listen to what you mean, you are not going to surrender!”

Crack!

When the words fell, Duan Yu stopped talking nonsense, and the opening axe burst out, firmly grasping it in his hand.

hum!

In an instant, one after another dazzling rays of light burst out from the sky-opening axe, and at the same time, a violent and unparalleled aura swept the world!

“Roar!”

I heard a loud dragon roar! Immediately, the sky-opening axe made a brilliant light, and a touch of golden light ripped apart the heavens and the earth, and slashed directly at Wang Zhen!

Boom!

Wang Zhen couldn’t dodge at all. The axe was knocked hundreds of meters into the air and smashed into a private house. He died tragically on the spot!

hiss!

The entire Peerless City is silent!

Just one move to kill City Lord Wang Zhen? !

Seeing this situation, the people in Wushuang City couldn't help gasping for air, and were extremely scared!

"The prime minister is mighty!"

"The prime minister is mighty!"

At this moment, the hundreds of thousands of Xi Cang troops were in unison, and the momentum was shocking!

The corners of Duan Yu's mouth twitched, a smile appeared, and he raised his hand and waved: "The entire army can take over Peerless City! Fine wine, women, enjoy it as you please!" "

Kill!"

Like a tide, it rushed into the Peerless City!

...

the other side!

Apocalypse Imperial City!

In the inner hall, Emperor Tianqi was sitting on the throne. At this time, he didn't know that Xi Cang Continent was calling.

He only knew that none of the eldest prince and the ten thousand imperial guards were killed by Yue Feng!

Emperor Tianqi clenched his fists, his face was full of anger, endless anger!

"Yue Feng, it's this Yue Feng again!"

Emperor Tianqi's eyes were blood red, he slapped the dragon chair fiercely, and shouted angrily!

"This Yue Feng, who fell into the mouth of the volcano, didn't even die!" Emperor Tianqi's face was pale and his heart was stuffy!

The eldest prince is dead... that's the son he hurts the most!

In the entire inner hall, apart from Emperor Tianqi, there were only Xing Yao and the national teacher. The two of them stood there quietly and did not speak.

Neither the eldest prince nor the ten thousand imperial guards survived. This matter is related to the dignity of the royal family, and it would be too embarrassing to spread it out!

So now, only the Emperor Tianqi, Xing Yao, and the national teacher know about this matter.

“Guo Shi.” Emperor Tianqi was furious, looking at the national teacher and said coldly: “I order you to immediately lead the army to the Di Yuan Continent. Be sure to destroy this Ouyang family and that Yue Feng! Be sure to capture them alive. Yue Feng, I want to kill him with my own hands, kill him with my own hands! I pay homage to my emperor’s spirit in heaven.”

When he said this, Emperor Tianqi felt a pain in his heart!

The eldest prince is his favorite prince, and he intends to let him inherit the throne in the future!

The pain of losing his son made Emperor Tianqi lose his mind, and he would never give up on the Ouyang family and Yue Feng!
