

The ultimate husband in Chinese chapter 866-870

Chapter 866

At this moment, at the gate of the main hall, King Guangping was sweating profusely, and hurried over.

Just now when the Xi Cang Continent attacked, King Guangping has already received the news, and now he has made a special trip to report to the emperor!

Unexpectedly, he was stopped by the guards as soon as he reached the door: "My lord, you can't go in!" King

Guangping glared at him and said angrily: "What are you doing, I want to see Your Majesty."

How dare you stop yourself?

The guard looked embarrassed and said with a wry smile: "King Guangping calm down, His Majesty just issued an order that no one can enter."

King Guangping frowned, "Why are you not allowed to enter?"

"Your Majesty is talking about something." : "In addition to Your Majesty, there is also a national teacher, Xing Yao, the god of war in the hall. I'm afraid they are discussing important matters... So... Prince, don't embarrass your subordinates."

"I have to go in!" King Guangping shouted. One sentence, too lazy to talk nonsense, waved his hand: "I also have something important, you quickly get out of the way!" The

guard looked tangled and still stopped King Guangping.

King Guangping was furious and drew his saber at once: "I tell you, Xicang Continent has attacked! Now Wushuang City has been occupied! I want to report to Your Majesty, if it is delayed, can you afford it?!"

What?

The guard was already stupid, and he didn't dare to neglect at that time, so he quickly moved away.

King Guangping snorted coldly and stepped forward quickly, about to push open the door of the main hall.

As a result, at this moment, before King Guangping opened the door, he heard that Emperor Tianqi was scolding Yue Feng in the hall.

This chapter is provided by . Visit for daily update.

At that time, King Guangping's head buzzed, his body shook, and he almost fell to the ground!

Yue Feng..he is not dead?

Yue Feng is not dead, for King Guangping, it is really bad news!

Madam has lived in his palace for a year. Seeing that the madam is about to accept him completely, now that Yue Feng is not dead, if the madam knows the news, I am afraid that no matter how high the mountain or the road is, she will go to Yue Feng! This is how to do!

"Who is outside the door?" At this moment, in the hall, Emperor Tianqi scolded angrily.

King Guangping trembled, he hurried over and knelt down on the ground: "My minister, see your Majesty."

At this time, Emperor Tianqi was in a fit of anger, looked at King Guangping and said coldly: "King Guangping, you are so bold, I said all. Now, I won't see anyone today!"

Feeling His Majesty's anger, King Guangping panicked, and quickly said: "Your Majesty, calm down, I have something important to report." After

speaking, King Guangping wiped the cold sweat from his forehead and continued. : "I just received news that the Xi Cang army is attacking Wushuang City, and Wushuang City has fallen! The situation is extremely critical, Your Majesty."

What? !

In an instant, when they heard this, Emperor Tianqi, Xing Yao, and the national teacher were all shocked!

"Is this true?" Emperor Tianqi couldn't help standing up and looked at King Guangping closely, his eyes couldn't hide the shock.

King Guangping's face was solemn: "It is absolutely true, the minister does not dare to deceive the king."

Hu!

Emperor Tianqi took a deep breath, and the whole person was a little dazed.

"His Majesty!"

At this moment, the national teacher took a step forward and said respectfully: "I have heard about the fighting power of the Xicang Continent. It is very strong and should not be underestimated! I beg your majesty, let me lead the army to resist."

Emperor Tianqi pondered a few times. Seconds, looked at the national teacher and said coldly: "Okay, the national teacher obeys the order, I ordered you to lead a hundred thousand troops to retake Wushuang City and repel the enemy army, there must be no mistake!"

"The minister follows the order!" The

national teacher responded With a sound, he quickly walked out of the inner hall.

Emperor Tianqi sat down, put his hand on his forehead, and said lightly: "Okay, you all step back."

His beloved prince died, but he couldn't avenge him immediately. At the same time, foreign enemies invaded.

What a headache!

After King Guangping left the palace, he went back to the palace. While walking, stroking his chest, he felt extremely uncomfortable.

King Guangping knew in his heart that Qin Rongyin's heart was always occupied by Yue Feng.

If Madam knew that Yue Feng was not dead, she would definitely leave the palace.

How to do?

Gentle and kind lady.

Chapter 867

And that smart and lovely son.

I have already regarded them as my dearest family members.

If I let my wife leave with the child, I will never be happy for the rest of my life.

No...

no, absolutely can't let this happen.

Thinking to himself, a trace of coldness appeared on King Guangping's face. After returning to the palace, King Guangping walked to the study and called his confidant Jiang Hu over.

Jiang Hu is the person most trusted by King Guangping. He has been following King Guangping for more than ten years, and he is extremely loyal.

In the study, watching Jiang Hu come in, King Guangping didn't talk nonsense, and said solemnly: "Jiang Hu, do you know Yue Feng from the Earth Circle Continent?"

Yue Feng?

Jiang Hu was stunned for a moment, and quickly said: "I know, when our Tianqi army failed to conquer the Diyuan Continent, it was because of this kid, but... isn't that kid dead? Why did the prince suddenly mention him?"

Phew!

King Guangping took a deep breath, his eyes were a bit gloomy: "He's not dead."

What?

not dead?

Jiang Hu's expression froze, and before he recovered, he heard King Guangping continue: "Jiang Hu, I will now give you a task to get rid of this Yue Feng. I know you know many assassin organizations, no matter how much you pay, Be sure to let this Yue Feng disappear from the world, do you understand? Also, only you know about this matter, and you must not leak it out."

When he said this, King Guangping's eyes flashed with gloom and determination. .

Only when Yue Feng is dead can his wife and children stay by his side forever.

Jiang Hu hurriedly clasped his fists: "Don't worry, my lord, my subordinates will do it without knowing it, and live up to the lord's expectations. In our Apocalypse Continent, the strongest killer organization is Lingyin Pavilion, and my subordinates will go to Lingyin Pavilion. Hidden Pavilion, assassinate that Yue Feng."

"Yes."

King Guangping nodded. Of course he knew about Lingyin Pavilion. That is the Apocalypse Continent, a terrifying assassin organization! How many peerless powerhouses died in the hands of Lingyin Pavilion! Lingyin Pavilion never misses!

Let the people of Lingyin Pavilion assassinate Yue Feng, and Yue Feng will surely die.

–The

next day, Lingyin Pavilion.

In the main hall of Lingyin Pavilion, a woman was sitting there, drinking tea.

This woman is in her thirties, but the years have not left too many traces on her delicate face. She has a slim figure and a long dark blue dress, which is full of charm.

Just like a peerless beauty, any man can't take his eyes away when he glances at her. However, there was an icy aura around her.

This woman is Ye Xue, the deputy pavilion owner of Lingyin Pavilion.

Recently, the pavilion master Li Ruoning went out on important business. The affairs of the entire Lingyin Pavilion are all in charge of Ye Xue.

On the table next to Ye Xue, there was a secret letter. Just now, Lingyin Pavilion received an assassination mission. The employer was so arrogant that he spent five million taels of gold to take a person's life. This person is Yue Feng.

“Master...”

At this moment, a footstep sounded, and then a slender figure walked in.

The woman is in her twenties, wearing a long black dress, with a compact and graceful figure, delicate facial features, and a beauty mole on the corner of her right eye, which makes her even more charming.

This woman is the elder sister of the younger generation of Lingyin Pavilion, Leng Yan.

In Lingyin Pavilion, Leng Yan is the best killer among the younger generation.

After five years of training, more than 100 people have died in her hands so far, and she is known as the 'Leng Yan Killer'.

When they got to the front, Leng Yan spoke respectfully and said to Ye Xue: “Master, you are looking for me in such a hurry, do you have a mission?”

“Yes!”

Ye Xue smiled and pointed to the secret letter on the table: “There is just one The employer has spent a lot of money and wants the life of a person. This person is called Yue Feng, and he is from the Earth Circle Continent. This is his portrait.”

Speaking of which, Ye Xue pointed to the table.

On the table, there is a portrait, lifelike.

It is Yue Feng!

Leng Yan nodded and said, "Master, the disciple will definitely complete the task, should we leave now?"

Ye Xue nodded: "You can leave now, by the way, when you leave, take your junior sister Liu Xuan with you. Let her follow you. , practice and practice."

Chapter 868

What? Bring Liu Xuan?

Leng Yan's expression changed suddenly, and her face was full of displeasure: "Master, why should I take Liu Xuan to assassinate others? Assassinating that Yue Feng, I am enough, and going with Liu Xuan will only cause trouble for me. "

According to her seniority, Leng Yan is Liu Xuan's senior sister. But from the bottom of her heart, she hated that Liu Xuan!

Liu Xuan is so ugly, but the pavilion master loves her the most, and accepting her as a closed disciple is really incomprehensible!

Ye Xue waved his hand: "For this assassination mission, you should take Liu Xuan with you. Liu Xuan has assassinated several people before, but those who were assassinated were all rubbish. It is said that Yue Feng, who was assassinated this time, was Her strength is very high. It's better to let Liu Xuan hone and hone. As a senior sister, take her with you and teach her more, understand?"

"Got it..." Although Leng Yan promised, but in her heart Extremely reluctant! When I see Liu Xuan, that ugly monster, I get annoyed!

But it was not easy to refuse at this time, so he nodded and turned to leave the hall.

When she got to the back room, Leng Yan didn't bother to knock on the door, so she pushed the door and walked in.

"Senior sister..."

The moment she opened the door, she saw Liu Xuan sitting in front of the mirror, hurriedly putting on a veil, her face full of inferiority.

For more than a year, Liu Xuan has been in Lingyin Pavilion. In addition to practicing hard, she has locked herself in the room. Occasionally, she will feel uncomfortable when she looks in the mirror.

She was afraid, afraid that others would see her face. So she wears a veil every day and doesn't even take it off when she sleeps.

Once famous goddess.

Now he's become a nasty idiot.

It hurts to change anyone! Liu Xuan didn't know how many times she woke up crying at night!

Seeing Liu Xuan sitting in front of the dressing table, Leng Yan pouted and said sarcastically, "Look in the mirror again, no matter how you look at it, you are still ugly, you can't change into a fairy."

After Leng Yan said this, she snorted coldly. She has never given Liu Xuan a good face.

Hearing the word ugly, Liu Xuan felt a pain in her heart, but did not refute.

Leng Yan said coldly, "Hurry up and pack up. I just received a mission to assassinate someone. You go with me."

"Well..." Liu Xuan nodded and started to pack her clothes.

Every time she receives a task, Liu Xuan will take it seriously. She knows that only through actual combat can her strength be improved. Only by improving your strength quickly can you avenge Yue Feng and seek revenge for Lu Jiechen!

While cleaning up, Liu Xuan asked curiously, "Senior sister, who are we going to assassinate?"

Leng Yan sat on the stool and said angrily, "Where did you come from so much nonsense? Why are you asking so much? The strength of Wu Sheng, you just follow me, don't make trouble. I will take you out to experience this time, you just need to cooperate secretly and cover me, don't ask if you shouldn't ask, understand?"

"I see, Senior Sister."

Hearing this, Liu Xuan said softly.

"Hurry up, Momo Haha. What's the use of bringing so many clothes? Who would give you a second look at a man on the street? And the person who assassinated this time was in the Earth Continent. It is said that there are clouds of beauties in the Earth Continent. As long as you look like this, beggars won't like you. Just bring a suit of clothes. Hurry up and don't waste time." Leng Yan was too lazy to talk nonsense and walked out of the room first.

Liu Xuan felt aggrieved in her heart, but she had no choice but to follow.

Two hours later, Liu Xuan and Leng Yan arrived at a small fishing village in Tianqi Continent. Rented a small boat and headed to the Earth Continent.

When she got on the boat, Liu Xuan felt uncomfortable.

It's been a year, a whole year, are you going to return to the Earth Continent again?

Scenes from the past poured out. Liu Xuan only felt that her mind was full, and Yue Feng's figure appeared, and her eyes were instantly moist.

Chapter 869

"What are you doing? Row." Leng Yan suddenly spoke and kicked the oars.

Liu Xuan bit her lip tightly and couldn't help but said, "Senior sister, shall we take this boat and go to Diyu Continent?"

This boat is too small. And there is only one oar. When will it be rowed?

"What? You still want to rent a big boat and hire more than a dozen crew members. What do you think you are? Do you think you have come out to play in the mountains and water?" Leng Yan frowned and pointed at Liu Xuan's nose.

Liu Xuan looked at the boundless sea and whispered: "Senior sister...but, there is only one oar..."

"There is only one oar, of course you are rowing!" Leng Yan suddenly became angry: "I tell you, if it weren't for Master Said, if you want to come out and practice, I won't take you as an ugly bastard. On the way, I want to meditate and practice. So you come to row a boat. You can row a boat without exhausting you."

Leng Yan said more and more meanly: "She is just an ugly monster, and she has to treat herself as a delicate eldest lady, a cheap bone, and hypocritical."

When she said this, Leng Yan sat on the boat, closed her eyes, and stopped talking.

Liu Xuan bit her lip and had no choice but to silently pick up the paddle and start rowing.

...

the other side.

Earth Continent! Fuyao Palace!

At this time, it was approaching the deep winter, the grass and trees outside were withered, and the cold wind was blowing.

However, in the Hundred Flowers Hall of Fuyao Palace, there was a lively and cheerful atmosphere, and a plum blossom banquet was being held.

The Plum Blossom Banquet is a special traditional custom of Fuyao Palace, which has lasted for thousands of years.

At this time of the year, the plum blossoms in Fuyao Palace are in full bloom, and the fragrance of the flowers fills the air, and Fuyao Palace will hold a plum blossom banquet.

At this time, the seven fairies were gathering together, talking and laughing, sipping tea.

Beside them, more than a dozen men knelt there, serving exclusively. In Fuyao Palace, men have low status and are completely slaves.

In the guest seat next to him, a man was sitting. This man is the only man in the entire Fuyao Palace who does not need to kneel.

It was Hu Sanyang!

At this time, the master of the palace, Bai Shengshui, smiled lightly and looked at Hu Sanyang: "Sect Master Hu, are you still used to living in my Fuyao Palace during this time?"

After the Kunlun faction was destroyed, Hu Sanyang's heart was also affected. Interrupted, unable to cultivate for a lifetime, like a lost dog, has been living in Fuyao Palace.

But in Fuyao Palace, Hu Sanyang lived very happily. Because the master of the palace, Bai Shengshui, was very kind to him.

In fact, Bai Shengshui felt in his heart that he owed Hu Sanyang a lot. After all, he promised him to help him kill Yue Feng, but he lost his words.

Not only did he not kill Yue Feng, but in the end he even helped Tianmen to fight against the Tianqi army in Zhaixinglou.

In order to make up for his indebtedness, Bai Shengshui traveled almost all over the world, and finally found a 'Nine Heavens Yin-Yang Grass' to help Hu Sanyang heal his heart. At this time, Hu Sanyang had completely recovered his strength, a fourth rank of Martial Saint!

Hu Sanyang stood up slowly, cupped his hands and said, "Thanks to the love of the seven palace masters, I have been in Fuyao Palace this year, and I am very happy every day." Hu Sanyang responded politely.

Speaking of this, Hu Sanyang laughed and continued: "But the seven palace masters, I, Hu Sanyang, have lived here for a year. Fuyao Palace are all female disciples, it is inconvenient for me to live here, otherwise... I still leave.."

Bai Shengshui looked at him and said with a smile: "Master Hu, your Kunlun faction has been destroyed. Why don't you join my Fuyao Palace in the future. I can make an exception for you, from now on you are Fuyao Palace, the only one Male disciple."

Hu Sanyang bowed slightly, and said with joy on his face: "Grand Palace Master, thank you! The seven palace masters don't dislike me, then I will be a member of Fuyao Palace in the future. I will never betray Fuyao Palace in my life! "

Speaking of this, Hu Sanyang knelt on the ground and kowtowed at the Seven Fairies.

Chapter 870

"Get up quickly. You don't need to kneel." Bai Shengshui laughed and said to Hu Sanyang, "You don't have to be polite in the future. You are the eighth palace lord of my Fuyao Palace." Nodding: "I, Hu Sanyang, cannot repay the kindness of the seven palace masters!" The

voice fell, and Hu Sanyang took out a bottle of fine wine from his body: "Seven palace masters. Recently, in my spare time, I brewed a bottle of wine. Baihua wine, I invite a few palace masters to taste it today to show my gratitude."

After speaking, Hu Sanyang opened the wine. In an instant, the entire Hundred Flowers Hall was filled with a strong aroma of wine.

Hu Sanyang smiled and walked over to fill the glass of the Seven Fairies.

That's right, Hu Sanyang Brewery does have a set. He had read a book called "Kunlun Three Brewing" in the Kunlun School of Sutra Collection before. This book teaches you how to make wine.

It is said that the founder of the Kunlun School, the founder of the mountain, was addicted to alcohol. That's why books on winemaking are included in the Sutra Collection Pavilion.

At this time, Bai Shengshui picked up the wine glass, took a sip, and then nodded: "It is indeed a good wine."

The other fairies also picked up the wine glass and tasted it carefully.

Originally, little fairies didn't drink alcohol, but for some reason, this wine was fragrant, and she couldn't help but take a sip.

Hu Sanyang stood aside, smiling seven fairies: "Seven palace masters, how does my wine taste?"

At the same time as he spoke, there was a wicked smile in his eyes.

"This wine has a sweet aftertaste..." Bai Shengshui's red lips opened, and just after saying a few words, his eyebrows were suddenly furrowed! She just felt herself go soft!

"Hahaha.." Hu Sanyang's face showed a bit of abusiveness: "Grand Palace Master, is it because this alcohol is too strong, the whole body is weak, and even the inner strength can't be stimulated?"

Whoa!

At this moment, Bai Shengshui's face changed, and he looked at him in surprise: "Hu Sanyang, you...you drugged with alcohol?"

At this moment, Bai Shengshui was shocked and angry. That's right, I'm so weak now that I can't exert any strength!

At the same time, the other six fairies also stared at Hu Sanyang, full of anger!

"Hu Sanyang, how dare you do this..."

"Our Fuyao Palace treats you badly, but you poison us?!"

Treat me badly?

The smile on Hu Sanyang's face grew thicker, but his eyes showed endless resentment: "Bai Shengshui, you took my Kunlun weapon, the treasure lotus lamp. You promised me a lot, you owe me a condition, you can agree to me on any condition! Later I Kunlun was destroyed, I came to you and wanted to kill the three Yue Feng brothers, but what happened? Did one of those three brothers die?!"

Speaking of which, Hu Sanyang clenched his fists: "My Kunlun faction was destroyed, If you want me to revive the Kunlun School, it will be difficult to ascend to the sky! I have made up my mind, in the future, I will be the master of the Fuyao Palace! The Fuyao Palace will be renamed the Kunlun School!

"

No, her delicate body trembled: “Hu Sanyang, my eldest sister has traveled all over the world to help you find the Nine Heavens Yin-Yang Grass and healed your heart. It’s shameless for you to repay your kindness!”

“Hahahaha...” Hu Sanyang smiled coldly. He said: “Little Fairy, this is a bad word. I am not revenge for kindness. There is a saying that is good, no poison is not a husband, I am just a normal man.

” trembling. In this world, there are still such shameless people! Bai Shengshui said with a cold face, “All the disciples obey the order, take Hu Sanyang down for me!”

“Huh!”
